CHAPTER 16
THE SMELL OF TRUTH?!
159

We'll be the ones to steal her heart away from him!!

We all transform into hosts (men)!!

That was when I struck upon the perfect plan!

Why didn't you ask the guild's men before coming to us?

I feel there must be a better plan than this...

What do you think?

A million?

By the way, the reward is a million jewels.

That's like three times my rent!

A million divided by five is still 200,000!

Do you think any of them are up to the task of capturing a girl's heart?!

Oh, yeah...

I understand perfectly.

?

I won't hear any more complaints.

Lucy-san is in danger of falling for that line!

B-But something like that...

Not bad, right?

She's already plunged.

All ya gotta do is try something new, and you can live in luxury!

I've already got men's suits for you to wear!

Fine, just quit groping me!

GWISH

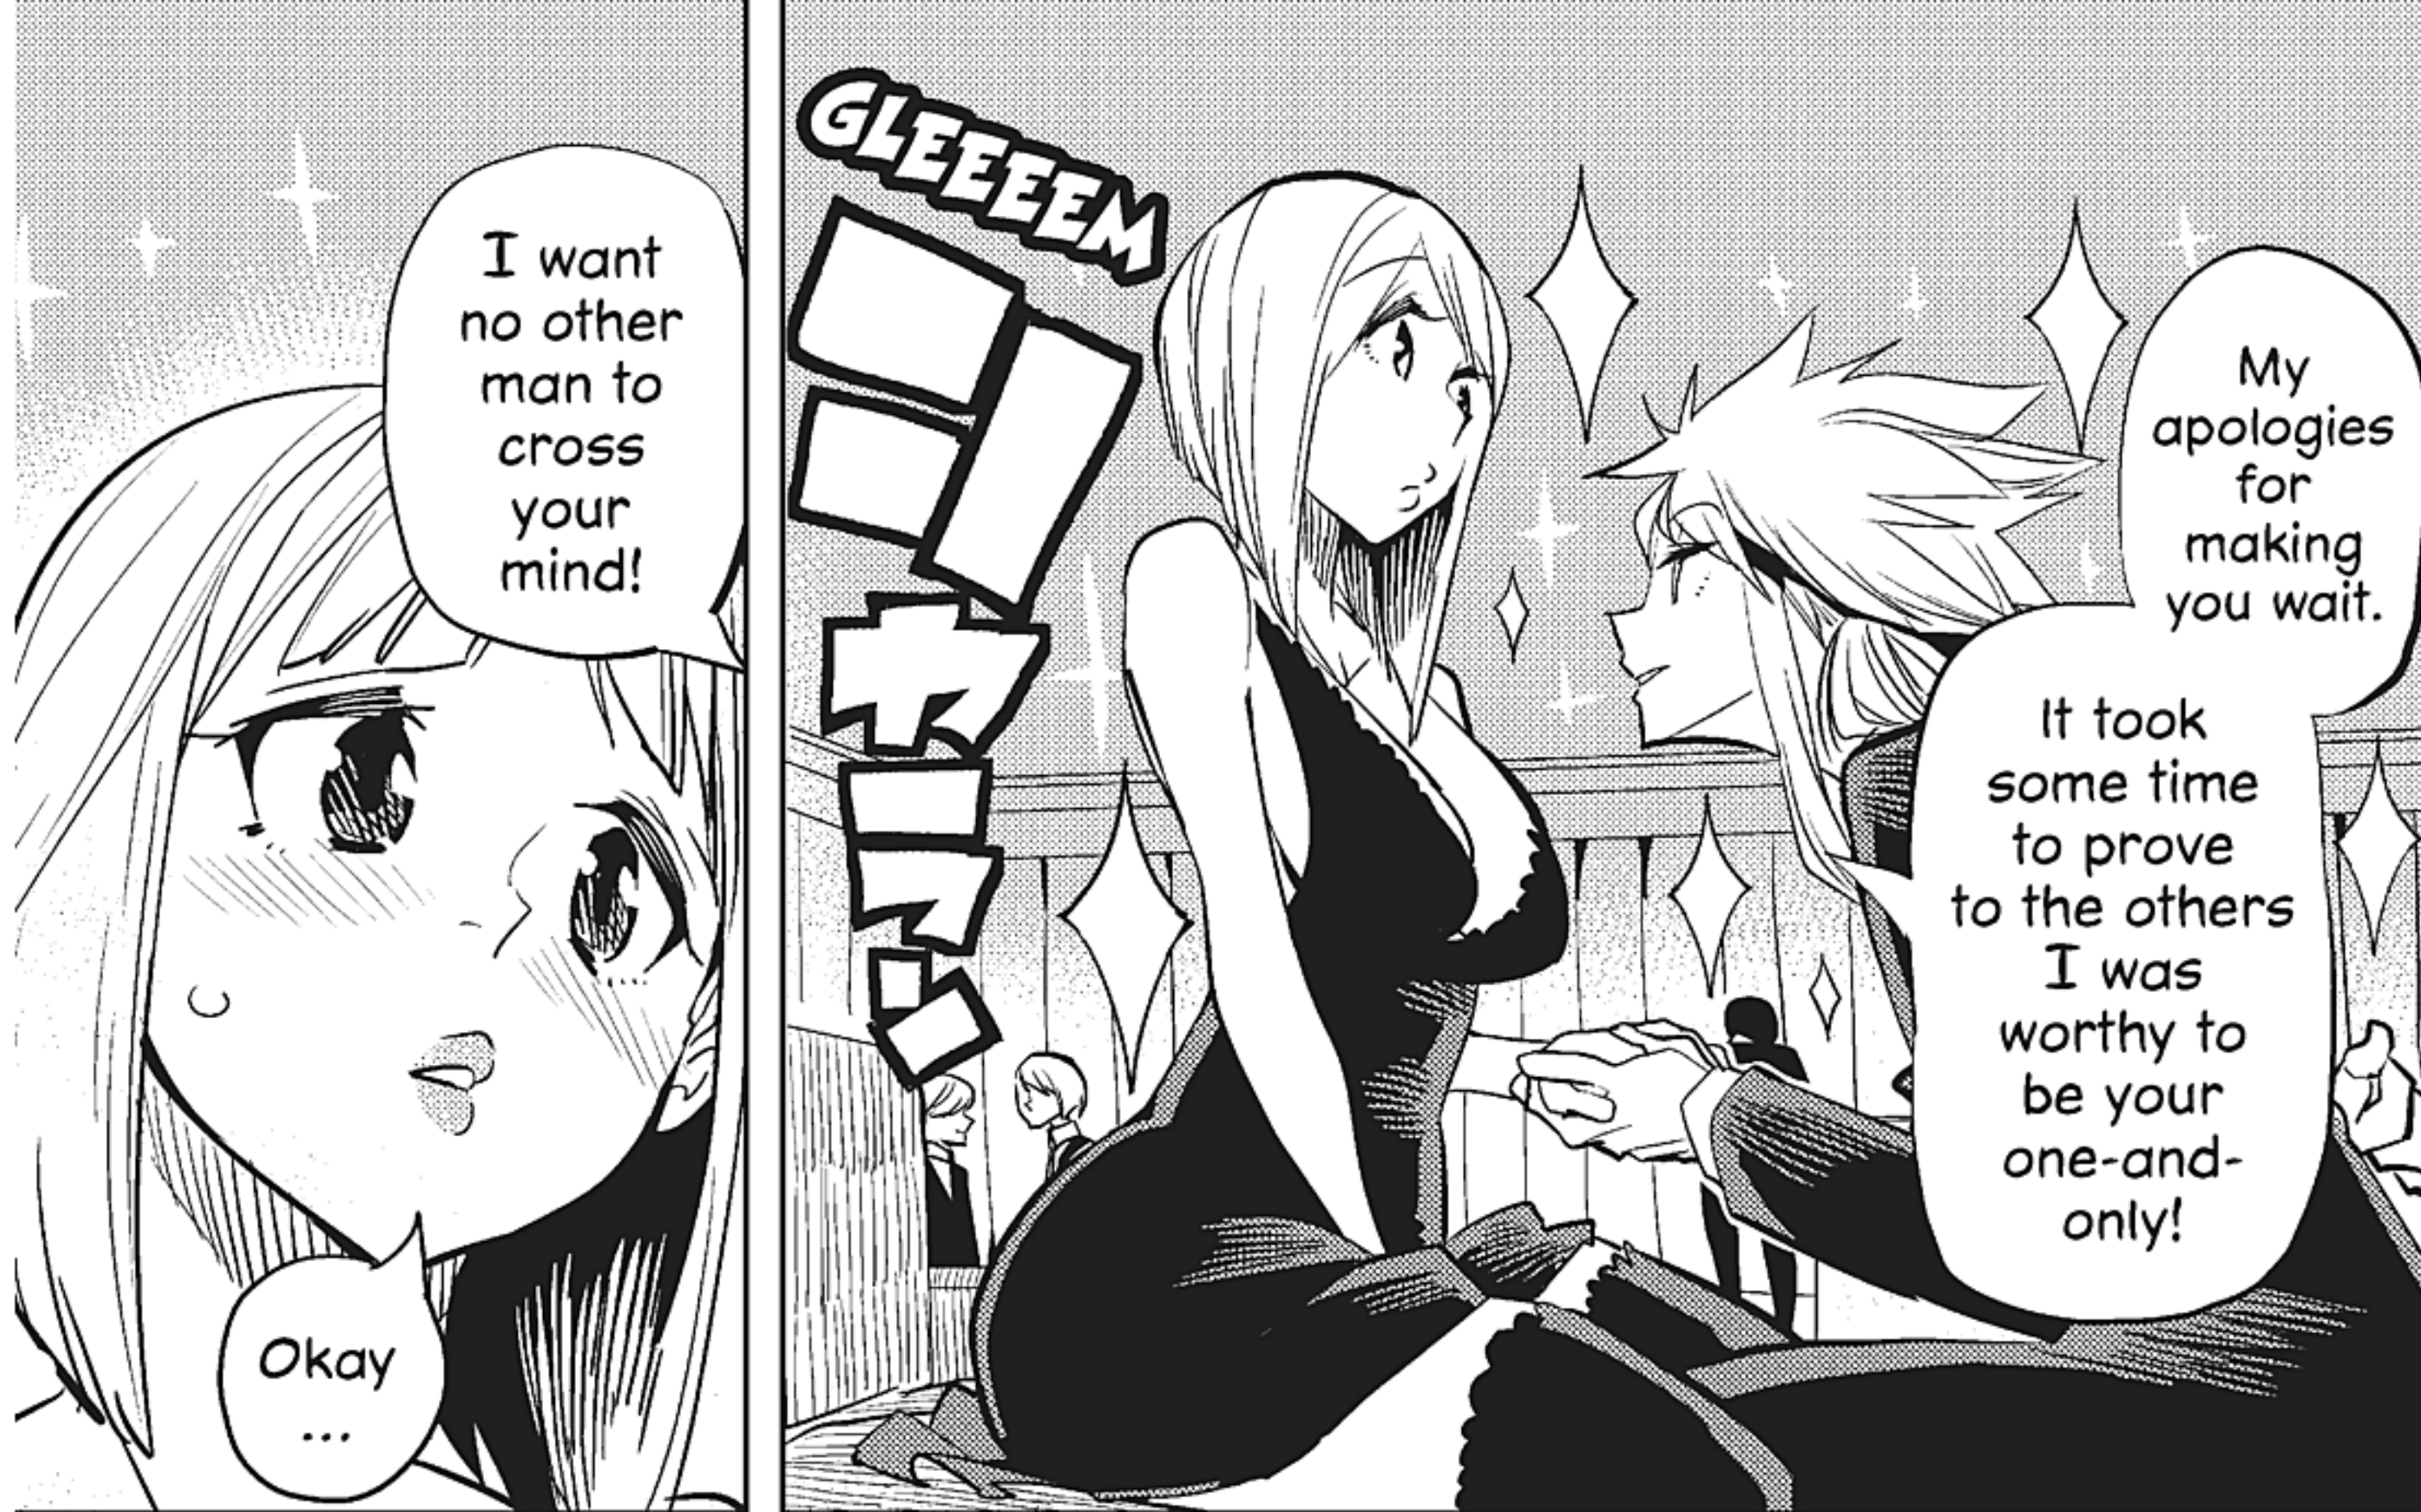

Your bust, I mean!

So let's wrap this thing up tight!

Eyaaaah!

I want no other man to cross your mind!

Okay ...

GLEEEEM

My apologies for making you wait.

It took some time to prove to the others I was worthy to be your one-and-only!

So all I can do is impersonate...

I have no experience being a host!

Wasn't he supposed to be a rookie?

What's going on? Look at that new guy go!

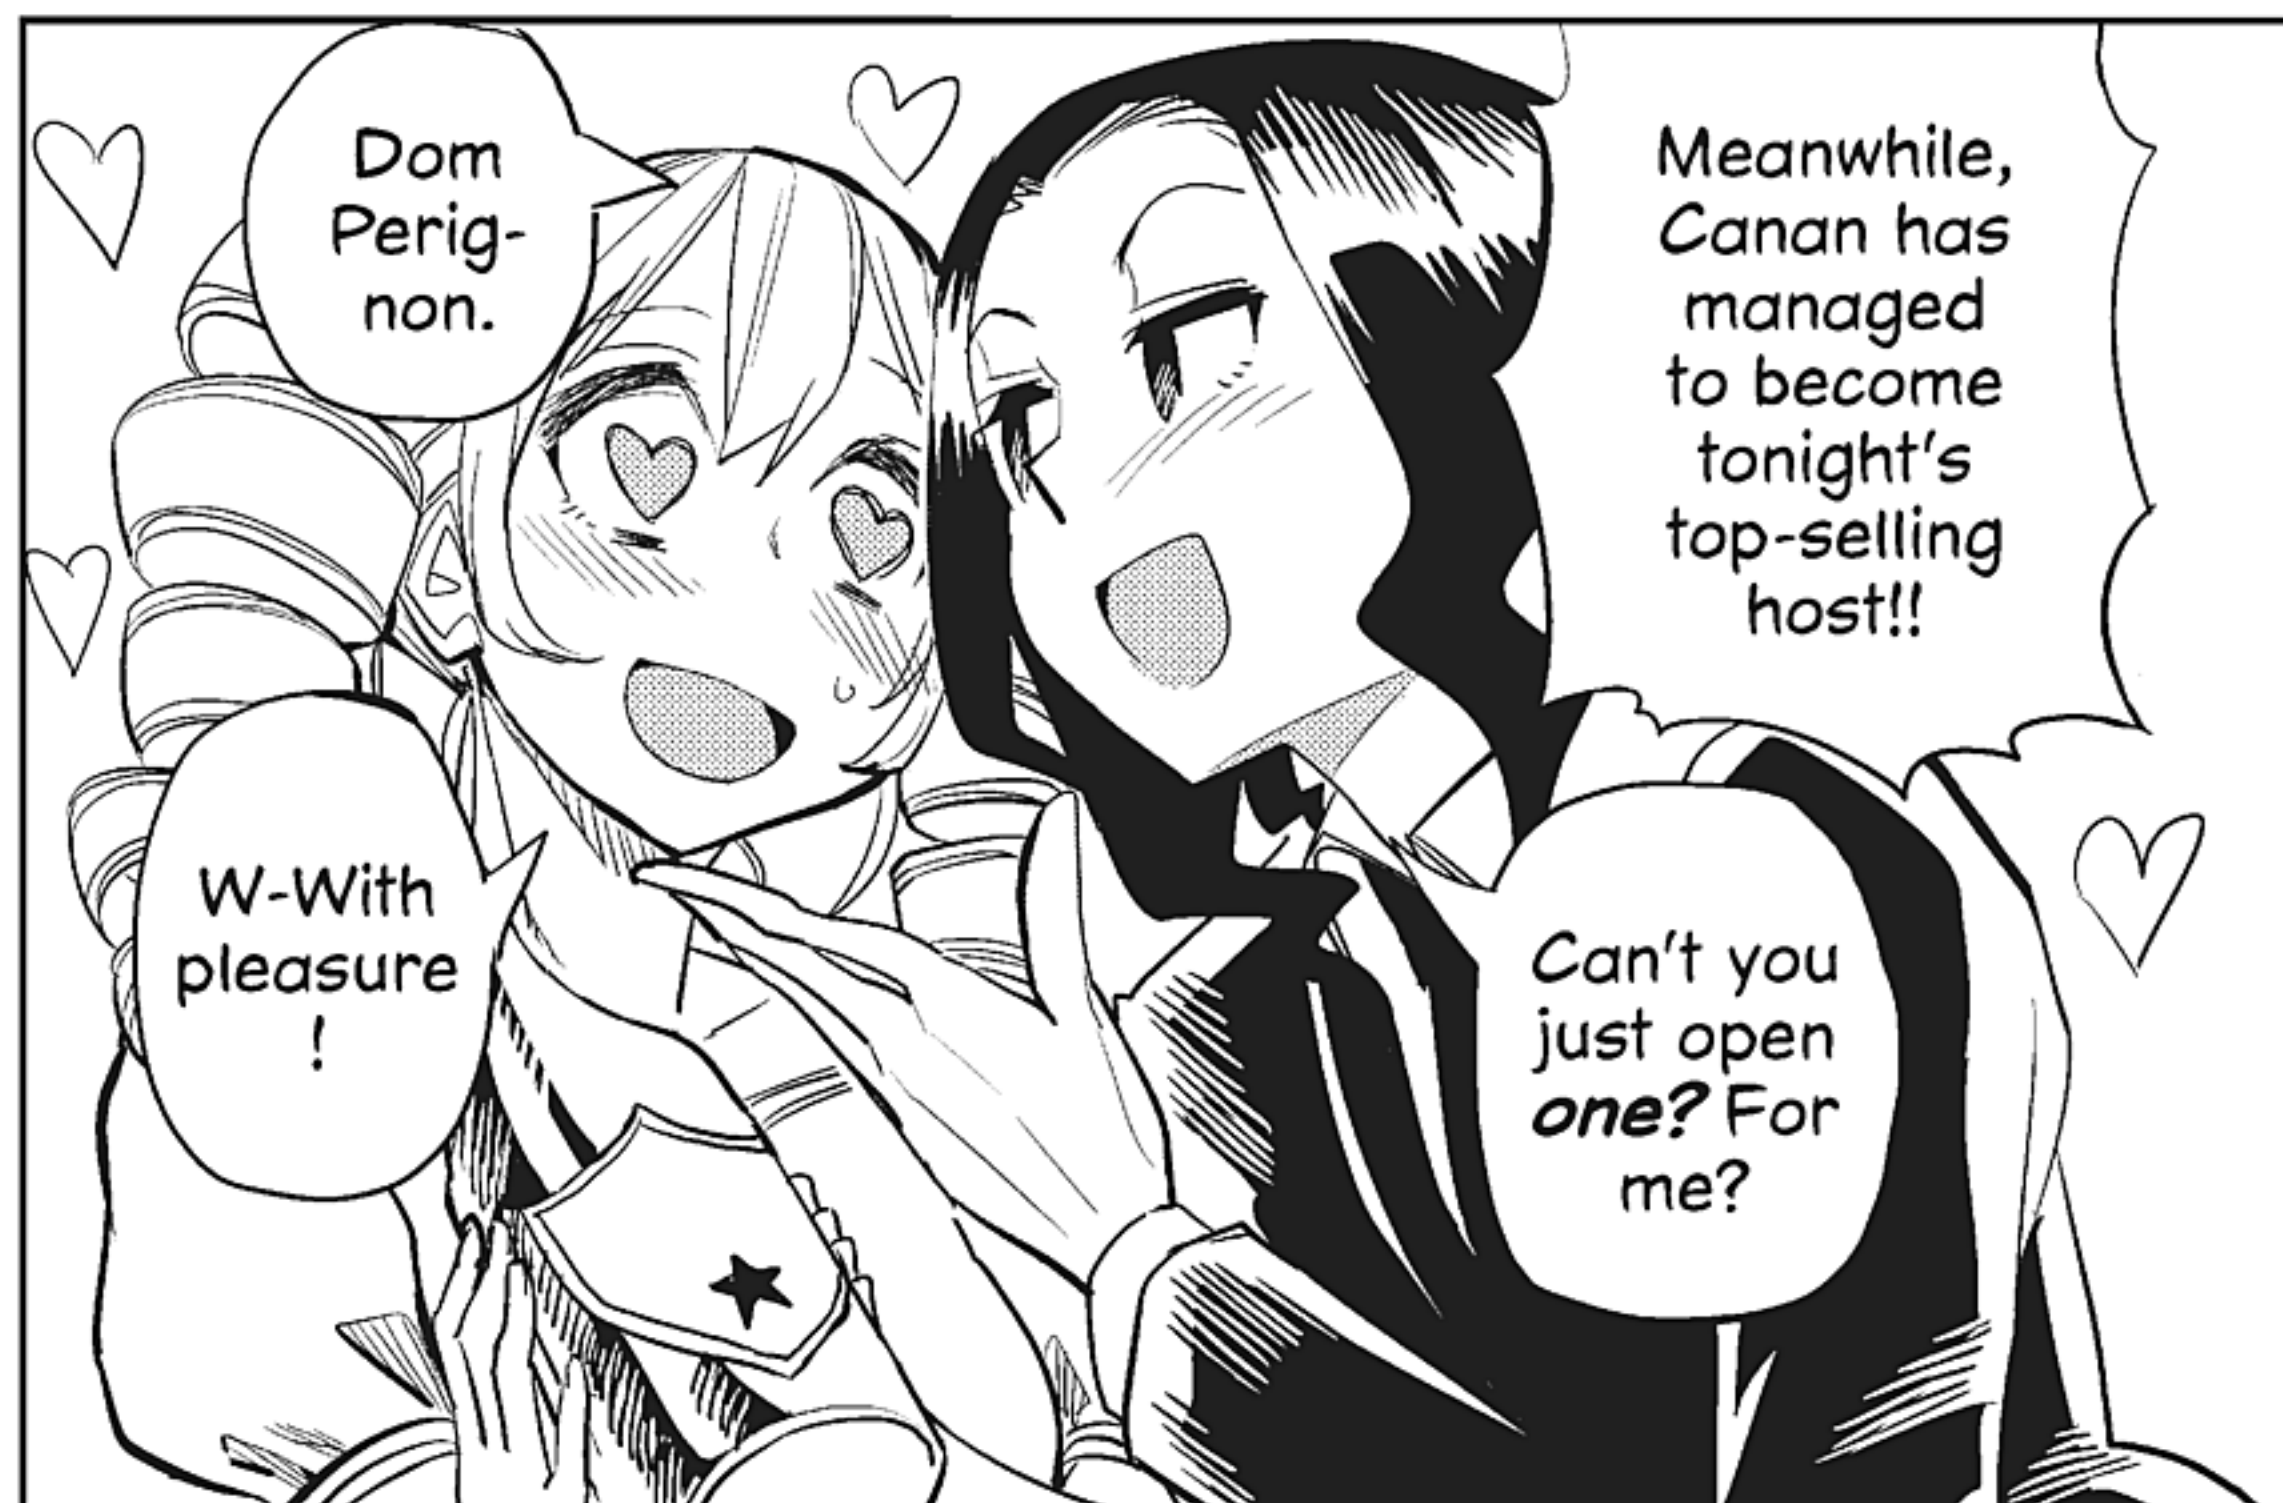

He's not the only one!

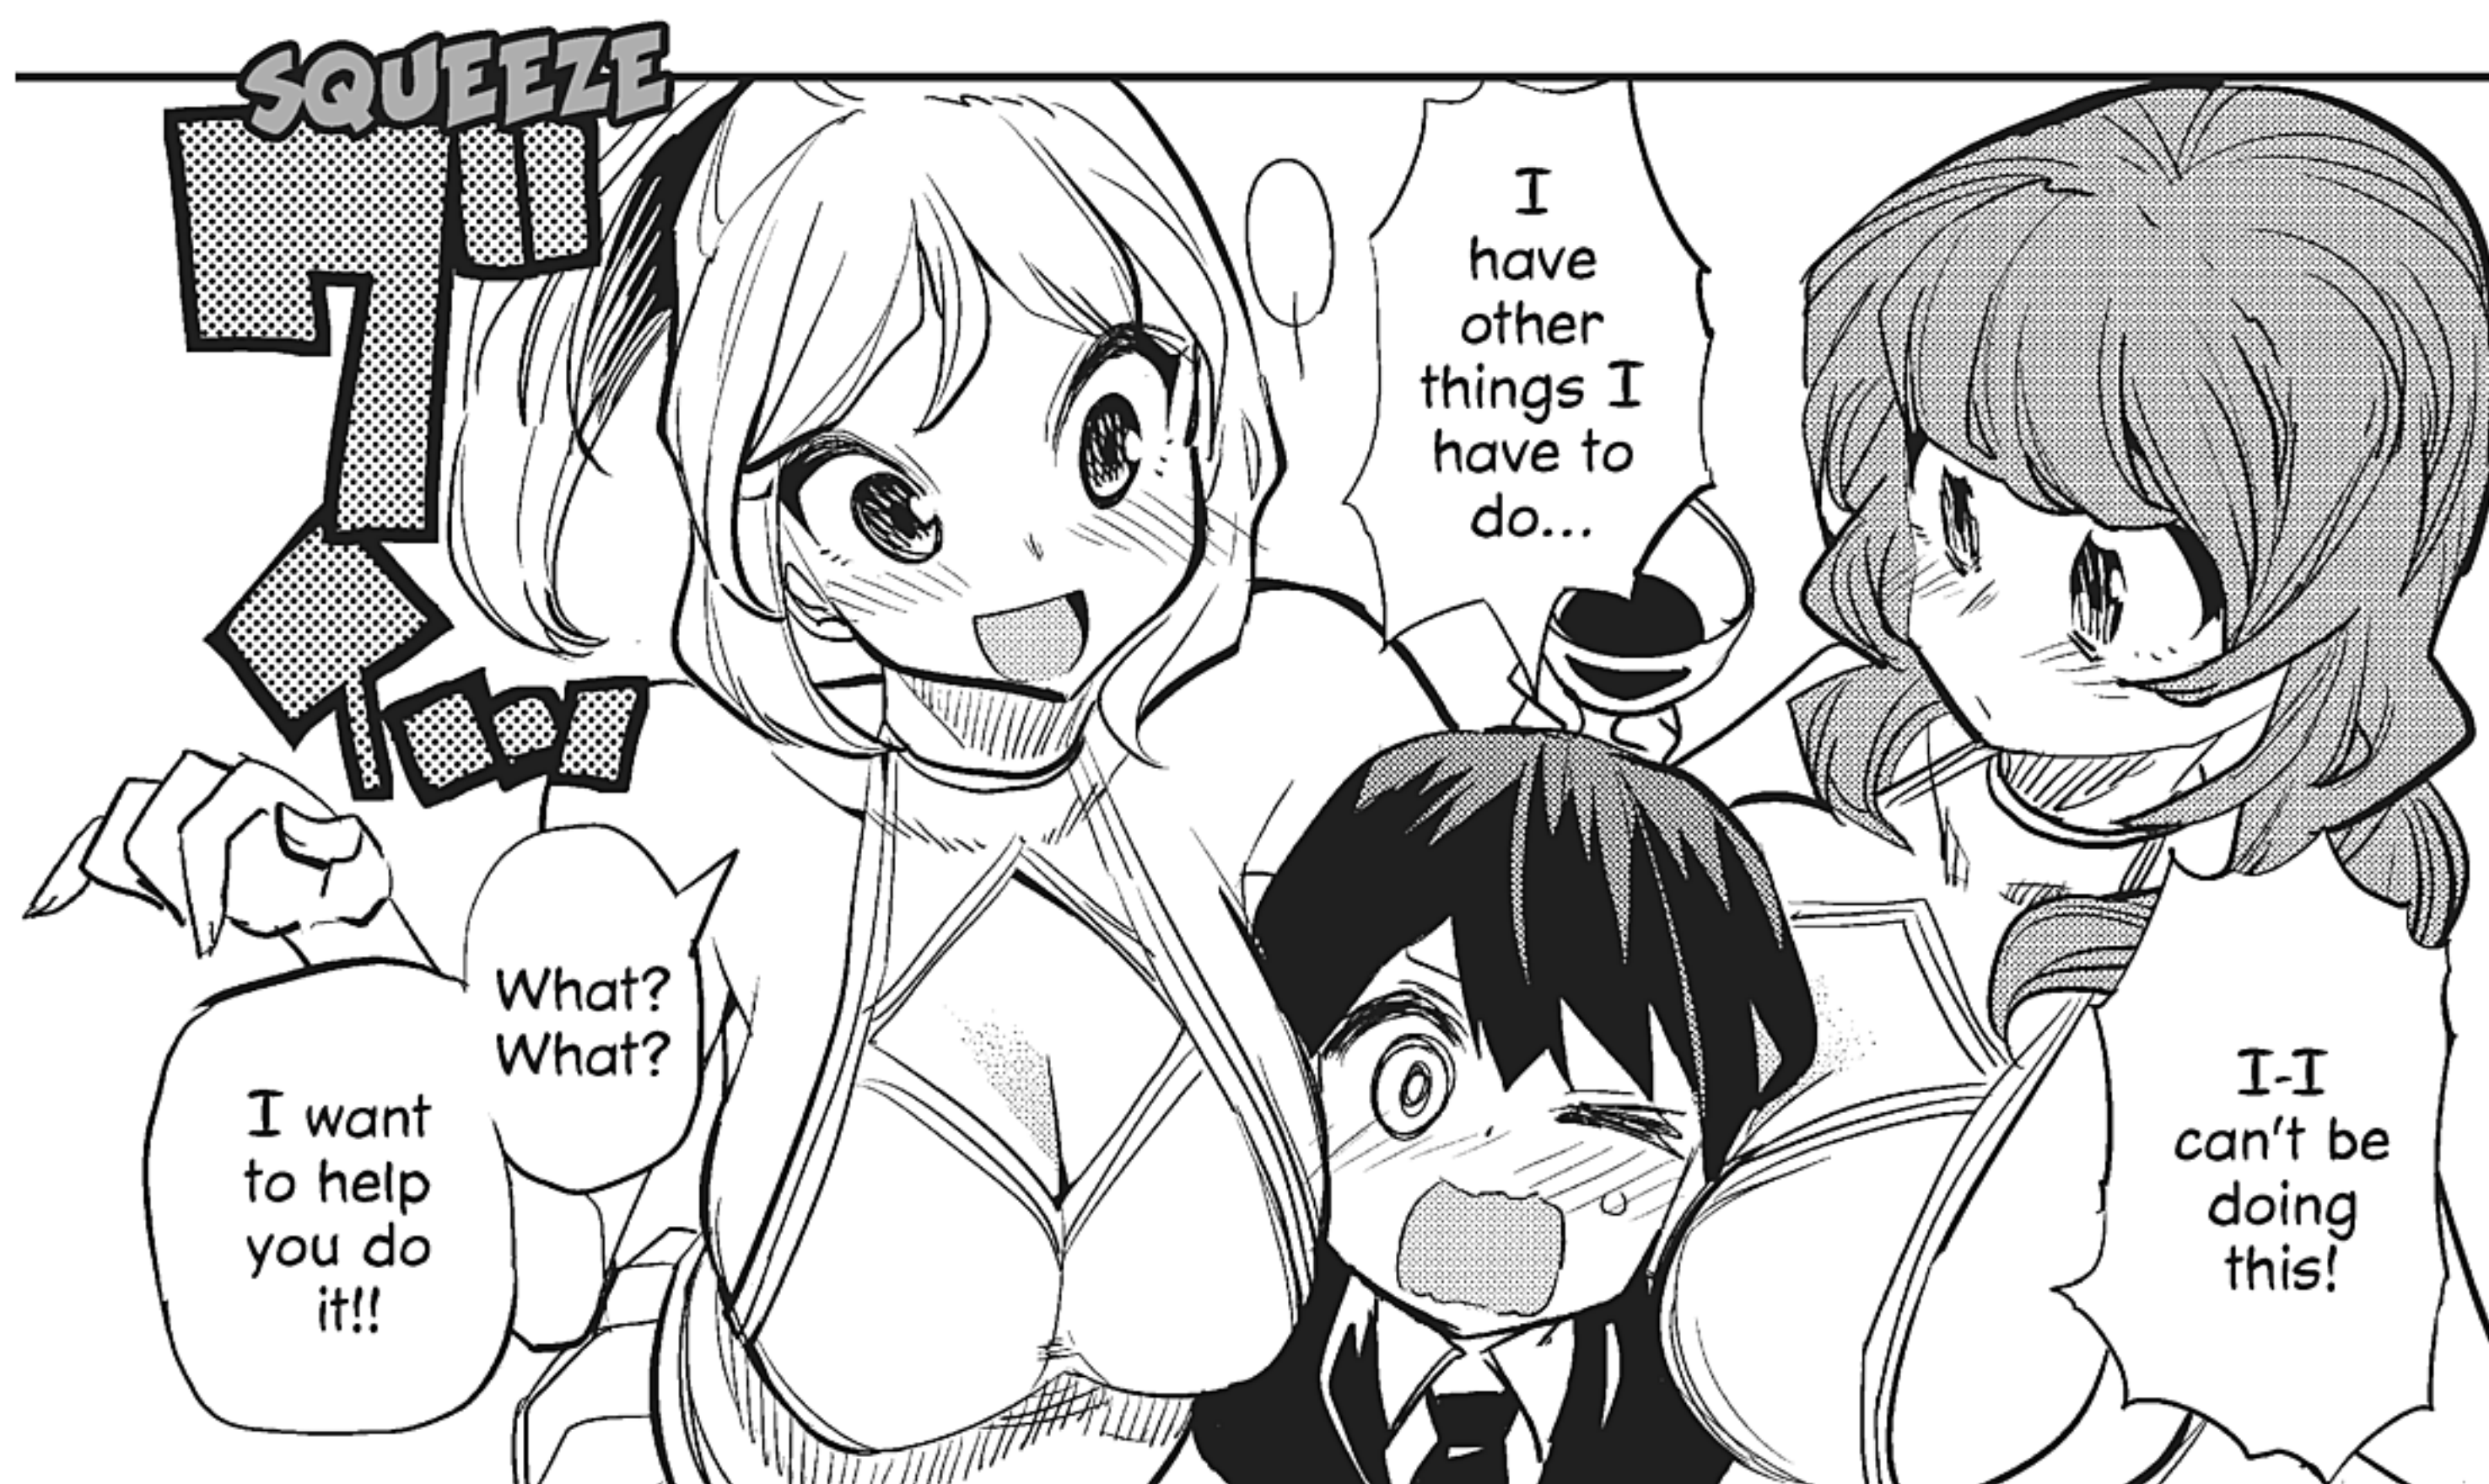

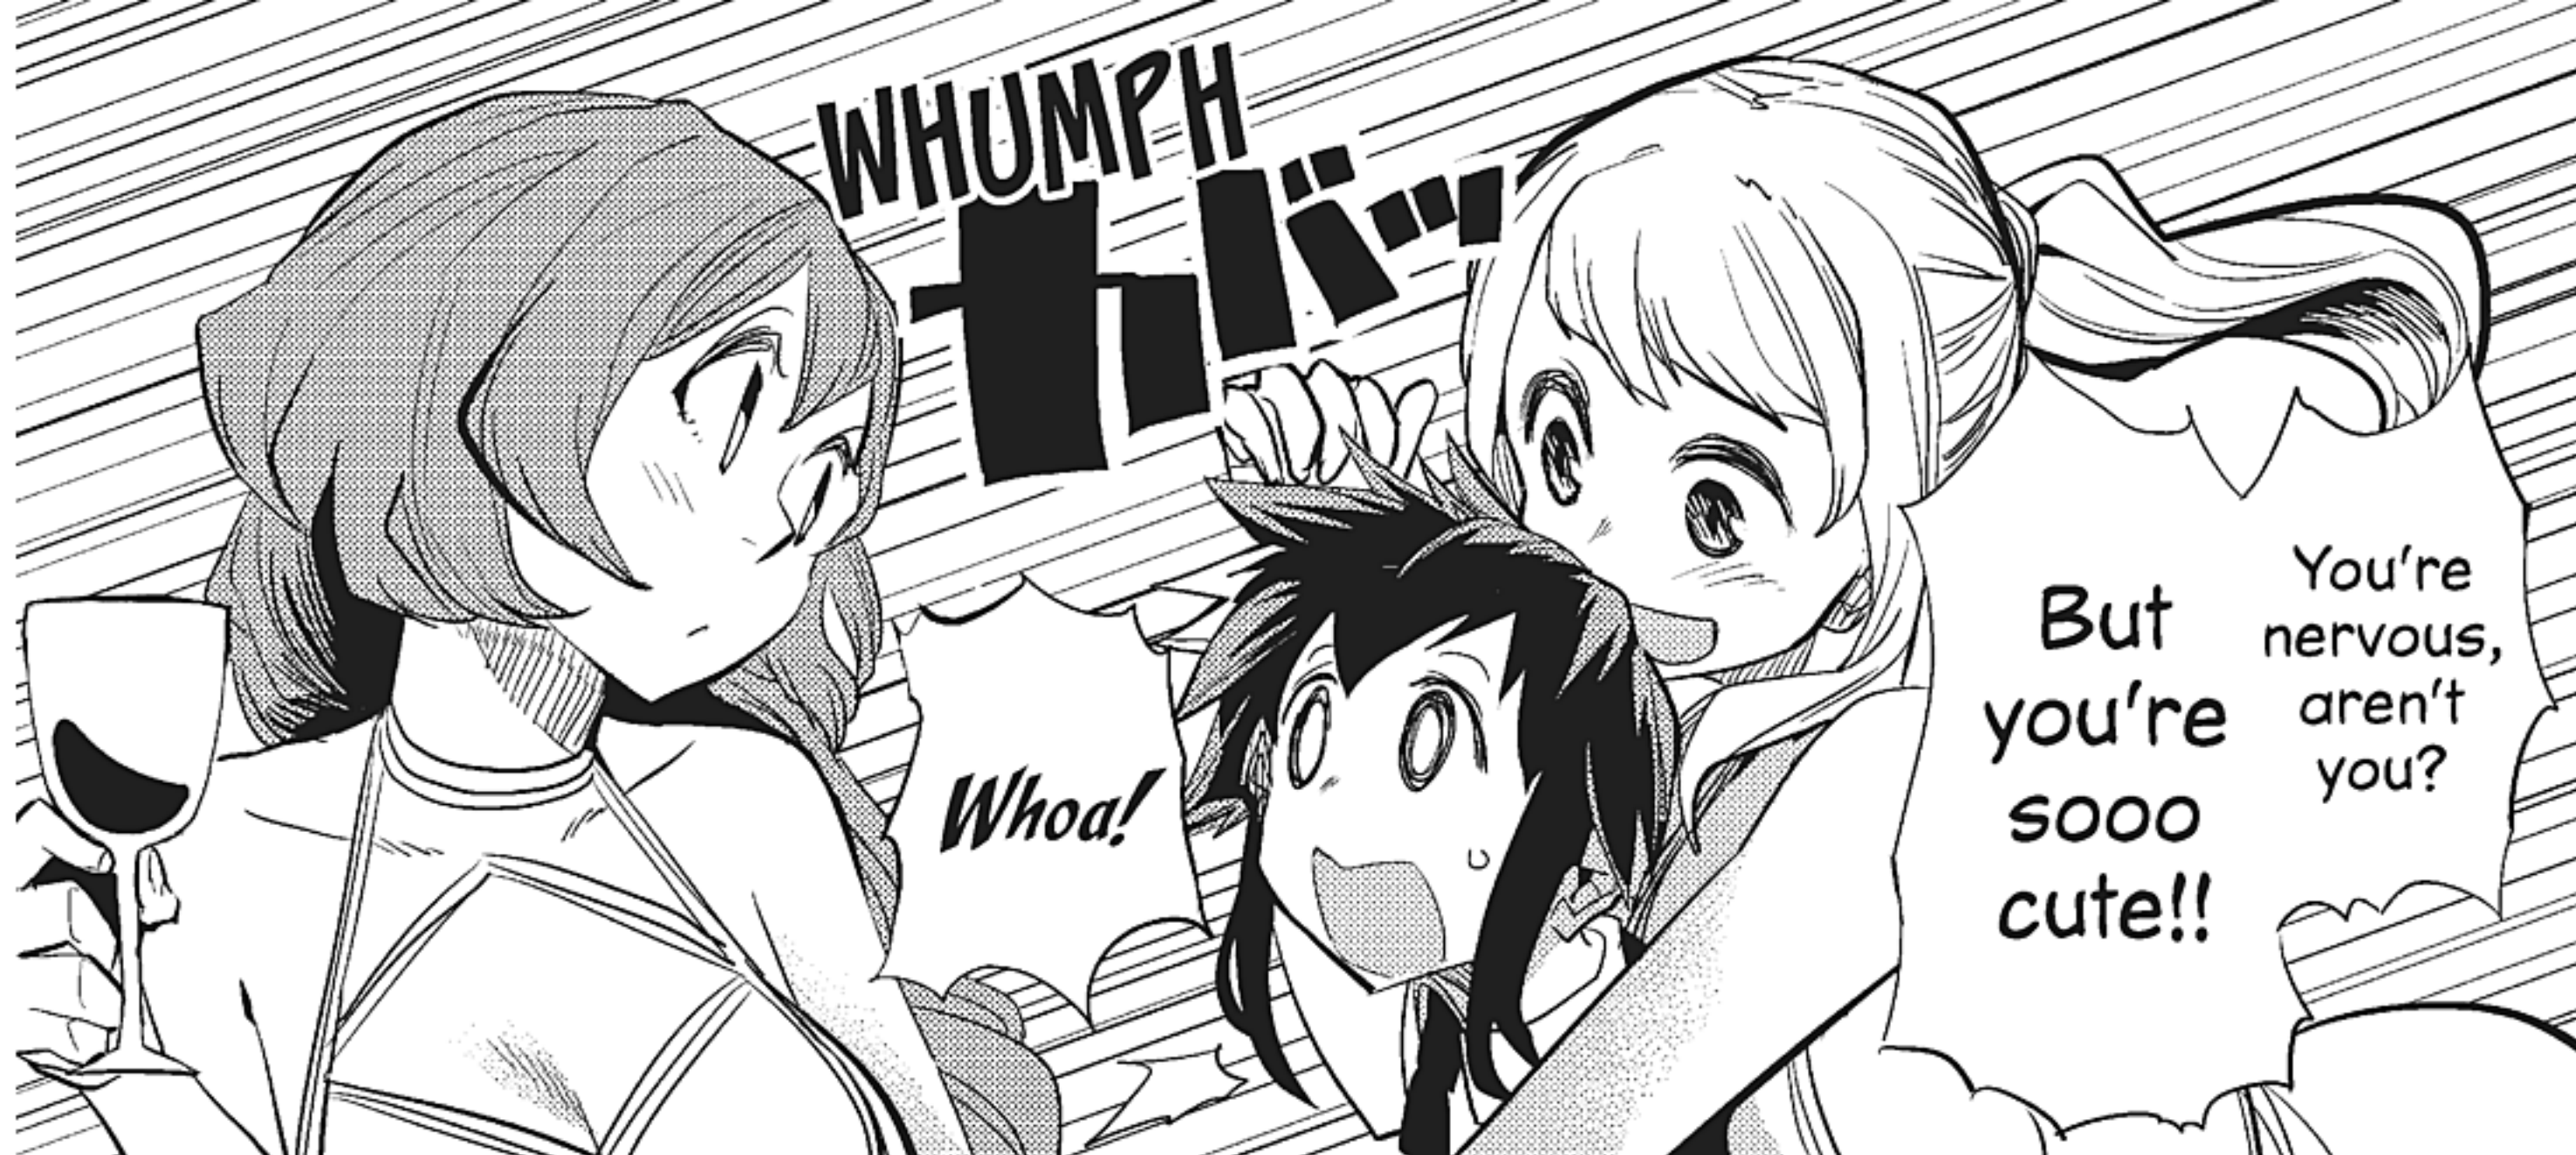

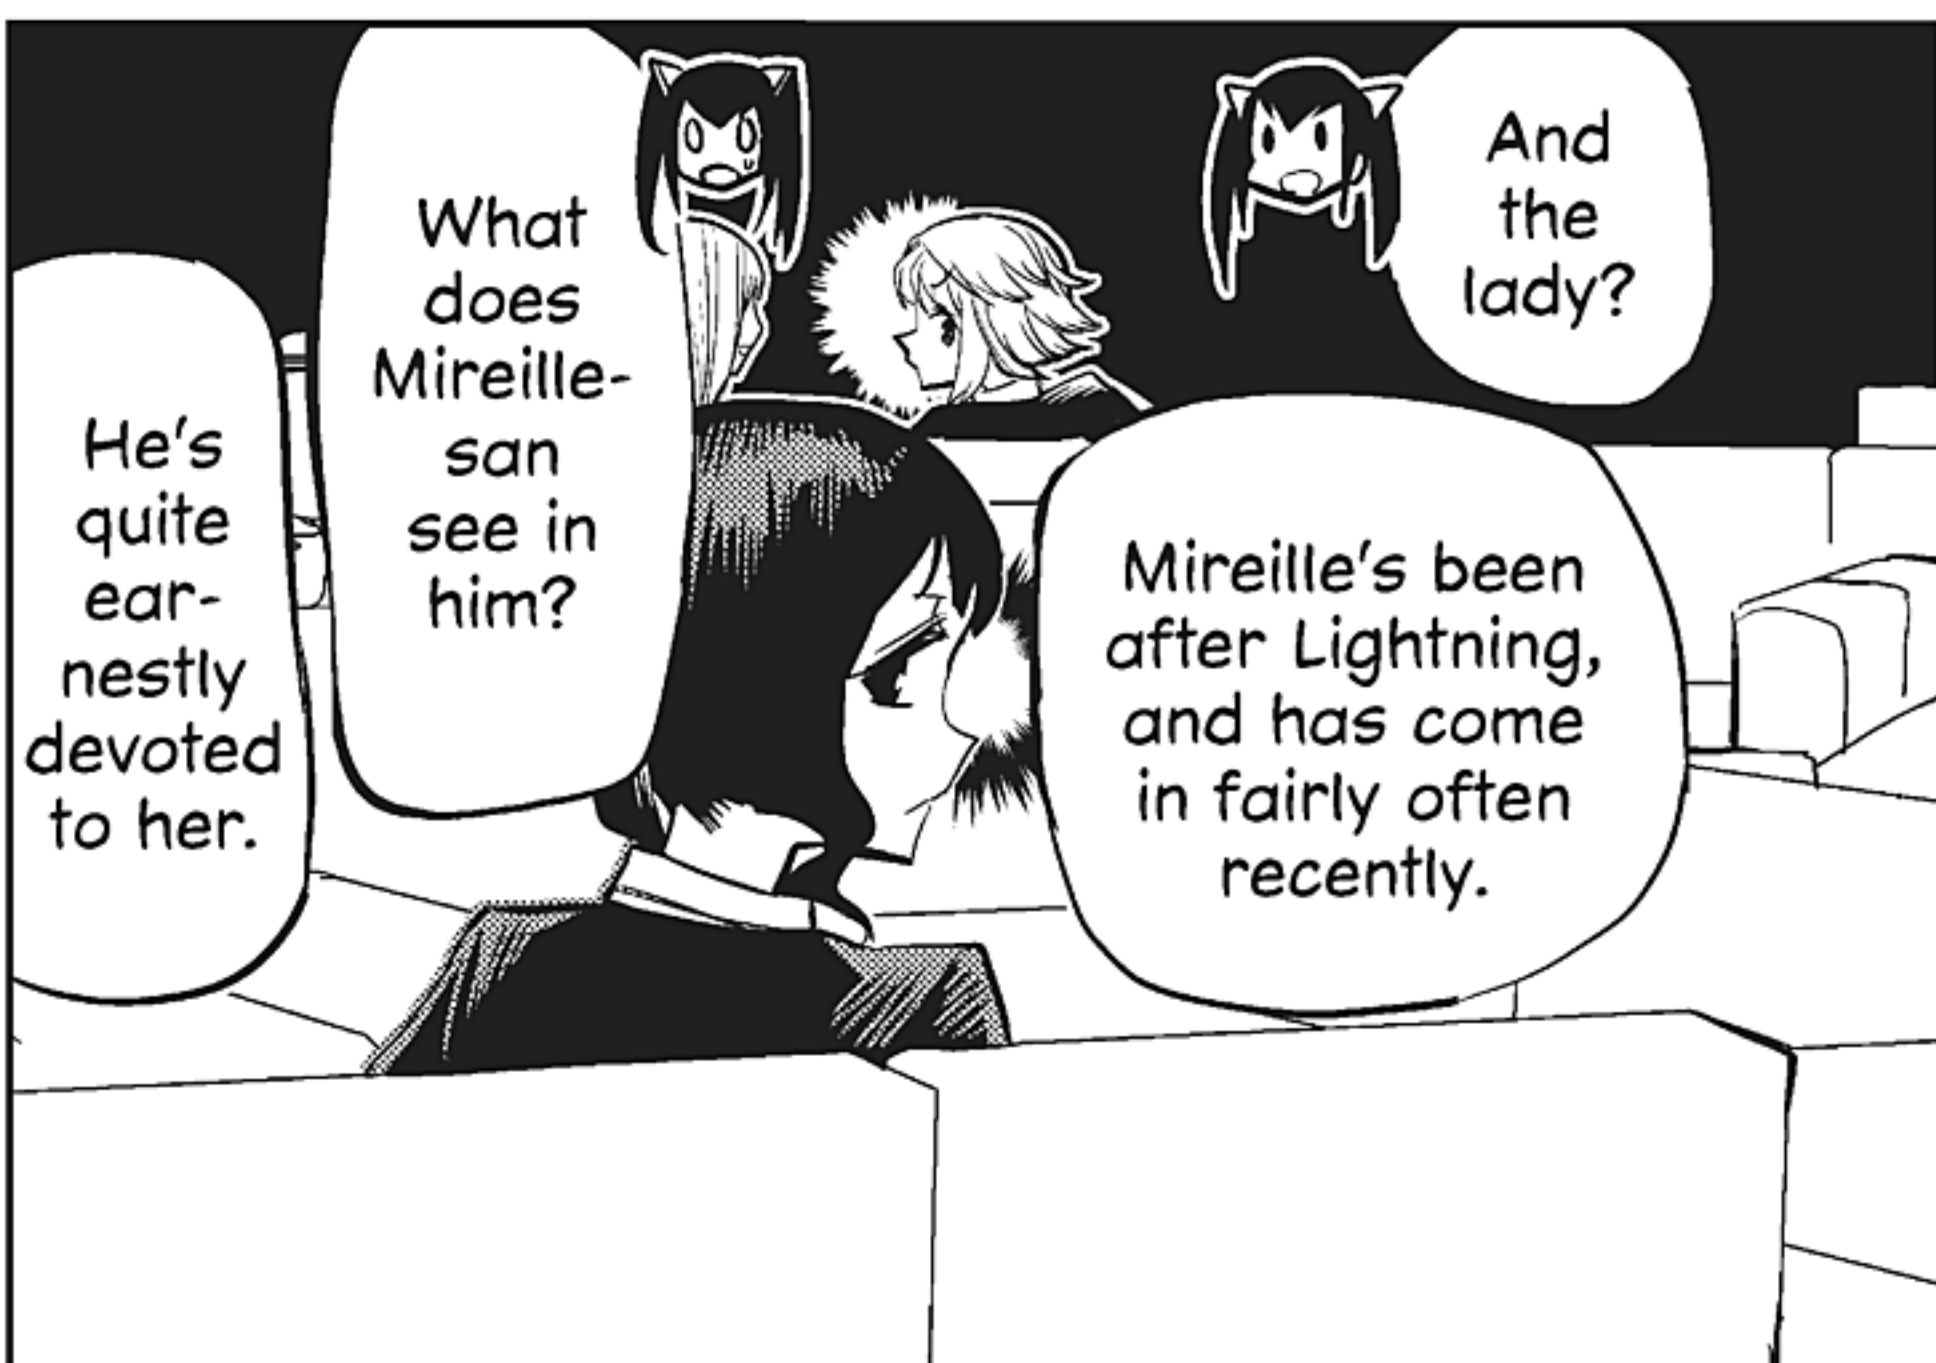

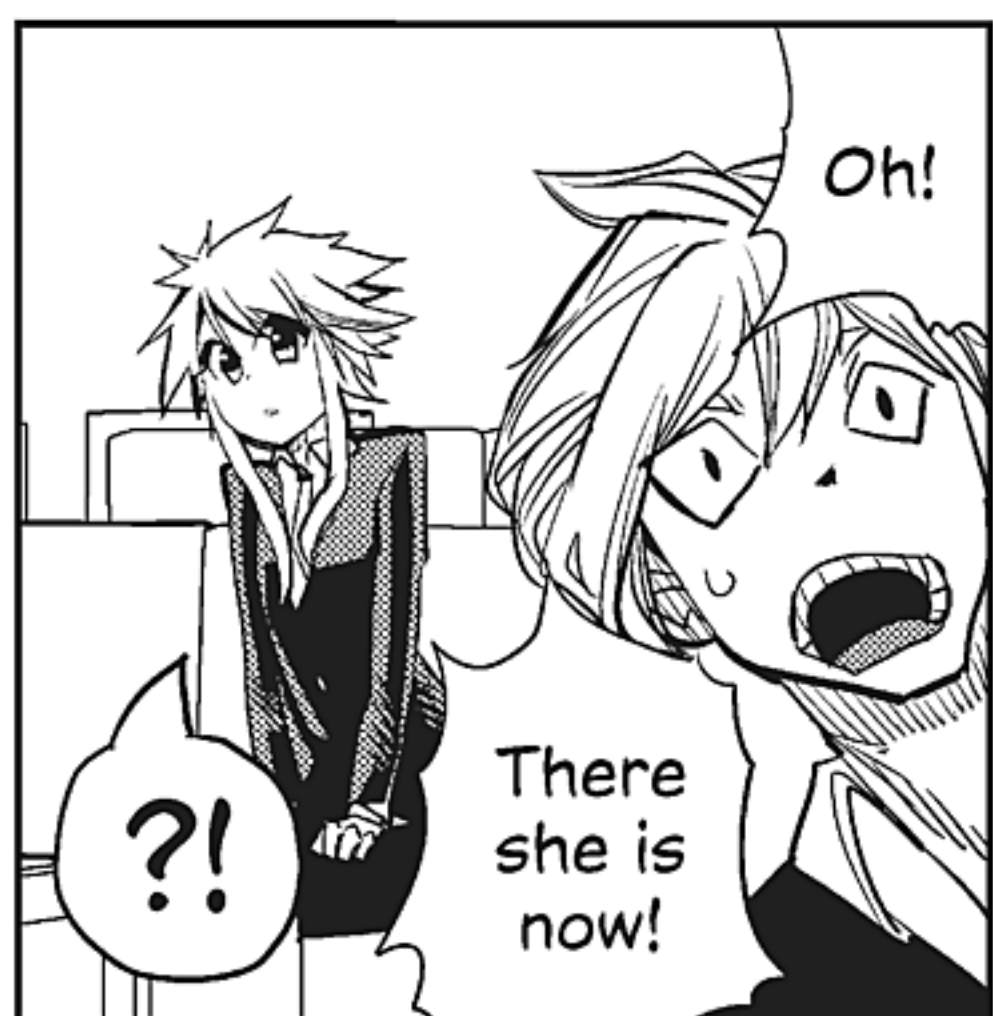

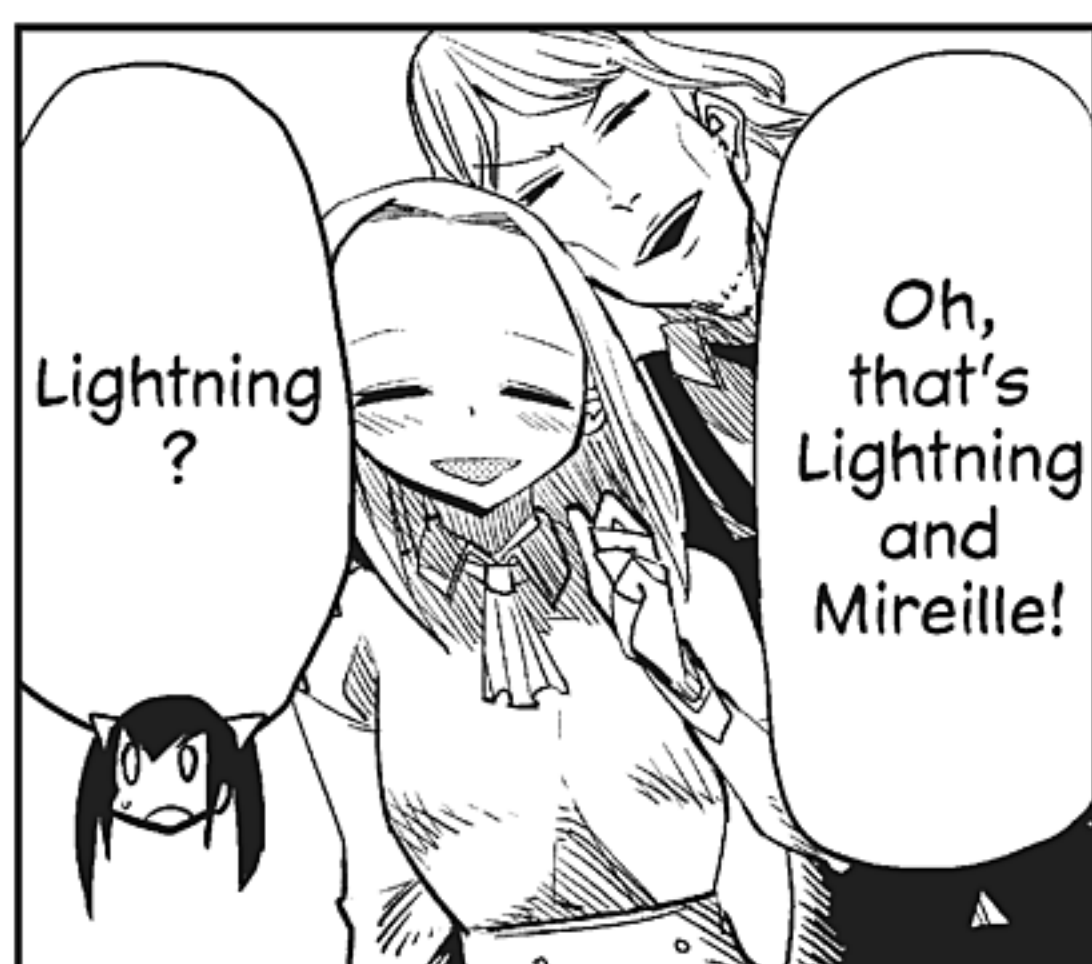

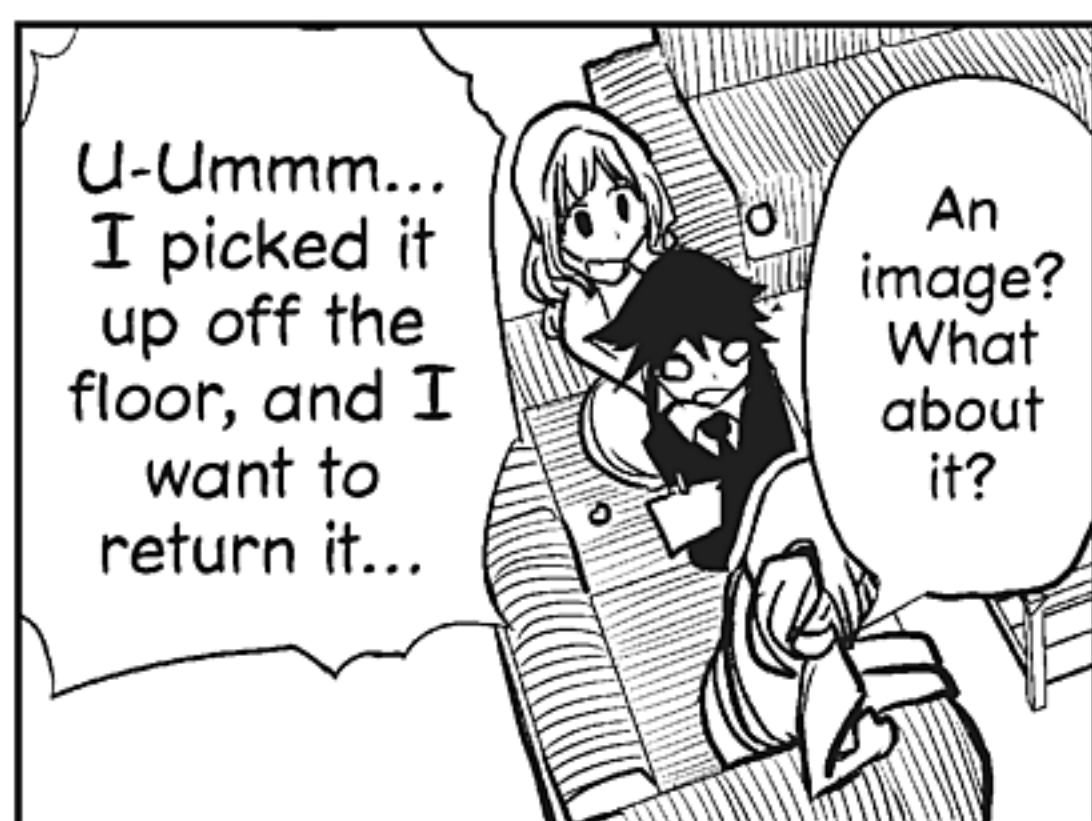

Is that how you see me?

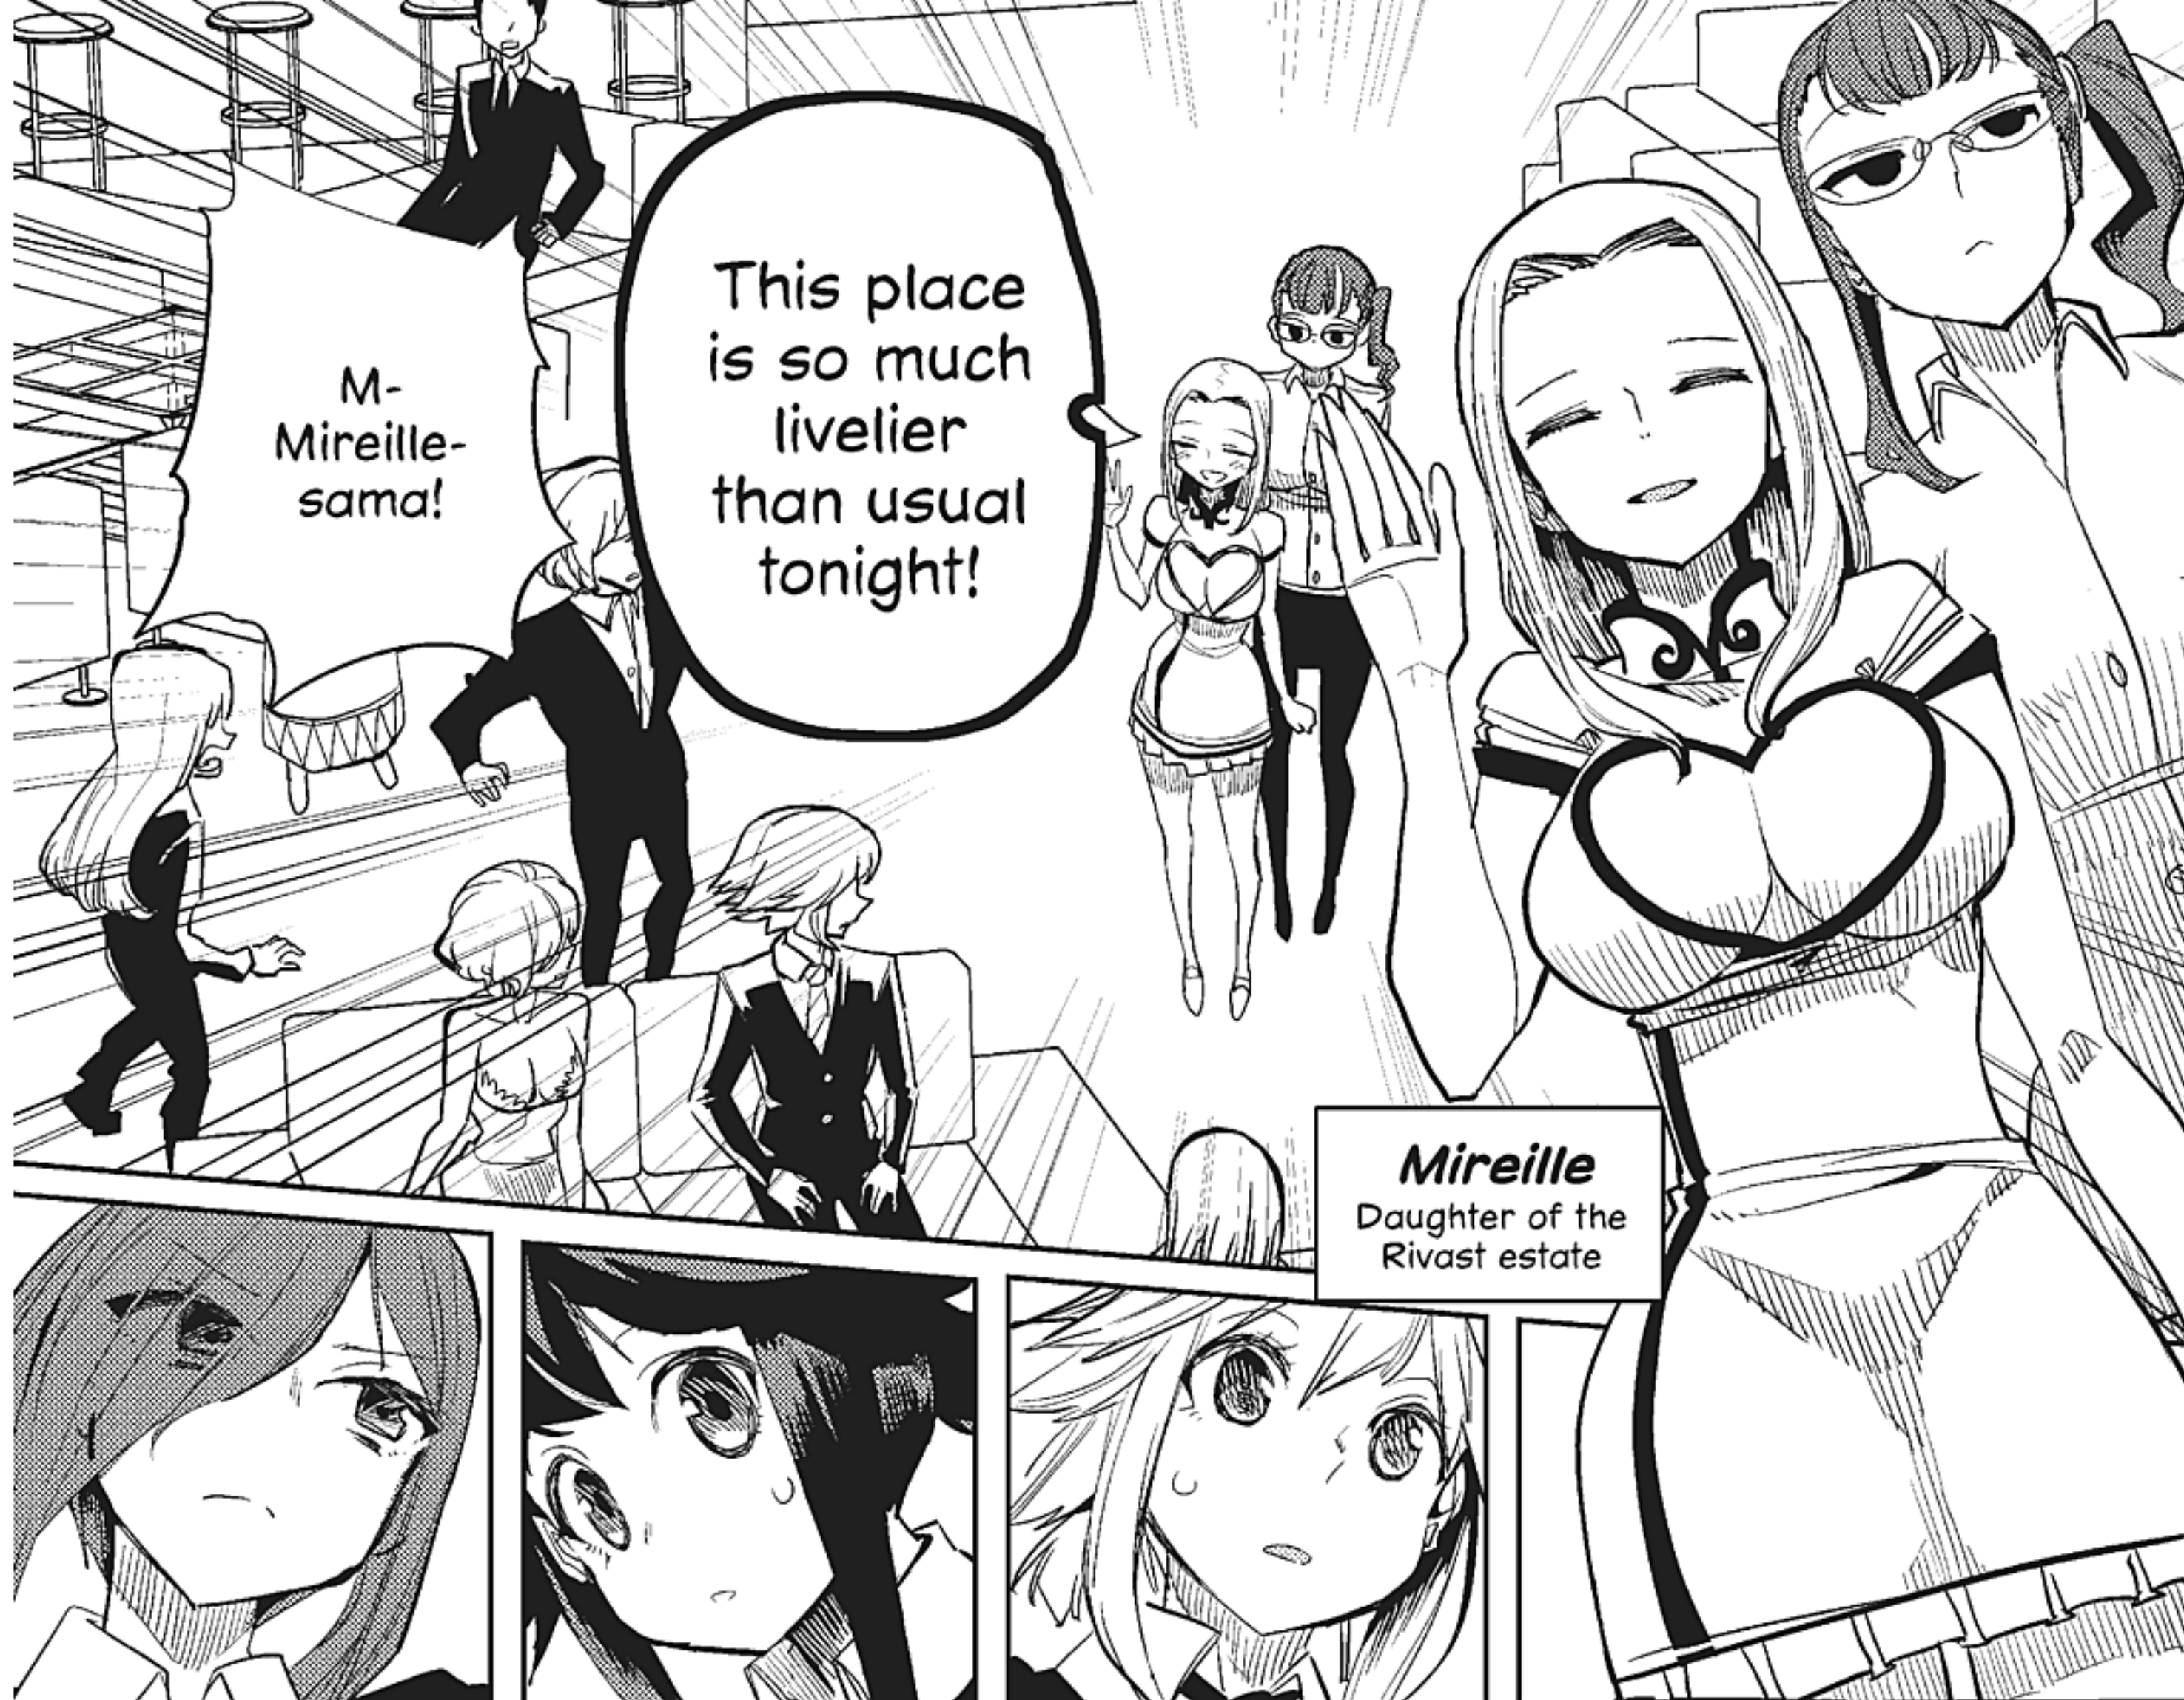

LOKE

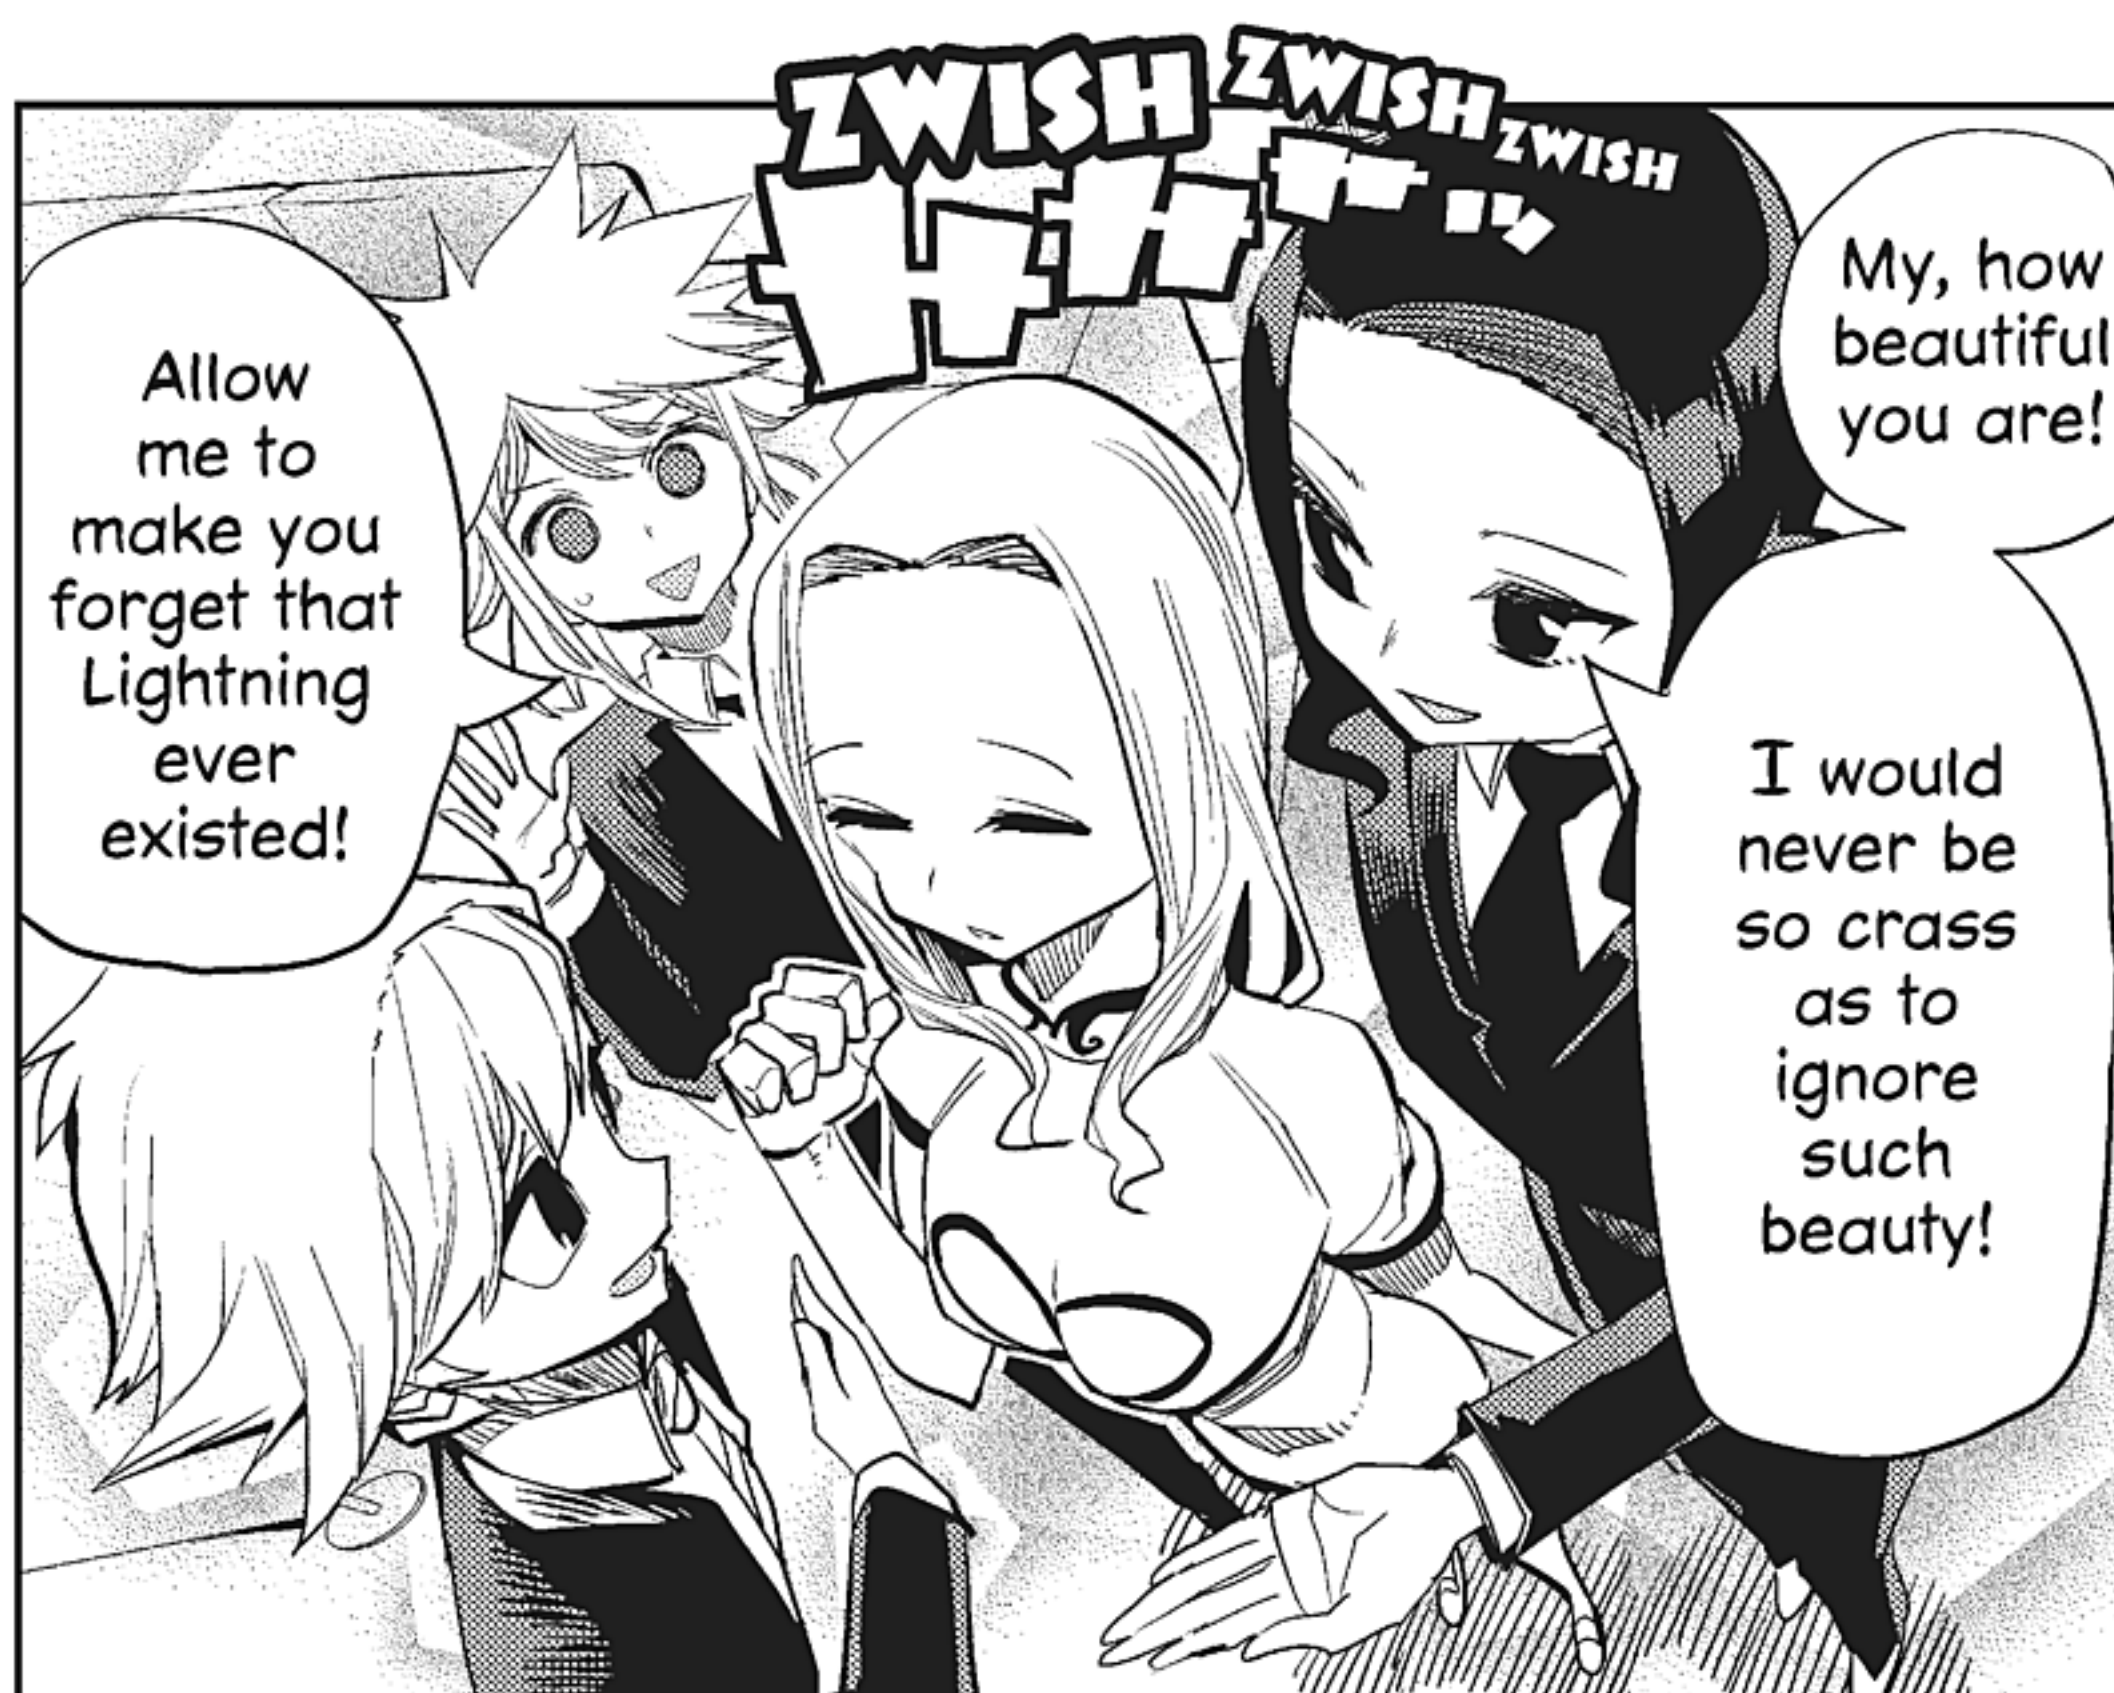

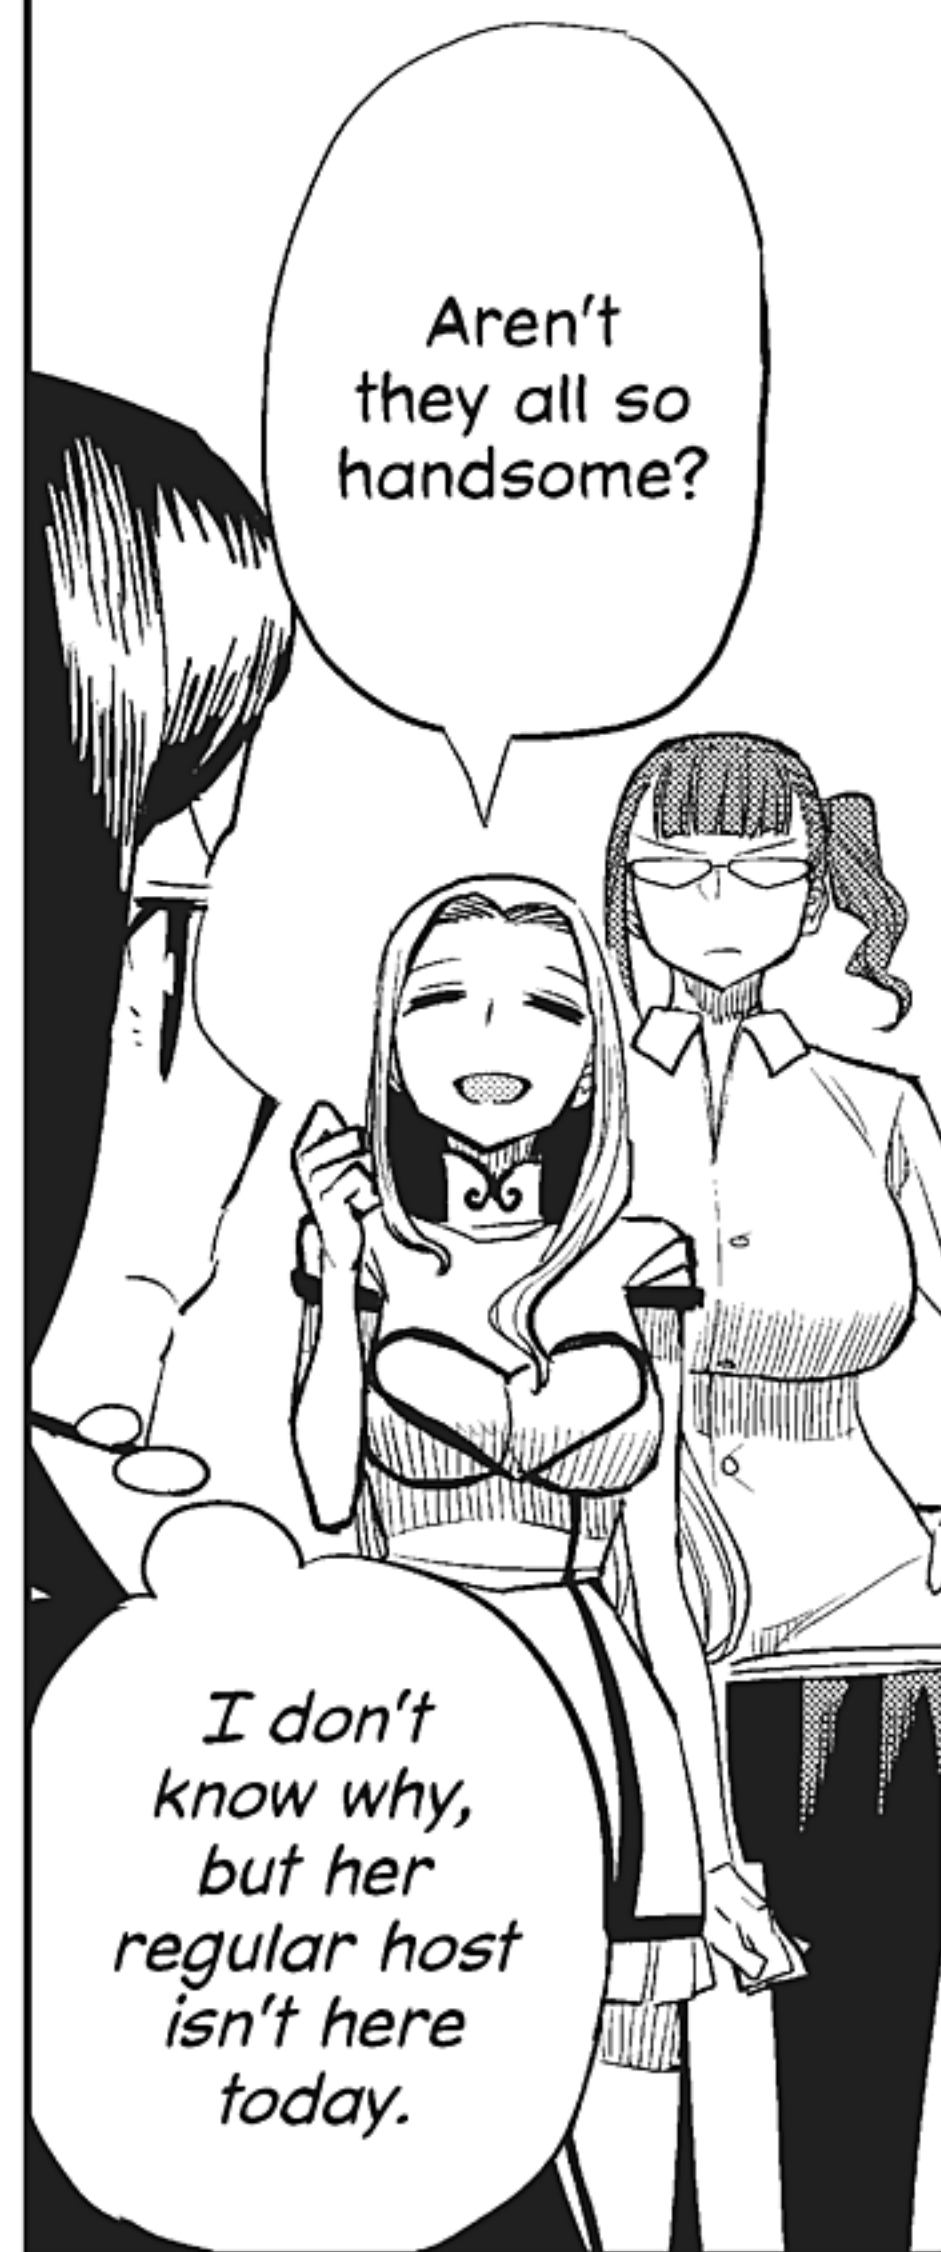

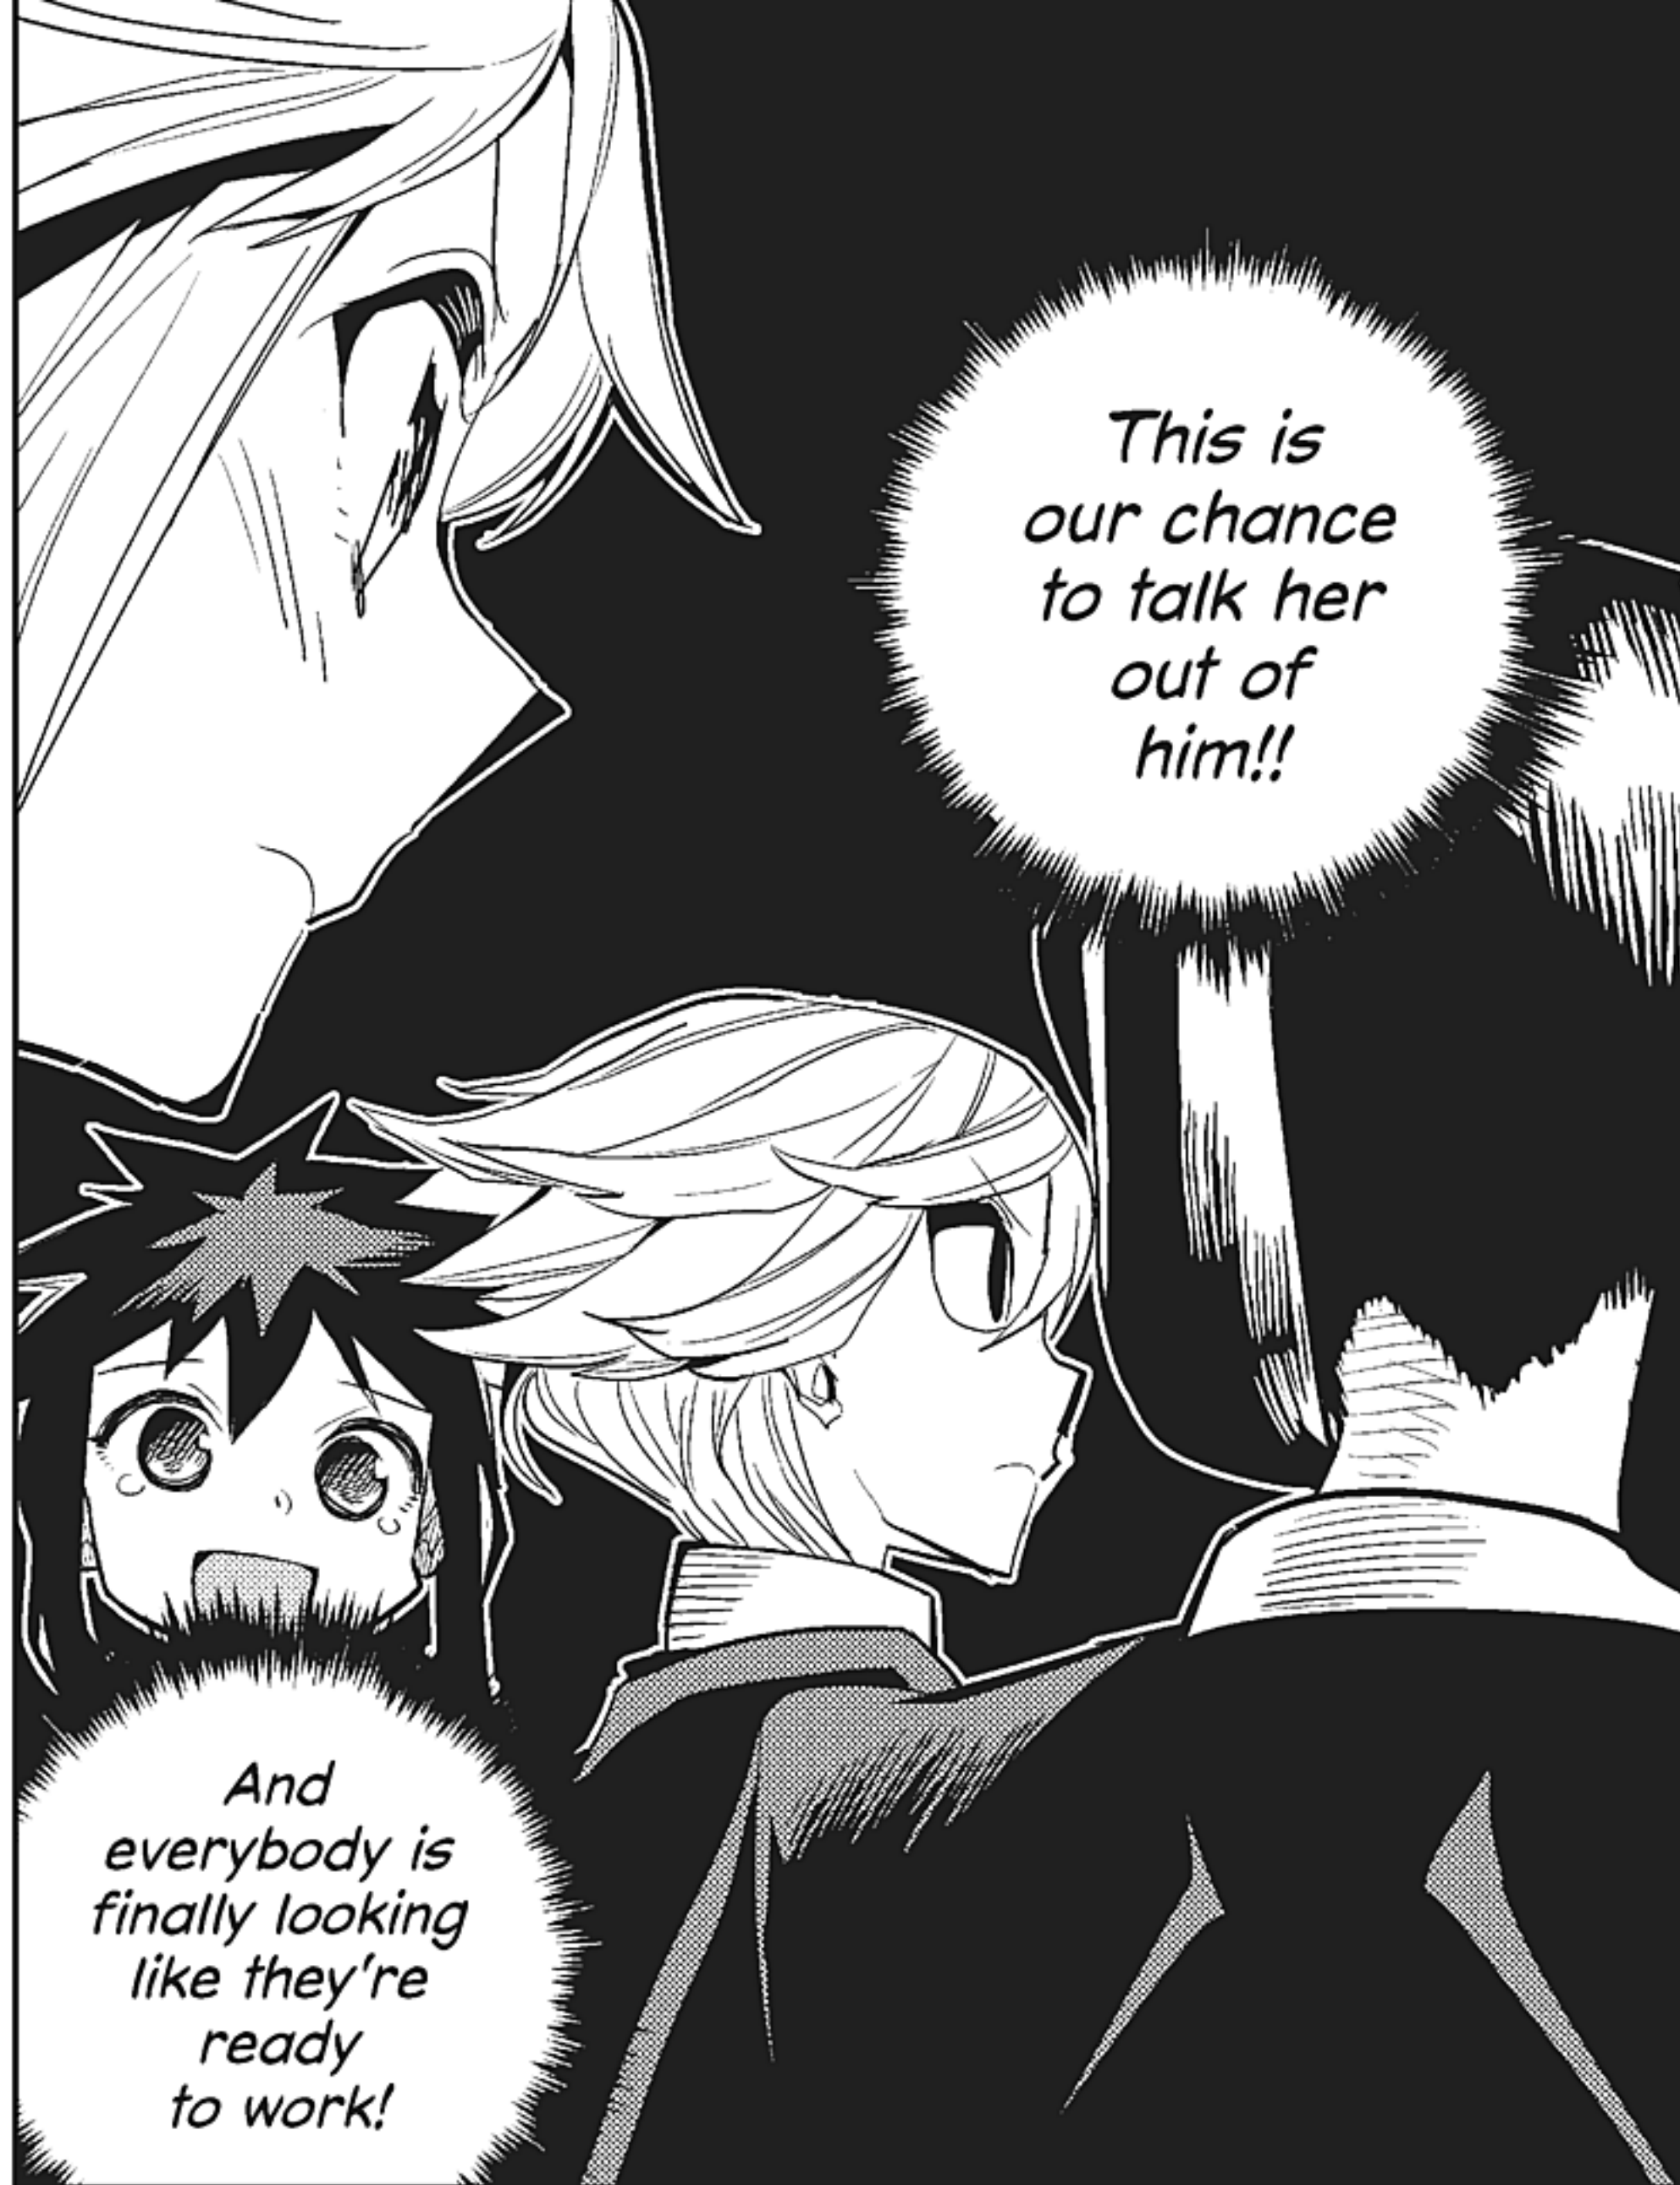

...the biggest womanizer Fairy Tail has ever seen!

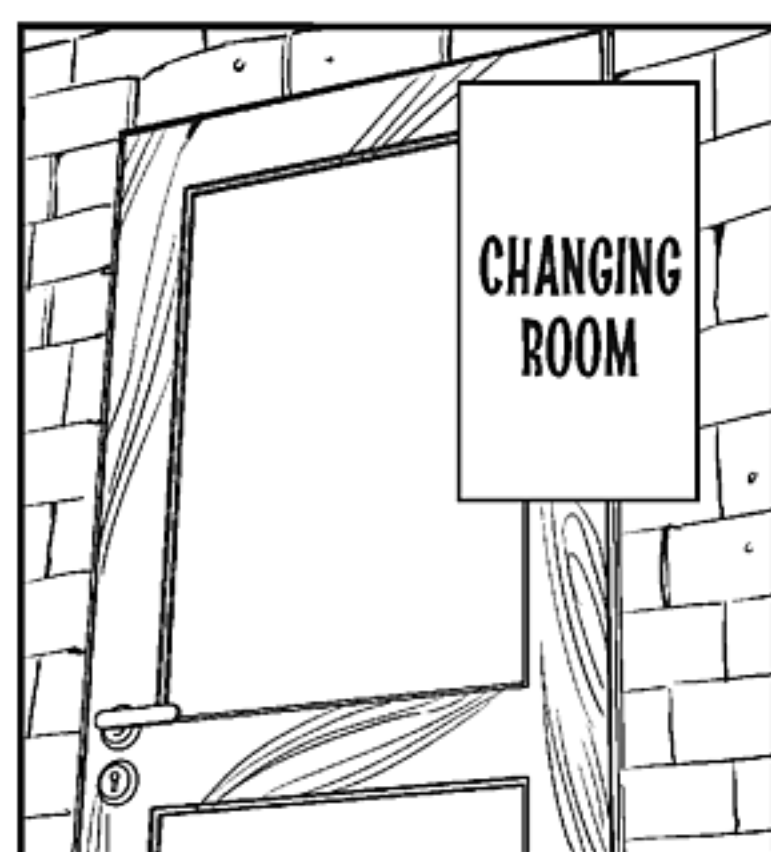

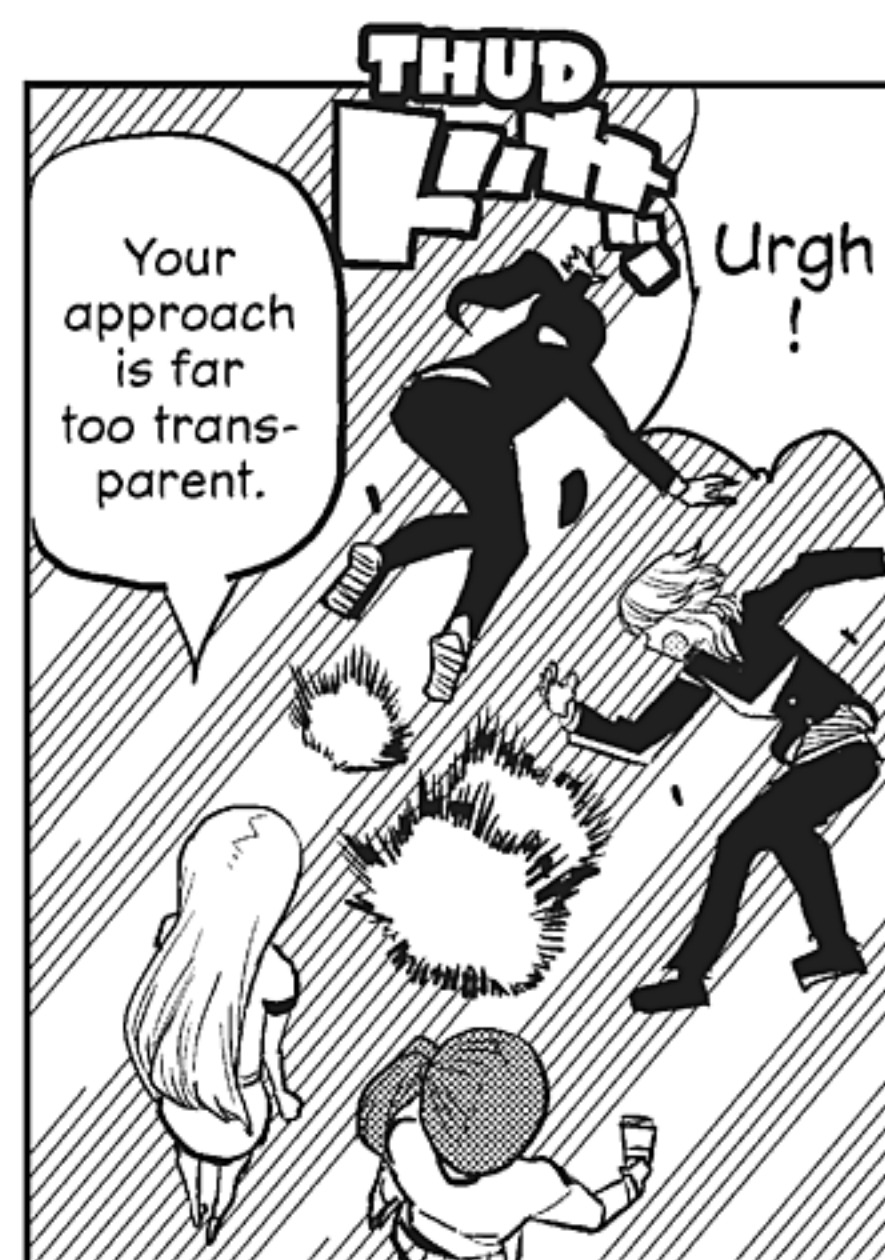

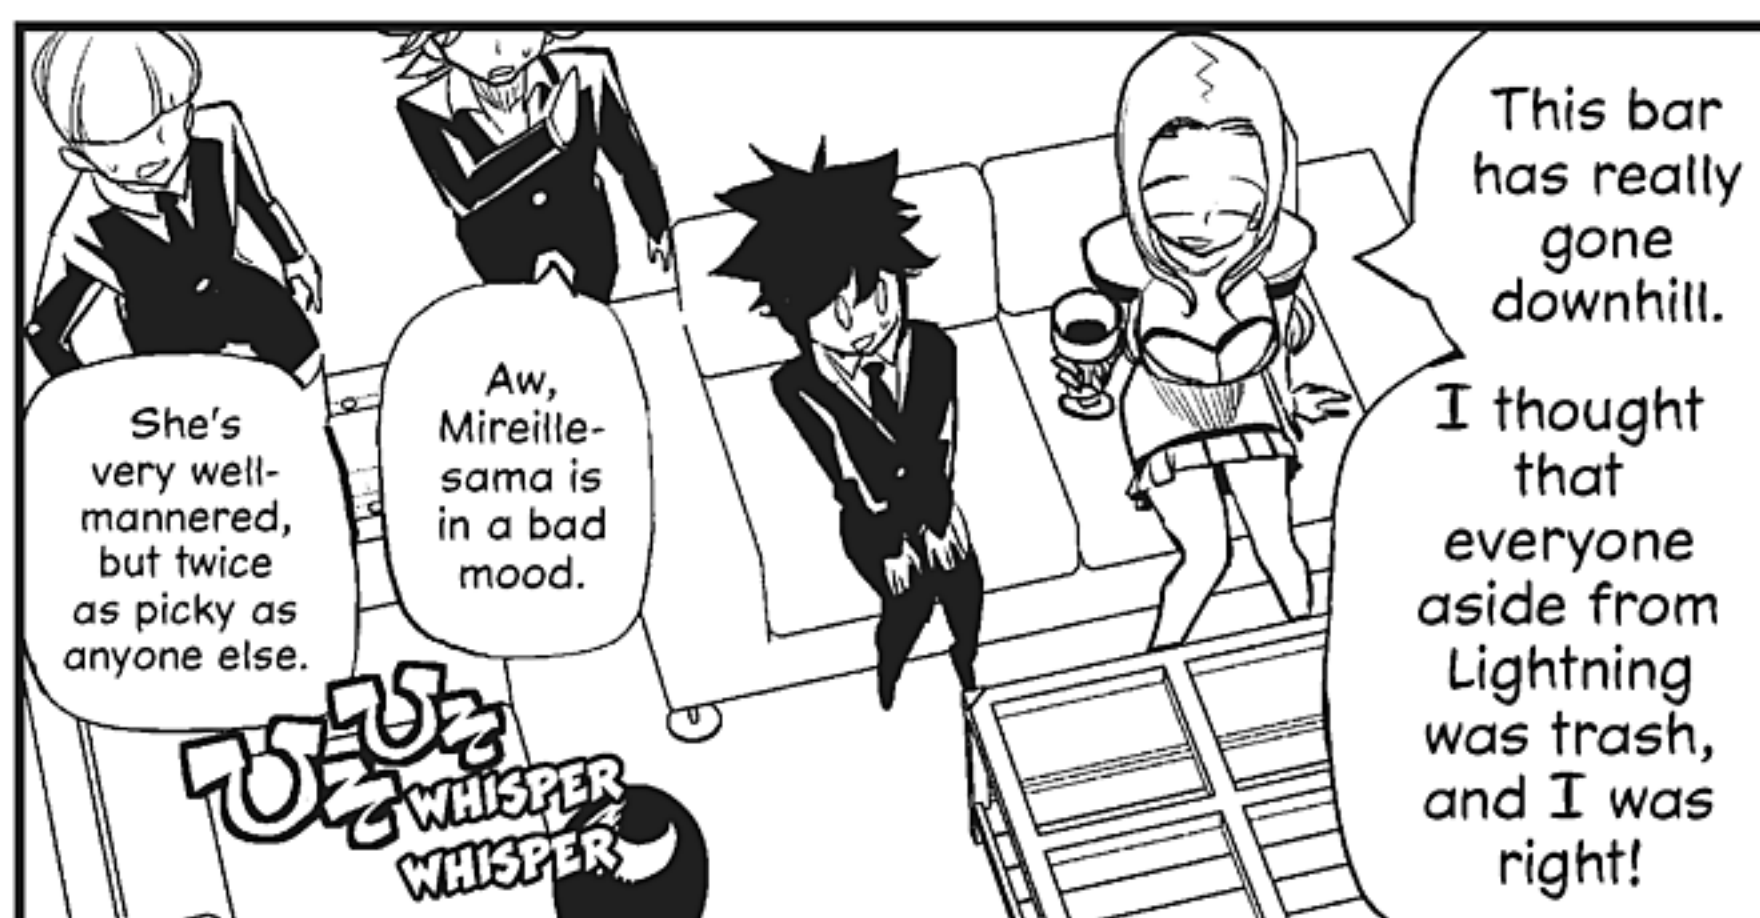

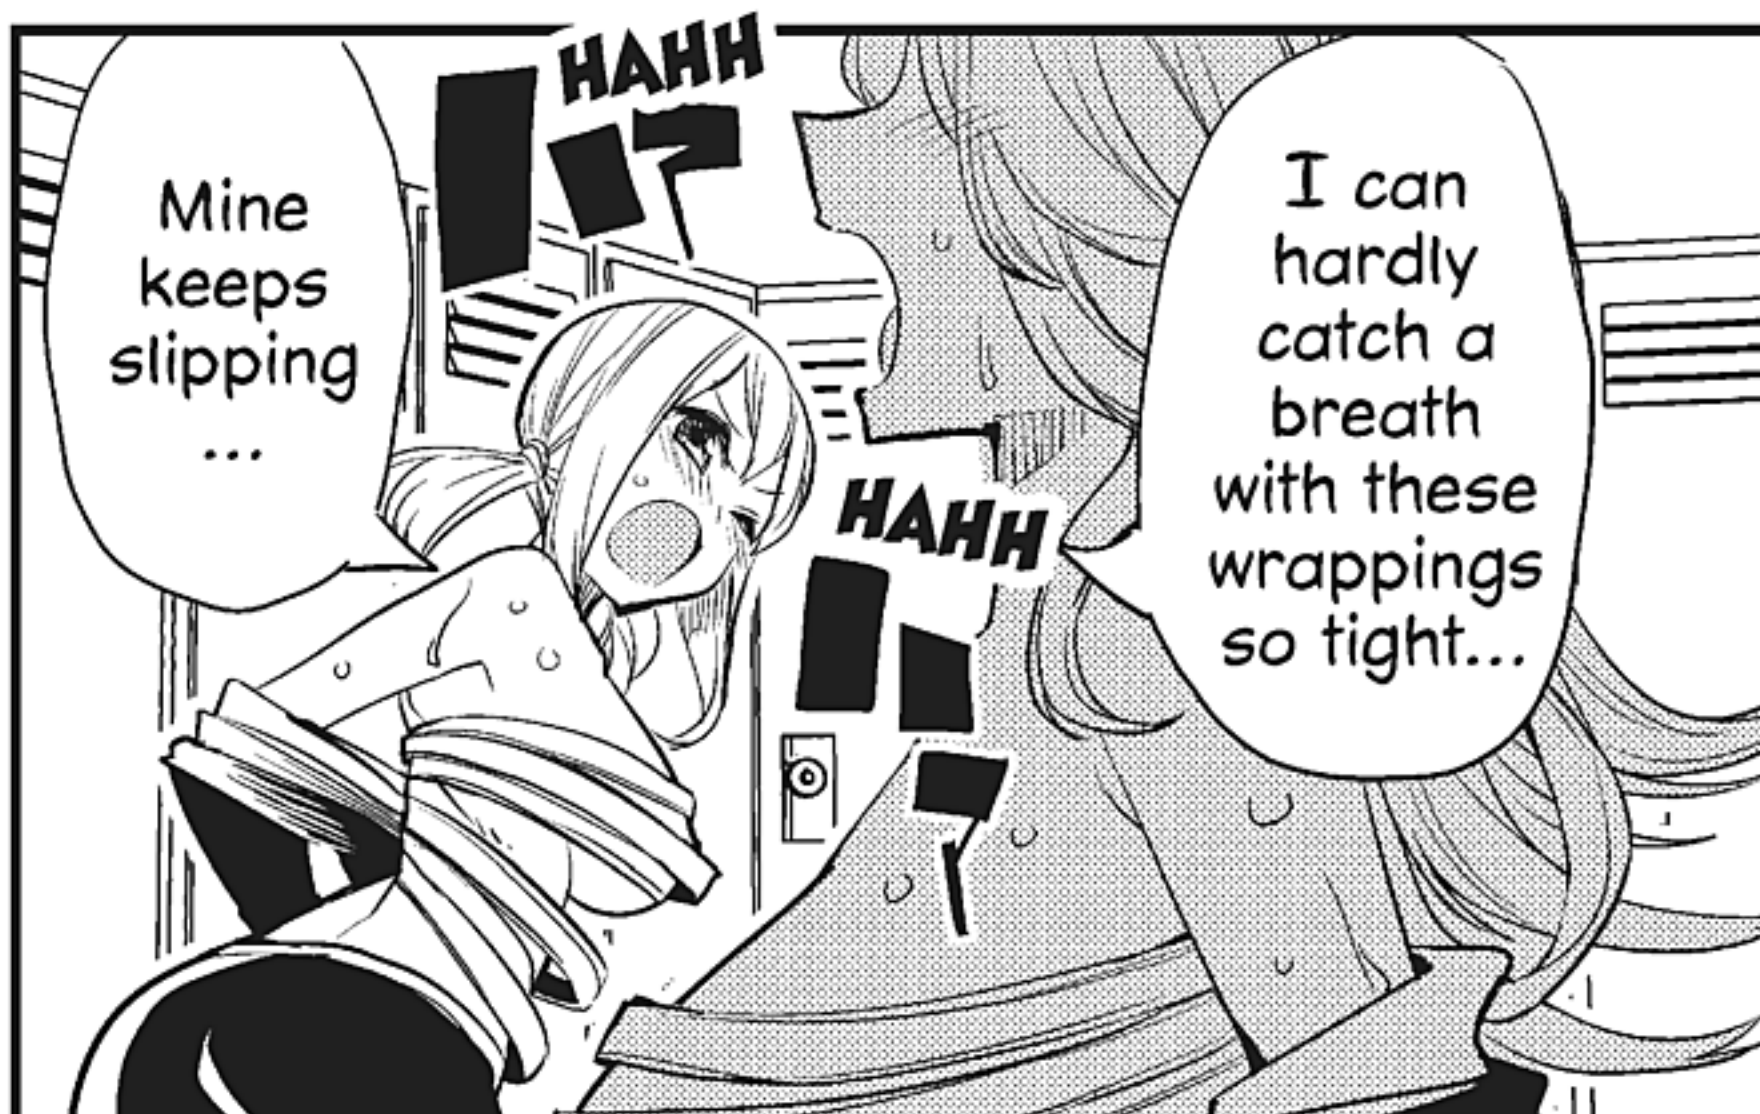

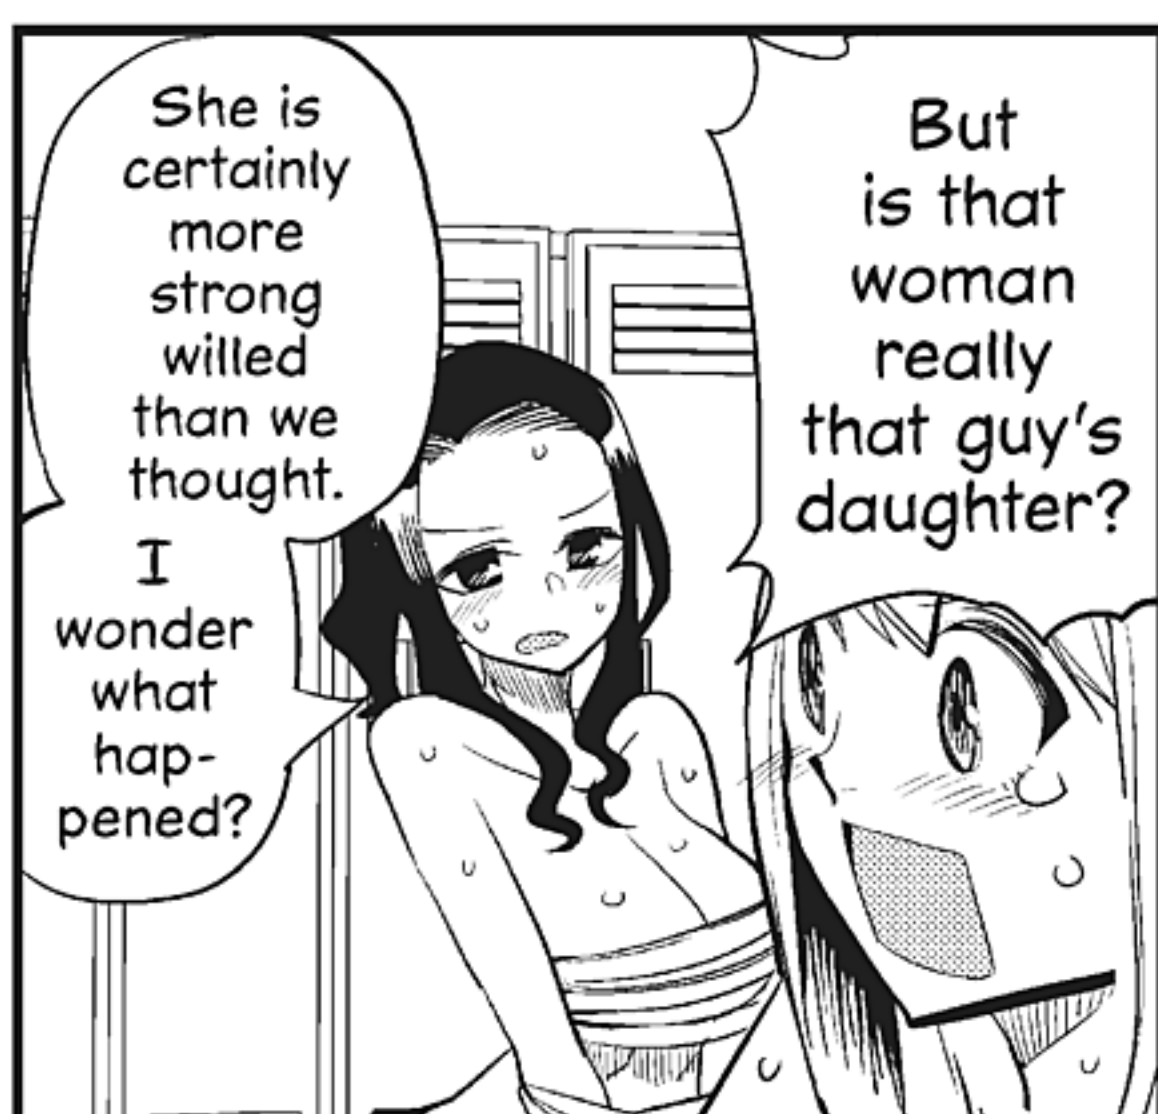

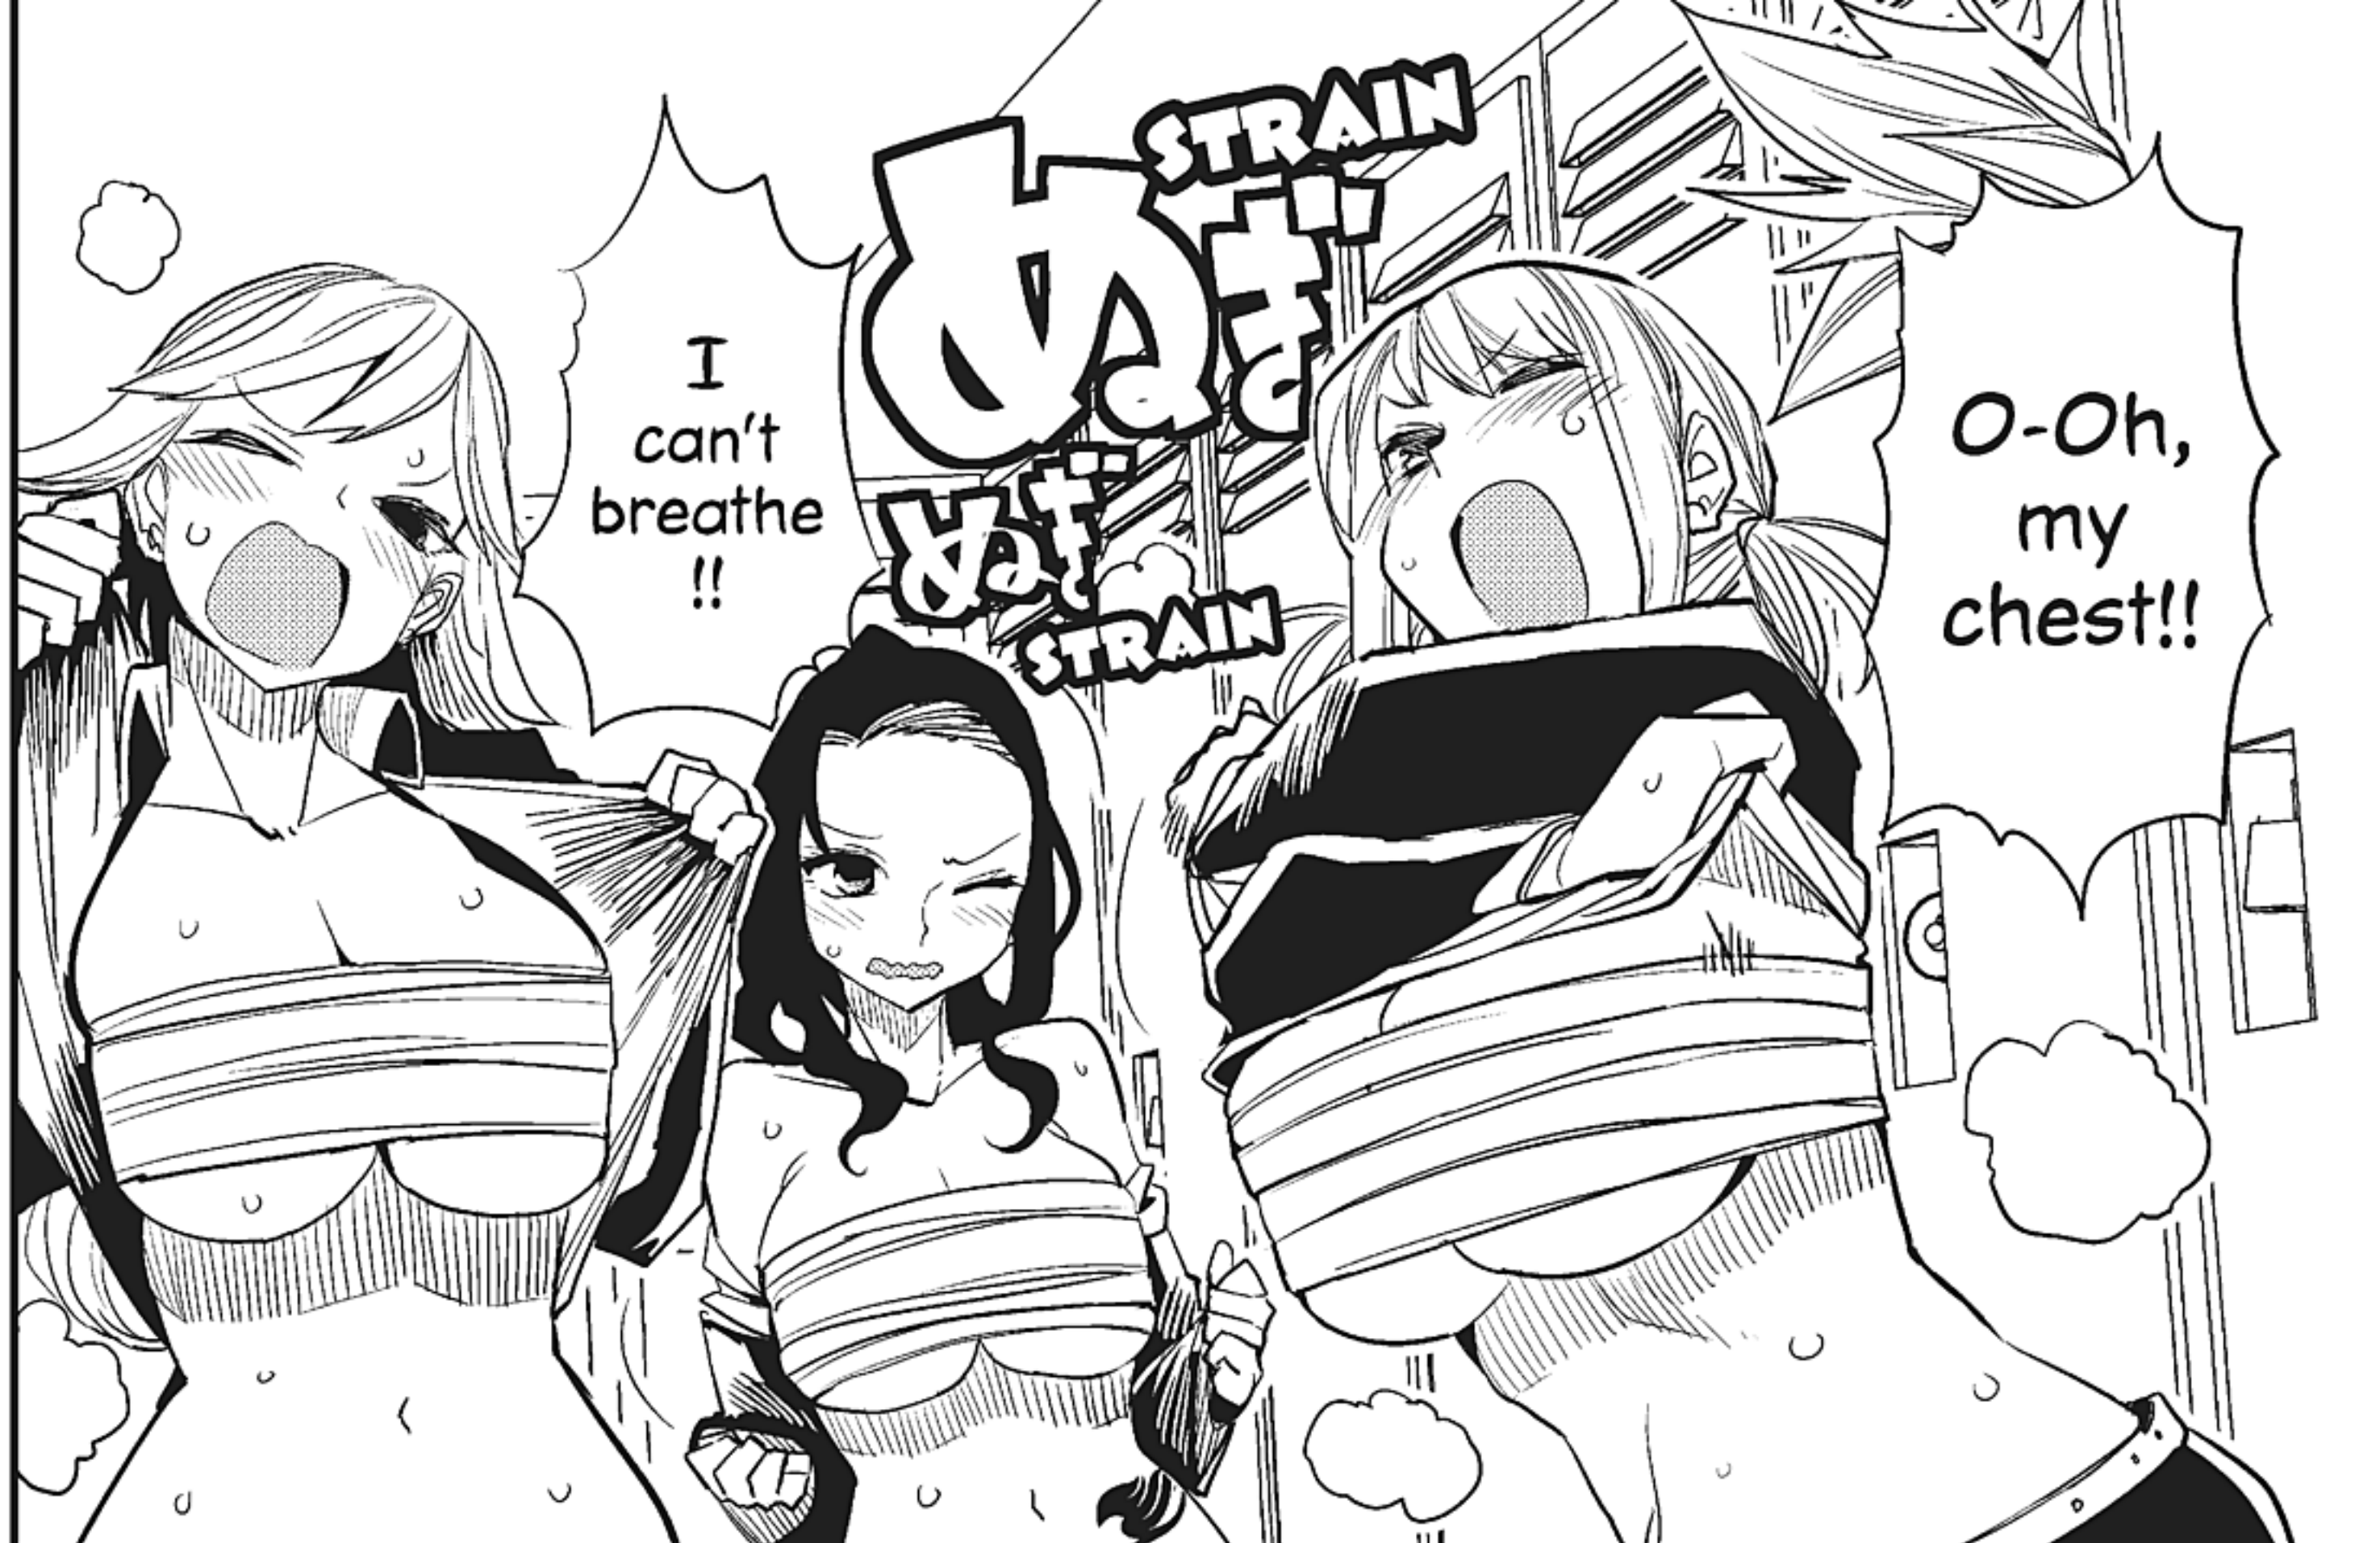

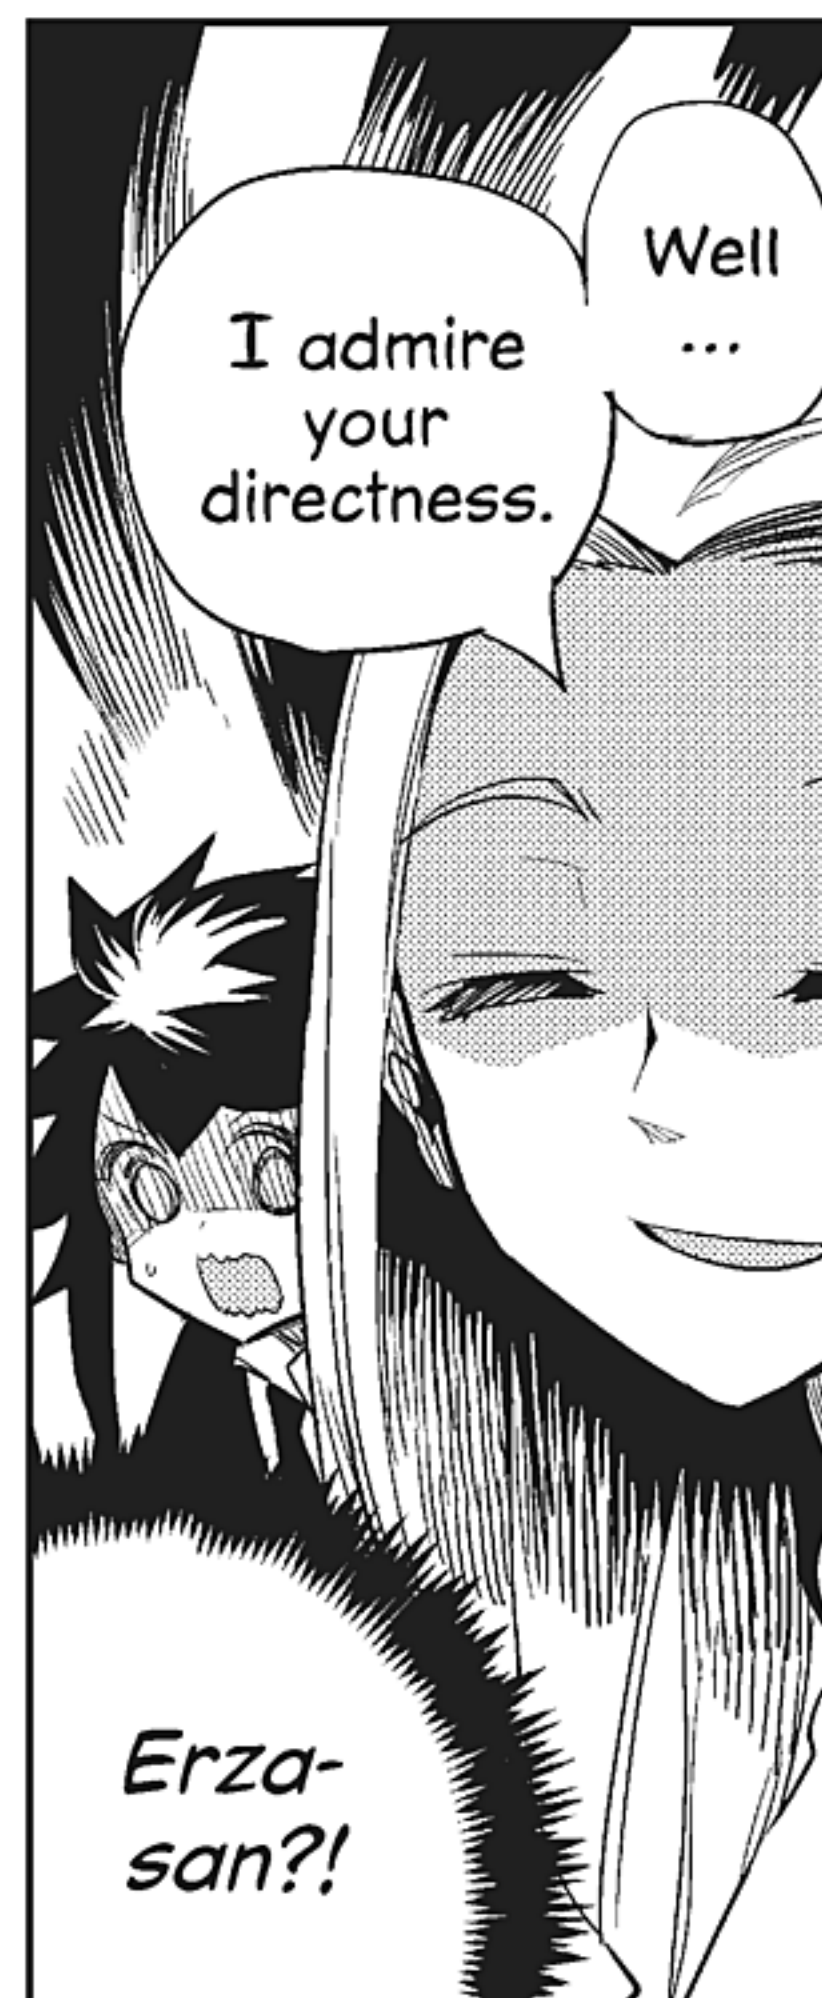

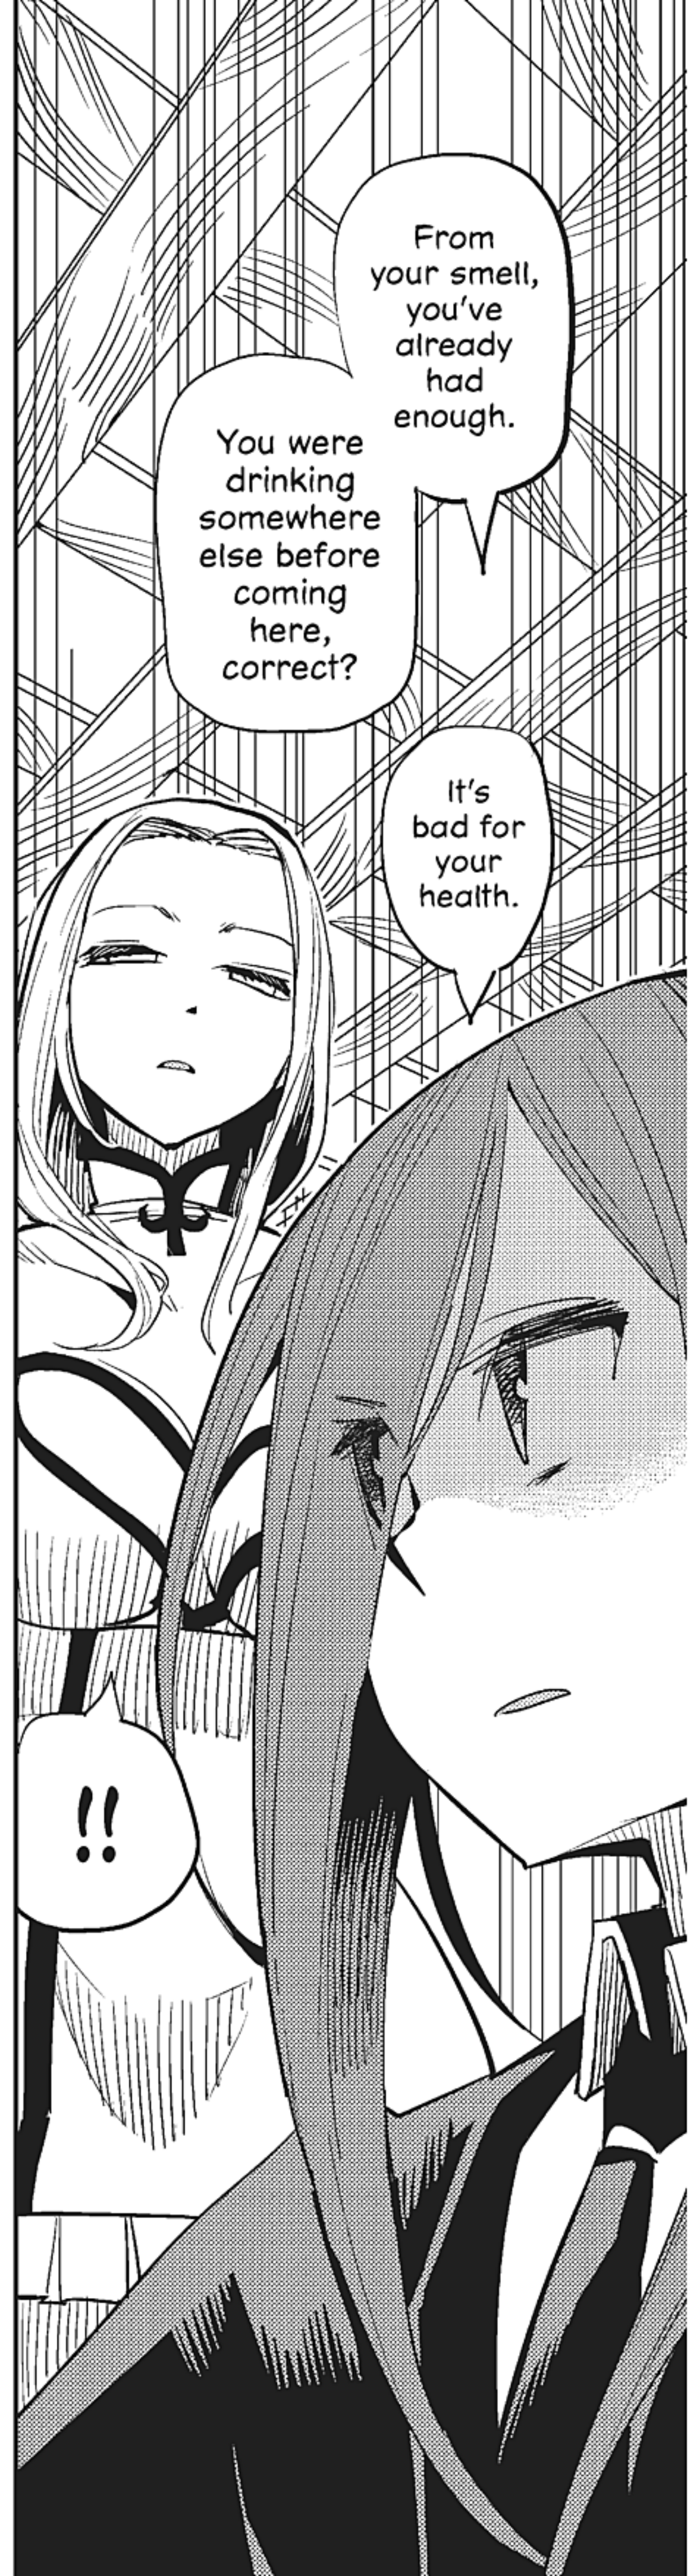

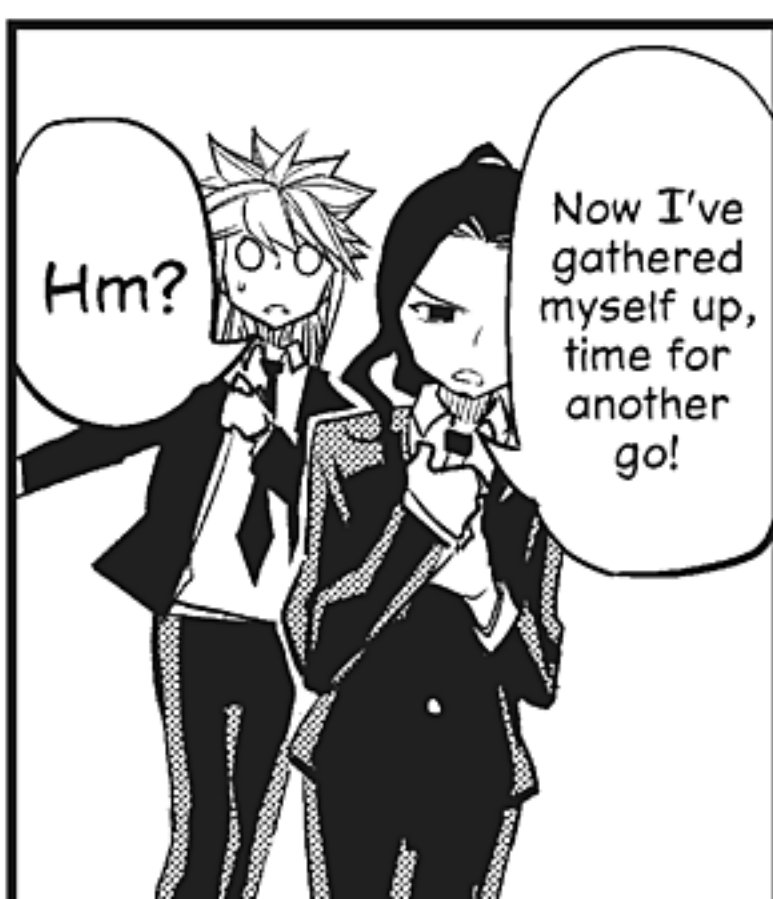

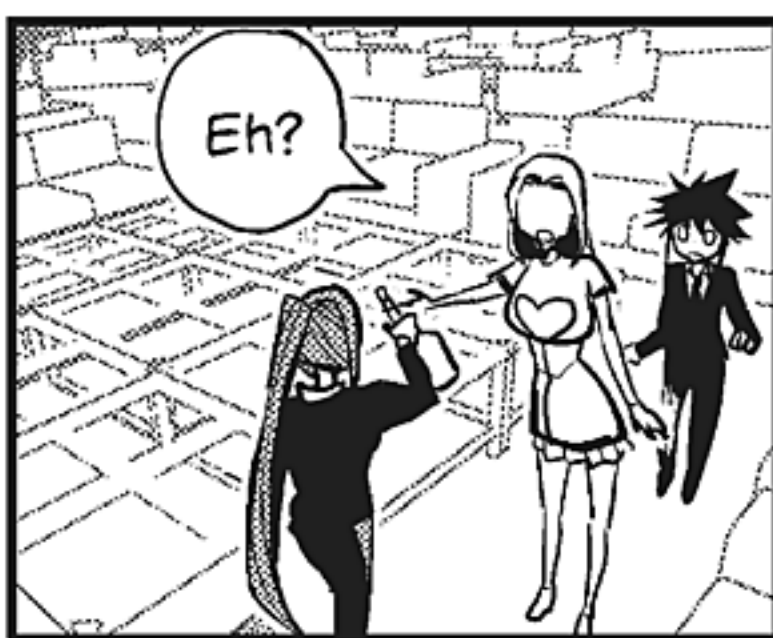

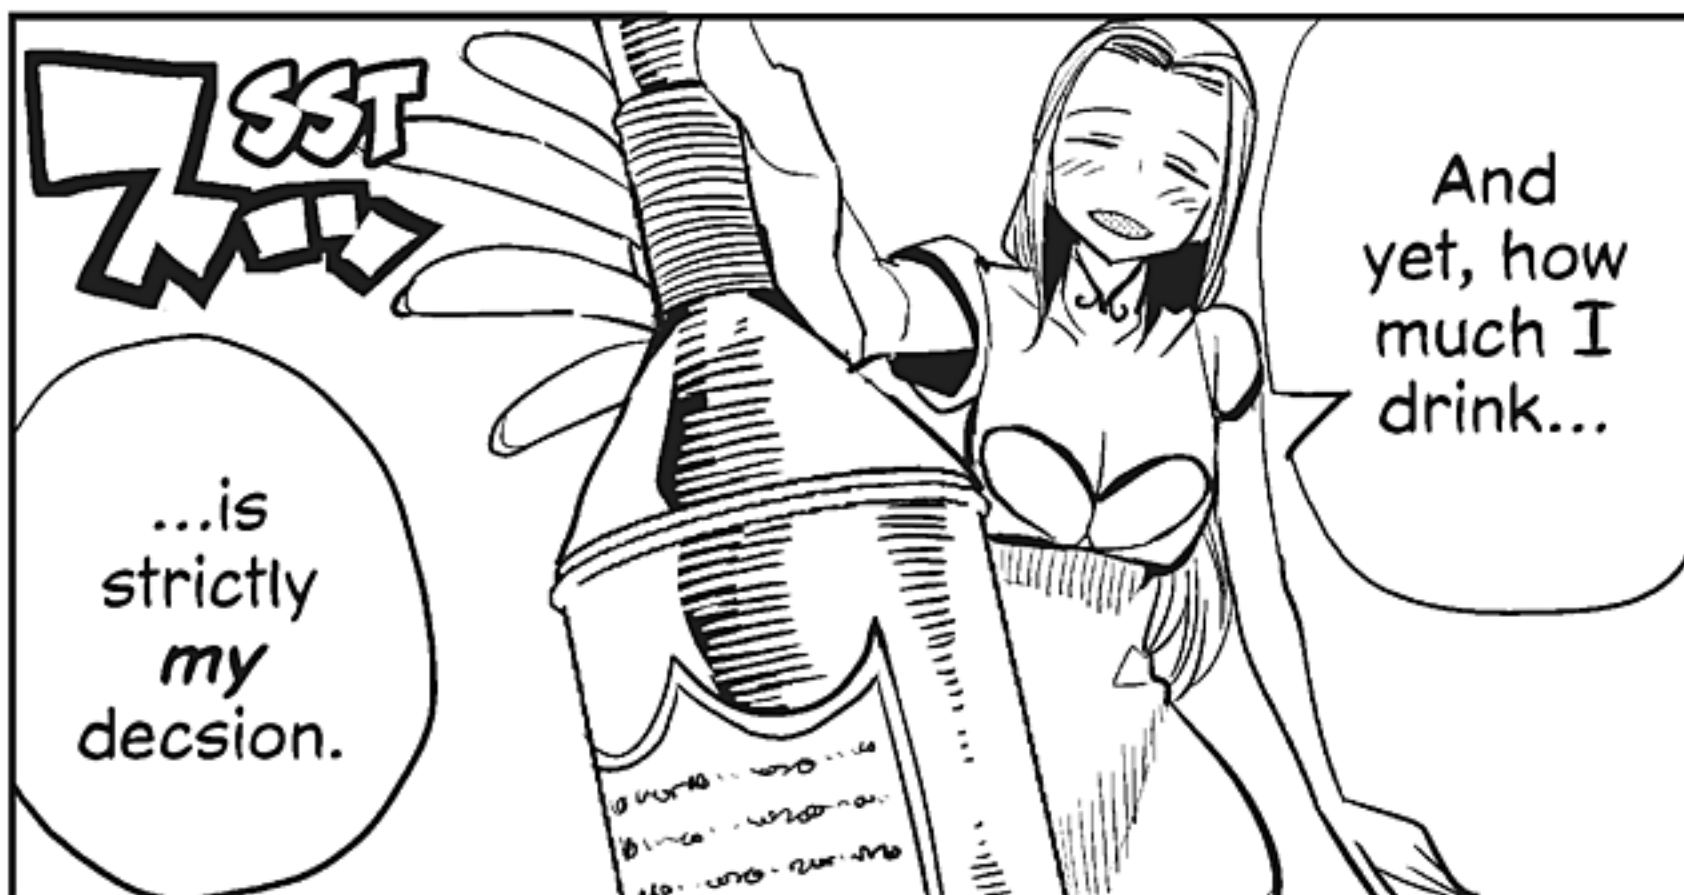

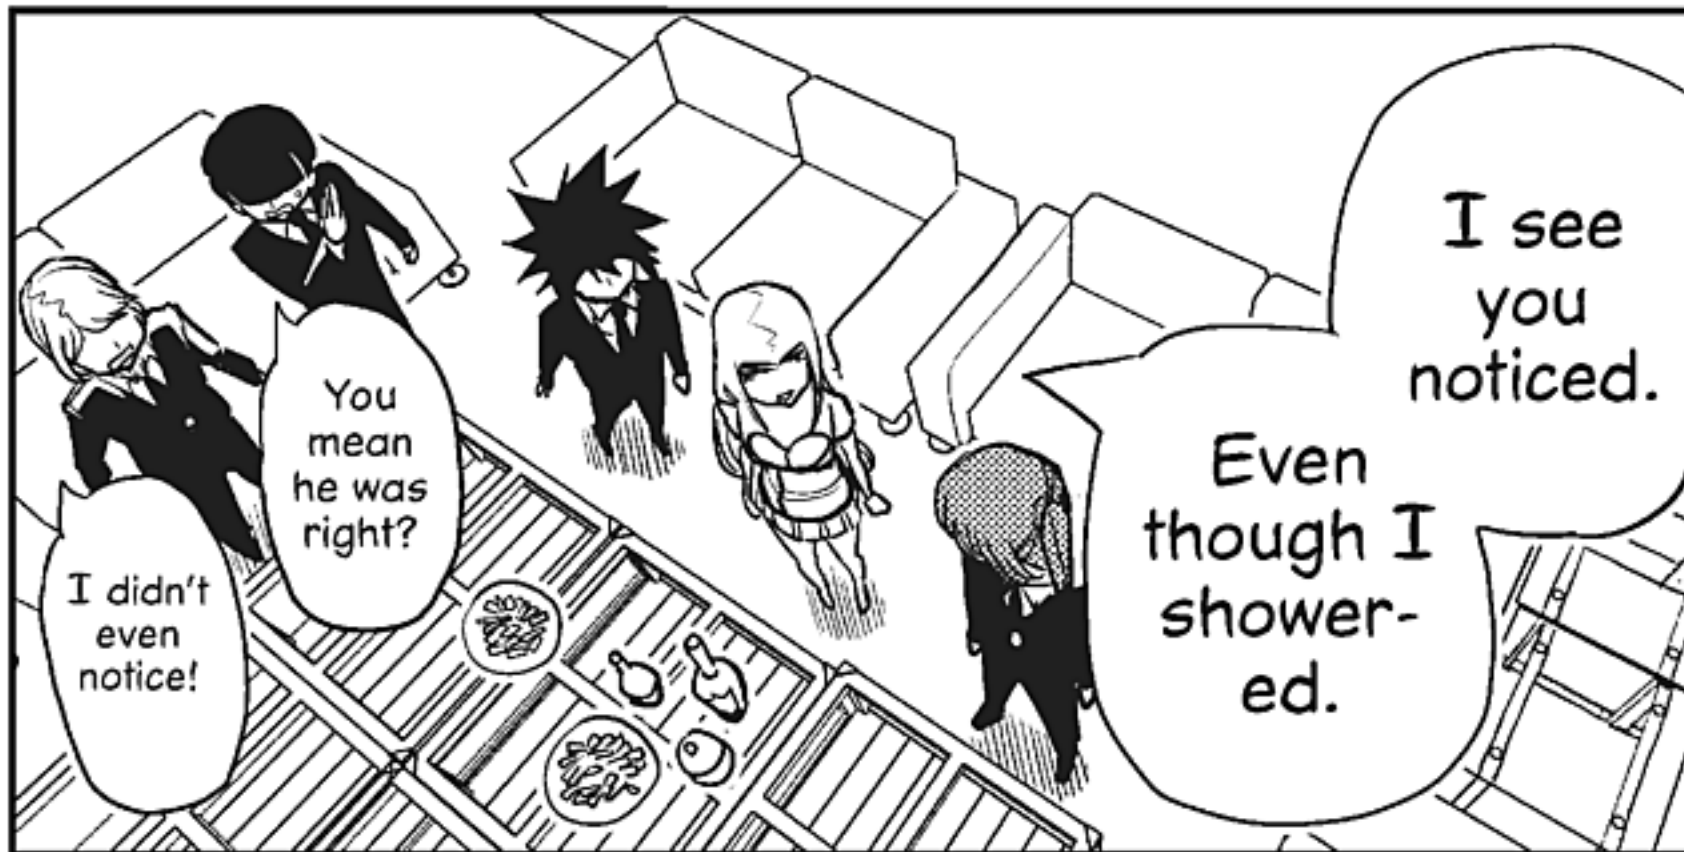

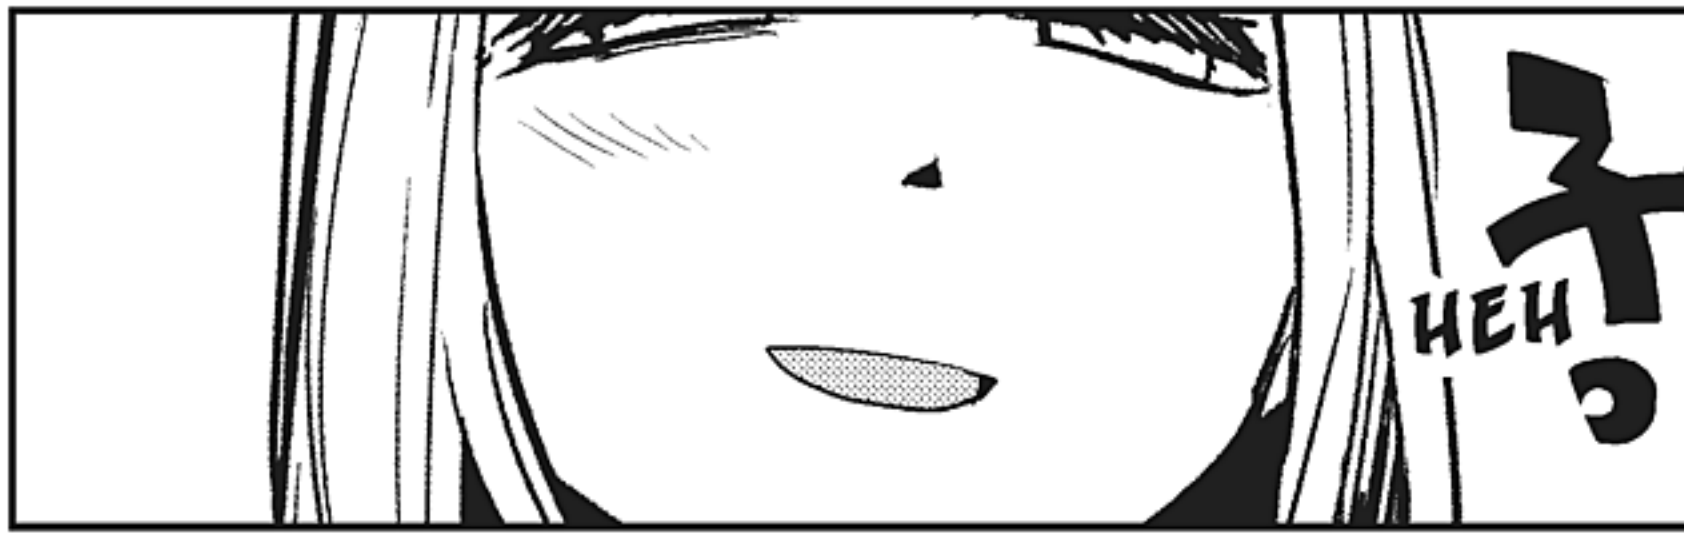

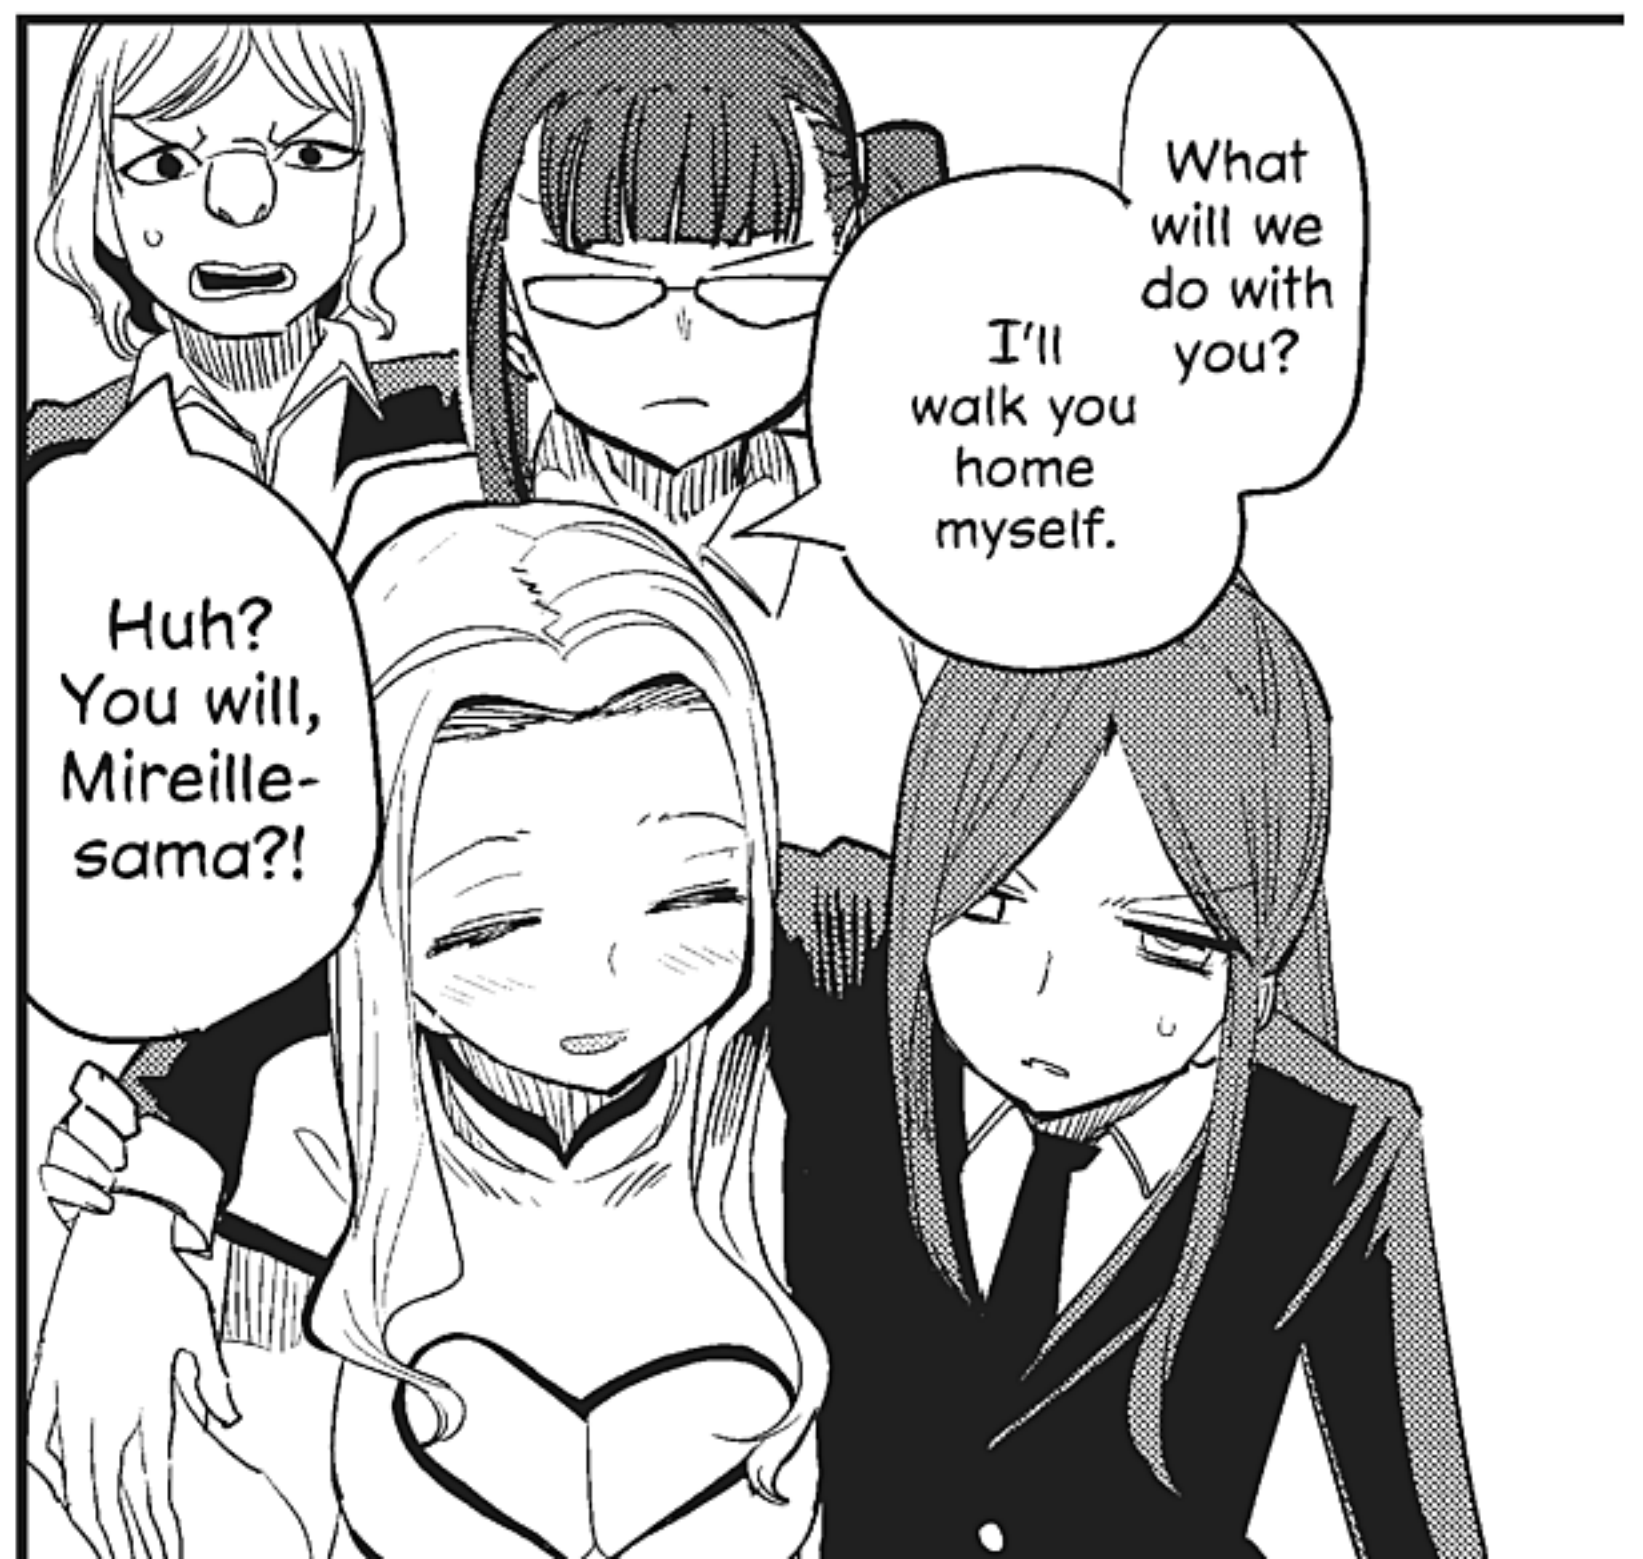

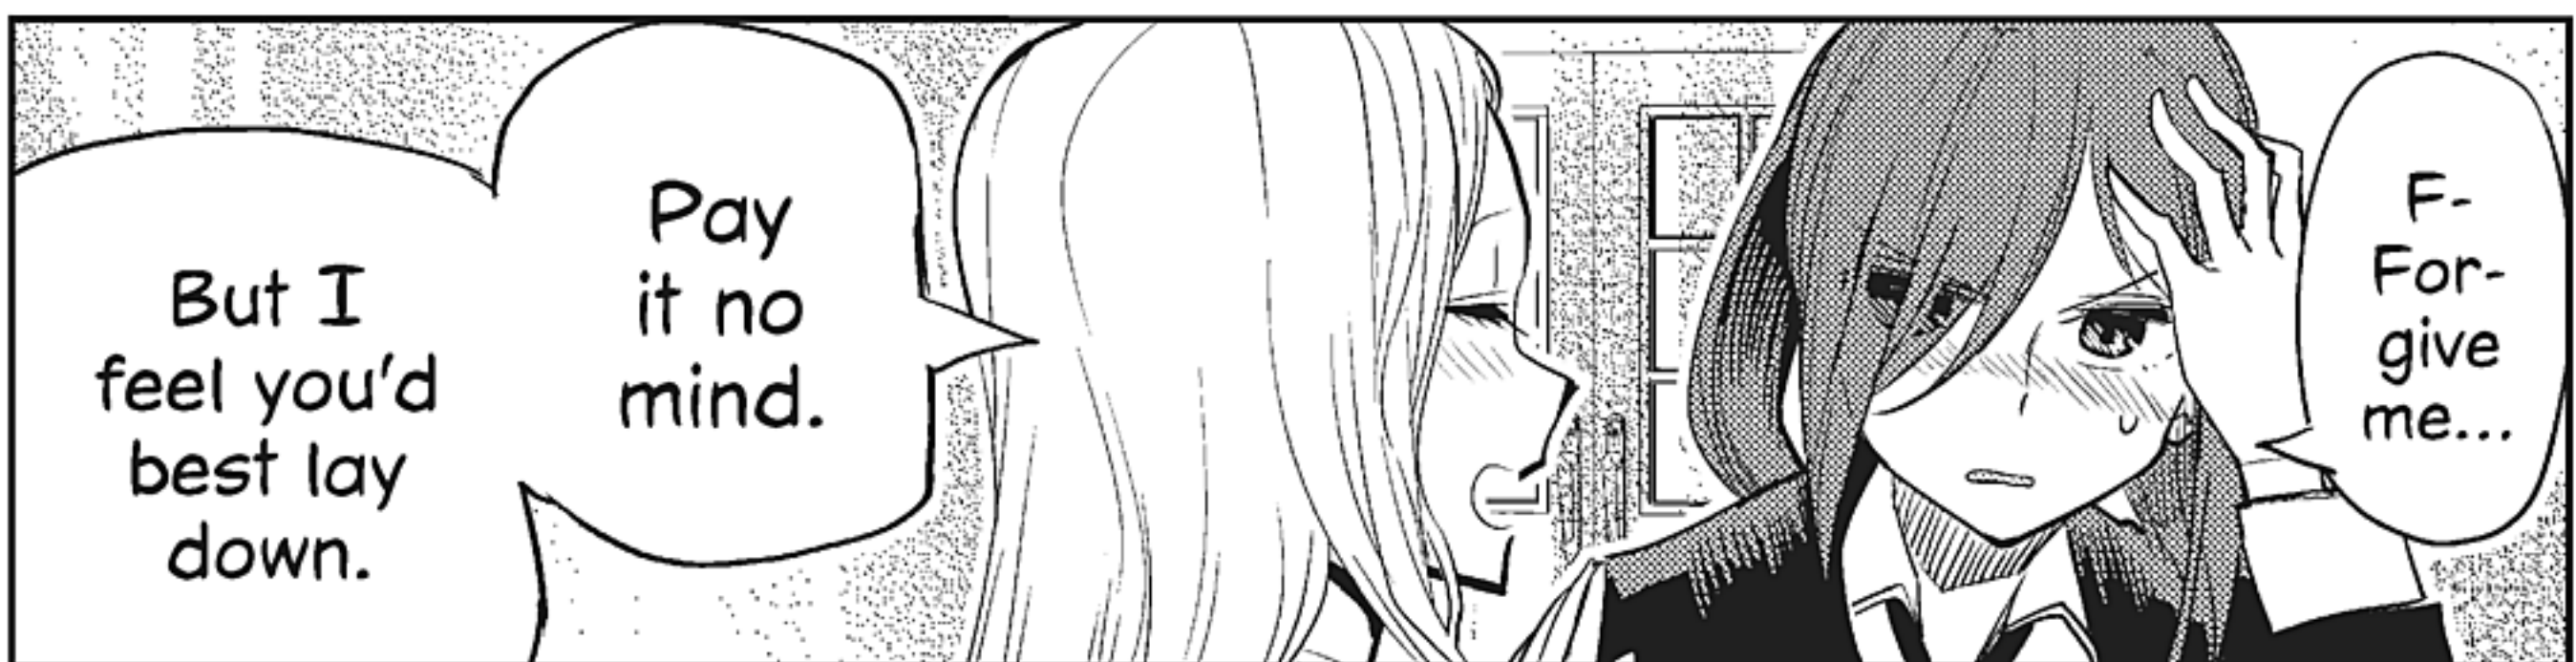

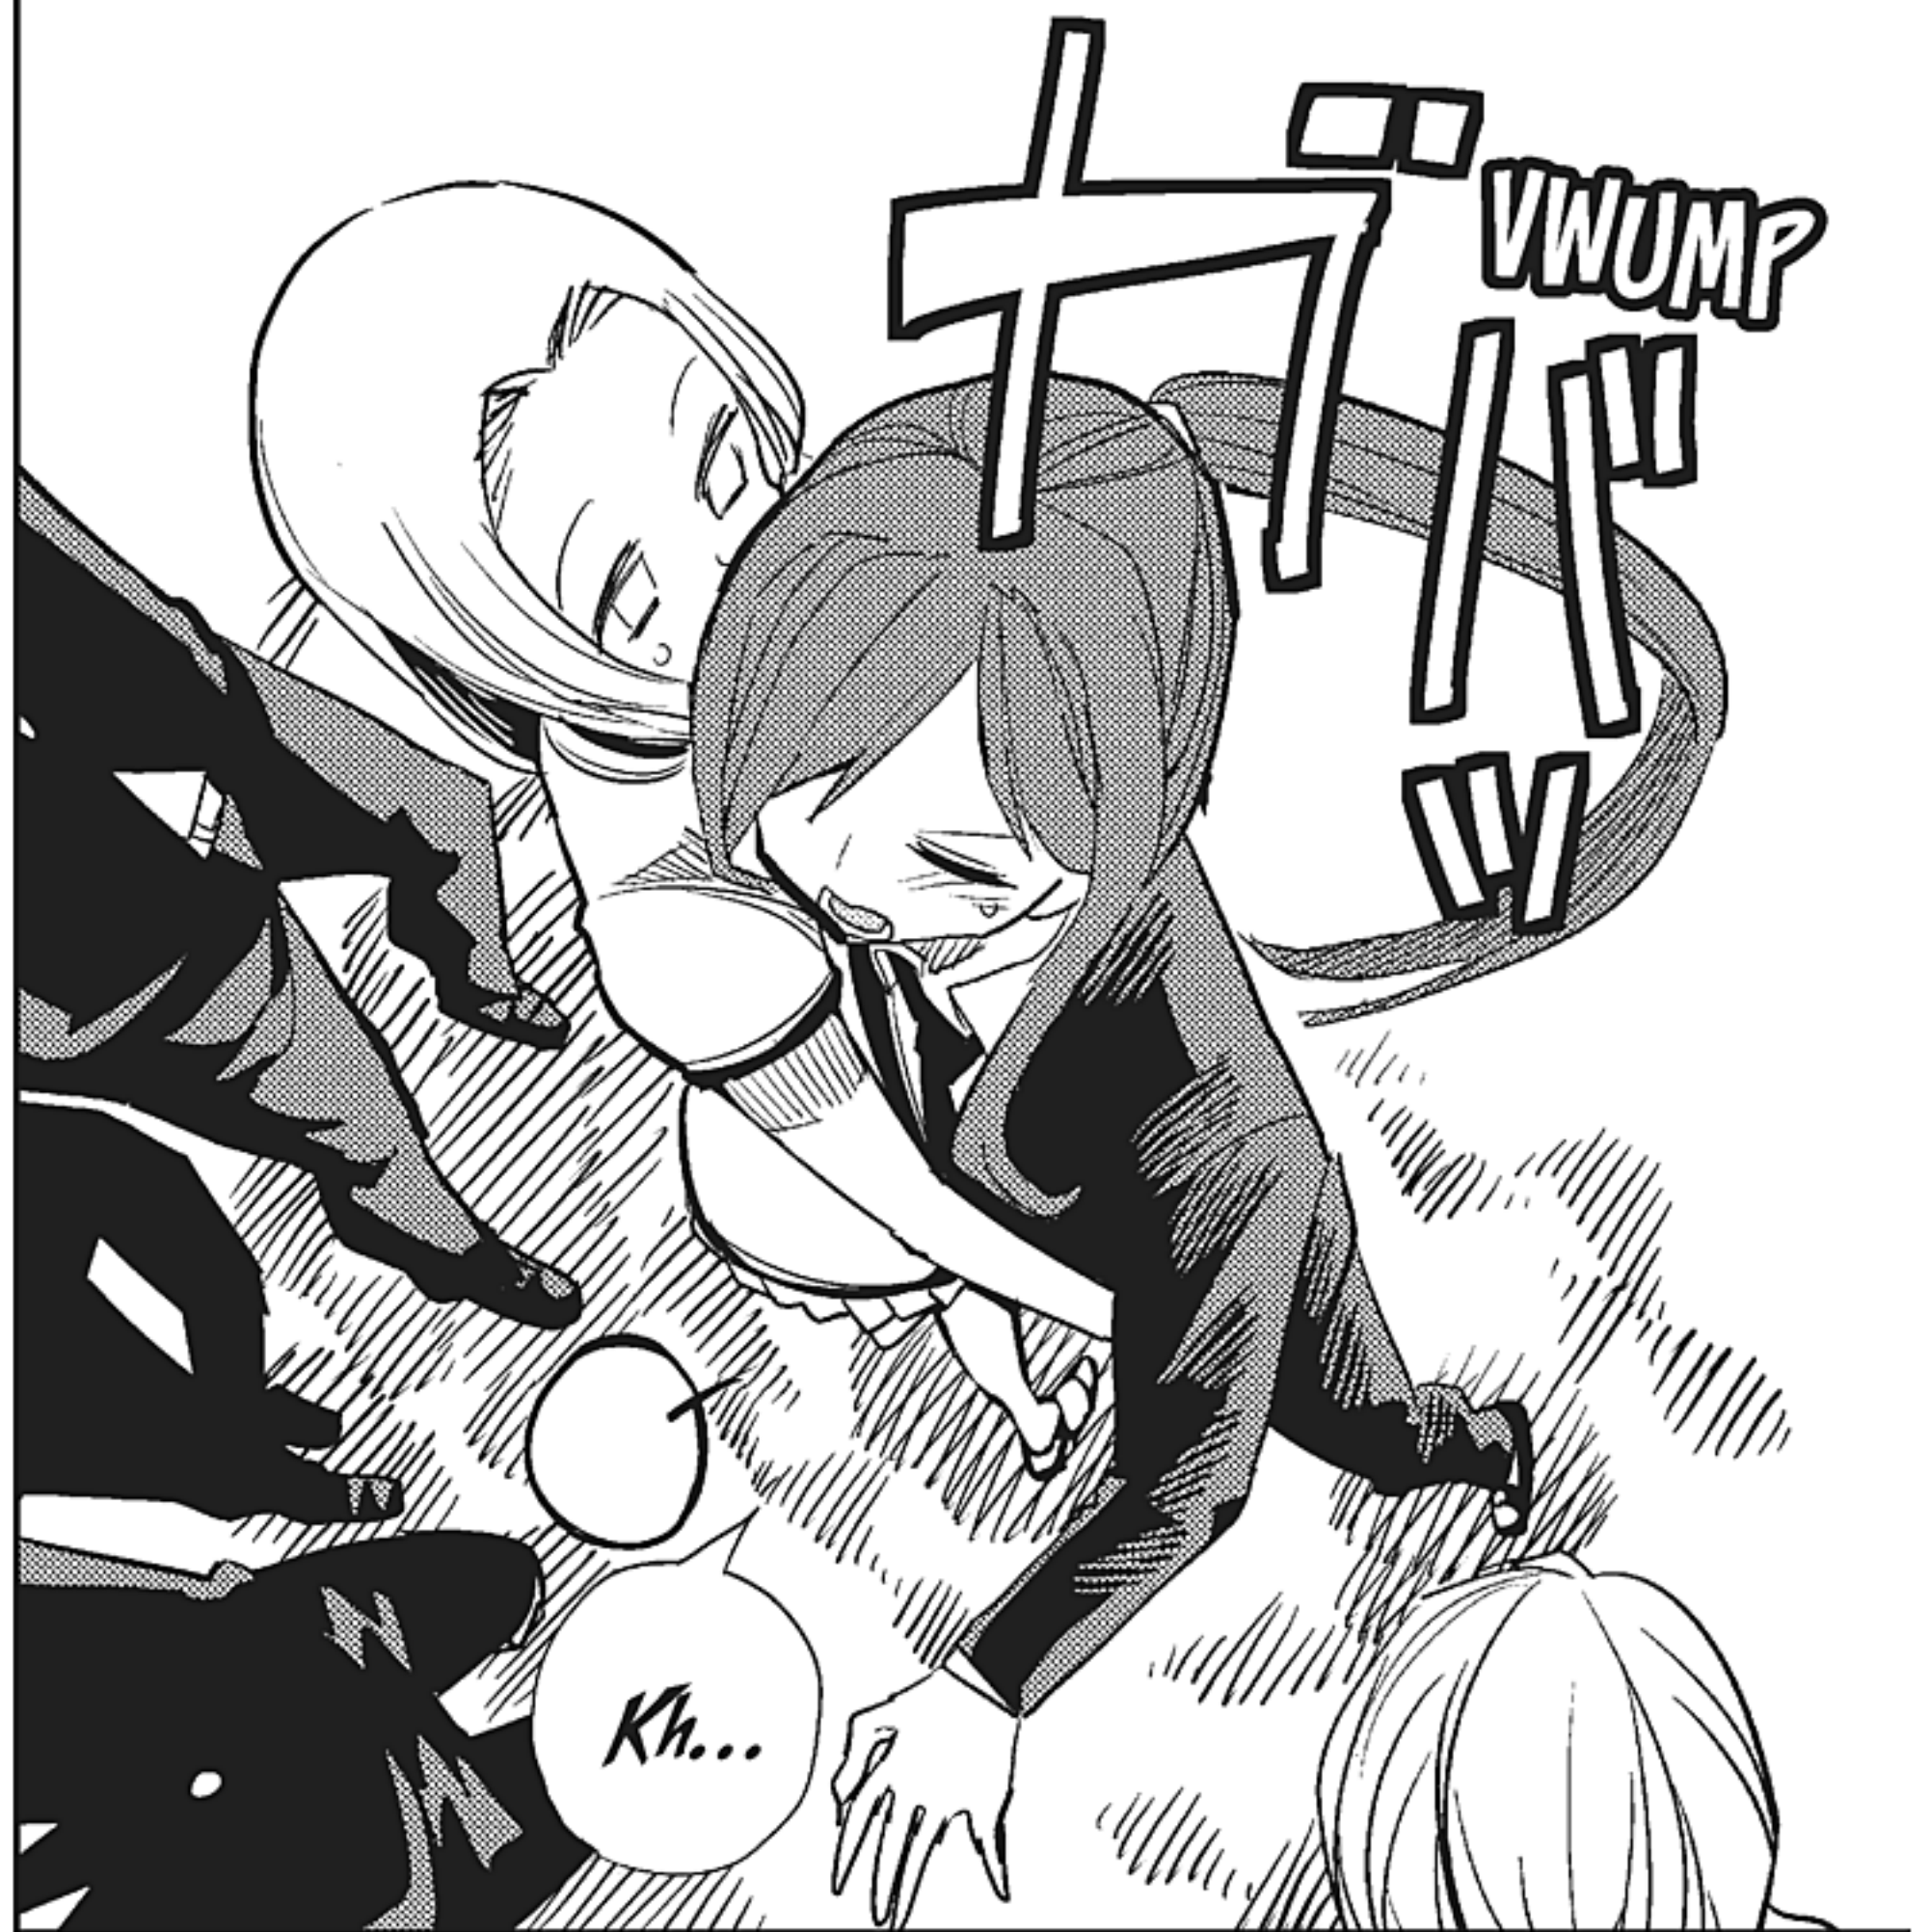

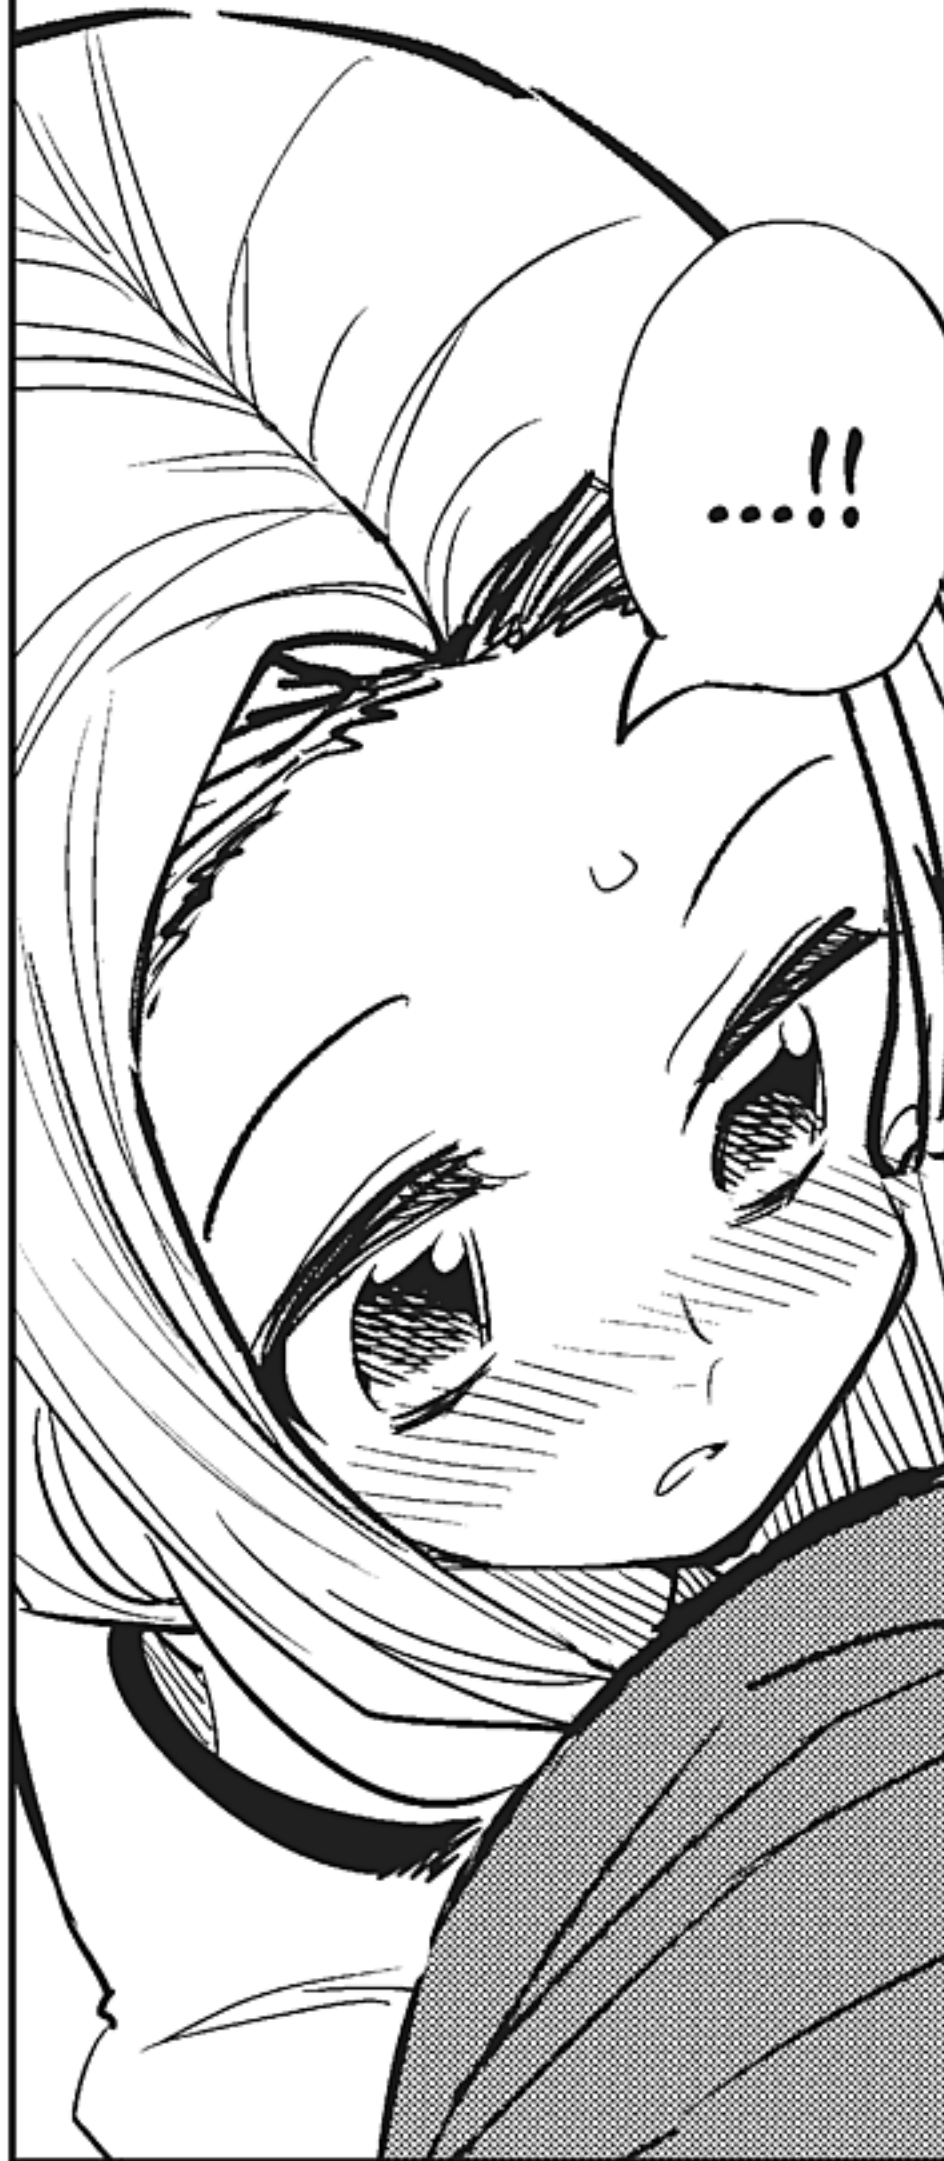

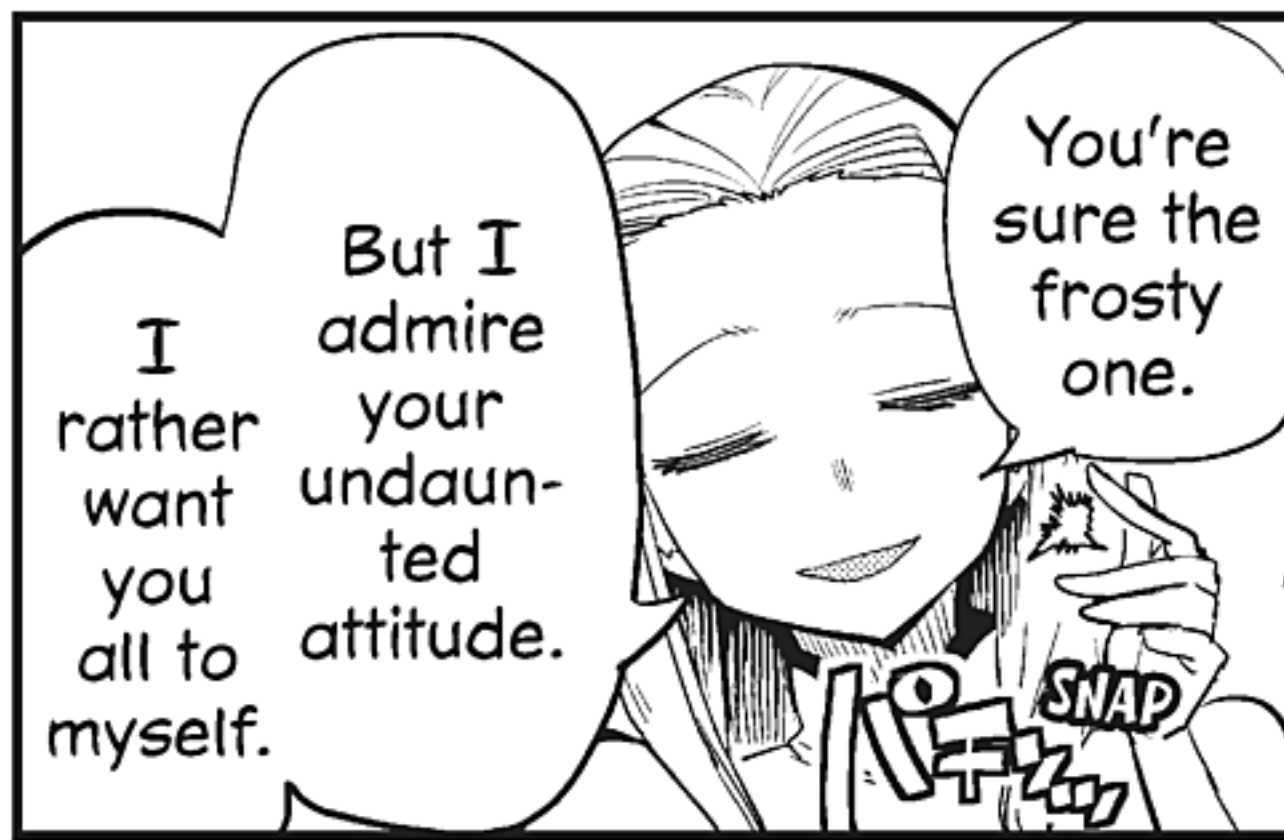

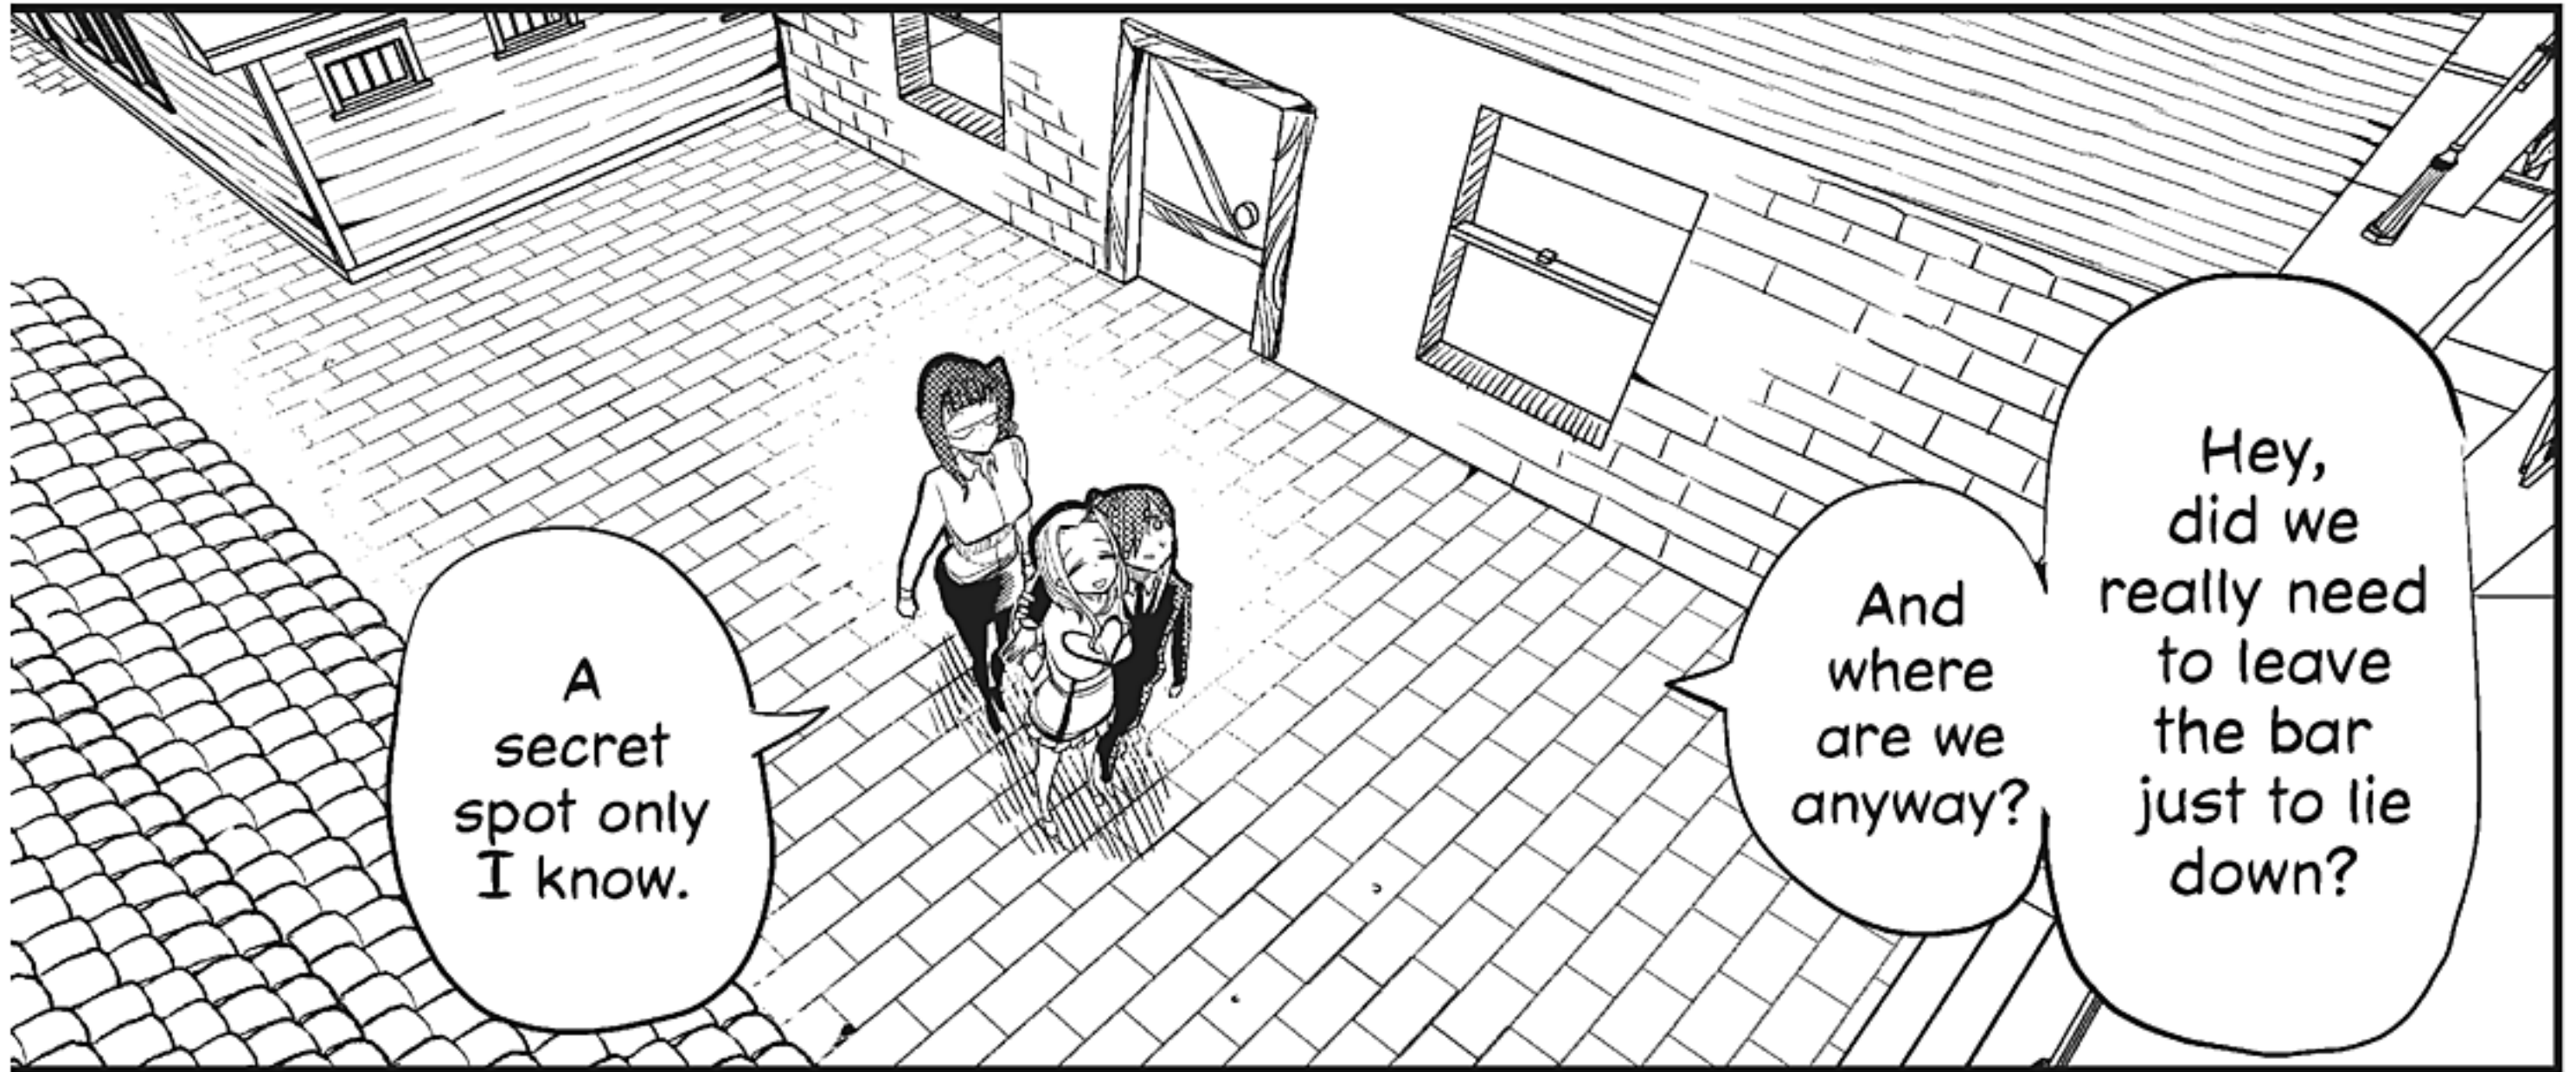

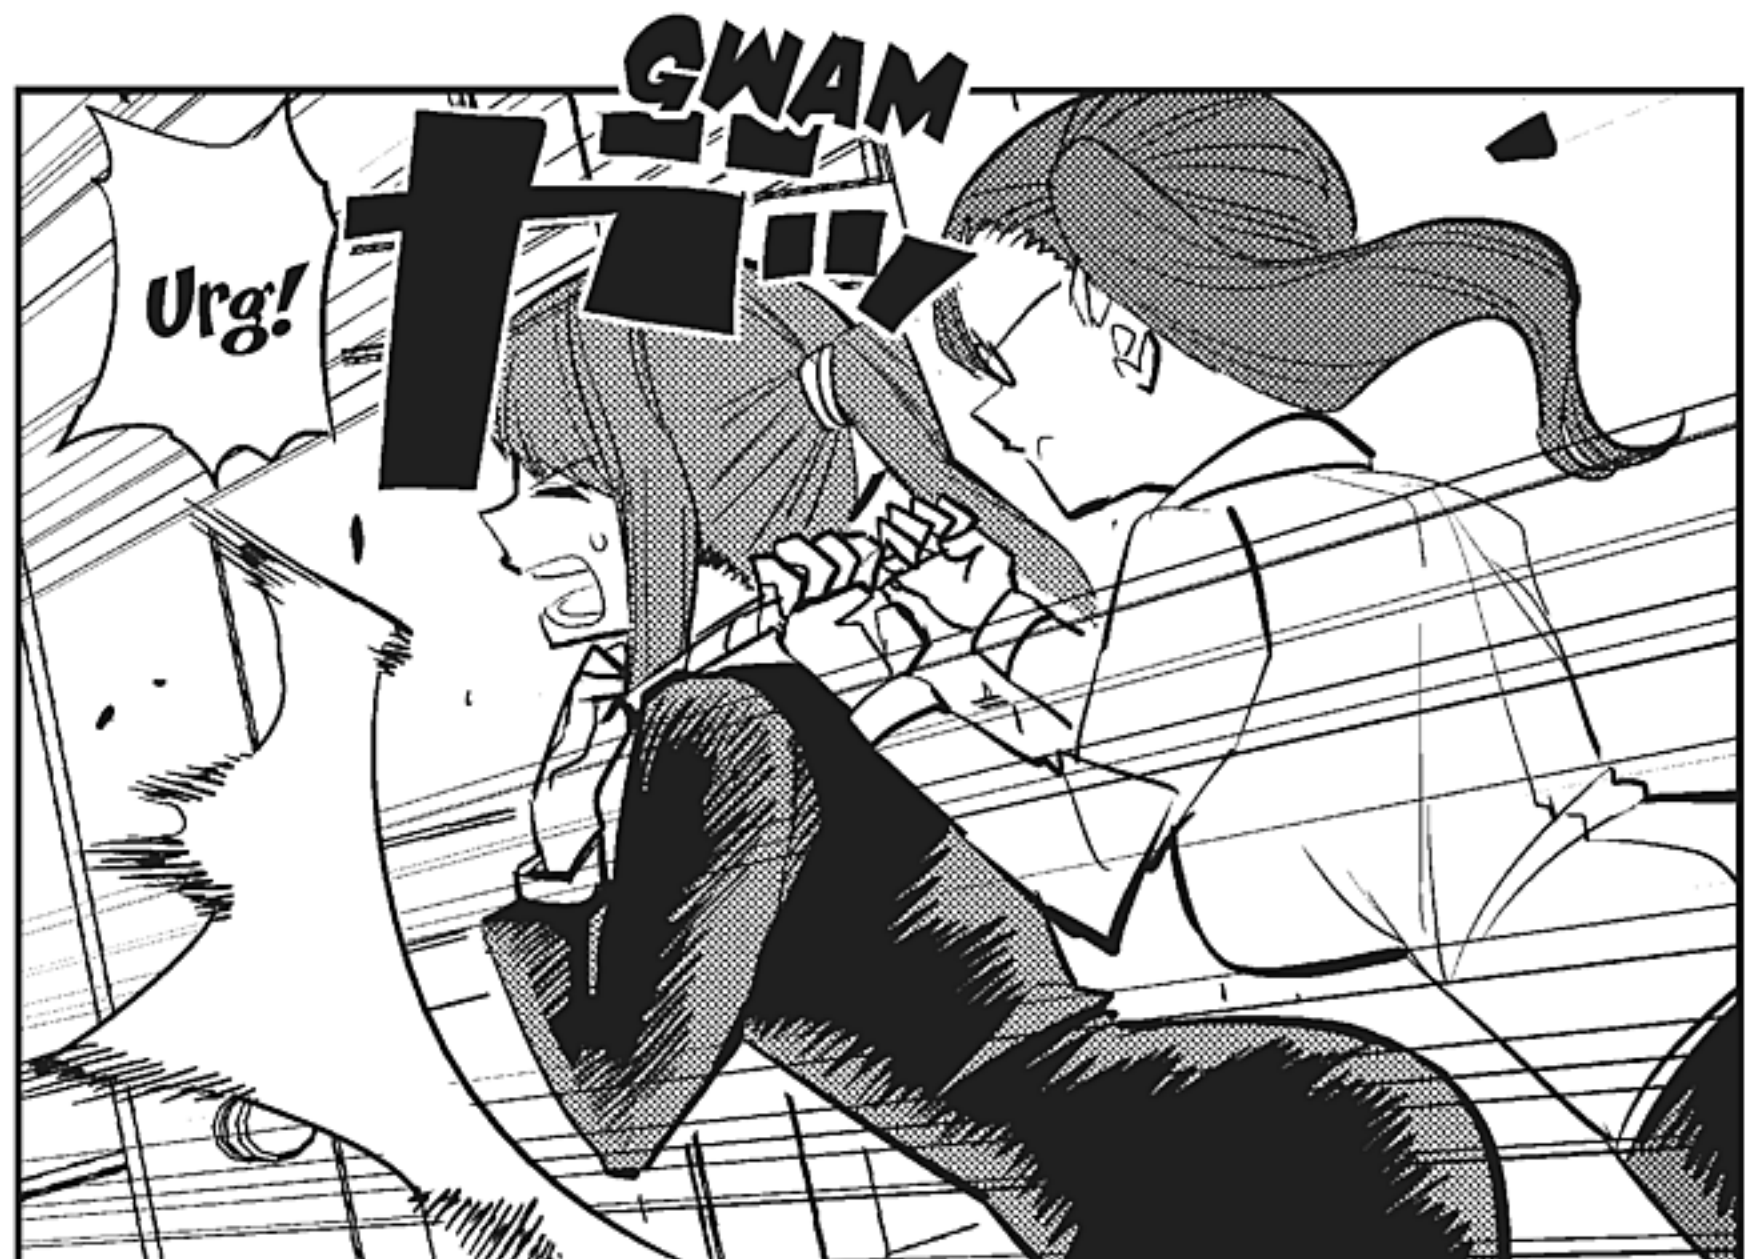

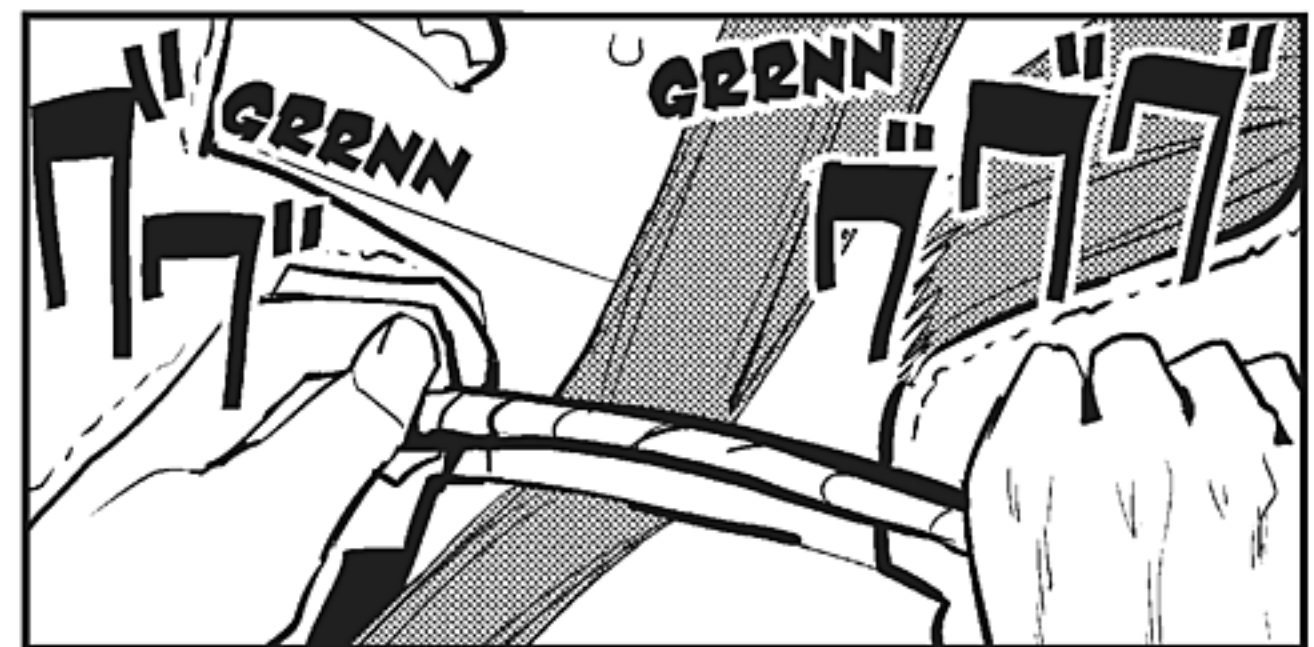

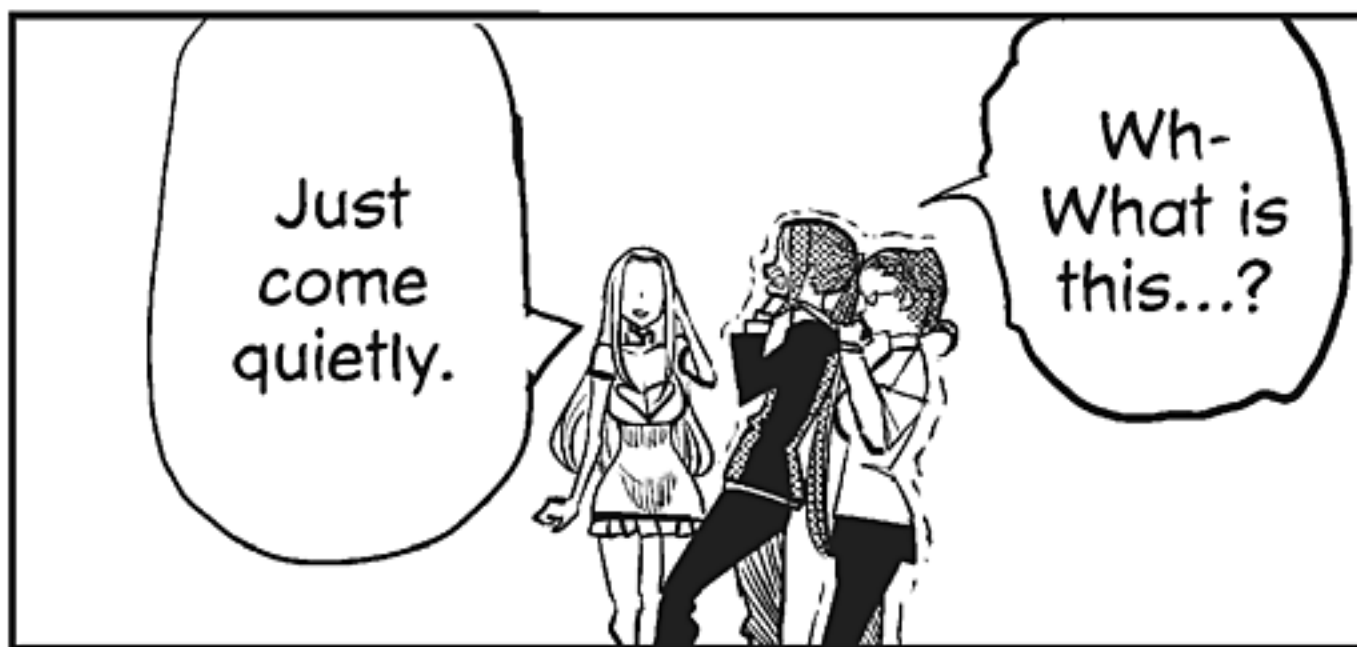

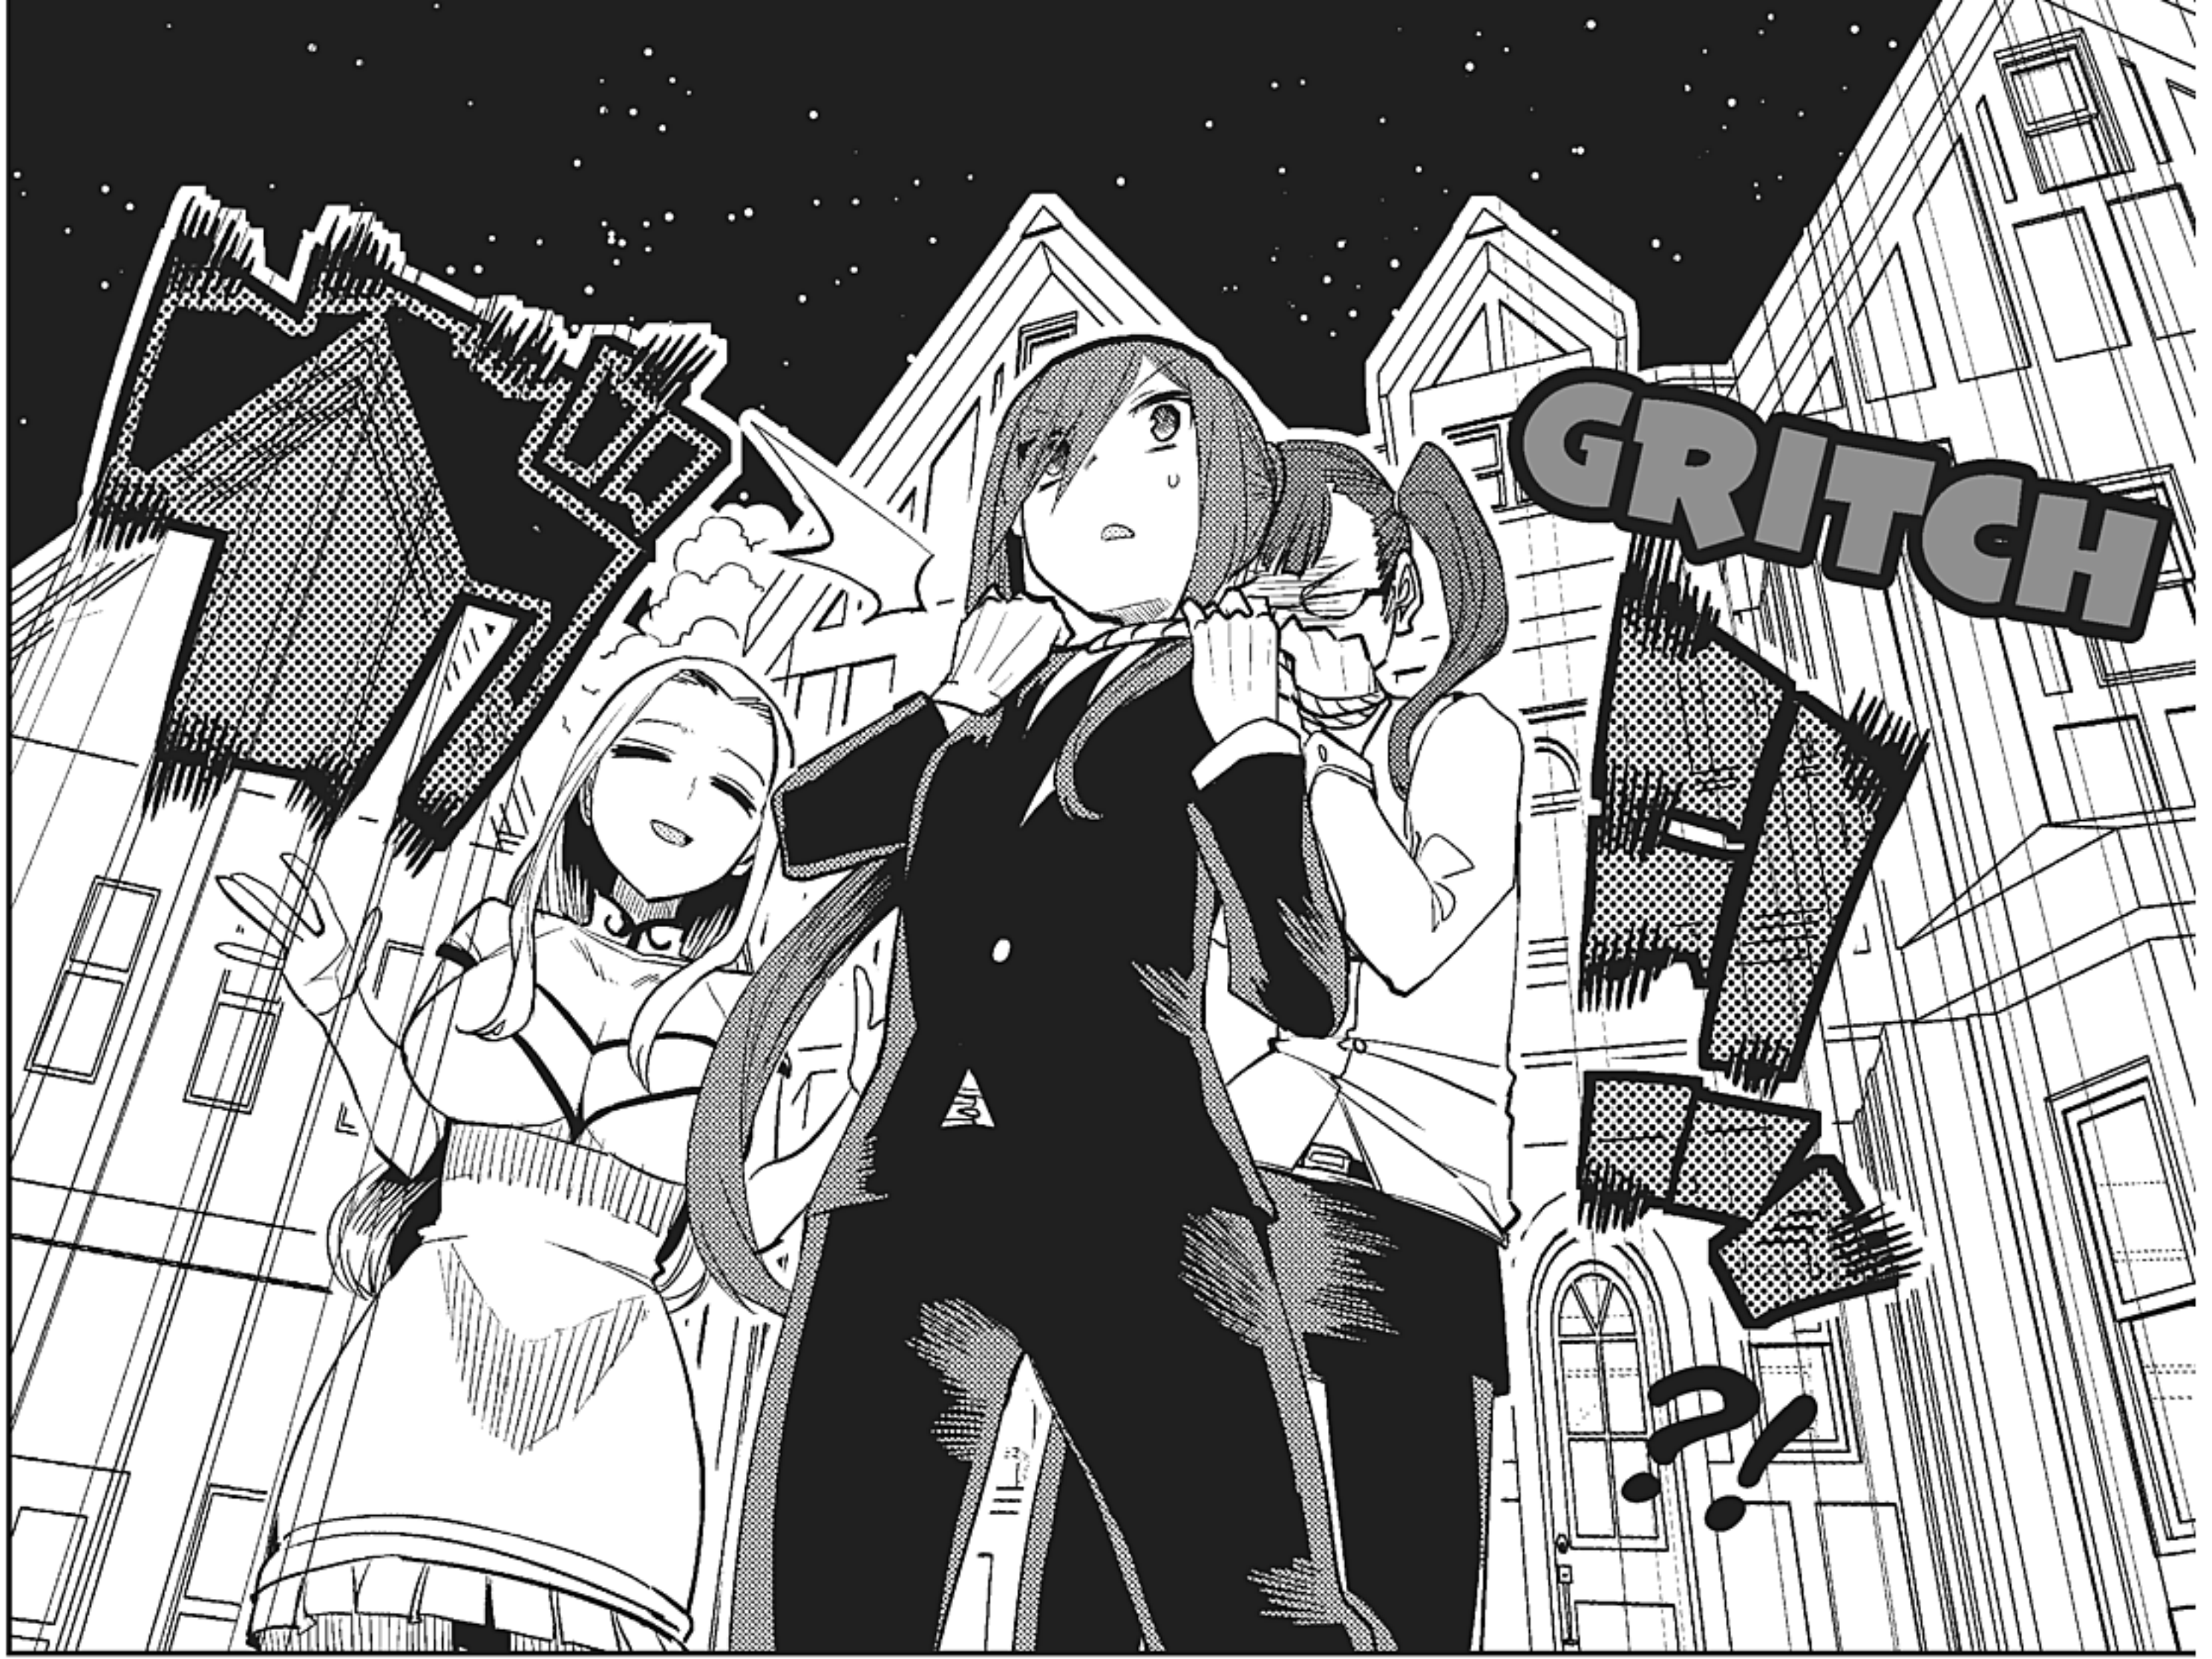

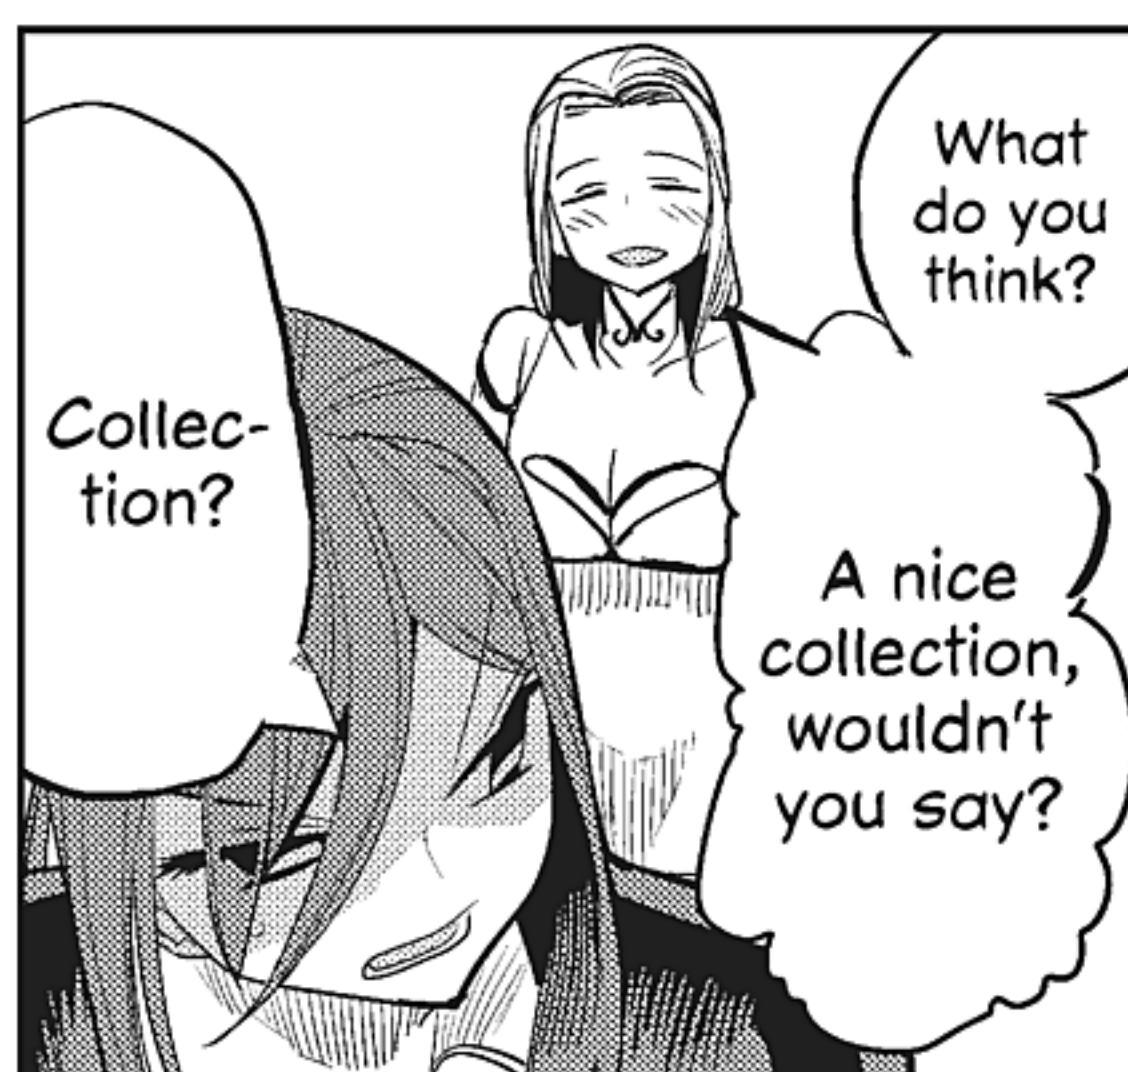

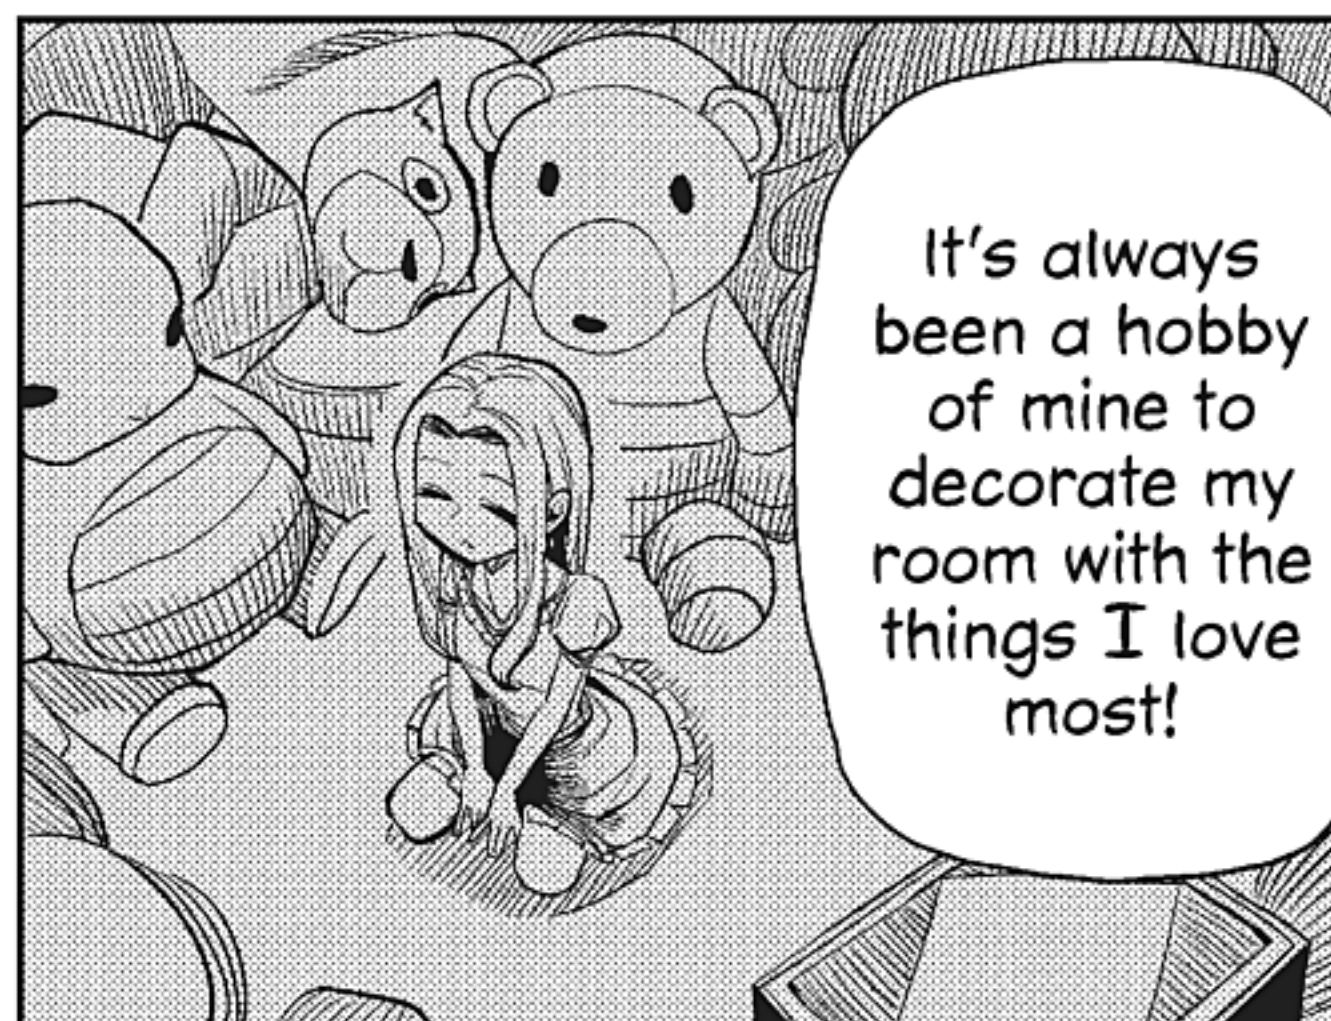

I was unaware, as I'd never been allowed out on my own.

It's always been a hobby of mine to decorate my room with the things I love most!

That's when I made my decision!

...I found out...

...there are a lot of handsome men in the world!

Hee hee!

That's simply stupid!

Humans aren't stuffed animals!

GANCH!

How can you stop me as you are now?

Kh!

And *this* is the result?

I needed a collection of handsome men!!

...you
could never
challenge
this many
of my
men.

I mean,
even if you
weren't
drunk...

You're
blessed with
a fortune.
And it's just
made you the
embodiment
of selfish-
ness.

Scream
for help all
you like.
No one will
come!!

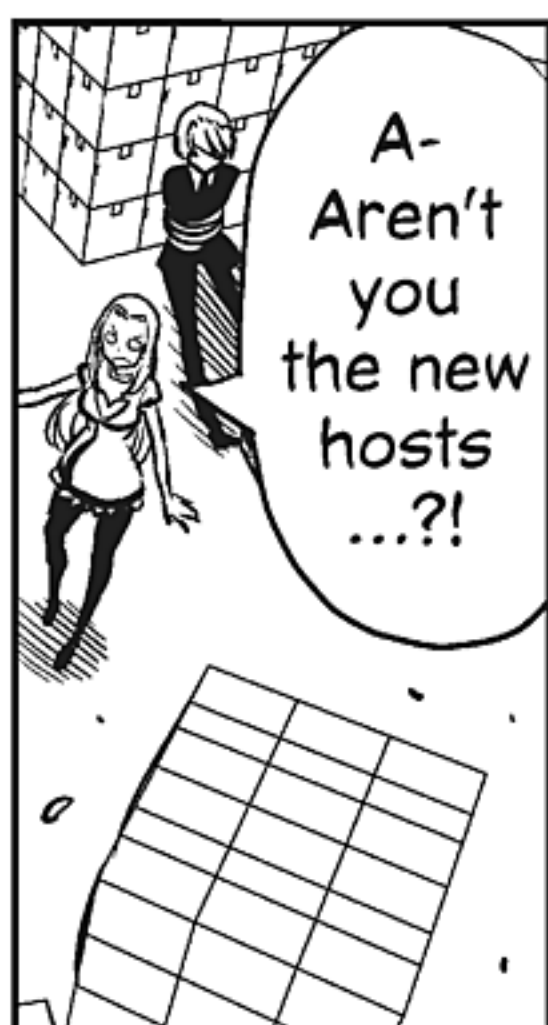

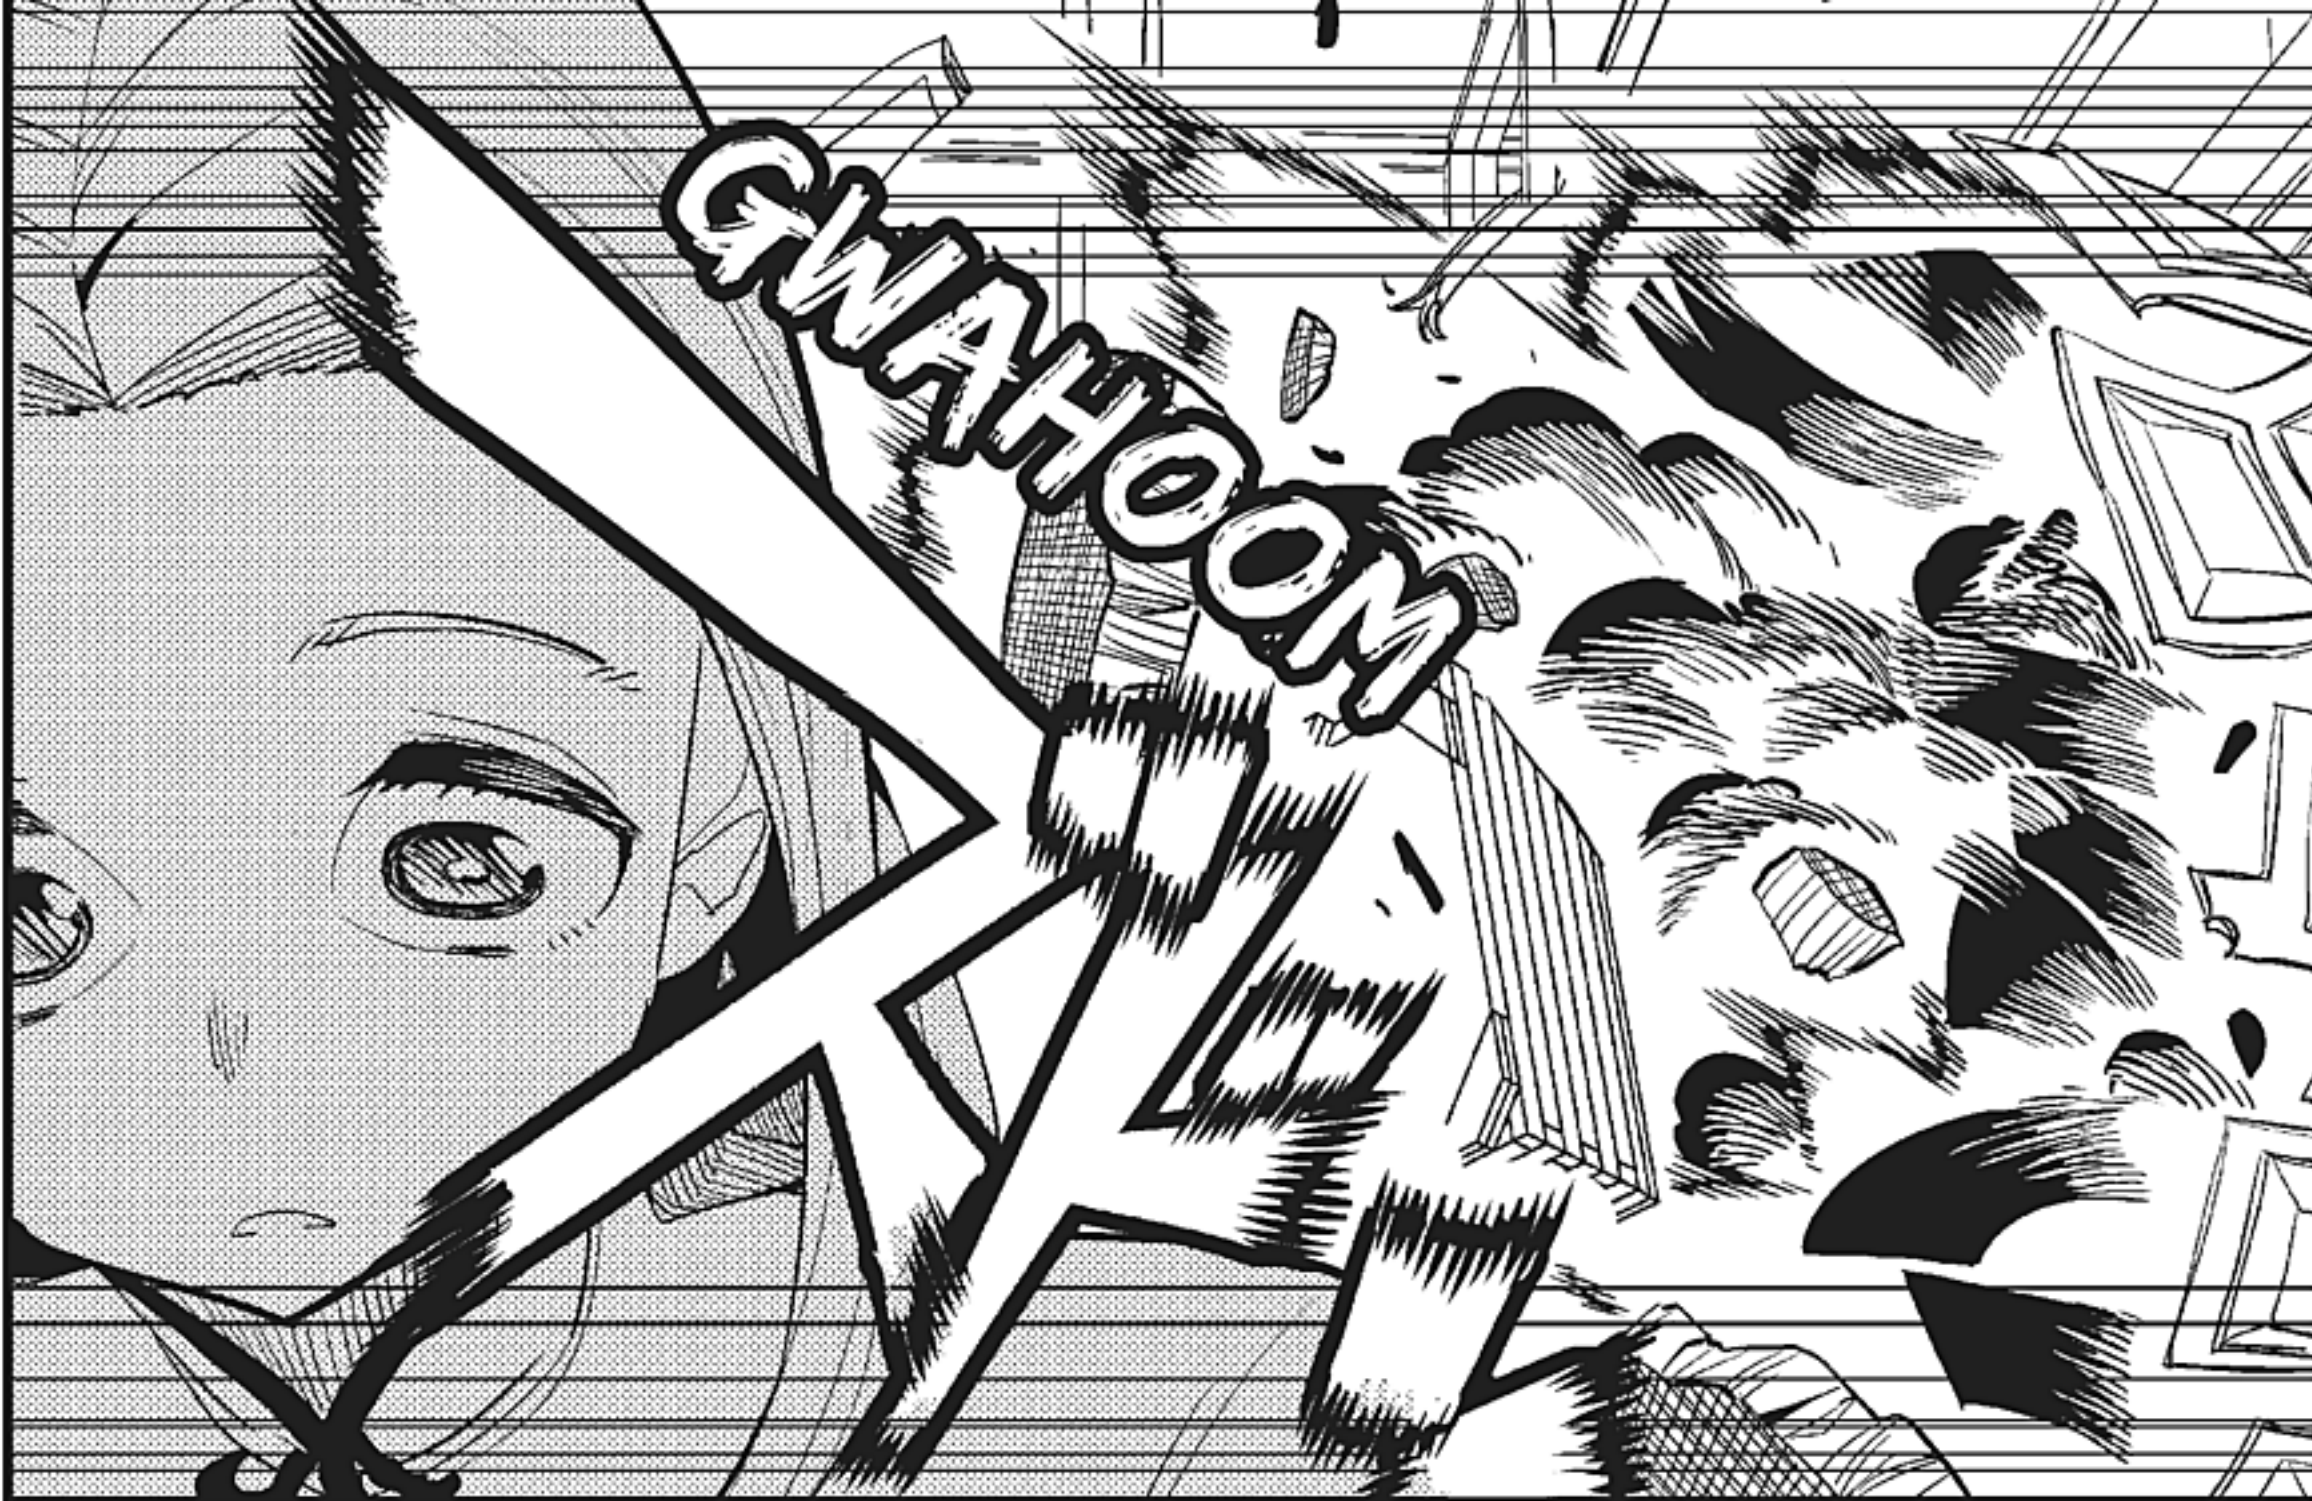

This building
is perfectly
soundproofed.

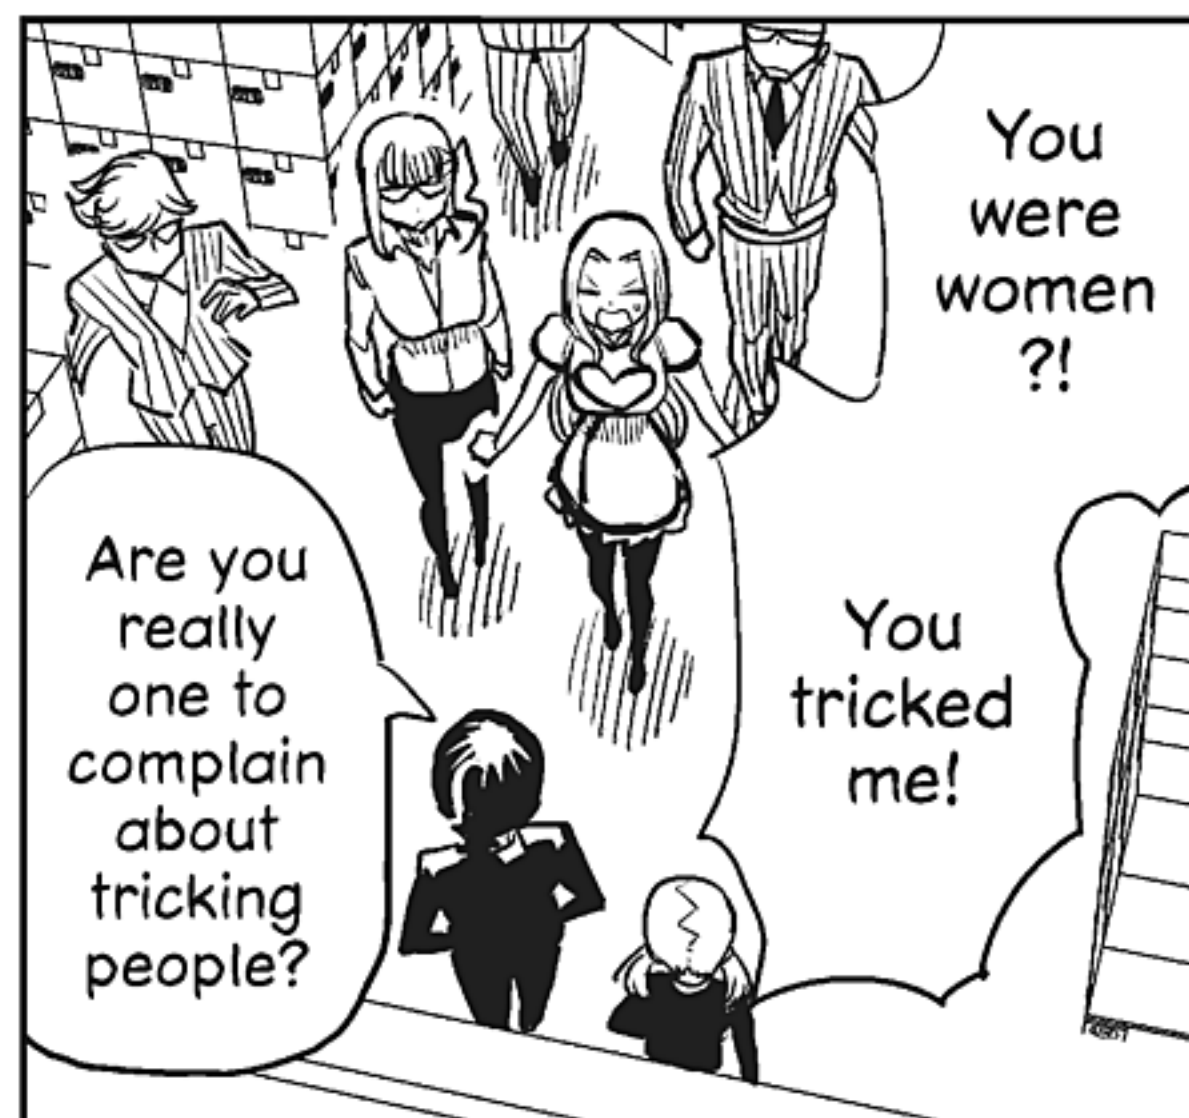

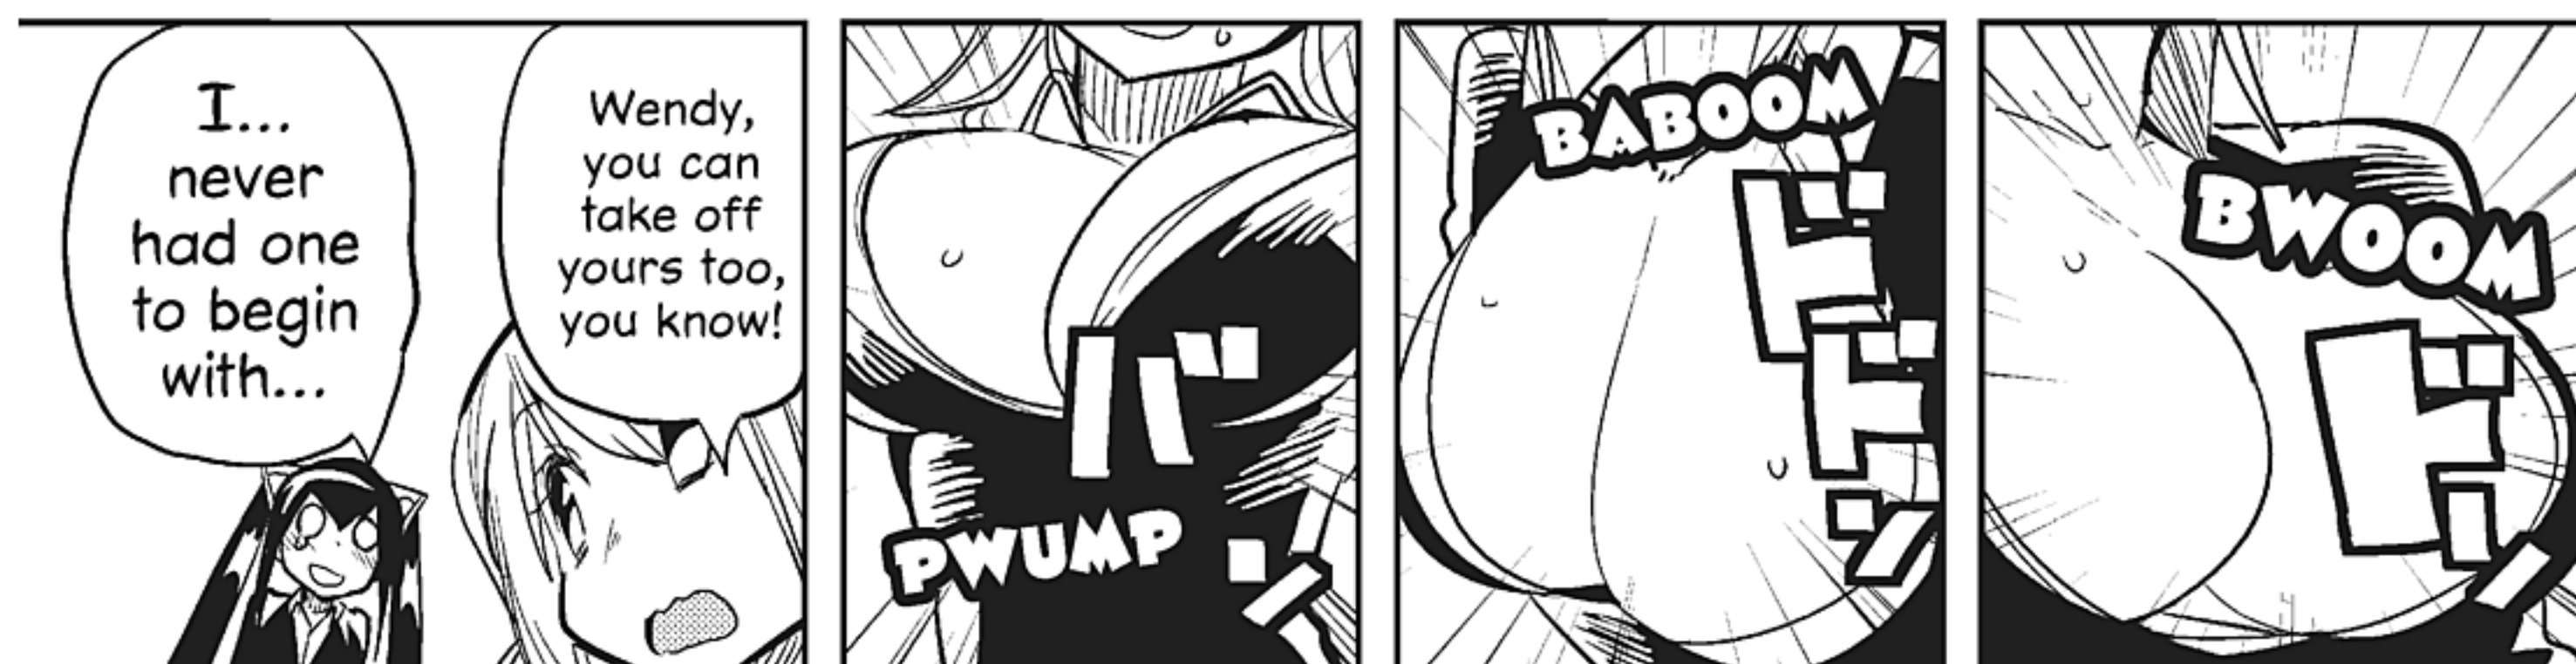

Hm?

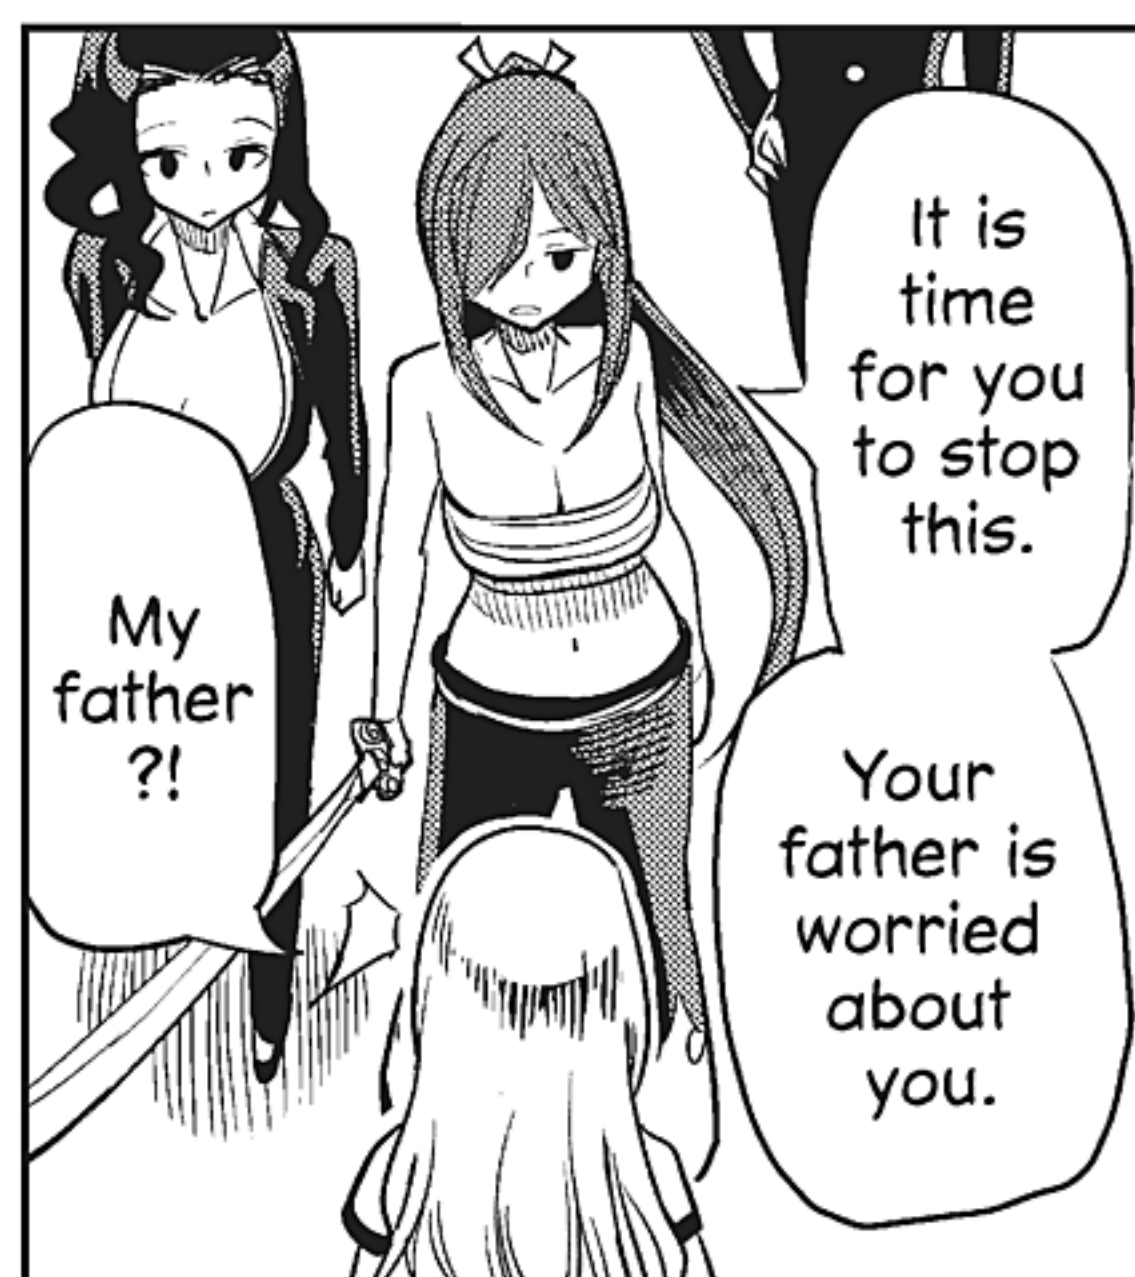

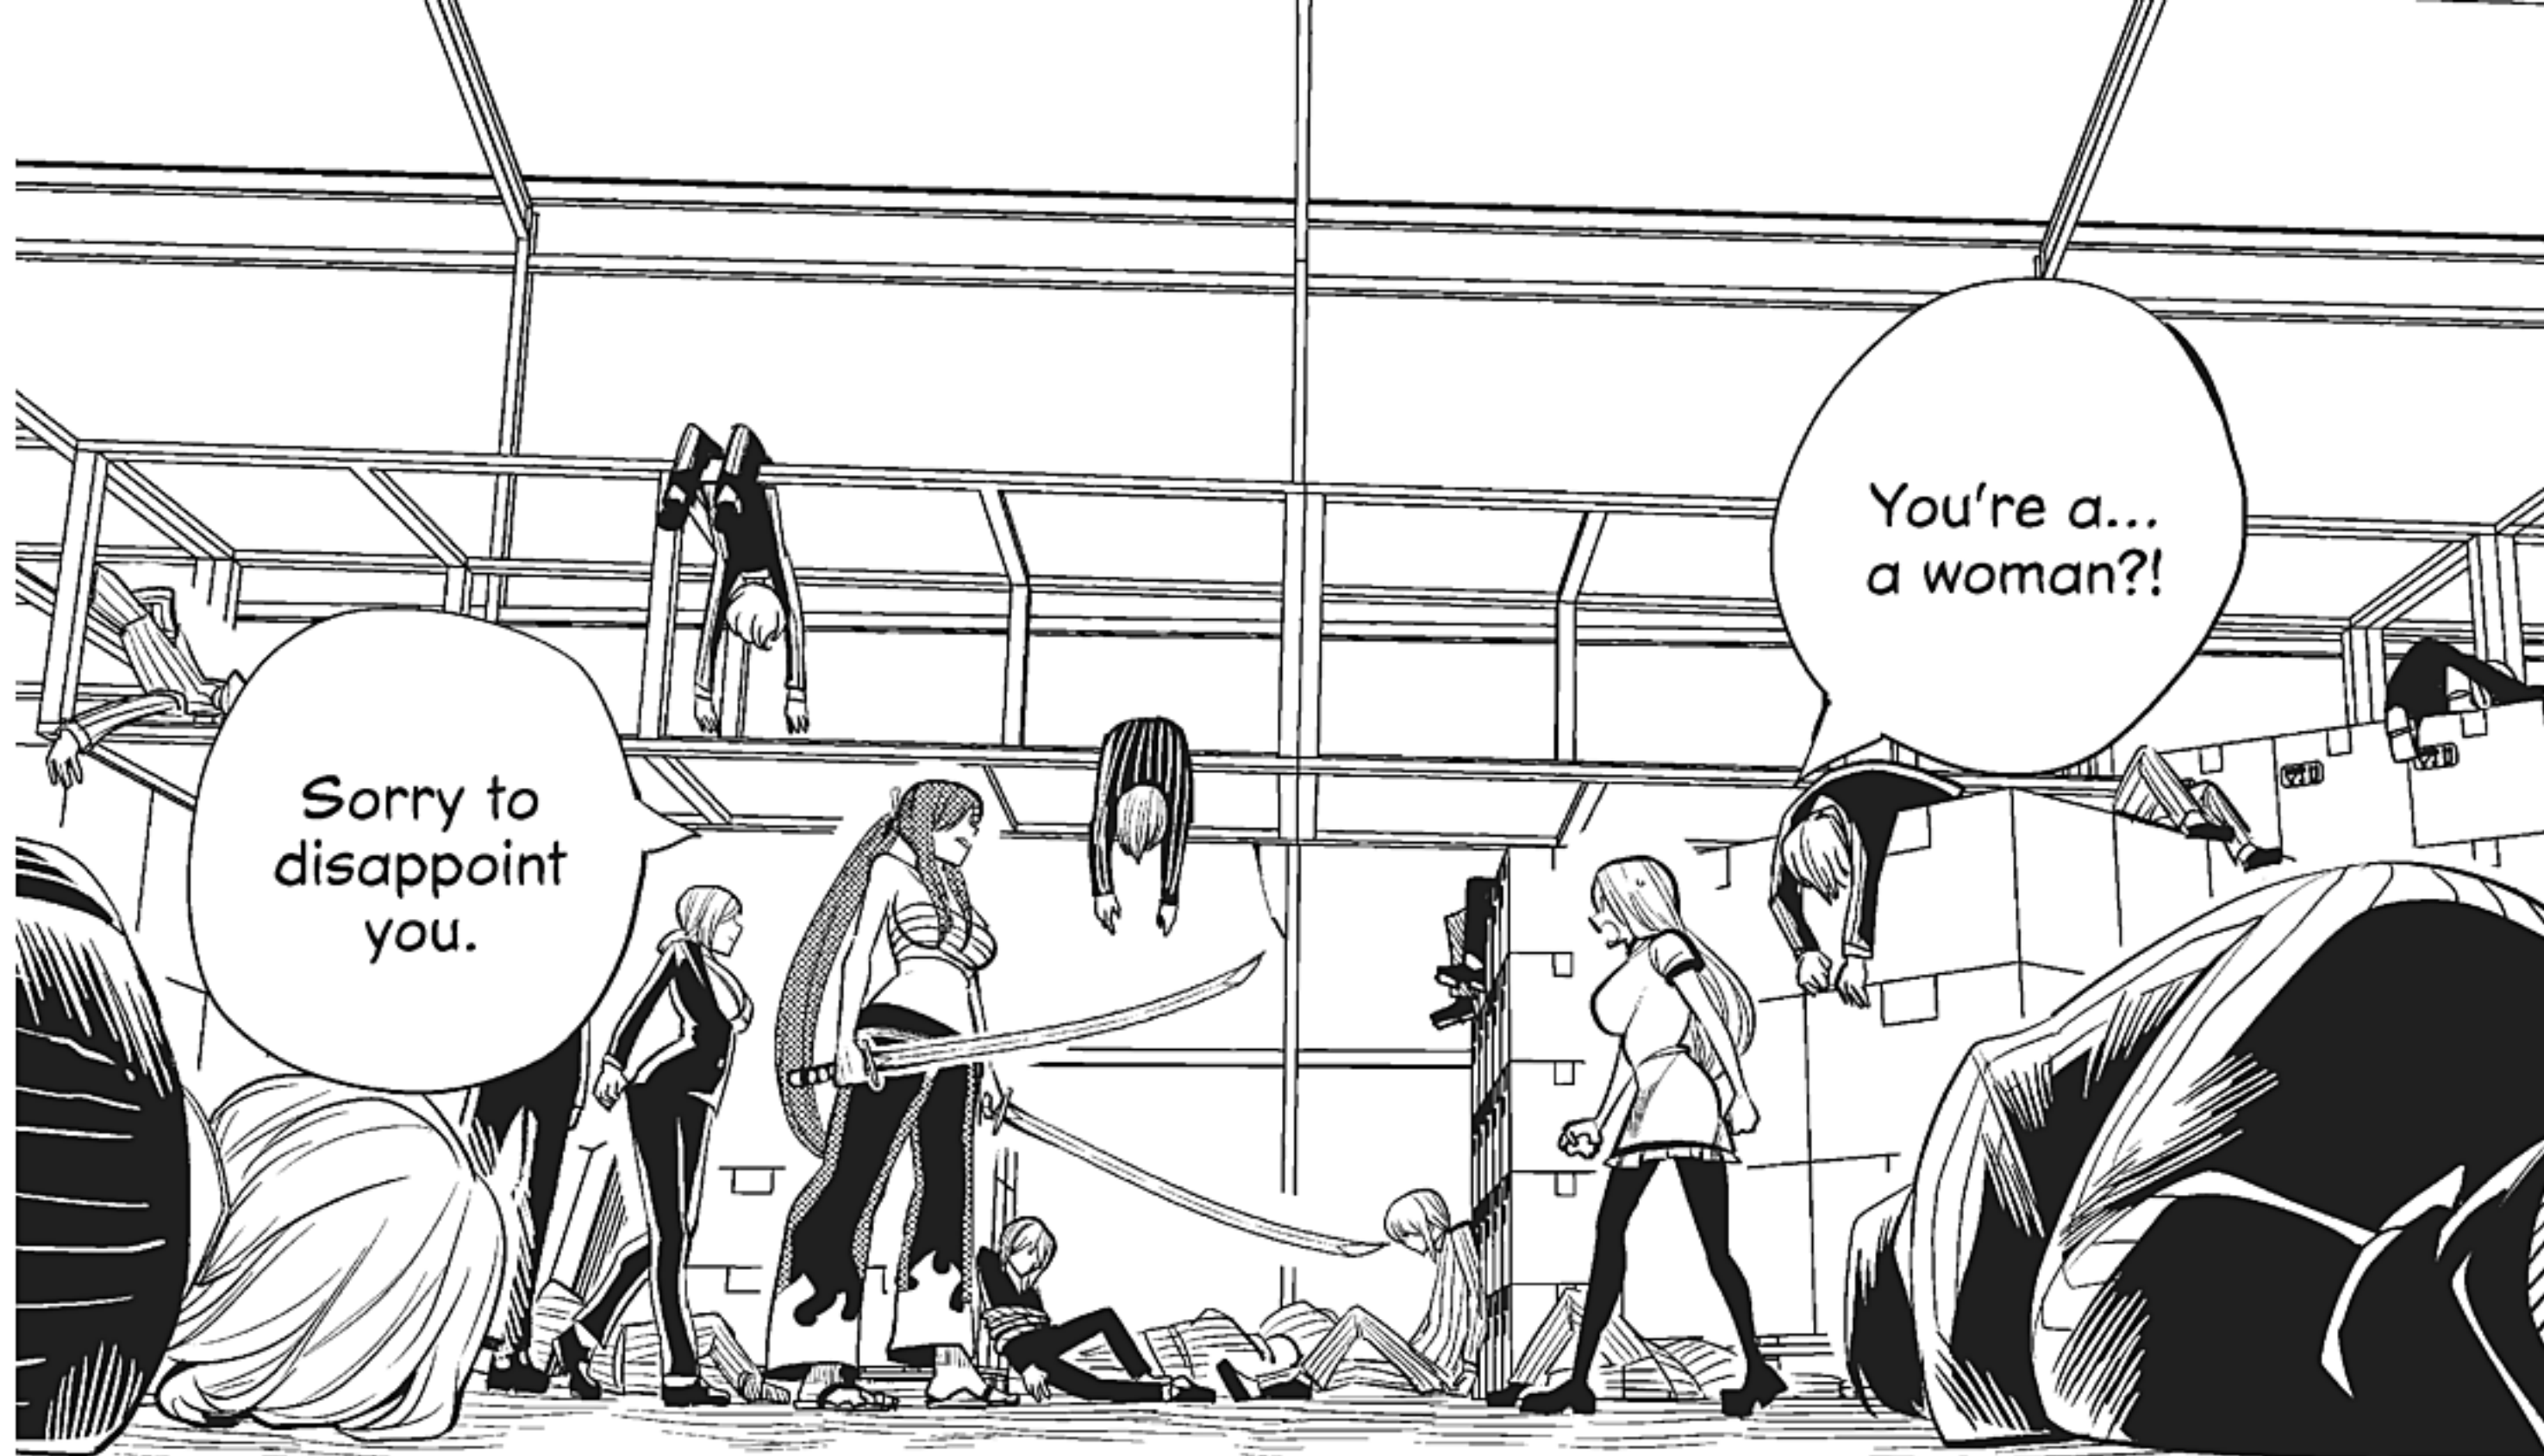

But
your self-
assurance
that nobody
will come
to help
was *your*
miscal-
culation.

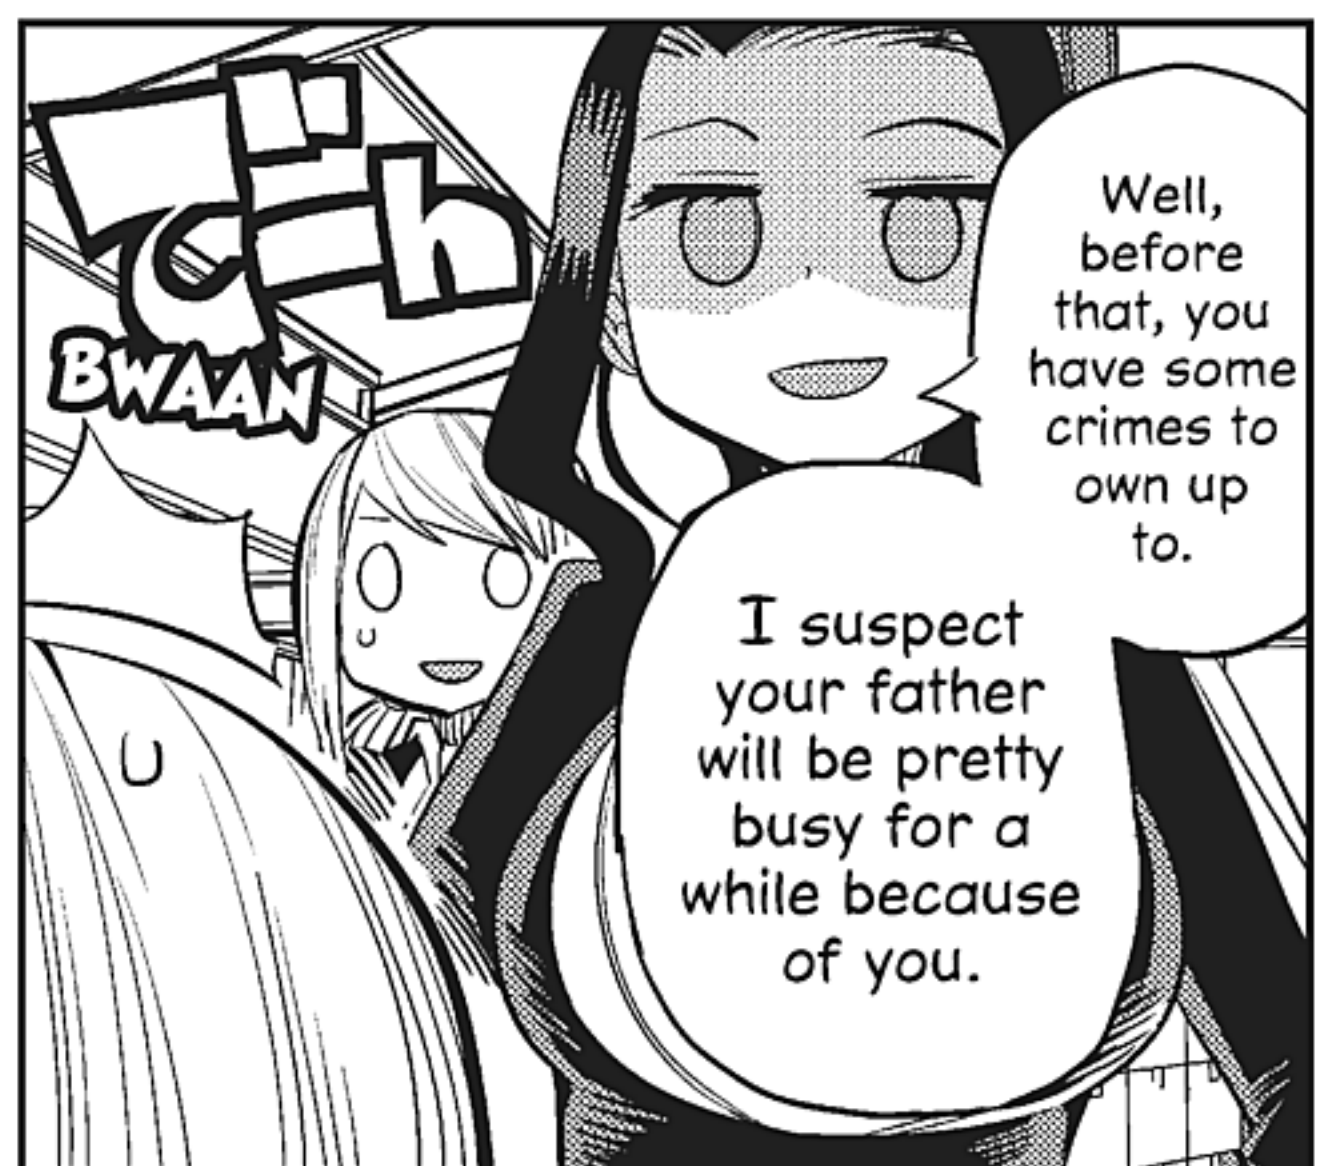

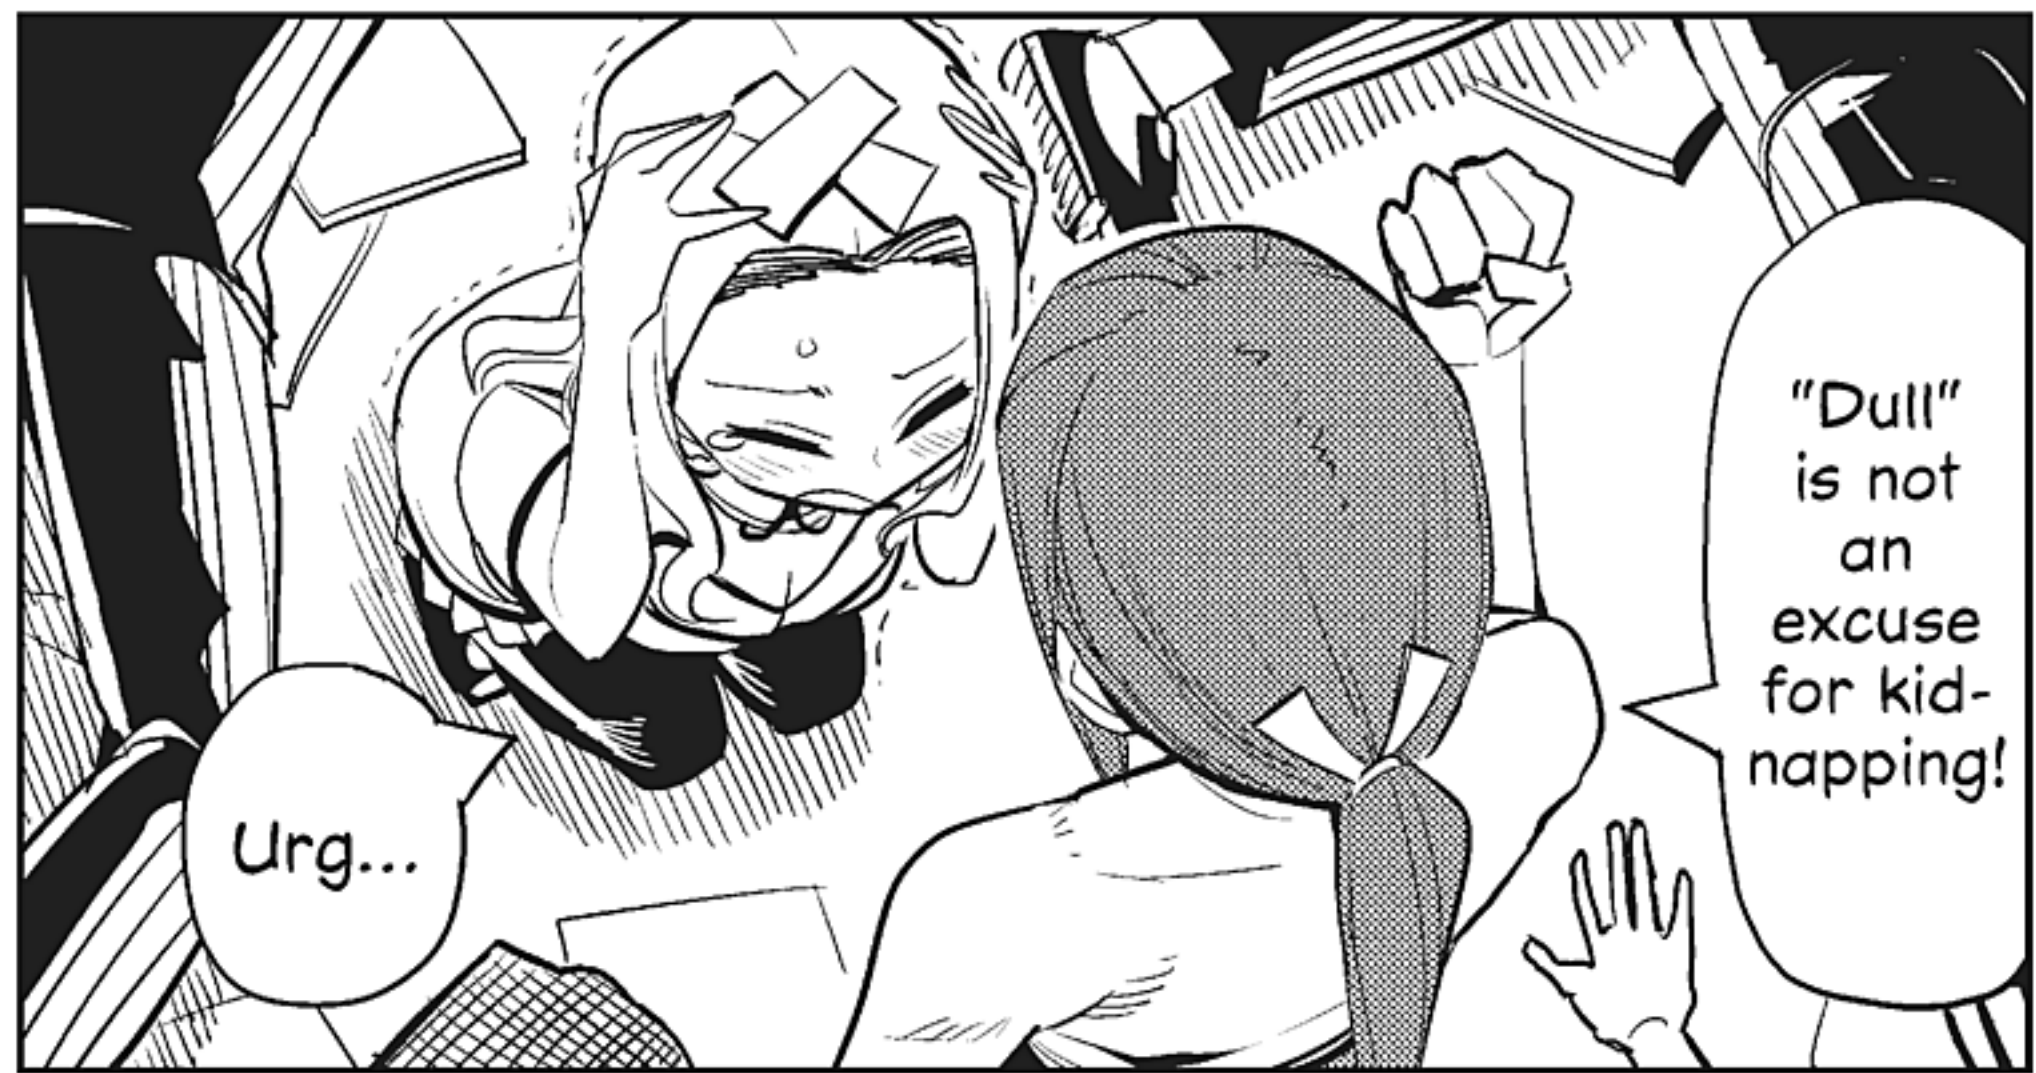

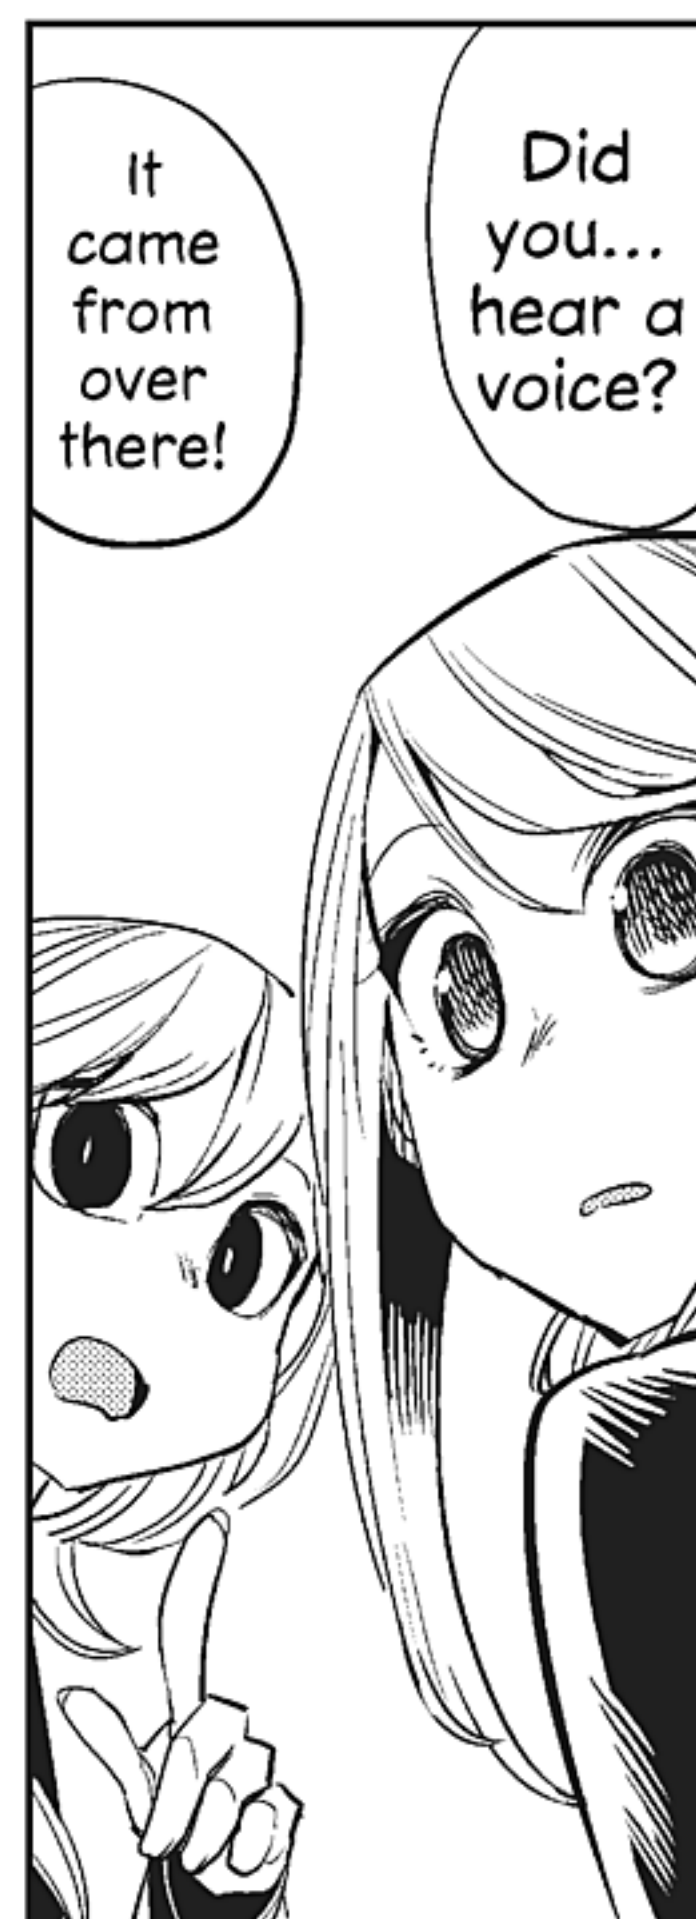

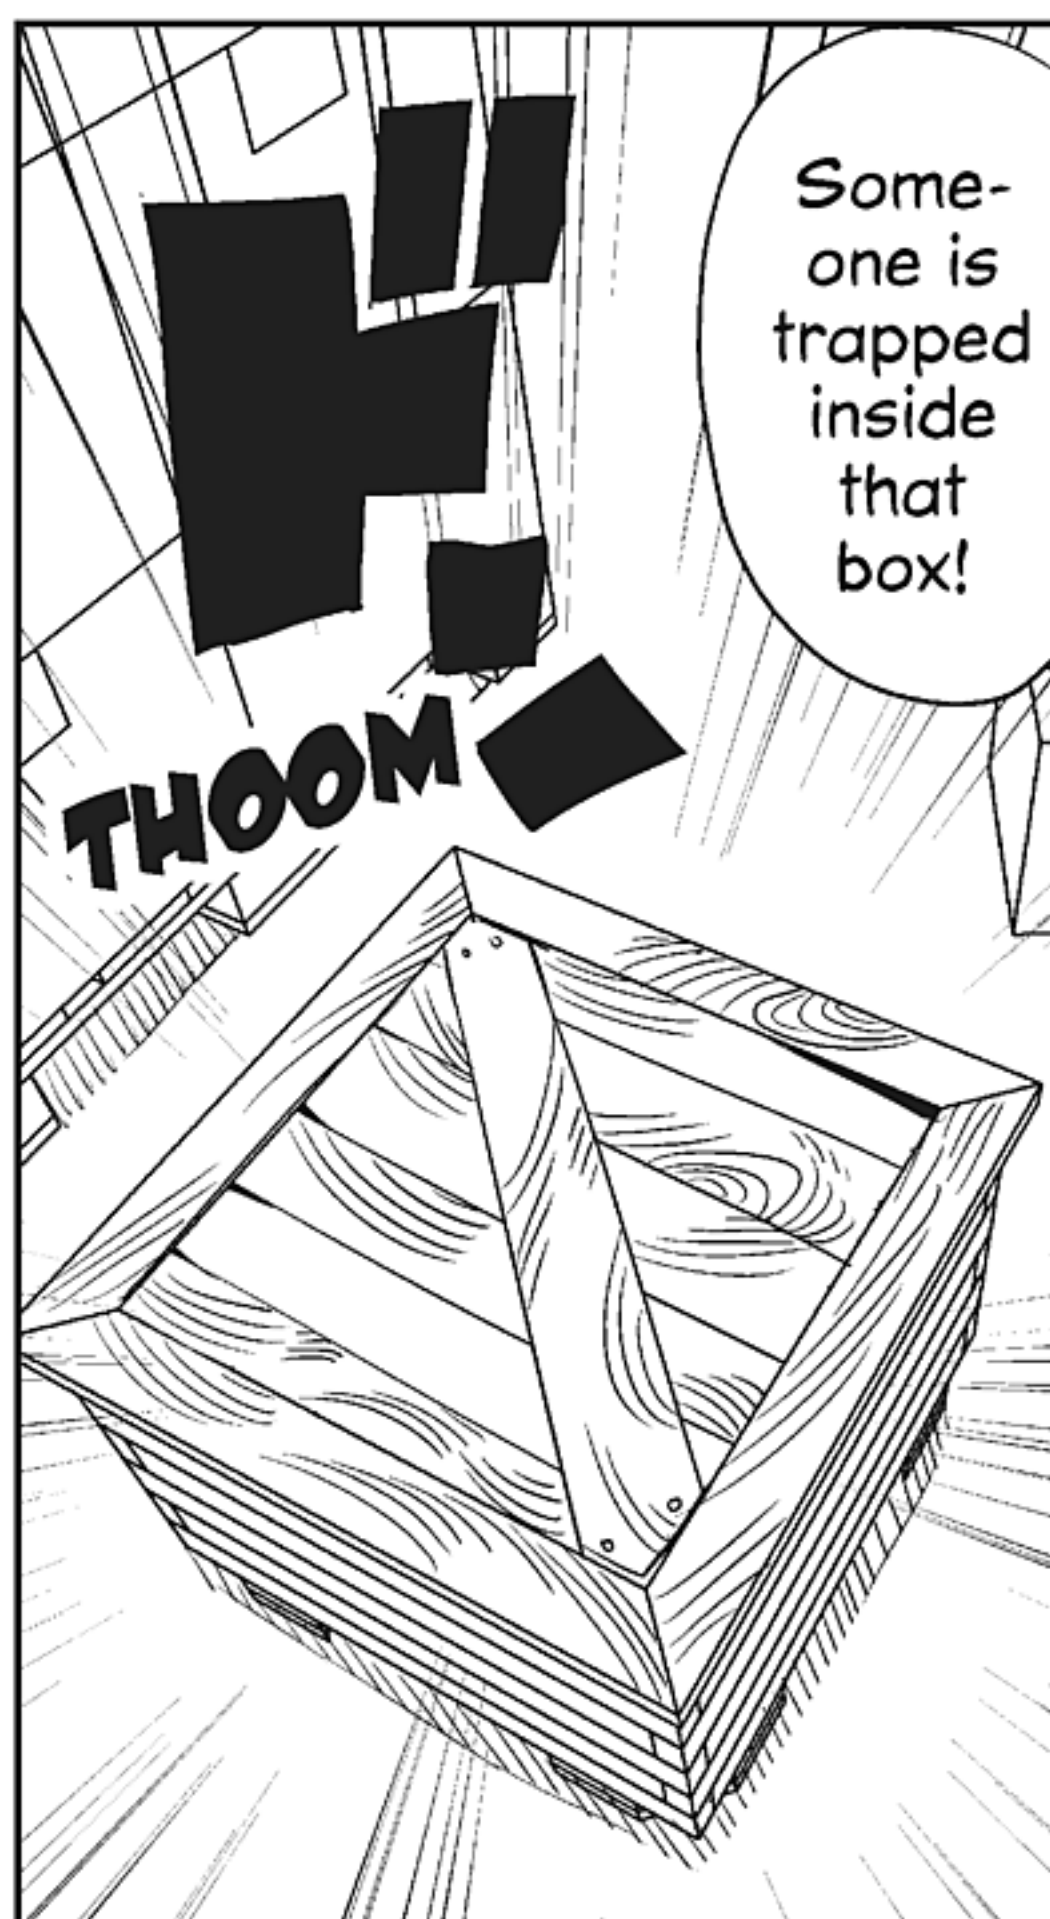

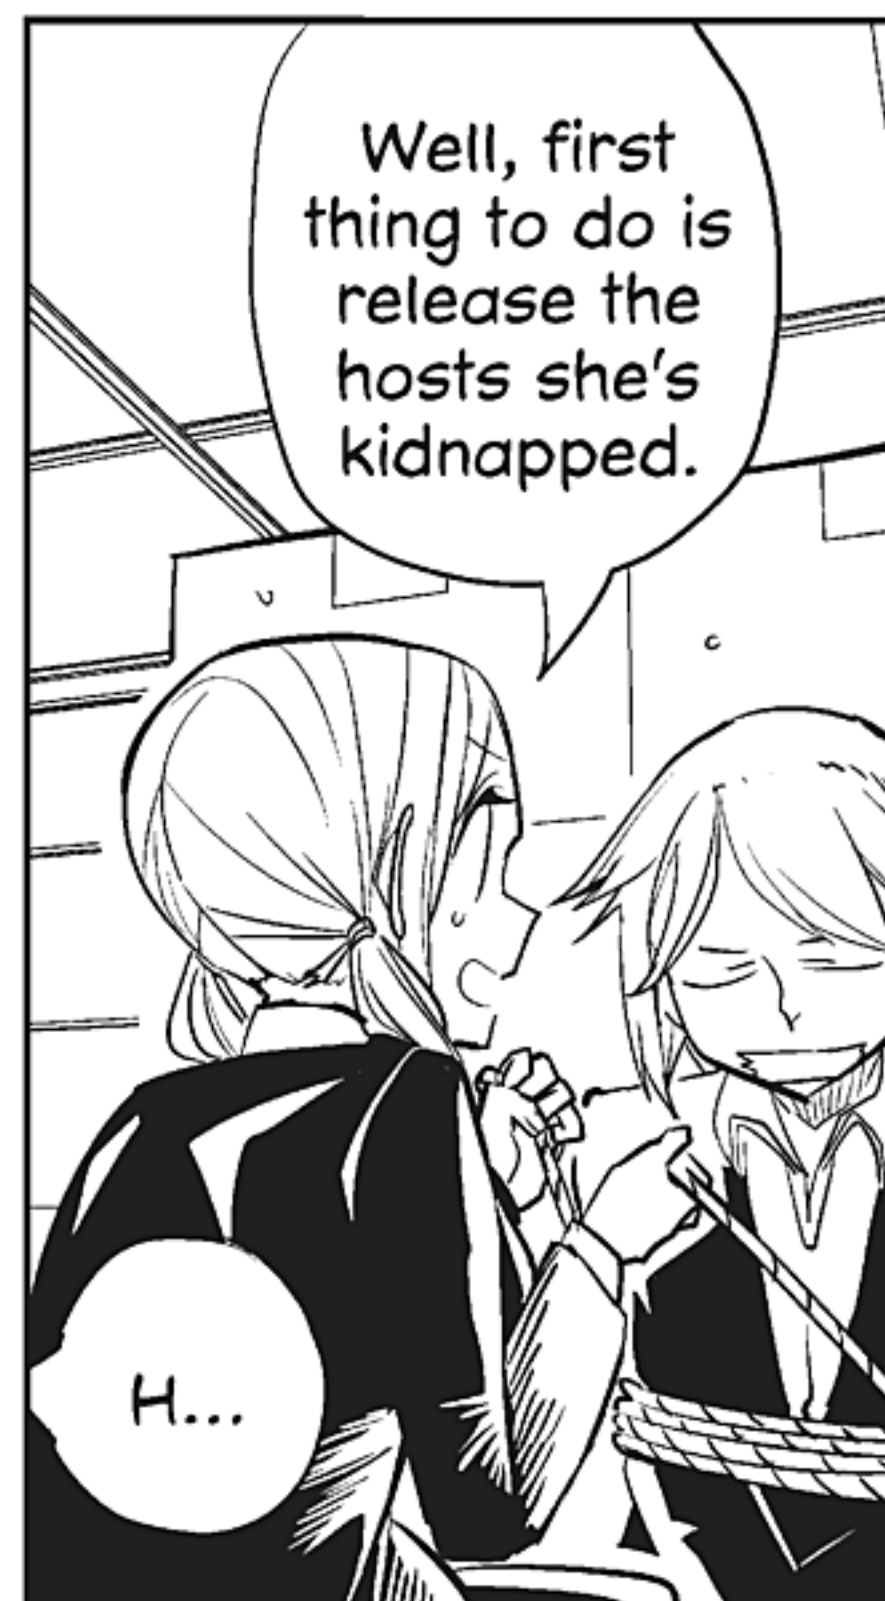

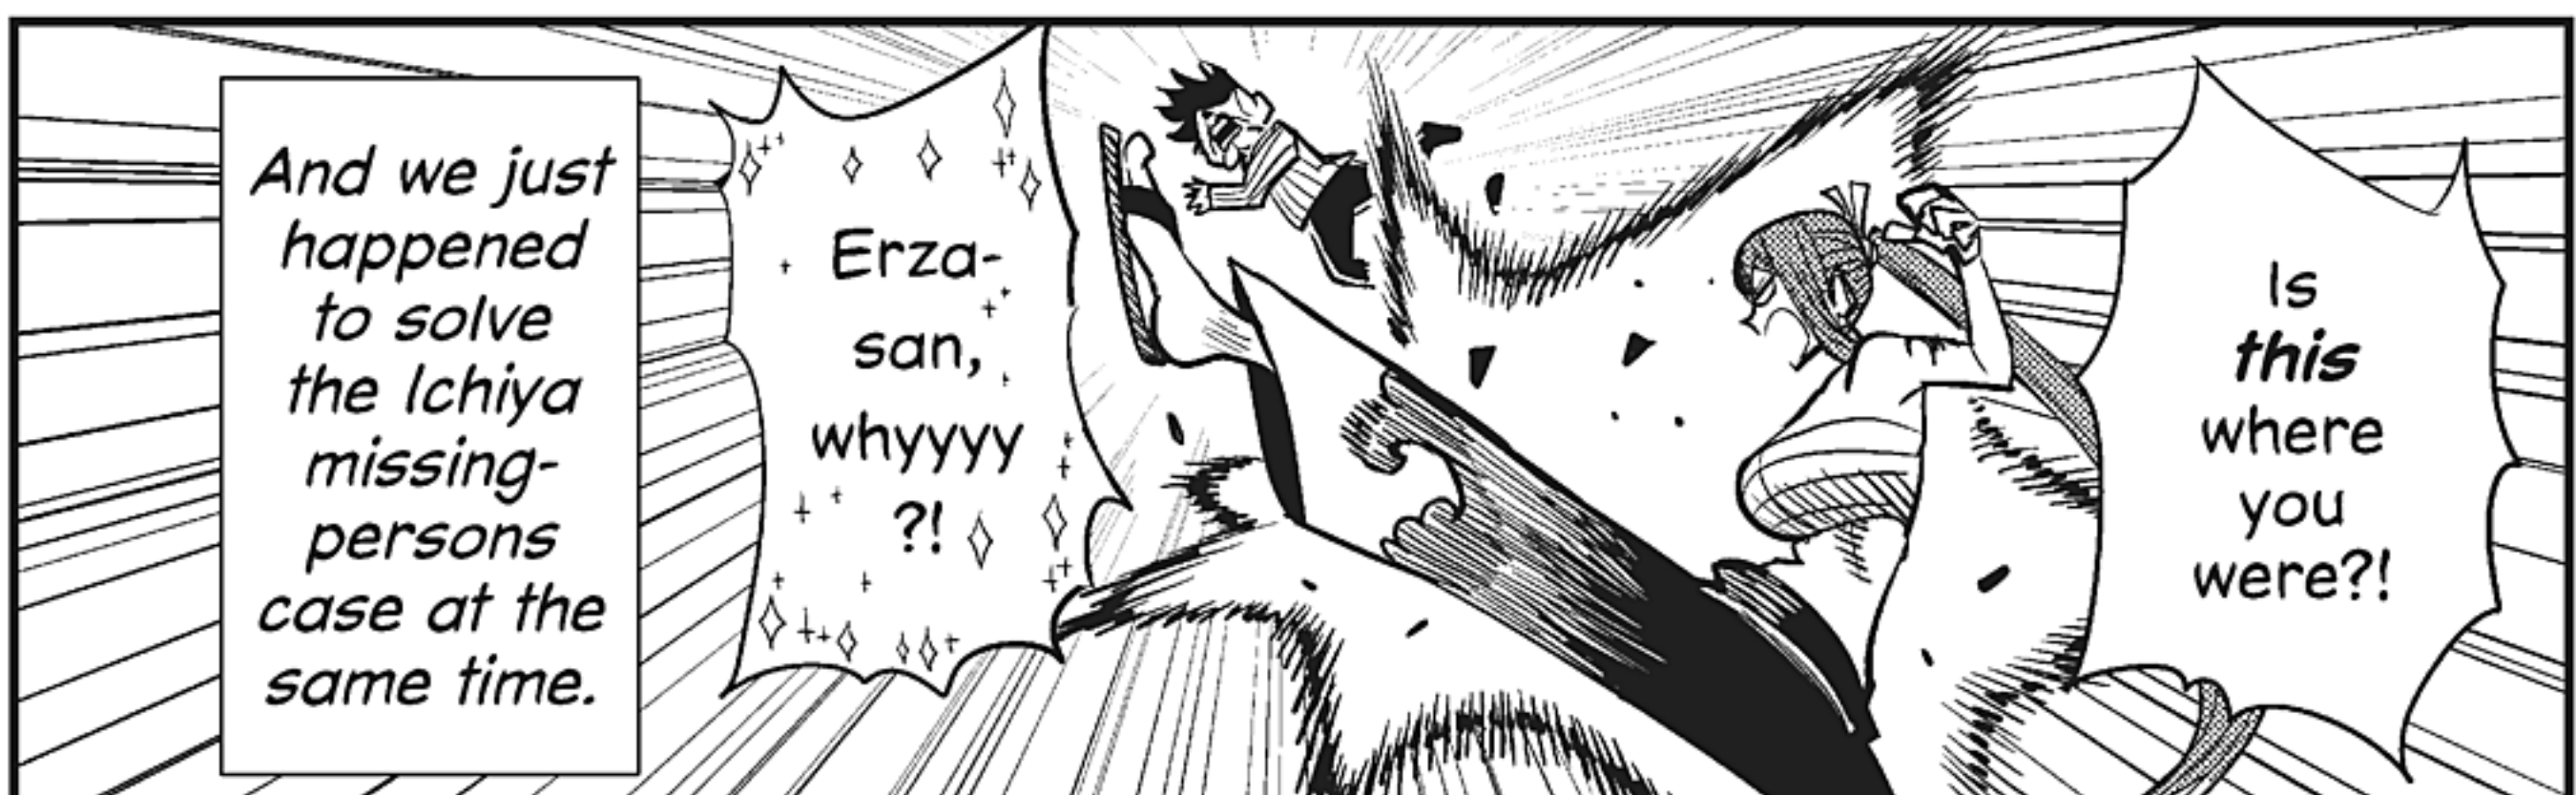

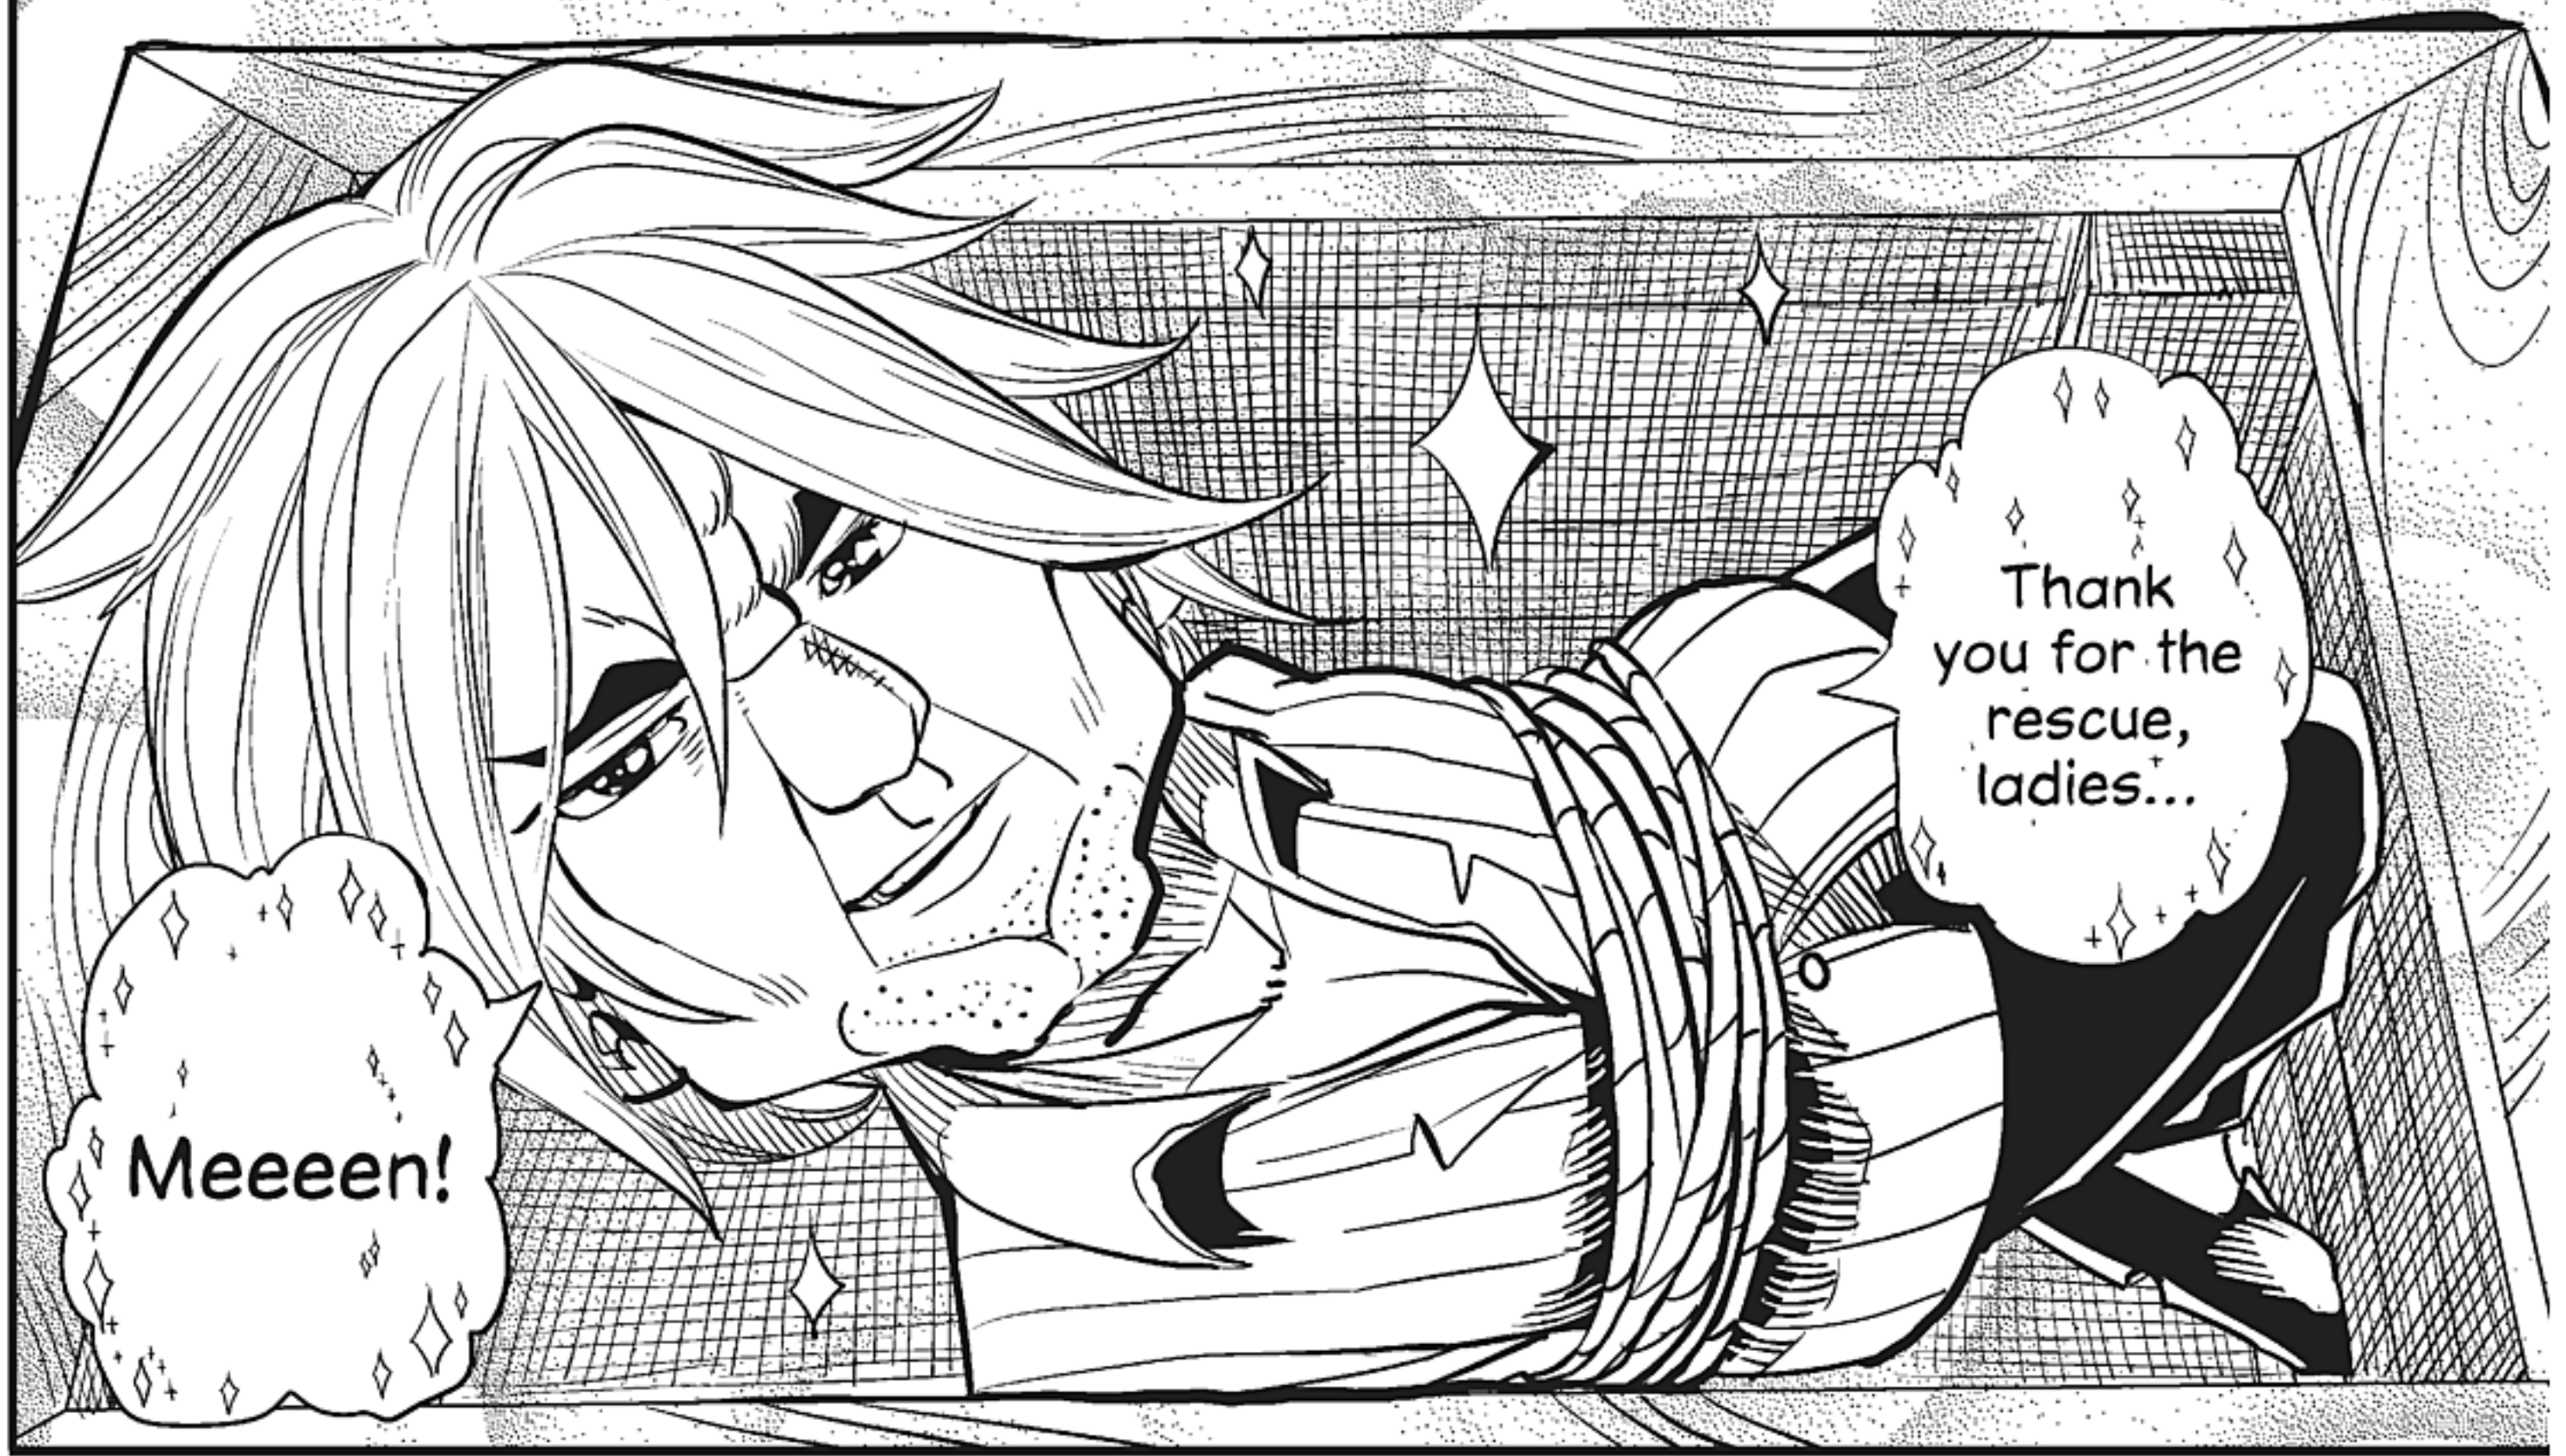

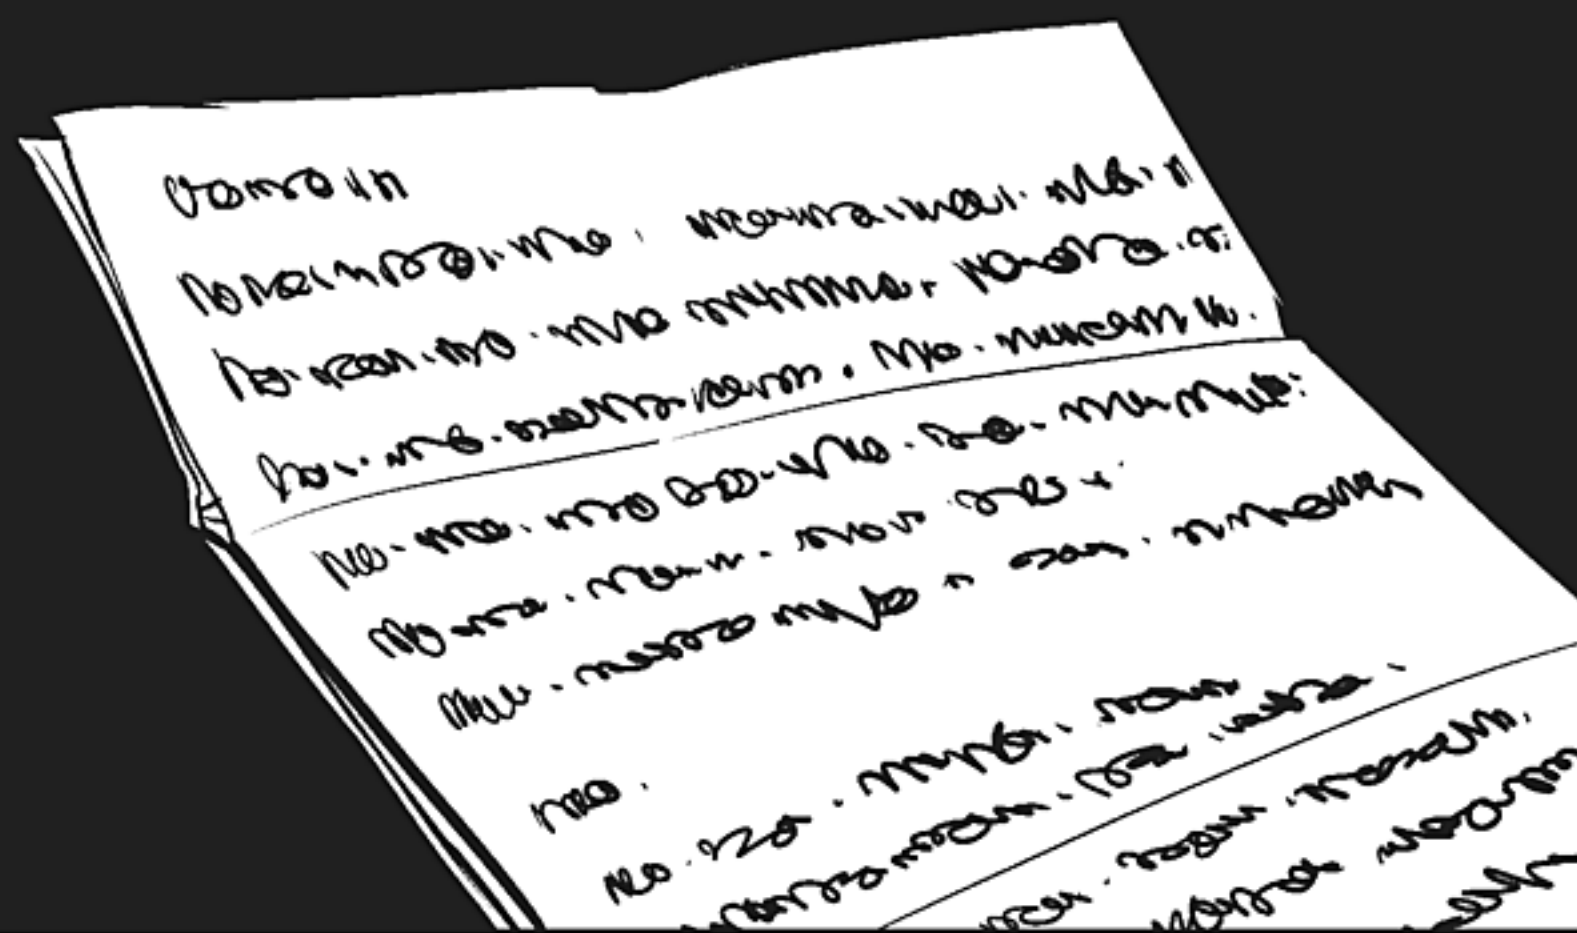

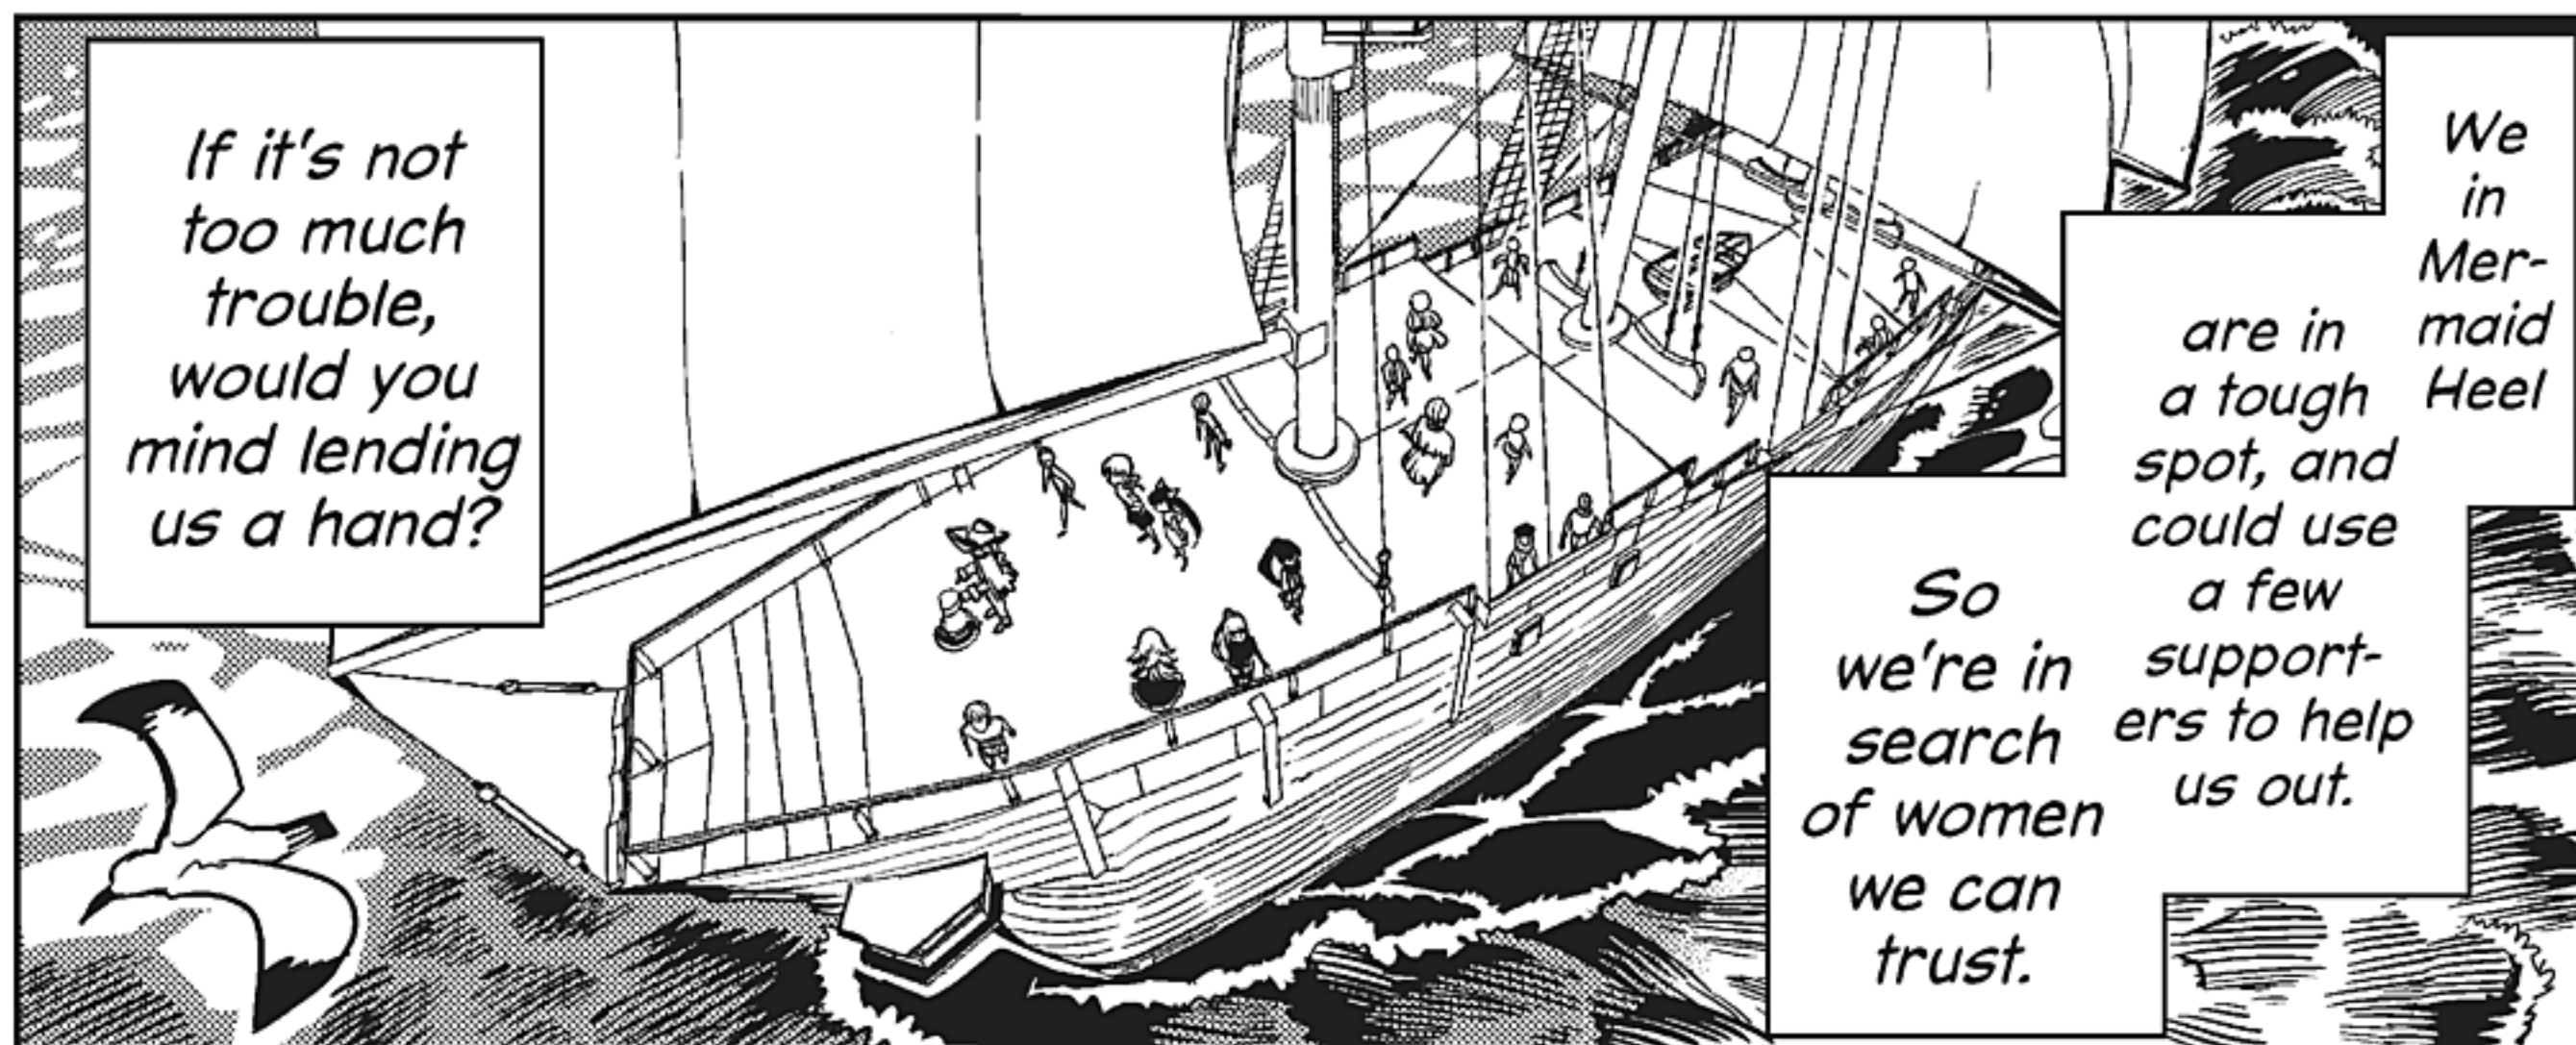

Thank
you for
helping us
during the
Grand
Magic
Games.

Dear
everyone
at Fairy
Tail...

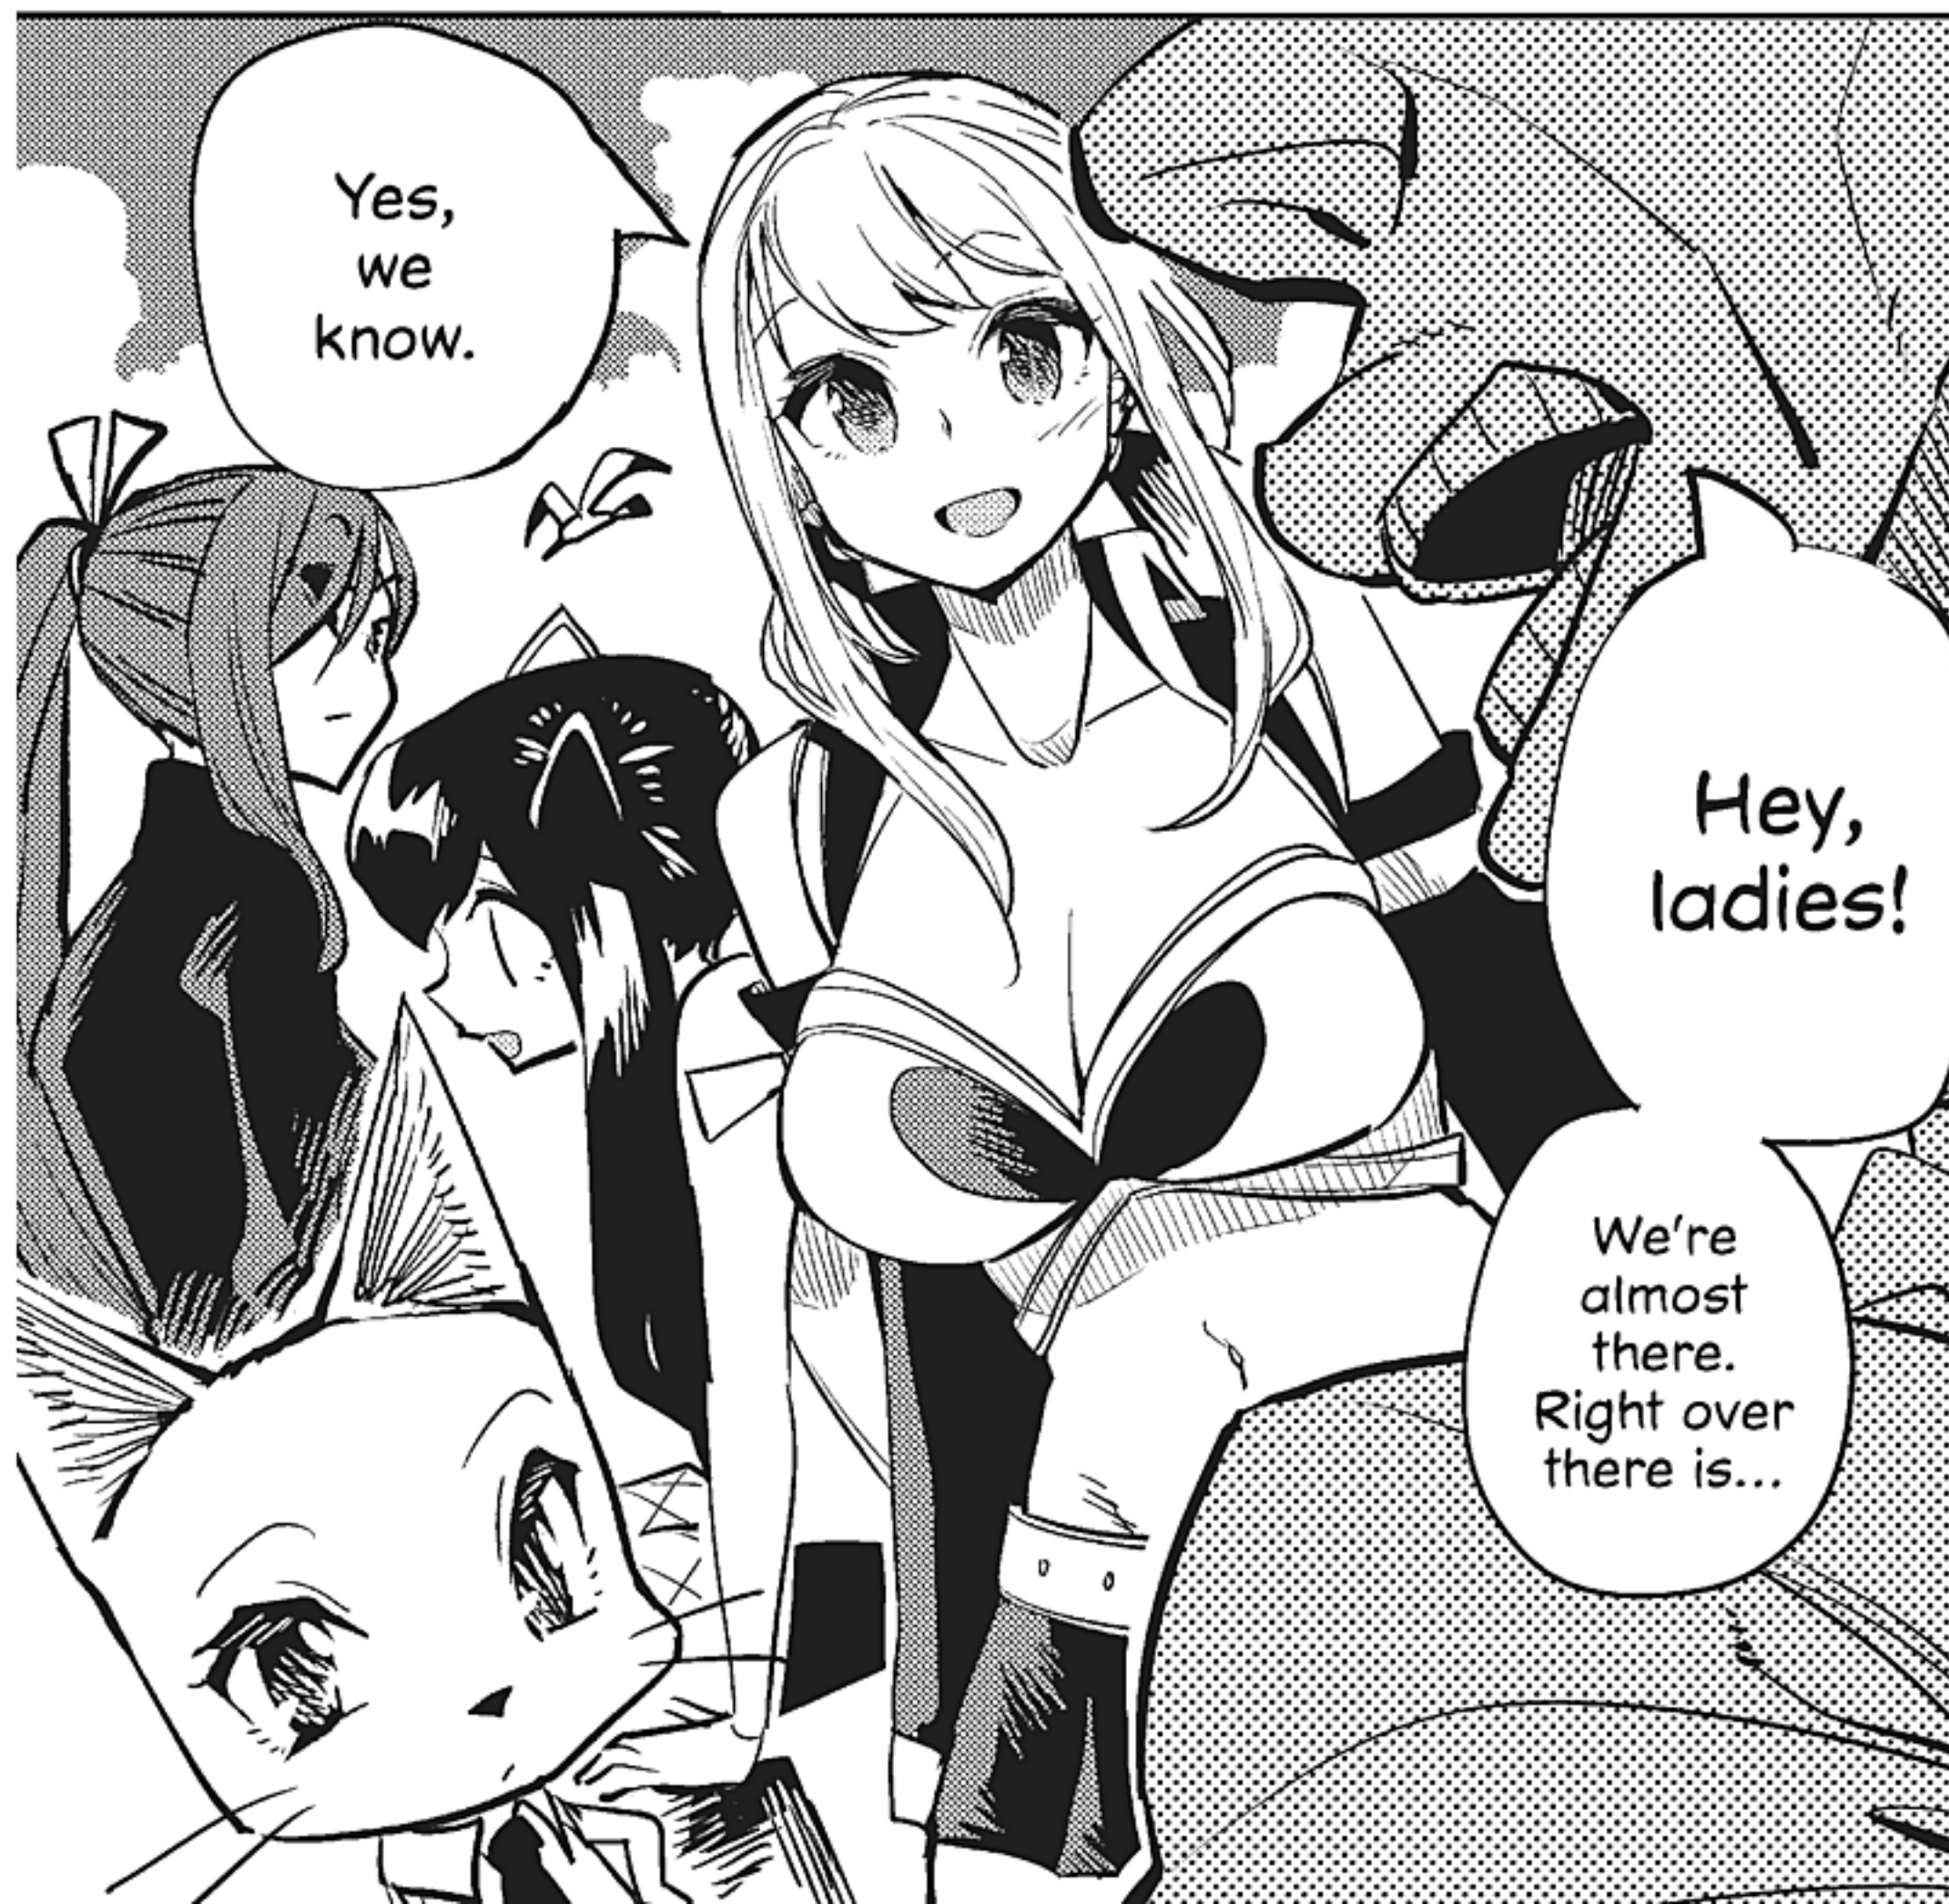

If it's not
too much
trouble,
would you
mind lending
us a hand?

We
in
Mer-
maid
Heel
are in
a tough
spot, and
could use
a few
support-
ers to help
us out.

So
we're in
search
of women
we can
trust.

Yes,
we
know.

Hey,
ladies!

We're
almost
there.
Right over
there is...

The
sea's
calmer
than I
thought
it'd be.

Humph
!

FAIRY GIRLS

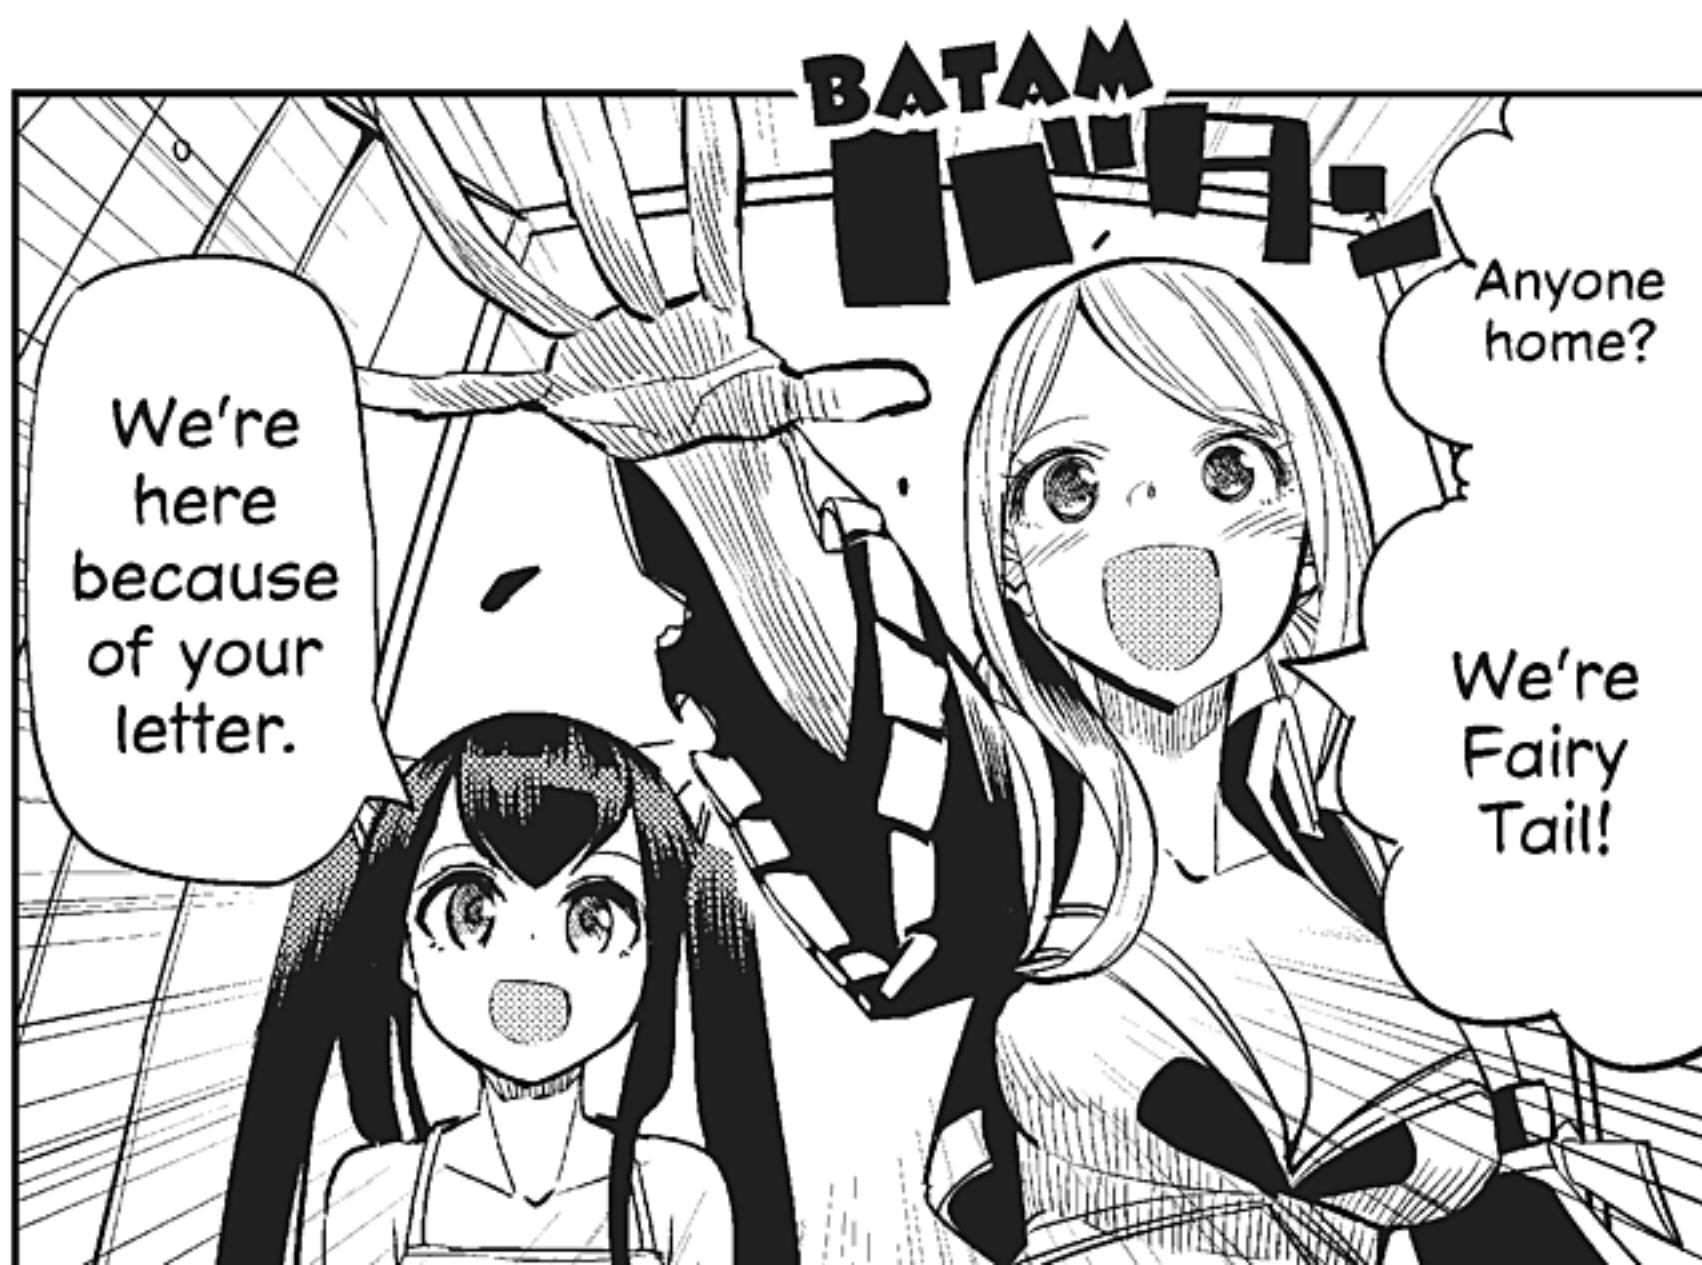

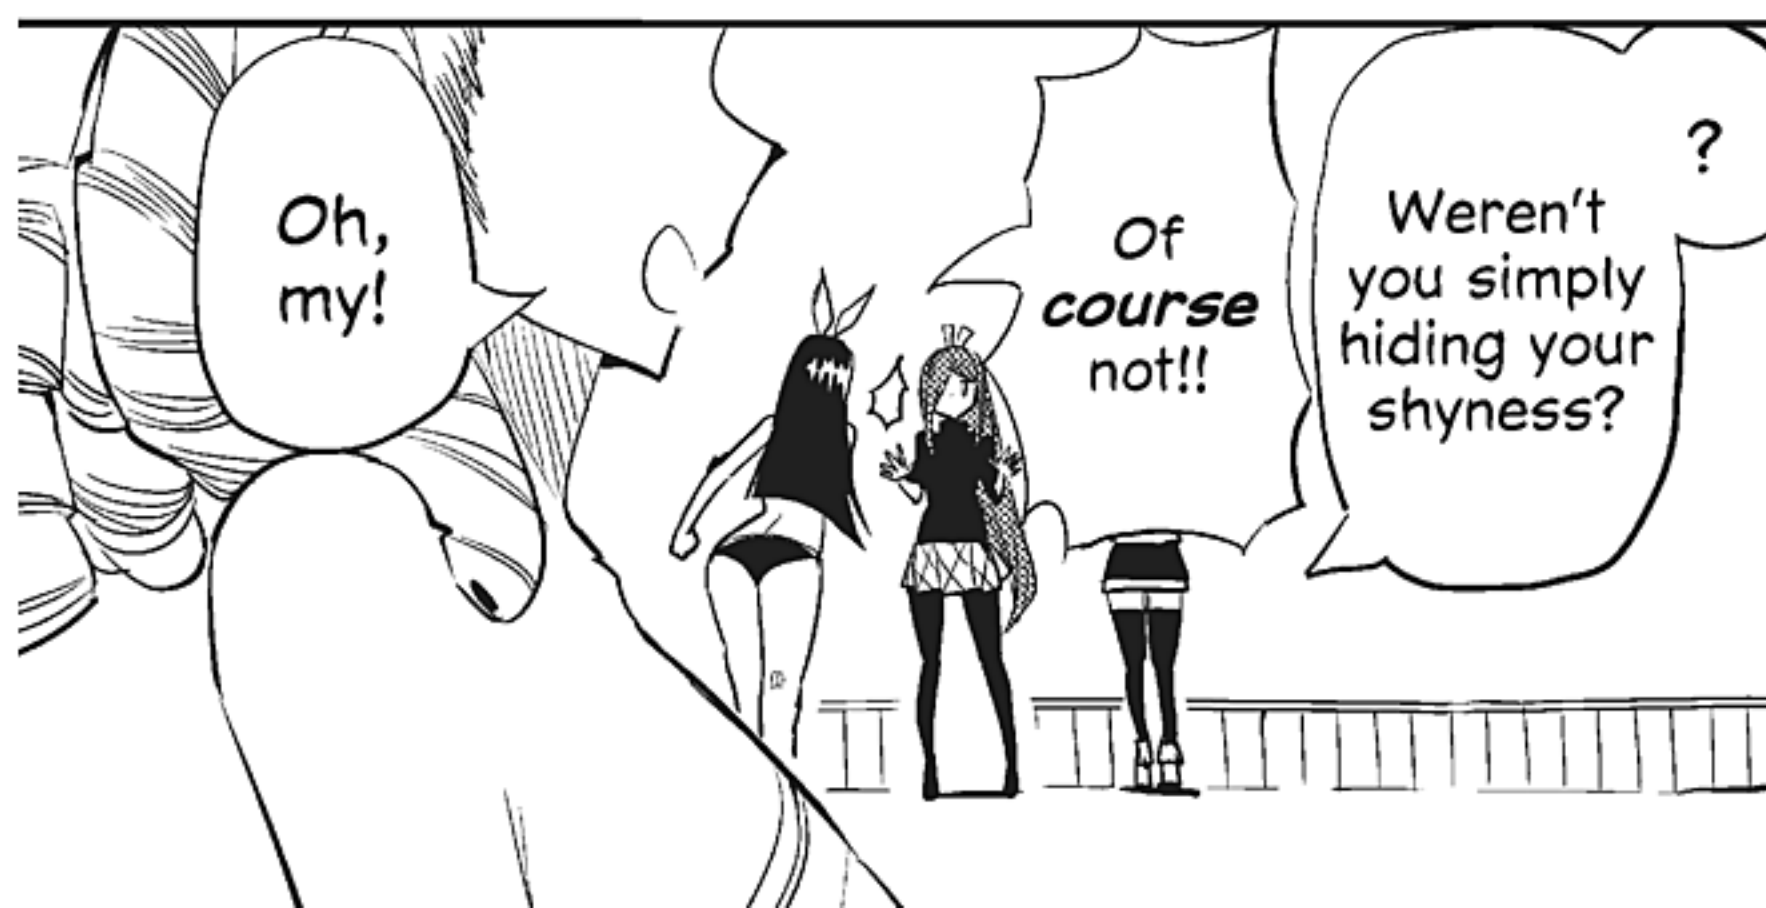

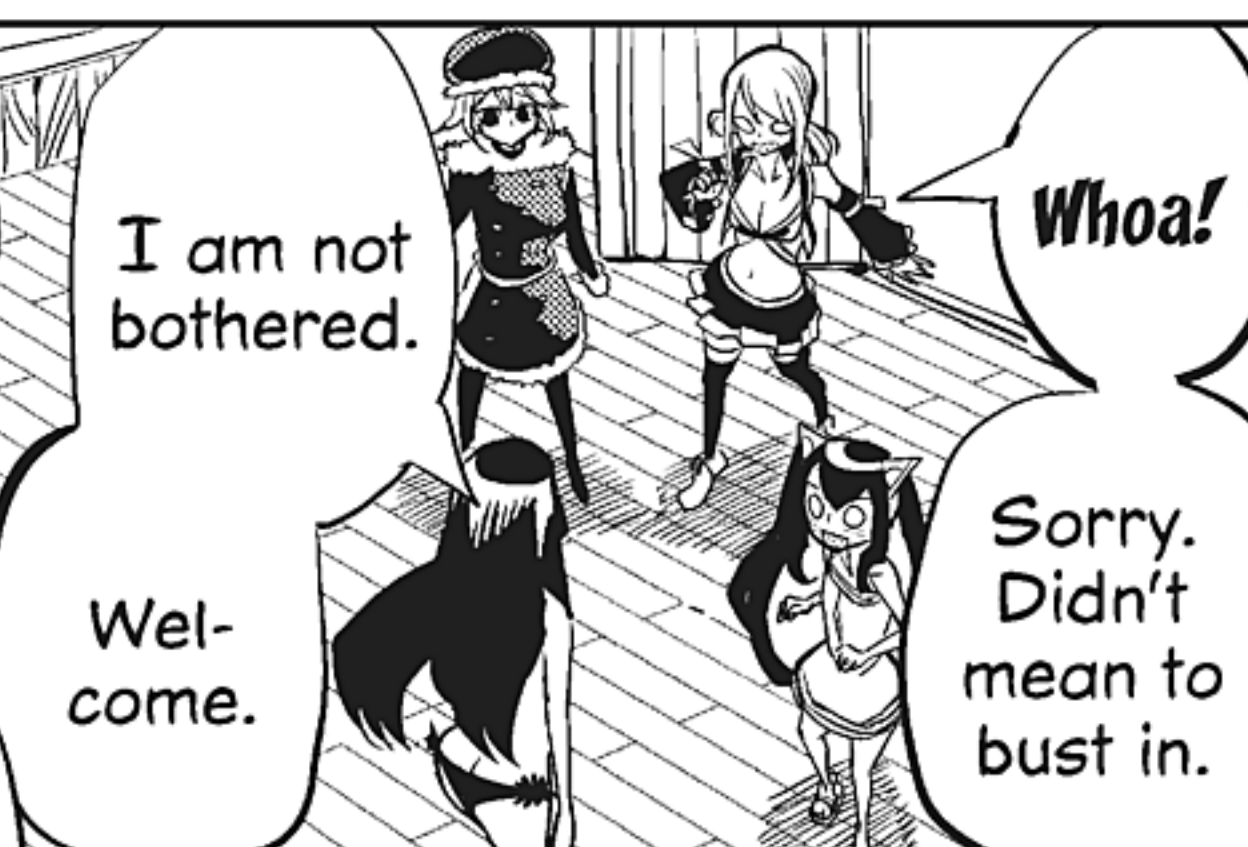

**Mermaid
Heel!**

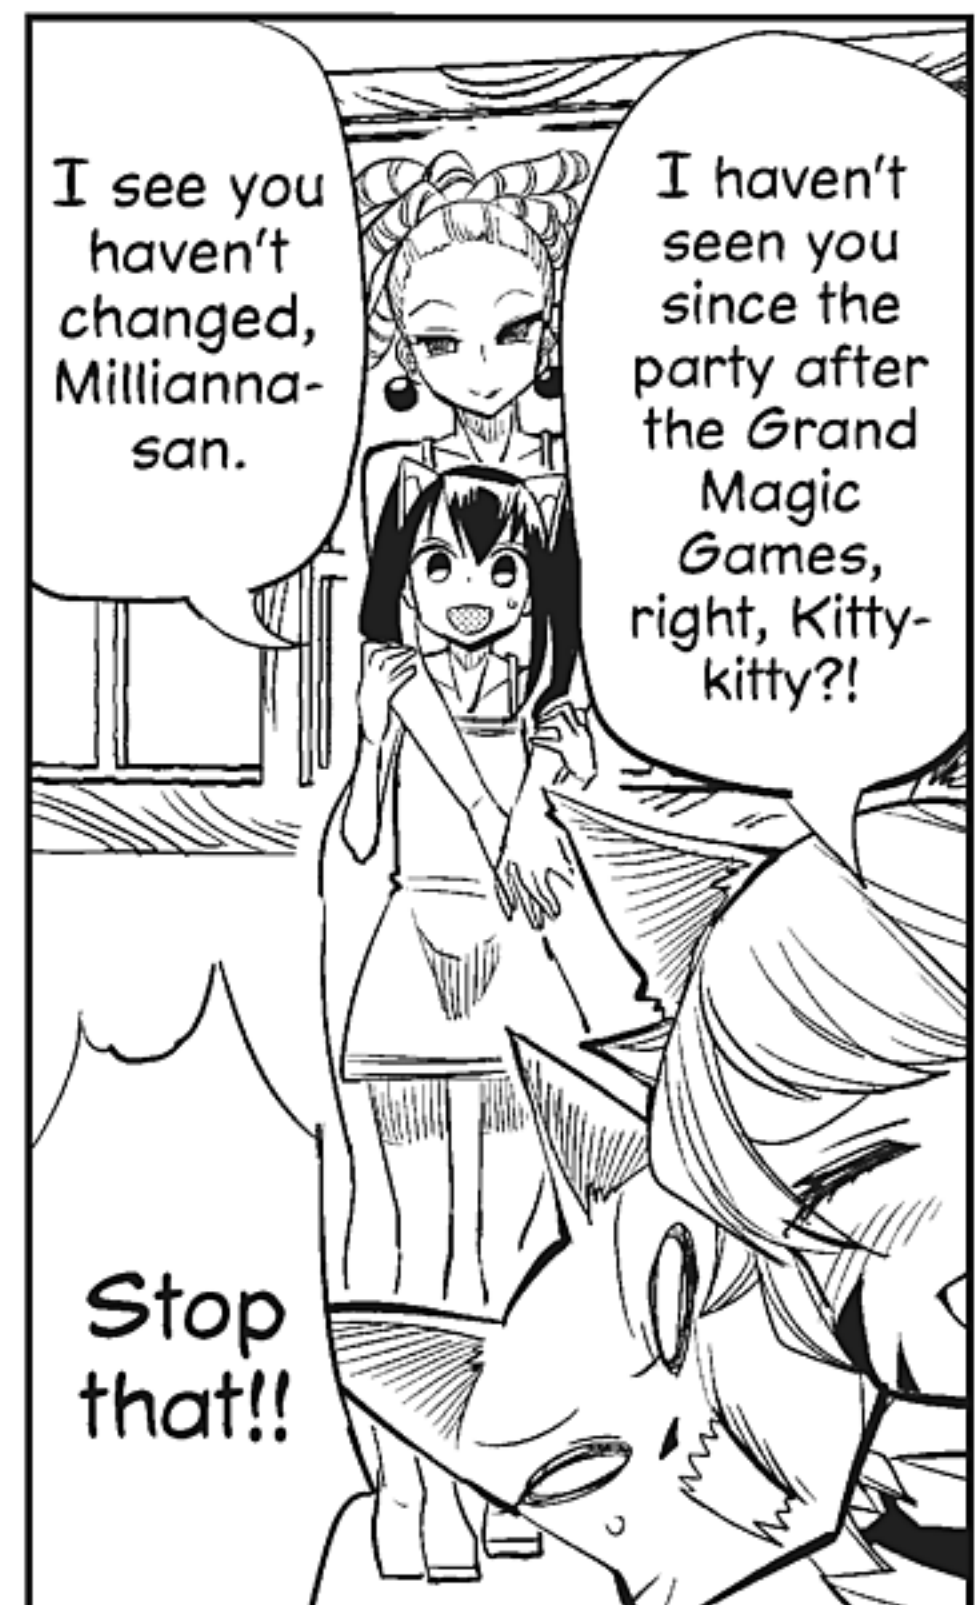

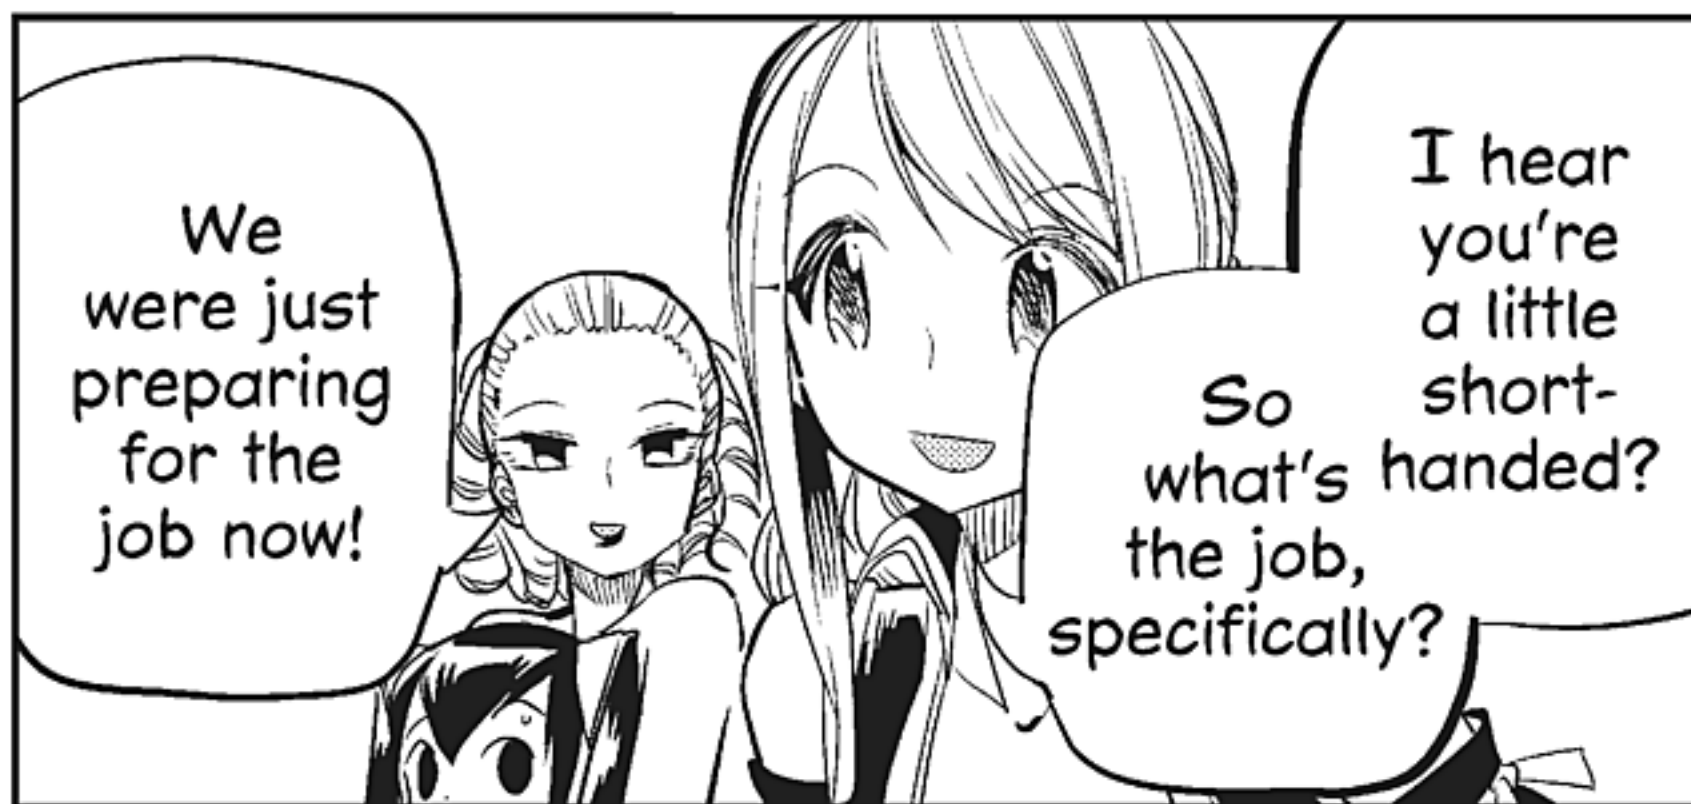

It's
the women-
only wizard
guild (and
restaurant)...

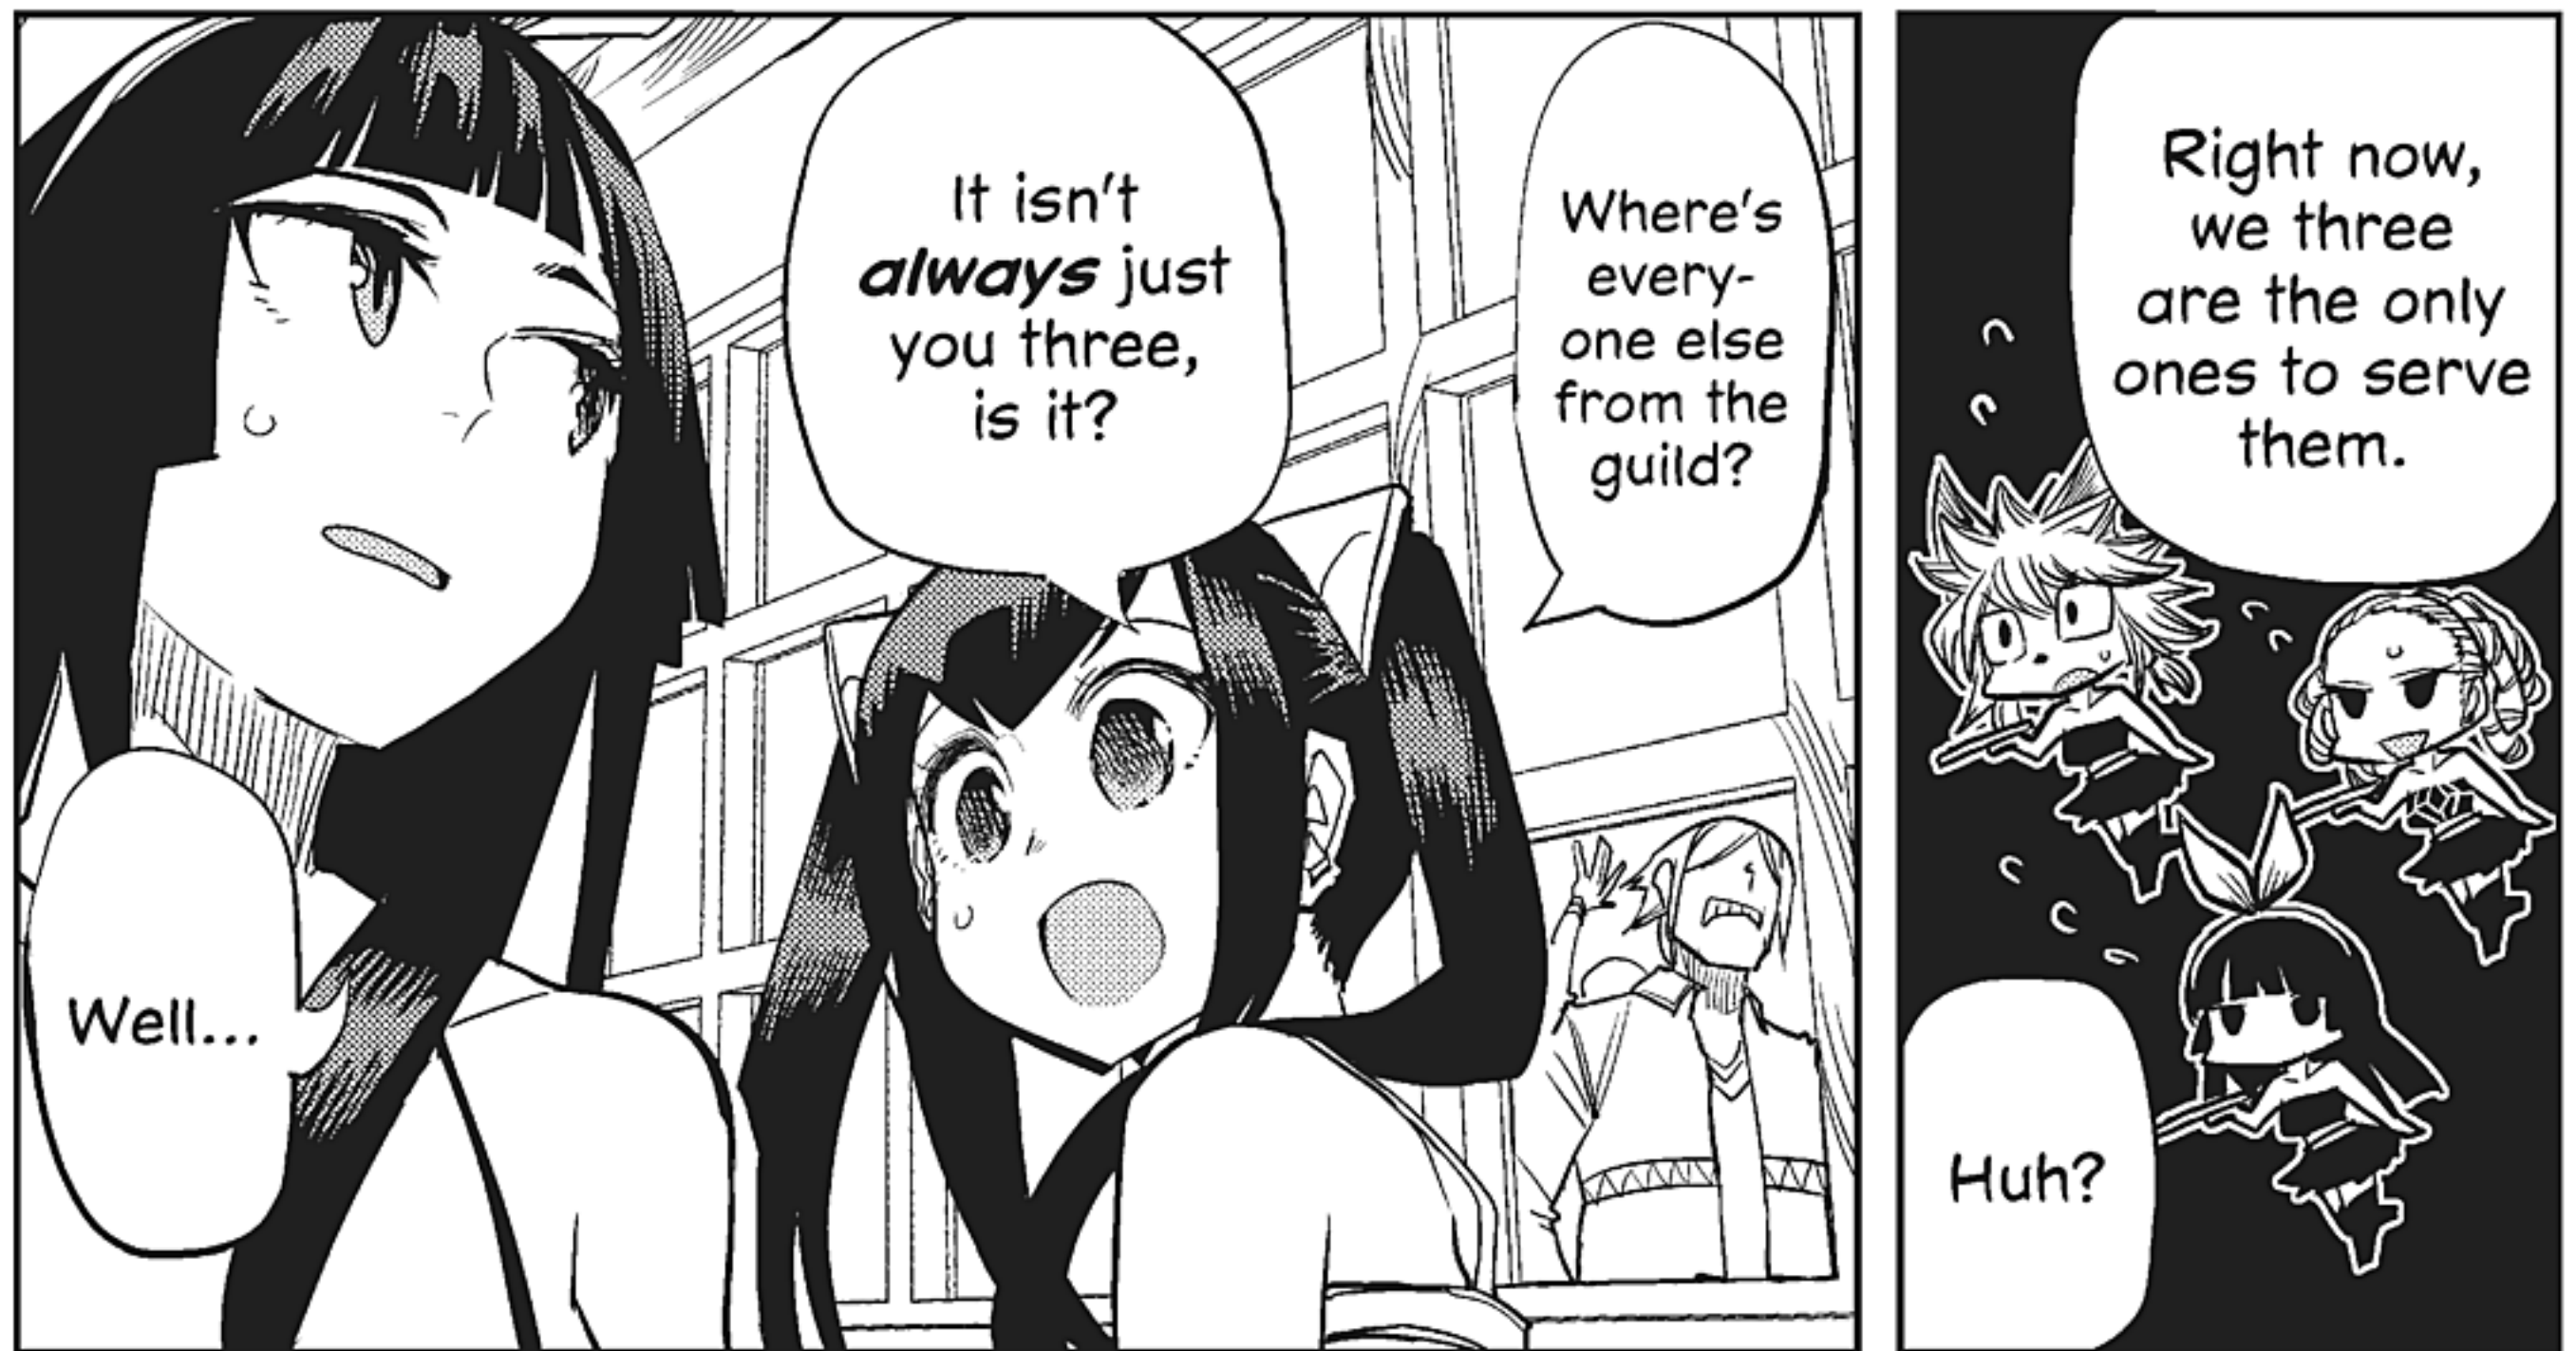

Chapter 12: Fairies vs. Mermaids

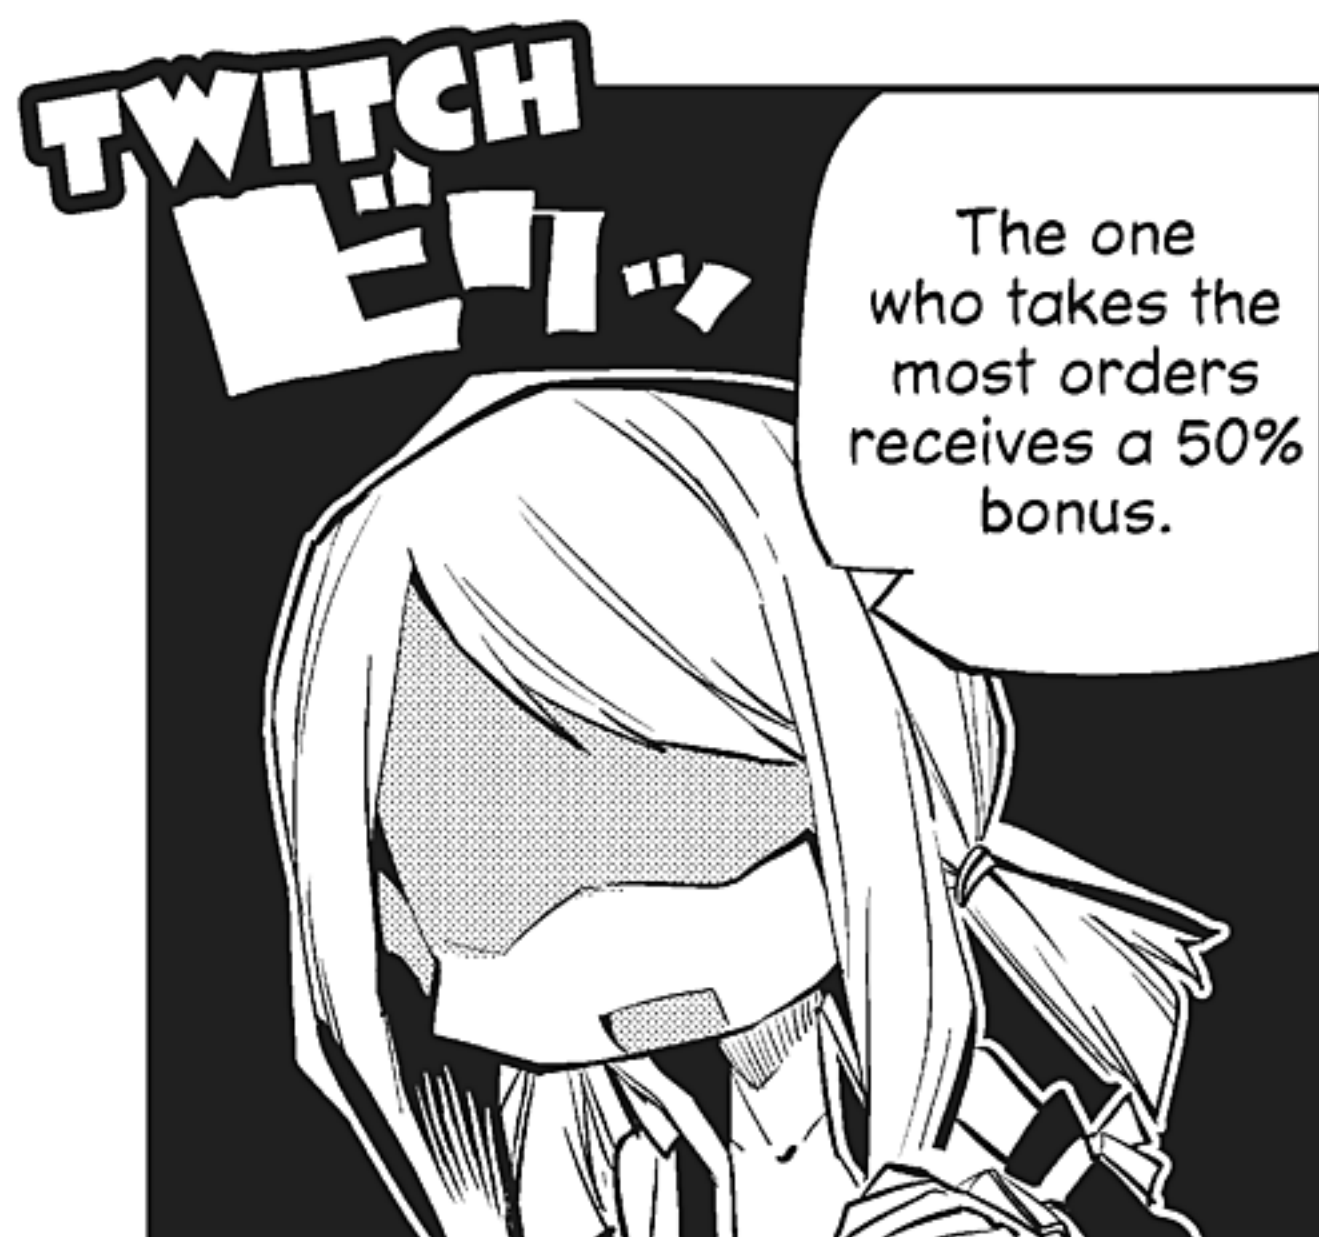

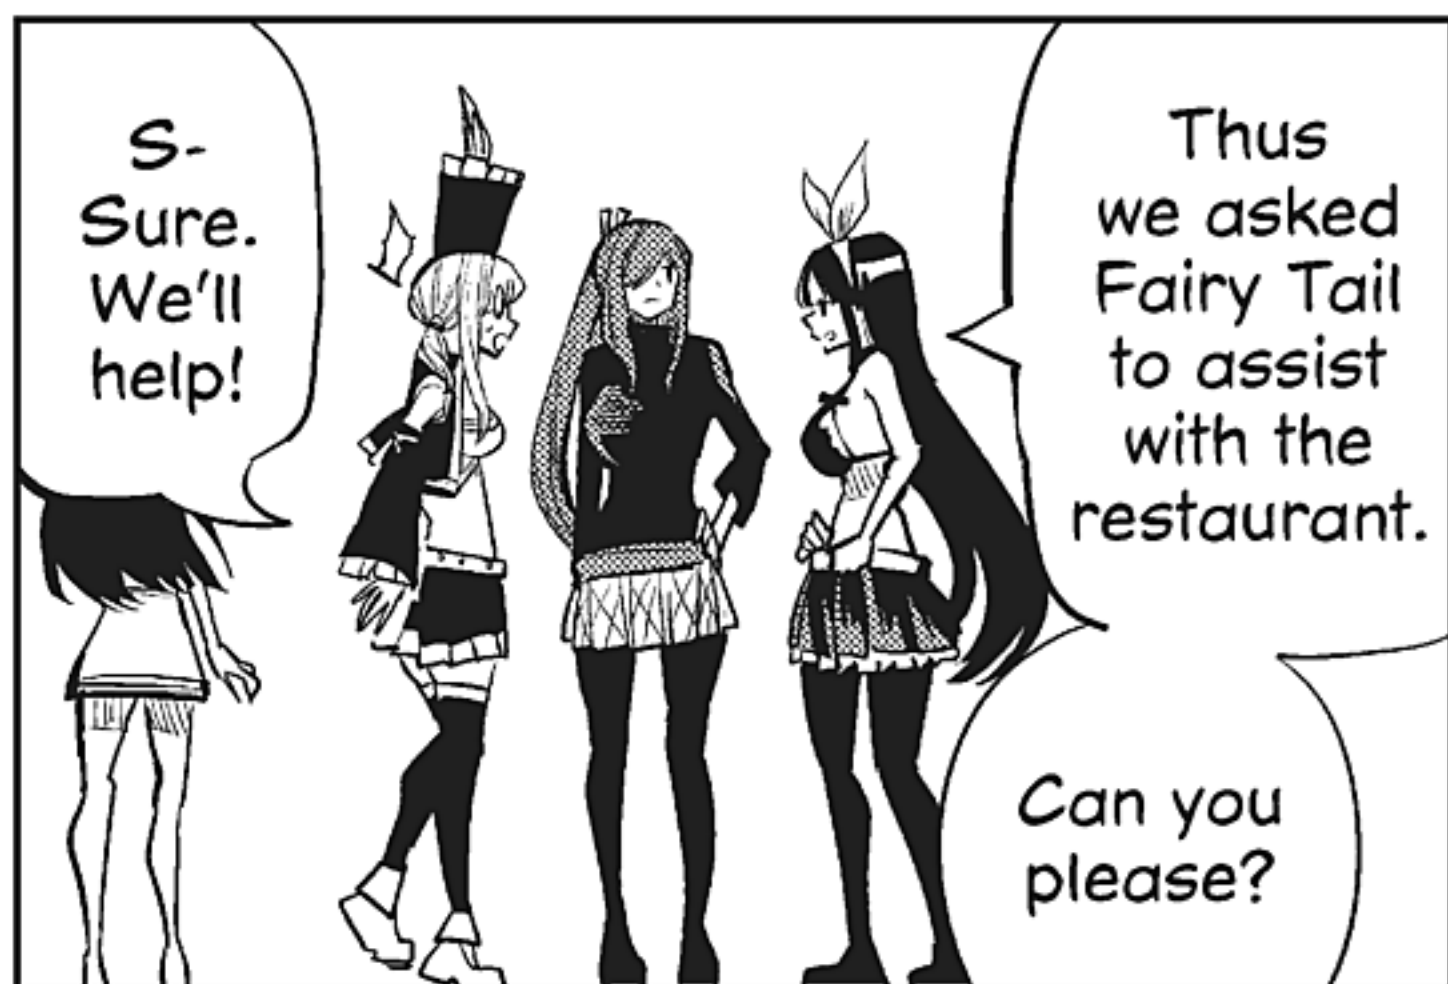

We'll have it up in a jiffy!

That's your entire order, right?

We're been neglecting you, haven't we?

Sorry!

Why, thank you!!

Y-Yes, Ma'am!

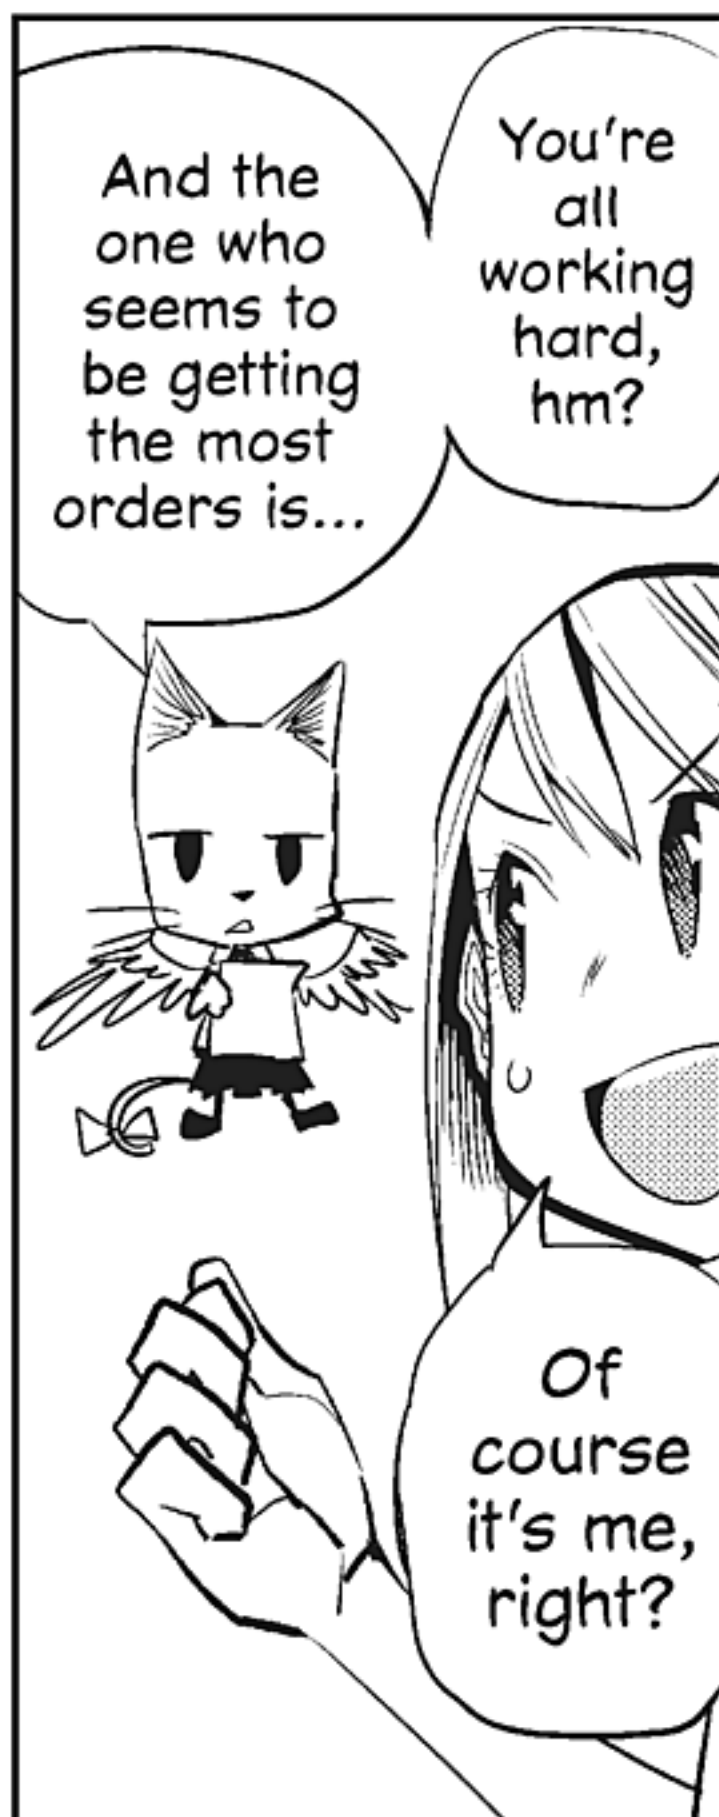

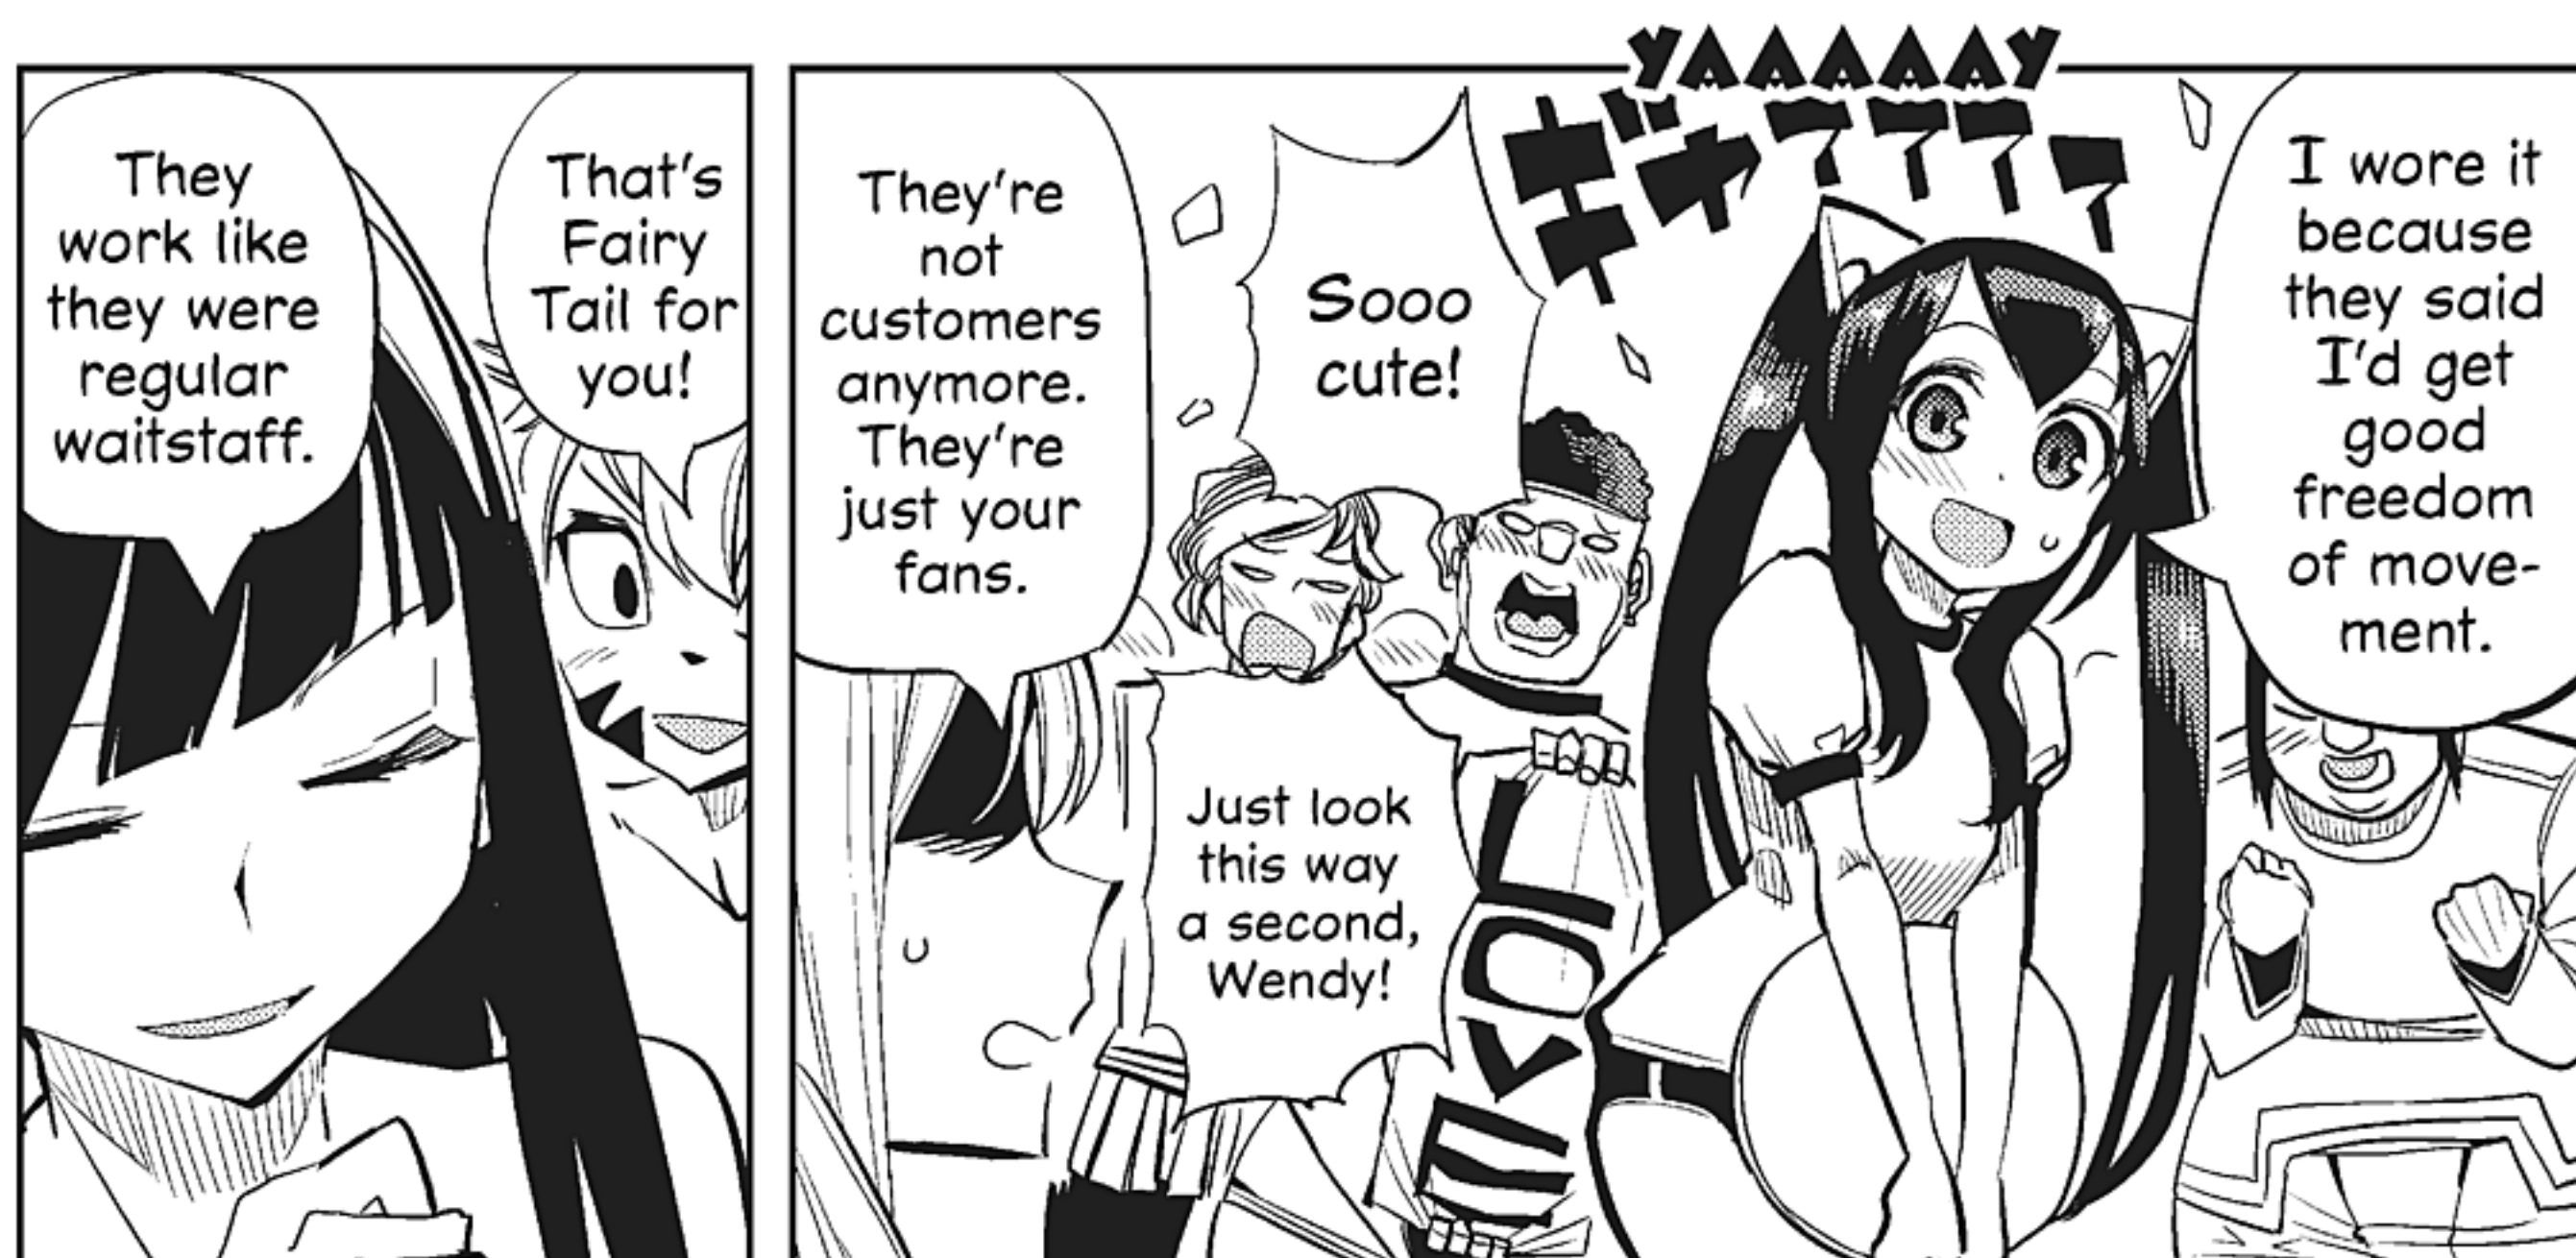

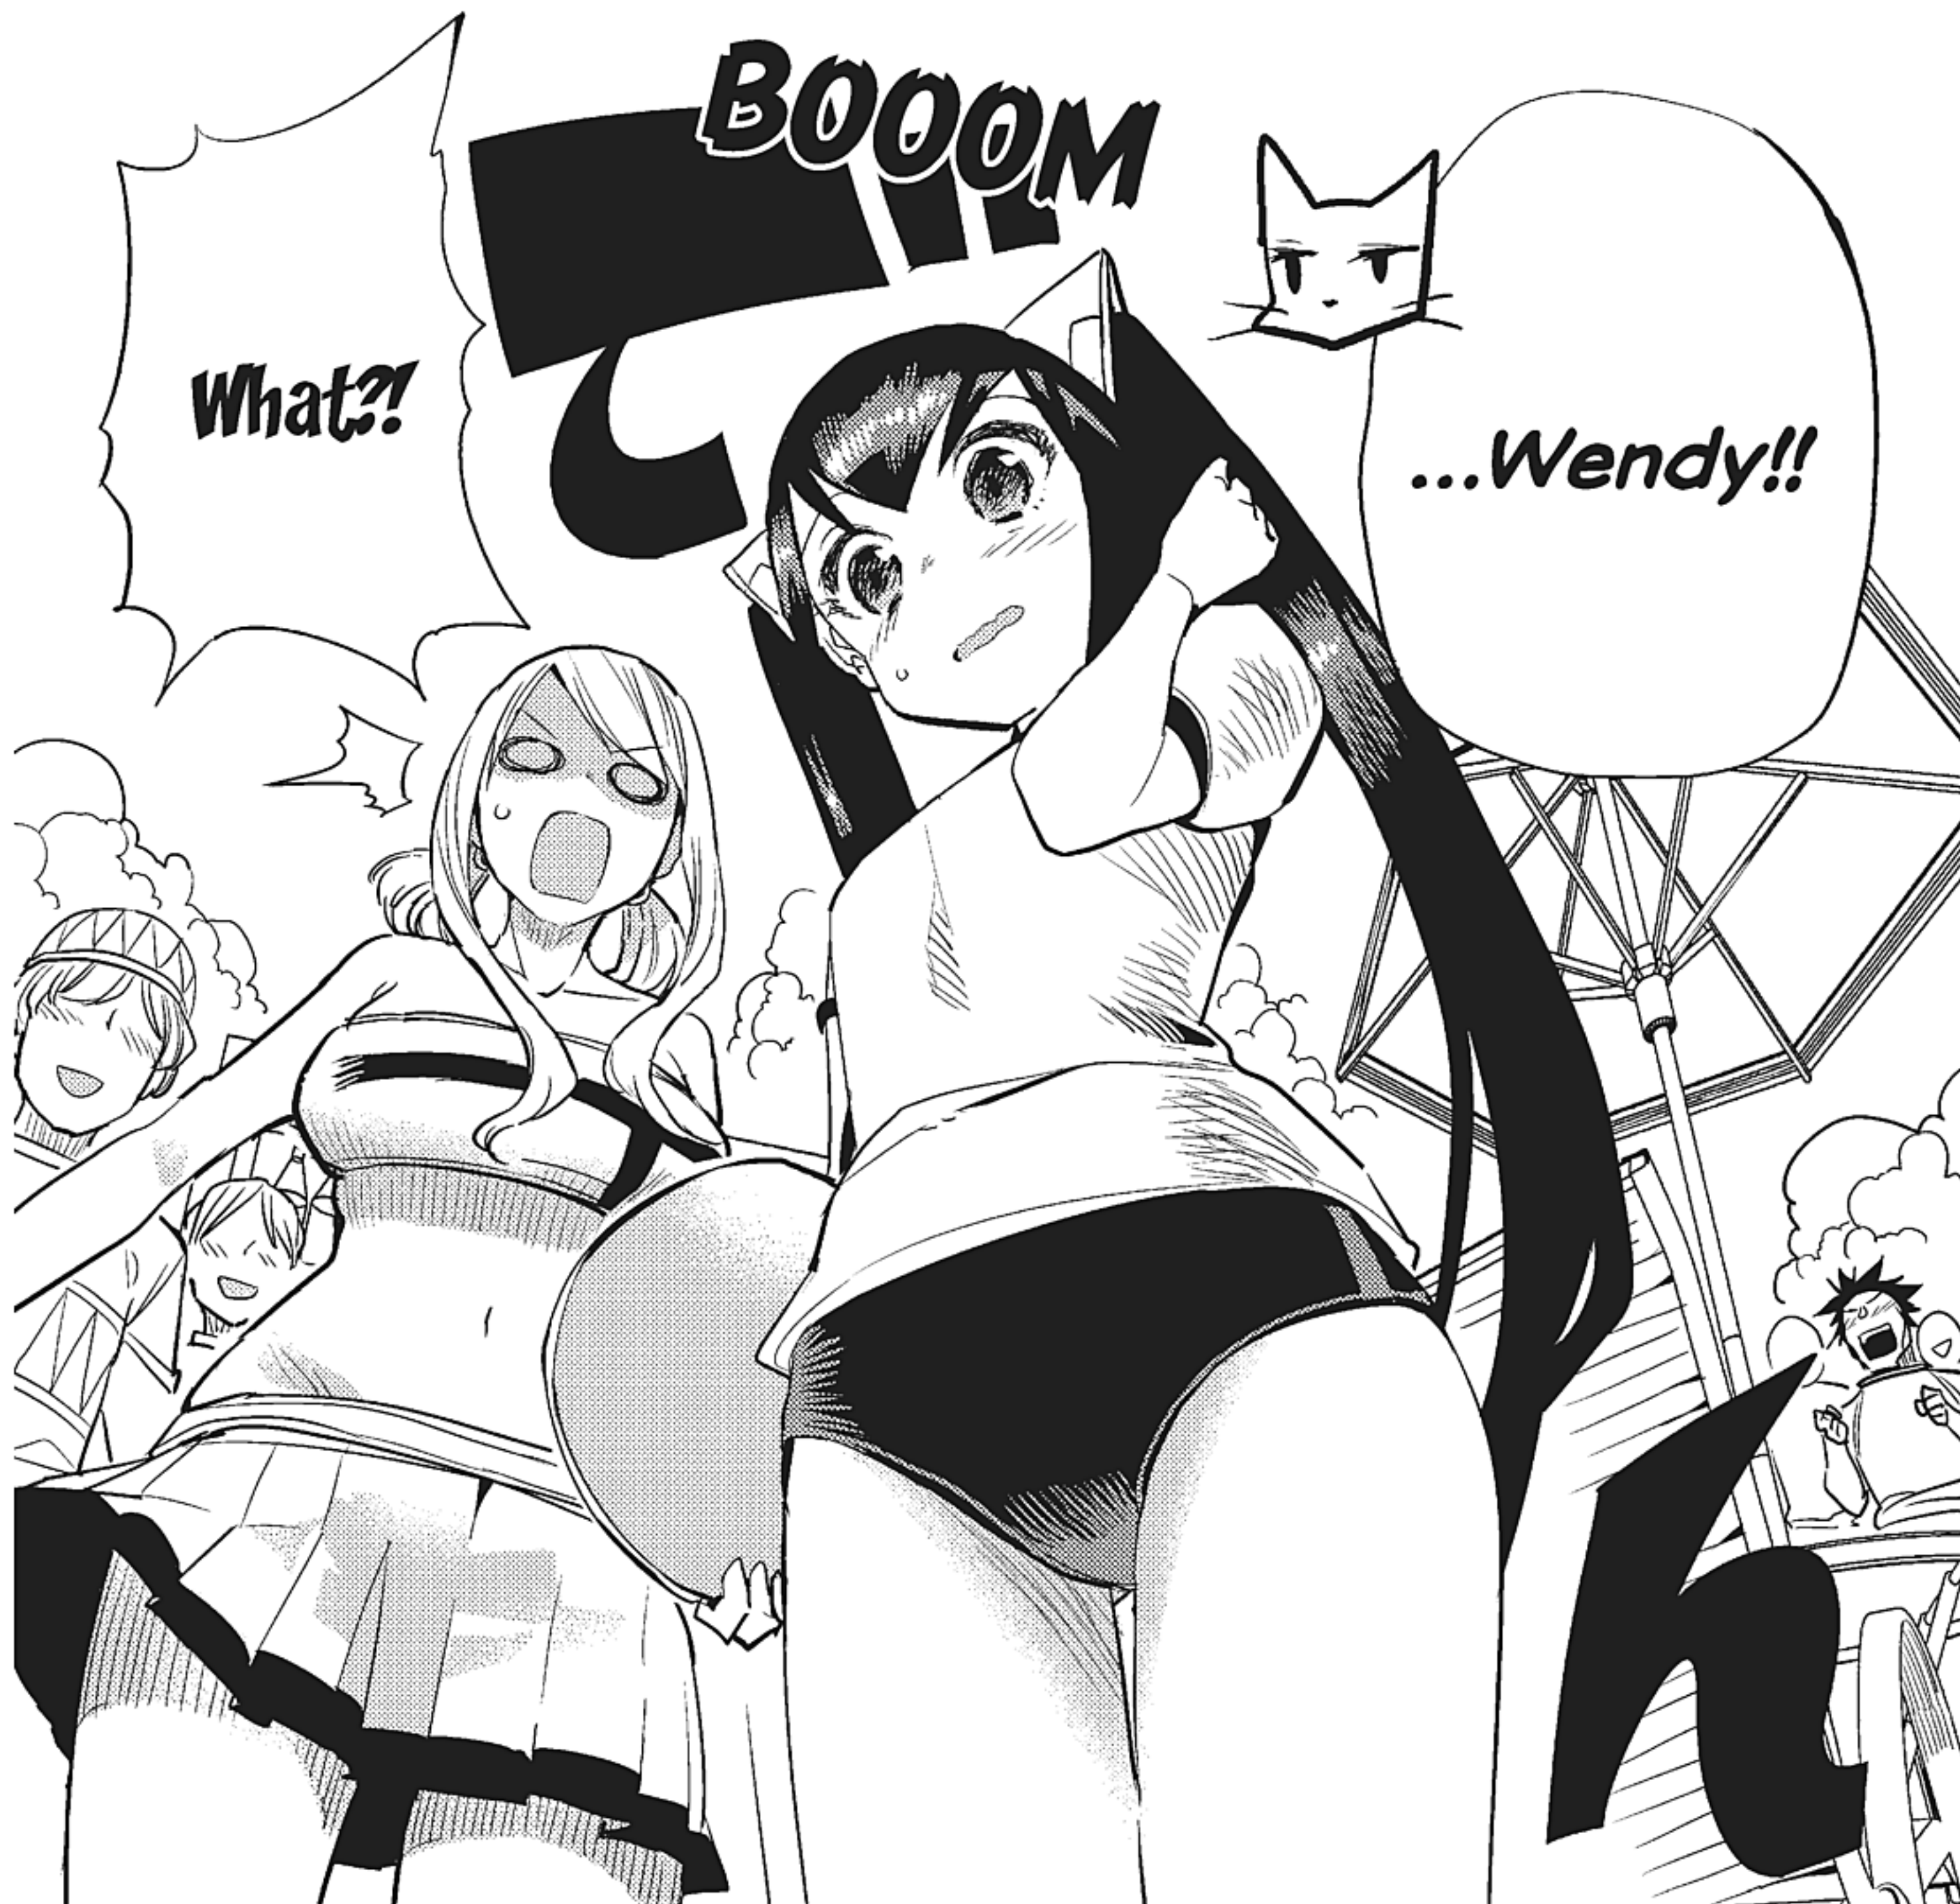

But what I want to know ...

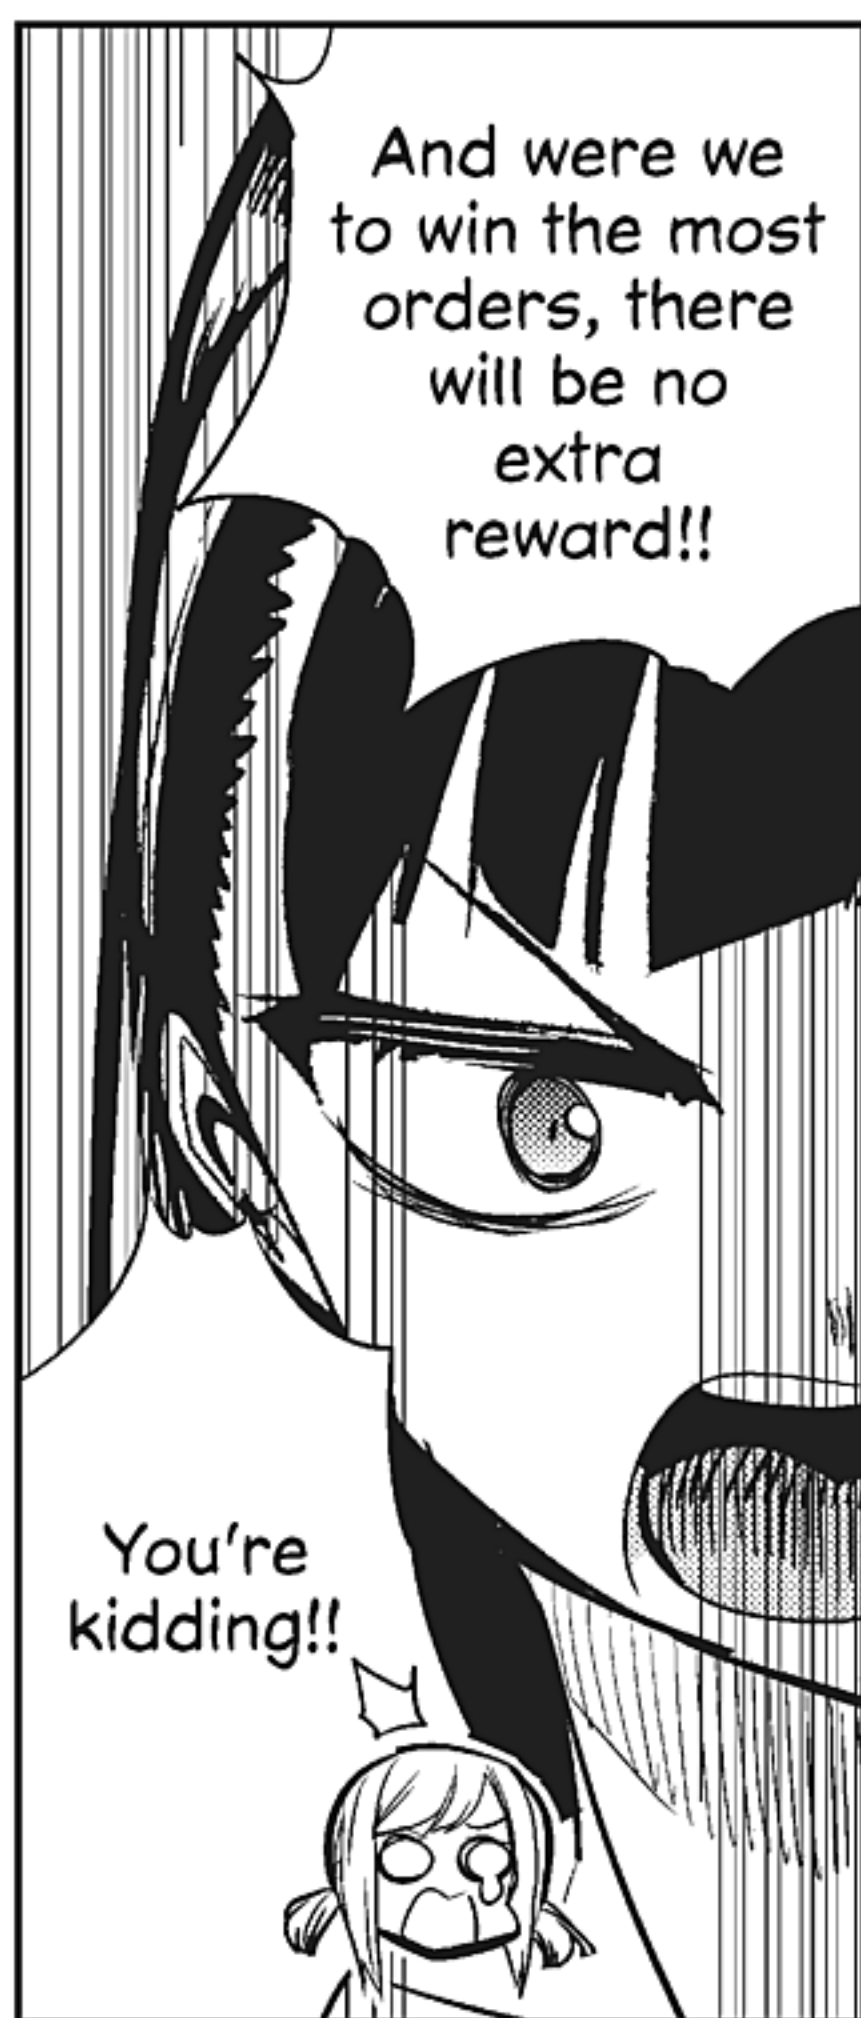

What's with the sudden enthusiasm, Lucy?

Just building up the reward.

And were we
to win the most
orders, there
will be no
extra
reward!!

You're
kidding!!

Mermaid
Heel
has its
pride,
too!!

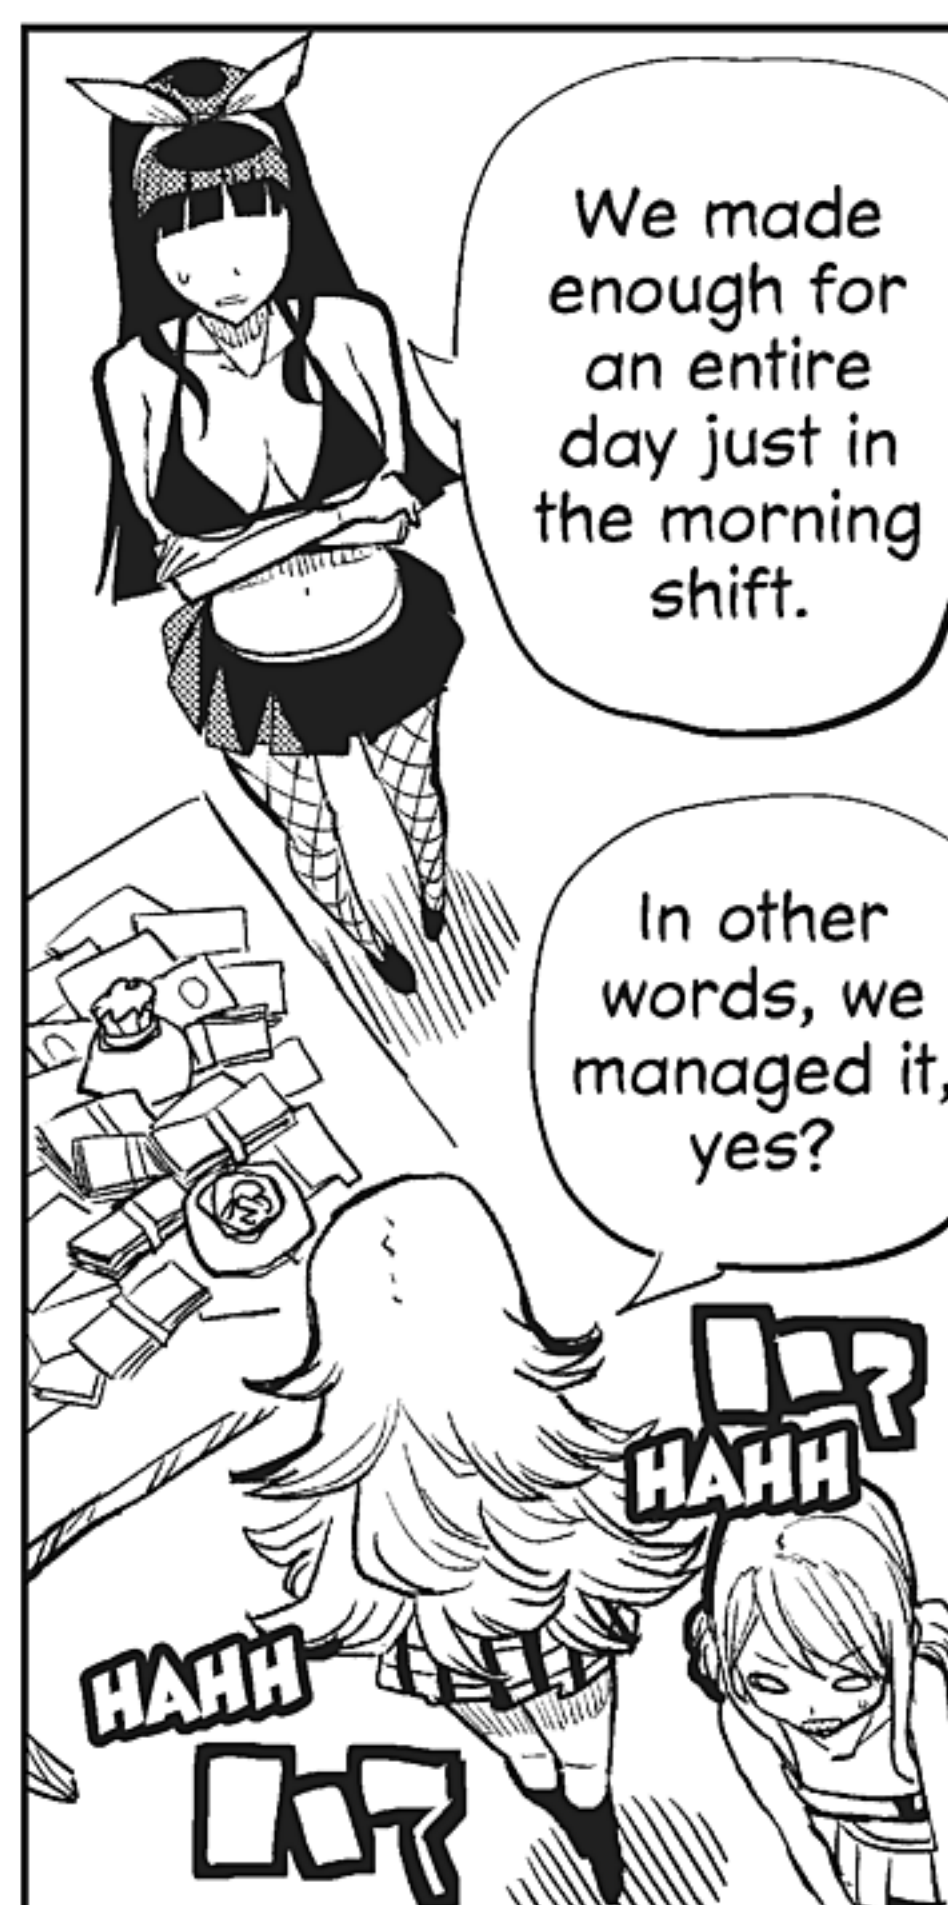

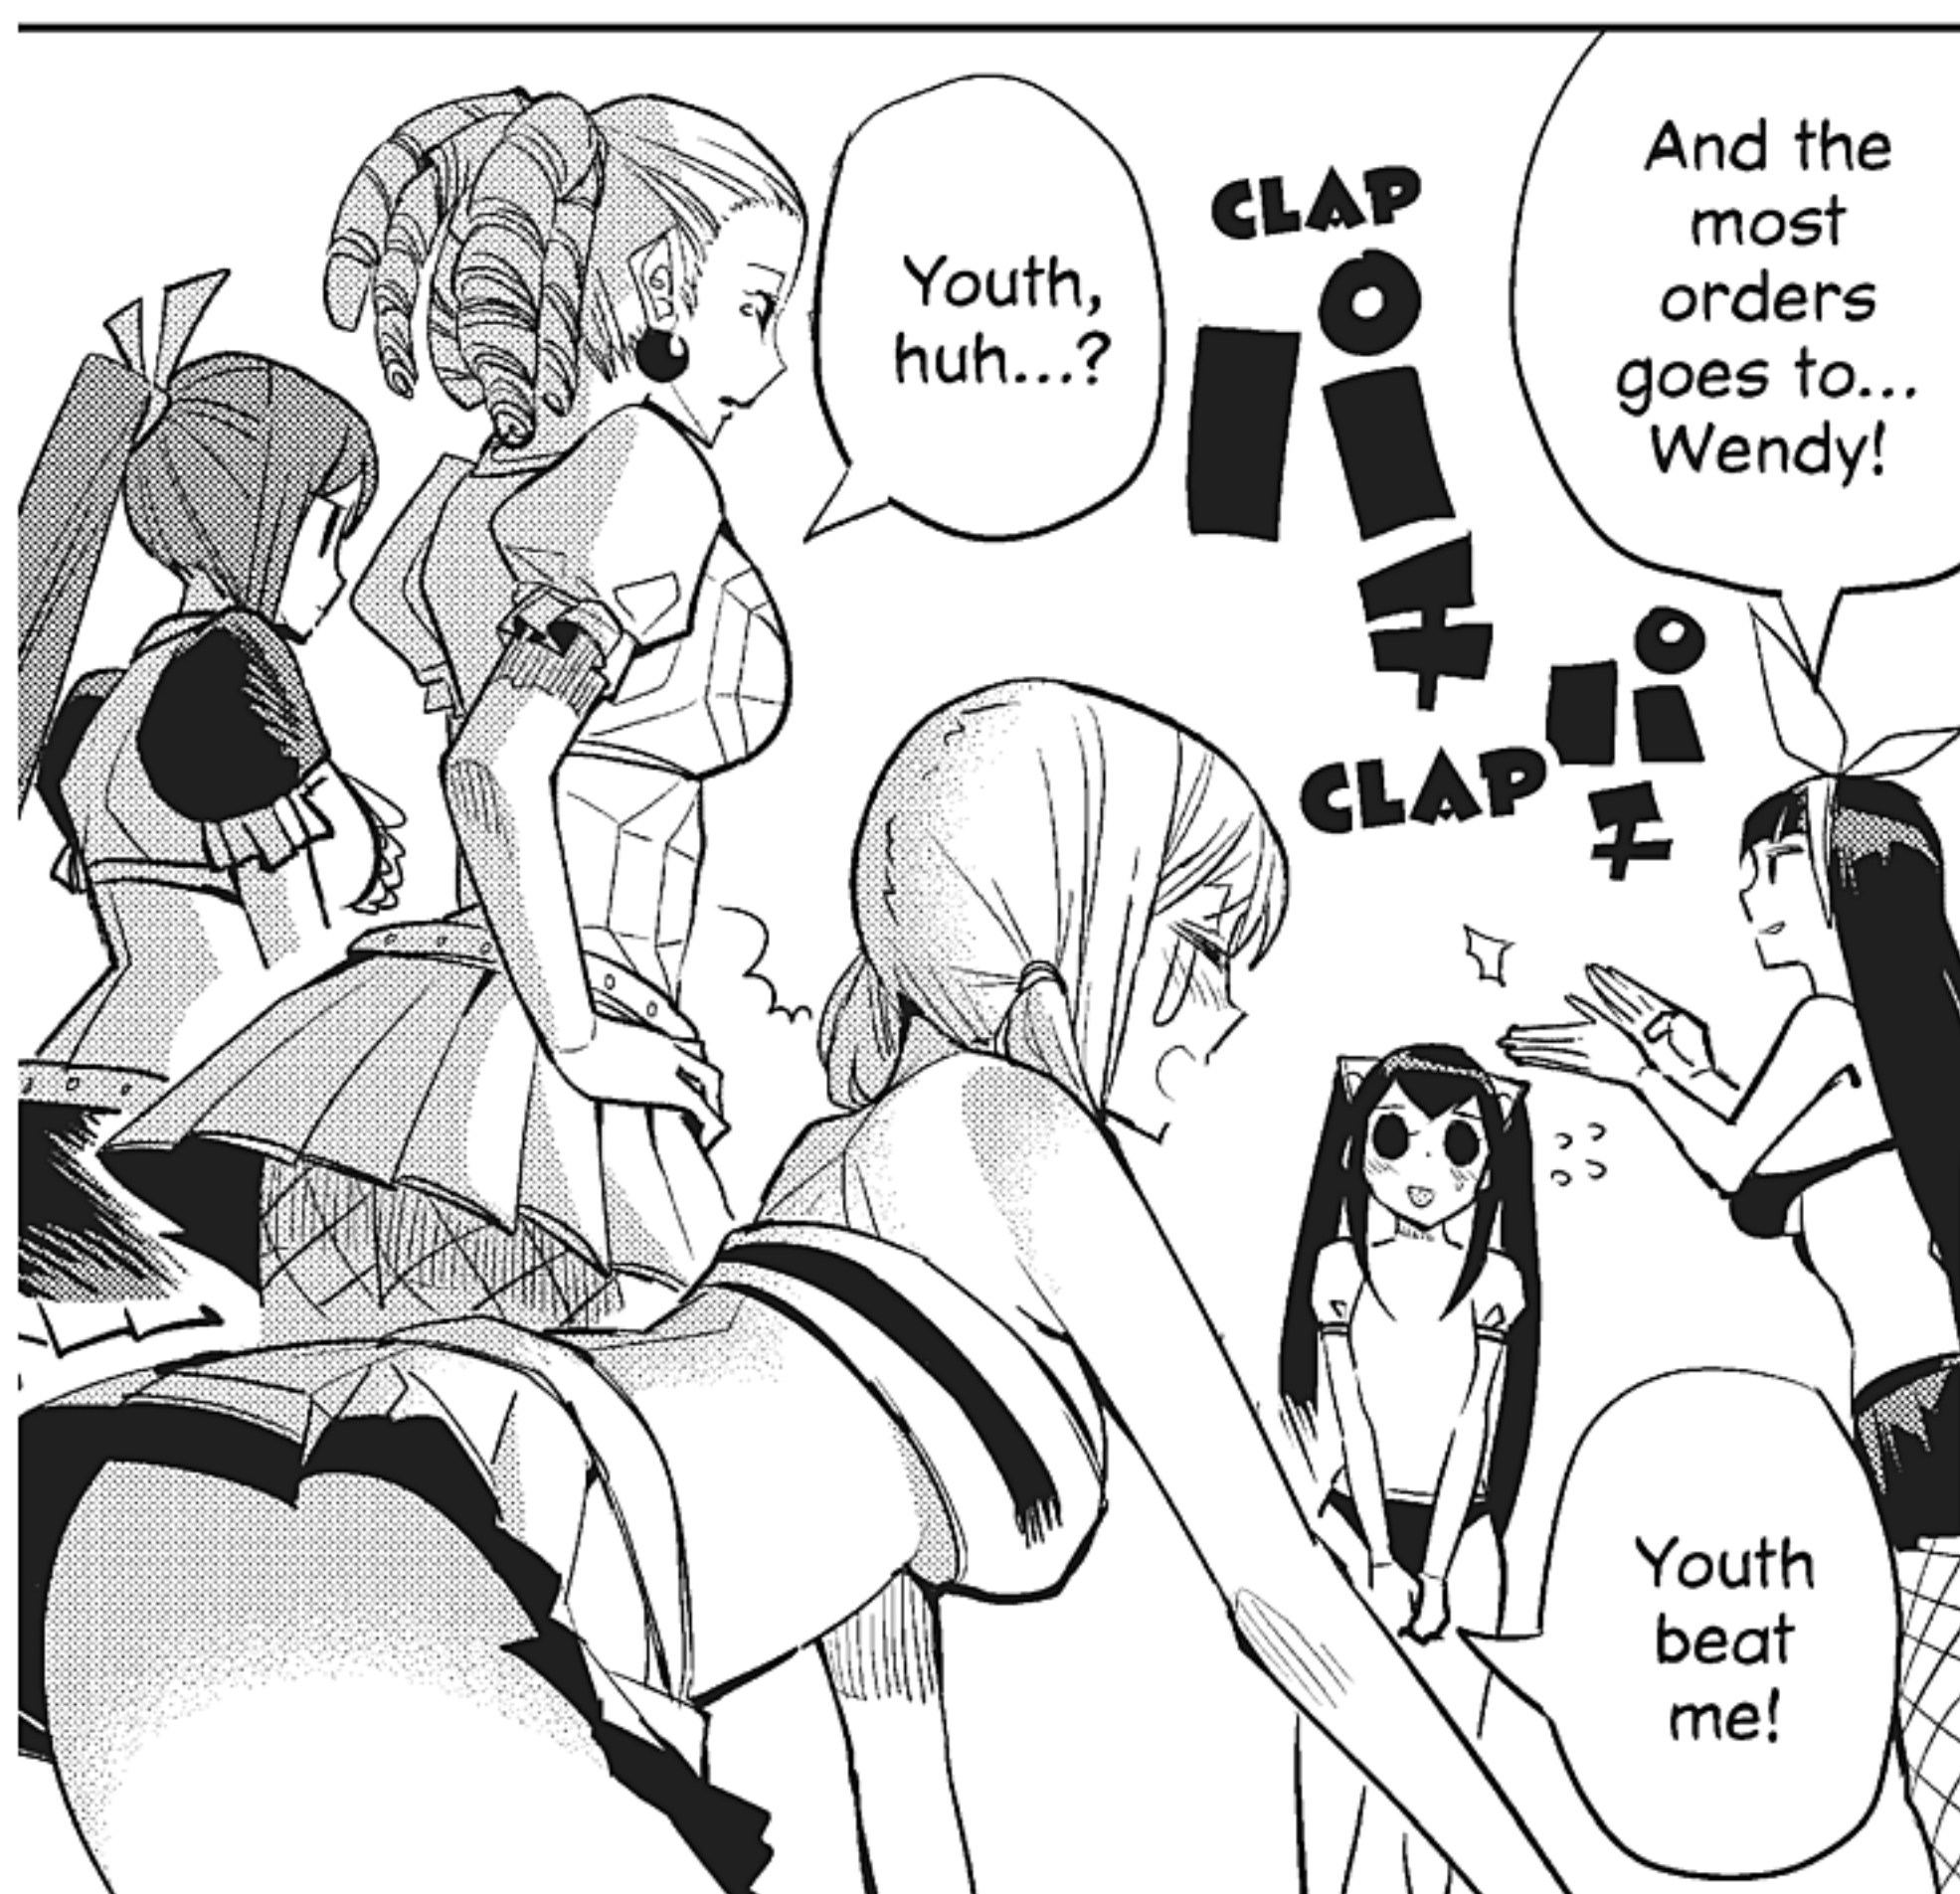

That
doesn't
mean we're
rolling over,
though!

There is
a strict
no-image
policy,
sir!

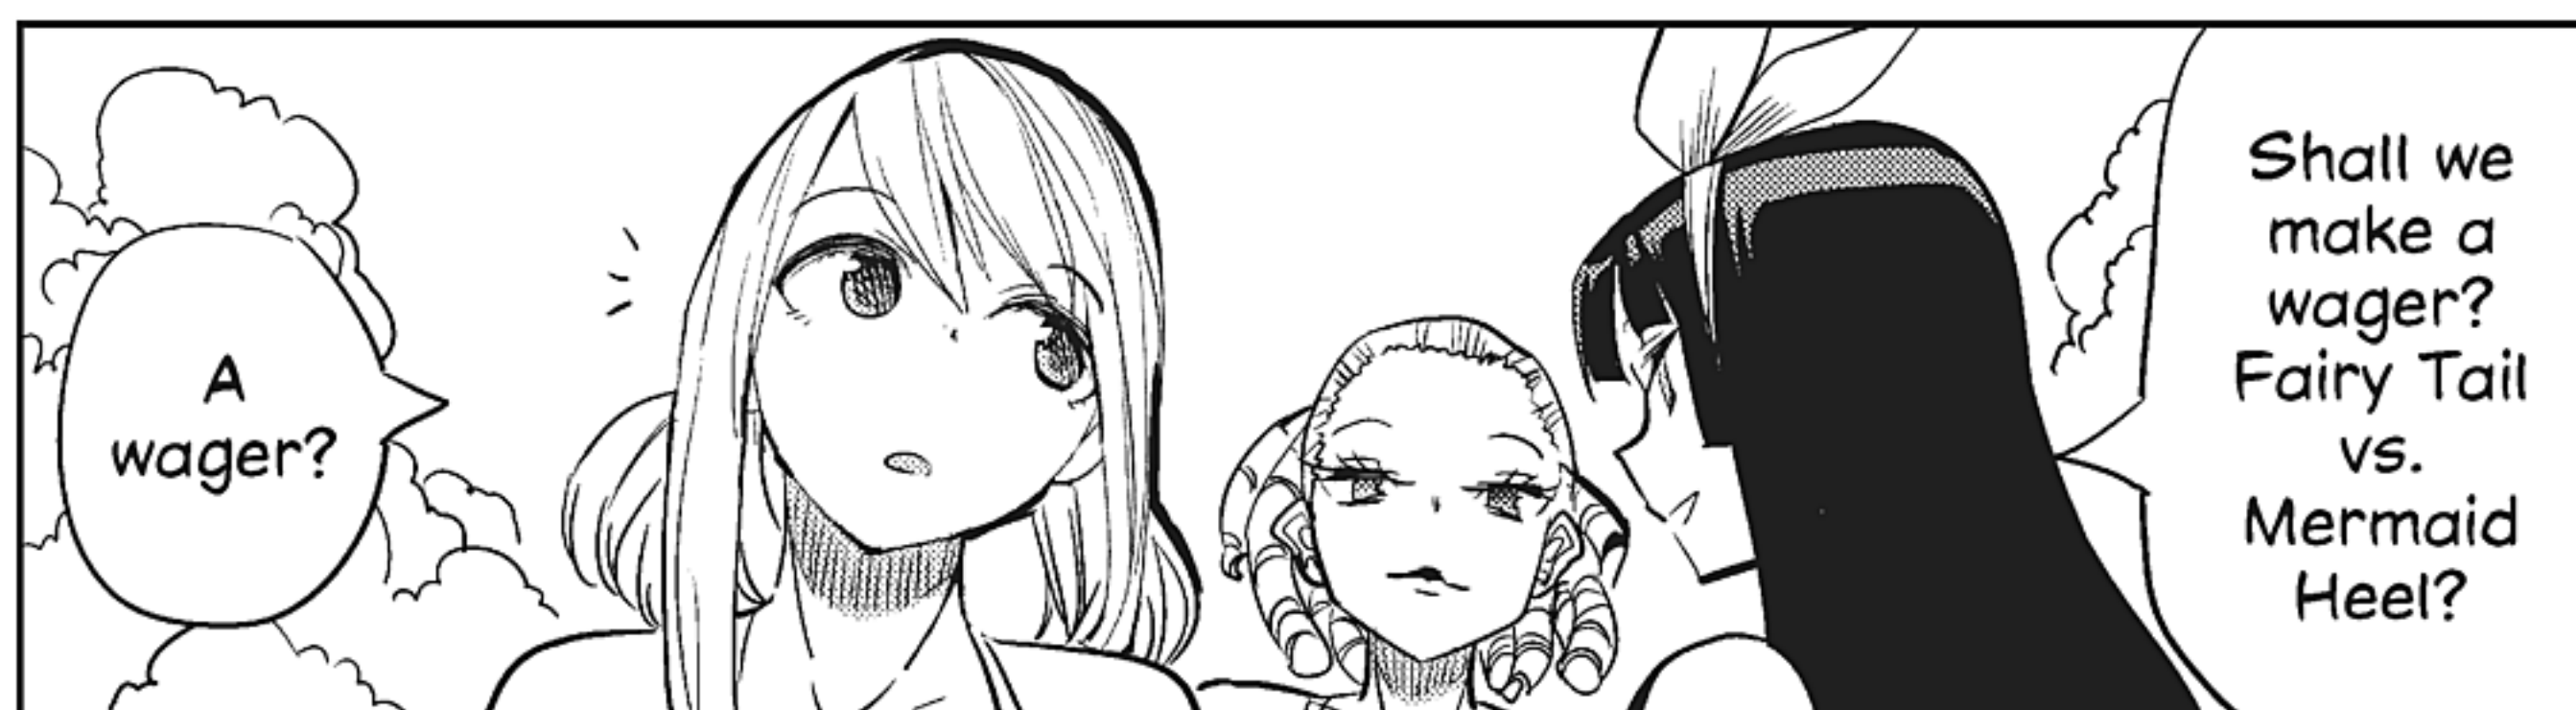

W-Well,
we're no
pushovers,
you know!!

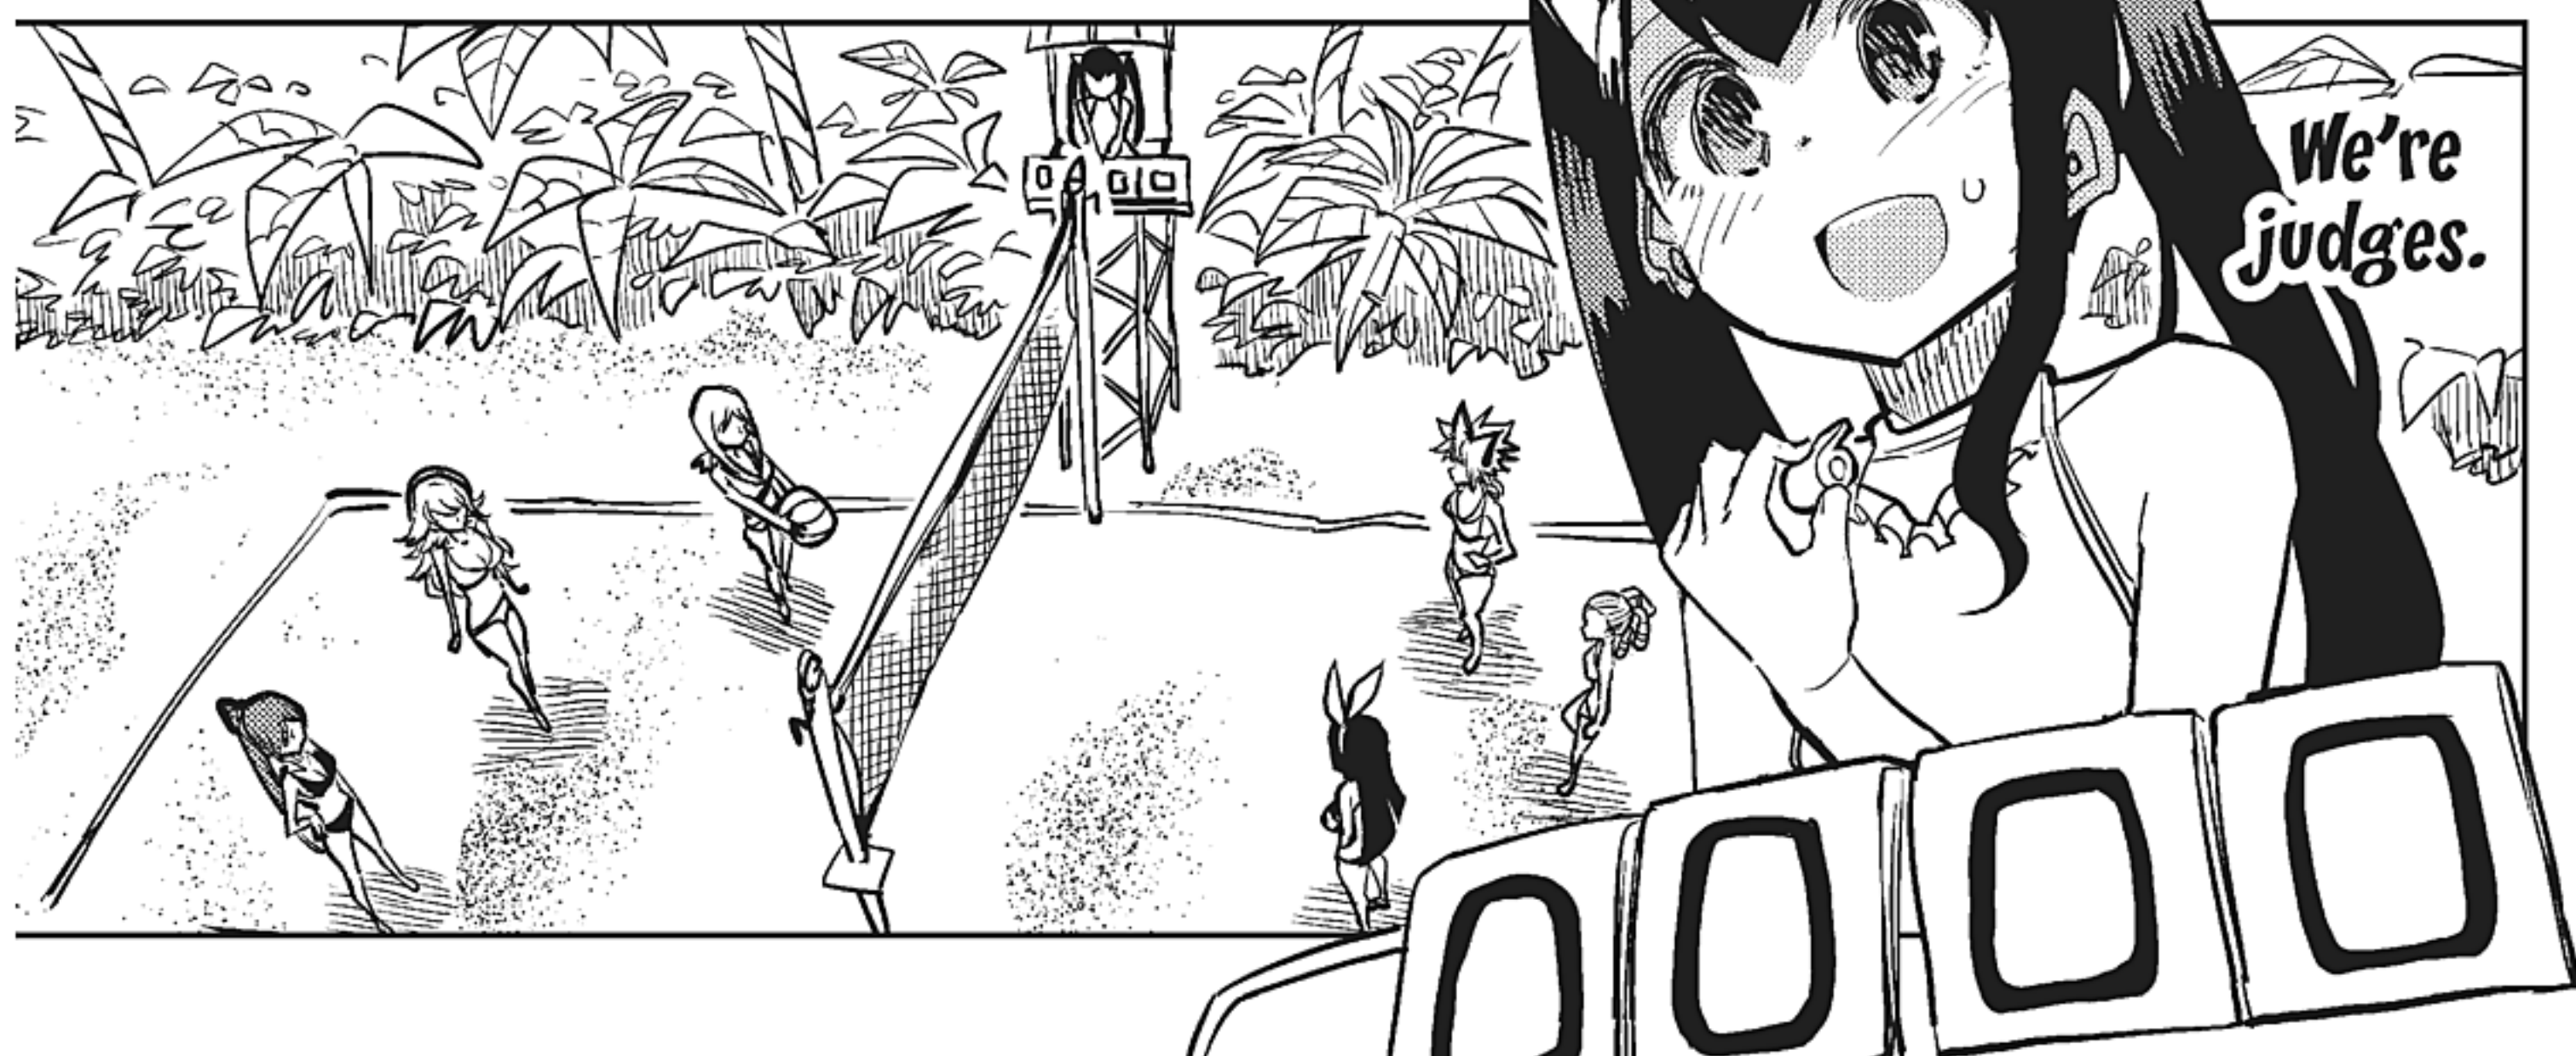

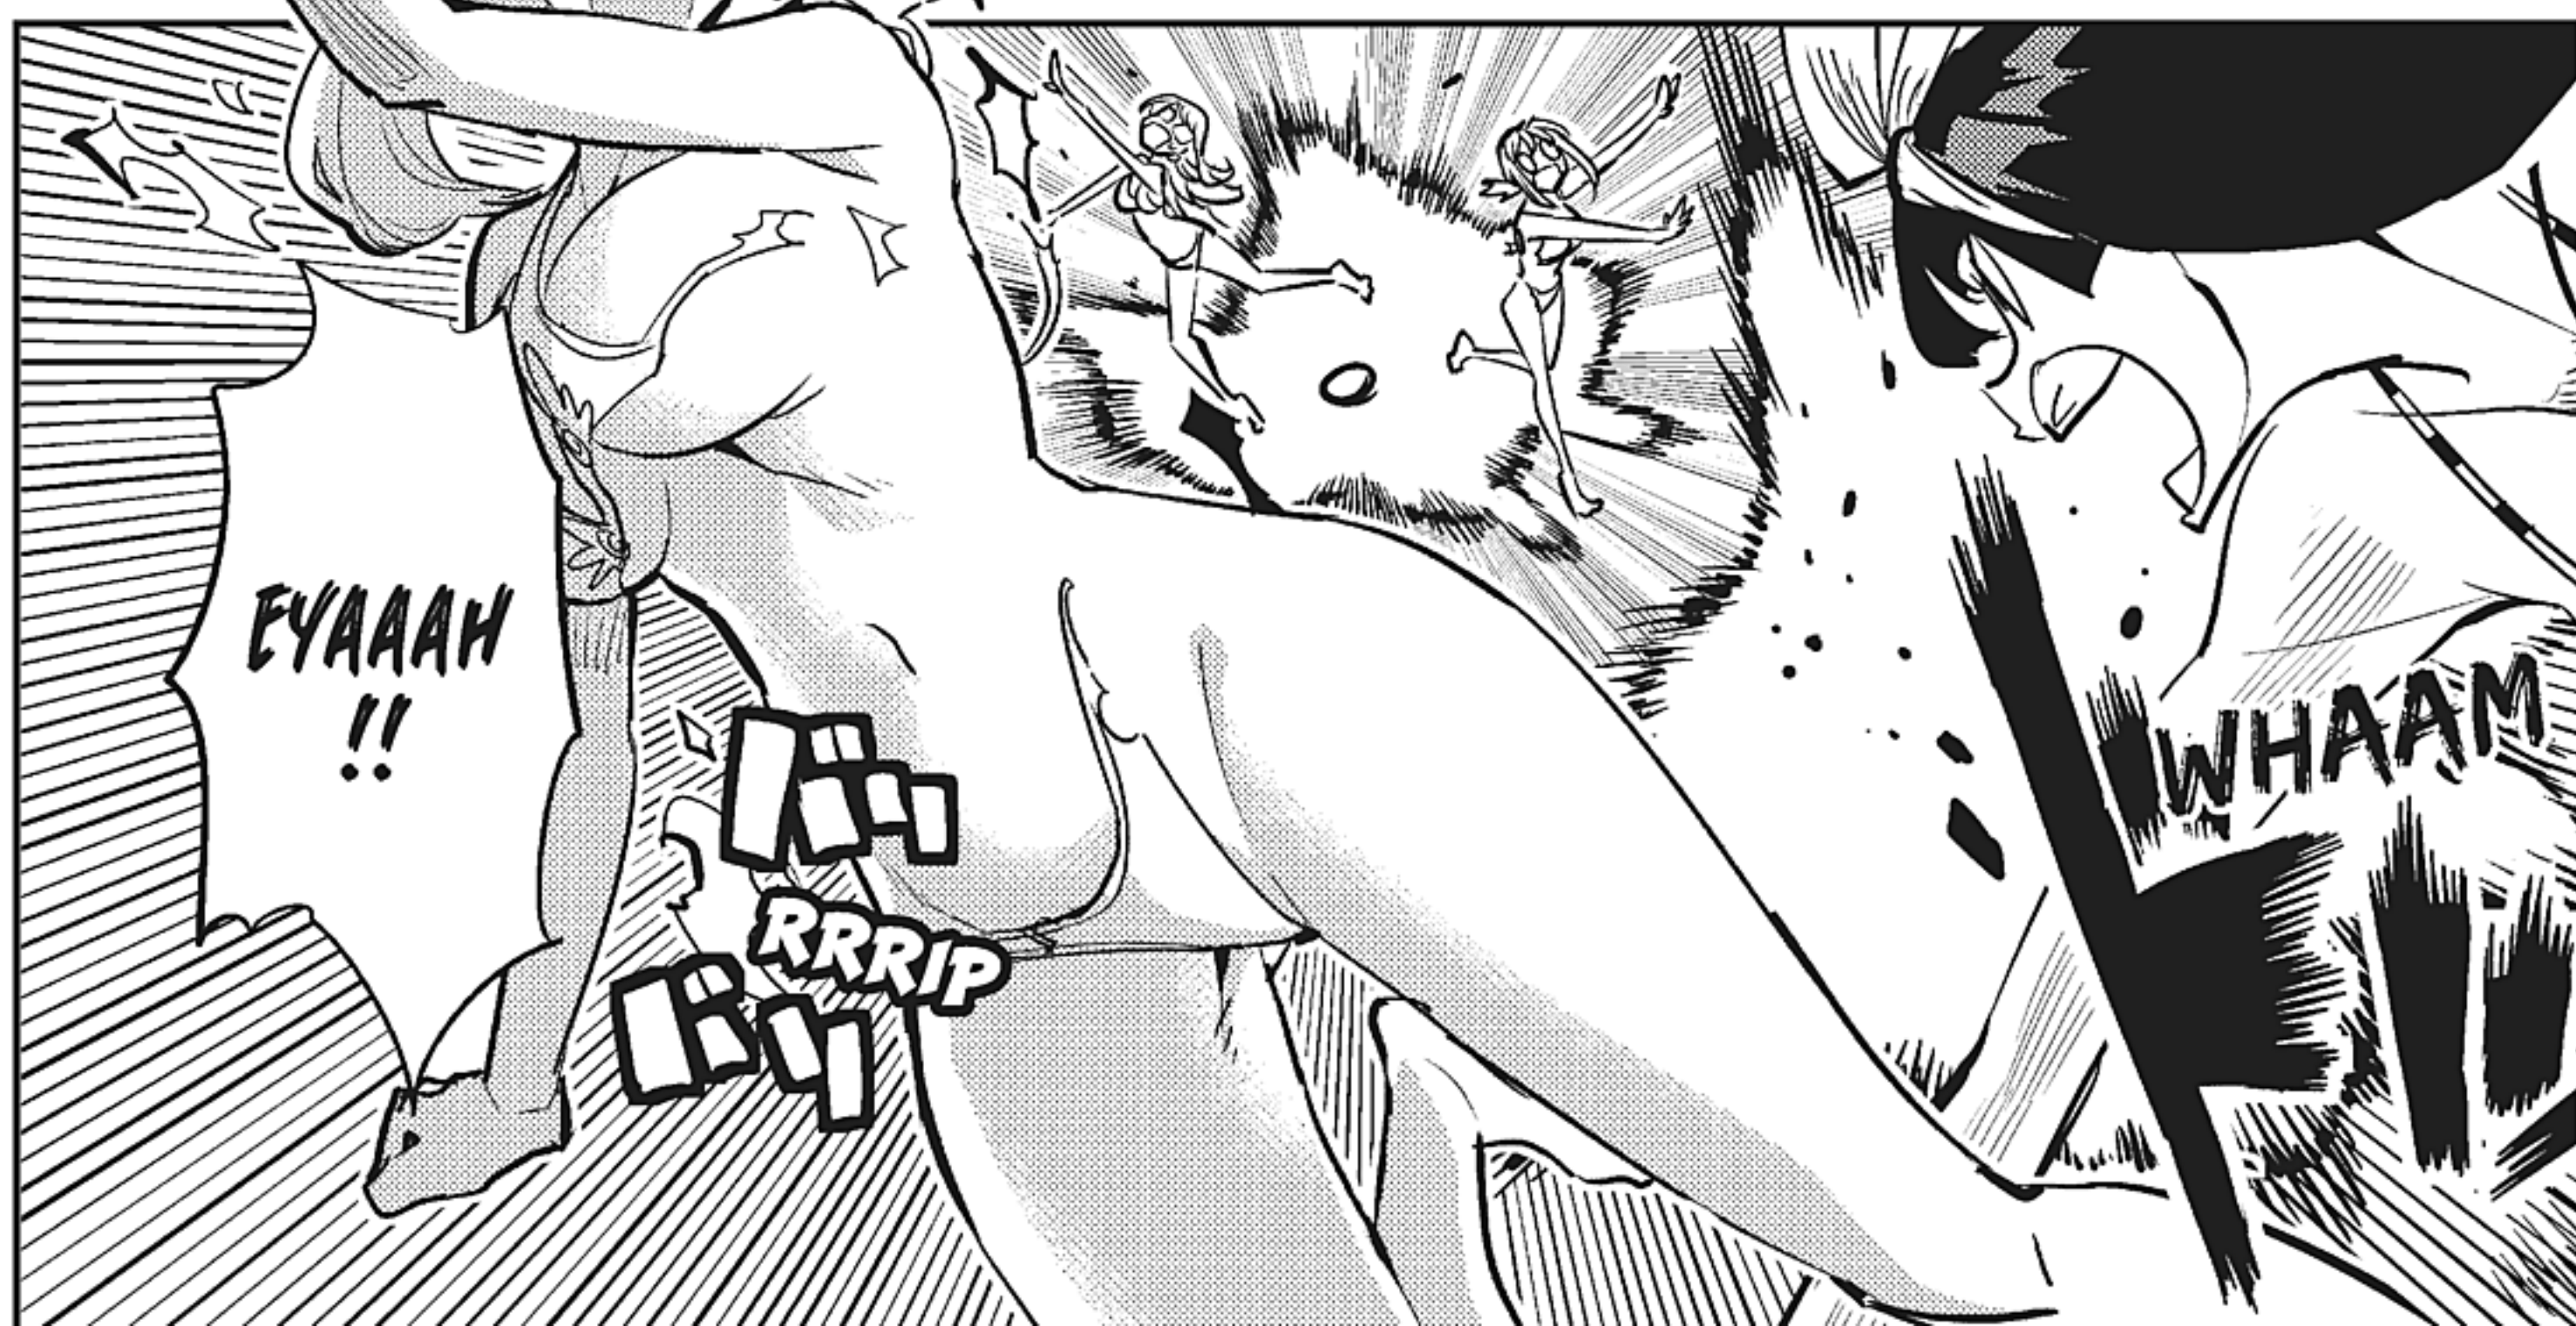

We
have to
go to
the beach
and
play!!

**MERMAID HEEL
PRIVATE BEACH**

Oh,
my!!

...THAT
FAIRY TAIL
HAS A
MONSTER OF
ITS OWN.

Eek!!

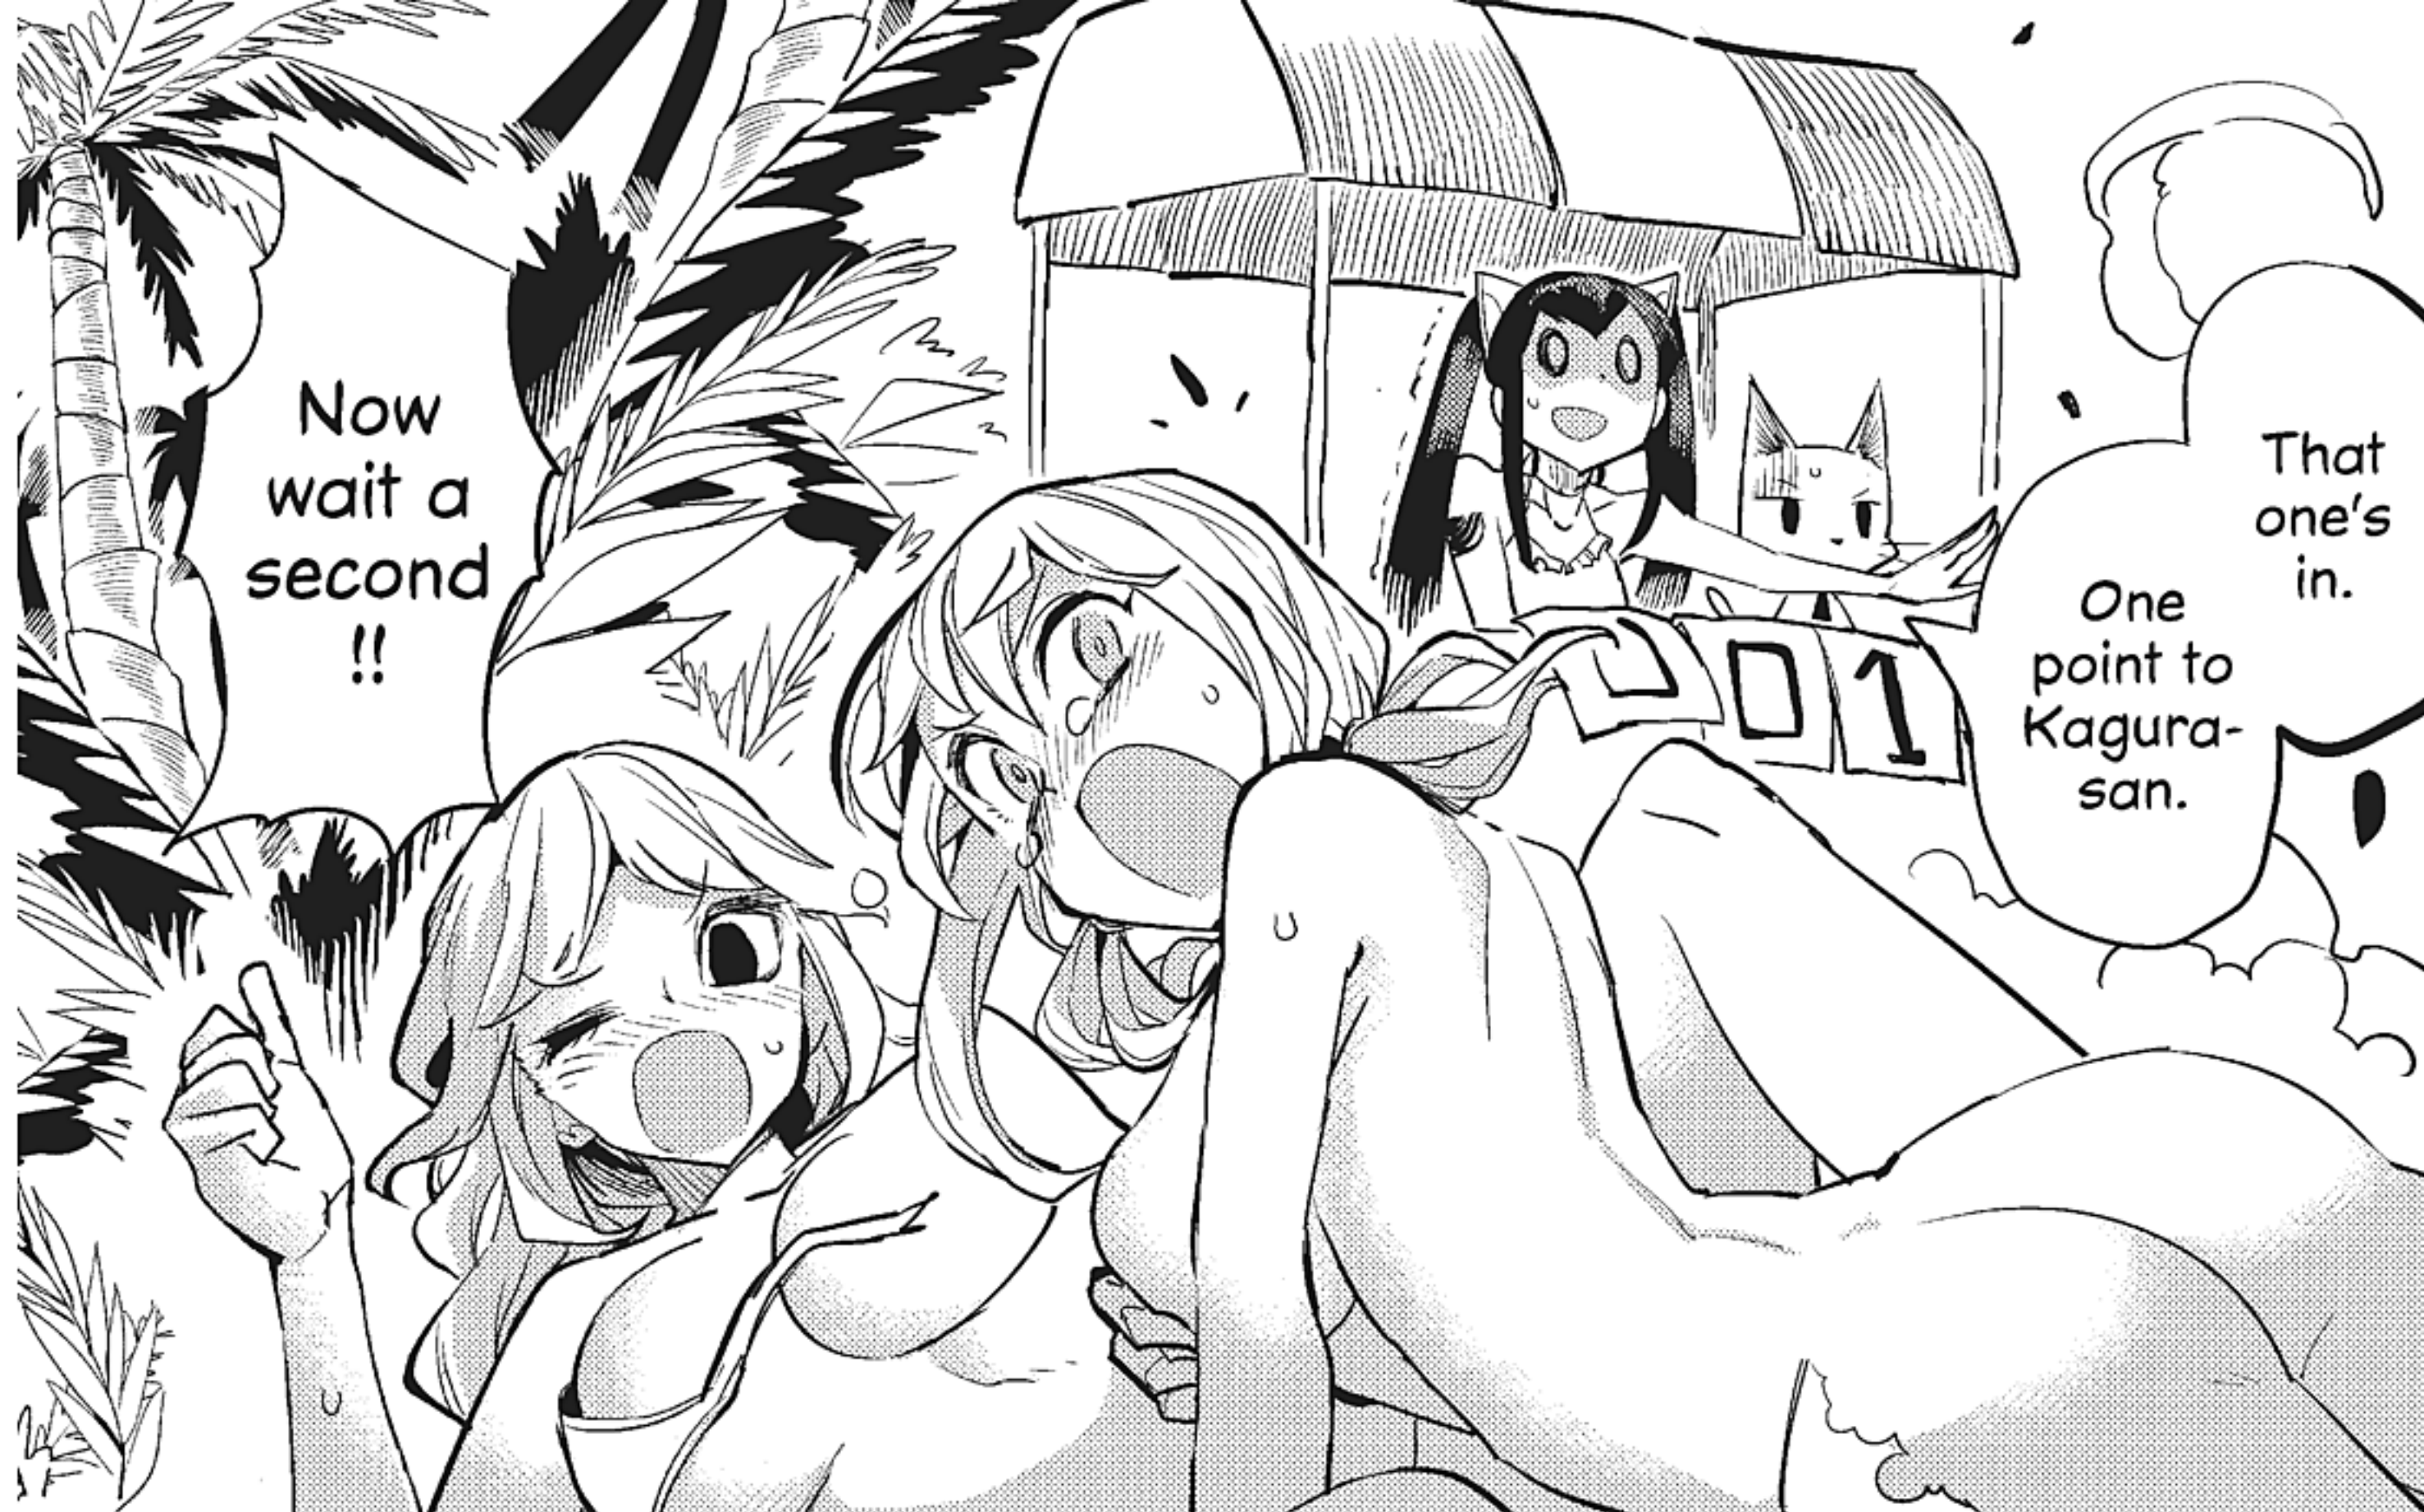

This is where
we will obtain
the closure
that eluded
us during the
Grand Magic
Games!

En
garde!!

Well
played,
Erza.

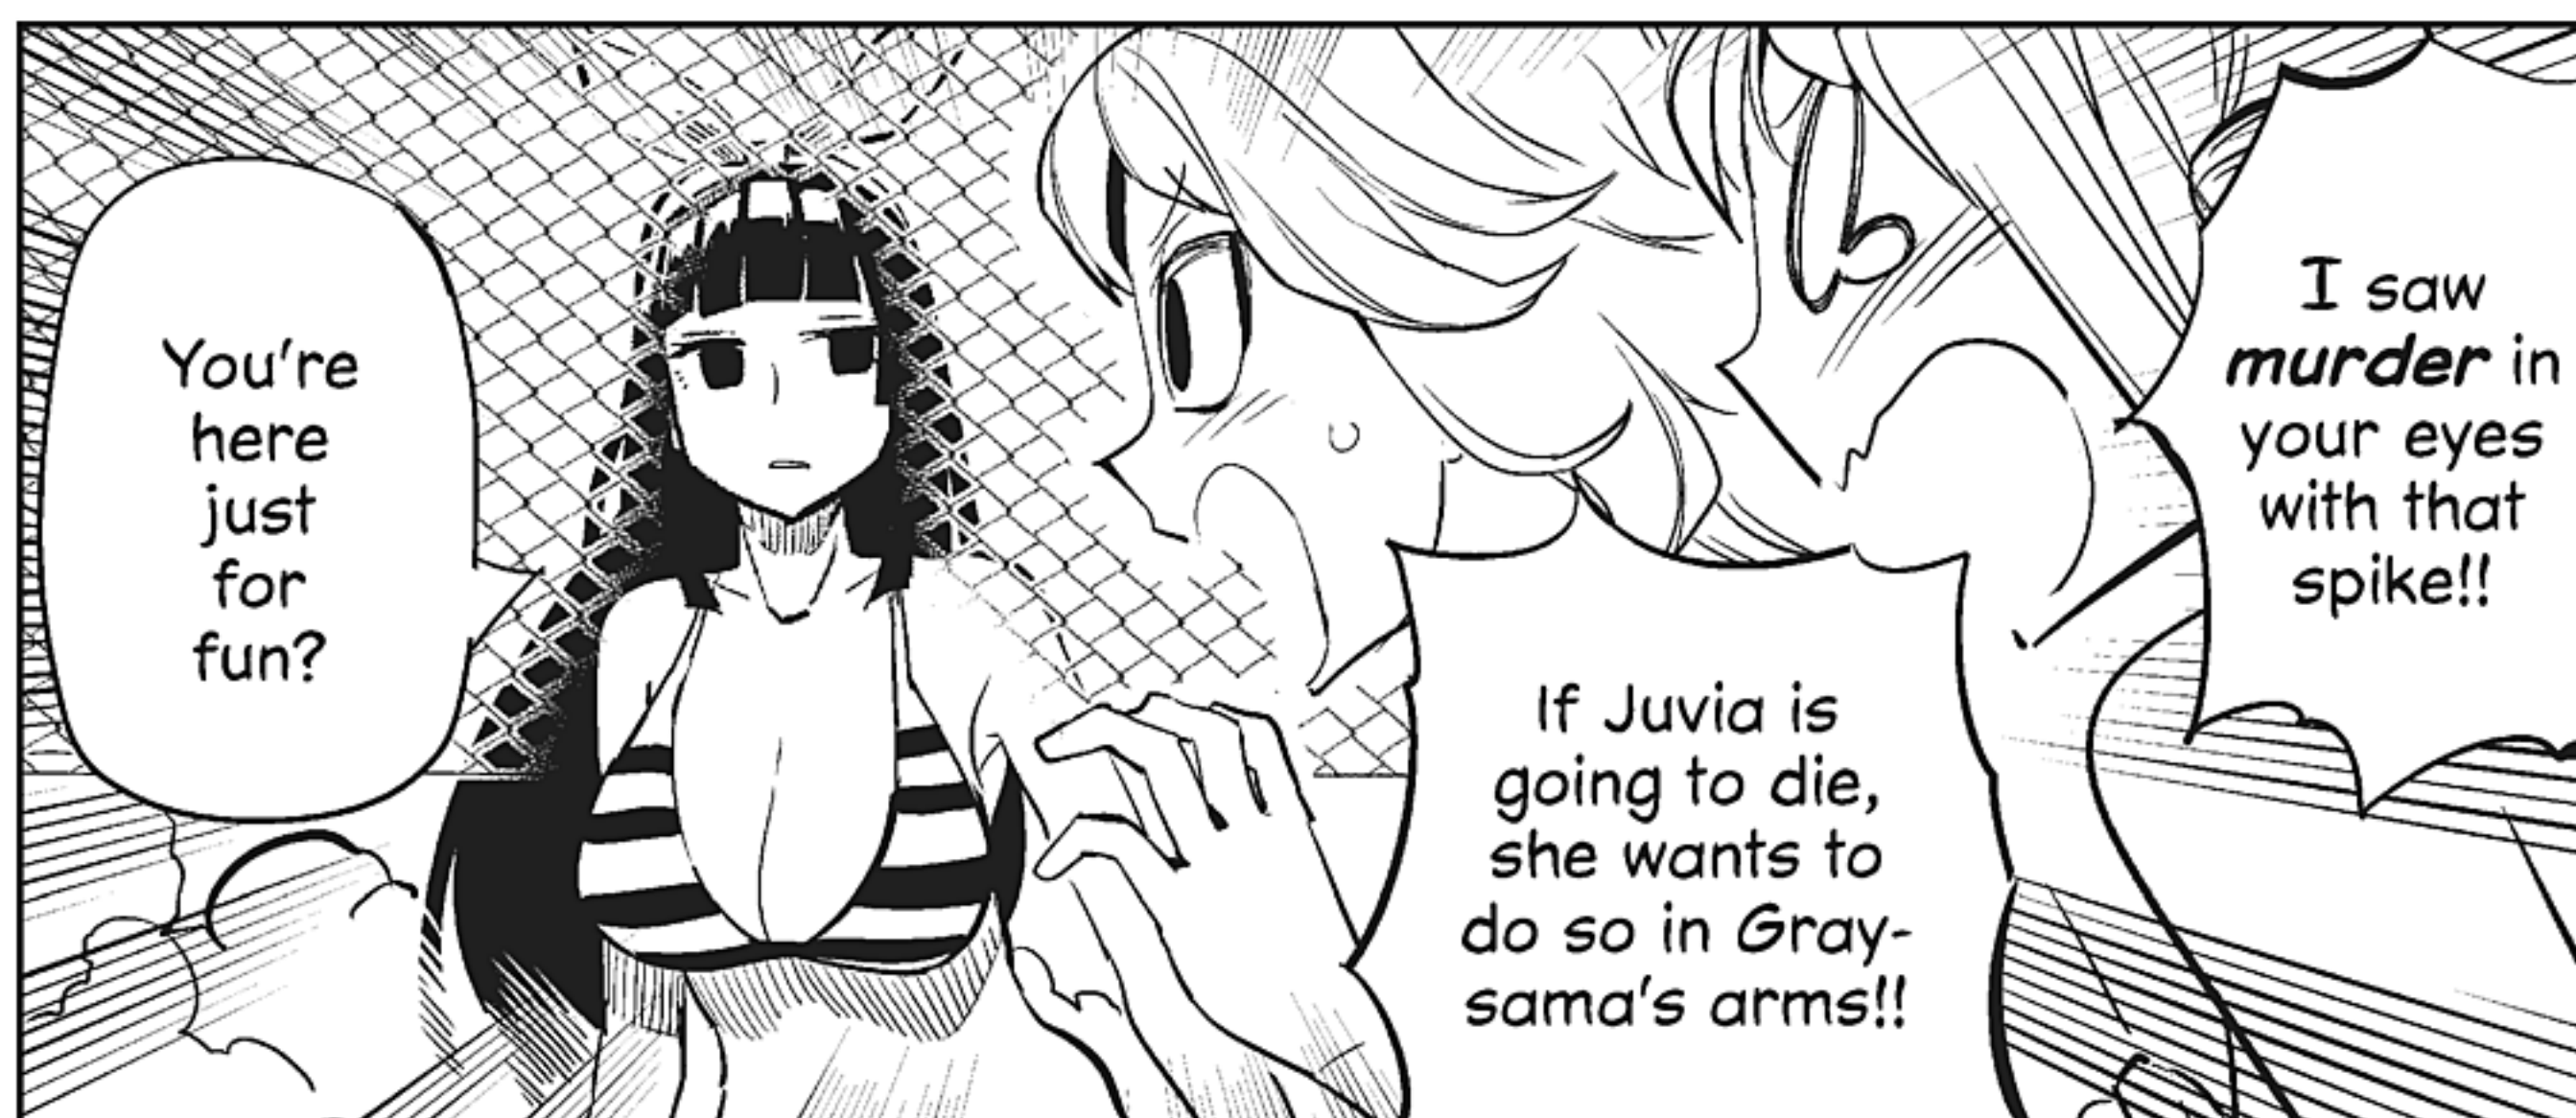

A good
tactic is to
aim to rip
their clothes
and make
them unable
to continue
playing.

Now
wait a
second
!!

One
point to
Kagura-
san.

That
one's
in.

You're
here
just
for
fun?

I saw
murder in
your eyes
with that
spike!!

If Juvia is
going to die,
she wants to
do so in Gray-
sama's arms!!

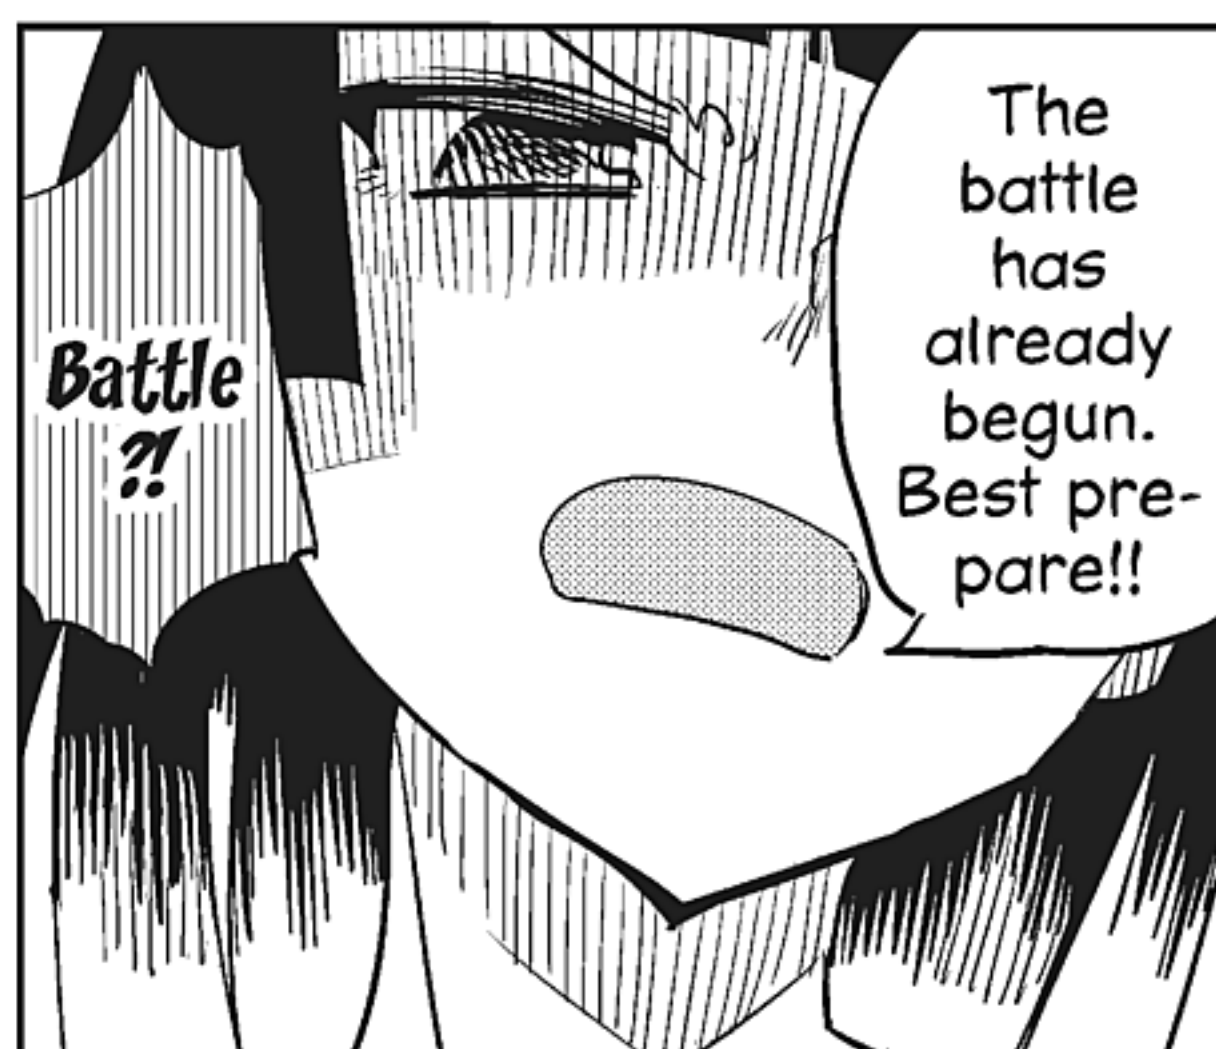

That's
true.

BUT SOON,
THESE GIRLS
WOULD
REALIZE...

Ka-
gura
is in
serious
mode!

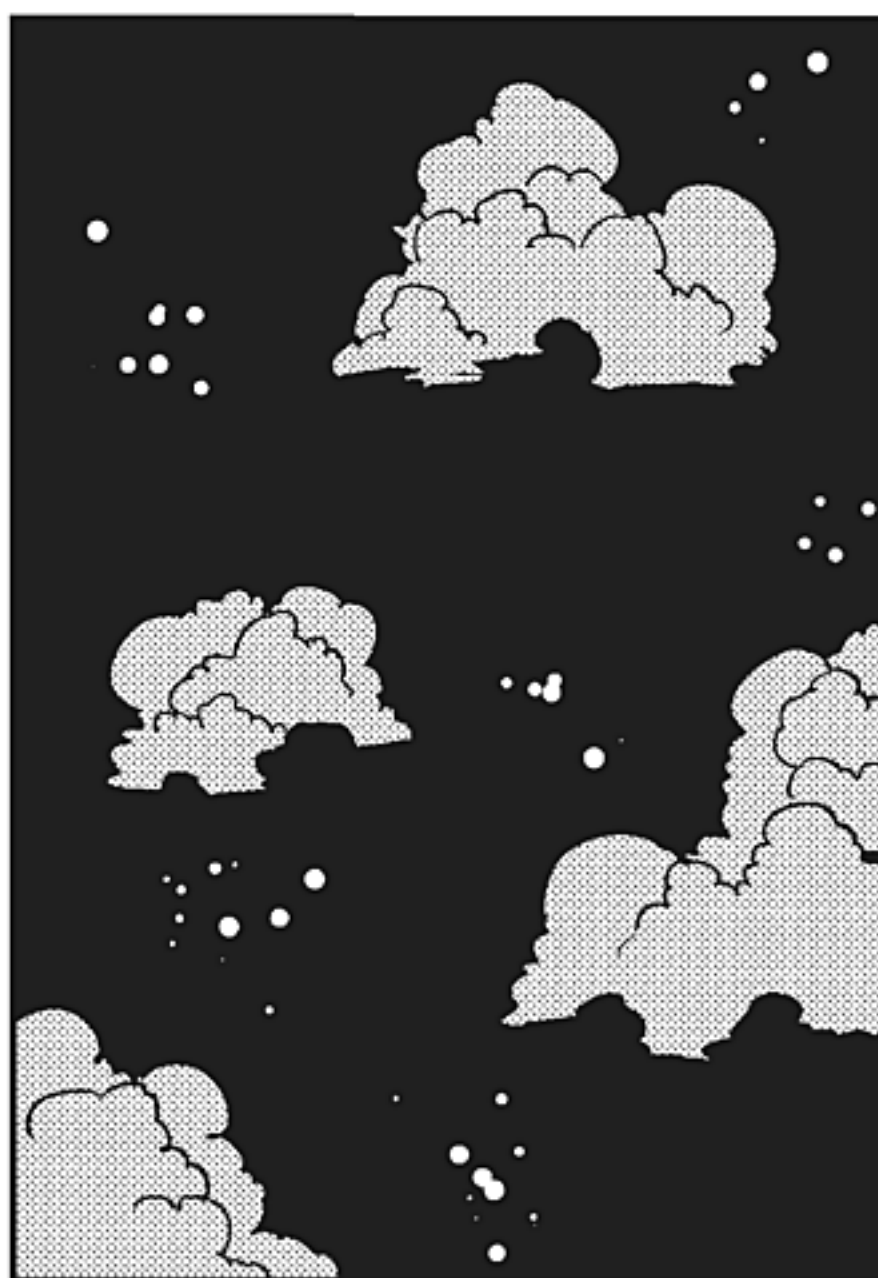

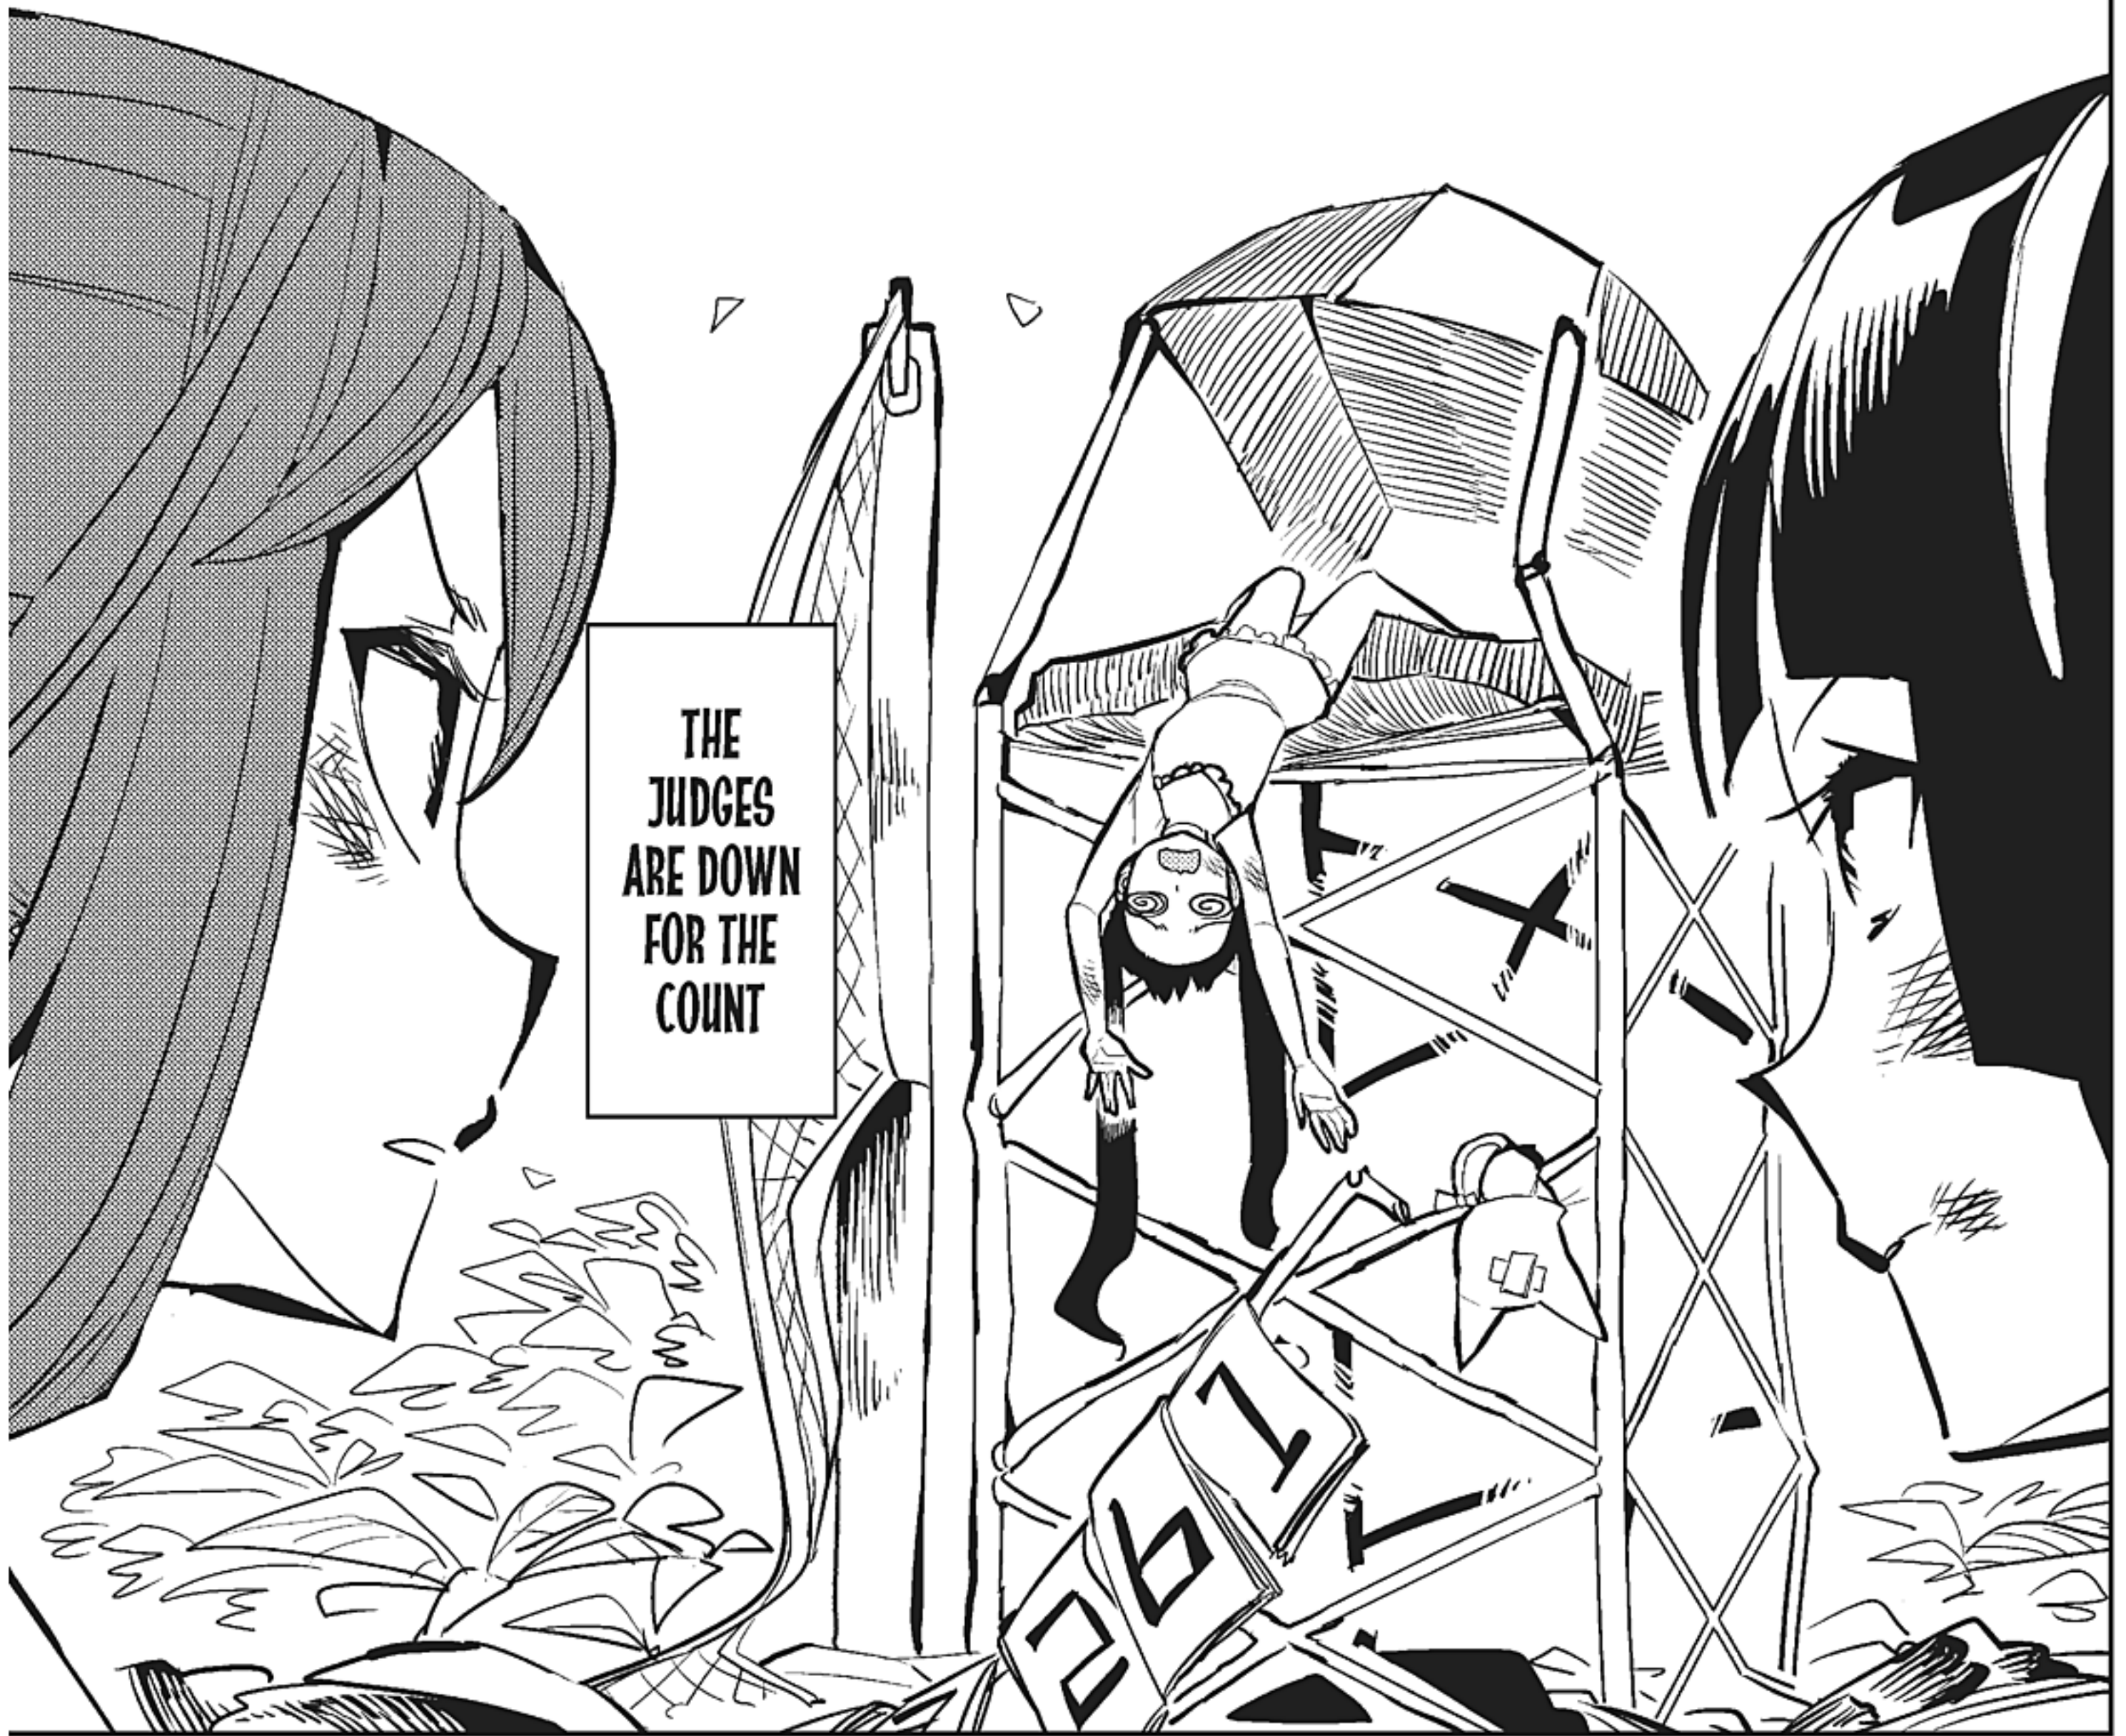

There's
no
stopping
her
now!!

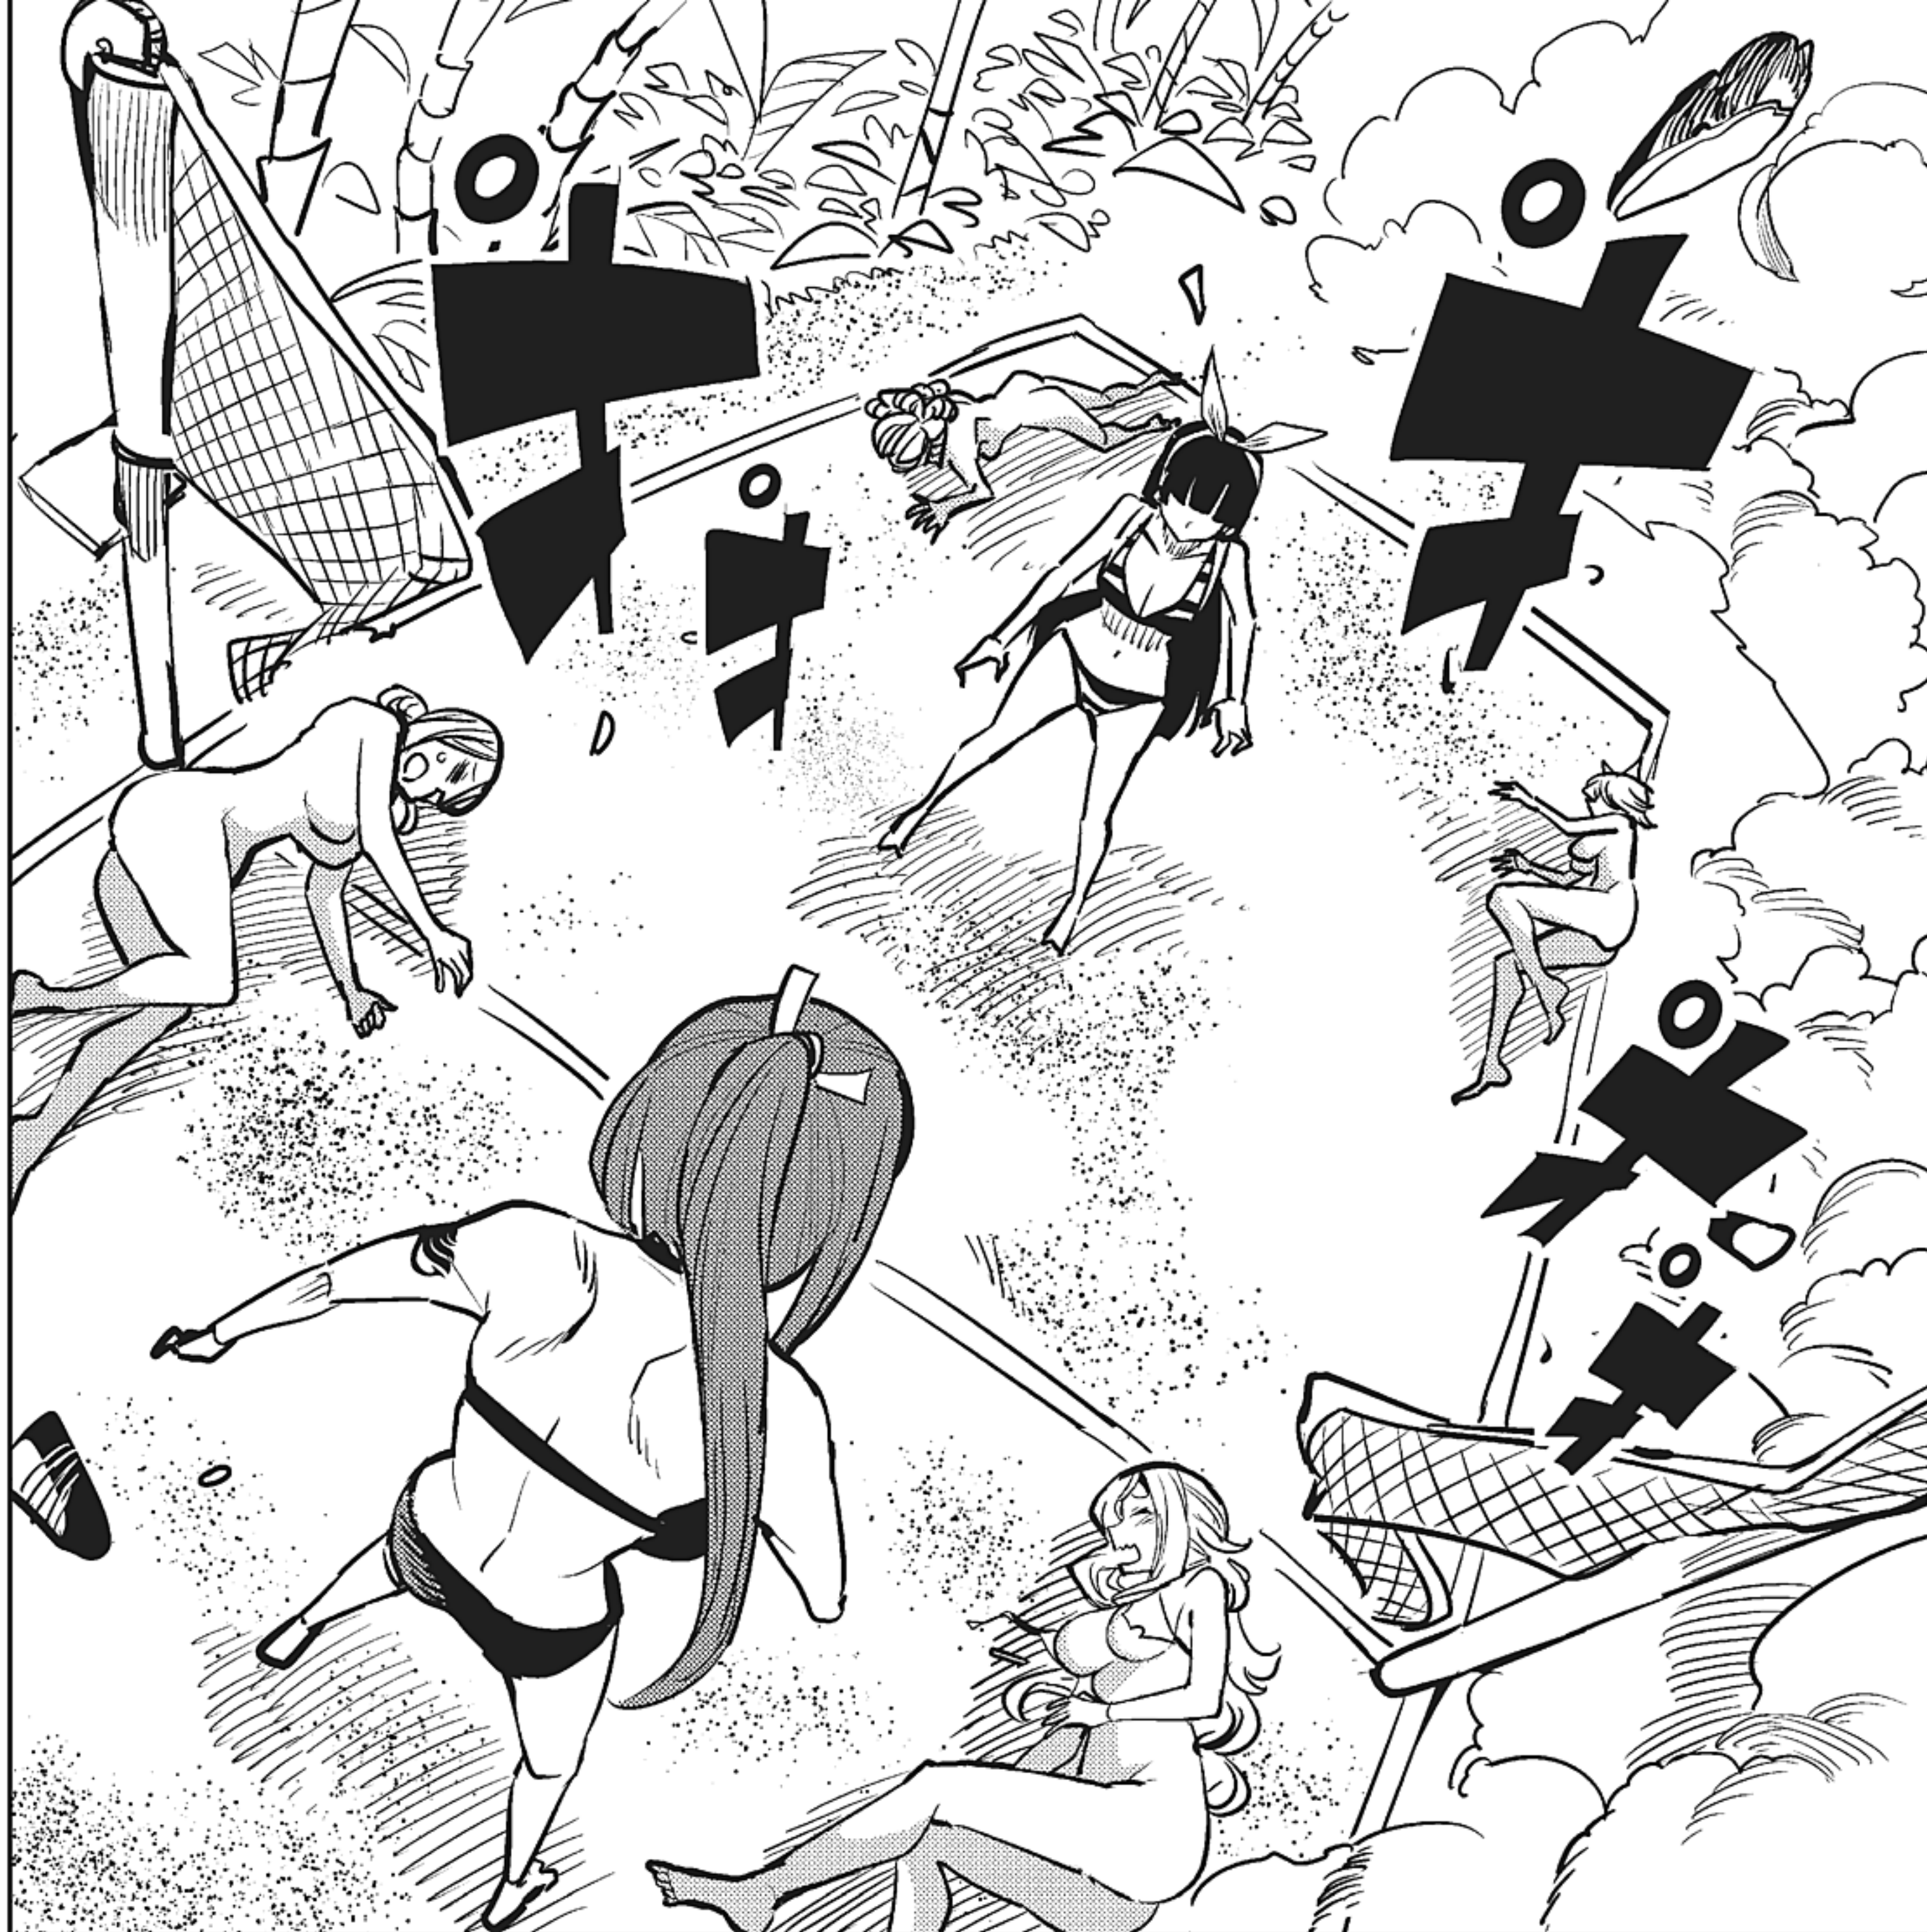

**Battle
?!**

The
battle
has
already
begun.
Best pre-
pare!!

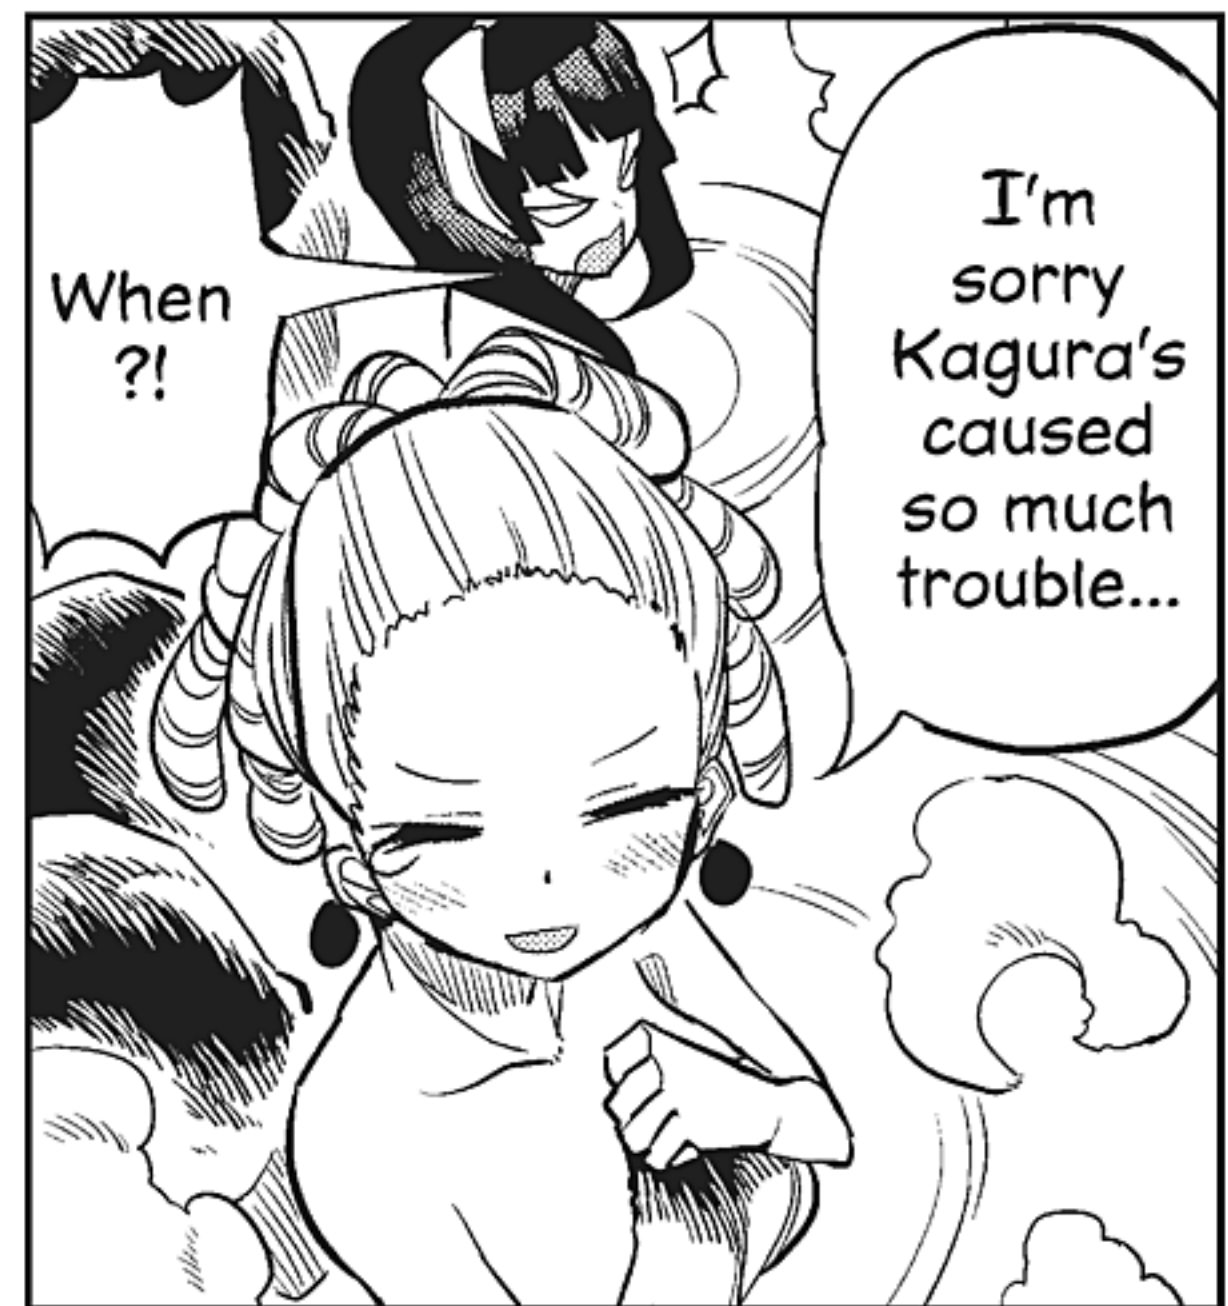

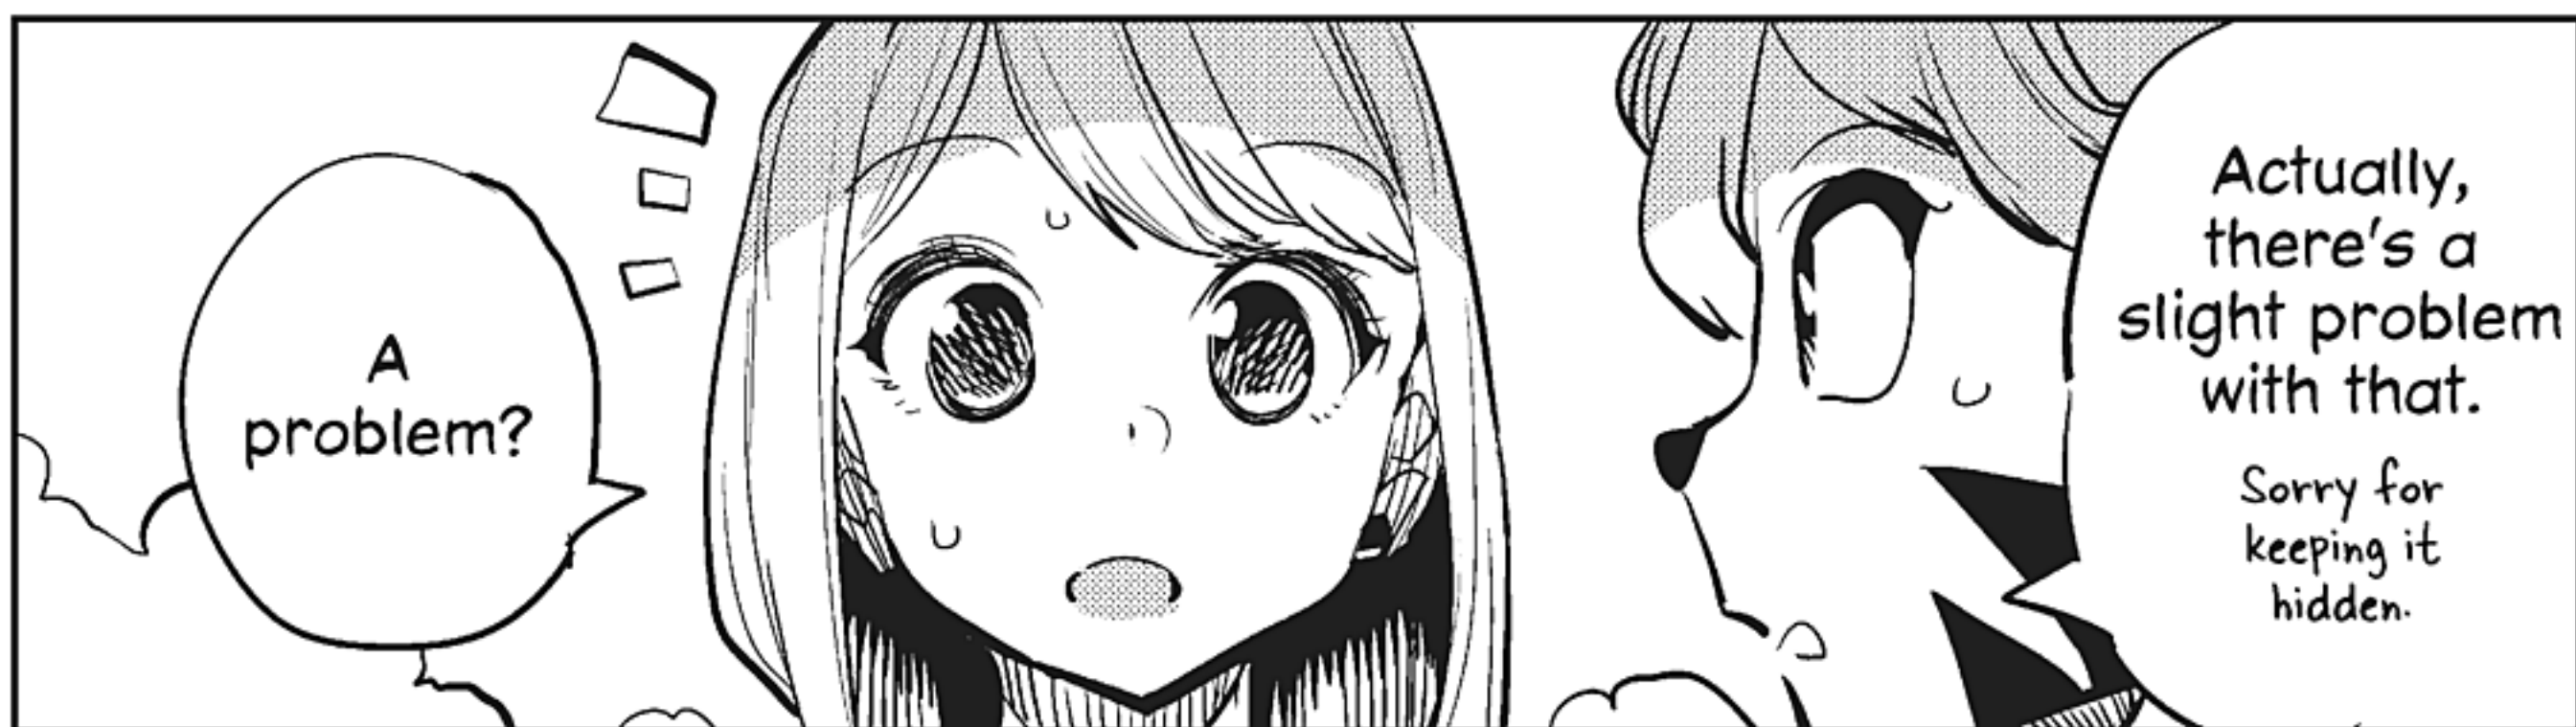

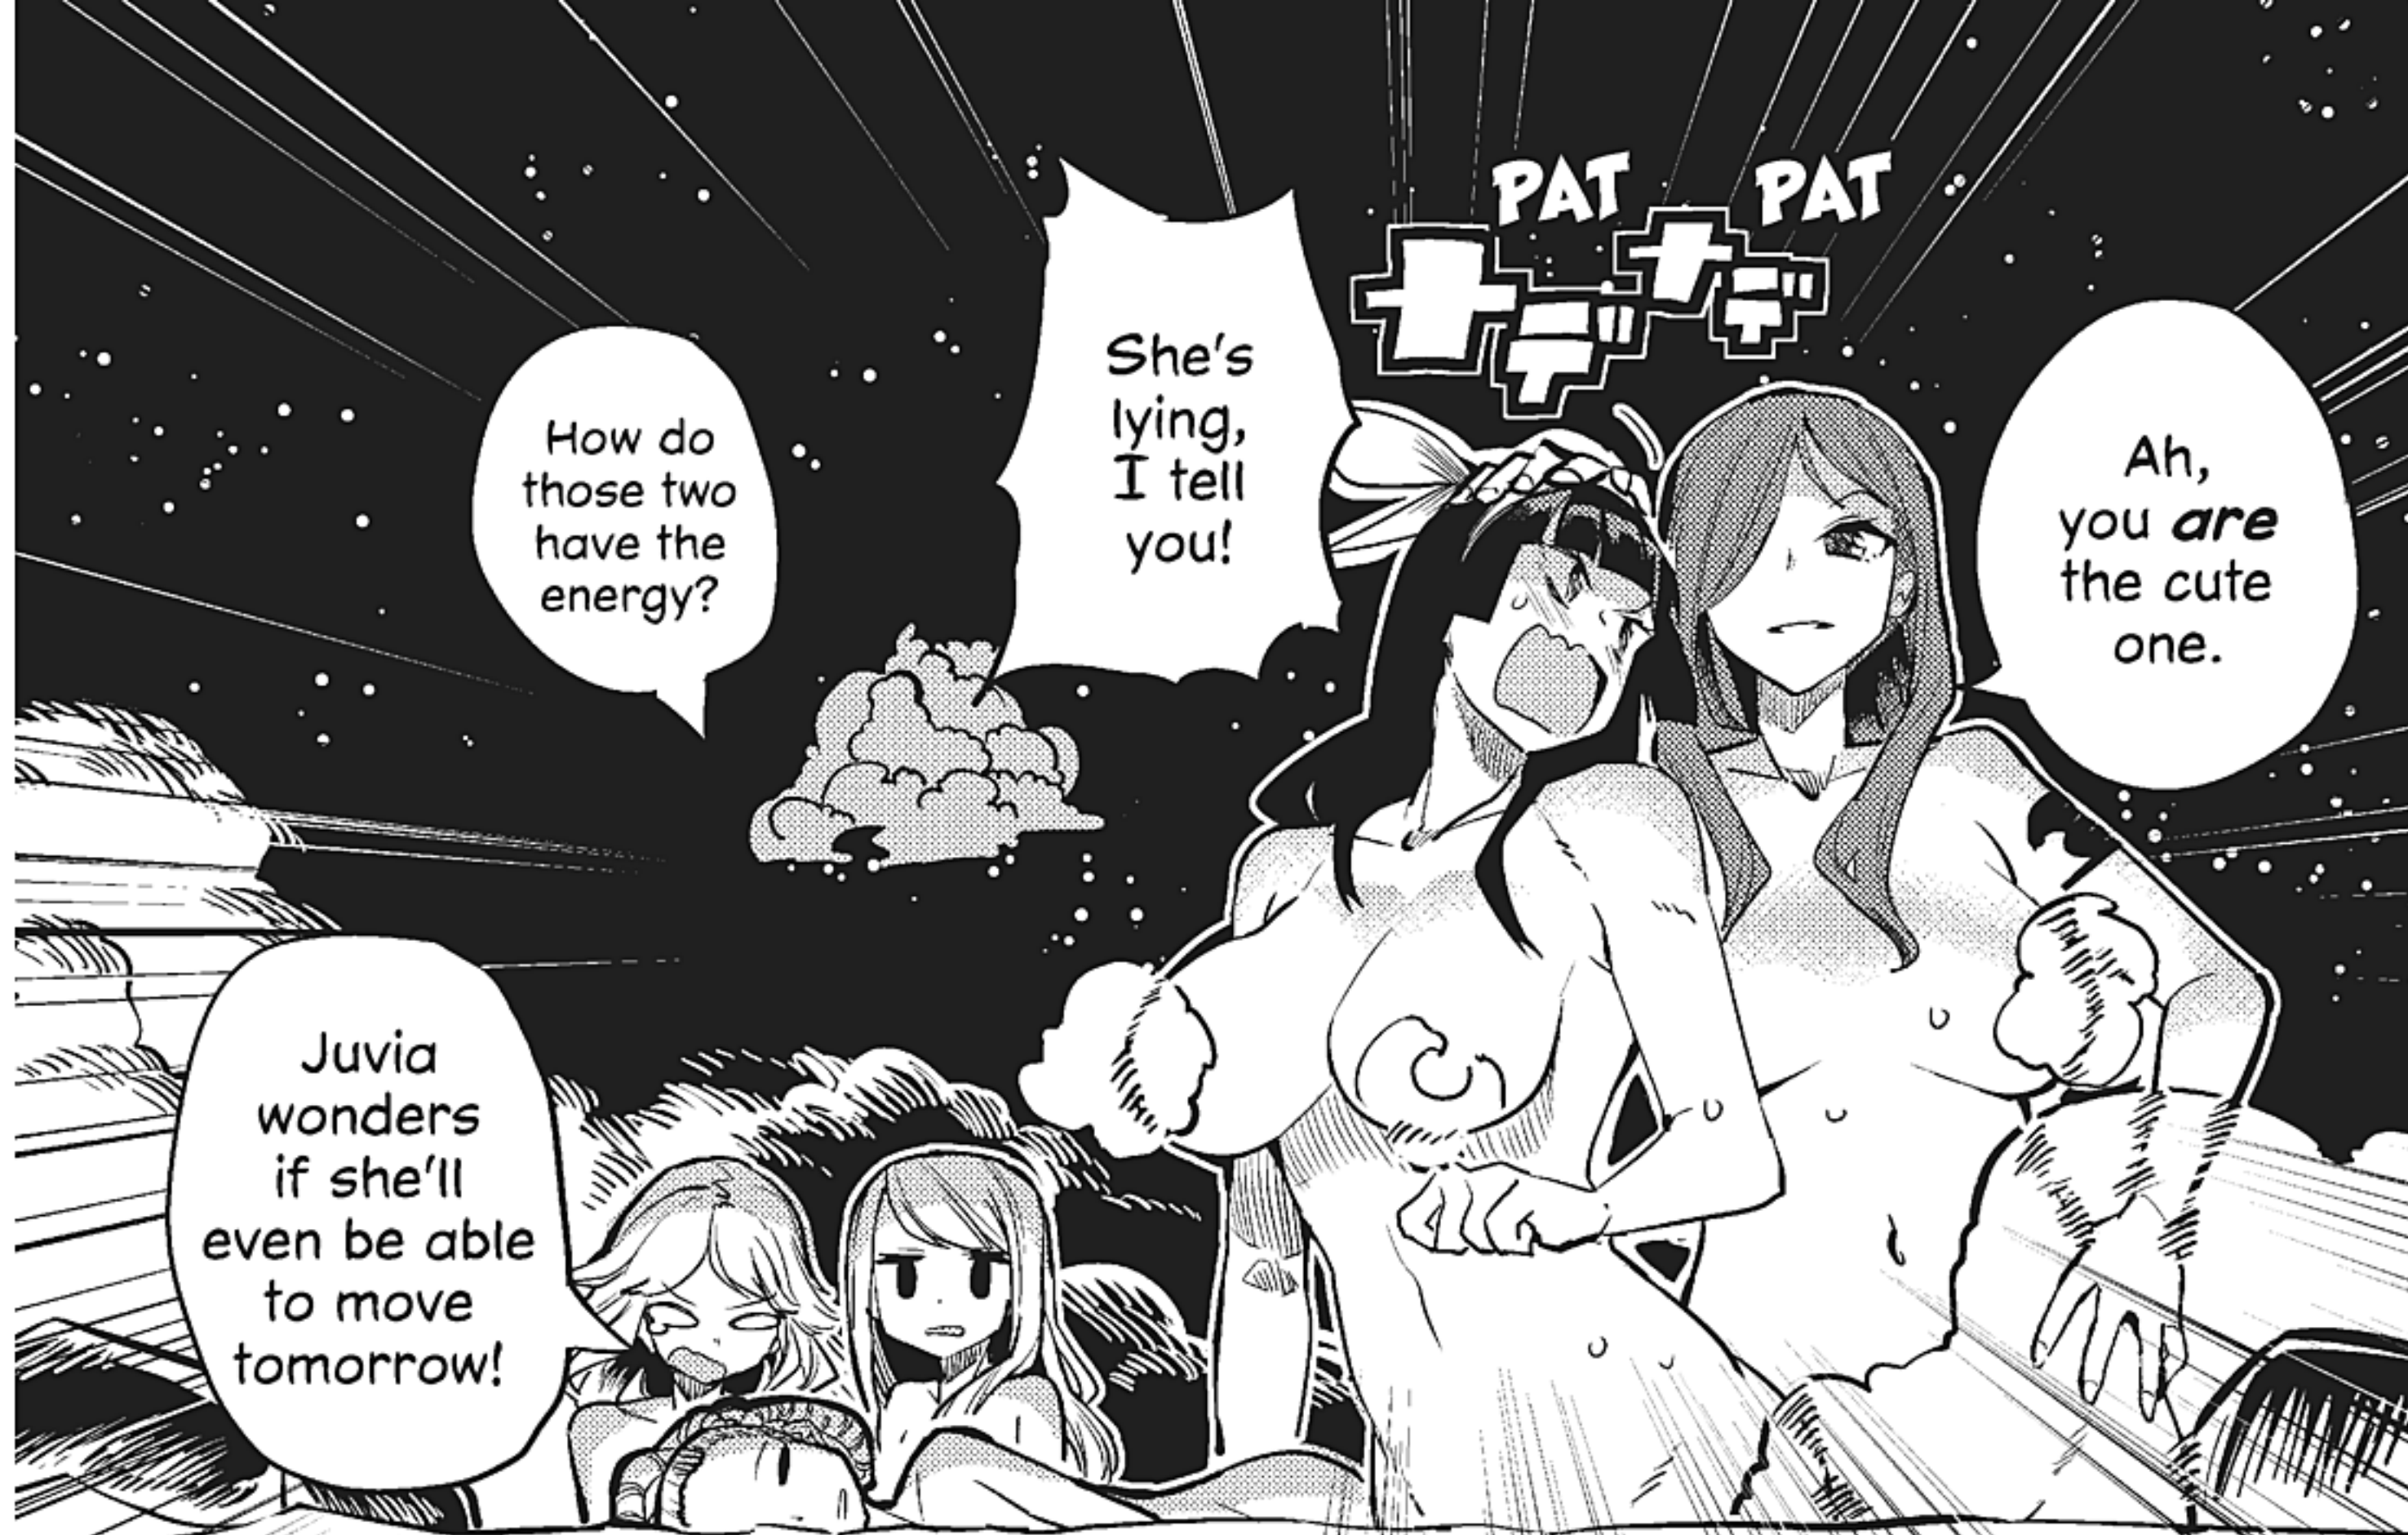

An open-air
hot spring
right near a
cliff edge is
an amazing
thing.

It is
like we're
floating in
the sky.

A magni-
ficent
sight, is
it not?

Chapter 13:
Mermaid's Miscalculation

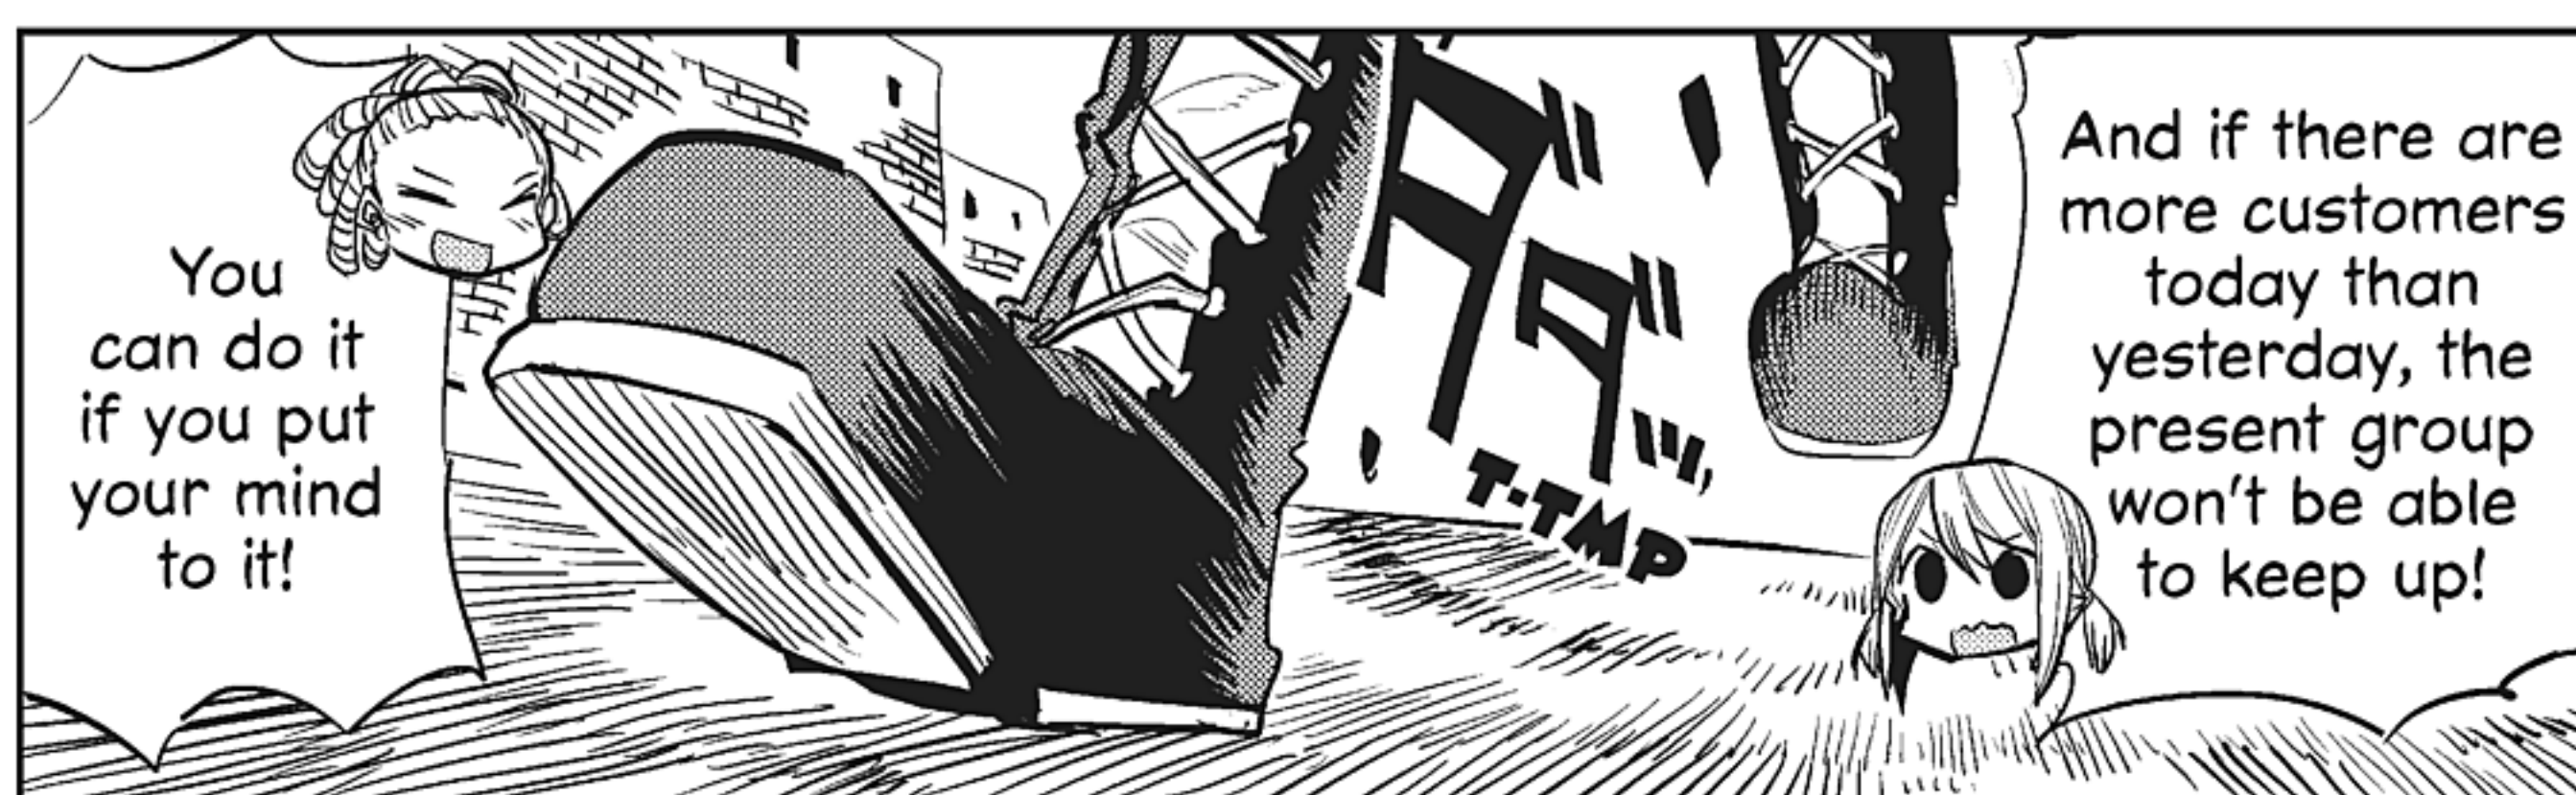

Or rather,
shrink it!
This thing
is just
a string!

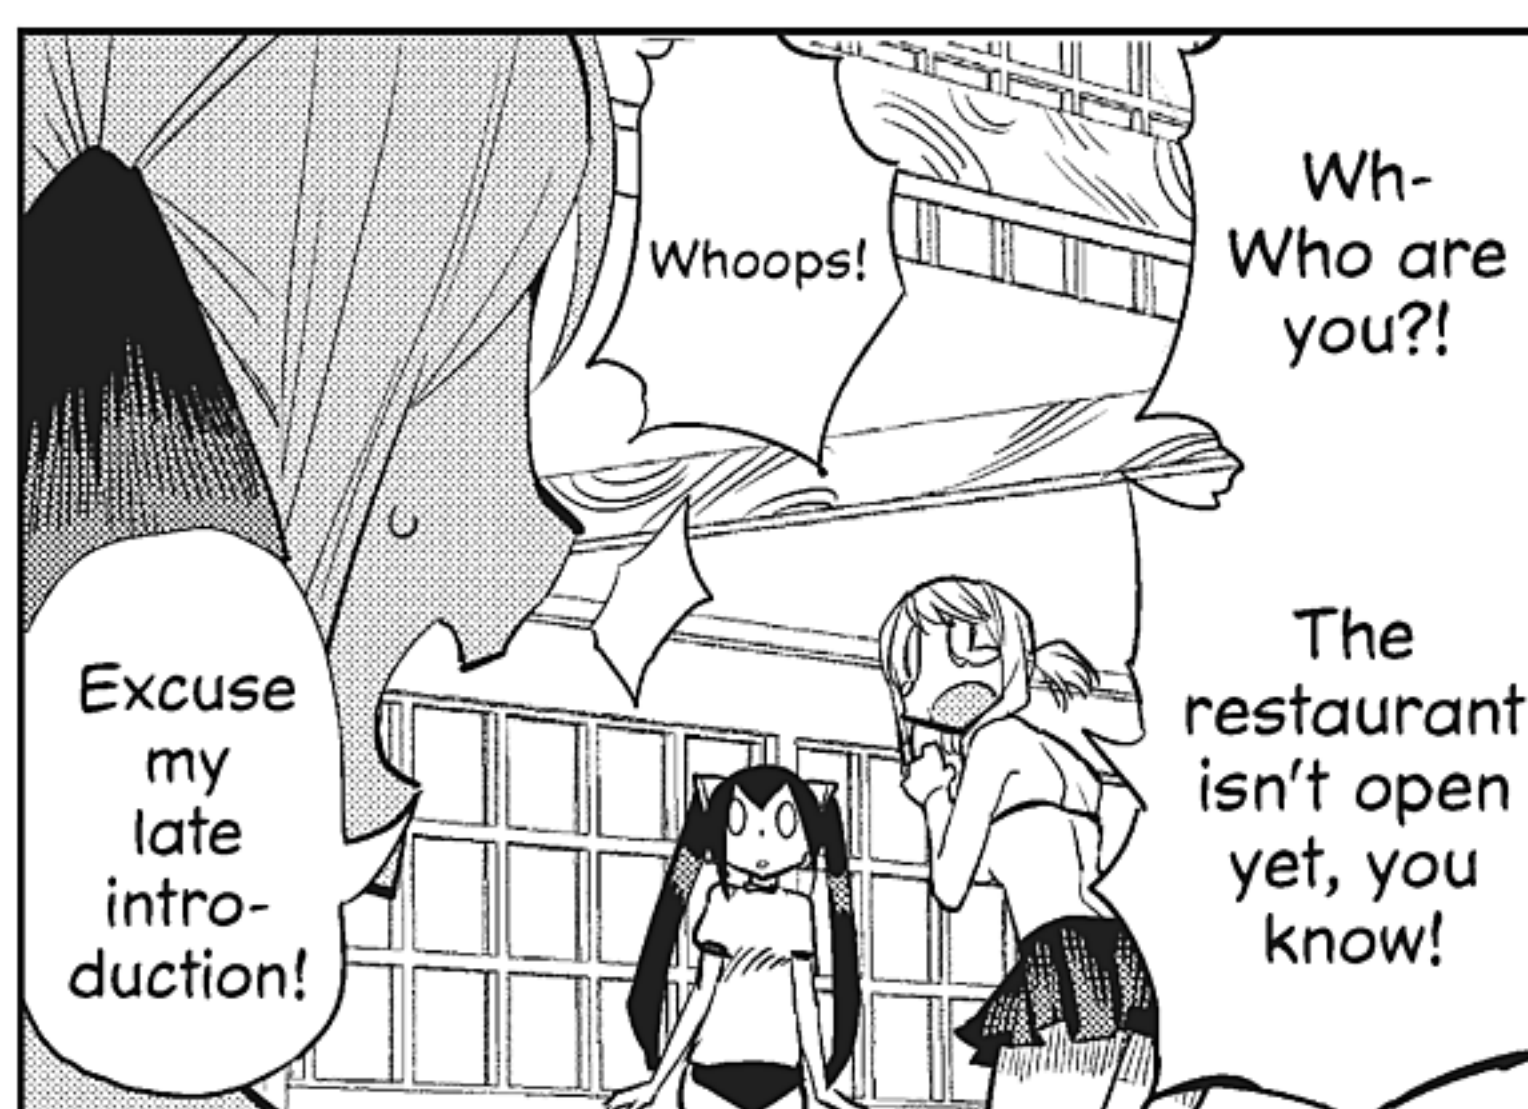

Since
you gained
a good
reputation
yesterday...

...today
we'll want
to expand
upon it!

You
can do it
if you put
your mind
to it!

And if there are
more customers
today than
yesterday, the
present group
won't be able
to keep up!

Excuse
my
late
intro-
duction!

Whoops!

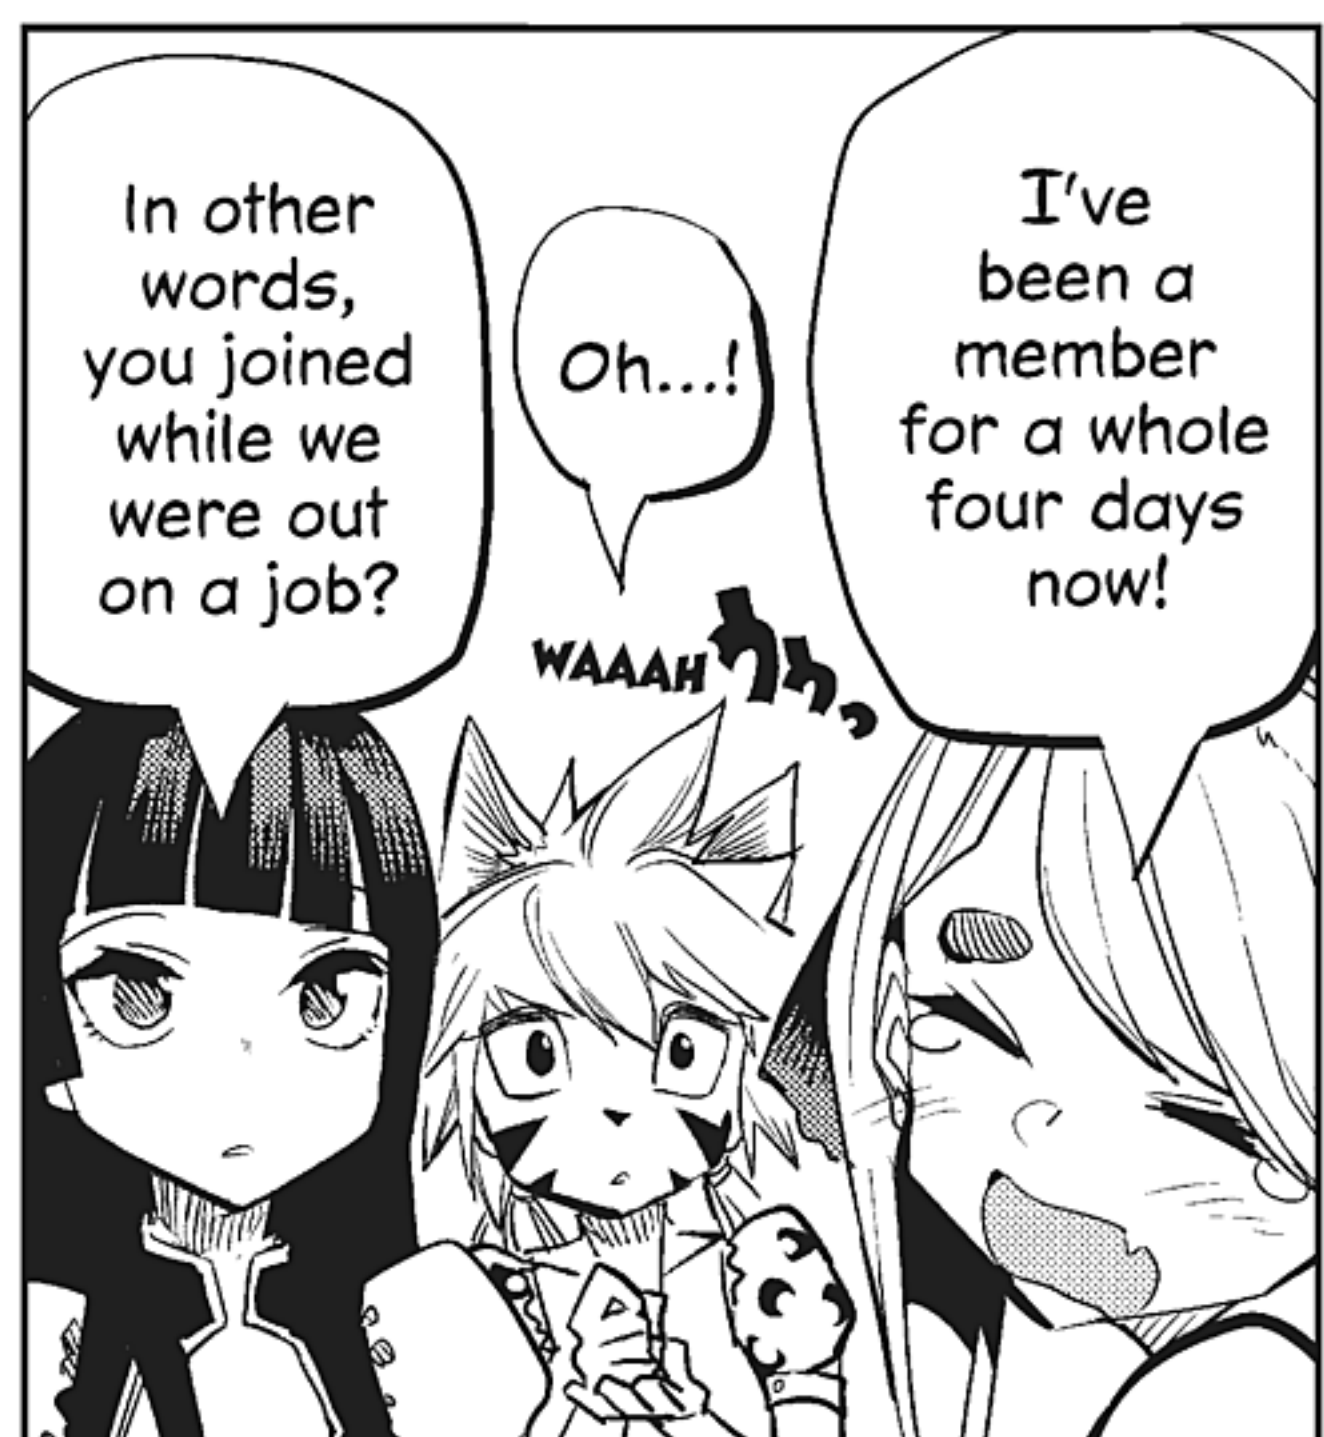

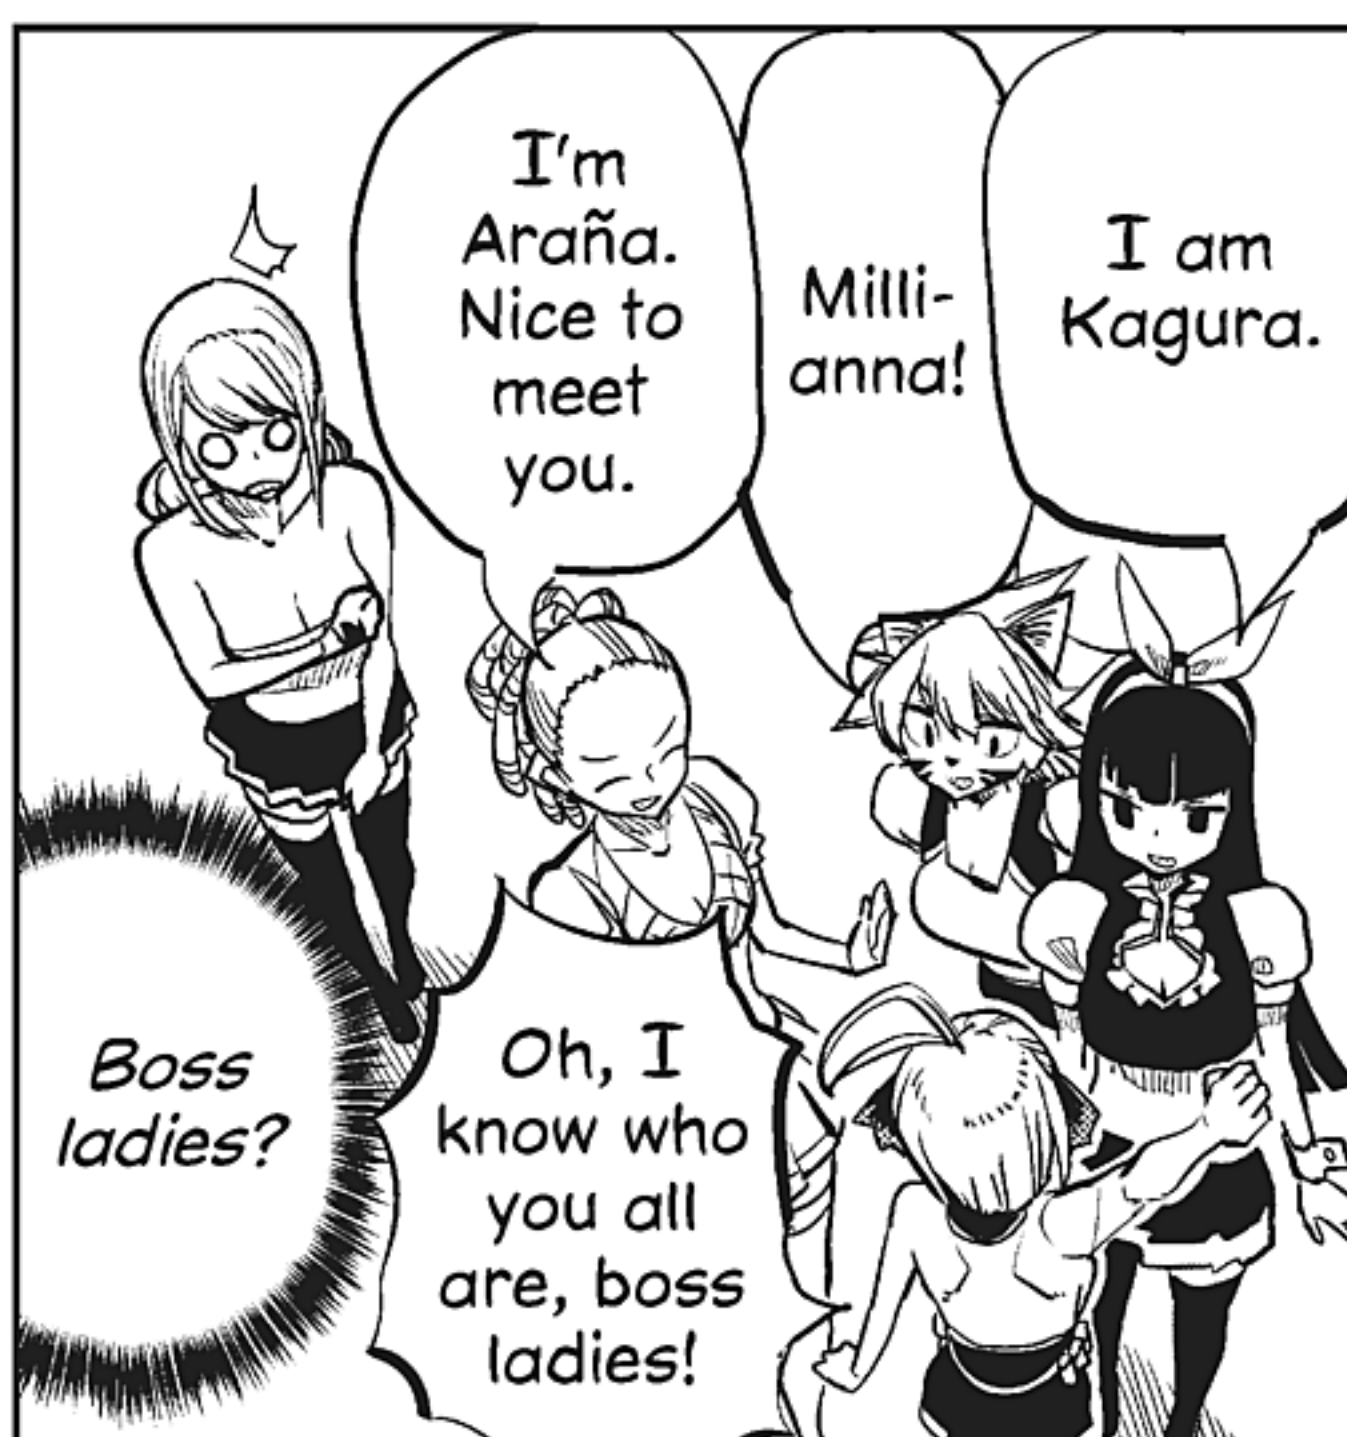

Wh-
Who are
you?!

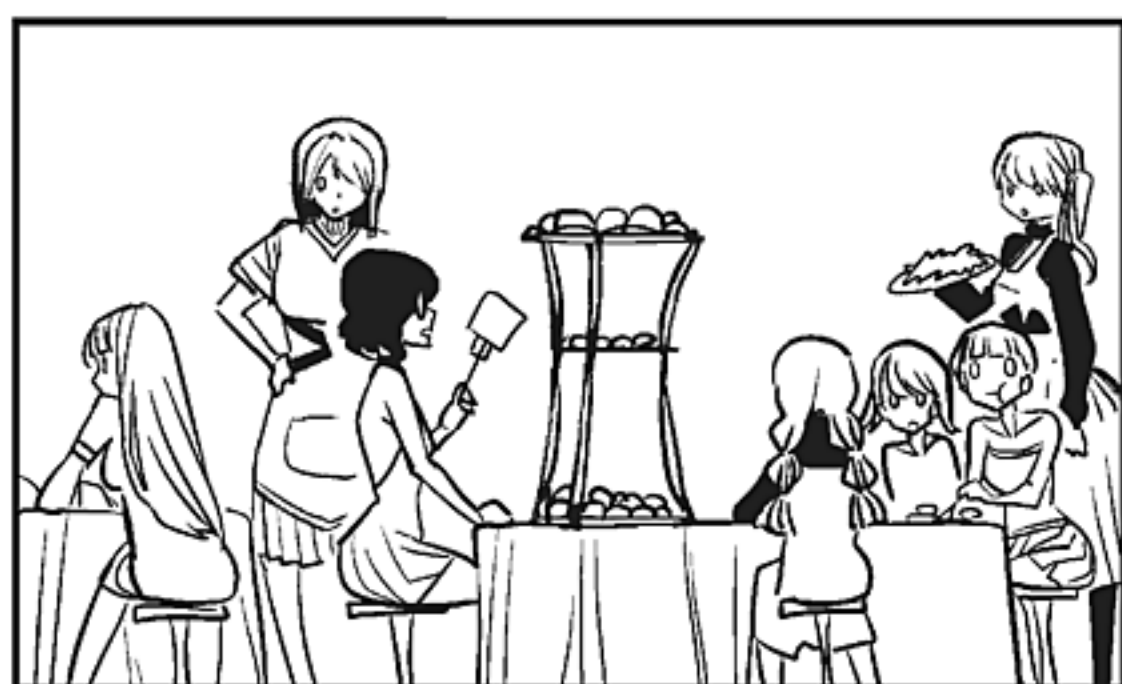

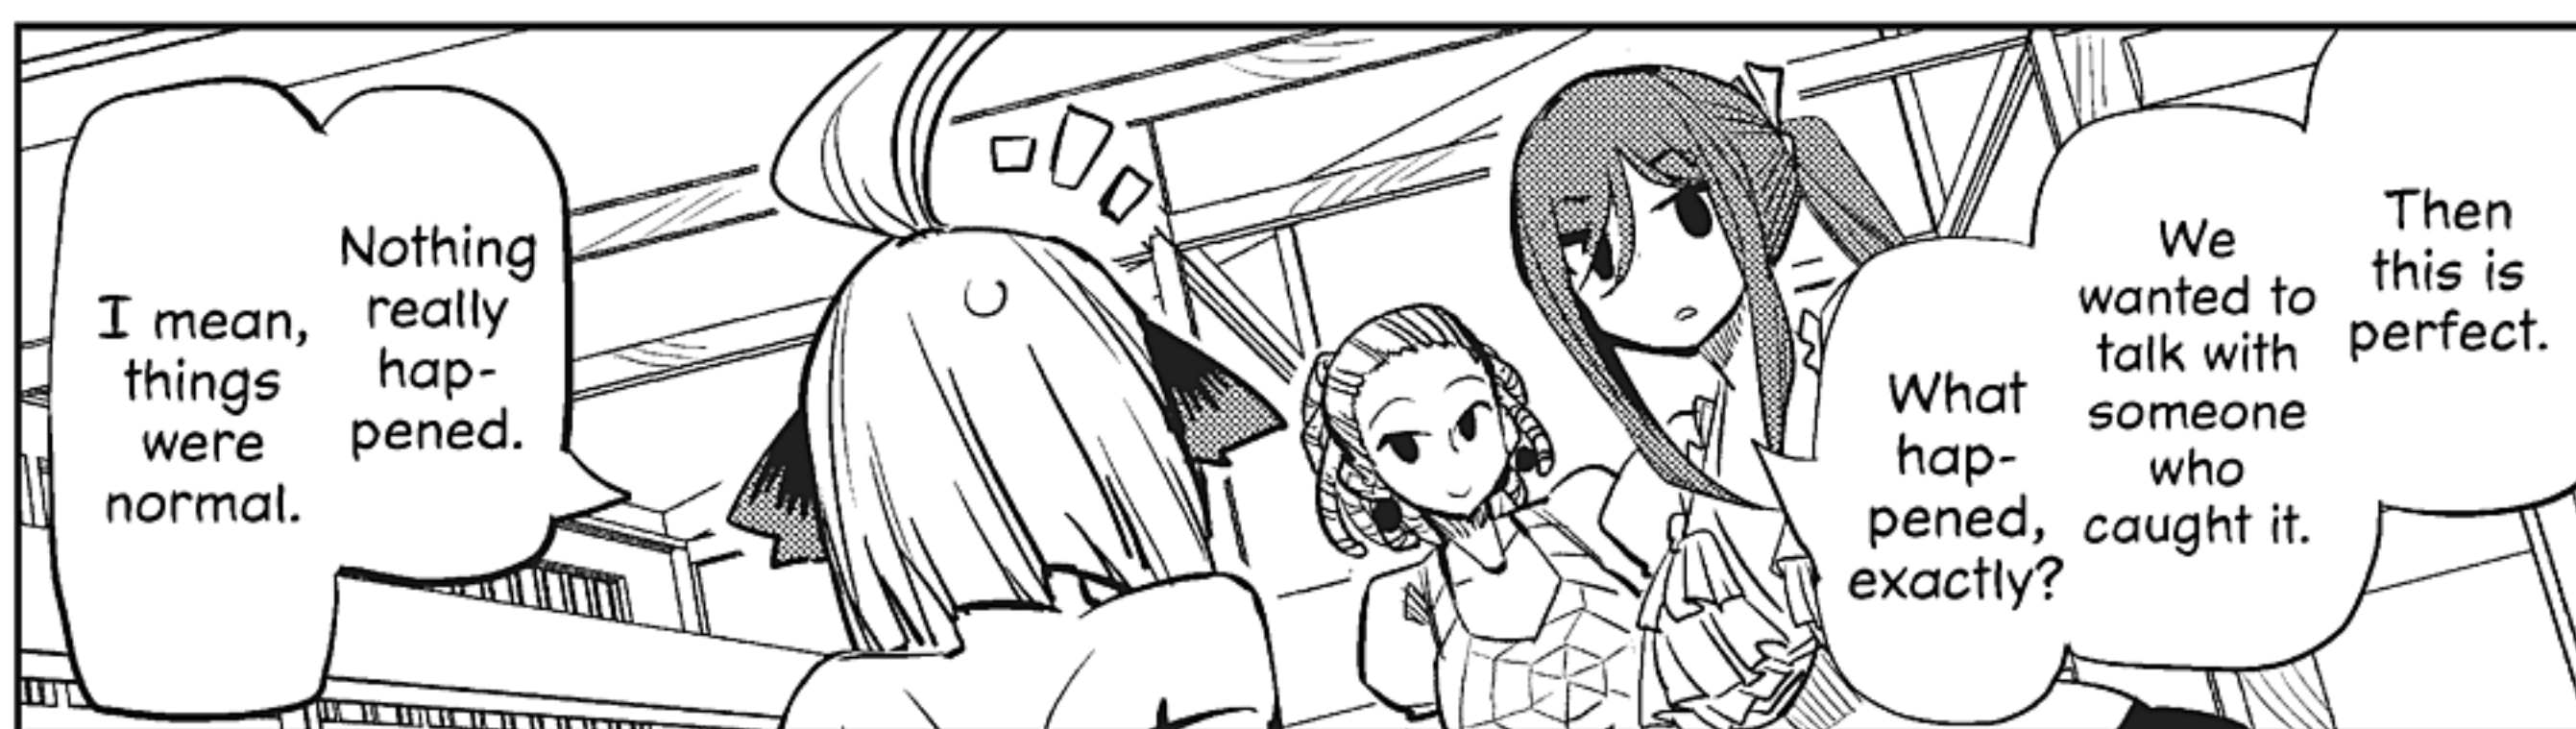

The
restaurant
isn't open
yet, you
know!

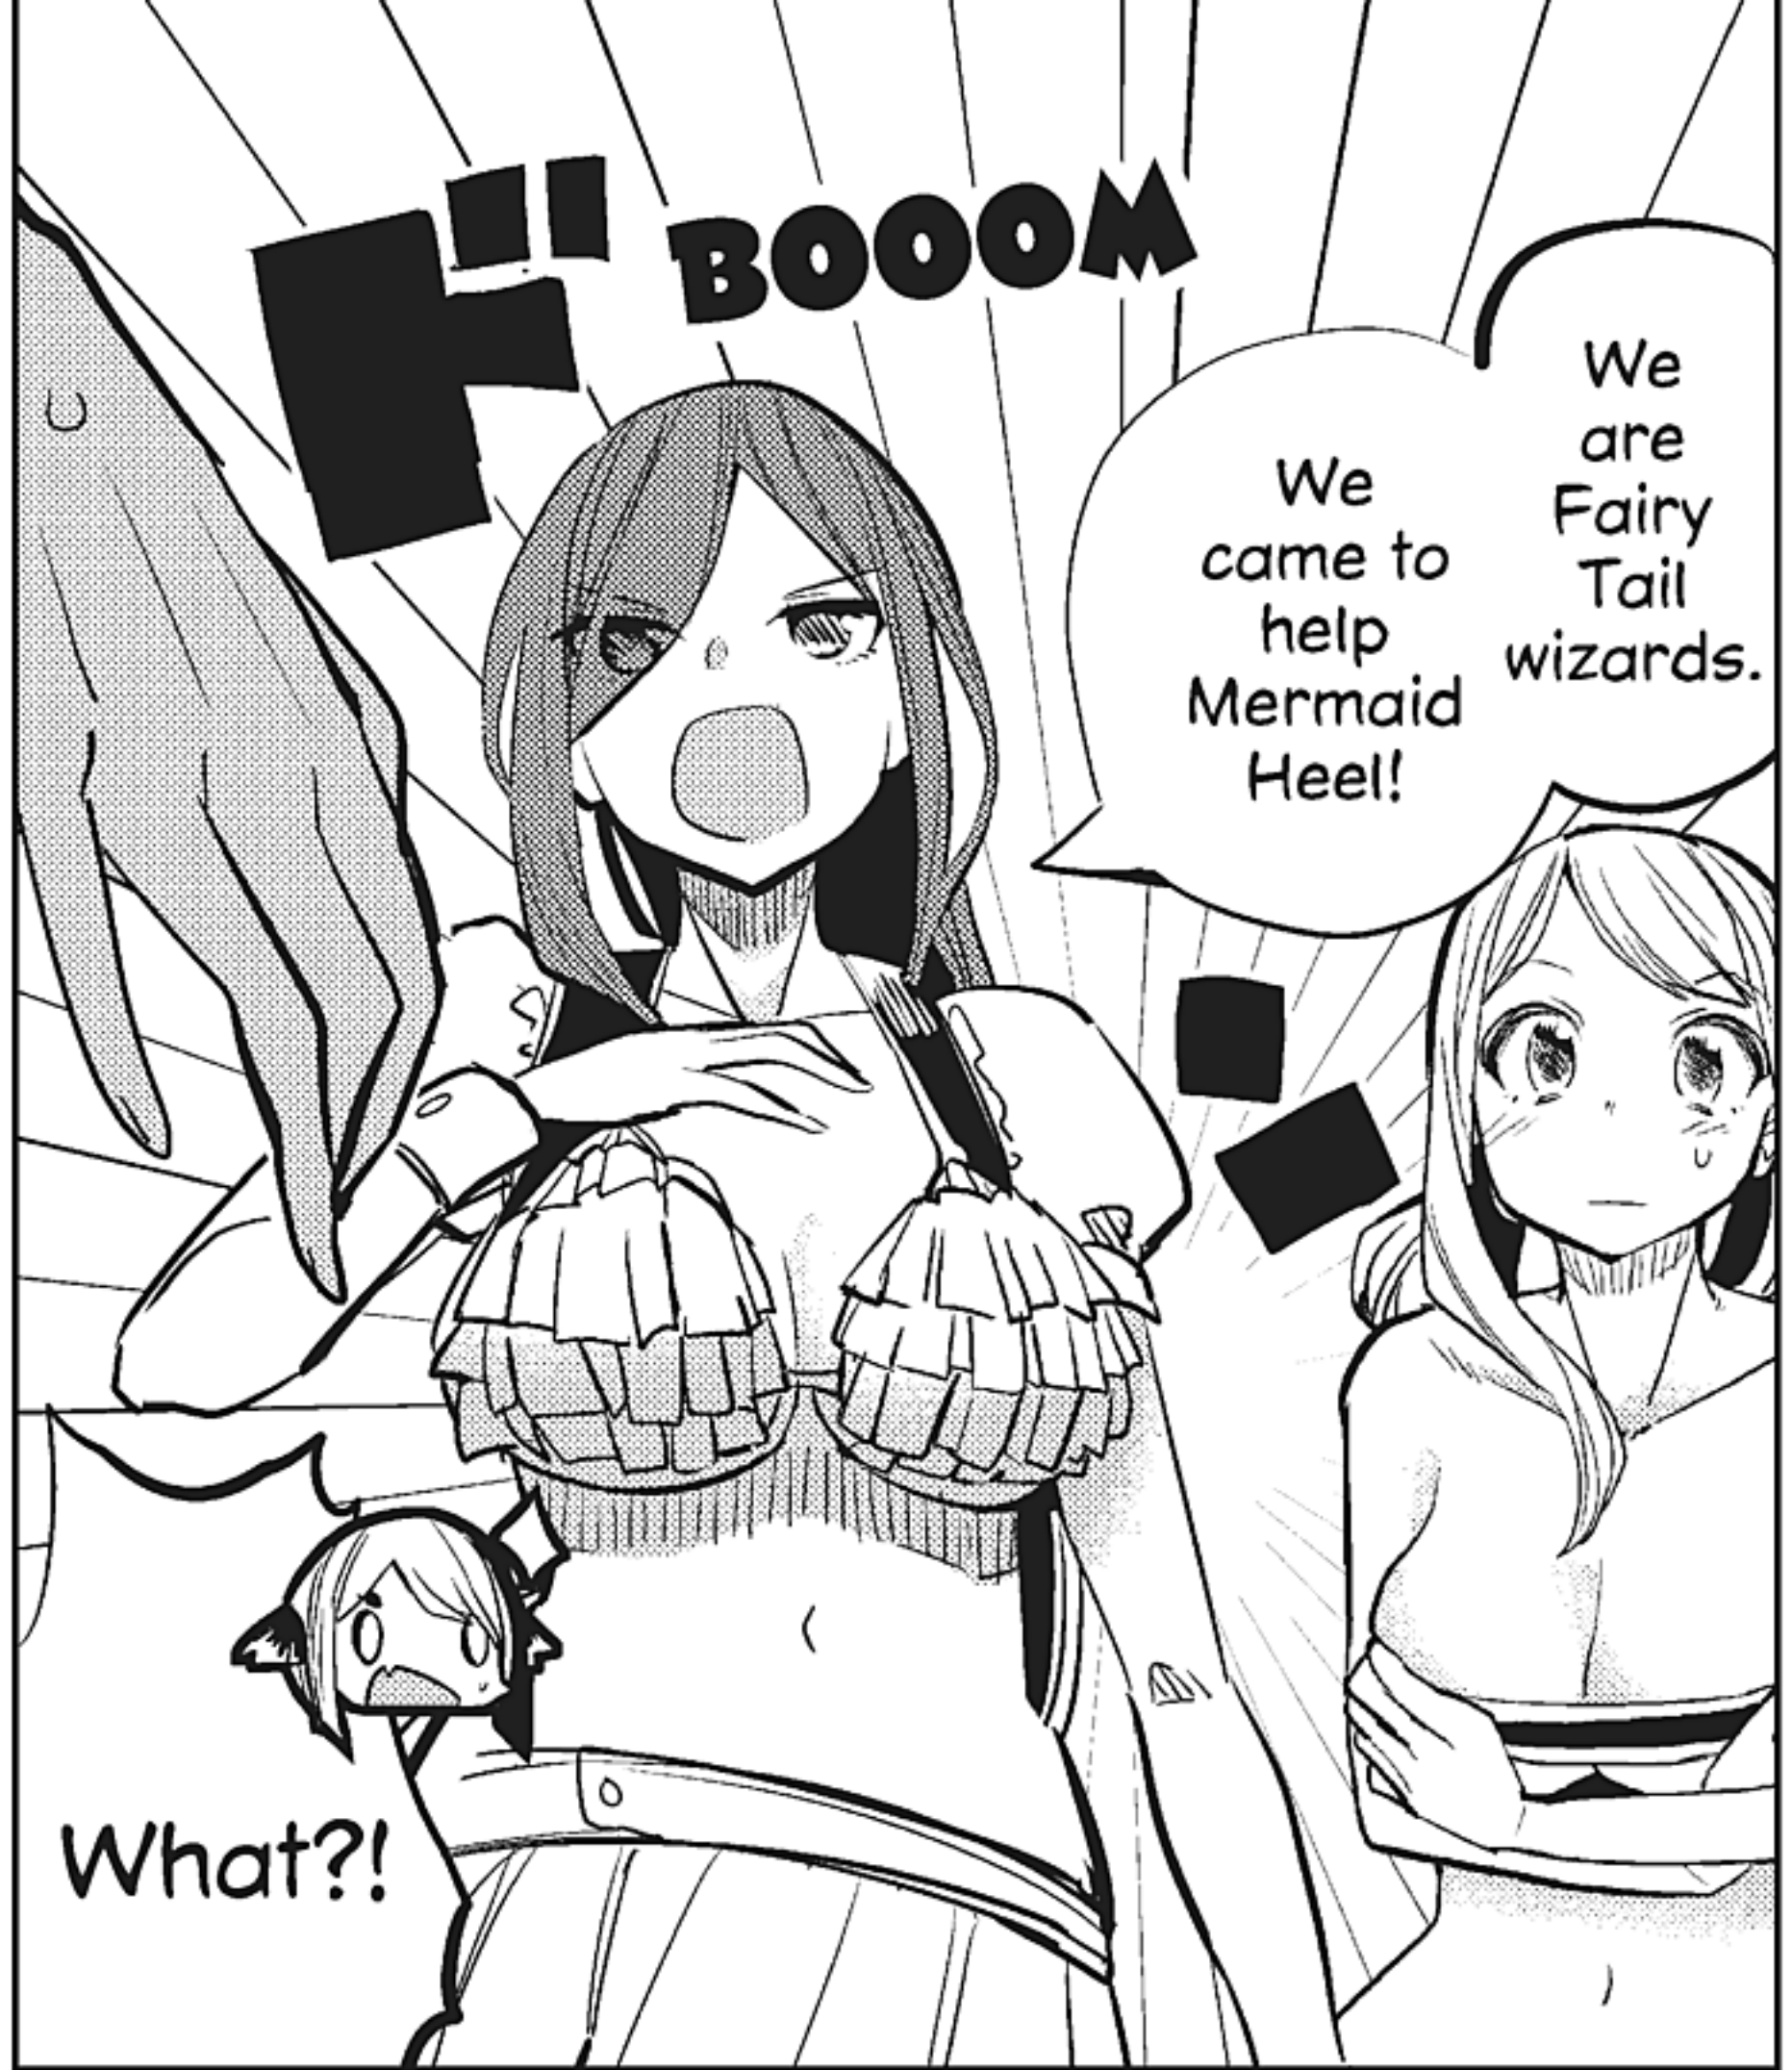

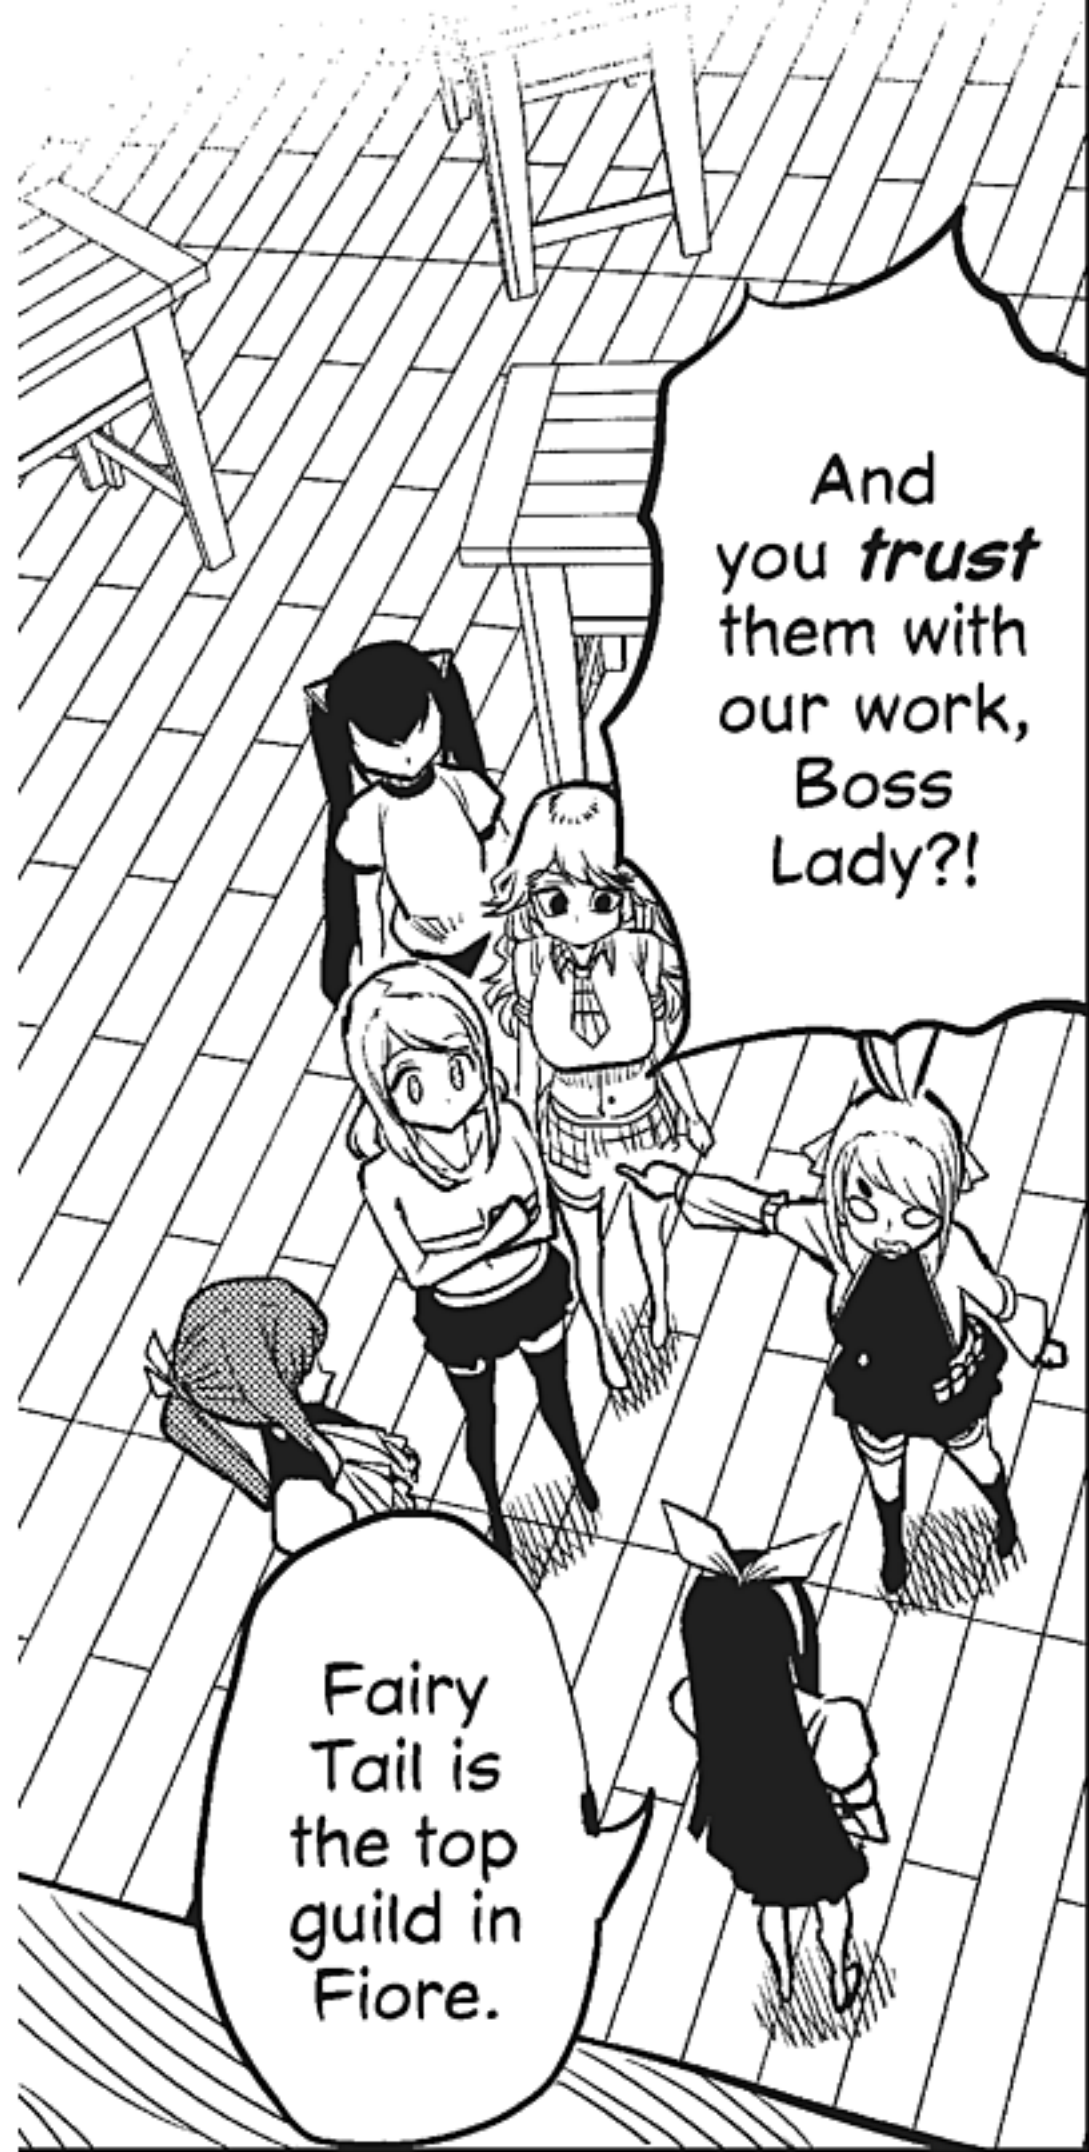

EEEEK!

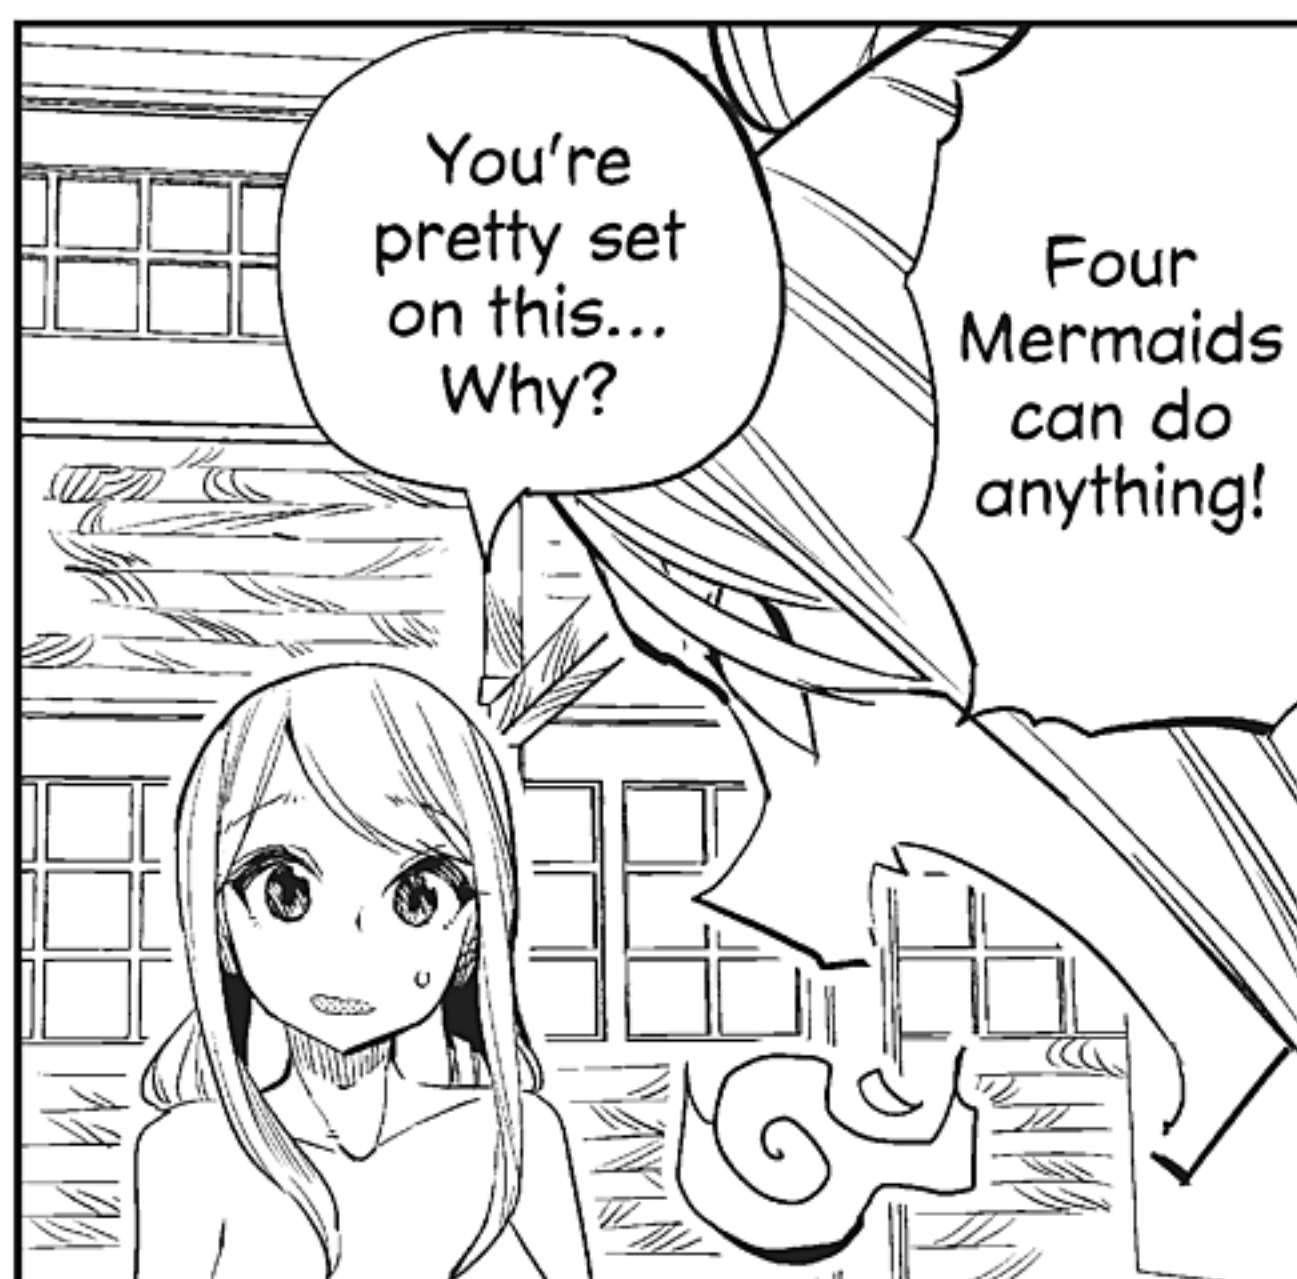

Sorry
I'm
late!

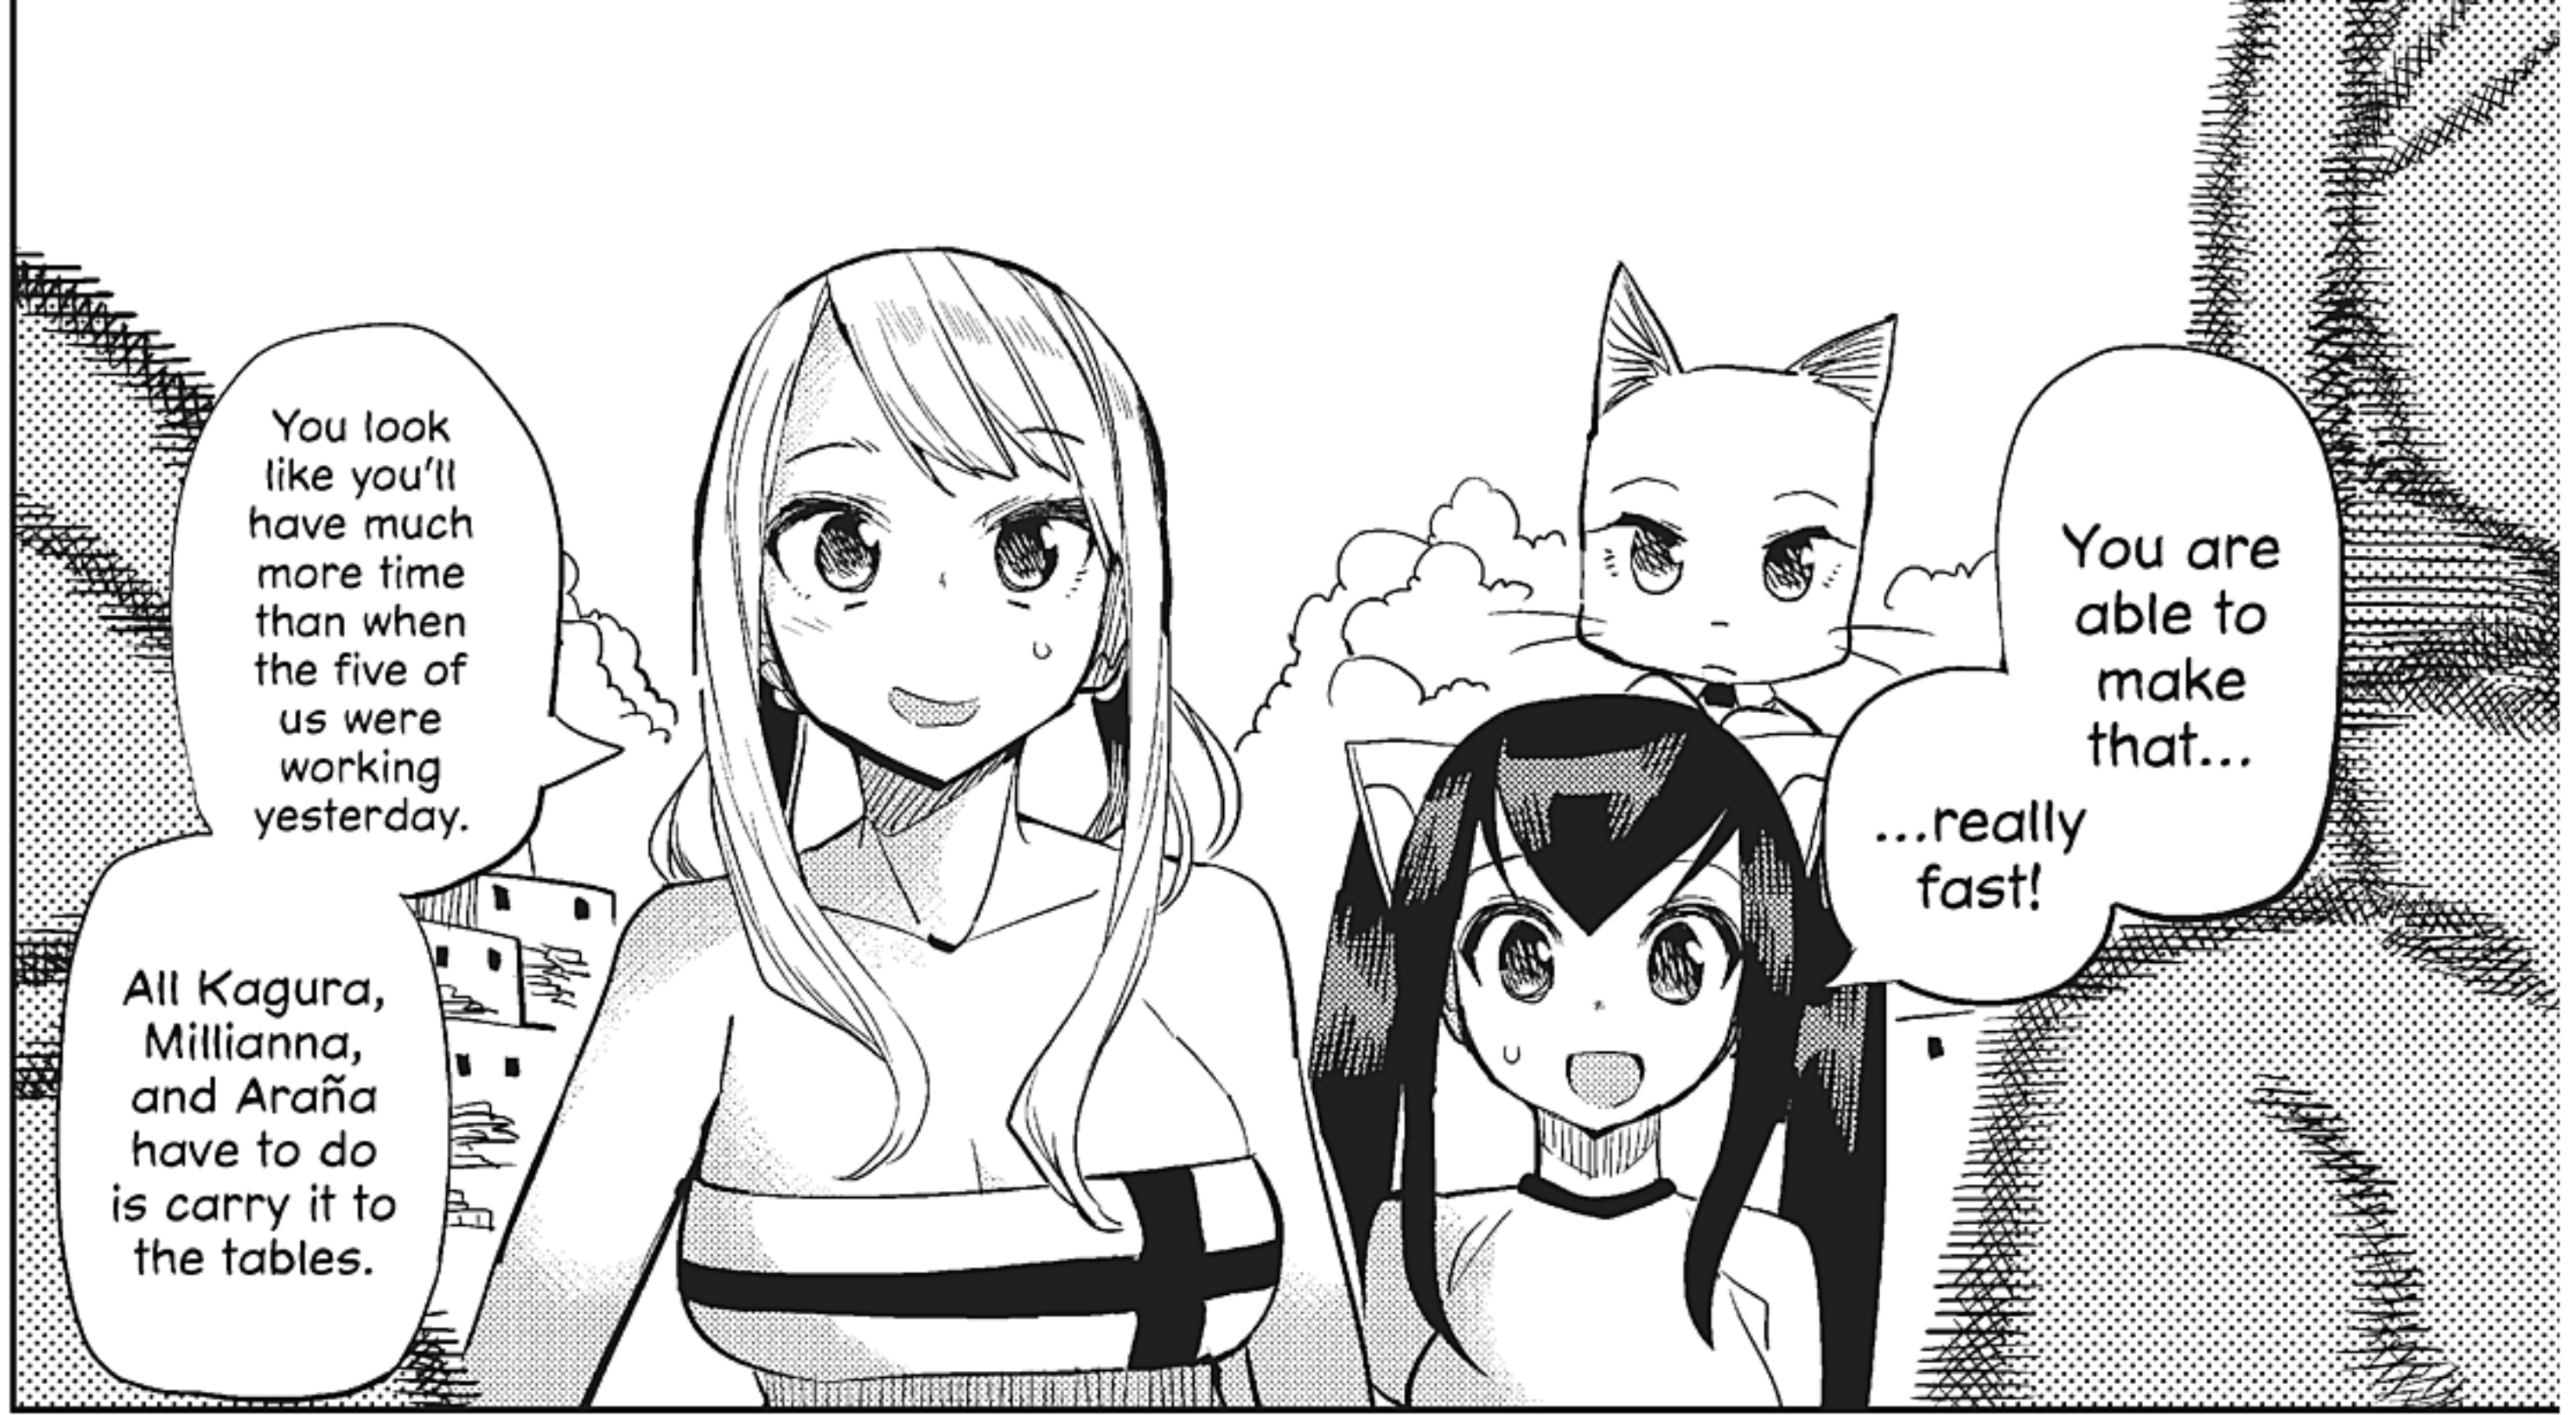

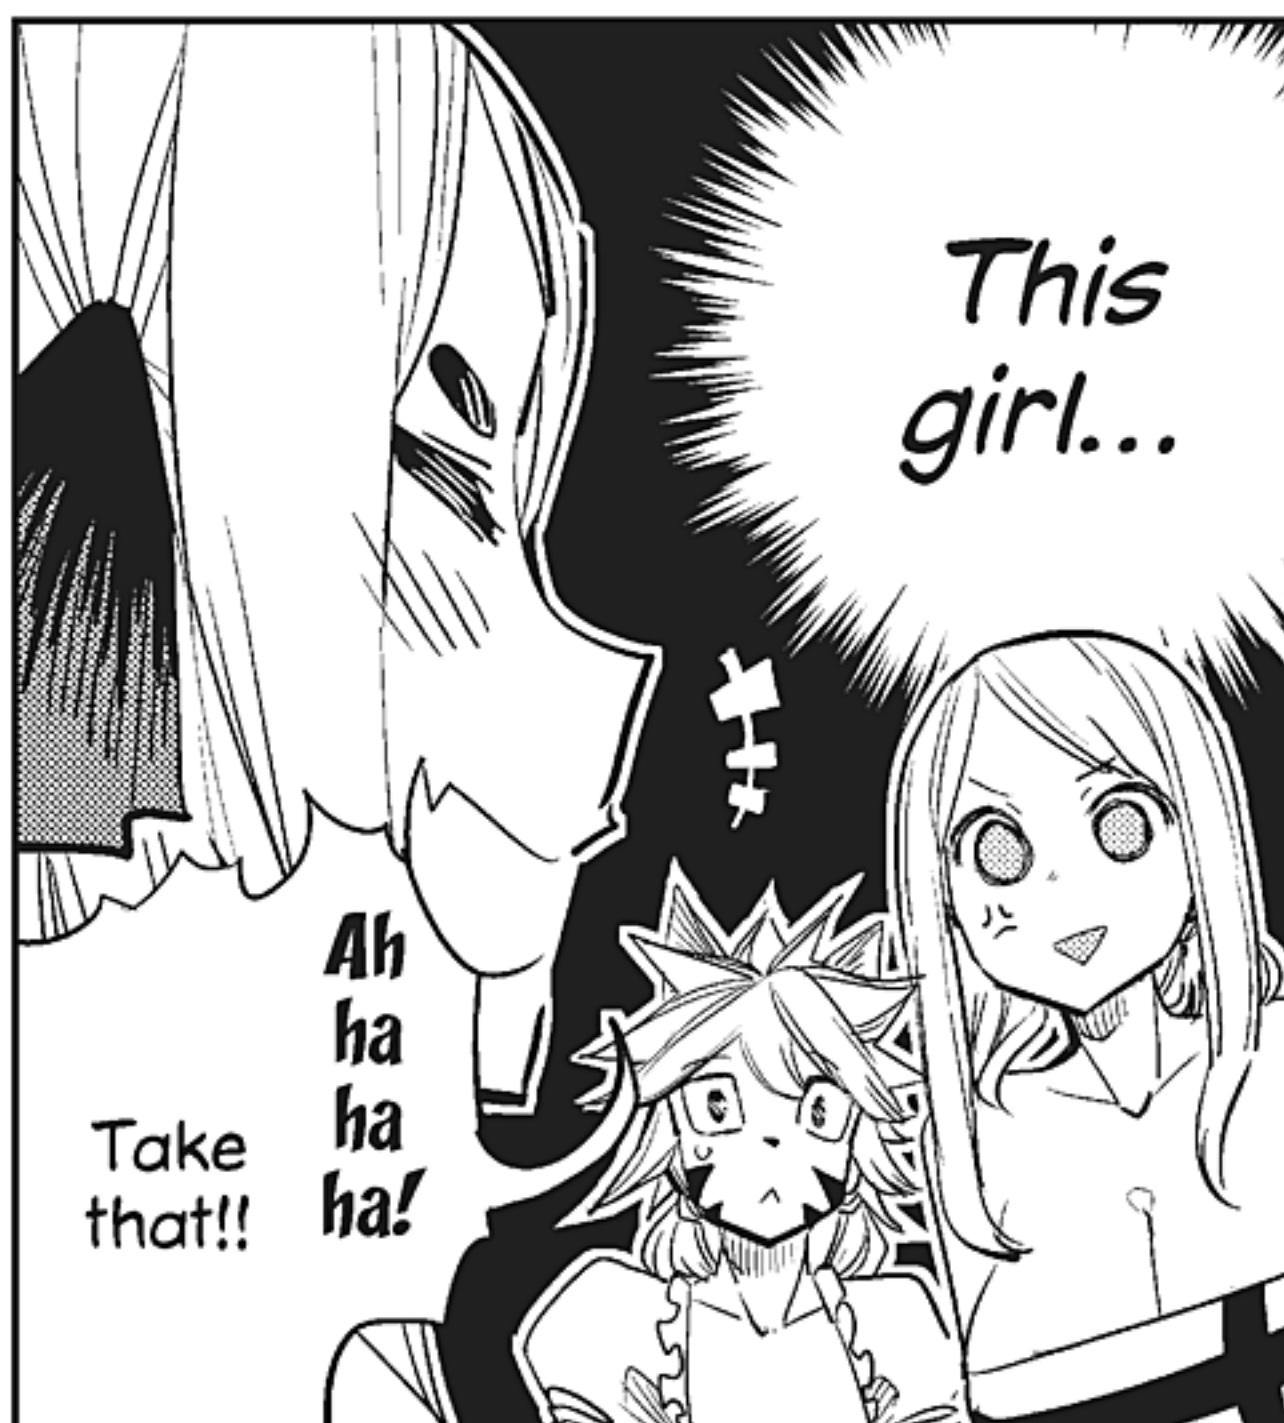

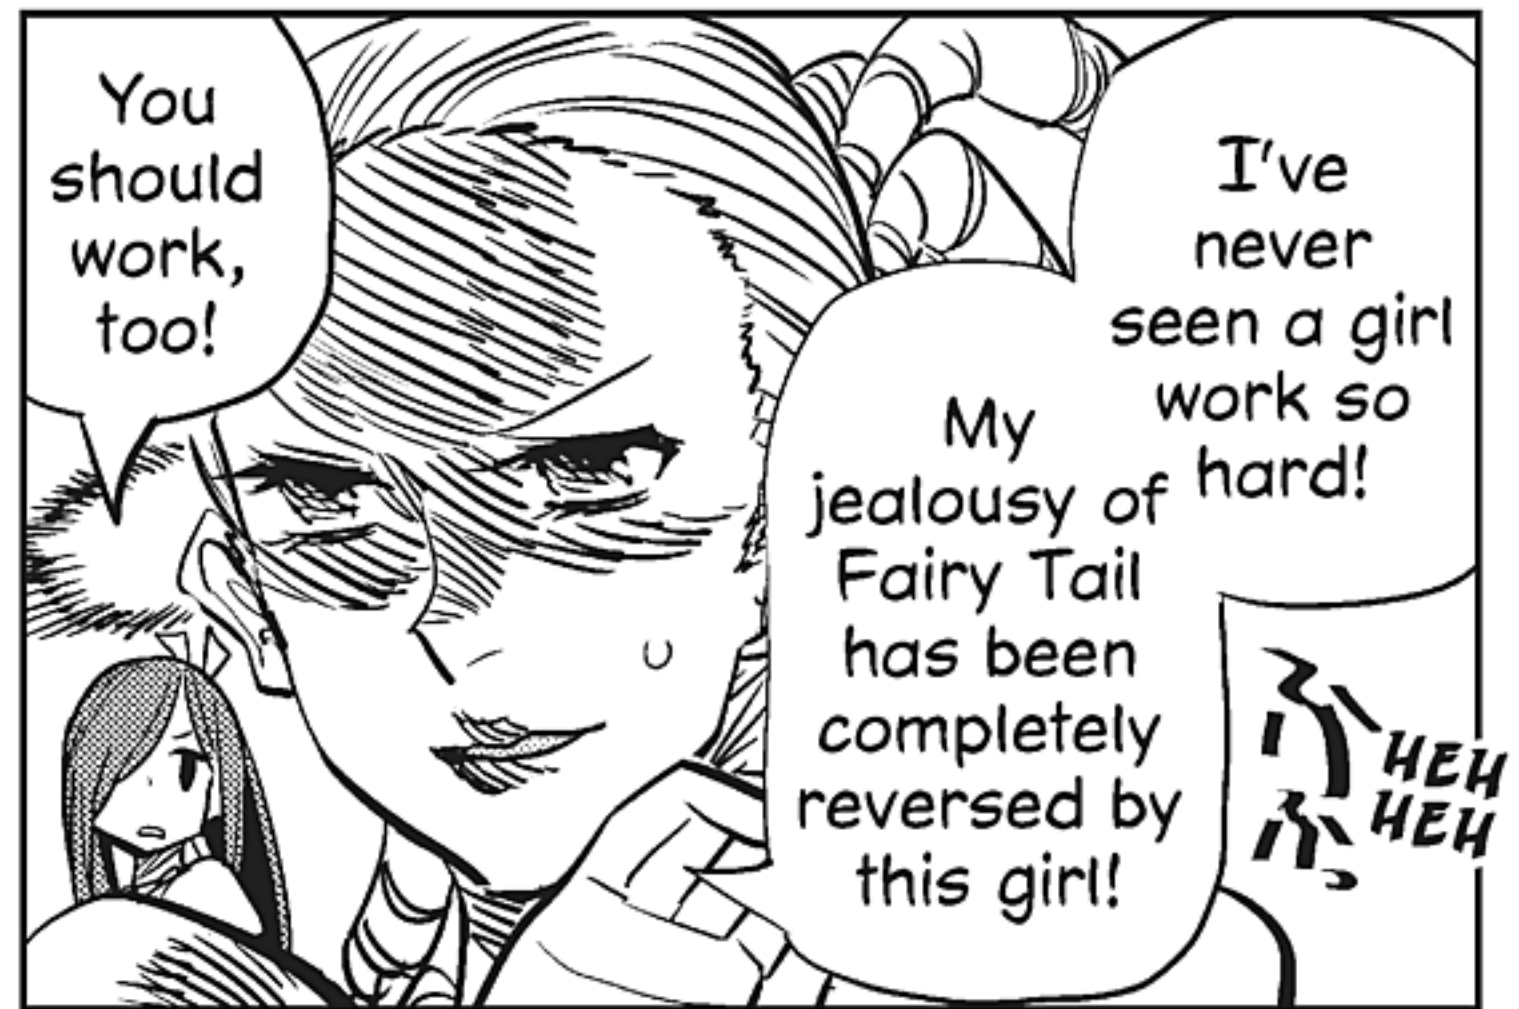

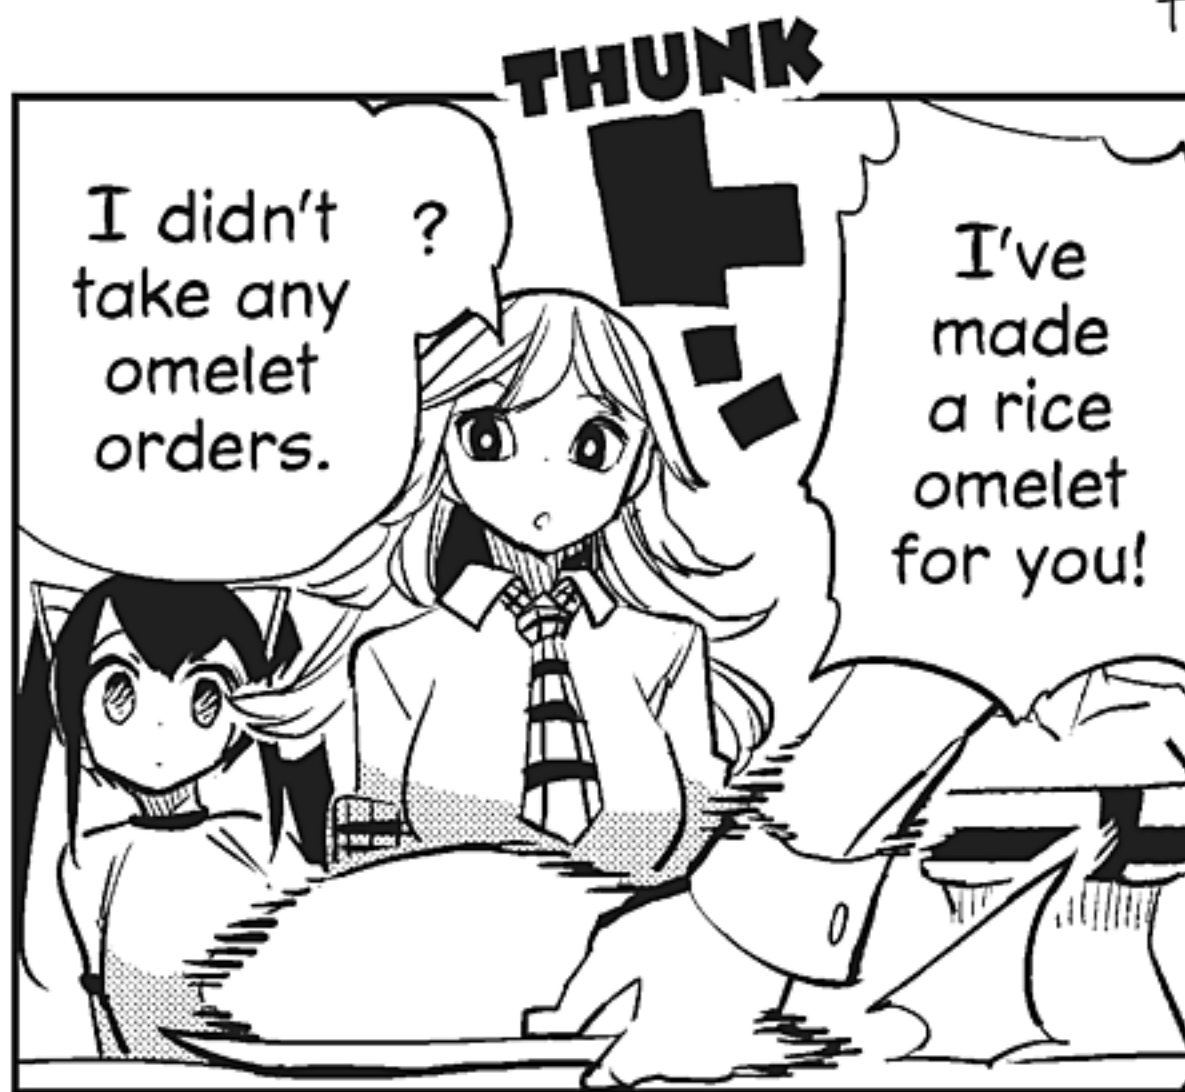

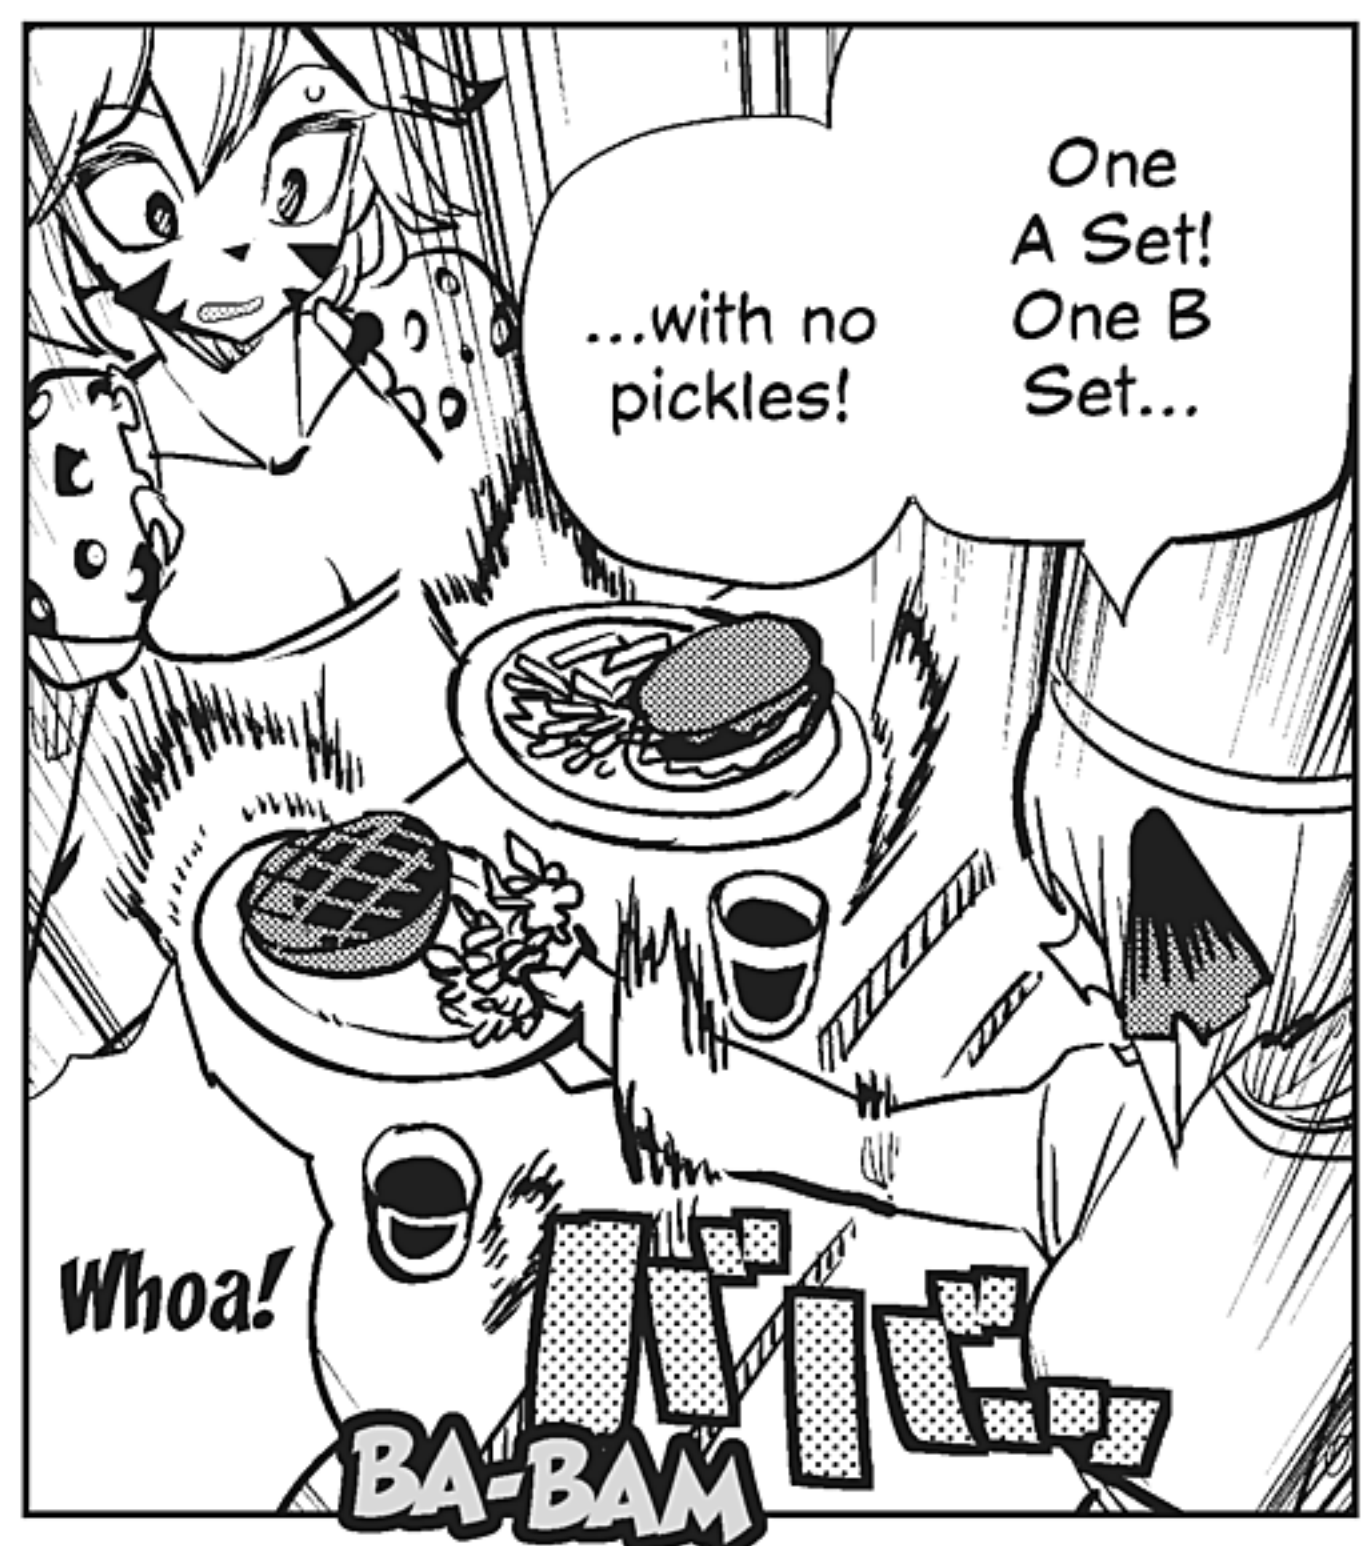

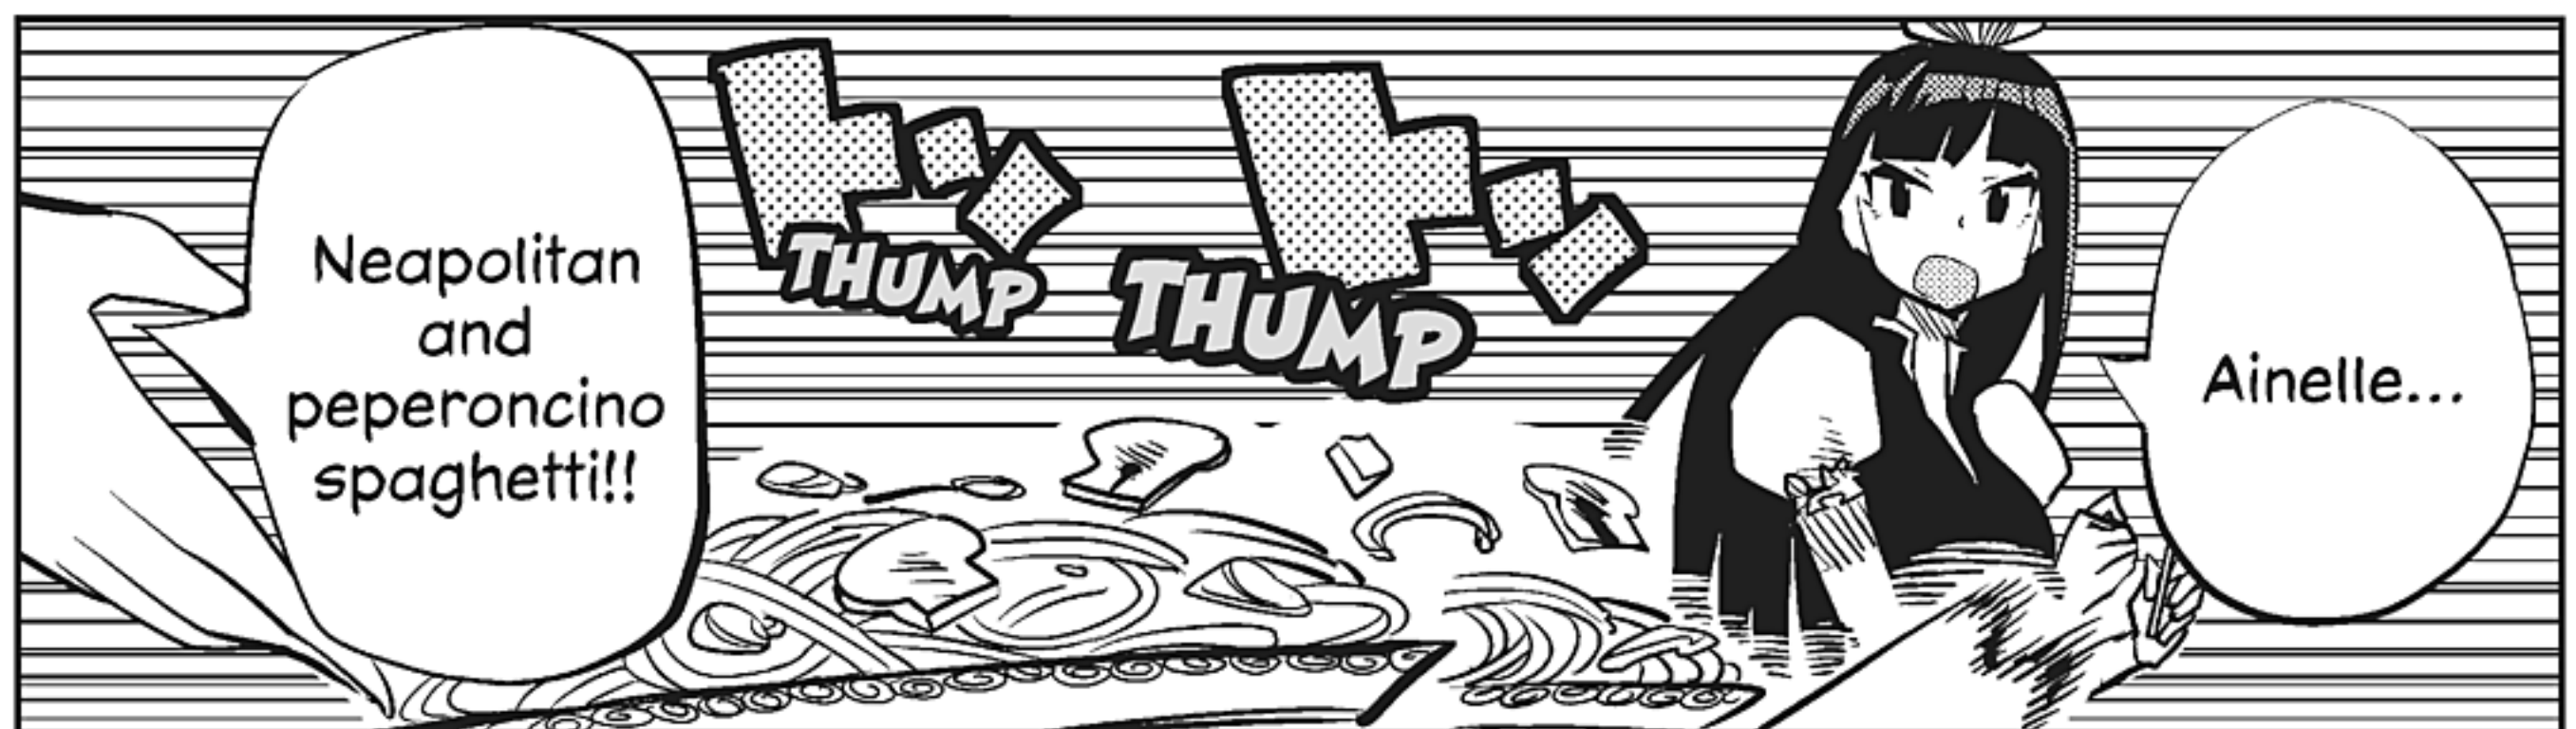

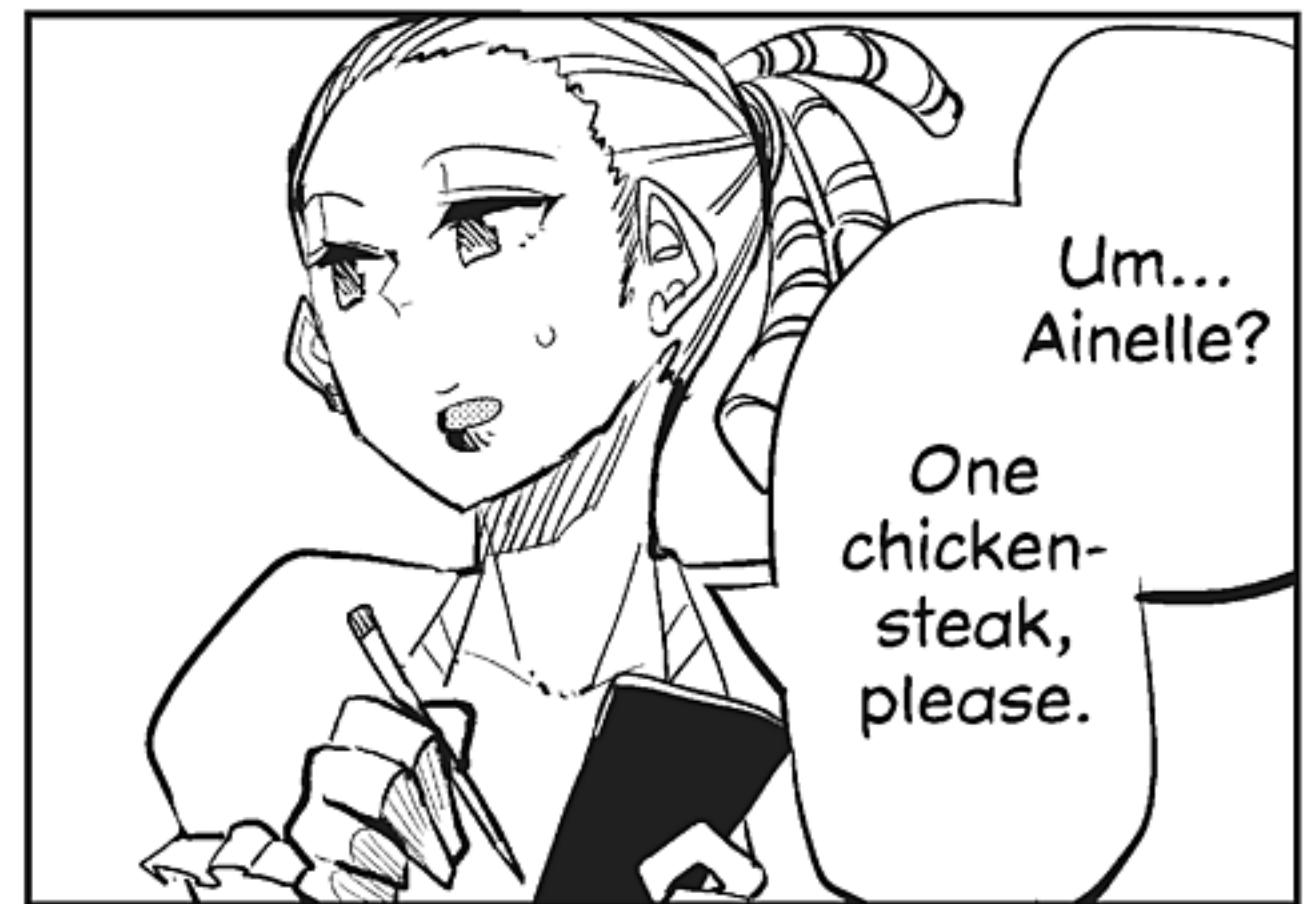

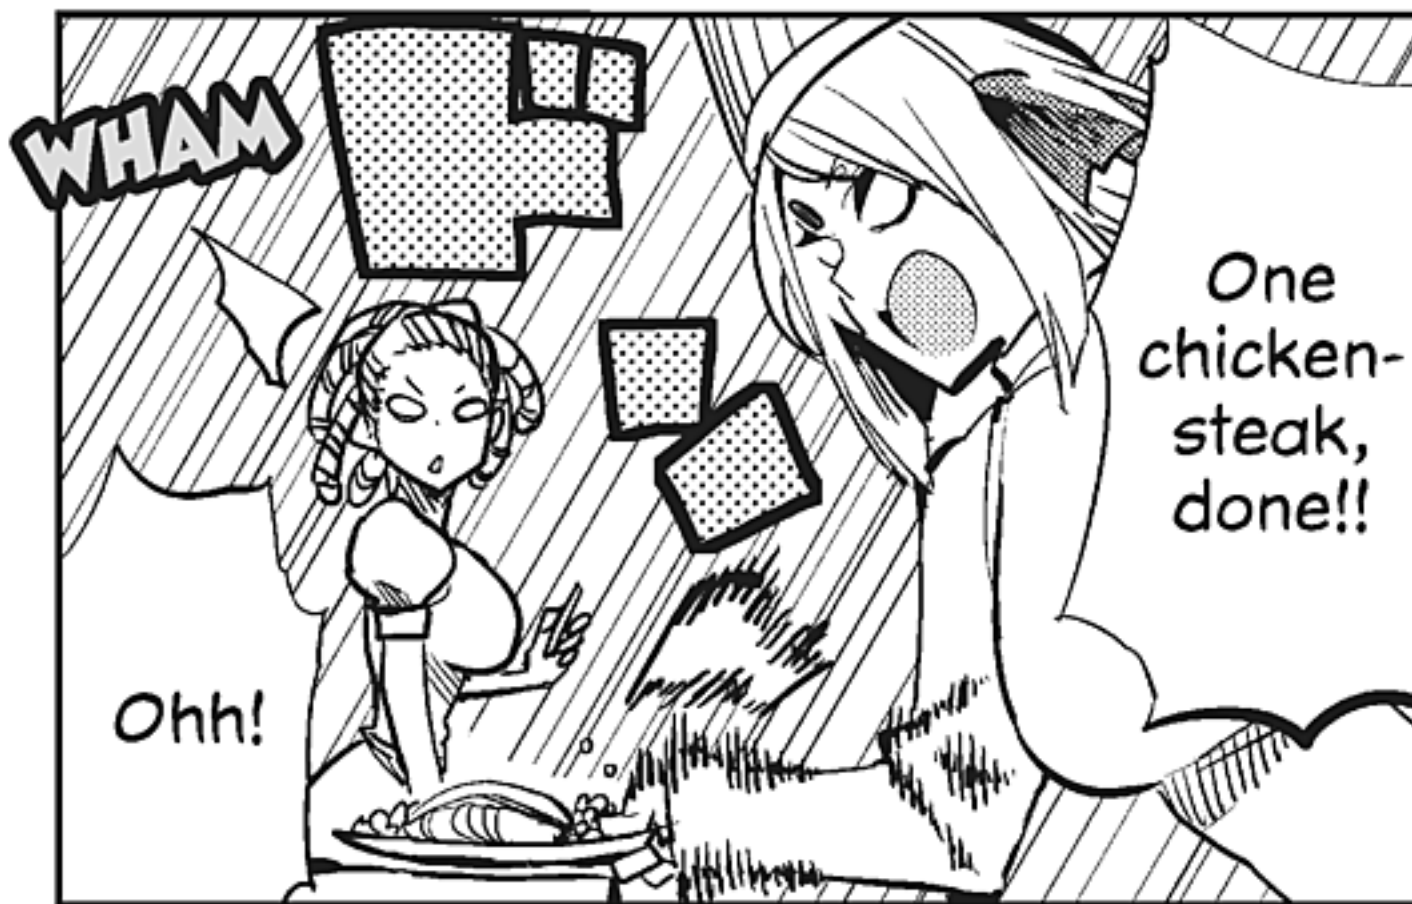

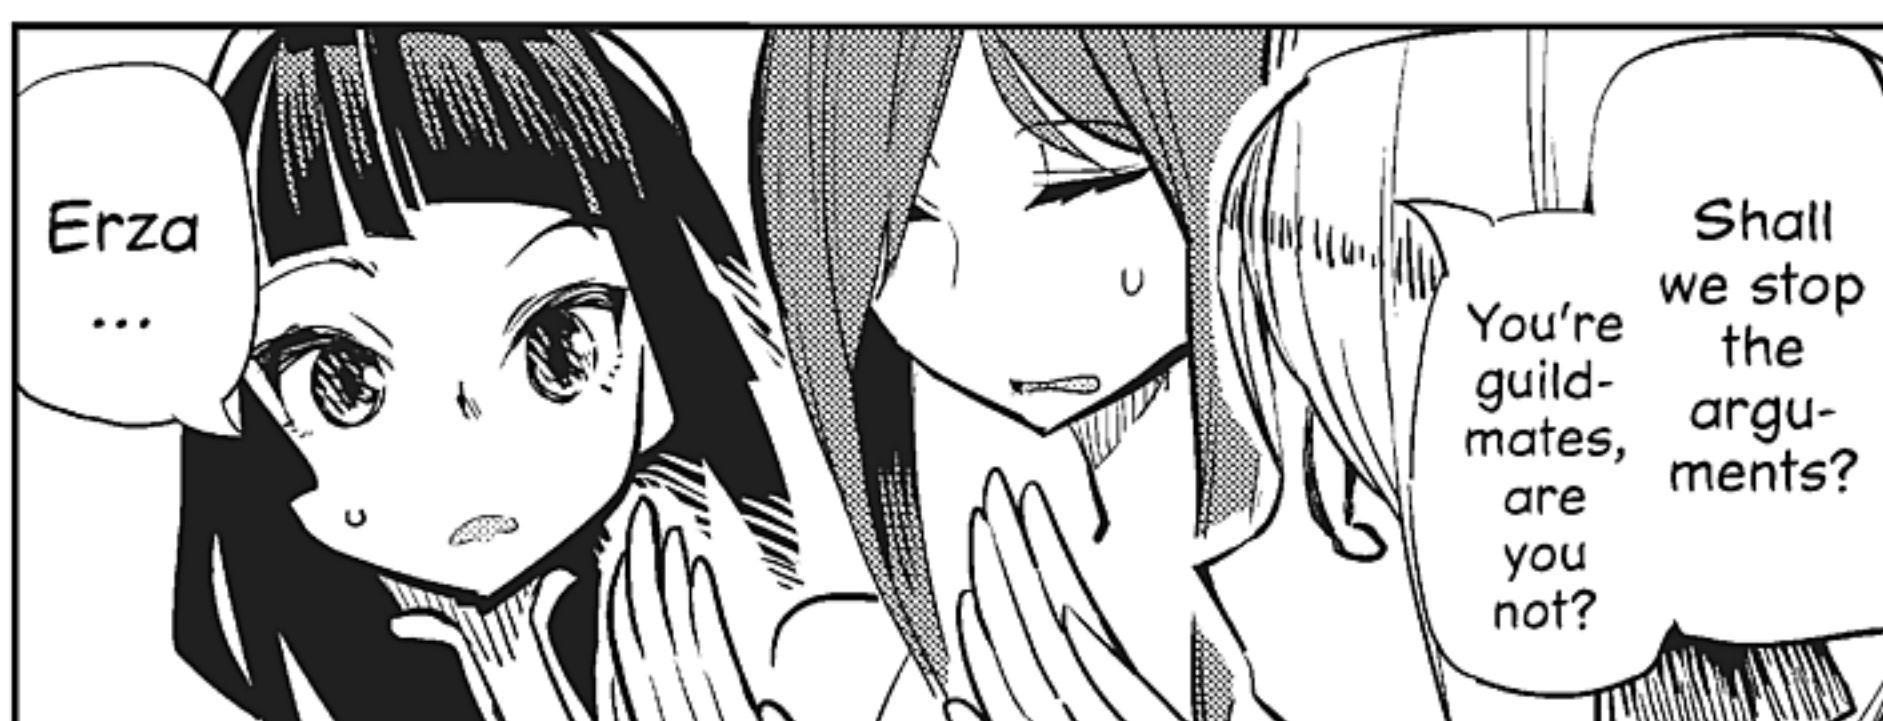

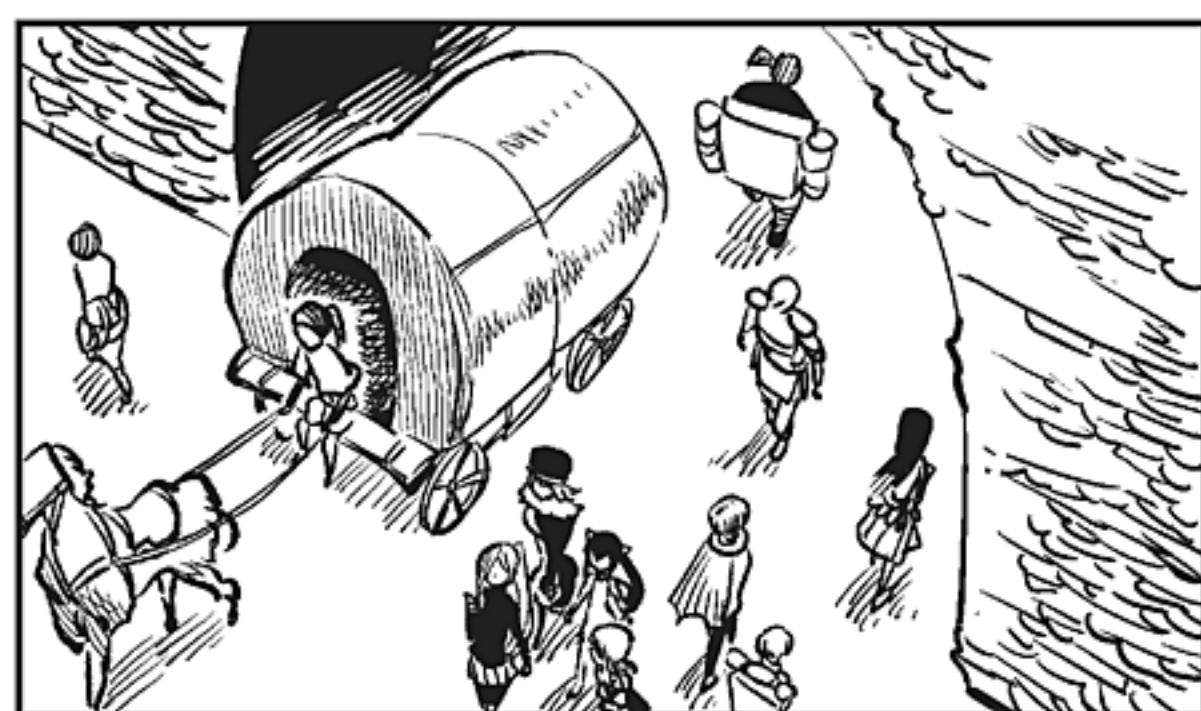

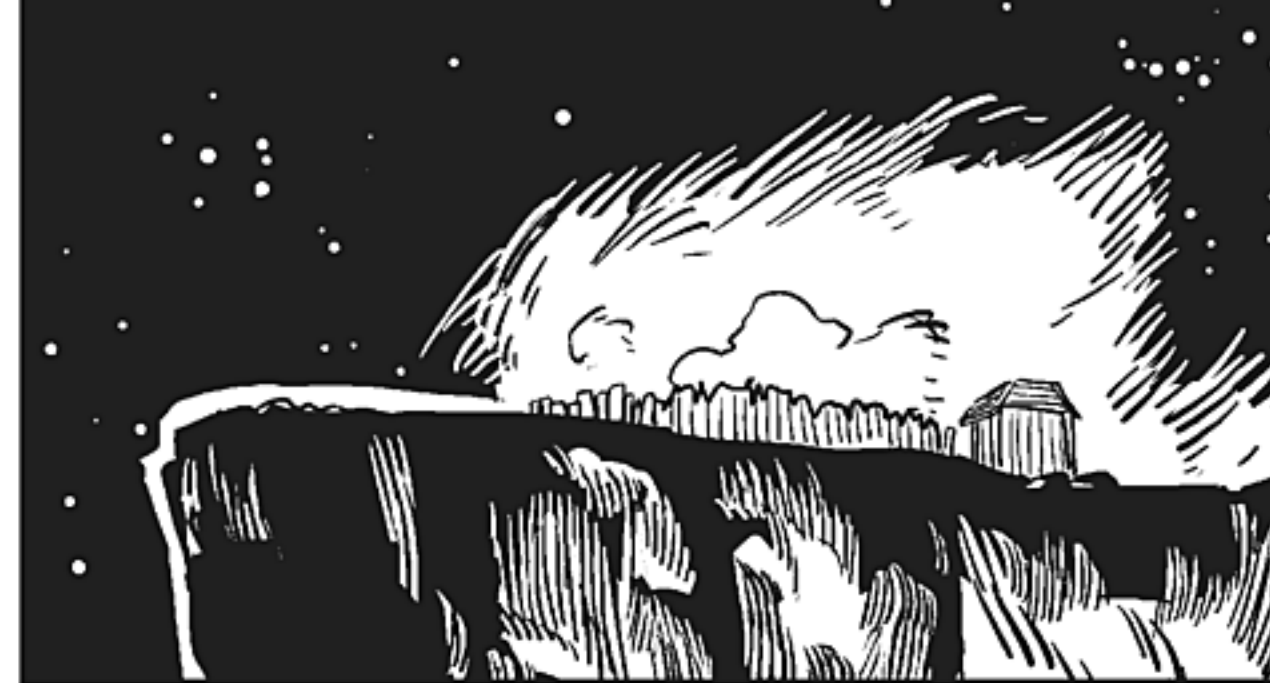

They changed.

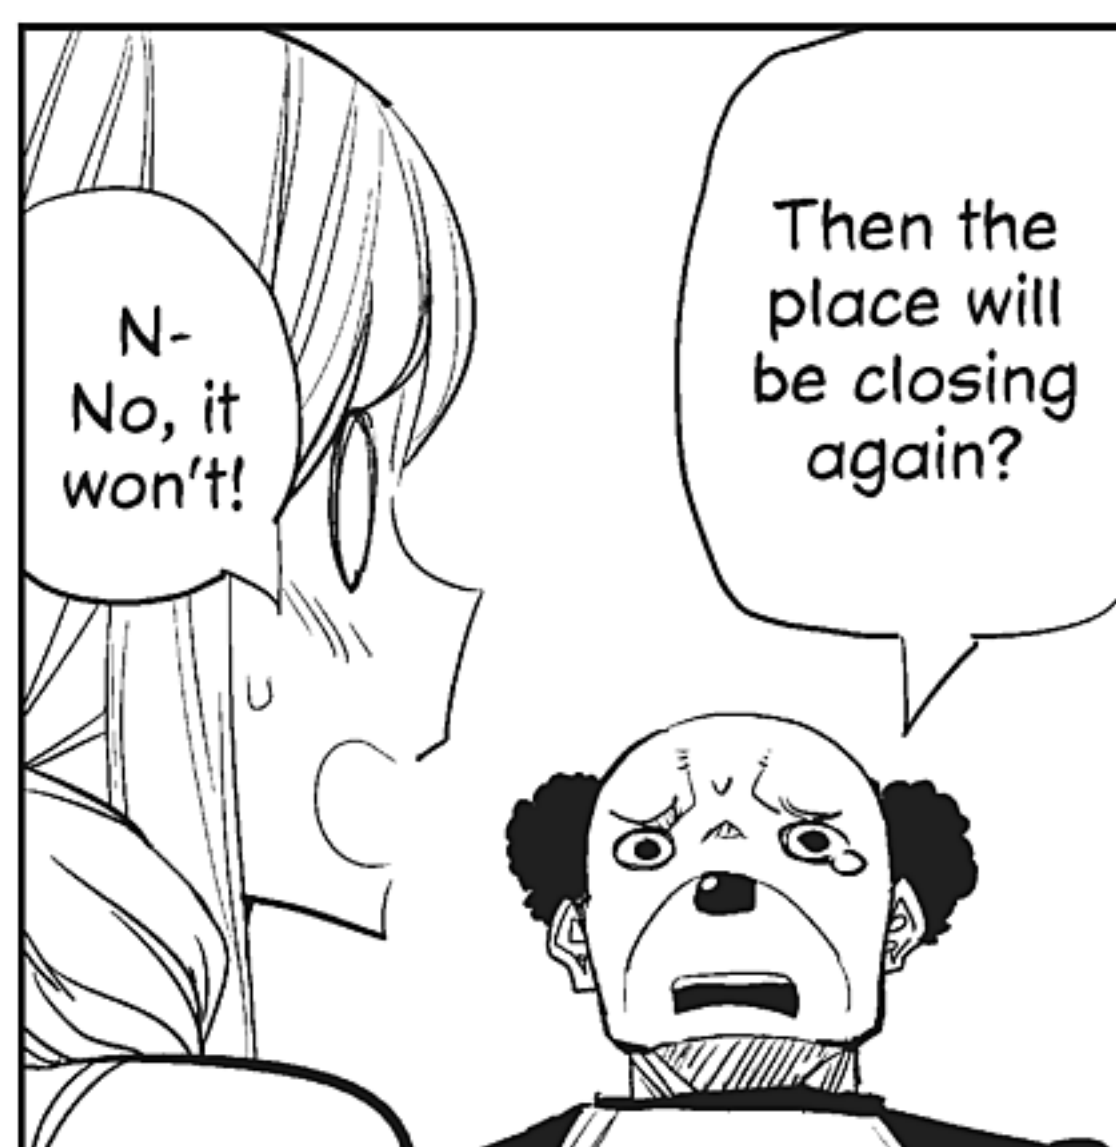

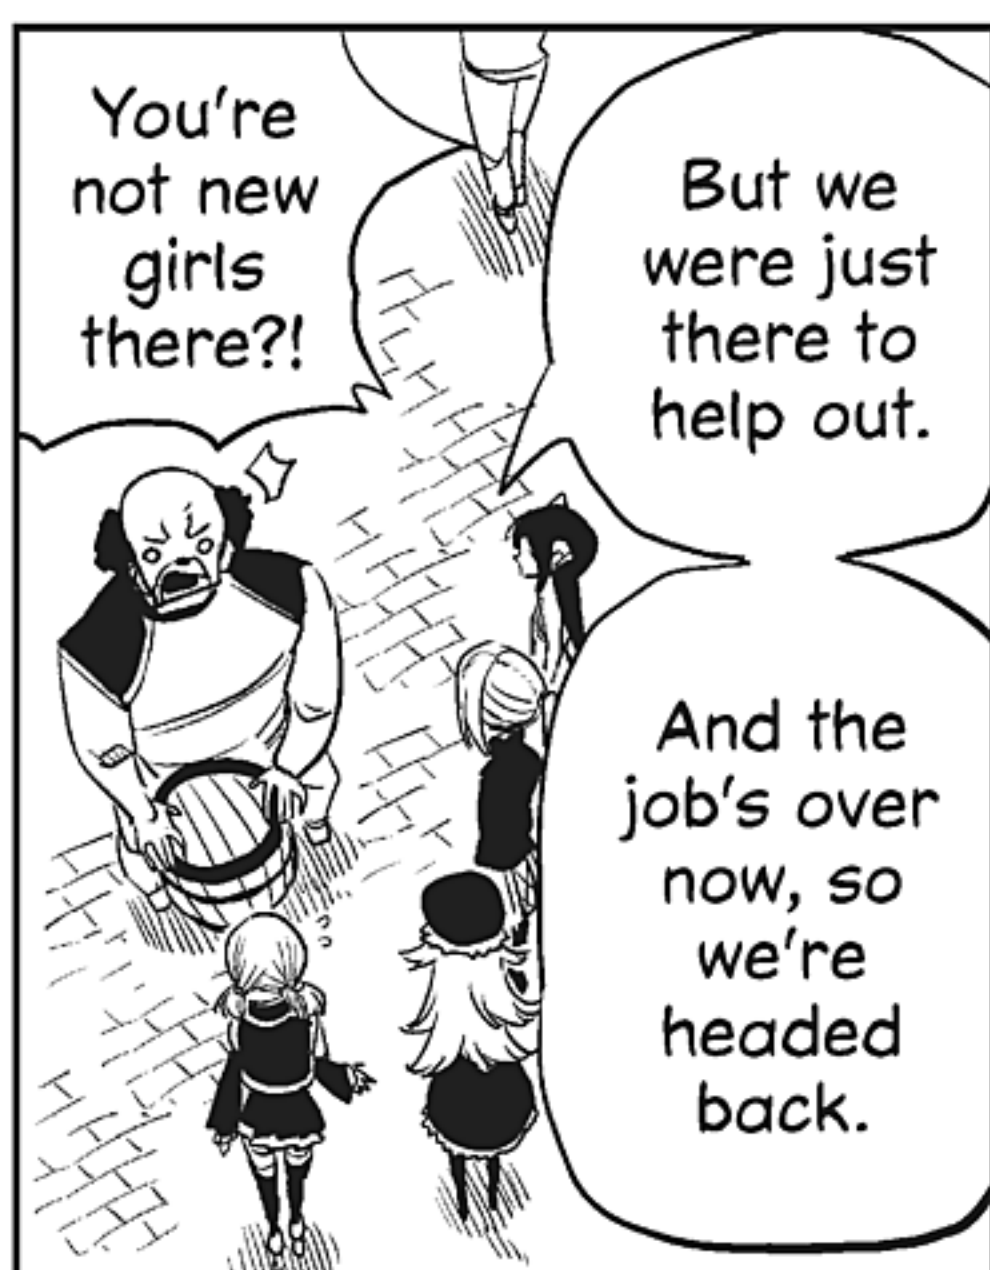

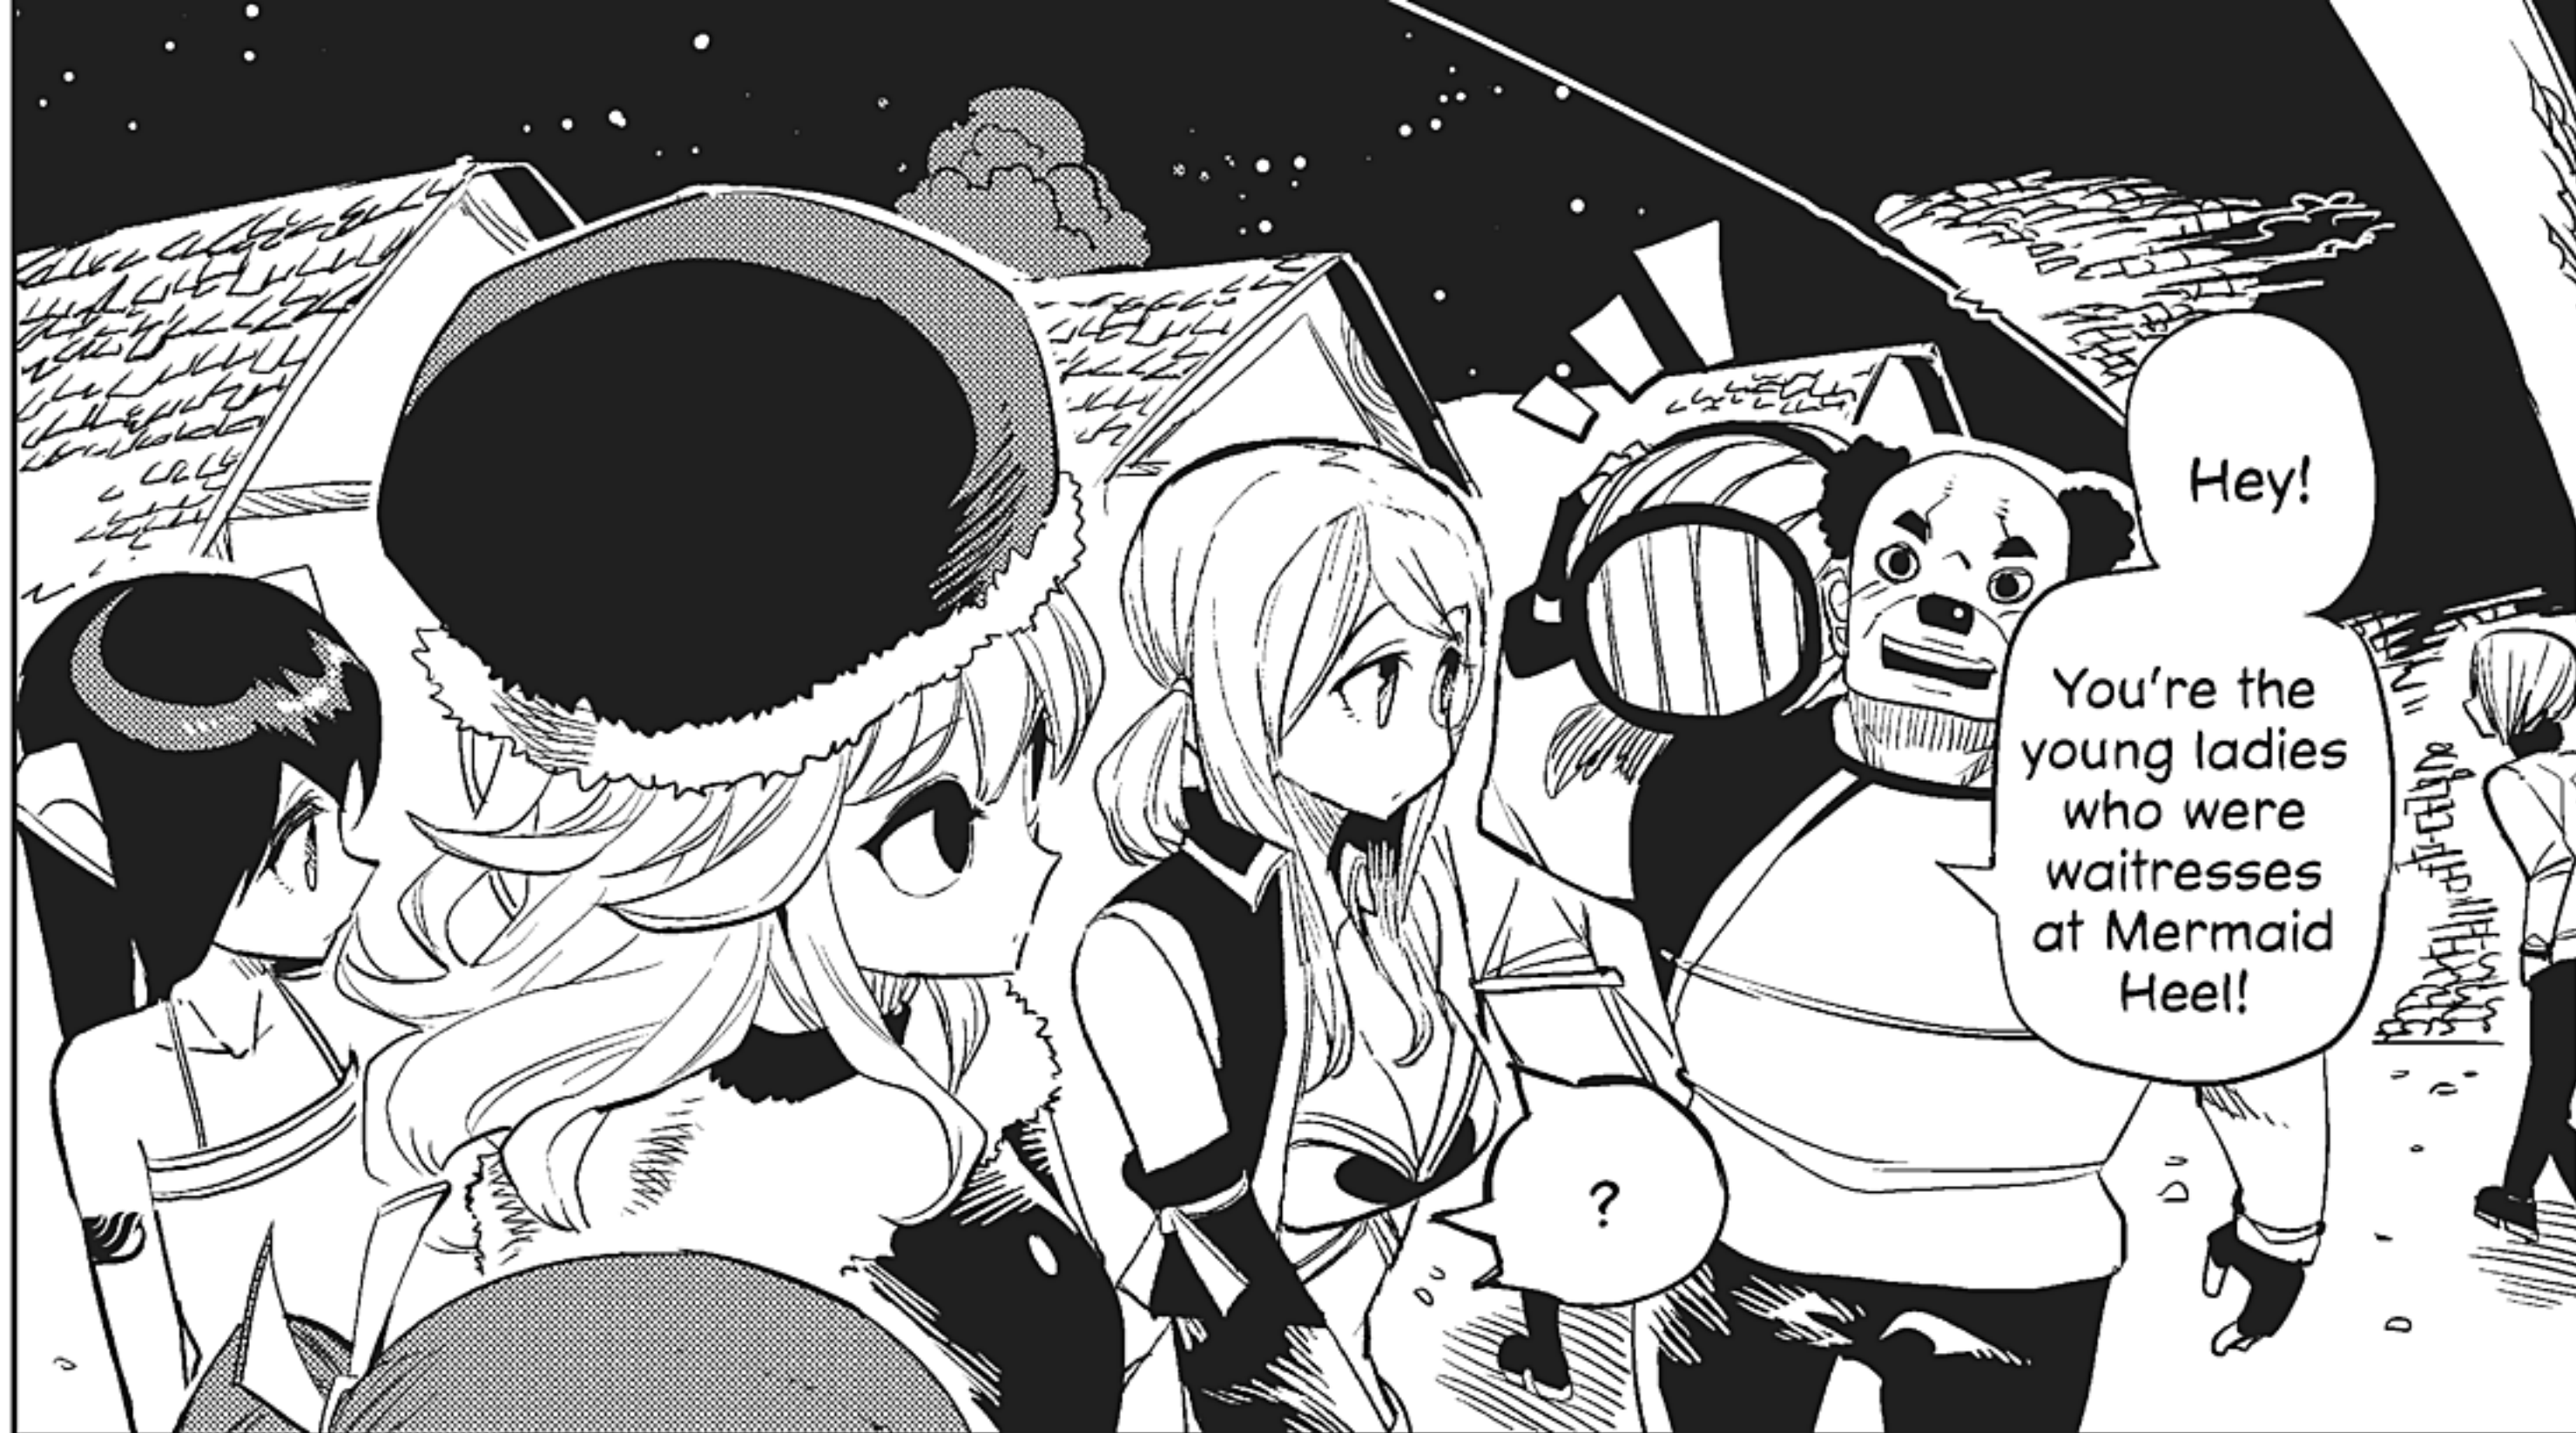

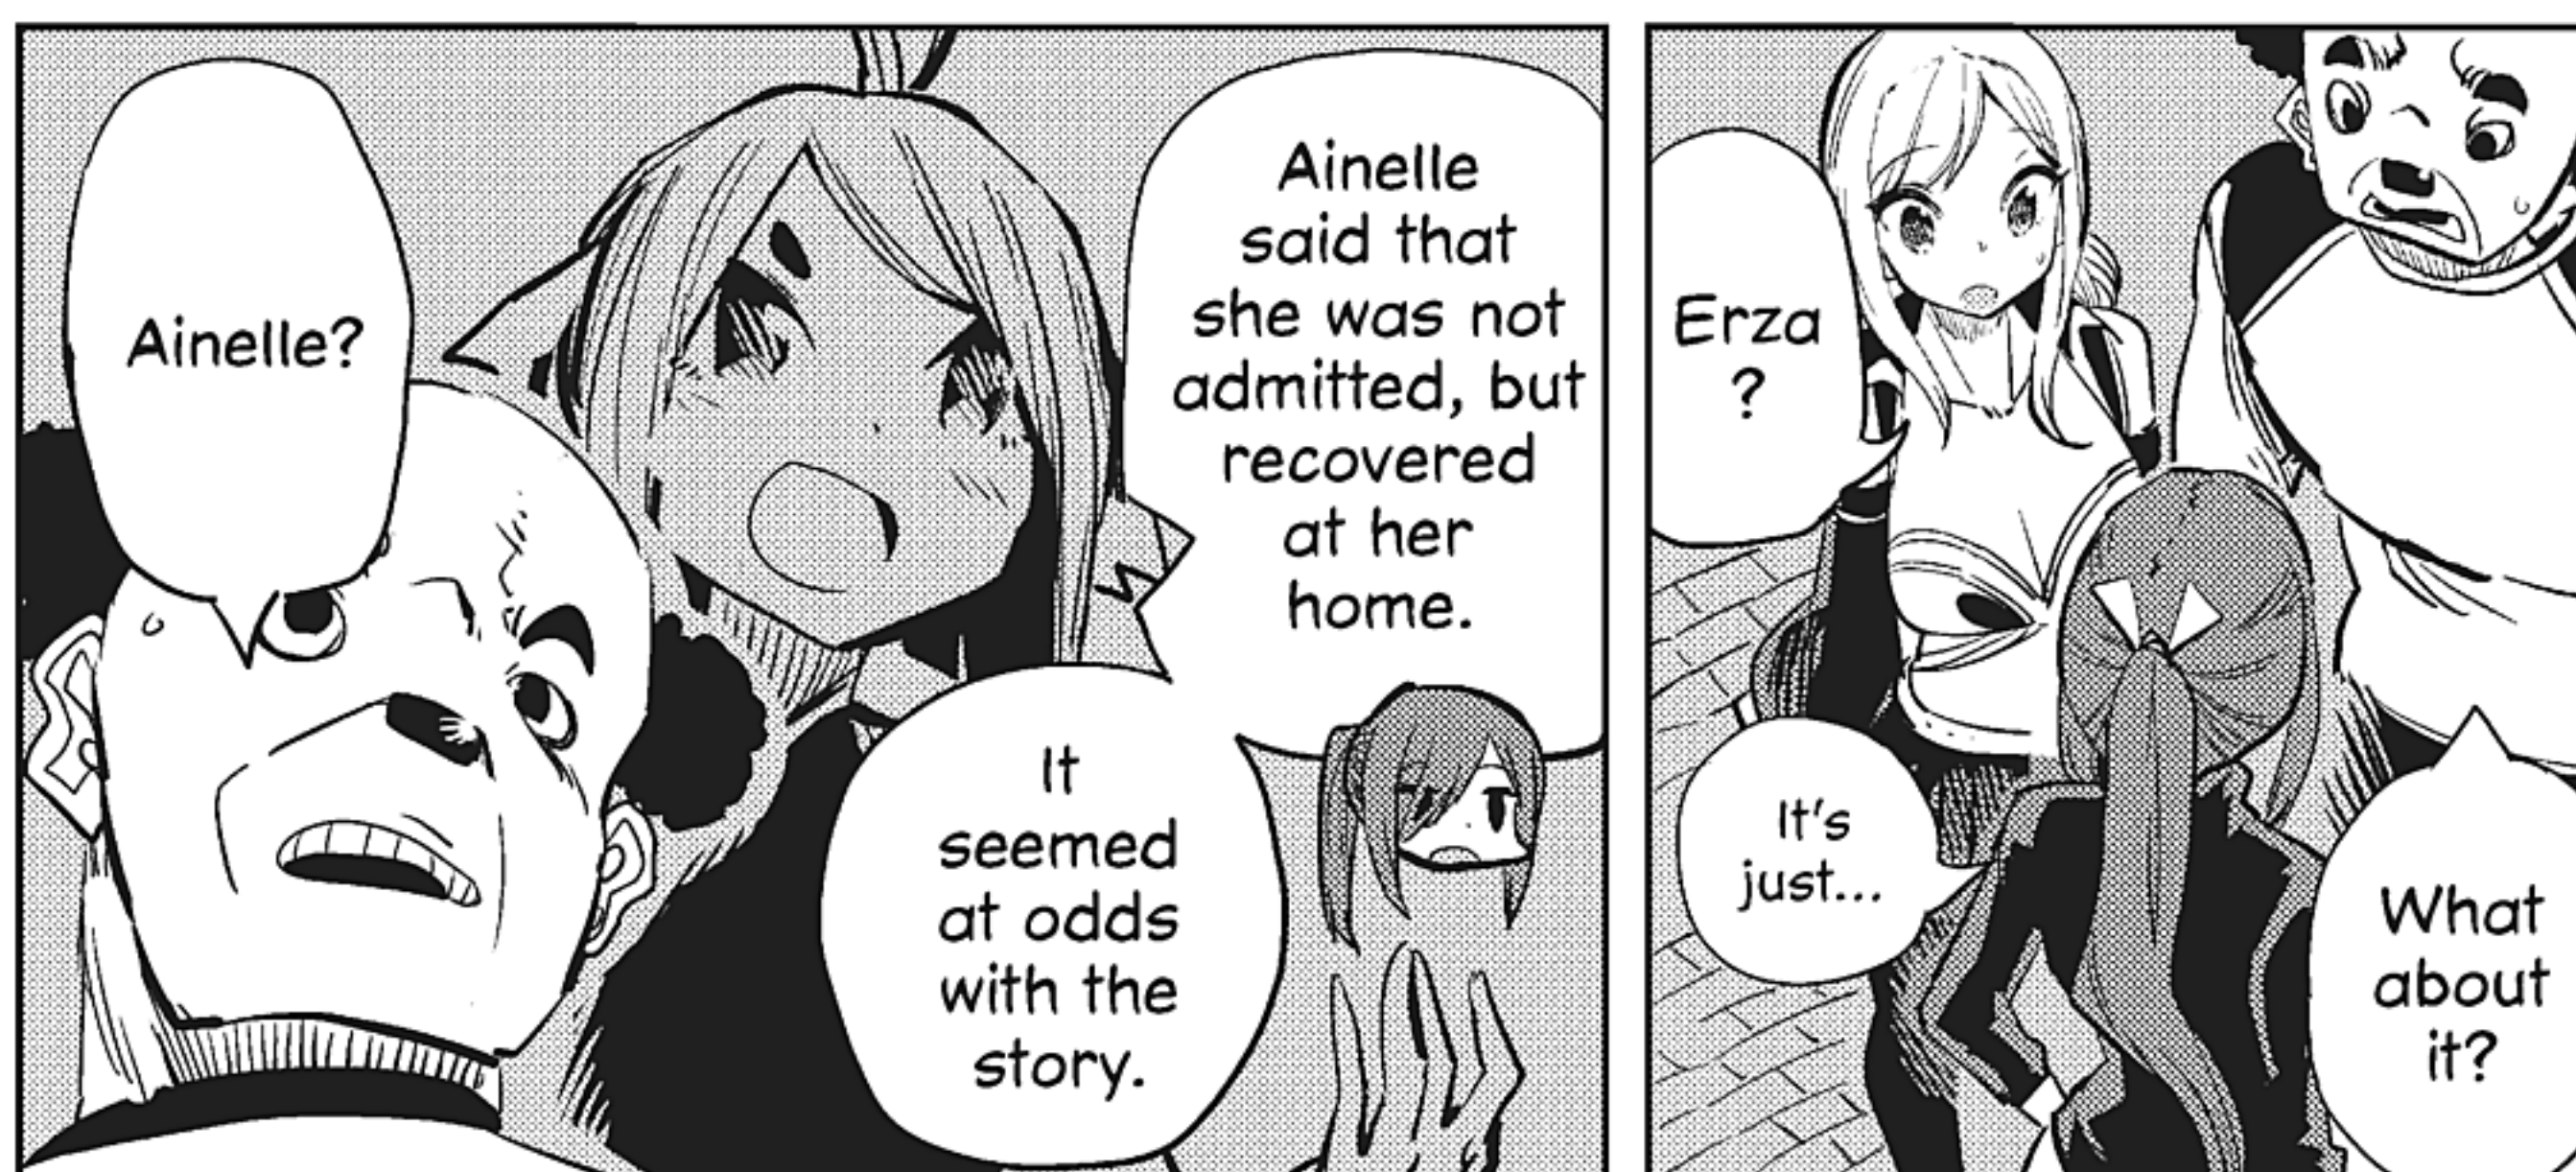

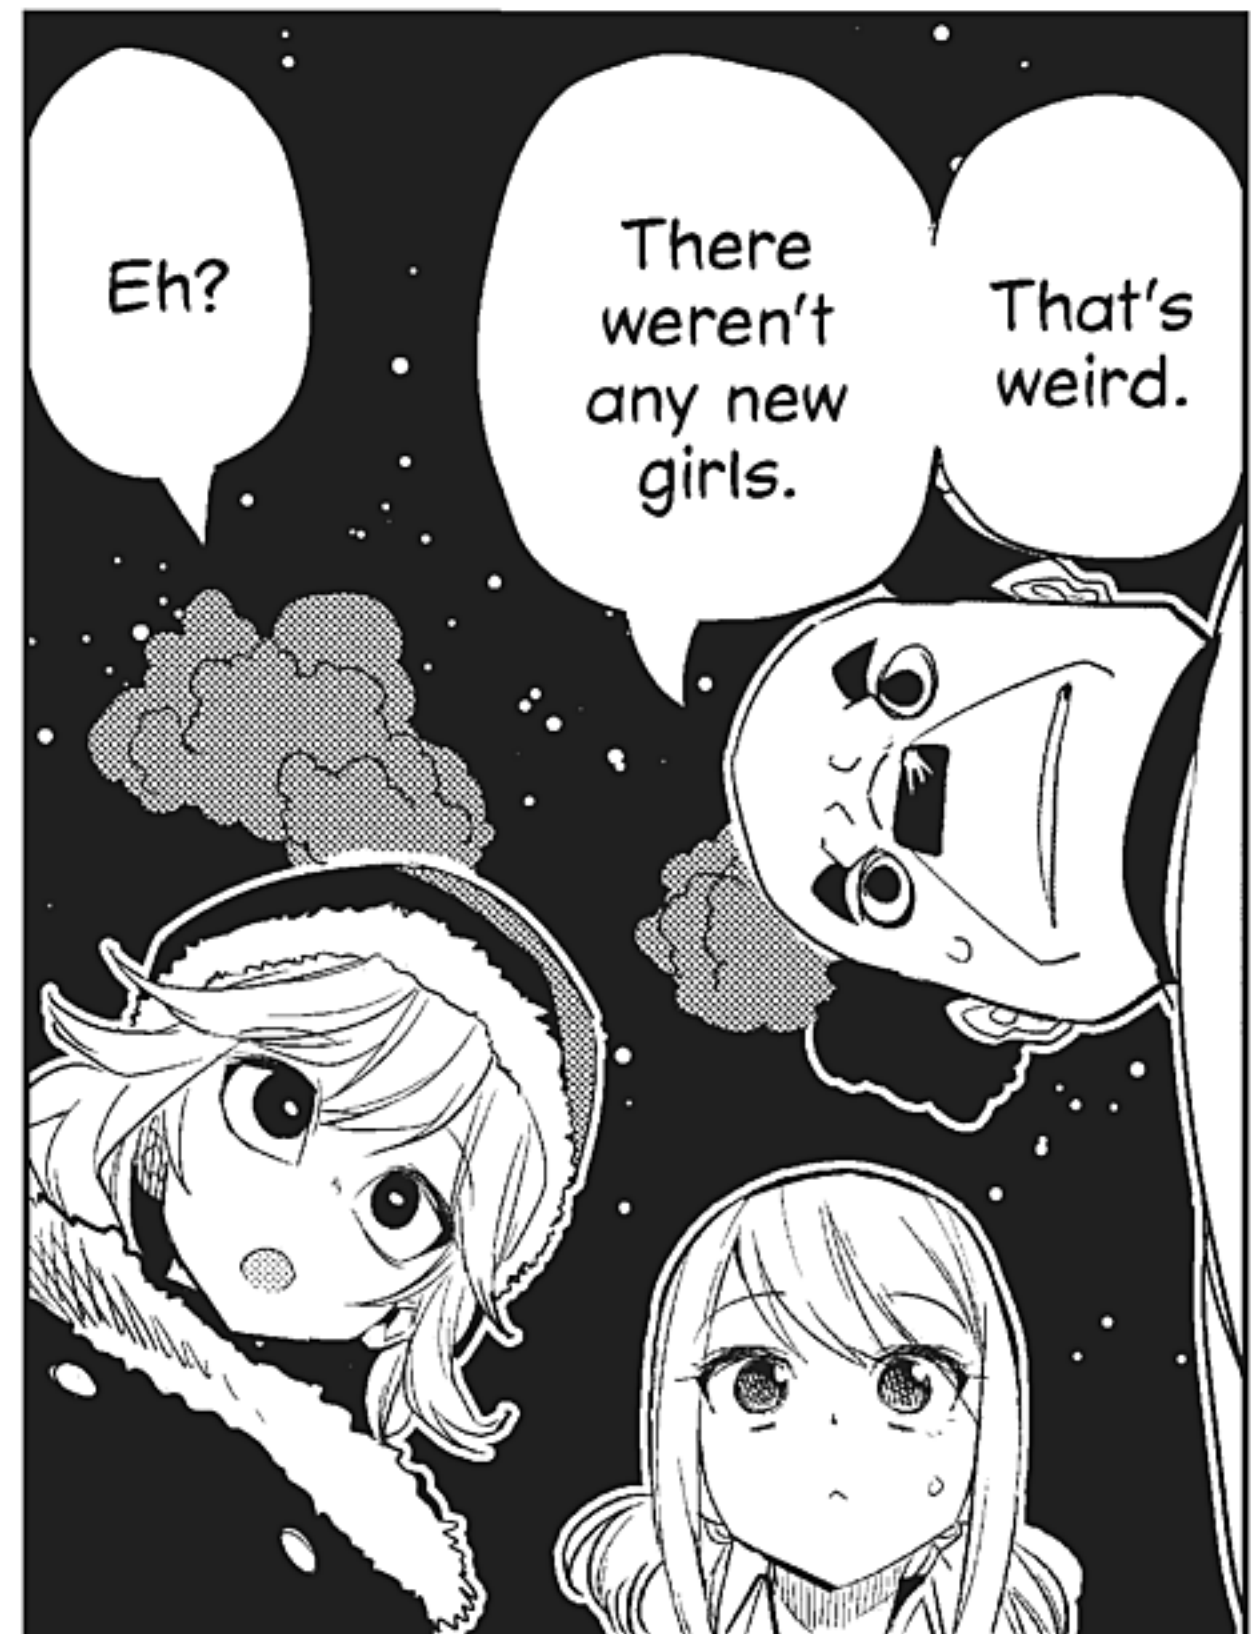

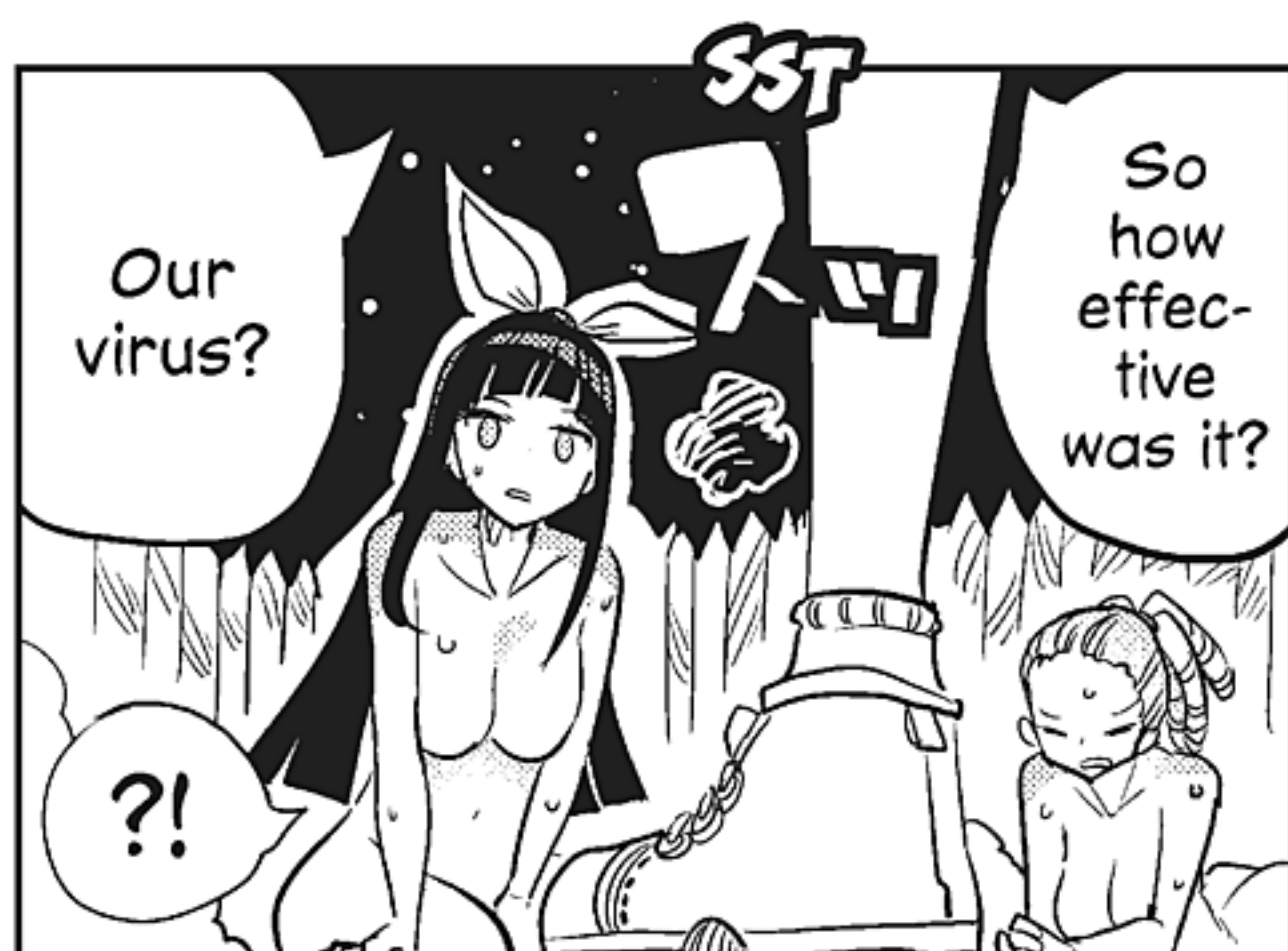

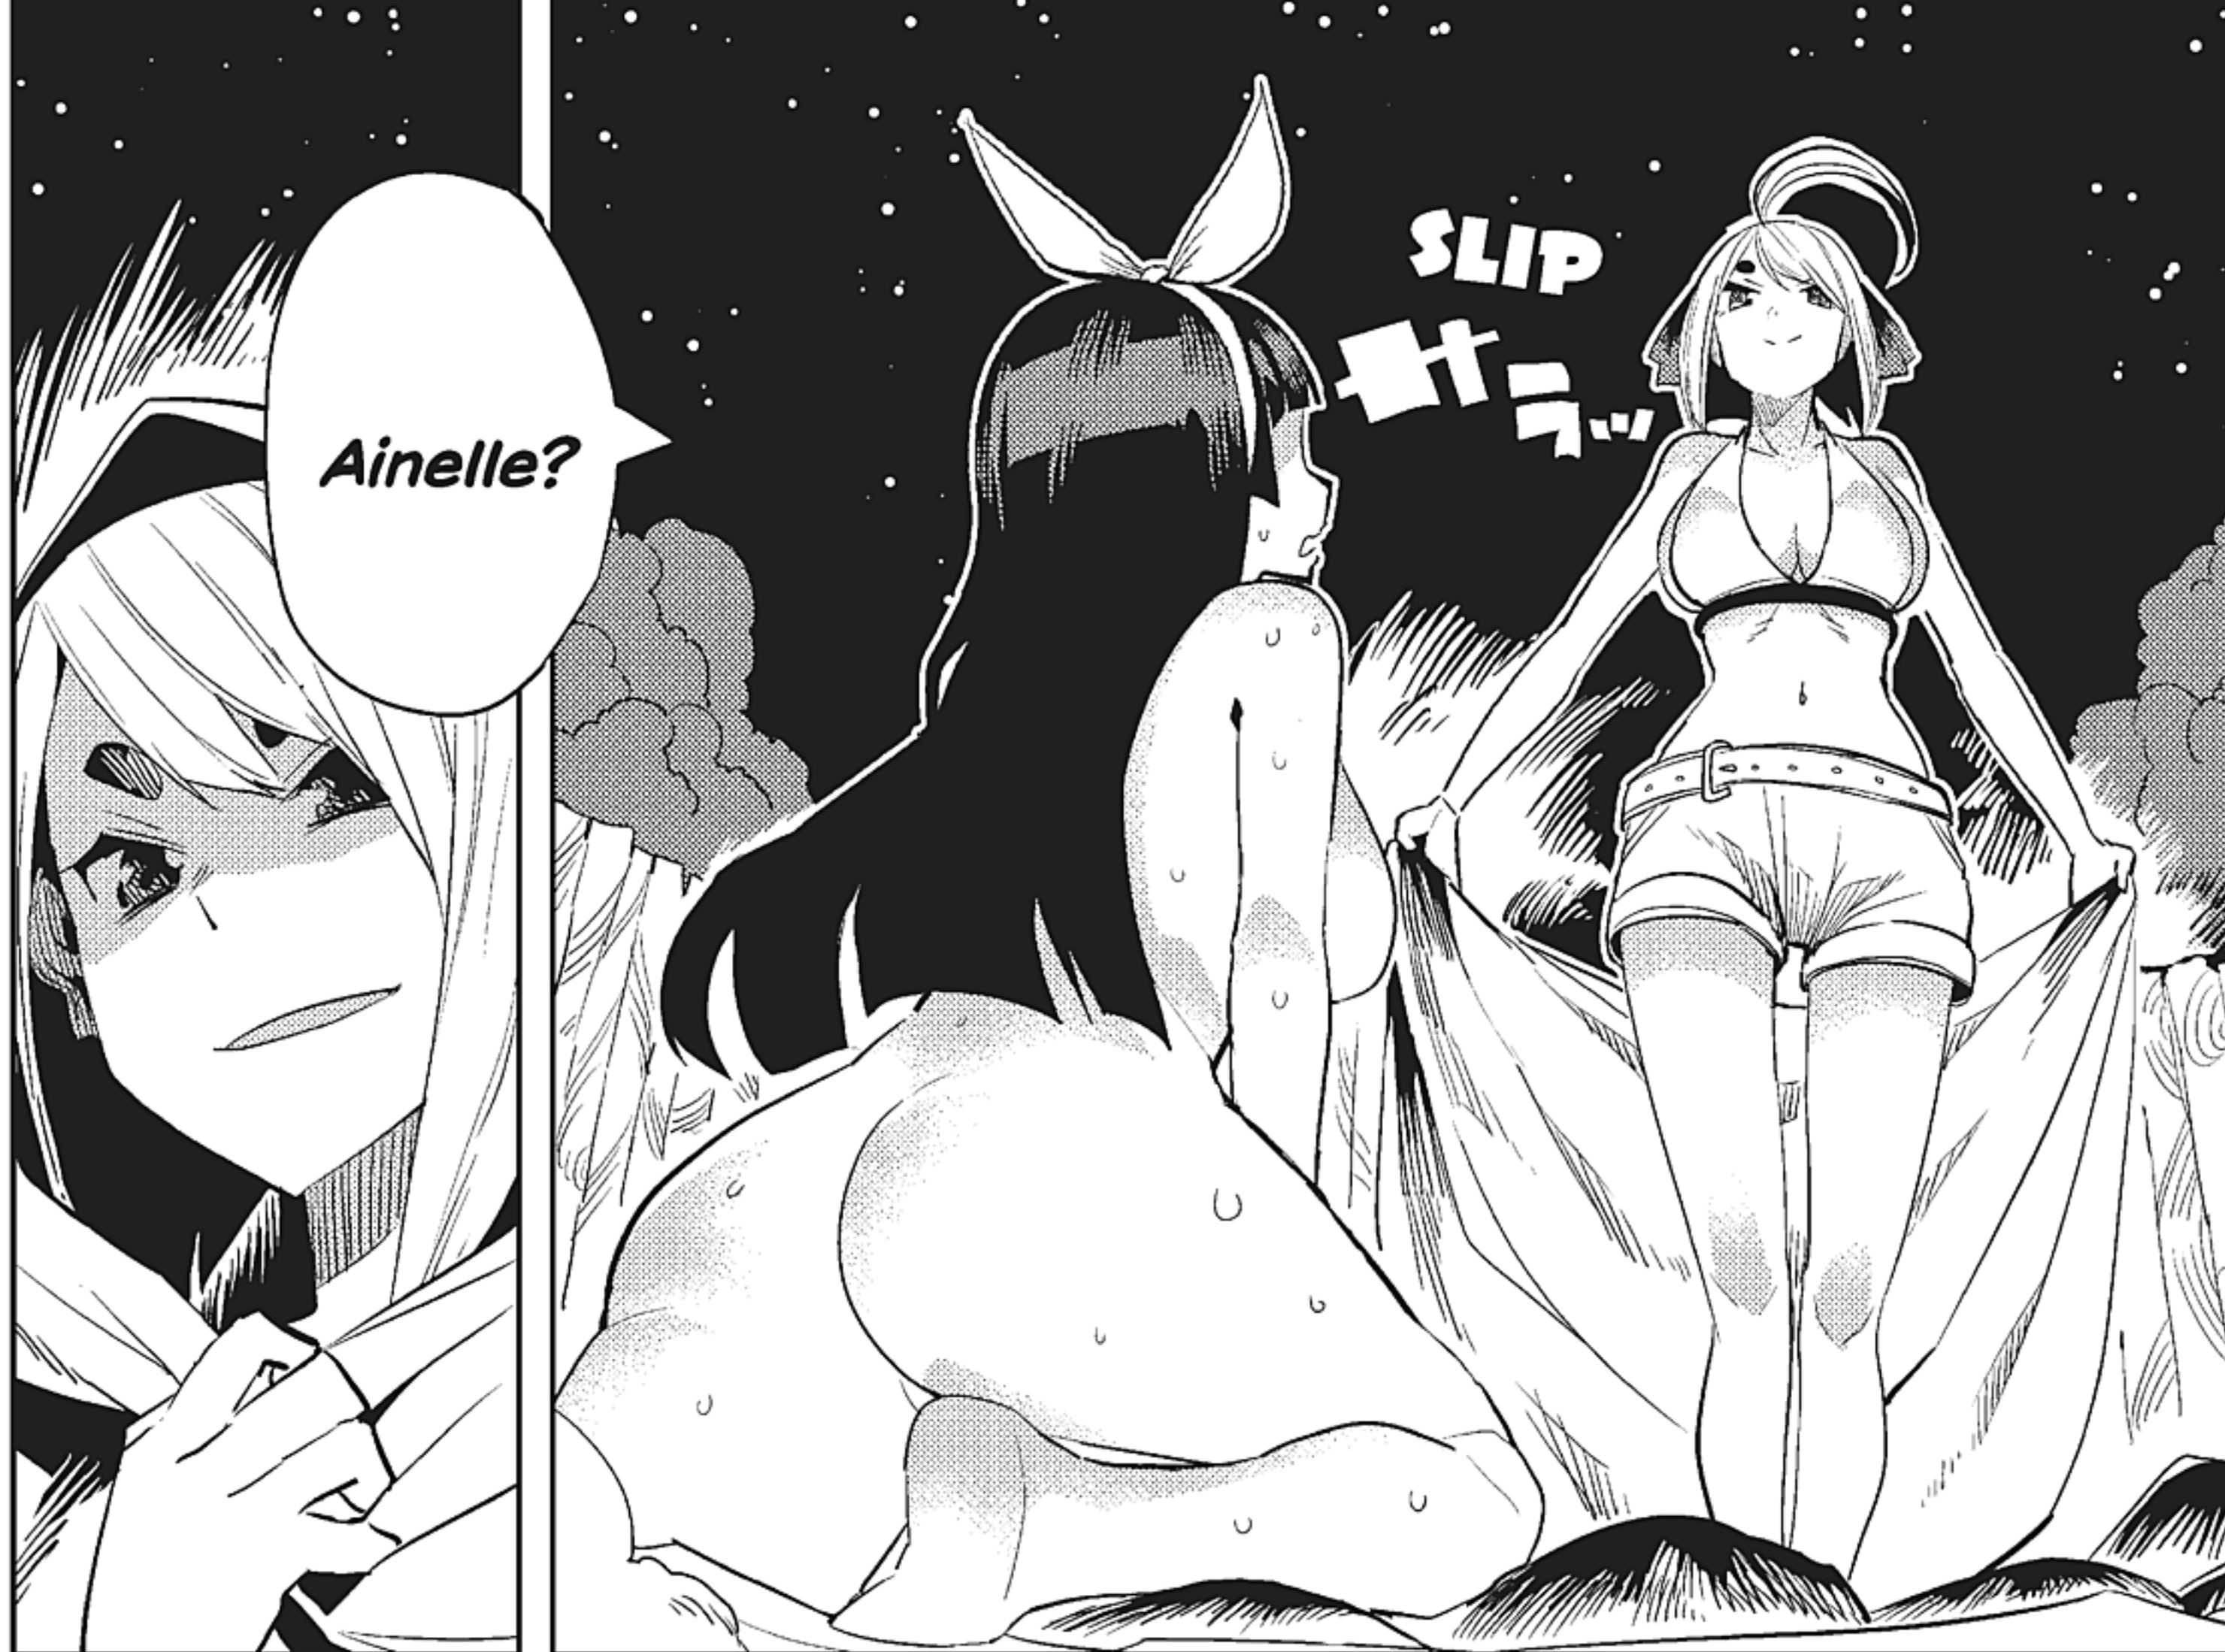

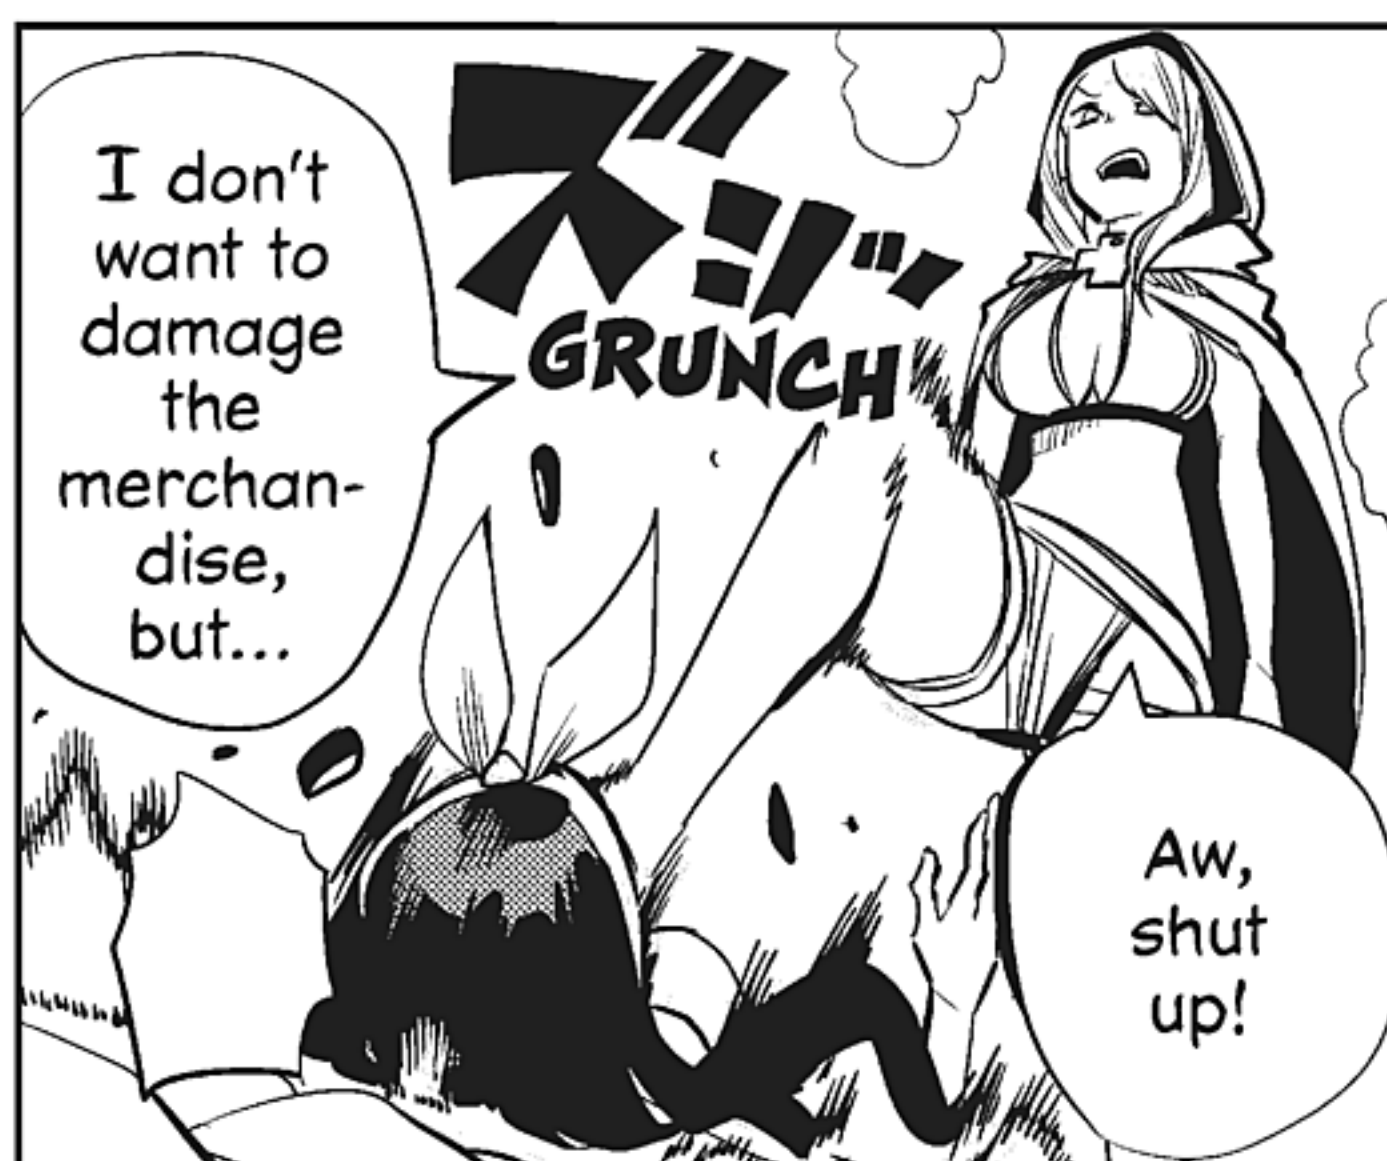

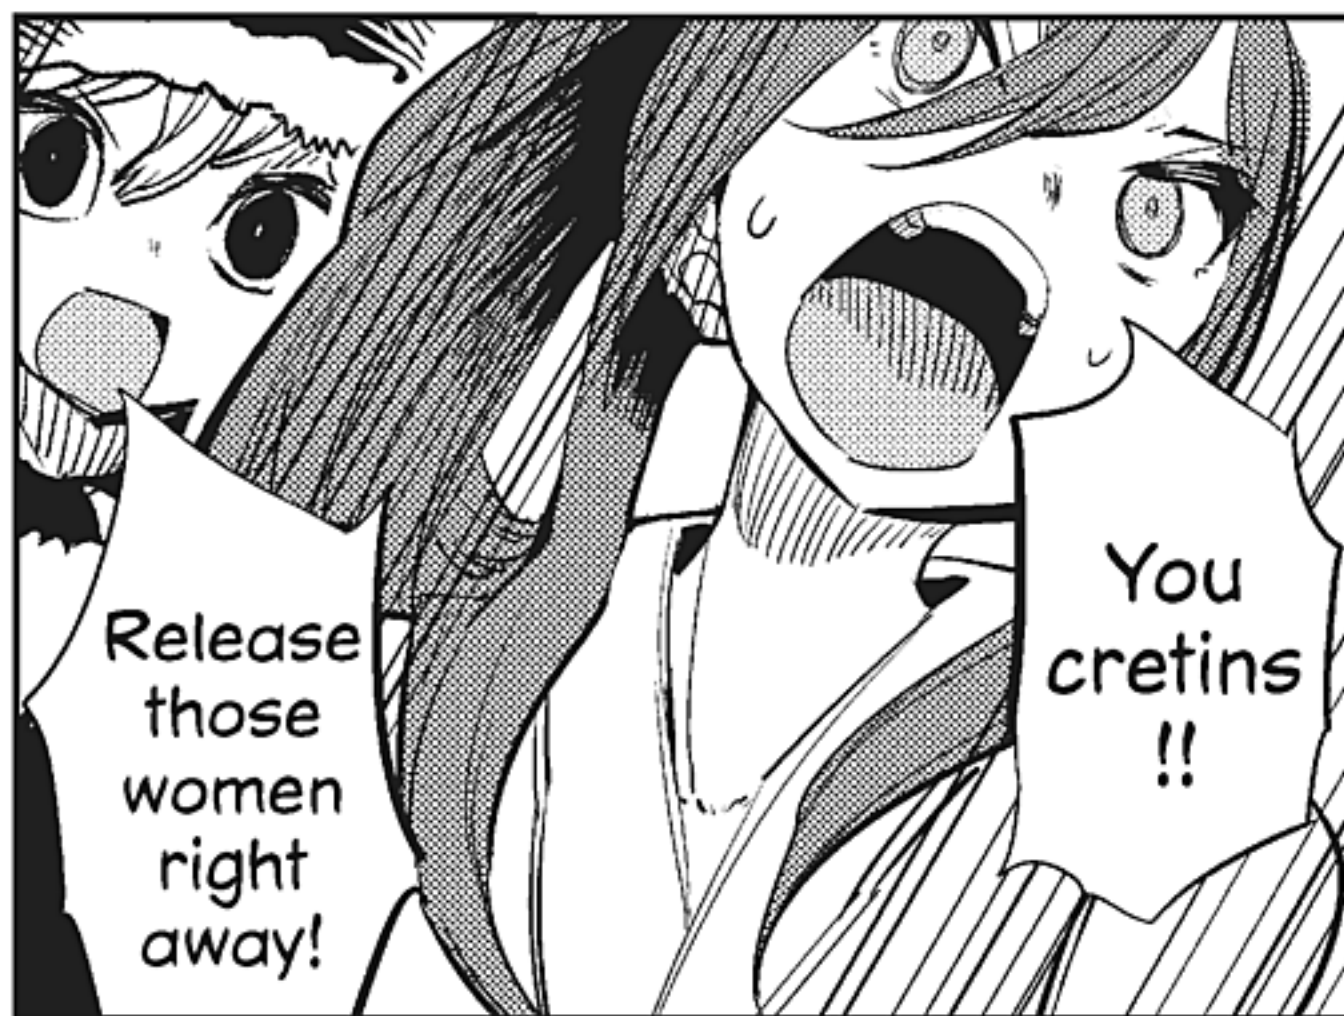

*That's
far
enough
!!*

KABOOM

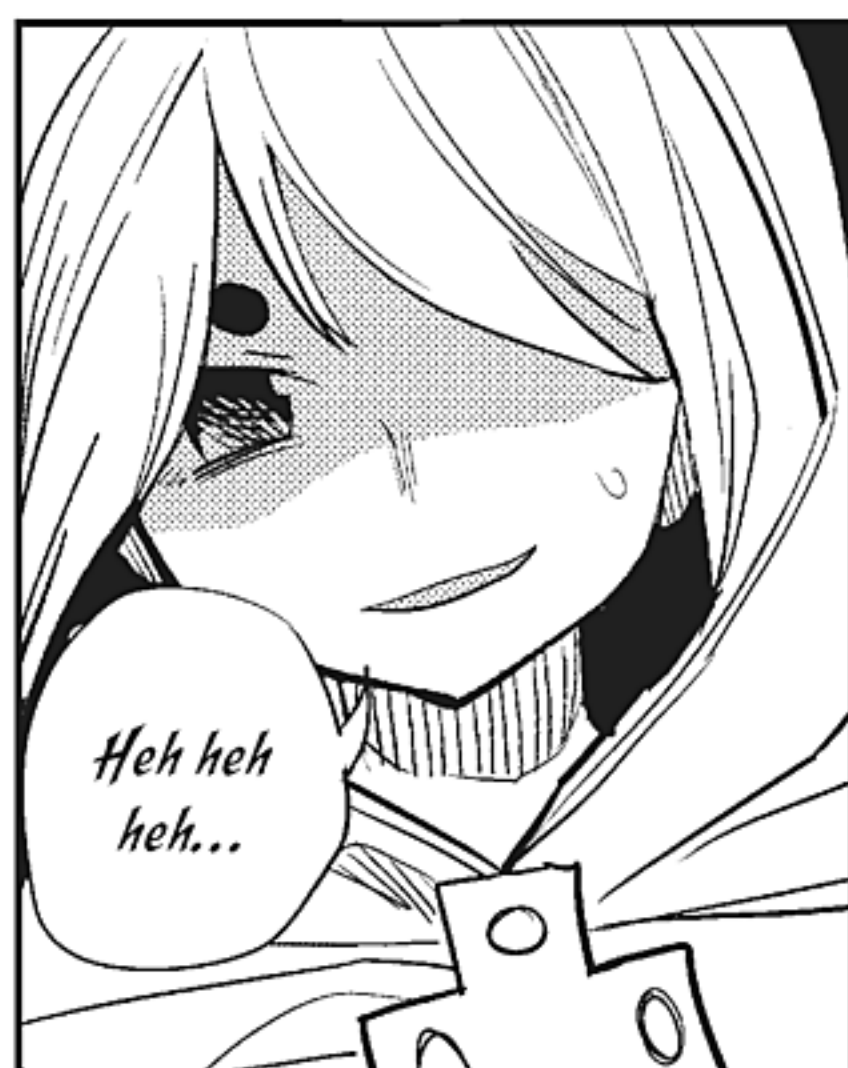

VWAAN

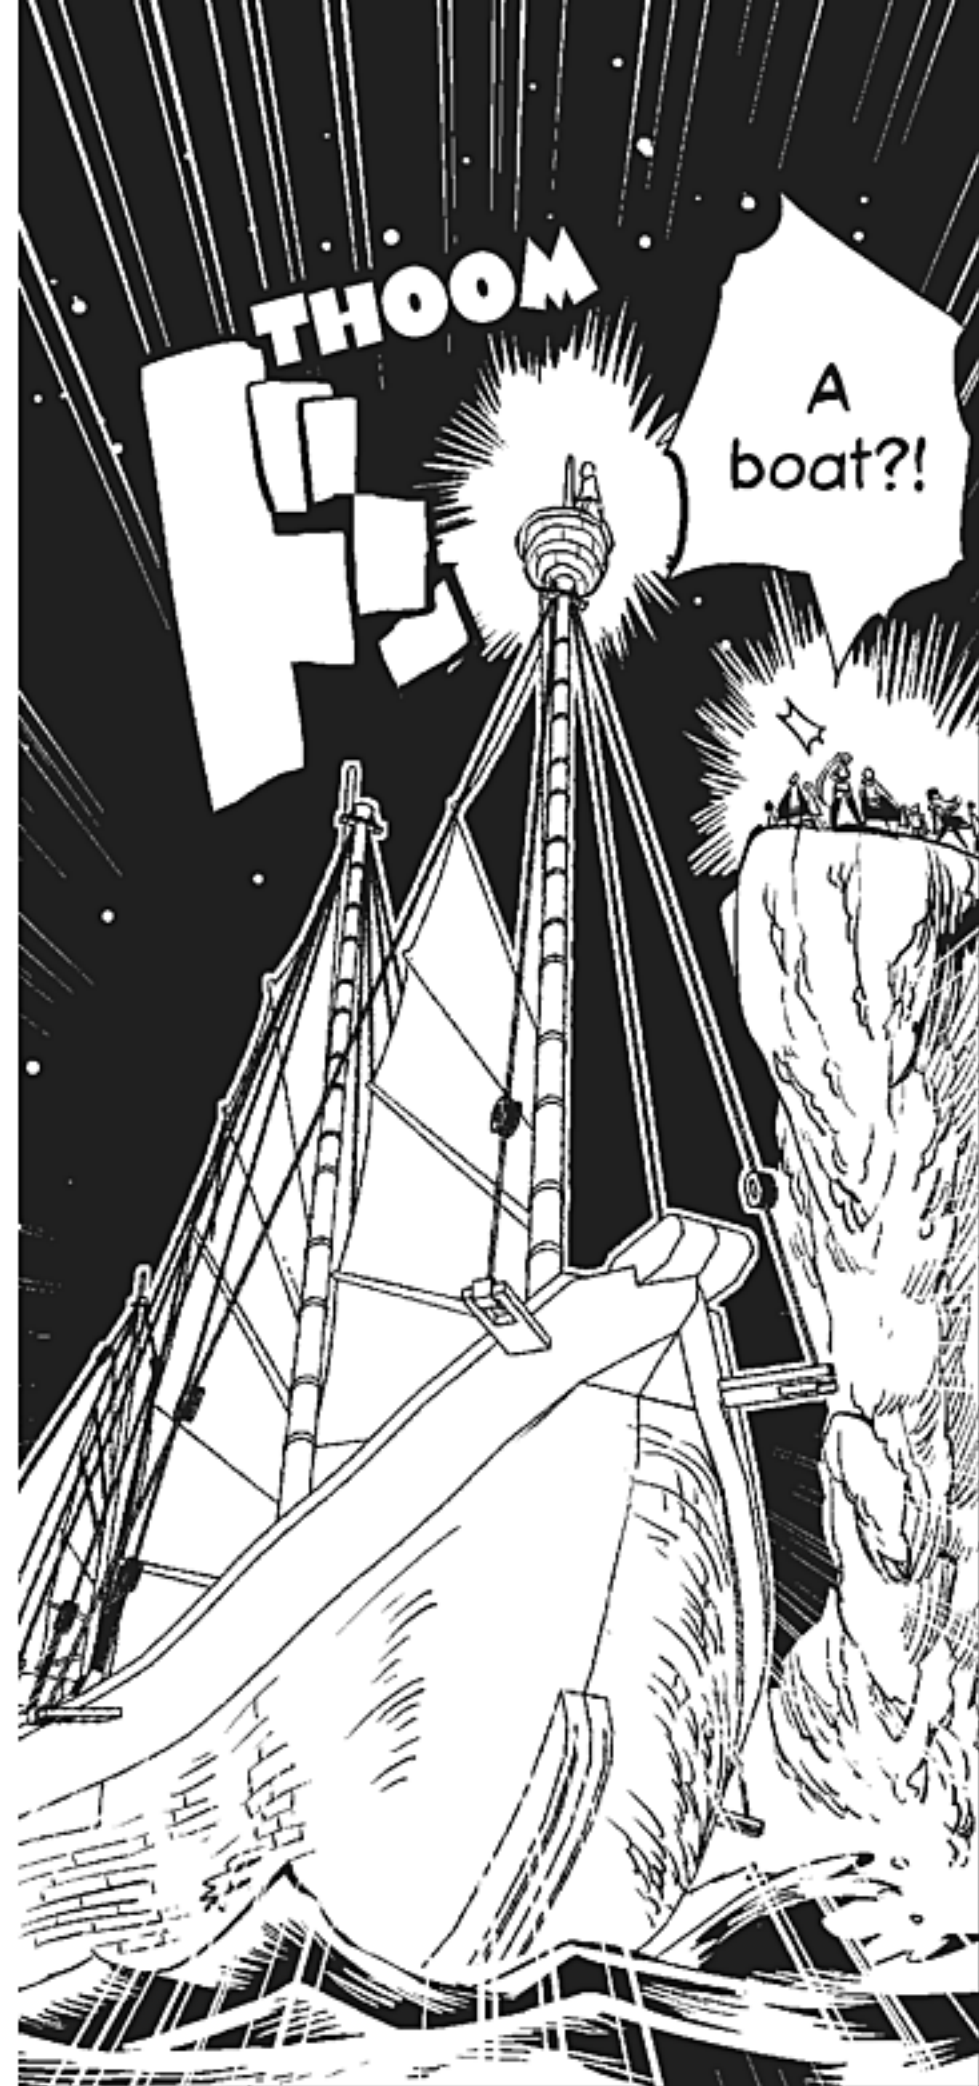

...you're
vastly
outnum-
bered.
What
can you
possibly
do?

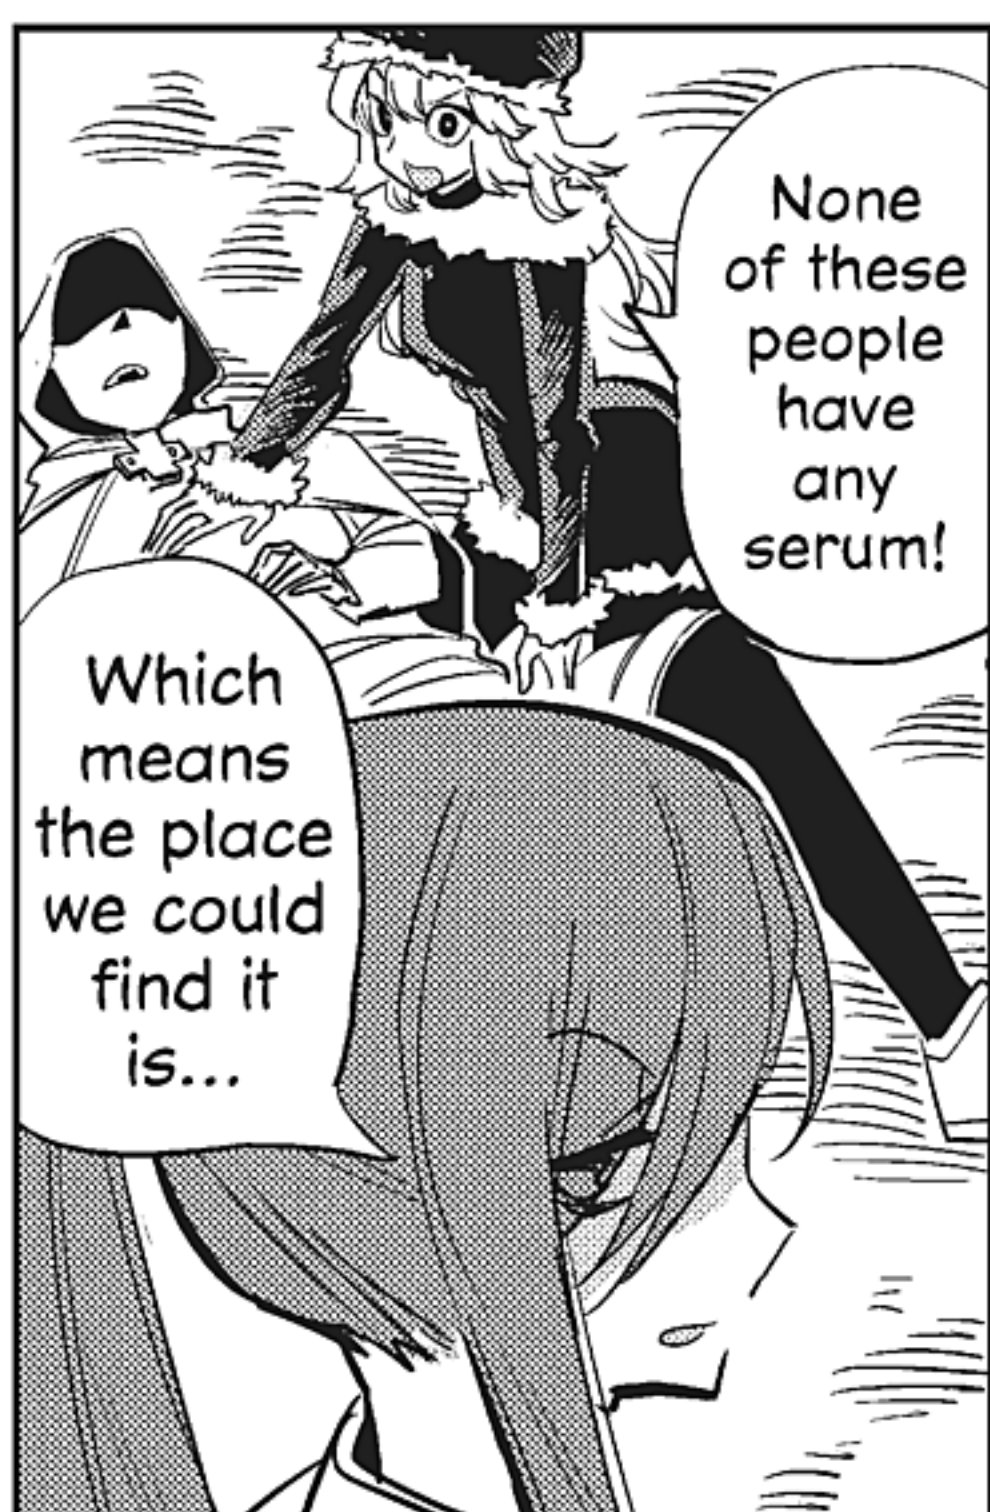

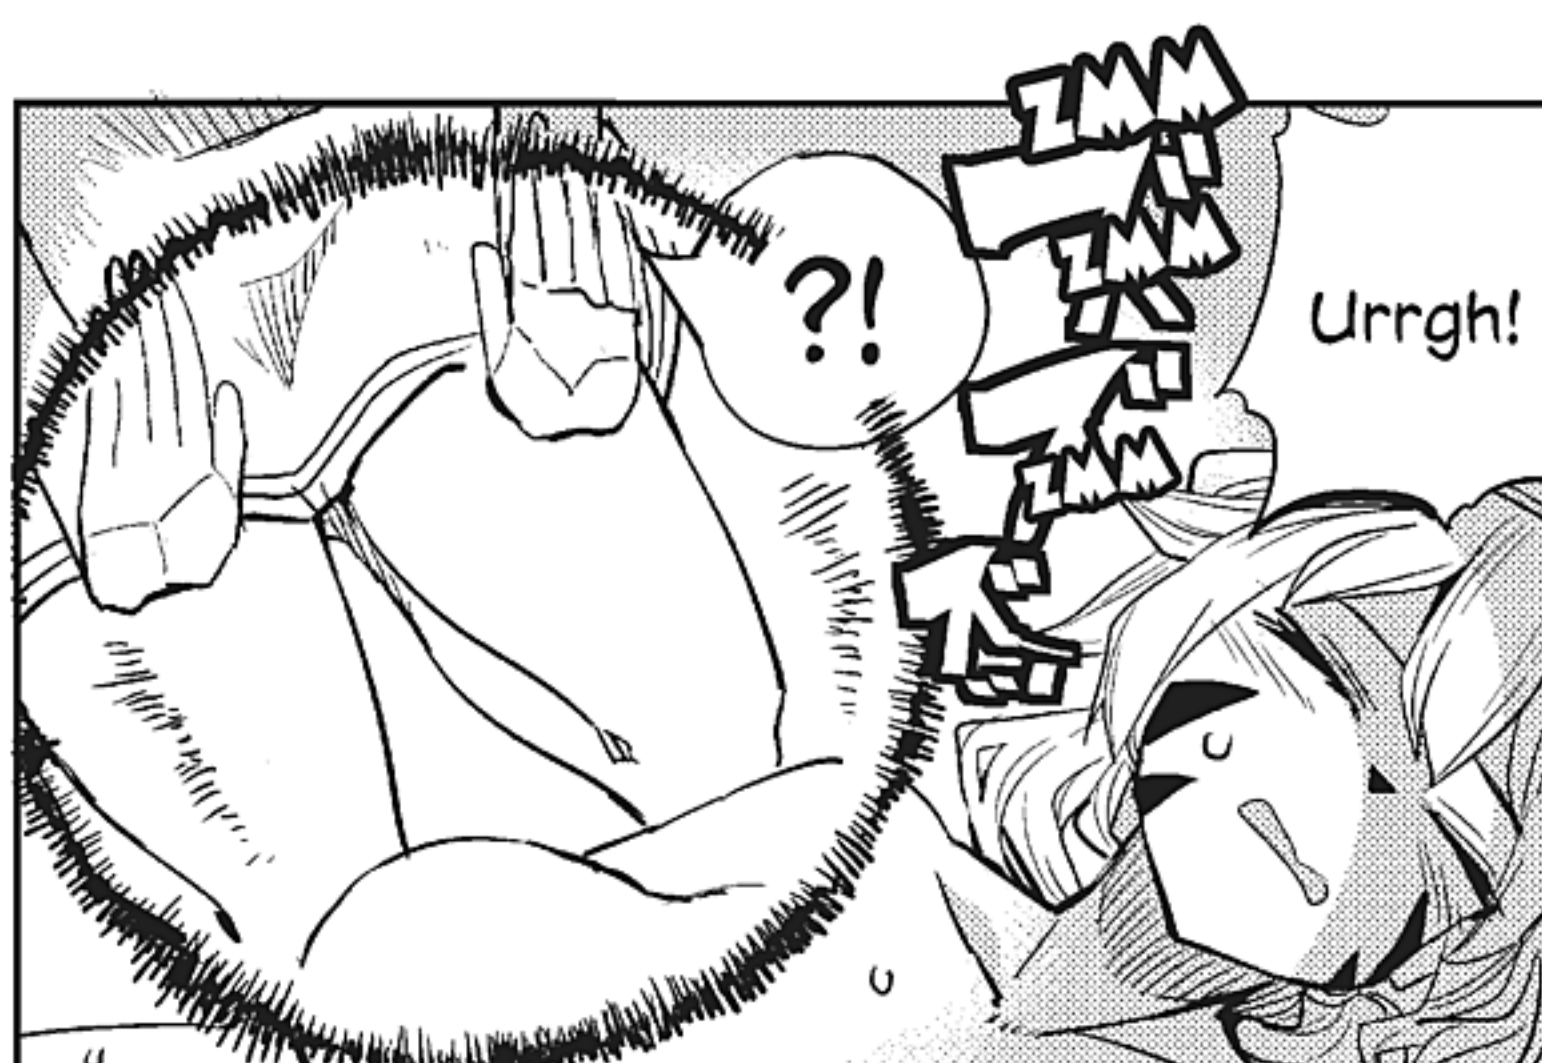

Carla !!

They're a quite few kilometers out onto the ocean.

I managed to find out where they are.

HAHH
HAHH

SHOOM

...the main base where Kagura has been taken...

Er-chan ...

I think this virus will get more dangerous as time goes on...

Milli-anna ...

GRIMP

This is really a problem for Mermaid Heel to solve...

...but, please ...

Especially Kagura-chan! There's no telling what will happen to her as a slave...

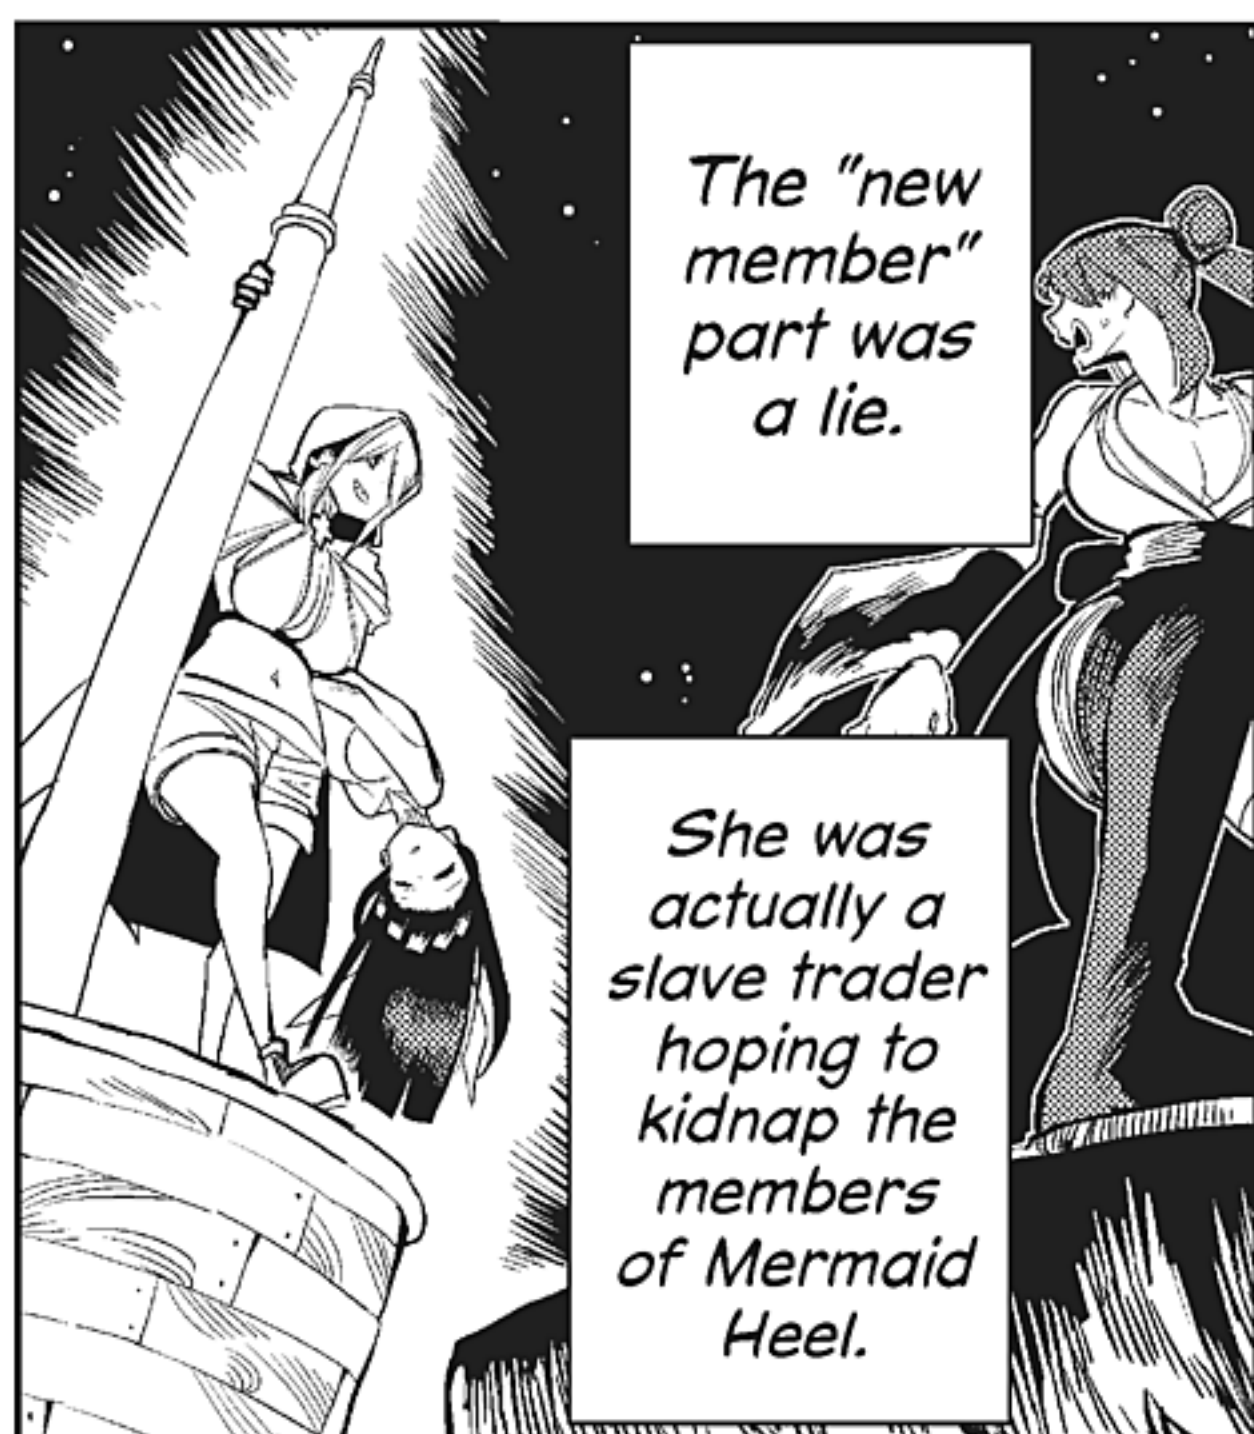

I'm fine for now... but the other members...

....!!

...and we were asked to help fill in at their restaurant, so we went to their guild.

All of the members of Mermaid Heel came down with a strange illness...

The "new member" part was a lie.

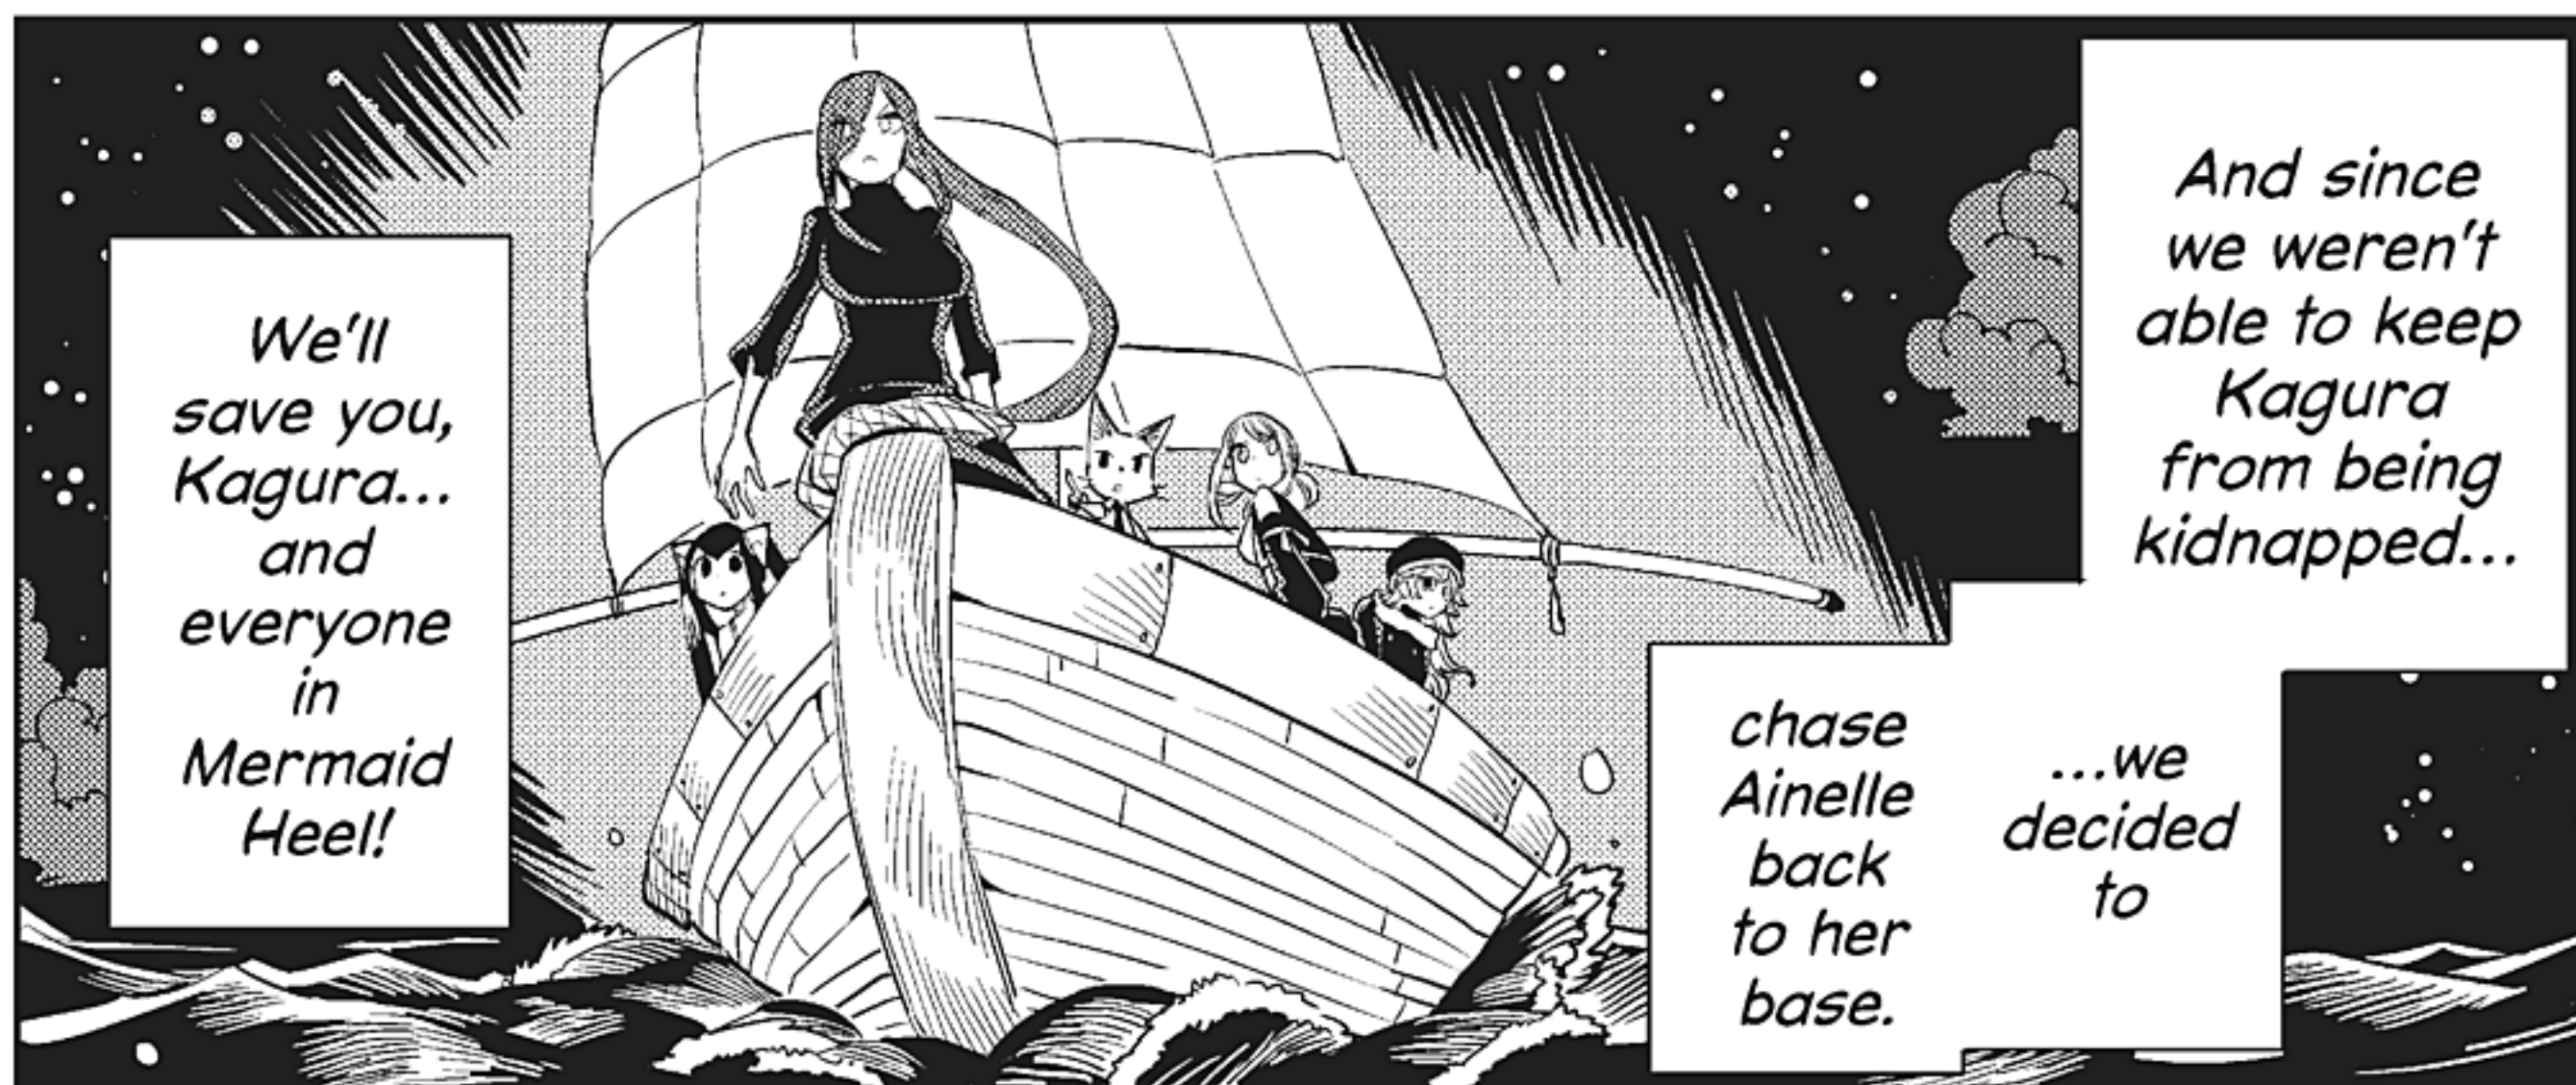

She was actually a slave trader hoping to kidnap the members of Mermaid Heel.

But it turns out that a new member, Ainelle...

...was the source of the illness.

YEAH

We'll save you, Kagura... and everyone in Mermaid Heel!

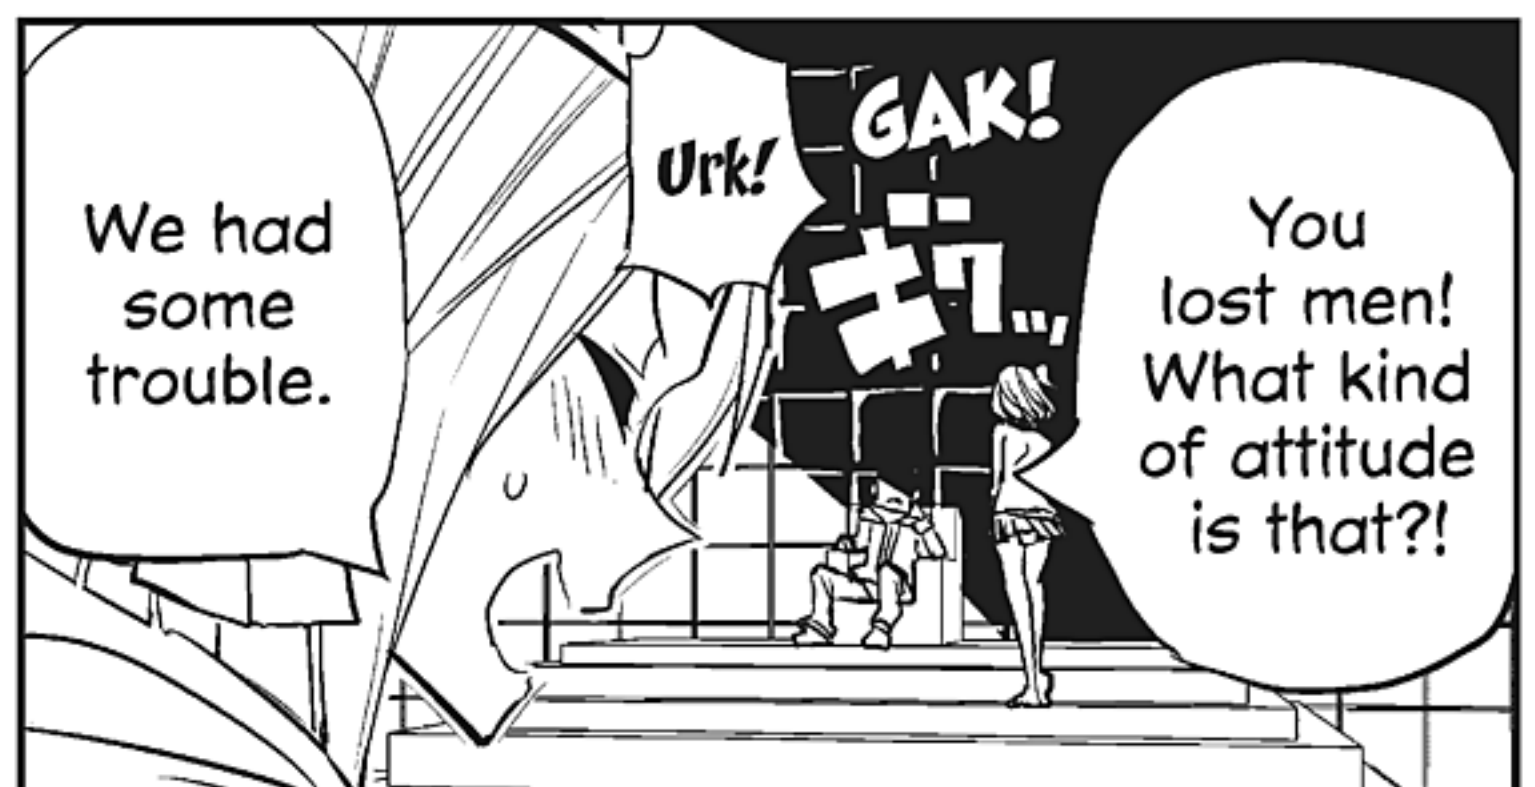

And since we weren't able to keep Kagura from being kidnapped...

chase Ainelle back to her base.

...we decided to

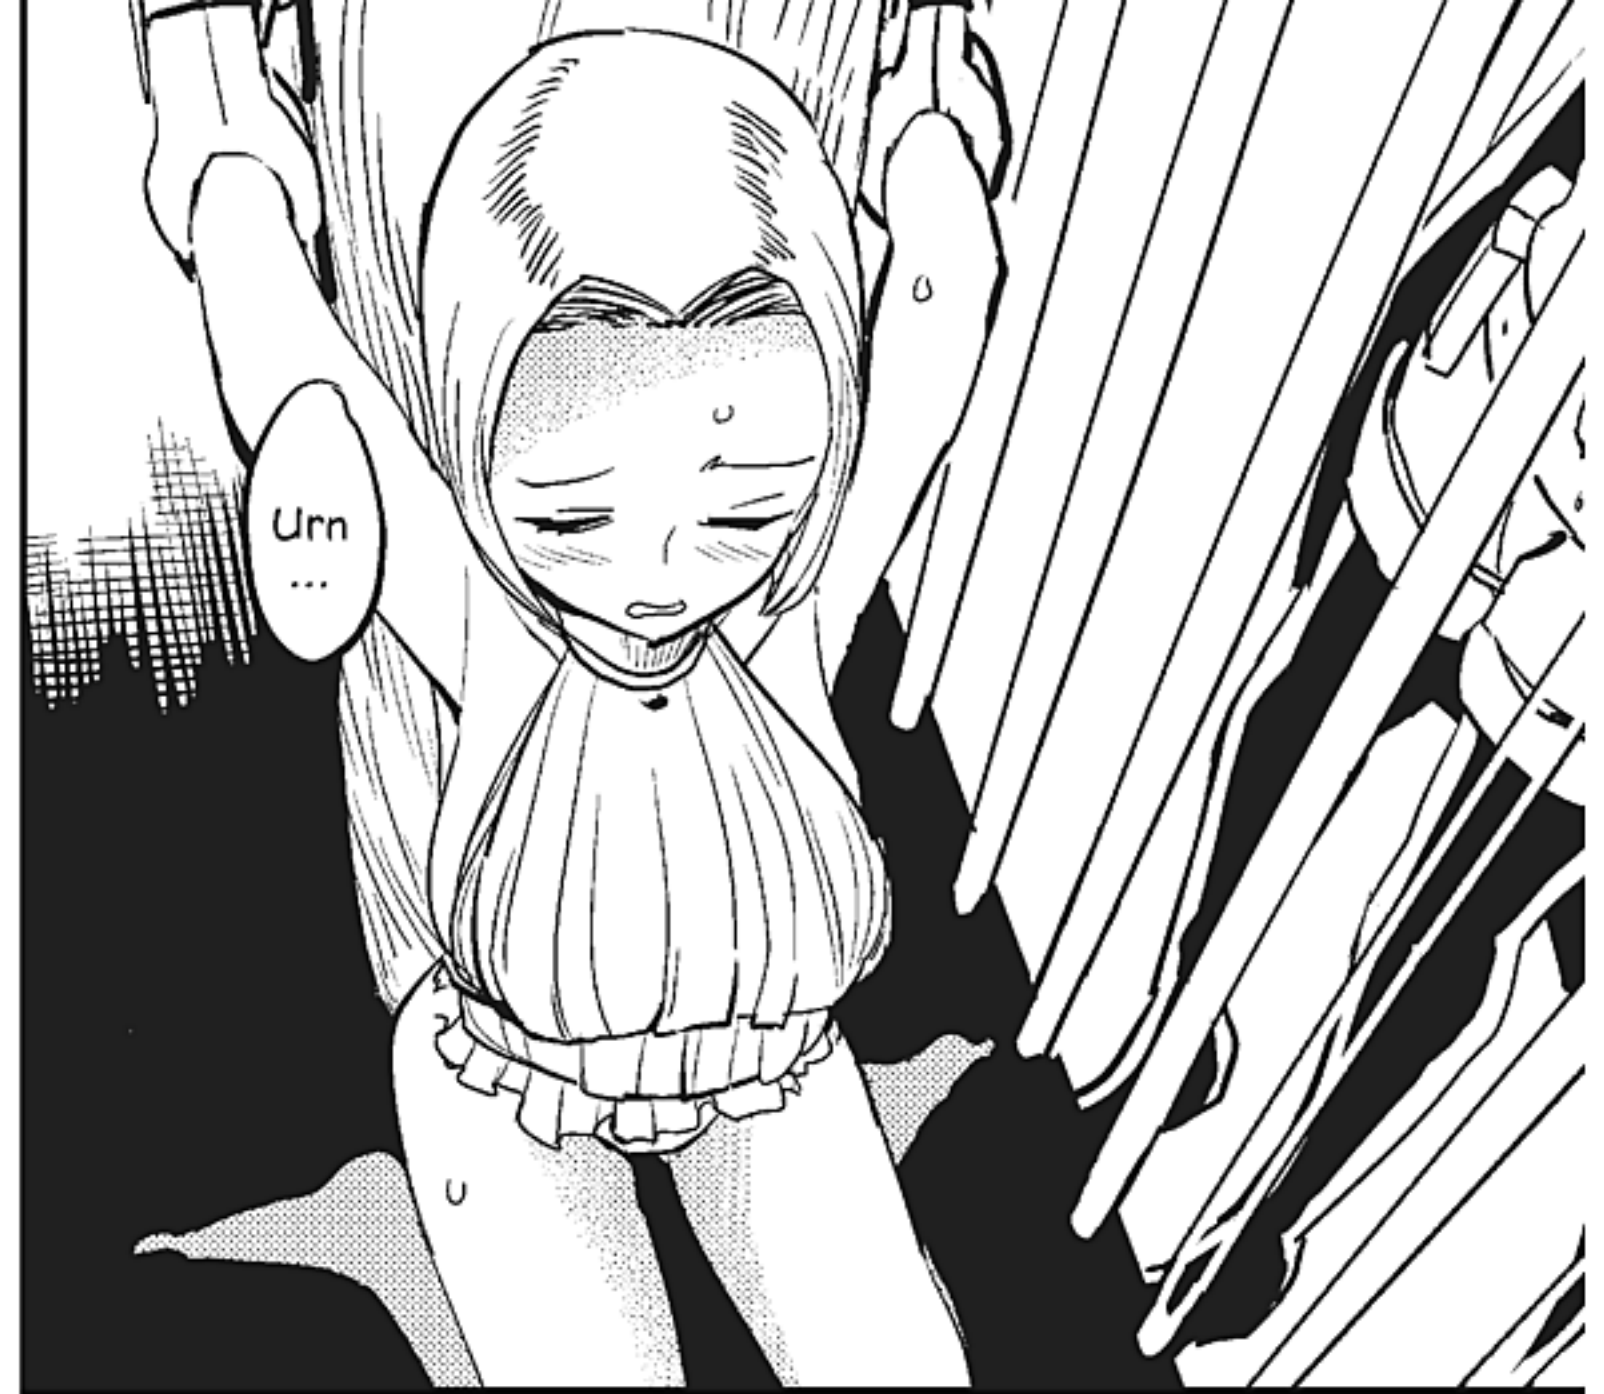

Chapter 15: The Splendid "Punishment" ♡

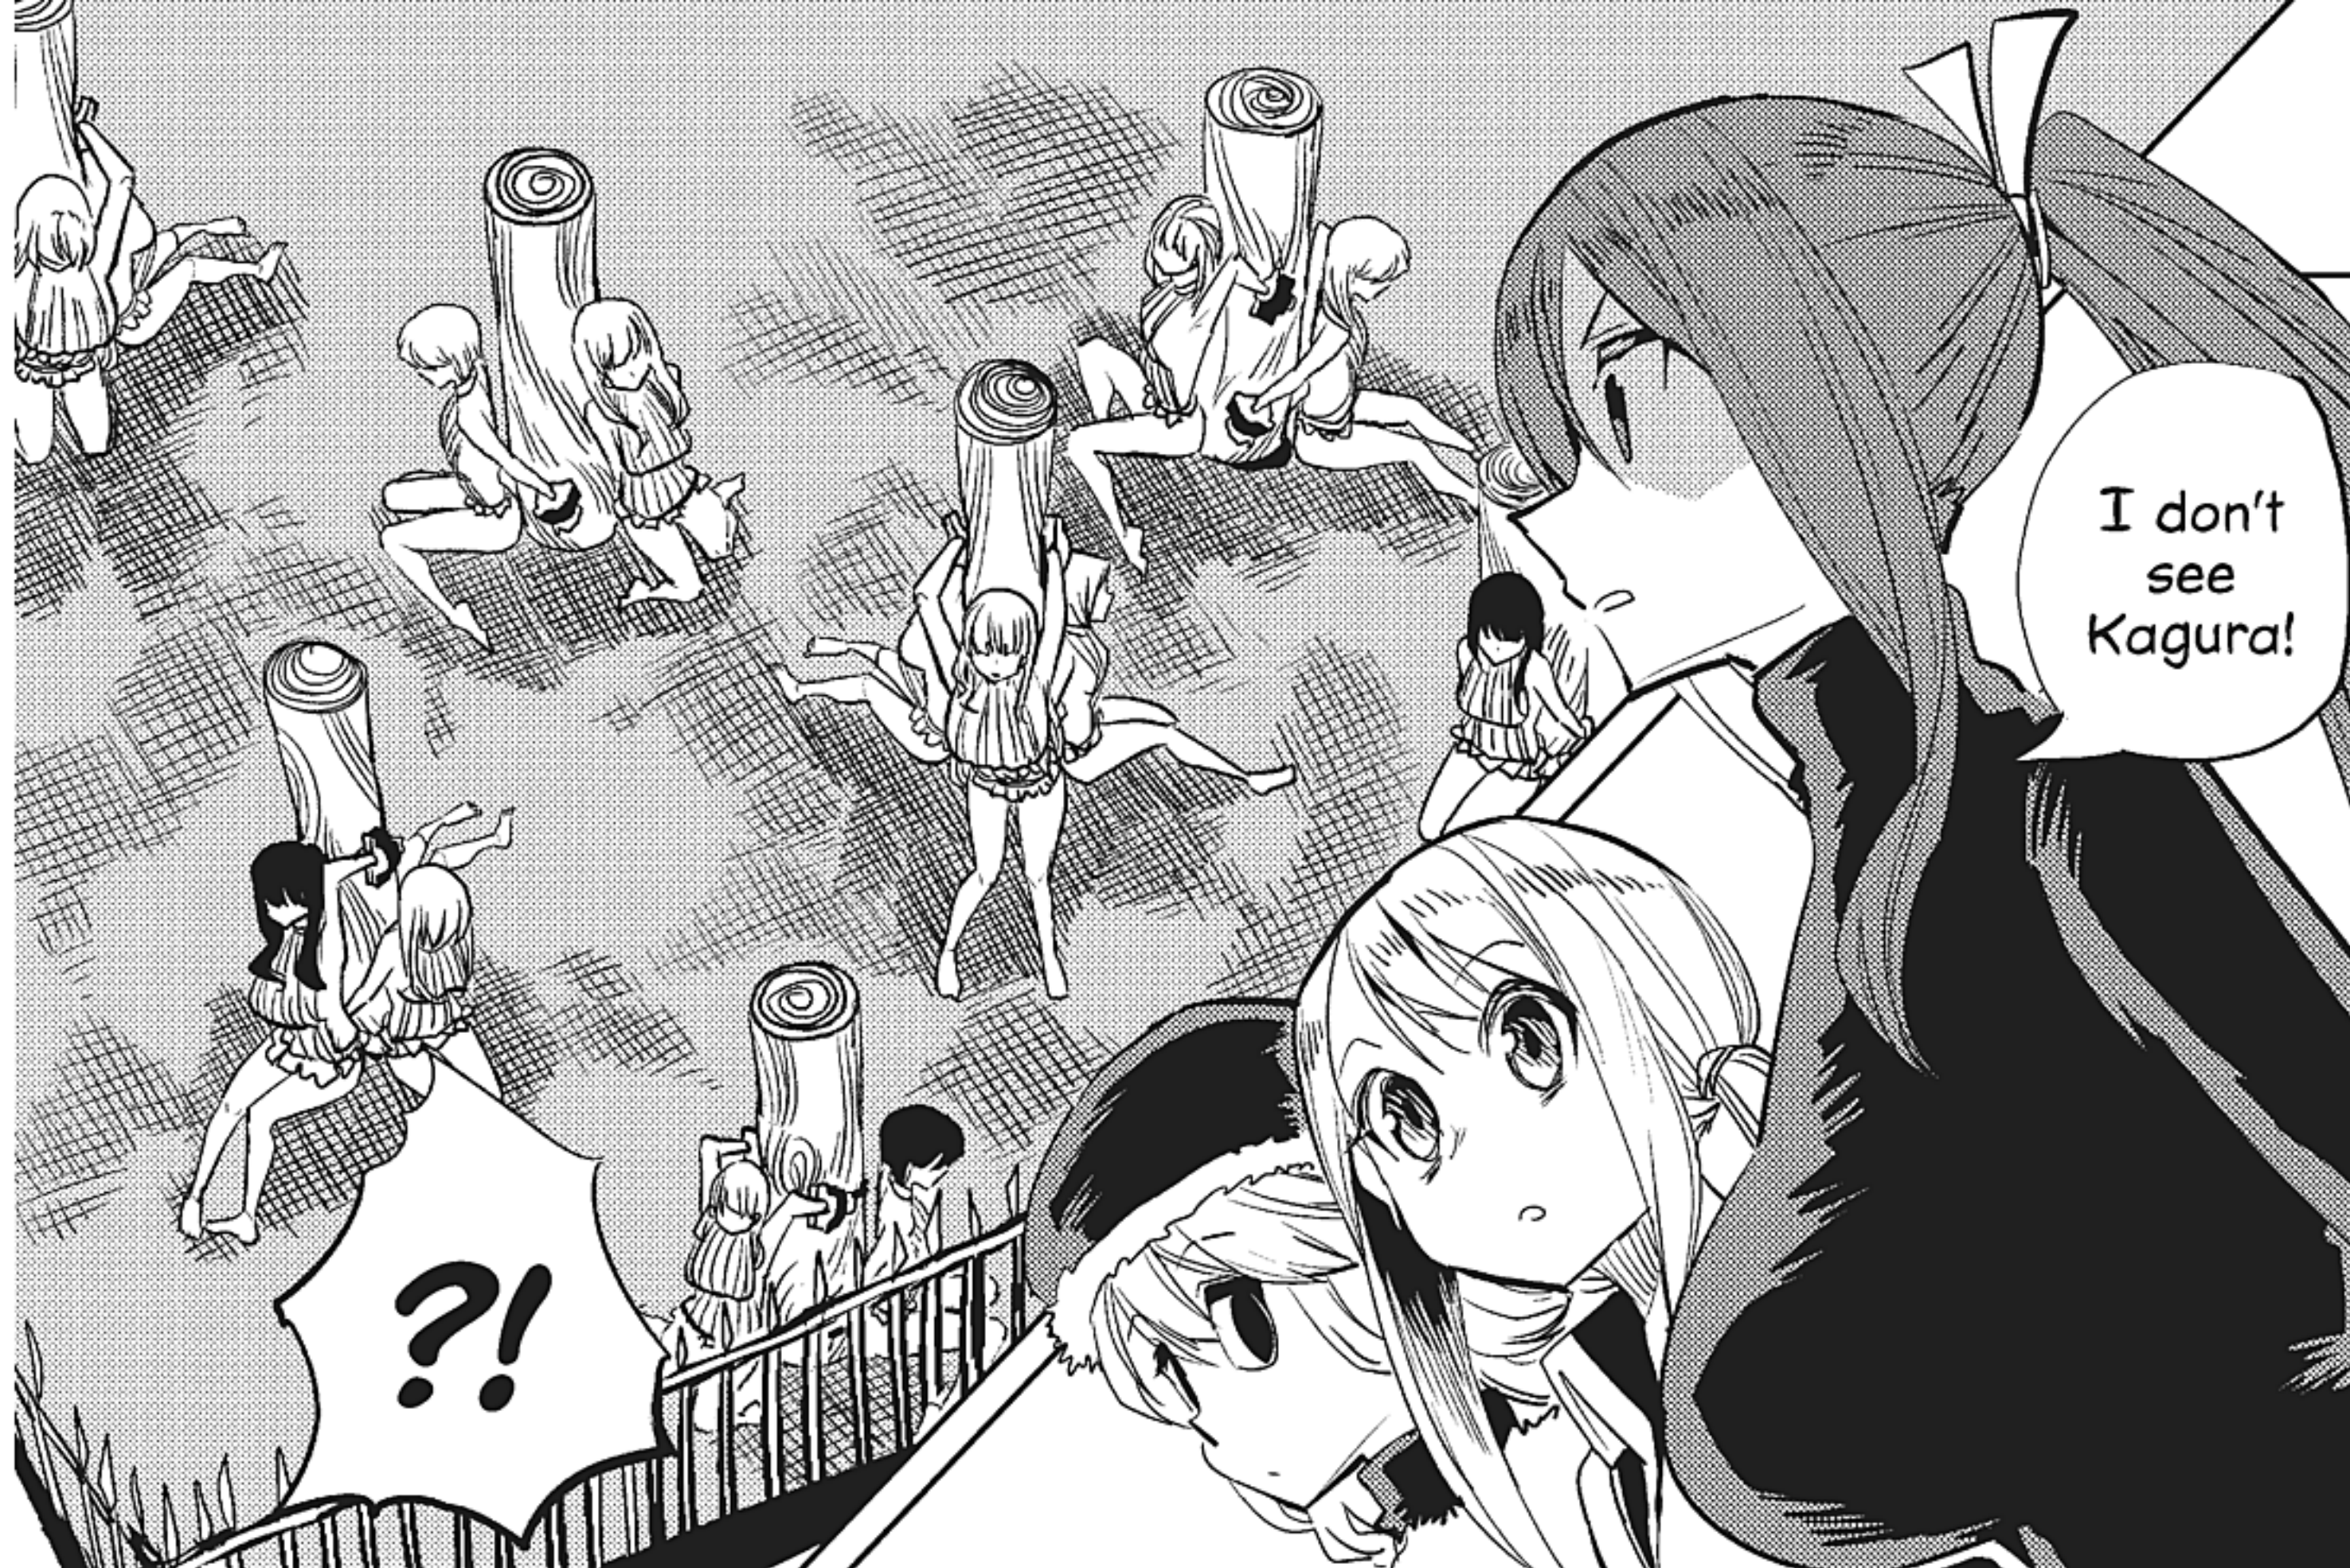

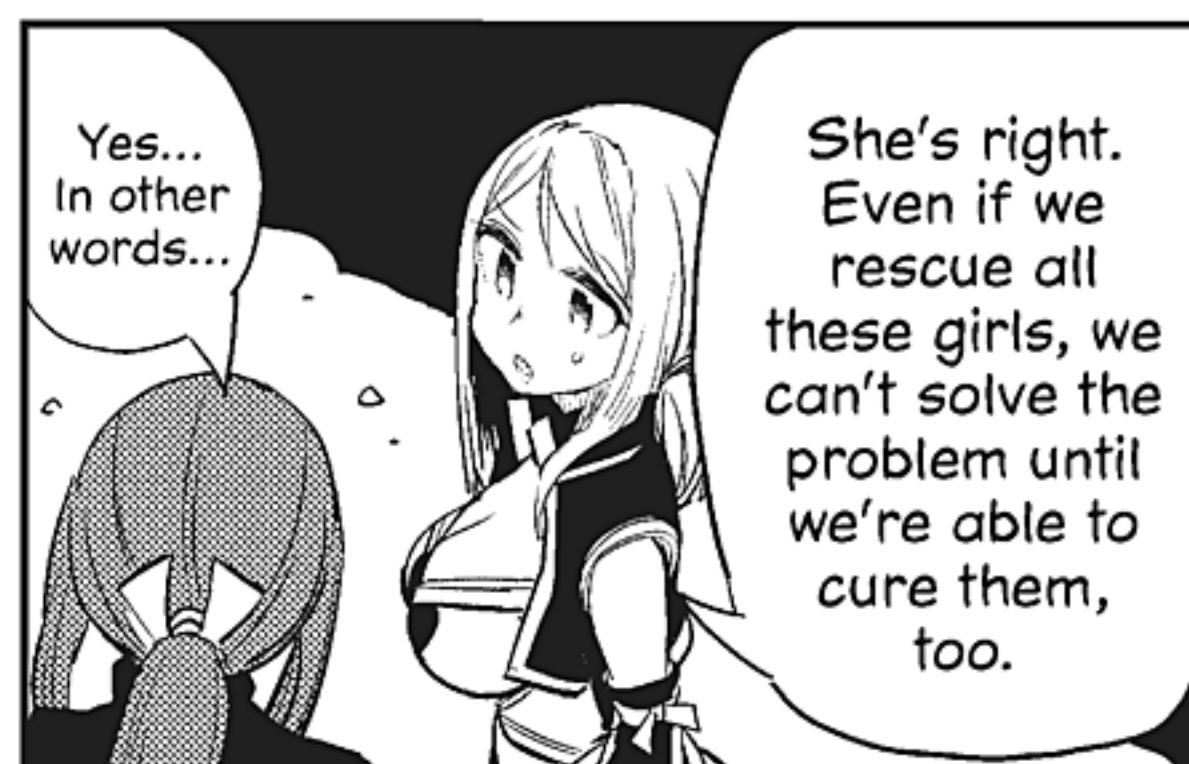

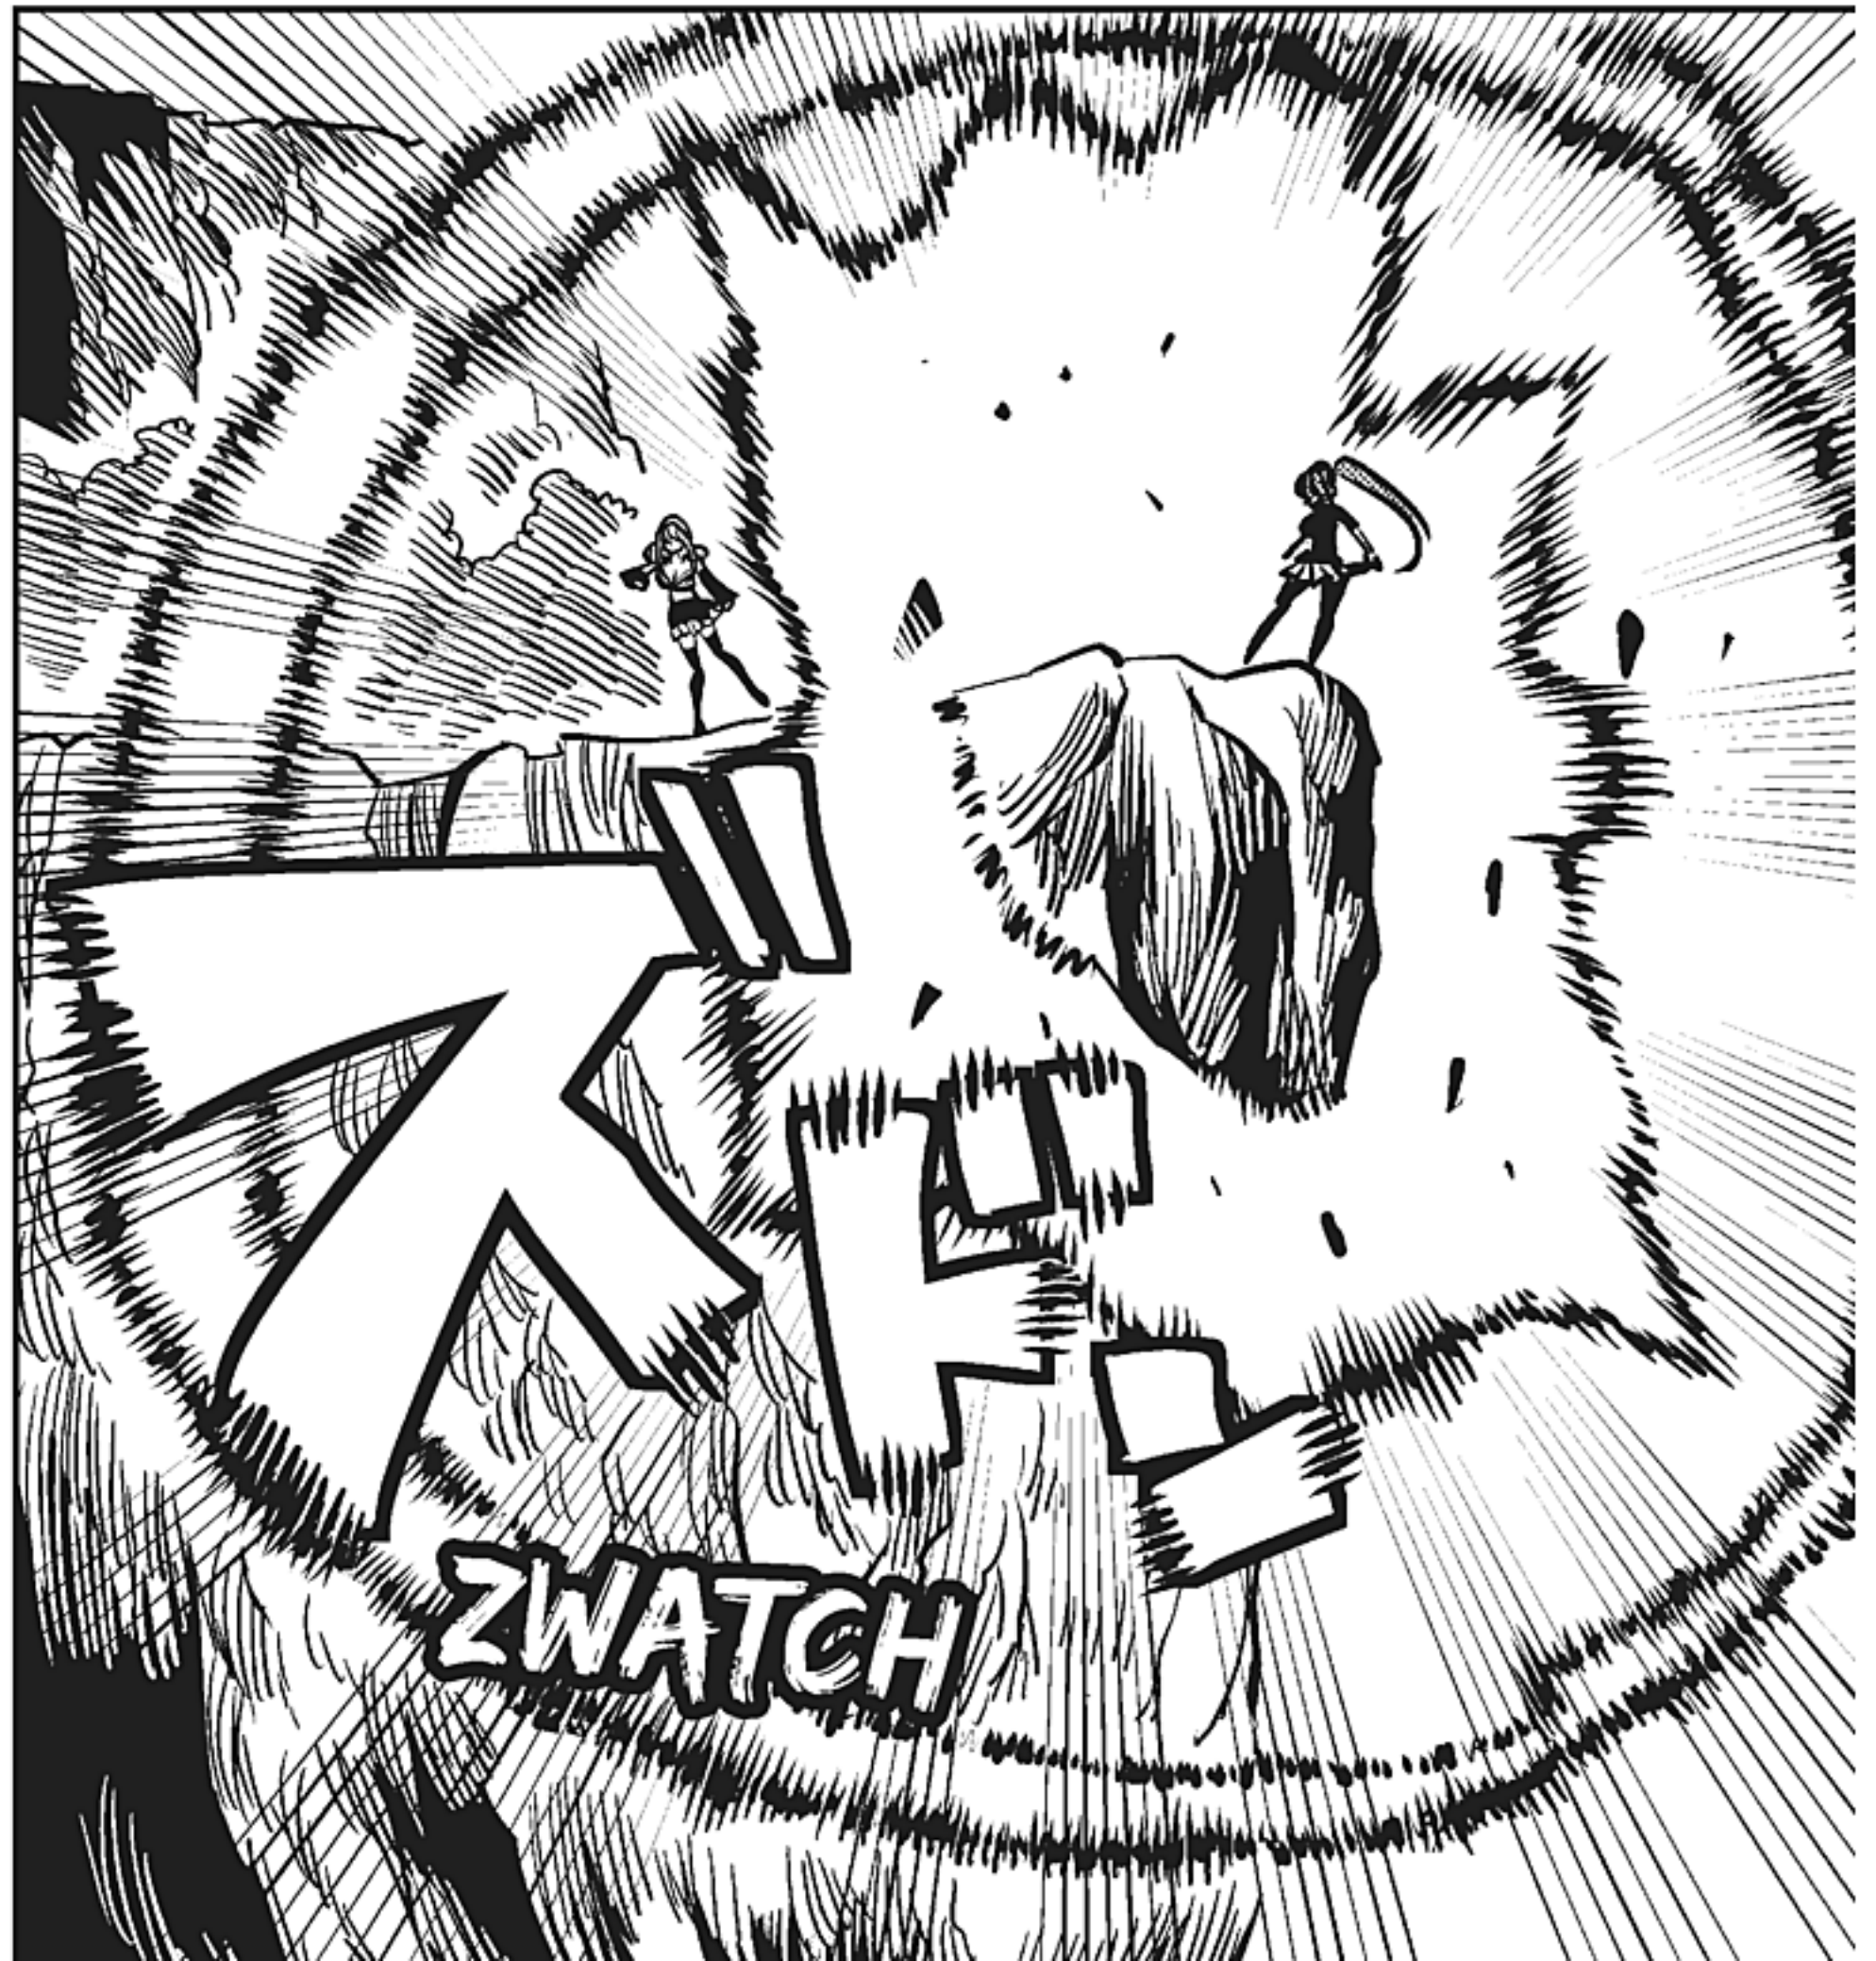

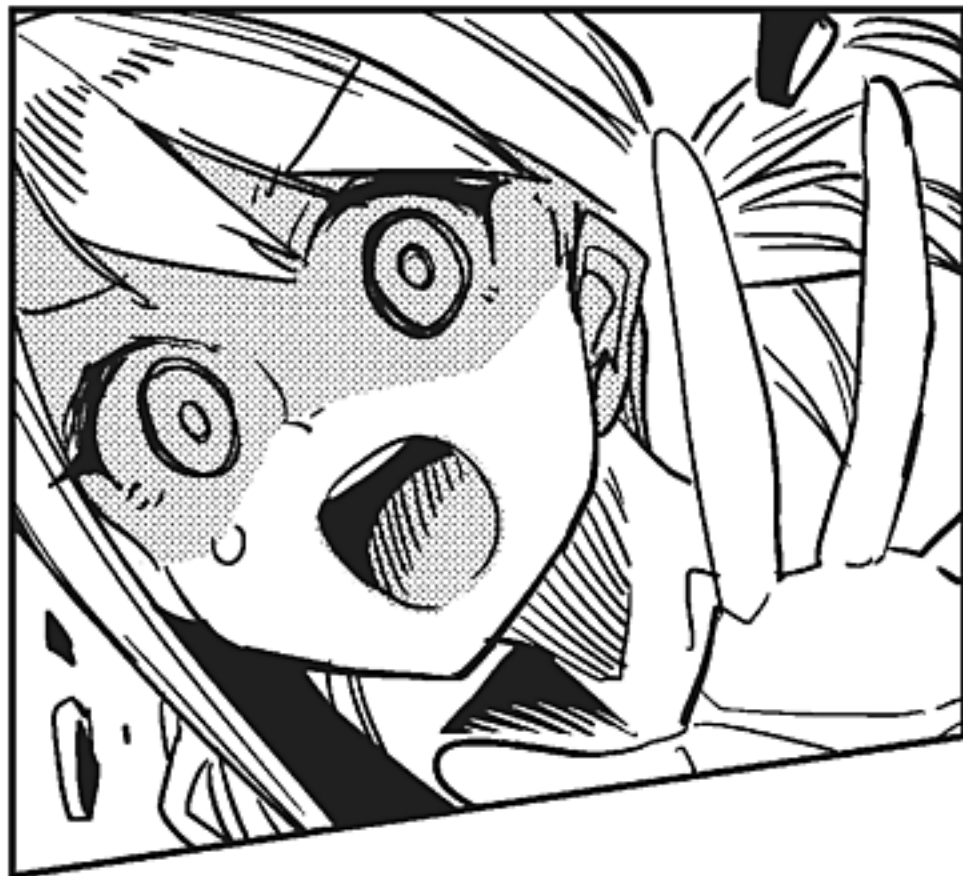

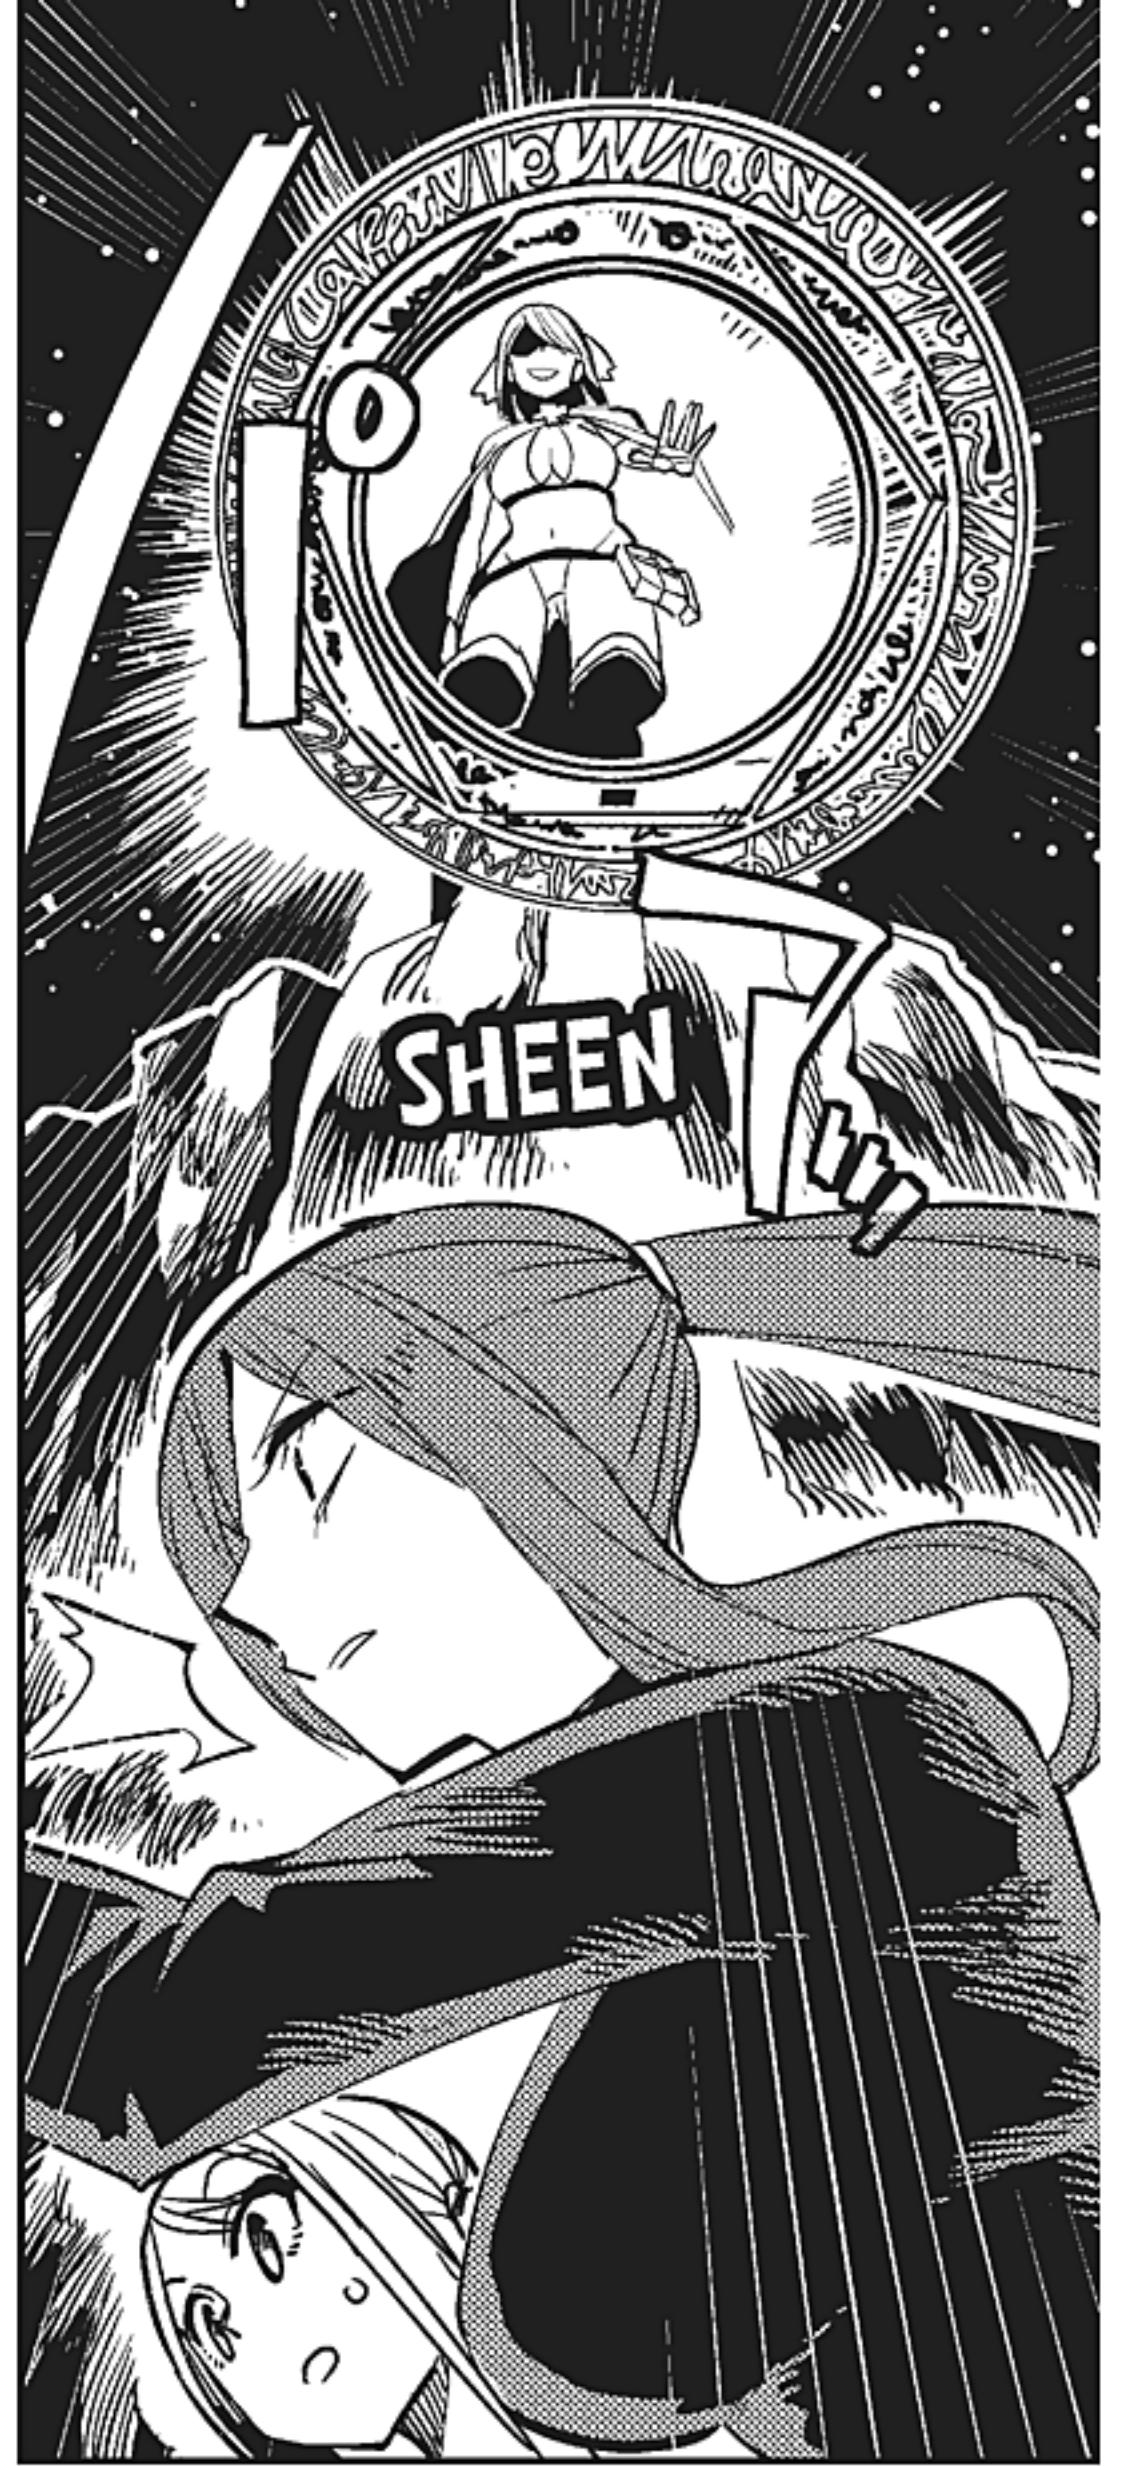

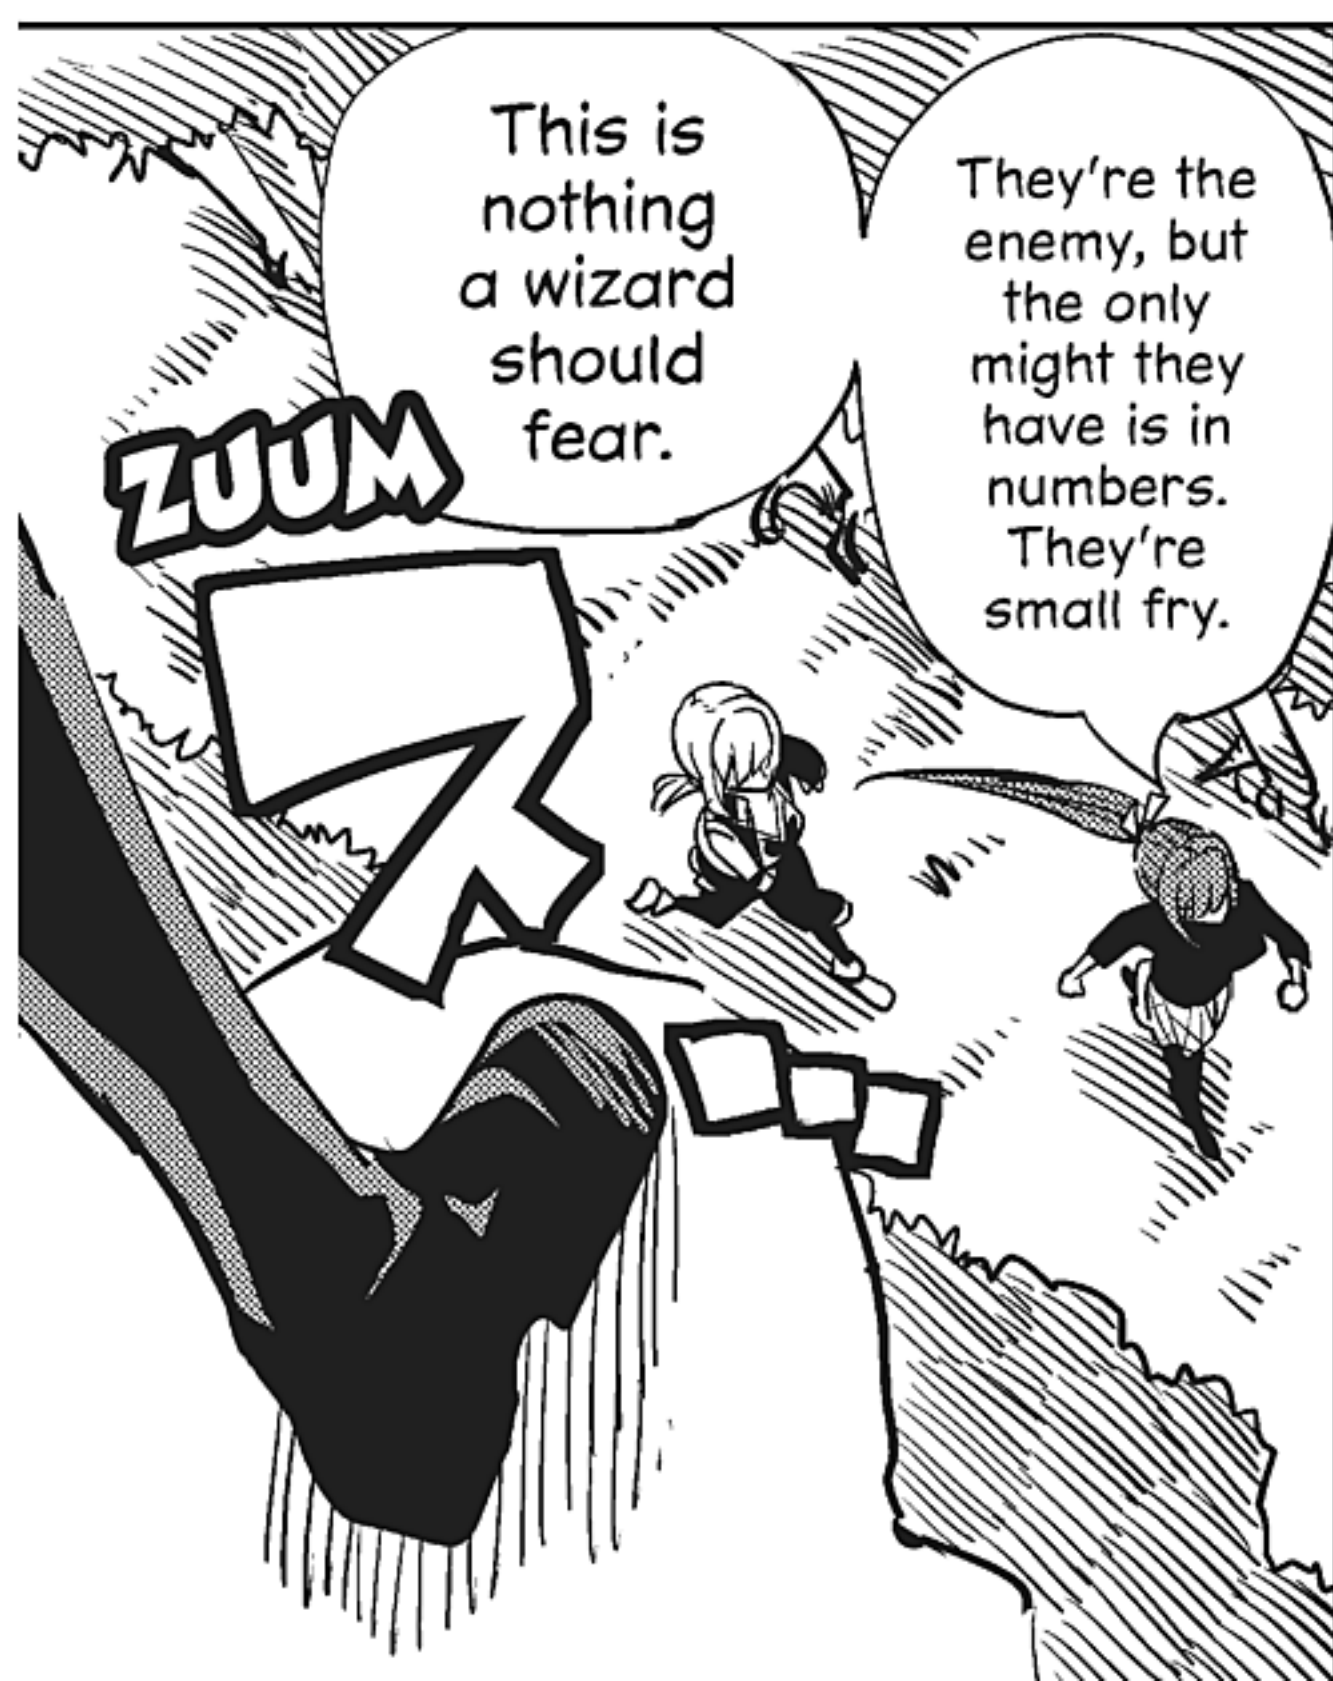

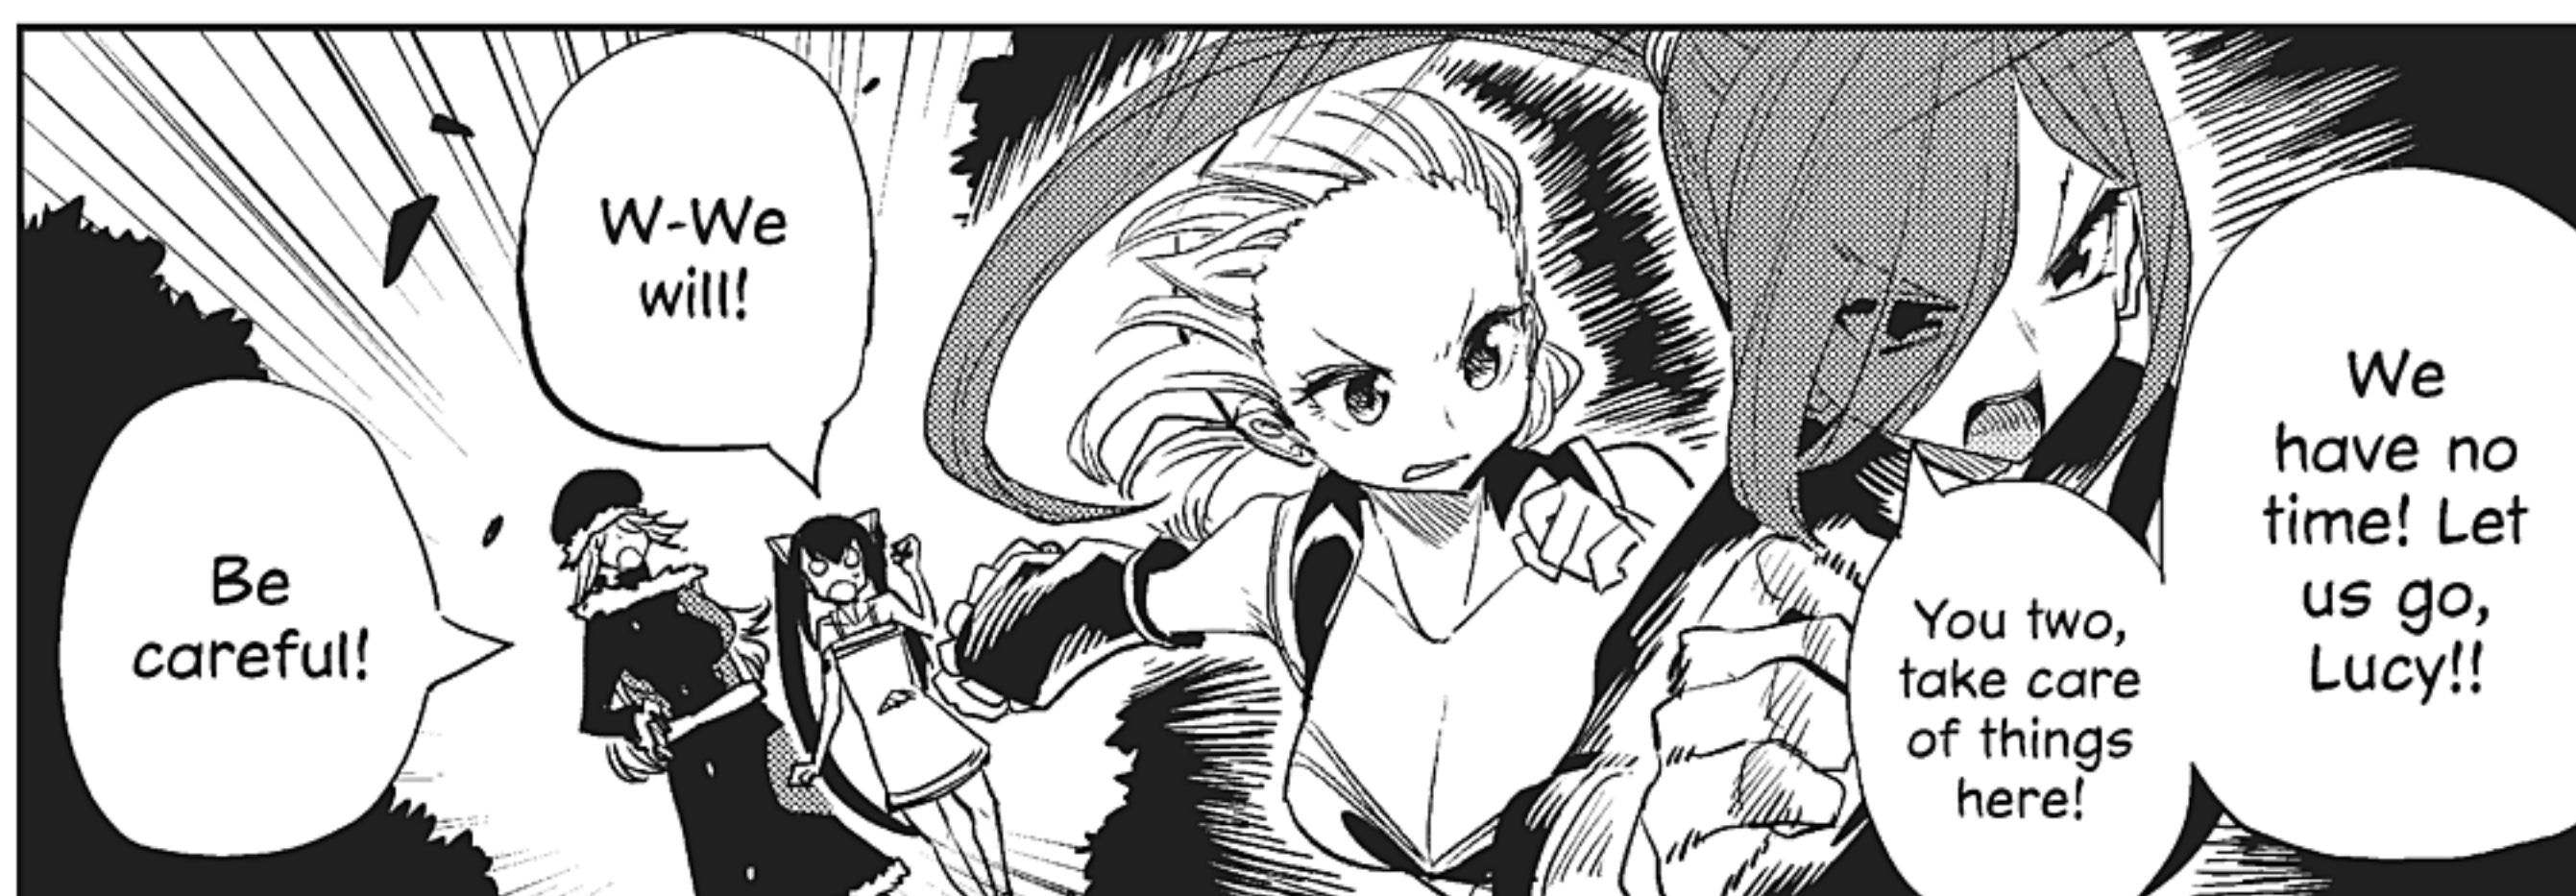

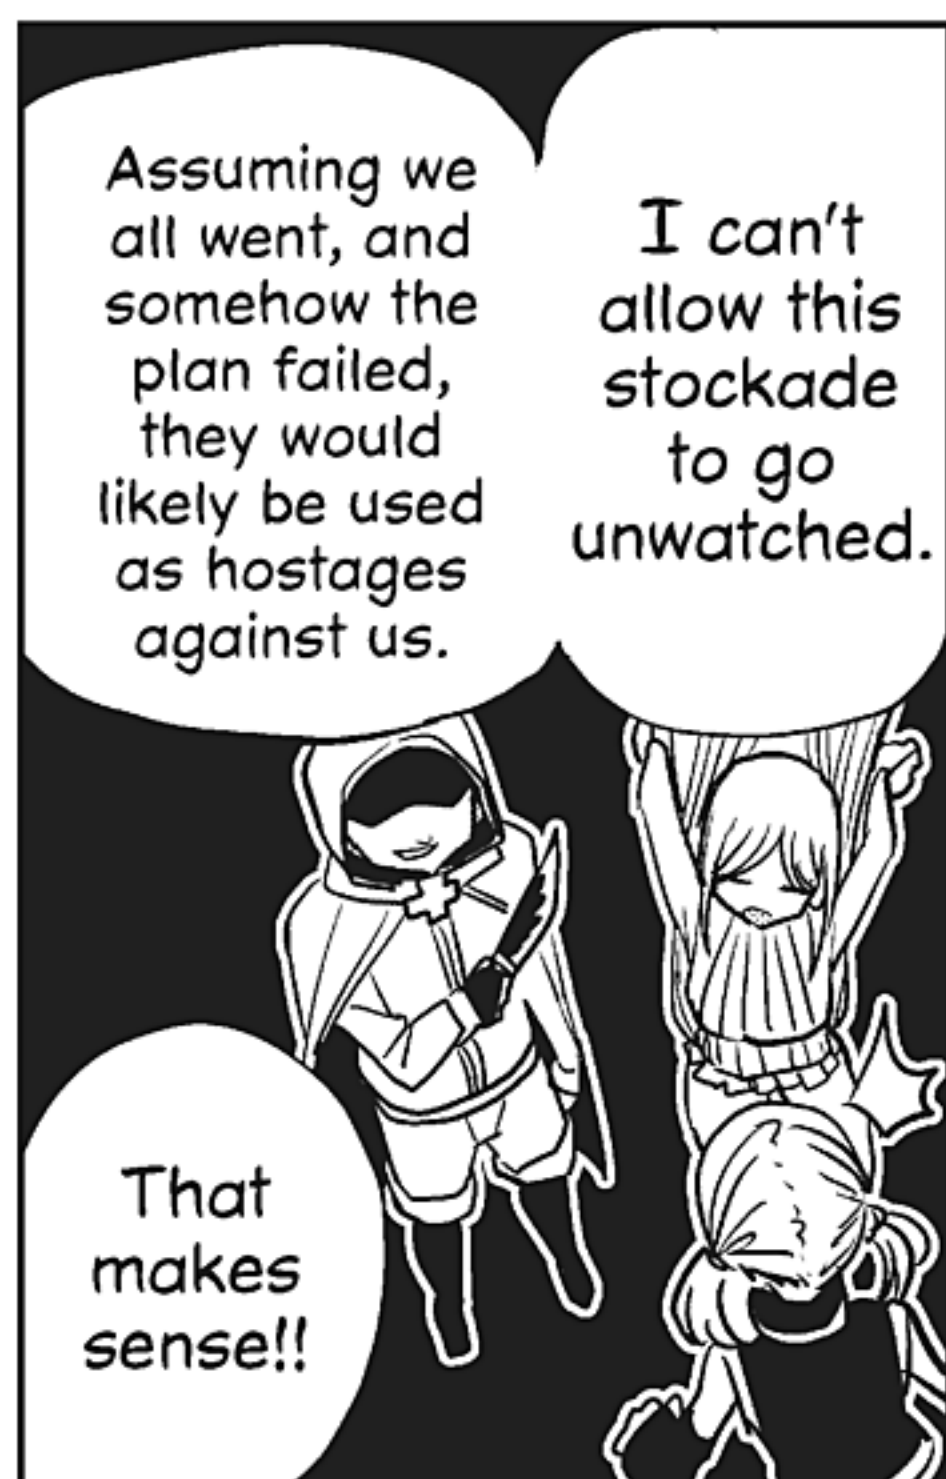

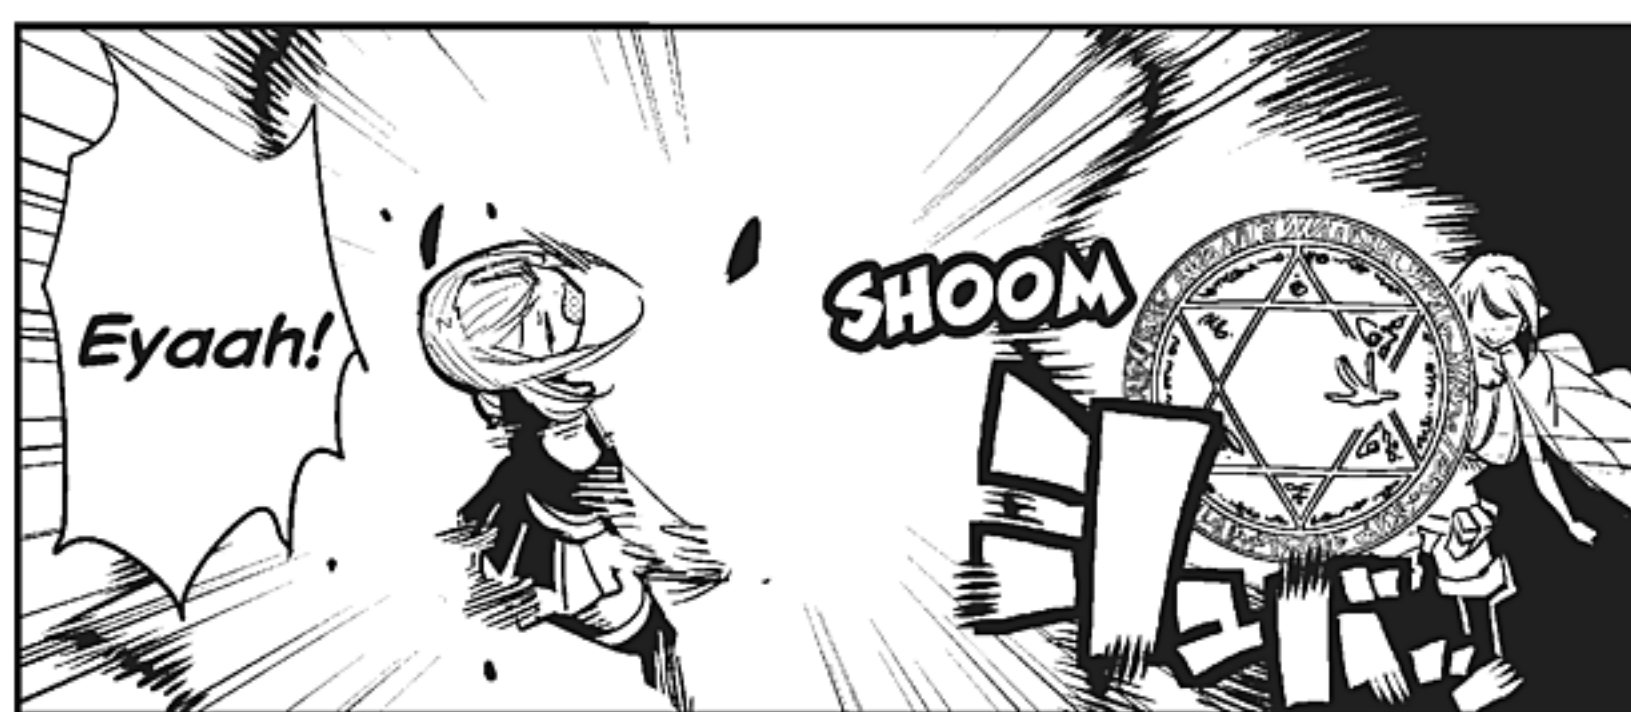

Open...

Eyaah!

GRATCH

SHLUUM

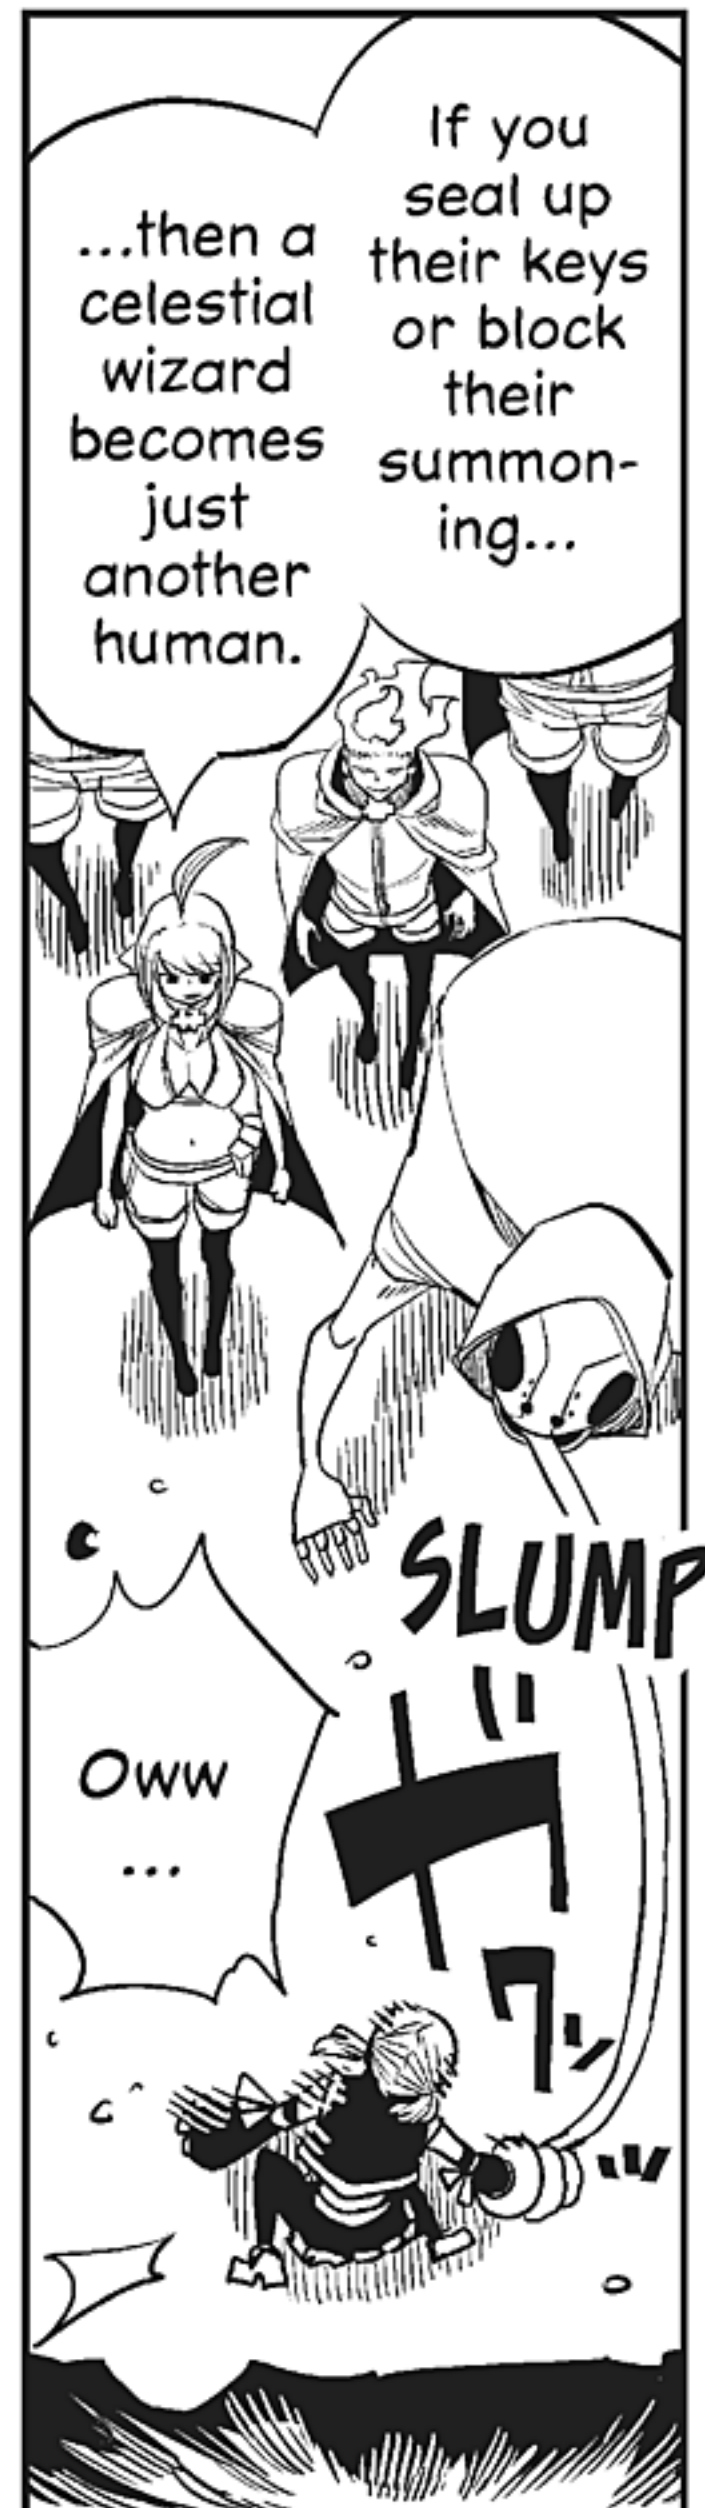

Not
so
fast!

Eyaah!

You are
nothing...
Ma'am!

ZWHAM

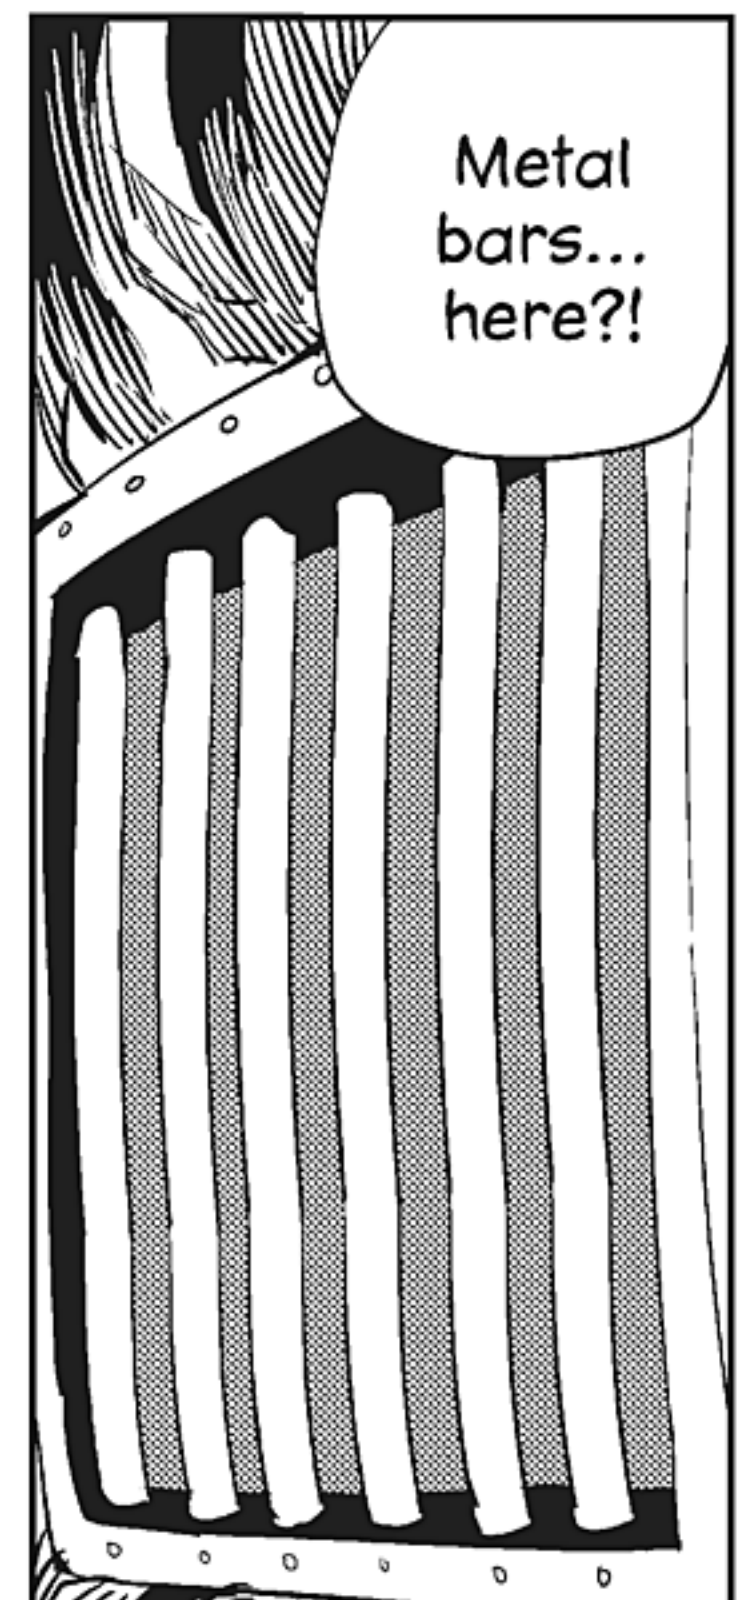

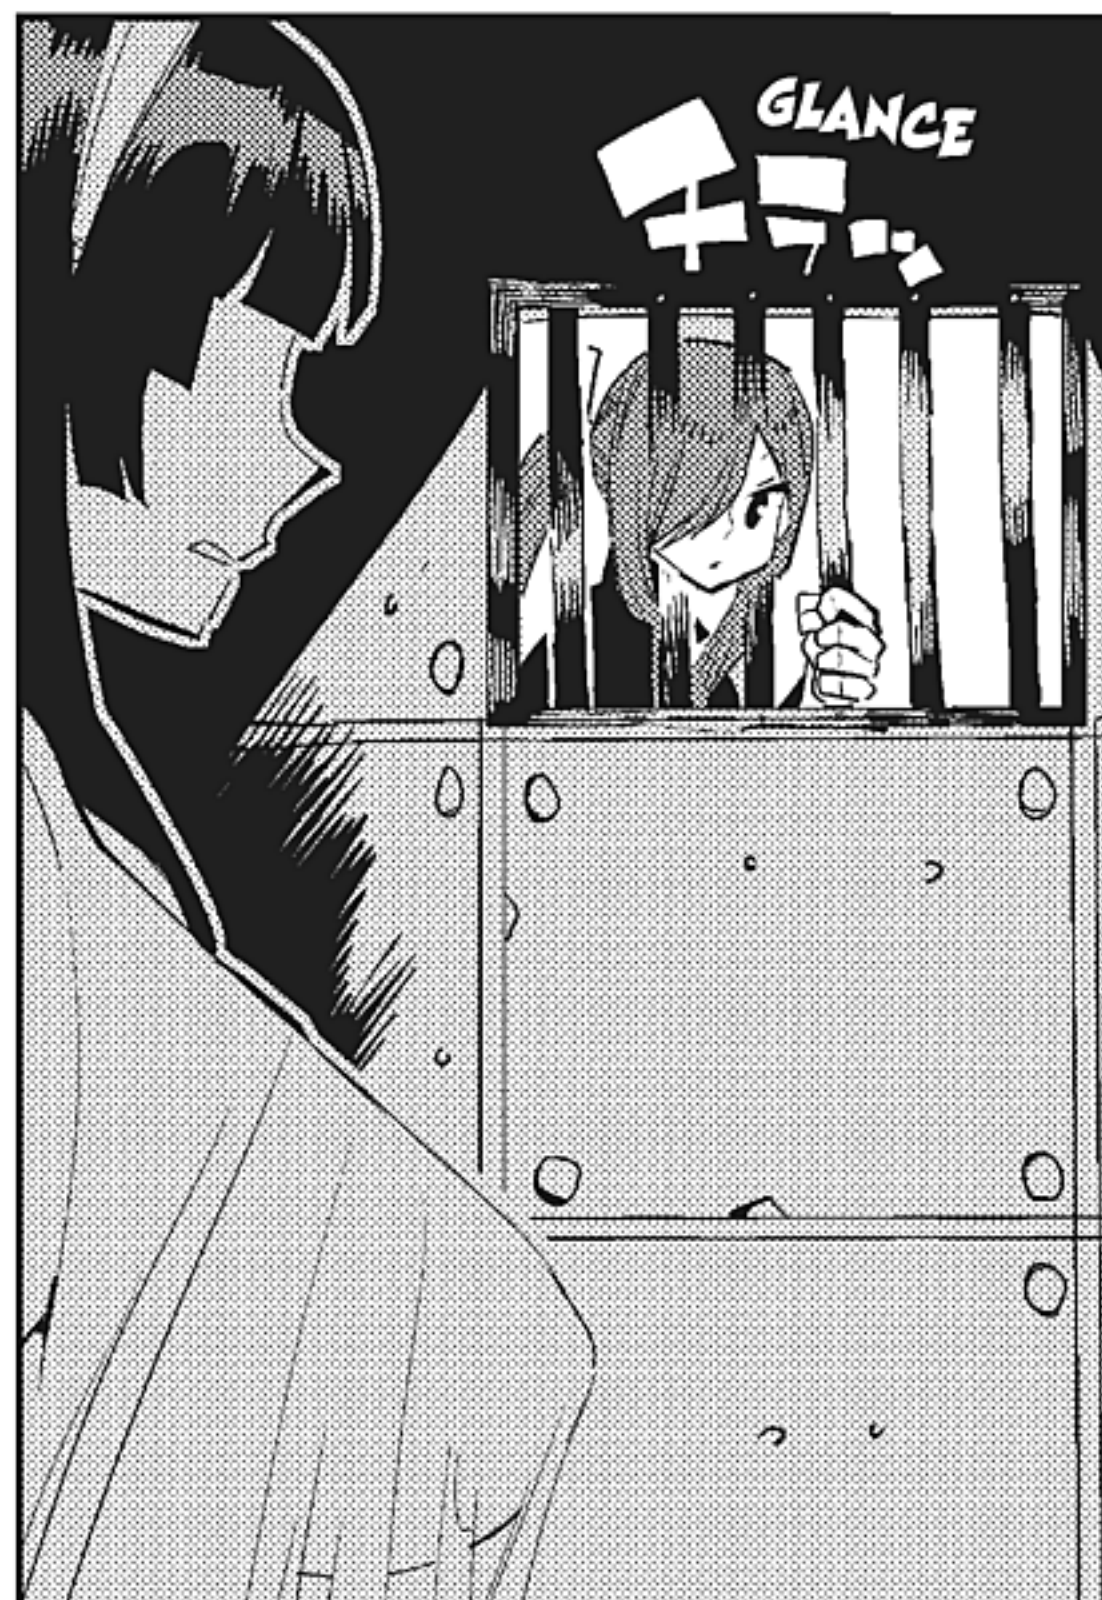

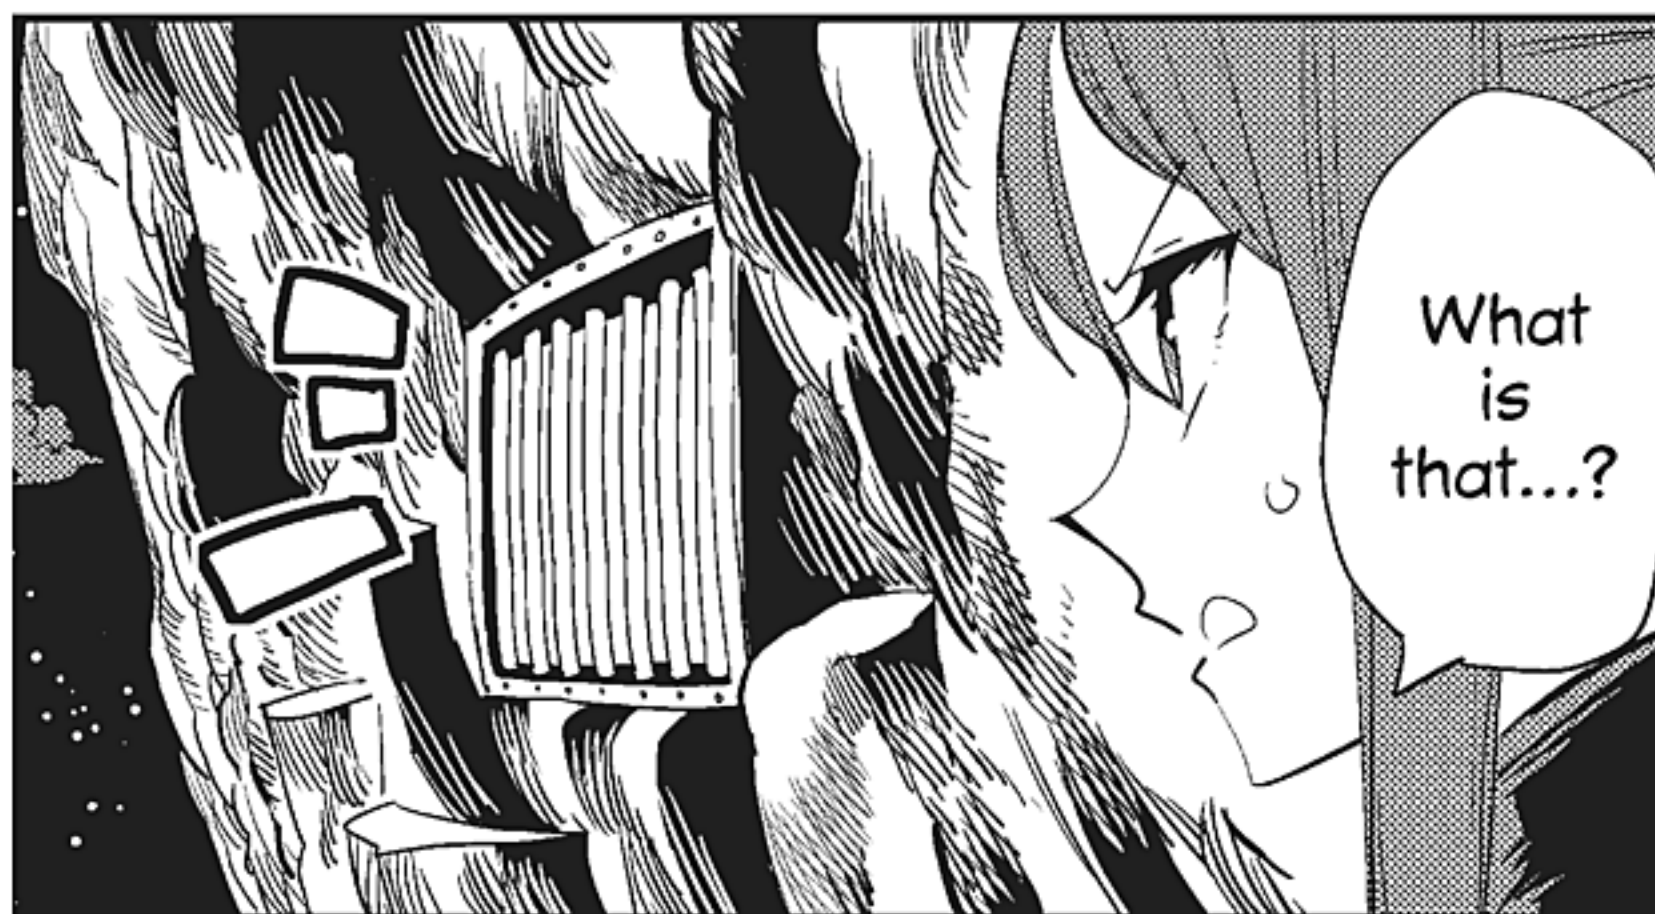

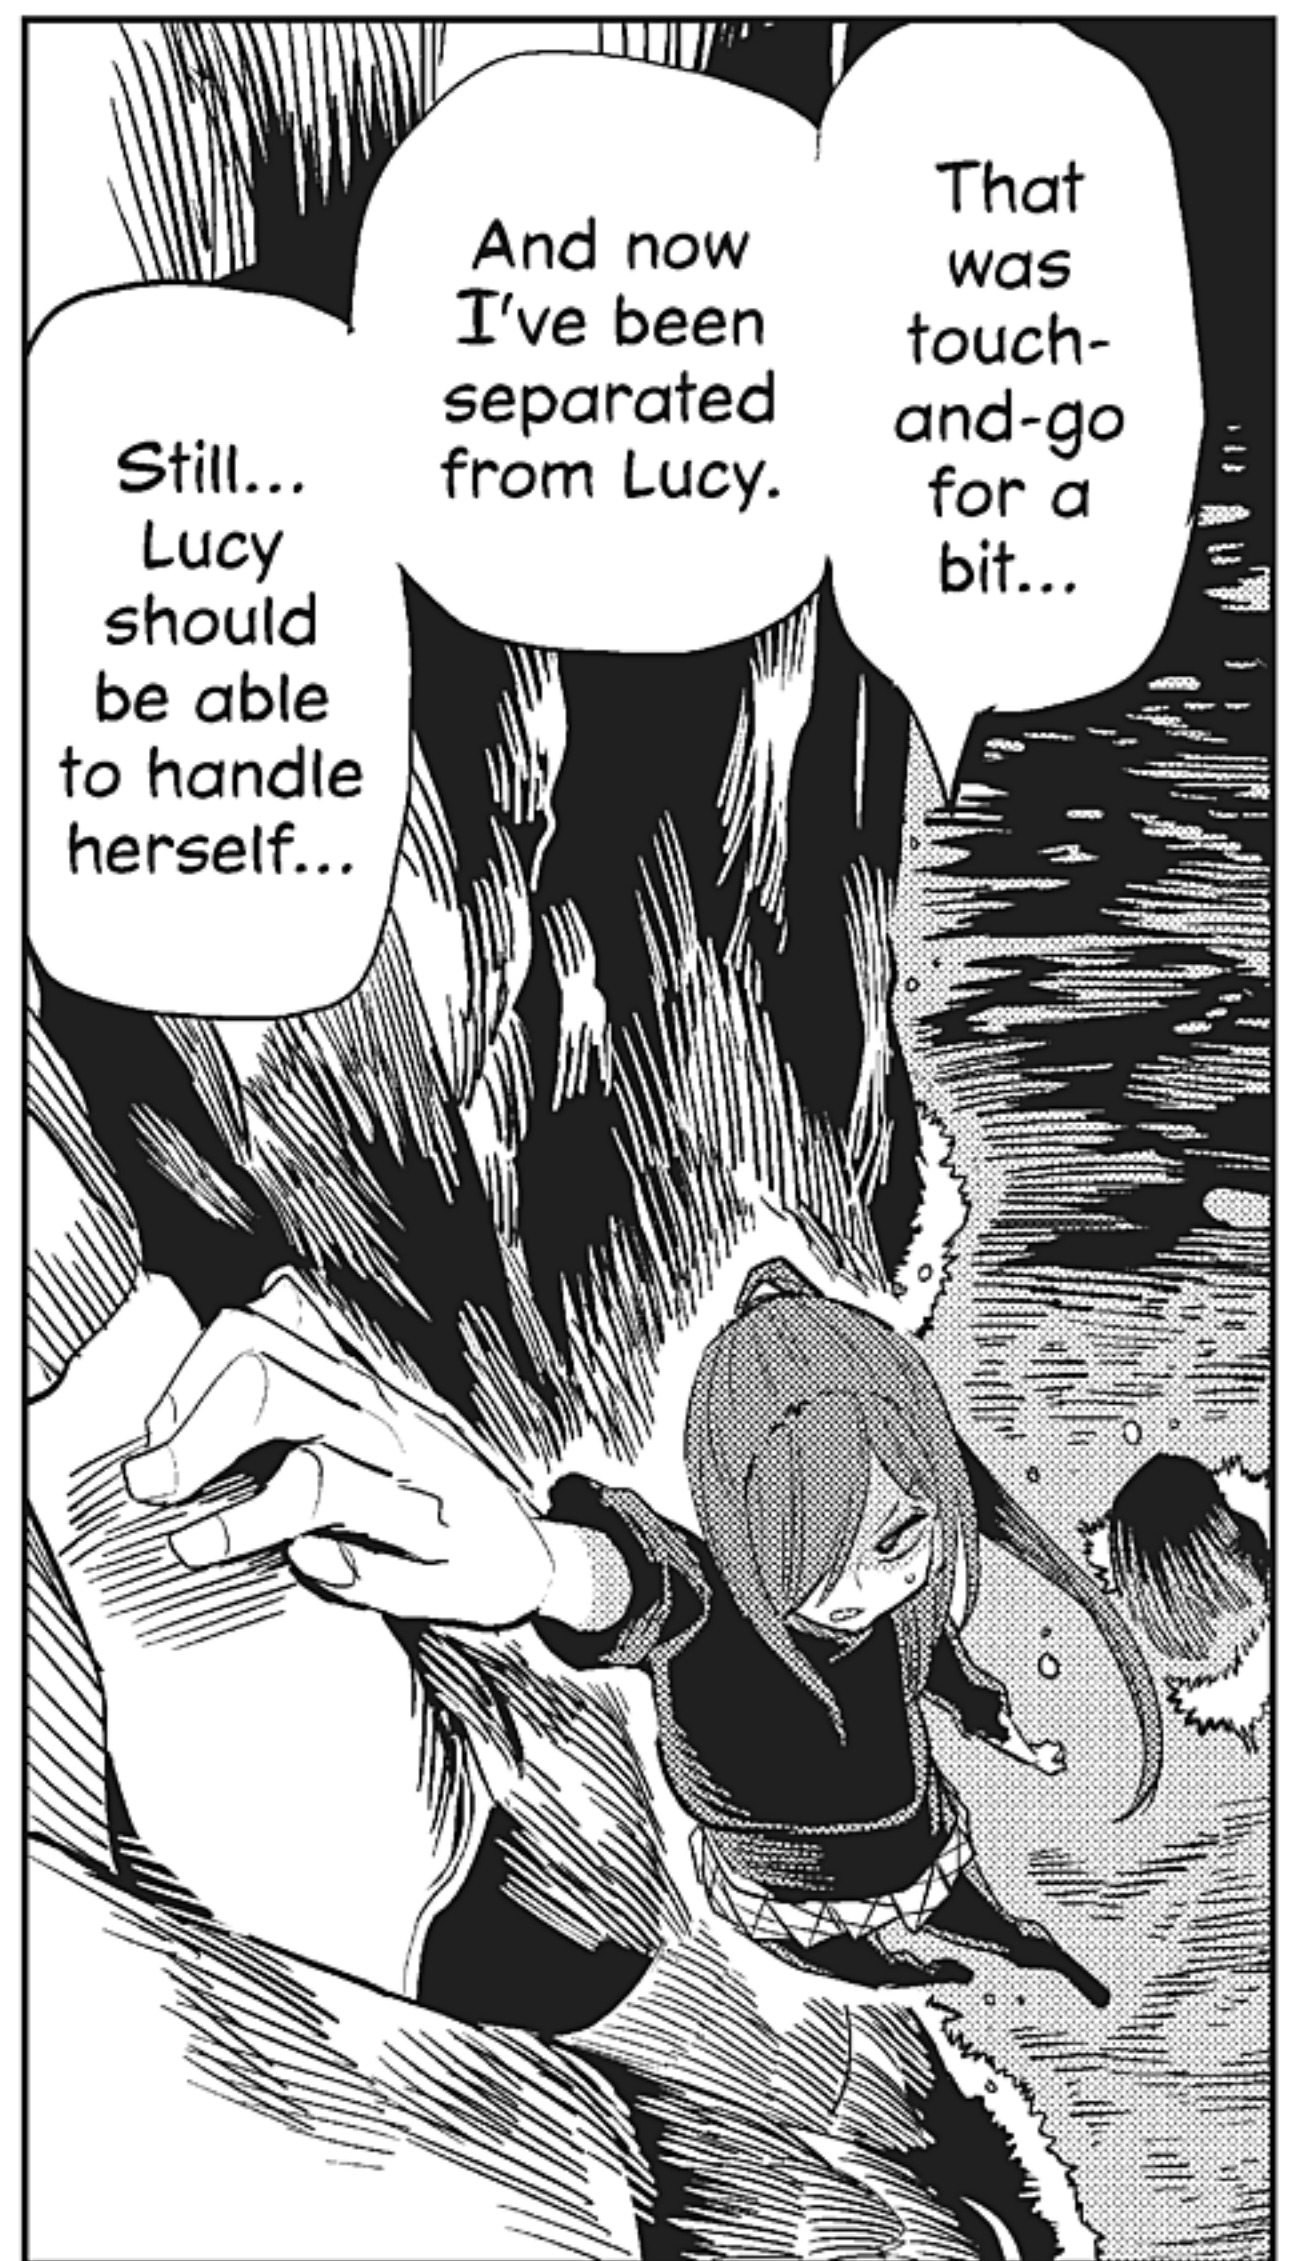

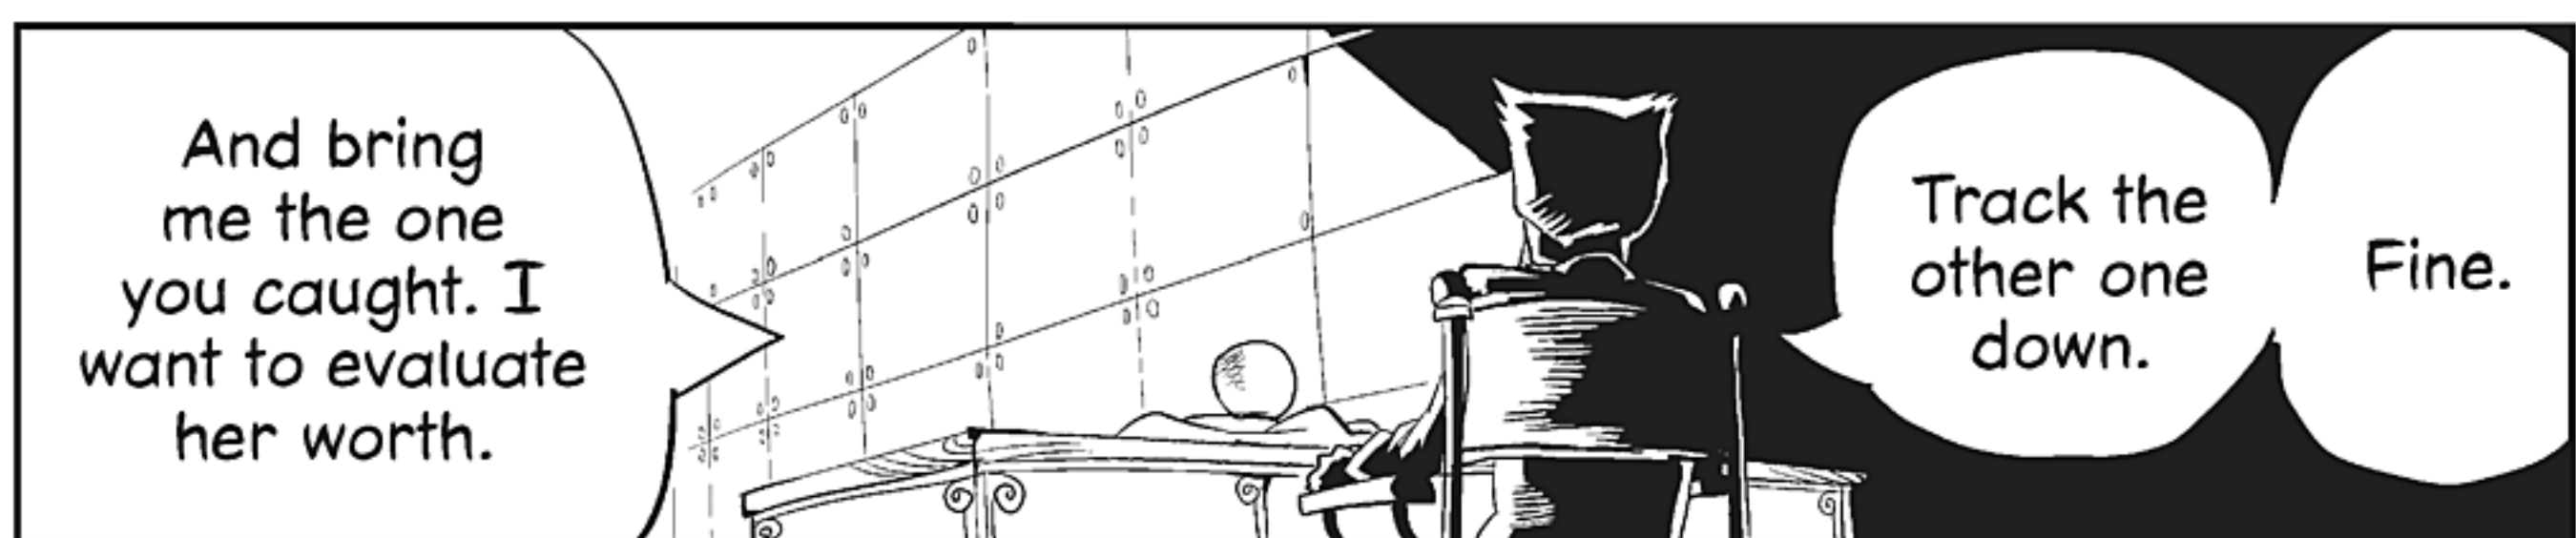

If you
seal up
their keys
or block
their summon-
ing...

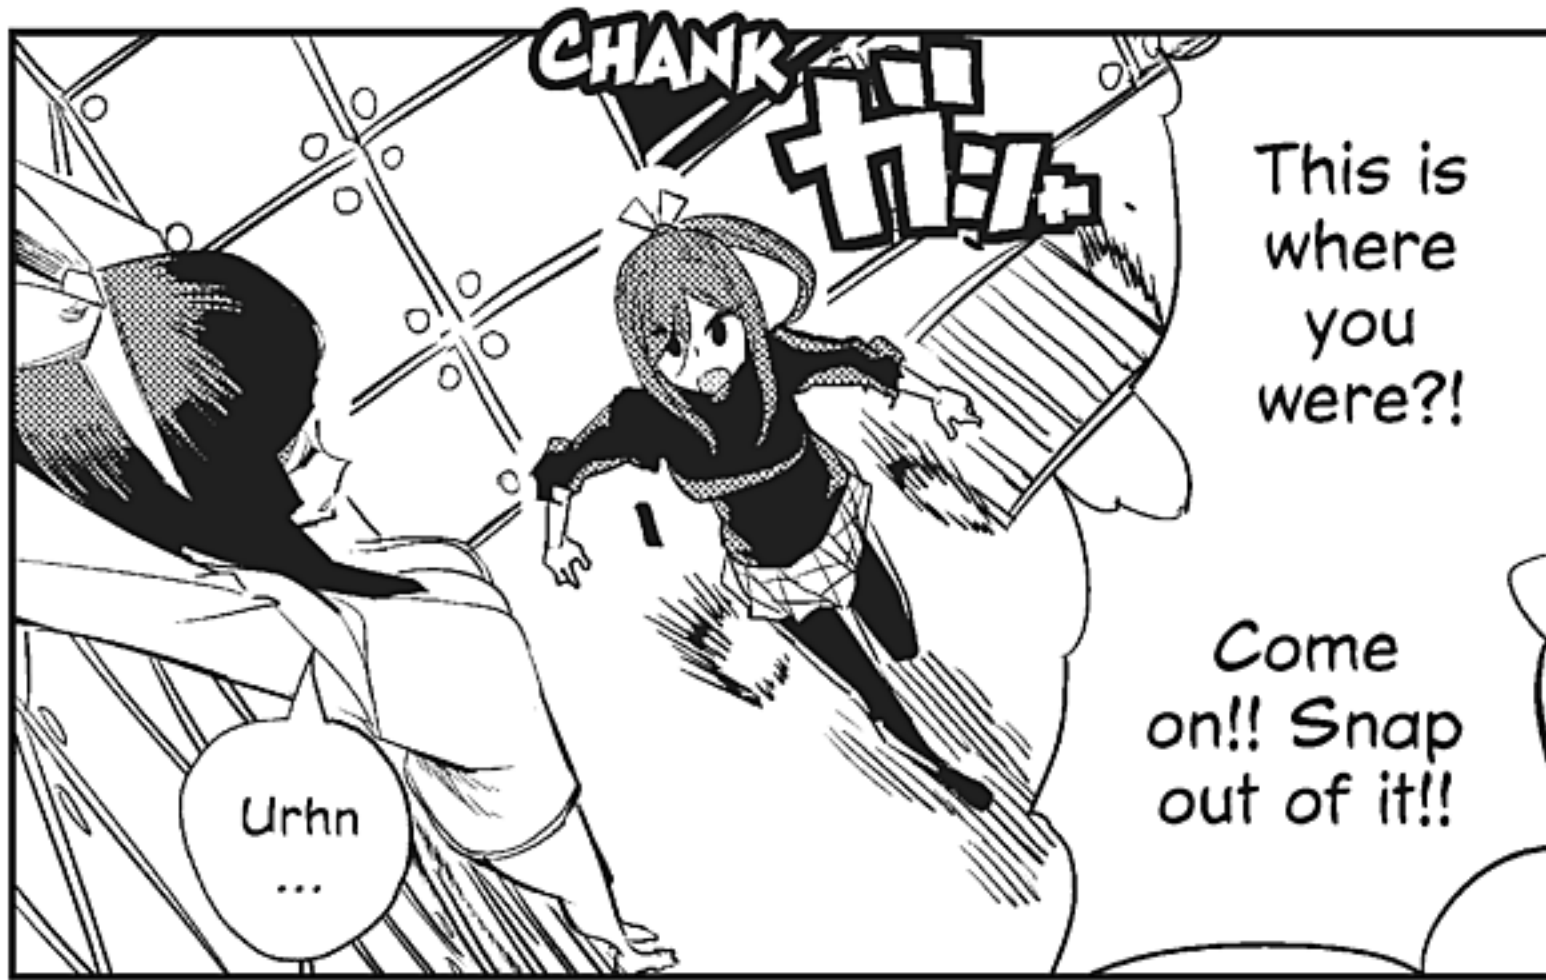

...then a
celestial
wizard
becomes
just
another
human.

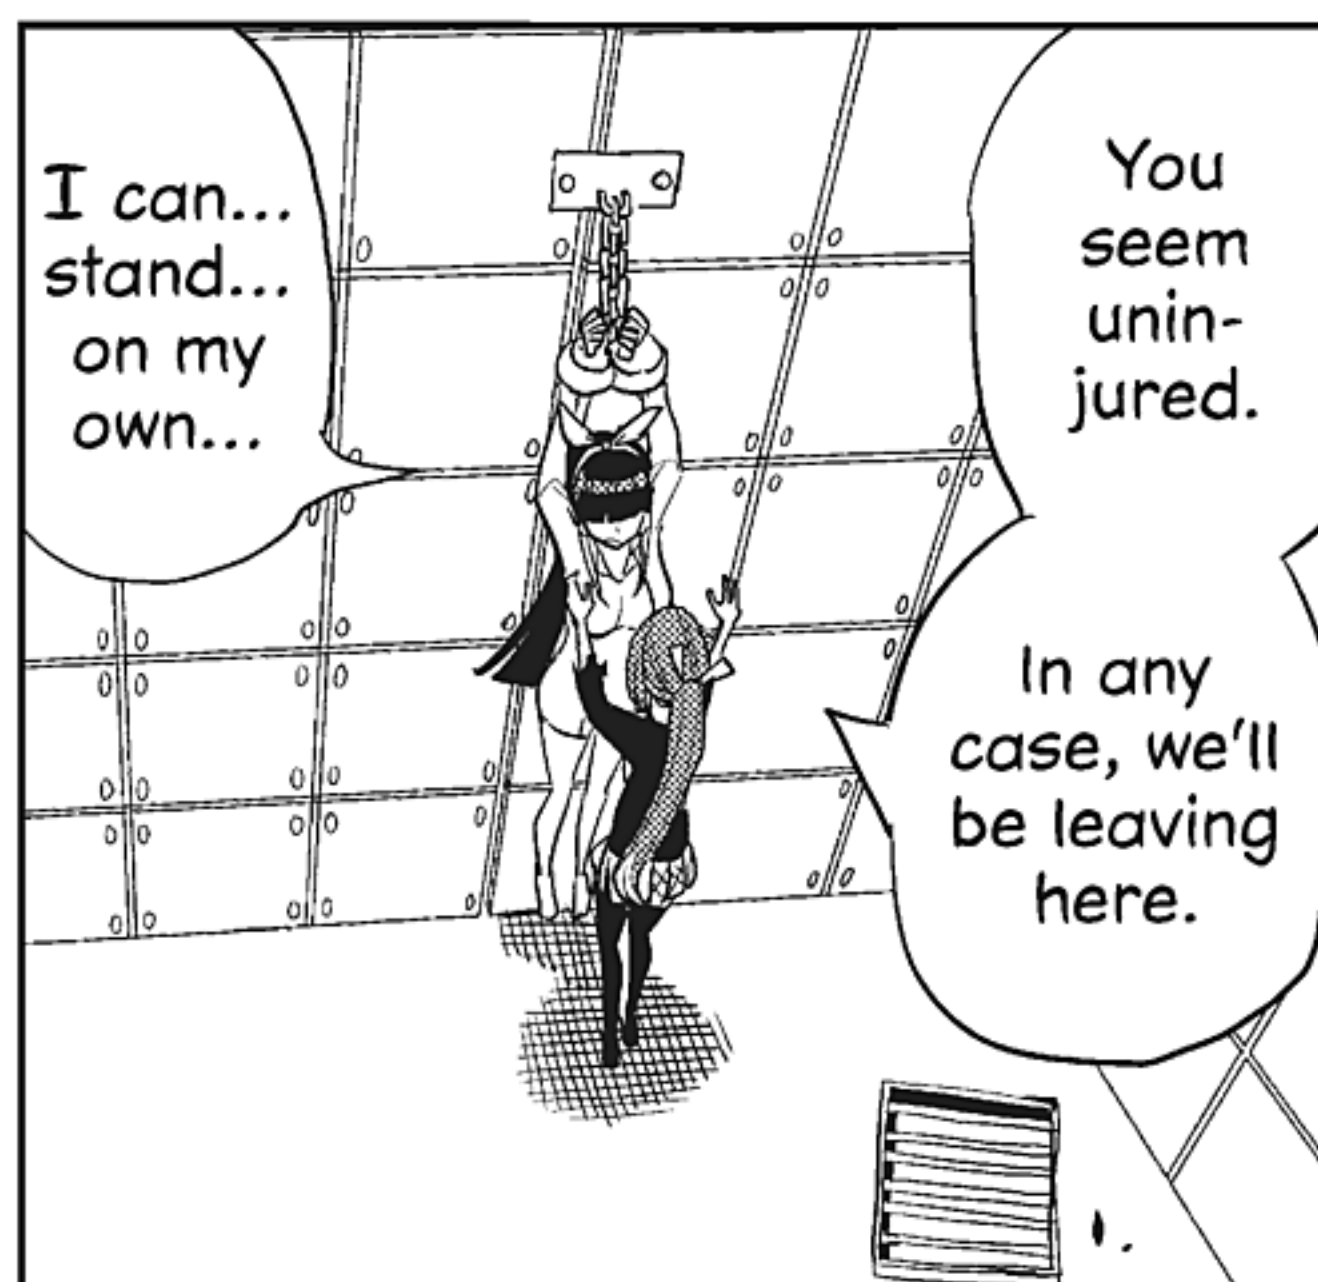

SLUMP

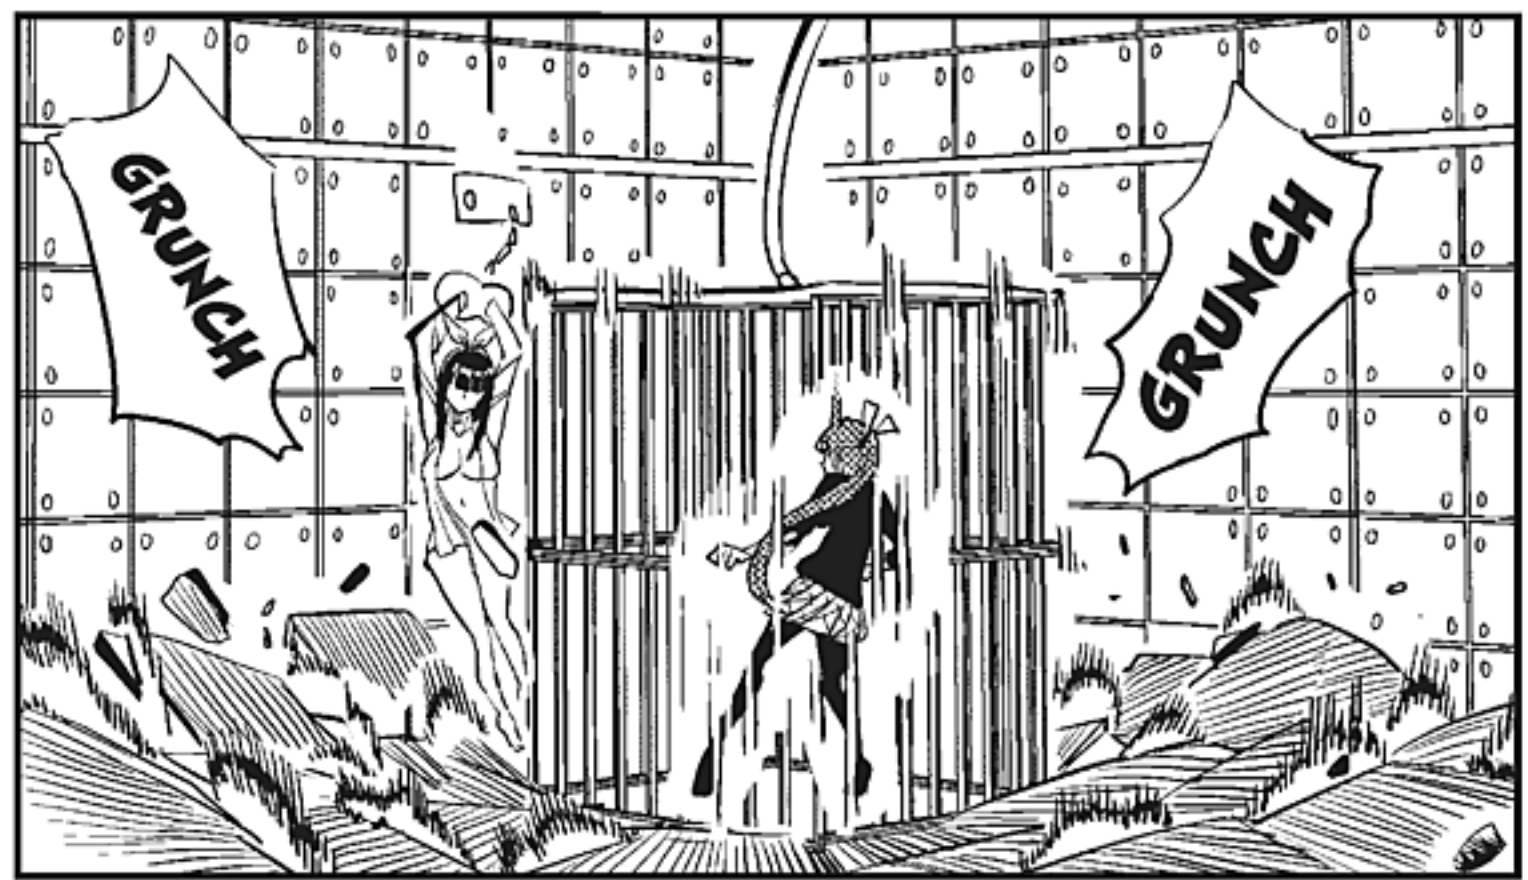

Oww
...

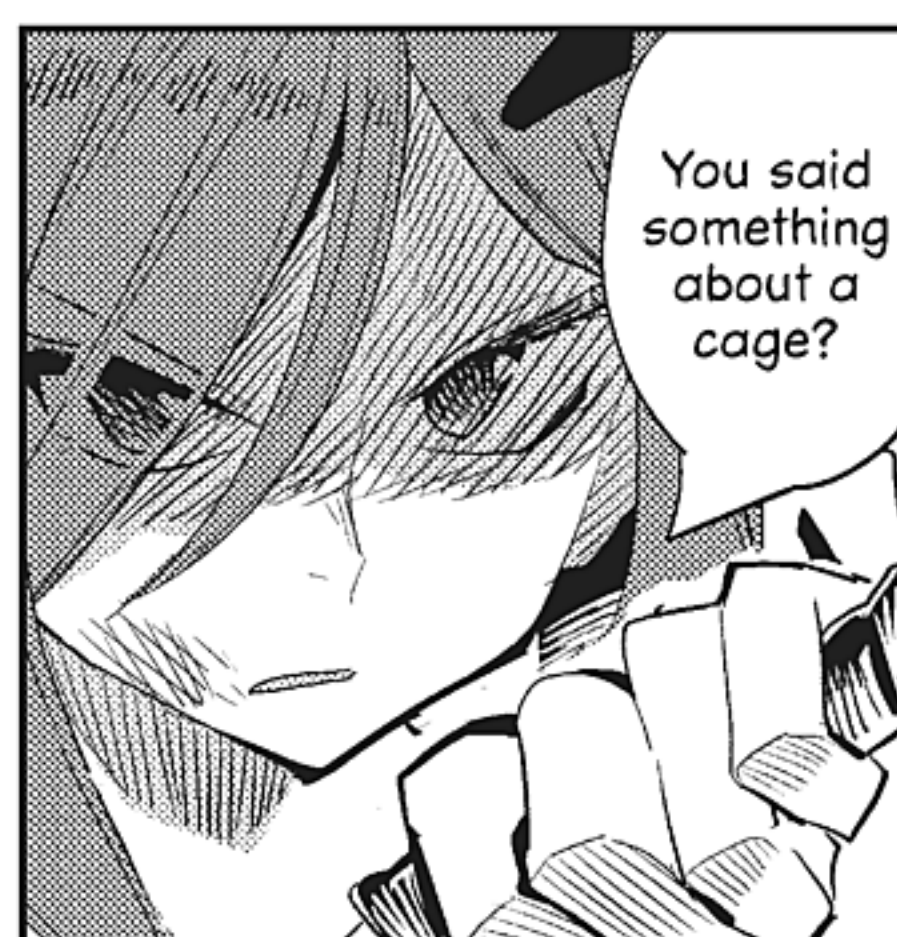

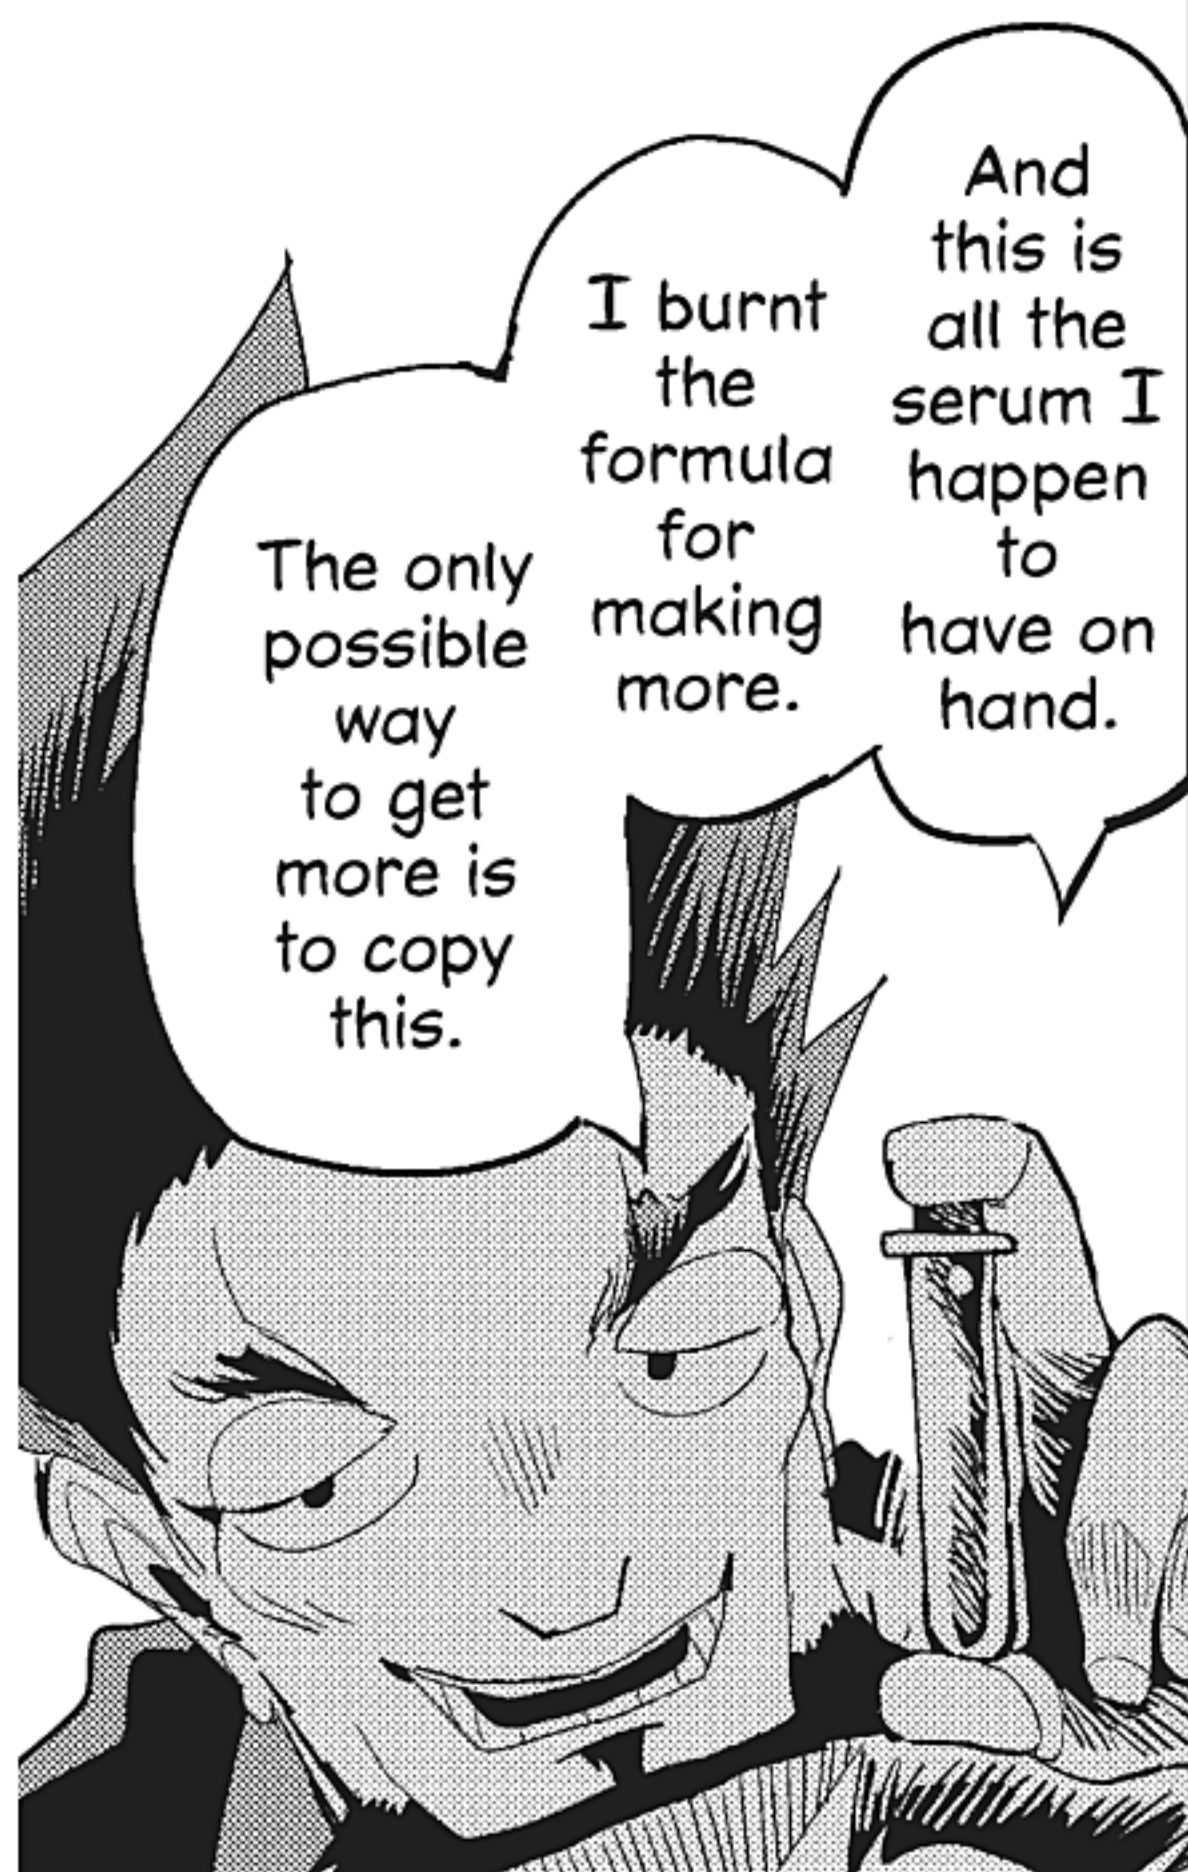

The only possible way to get more is to copy this.

I burnt the formula for making more.

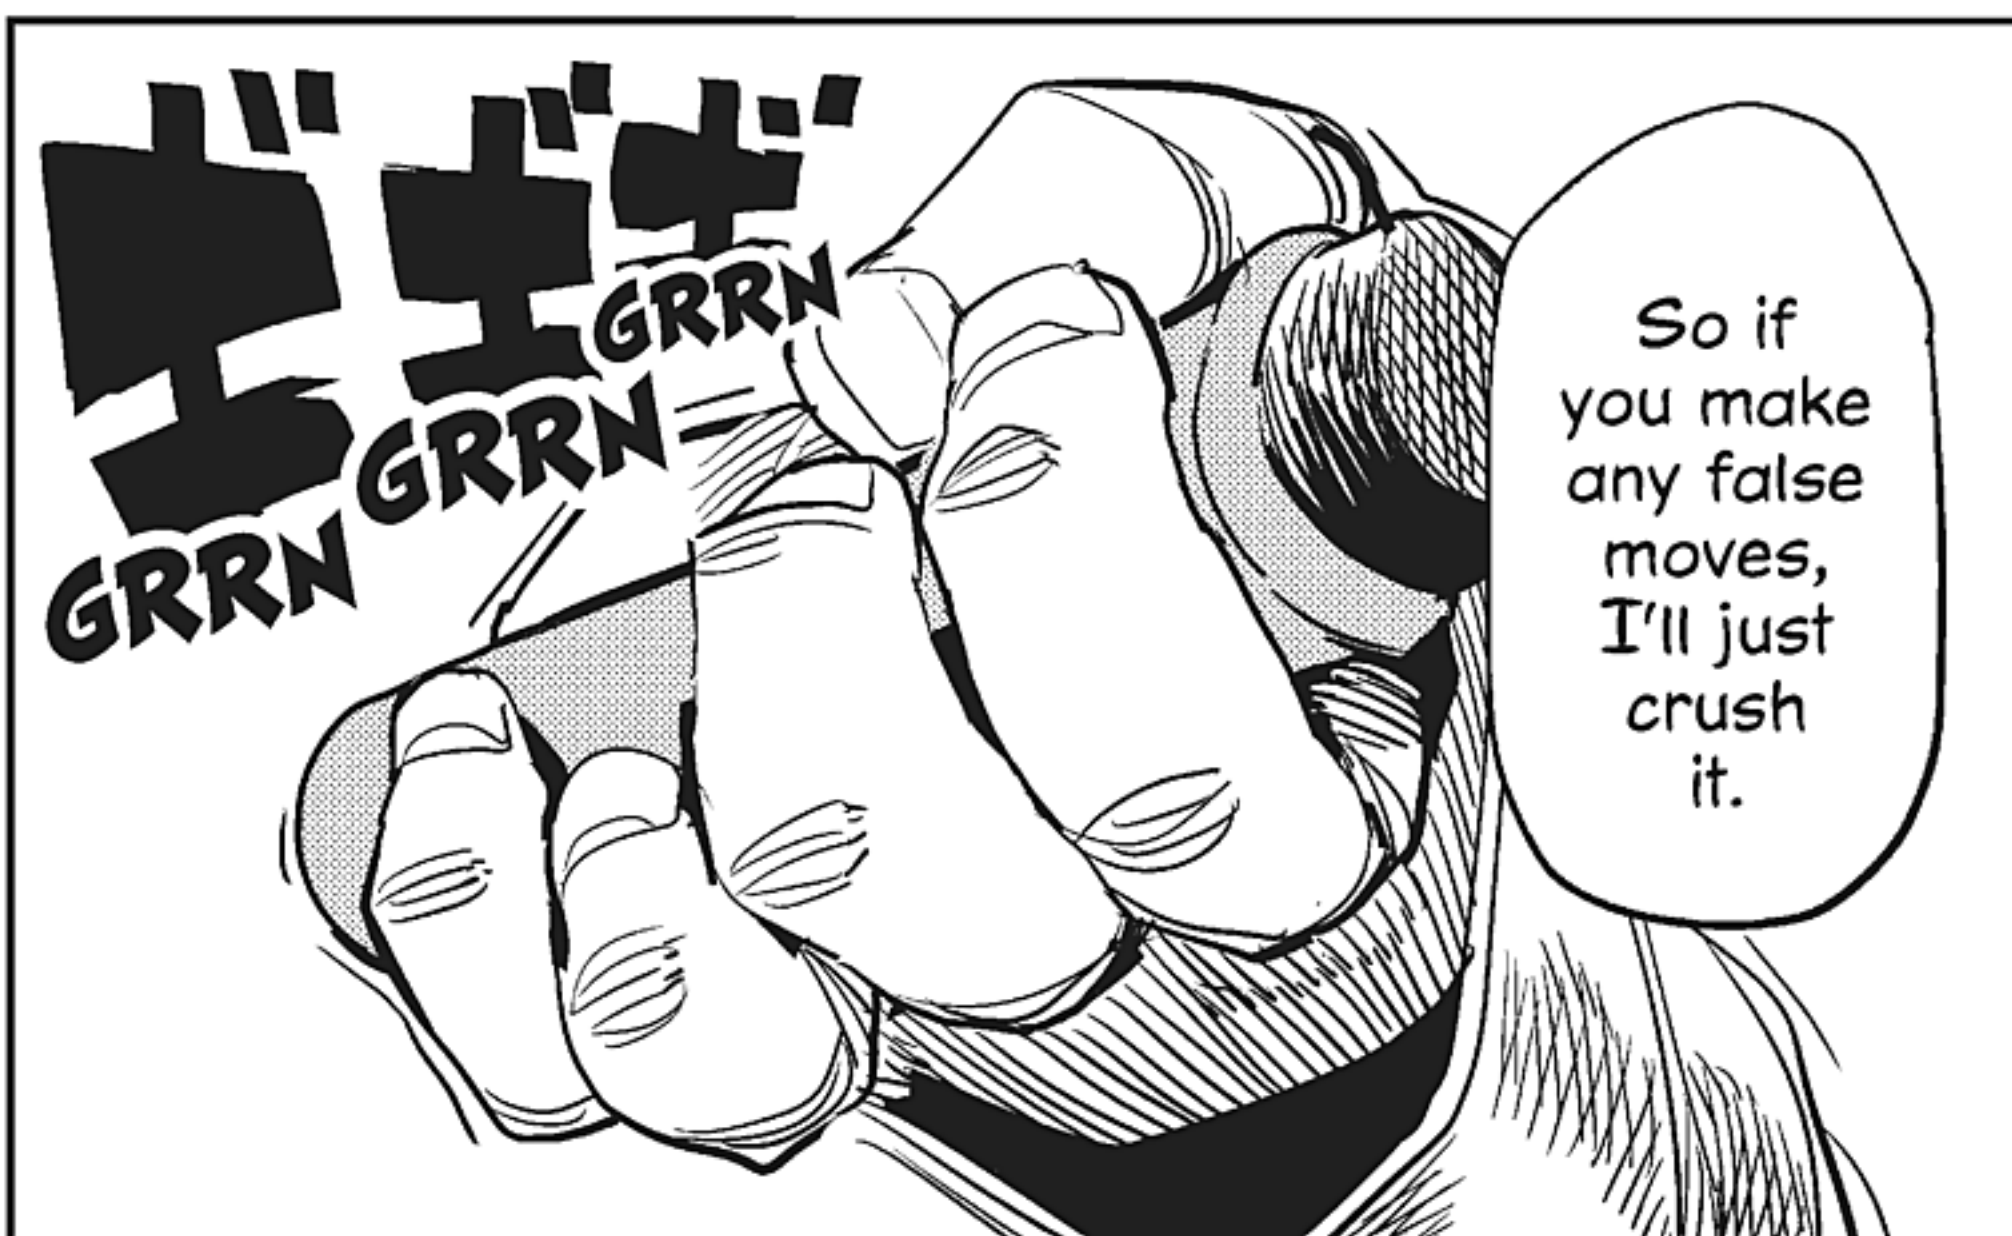

And this is all the serum I happen to have on hand.

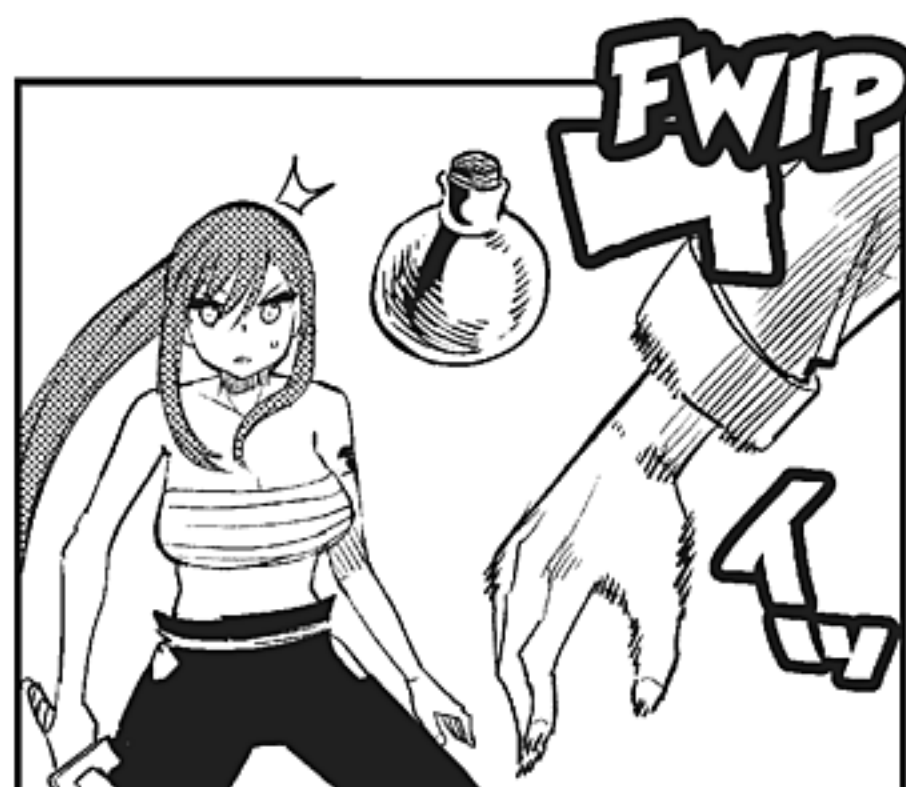

Yes! The serum that treats our special virus.

You cretin ...

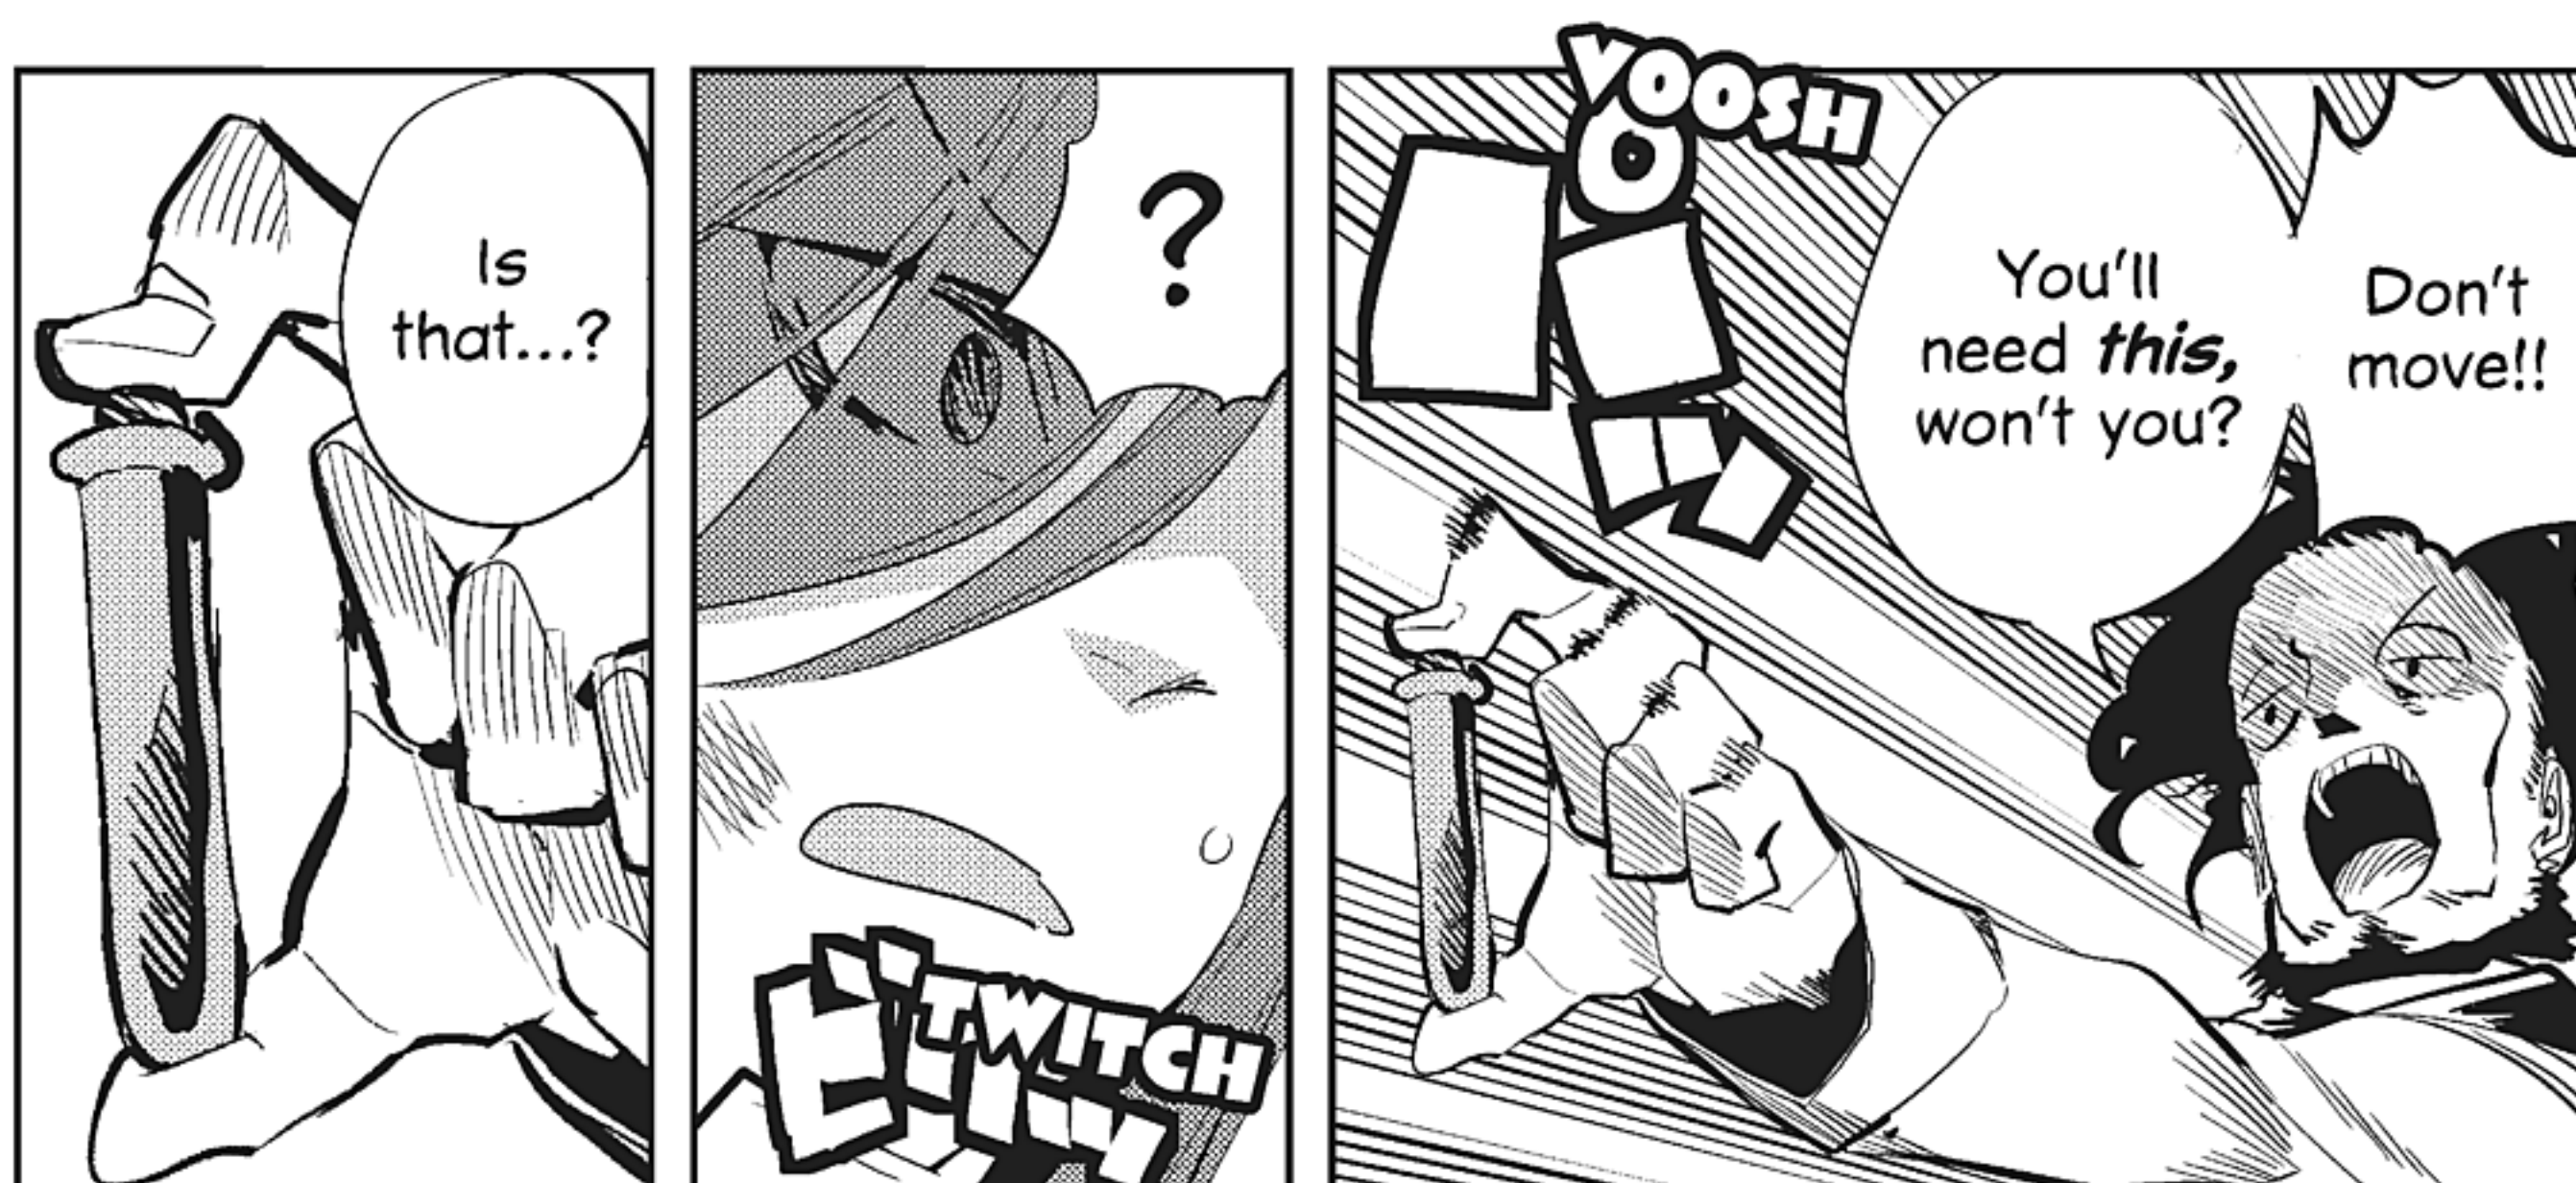

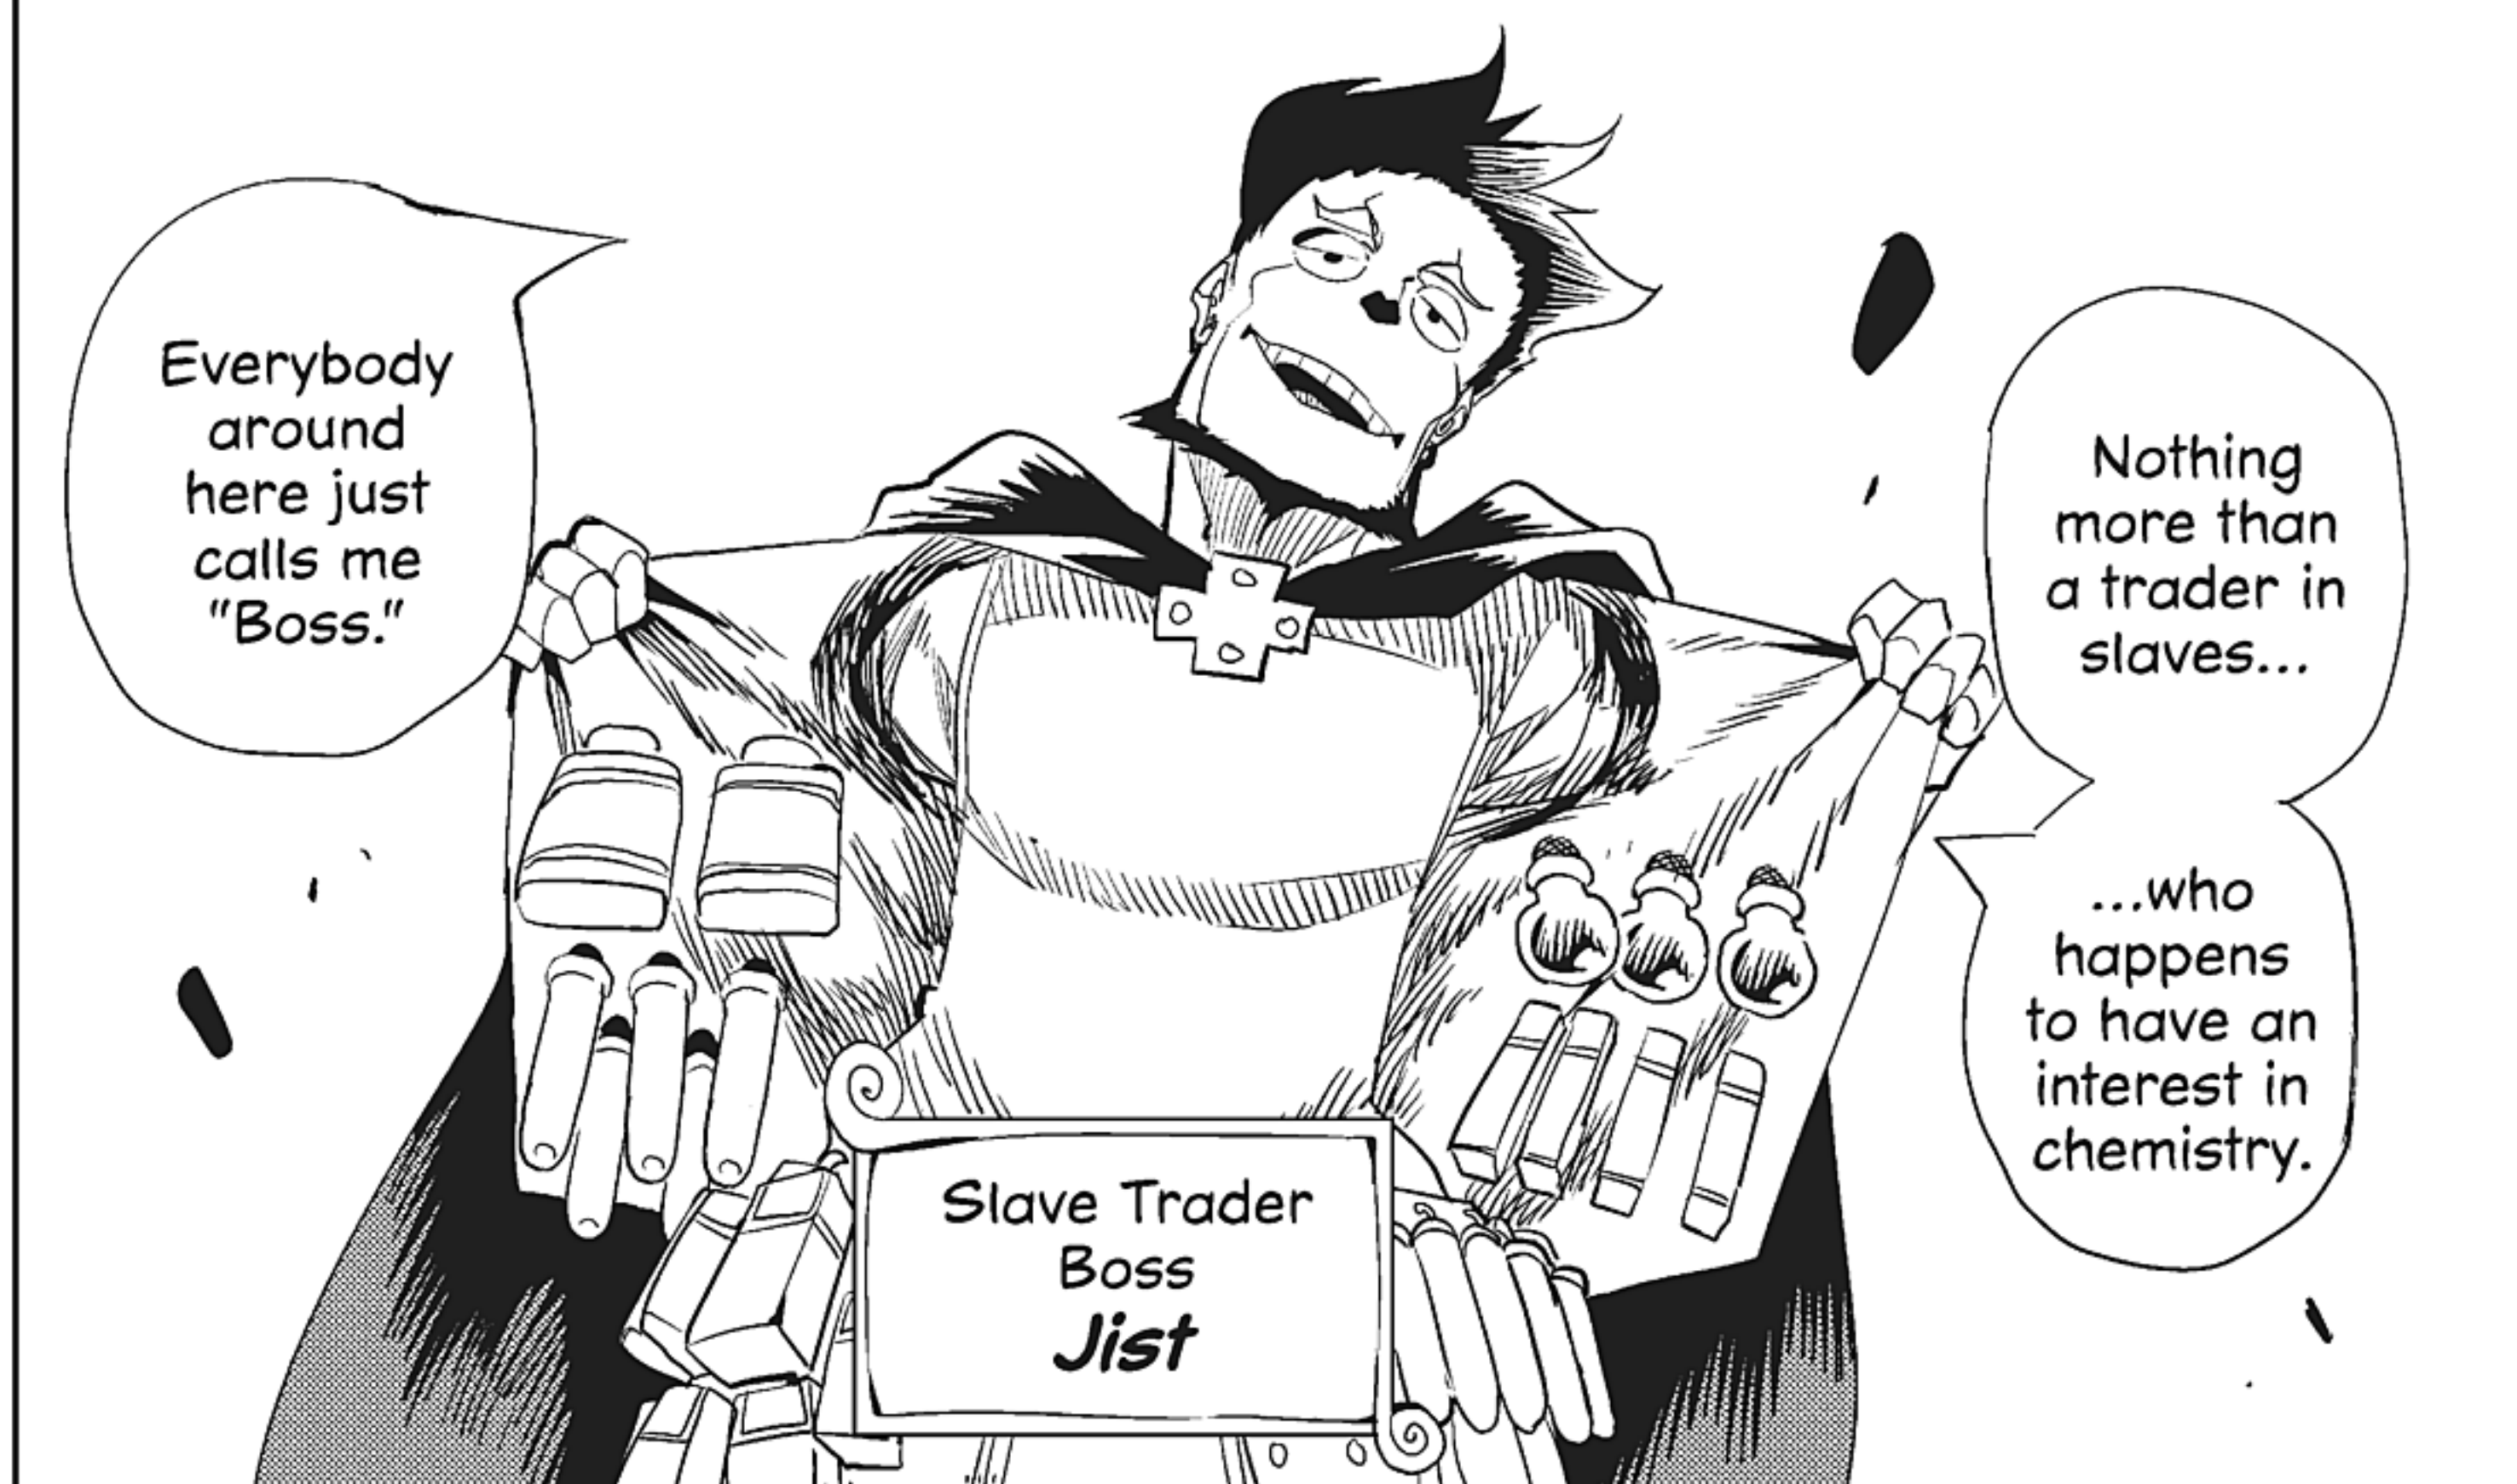

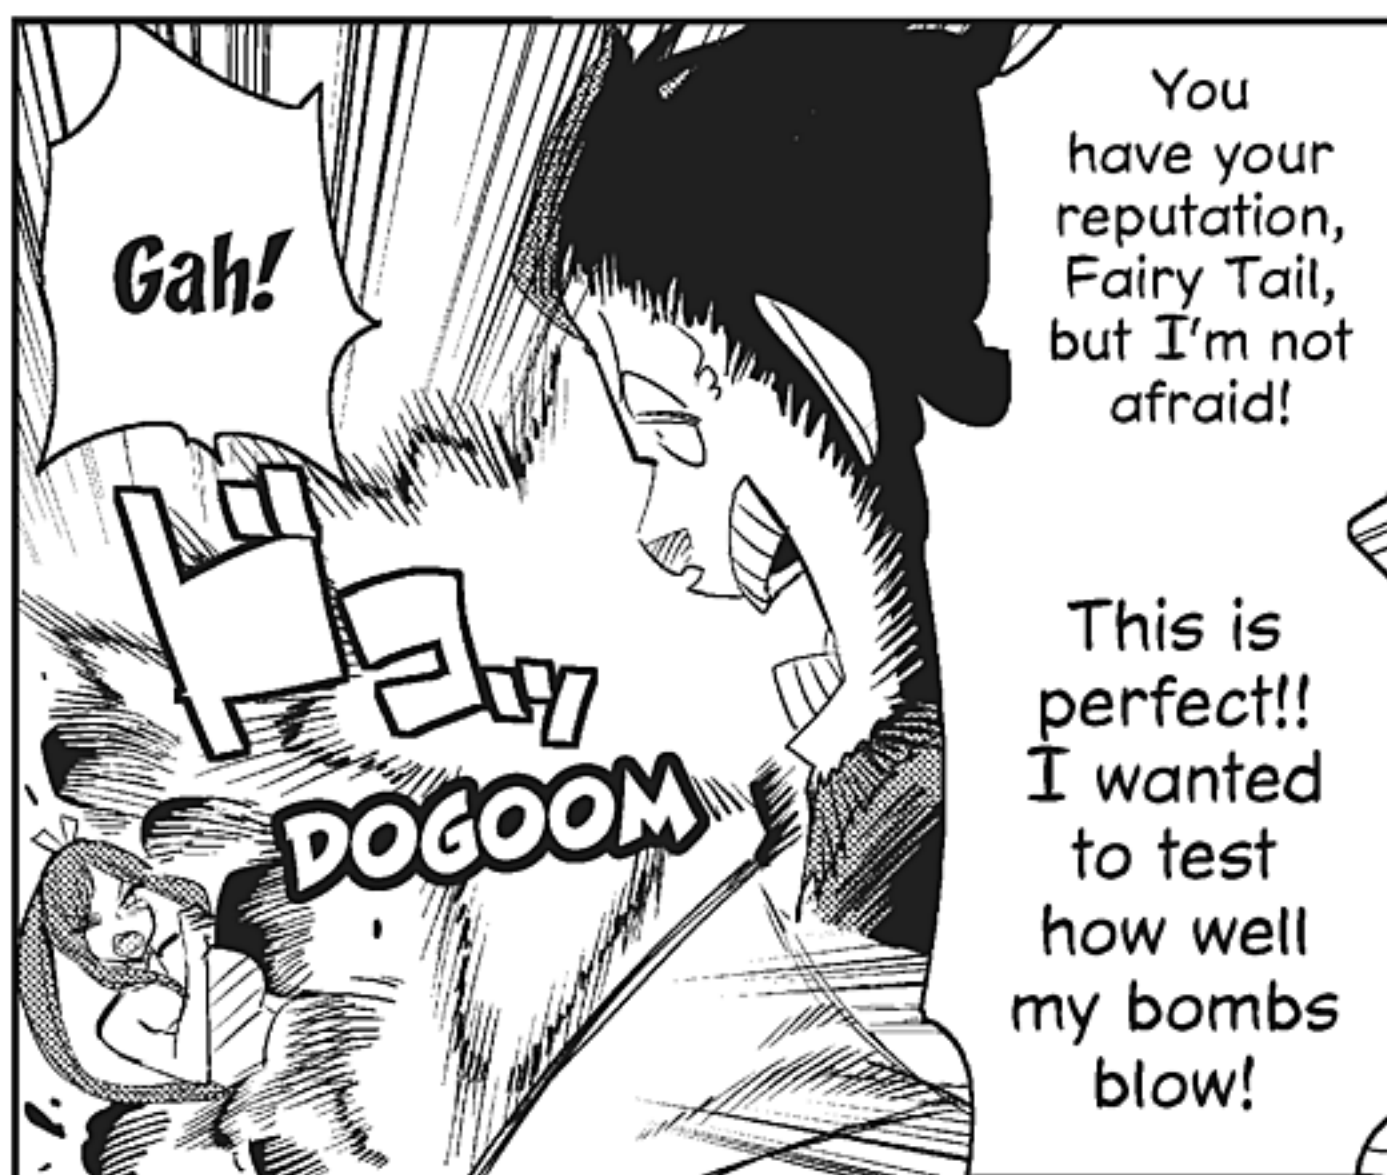

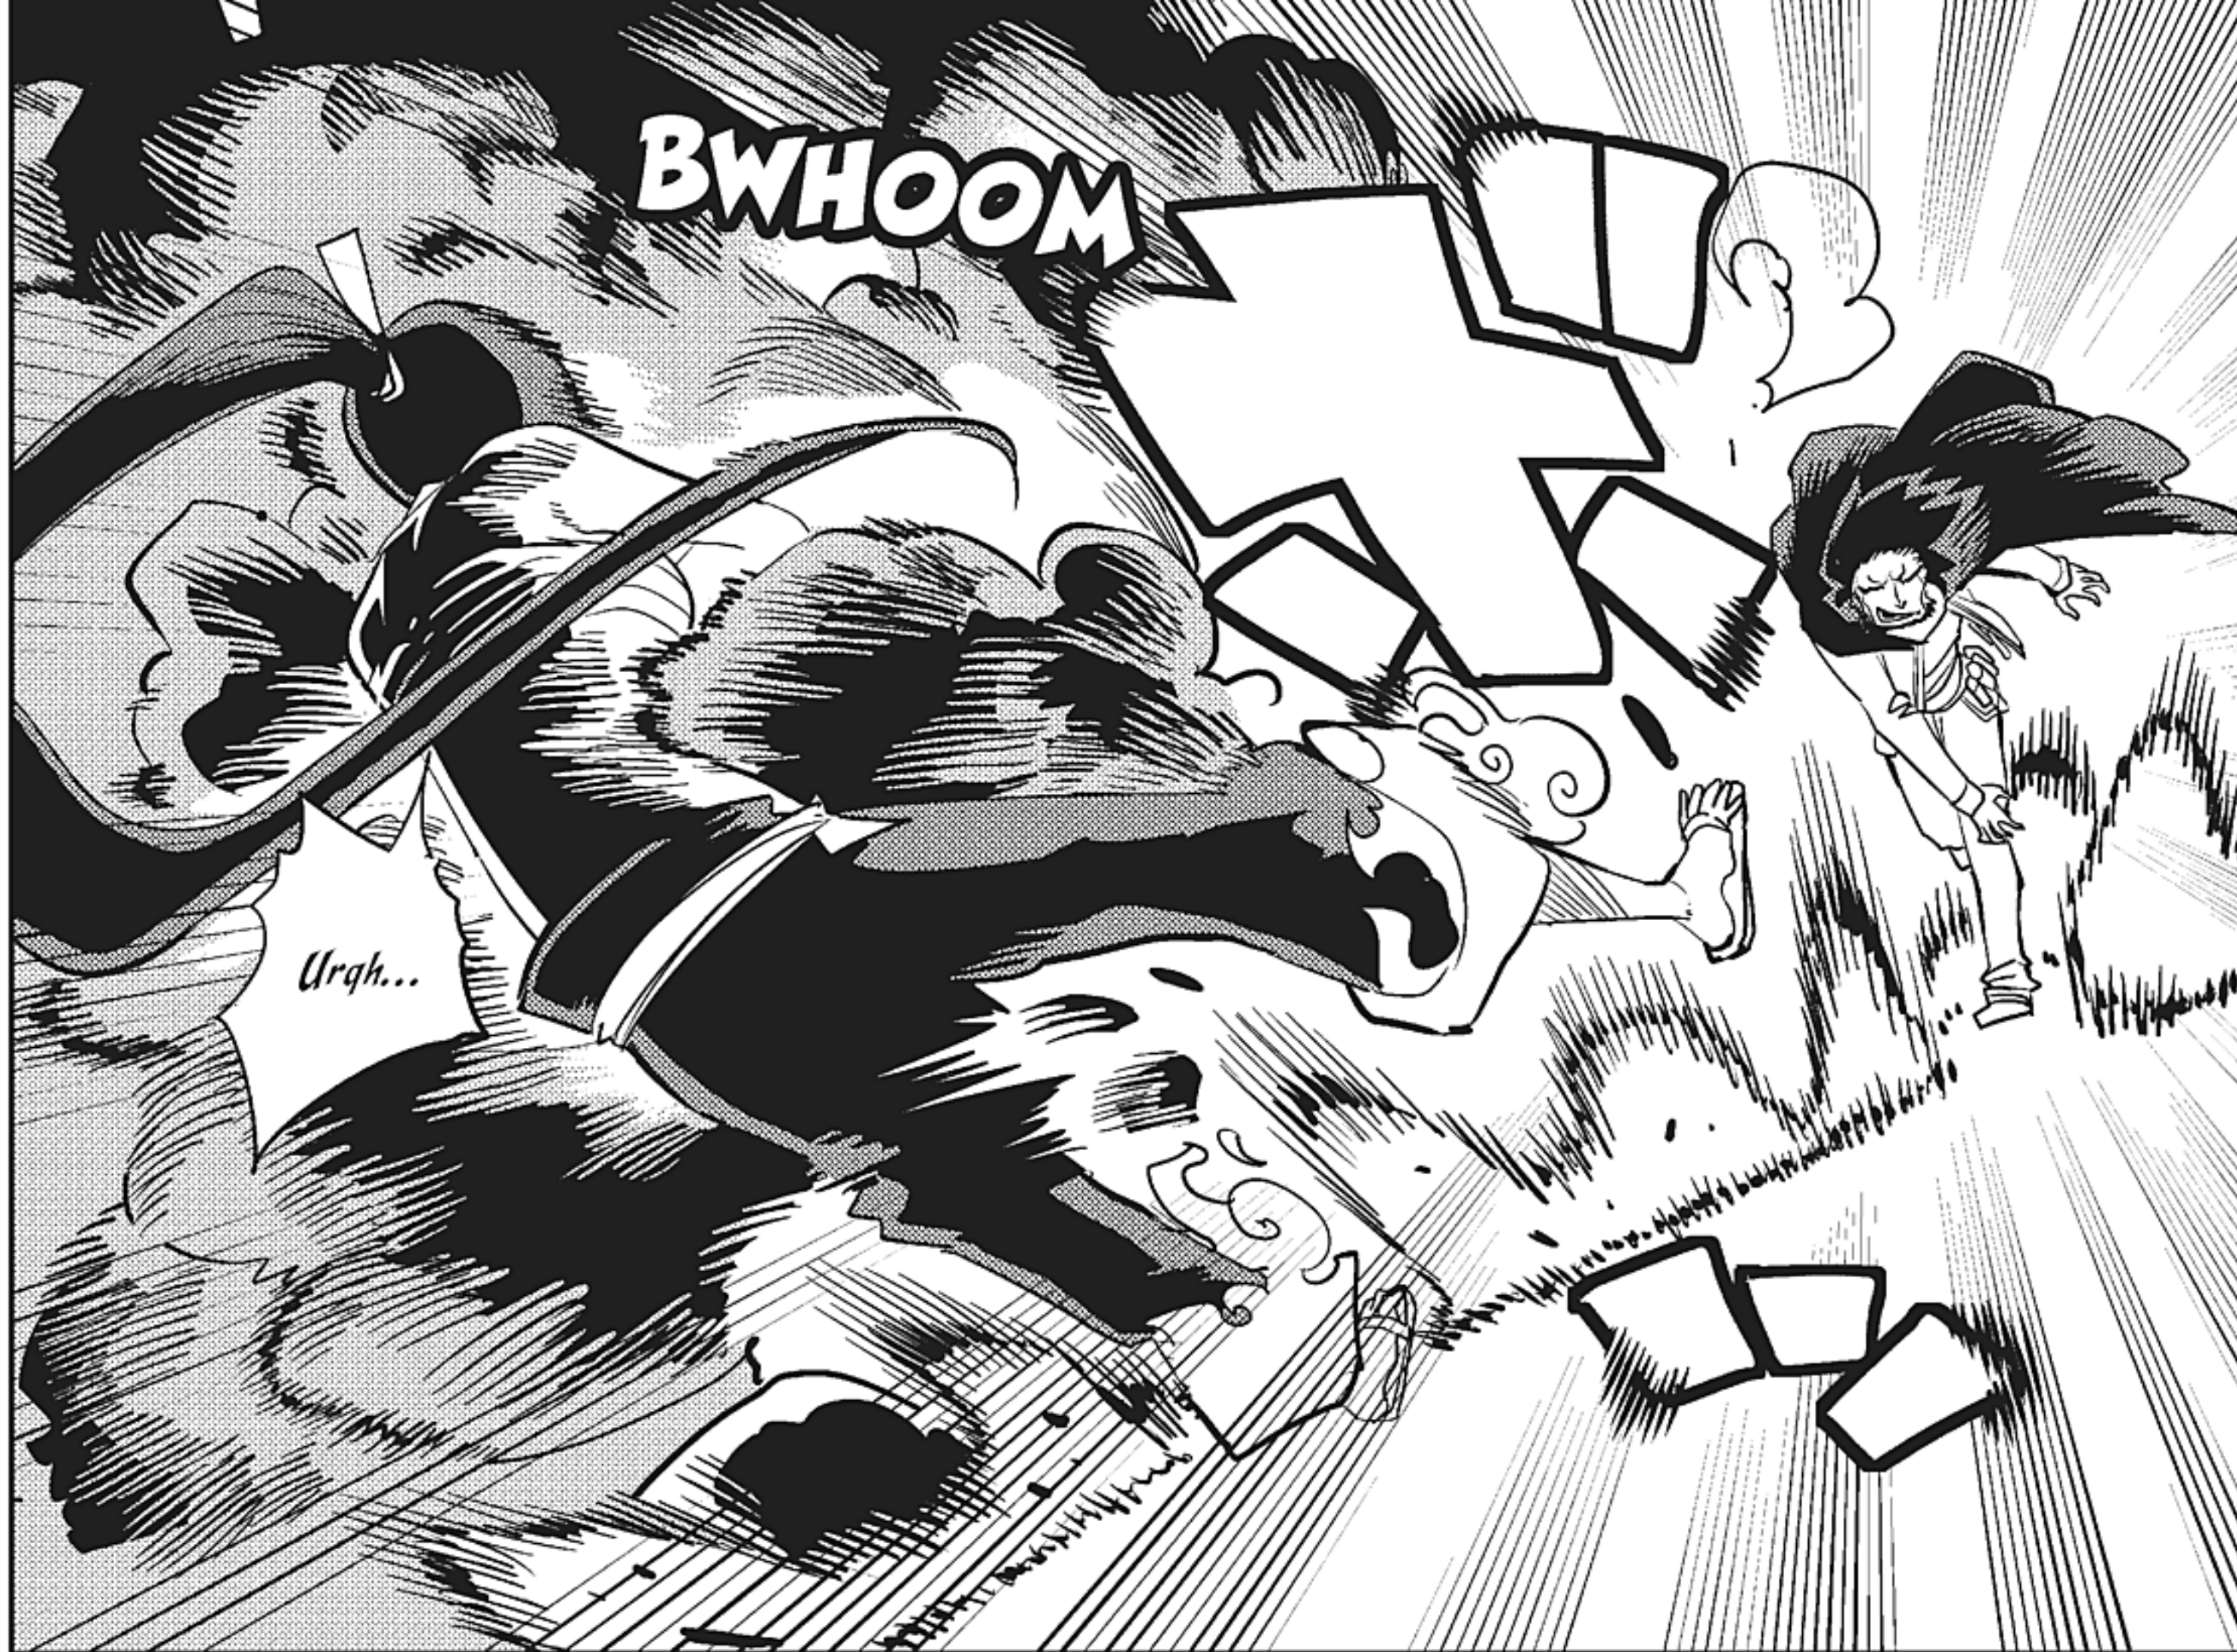

So if you make any false moves, I'll just crush it.

Doubt me if you want.

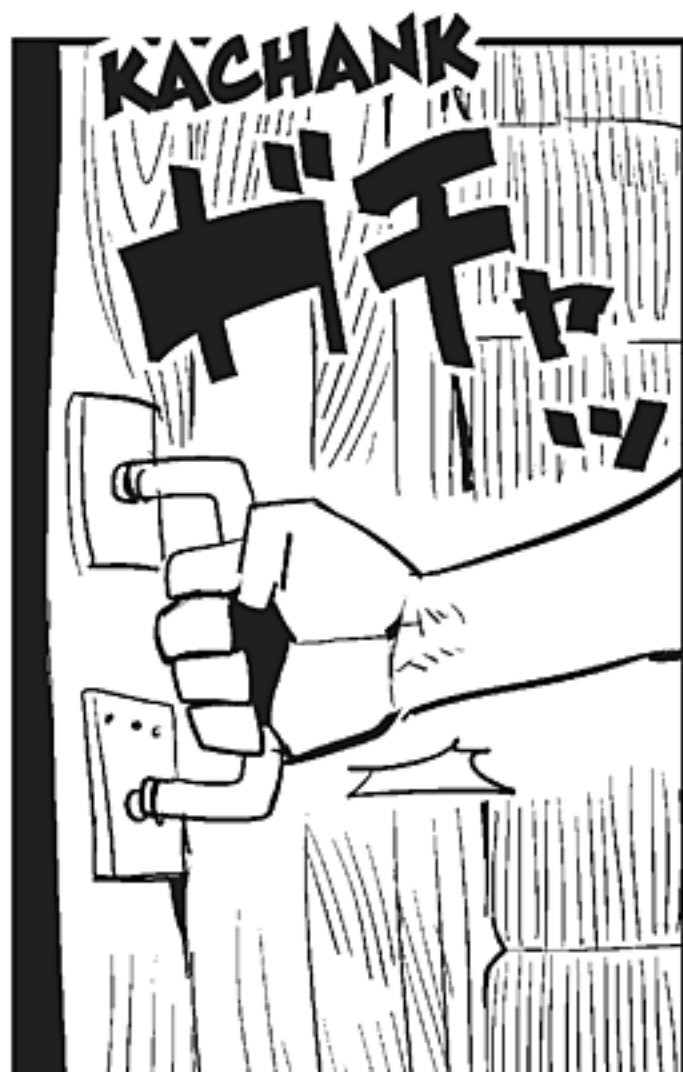

That is just a decoy. You should have a supply available.

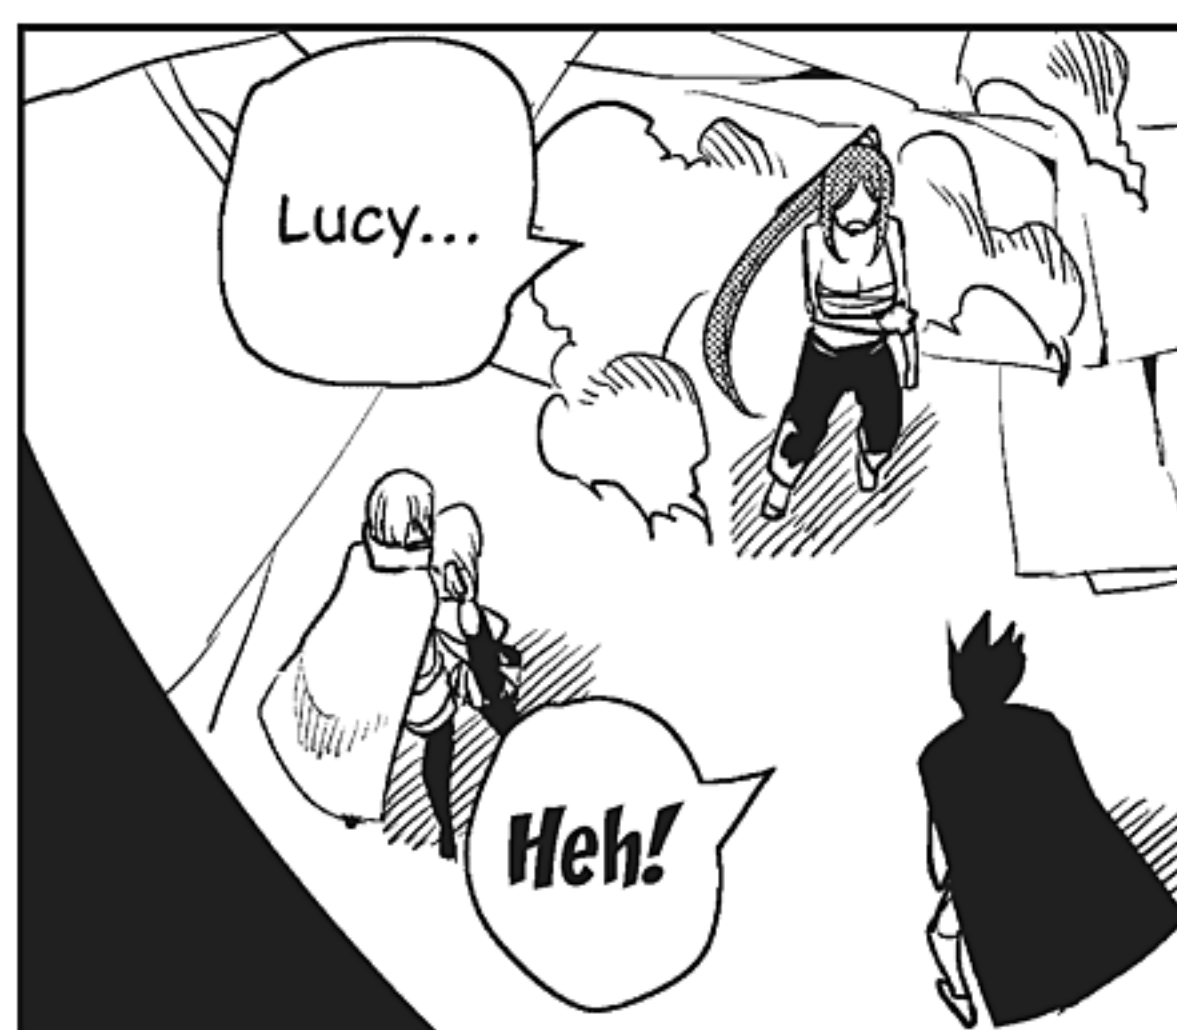

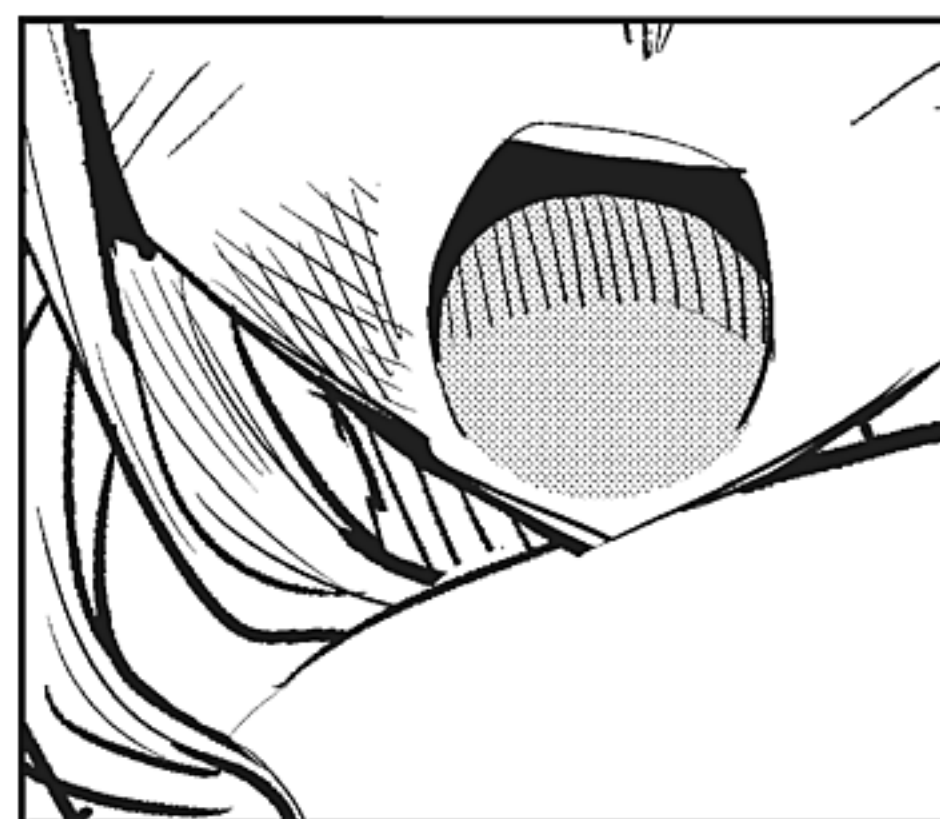

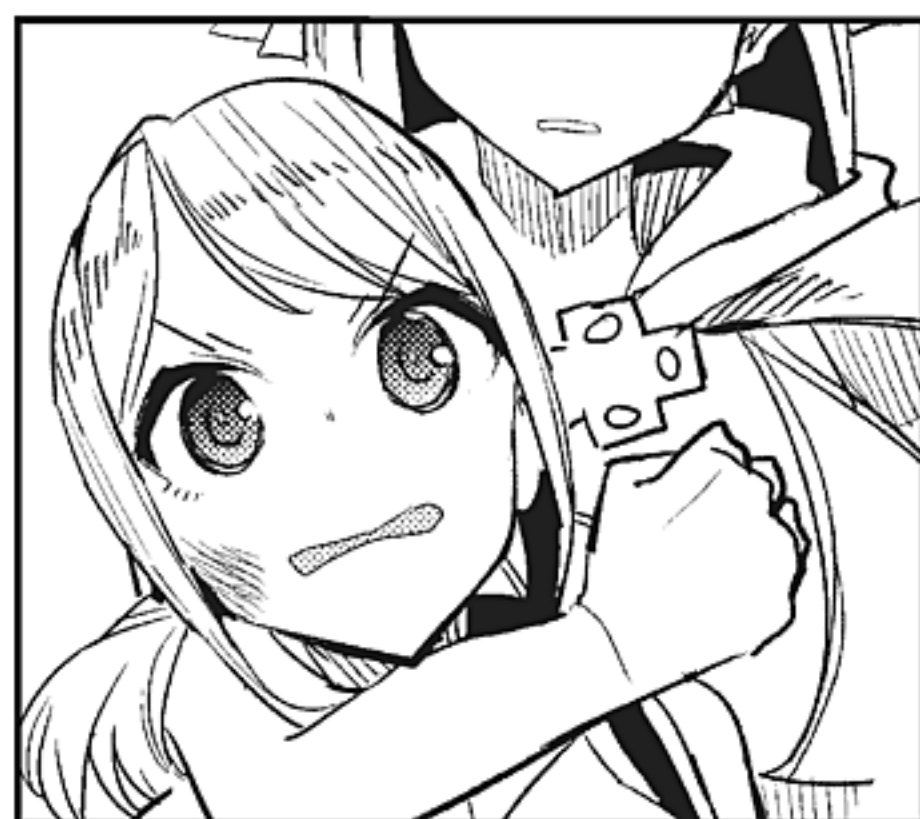

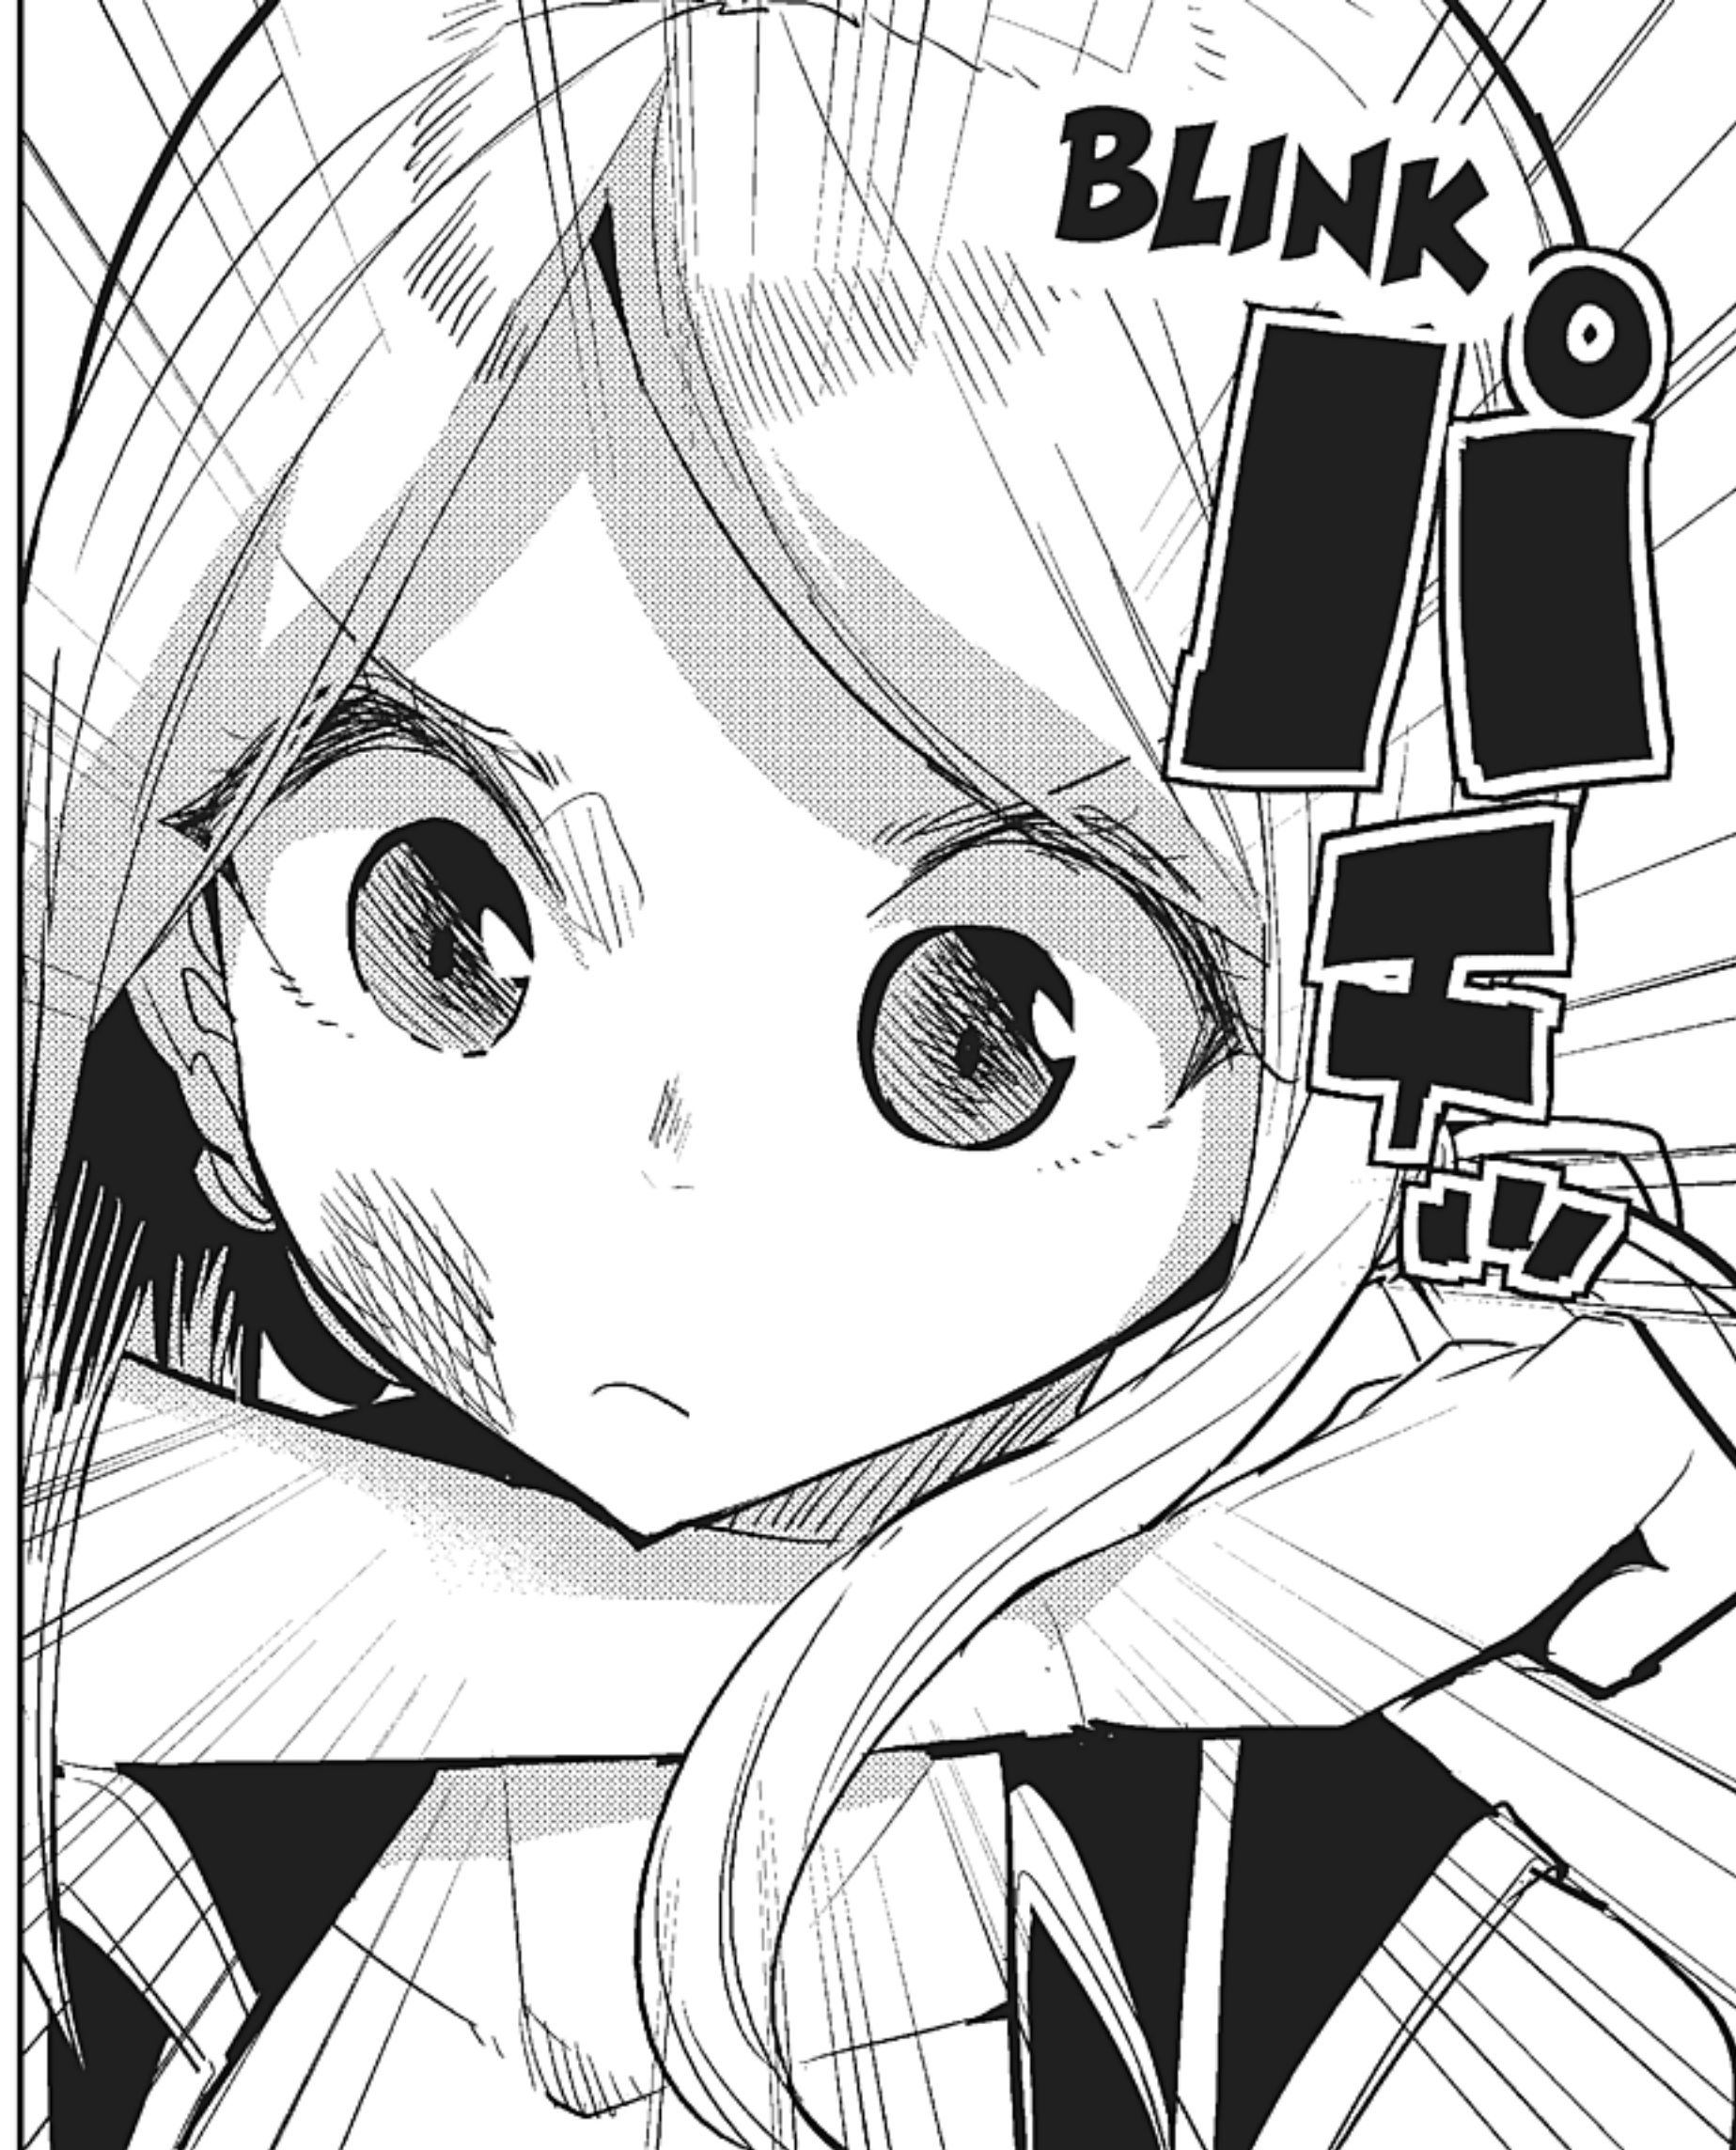

You have your reputation, Fairy Tail, but I'm not afraid!

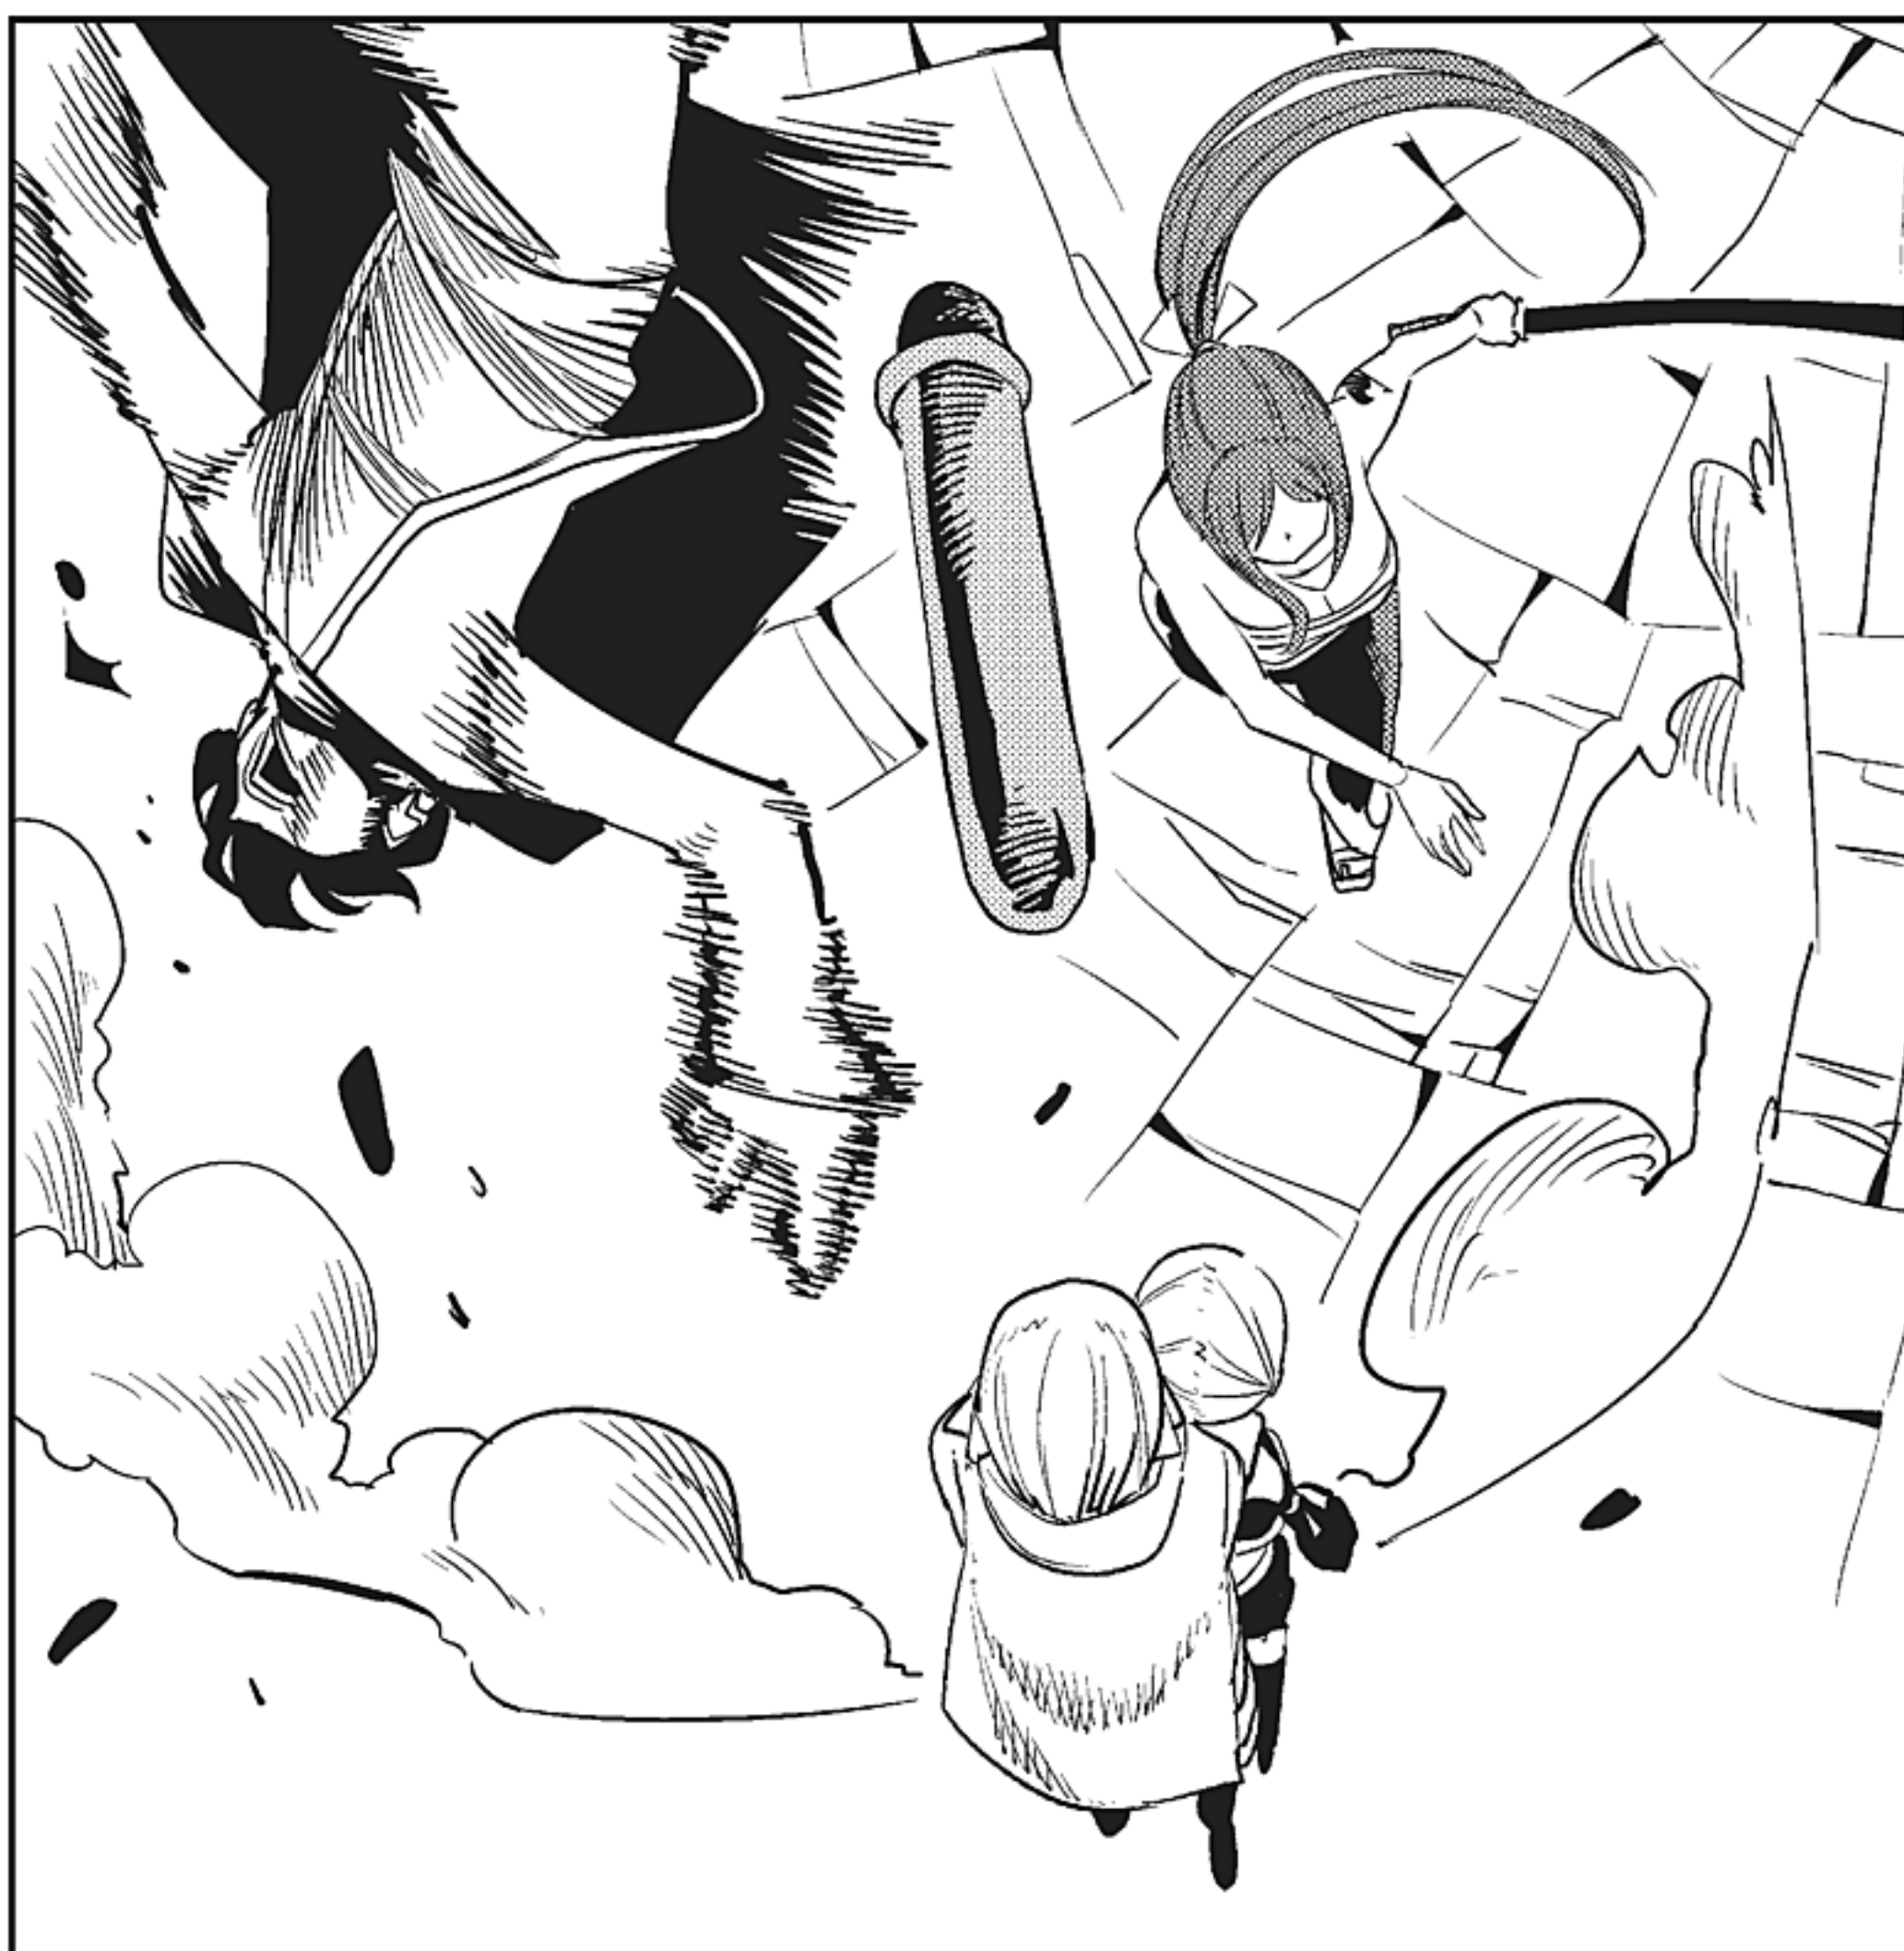

This is perfect!! I wanted to test how well my bombs blow!

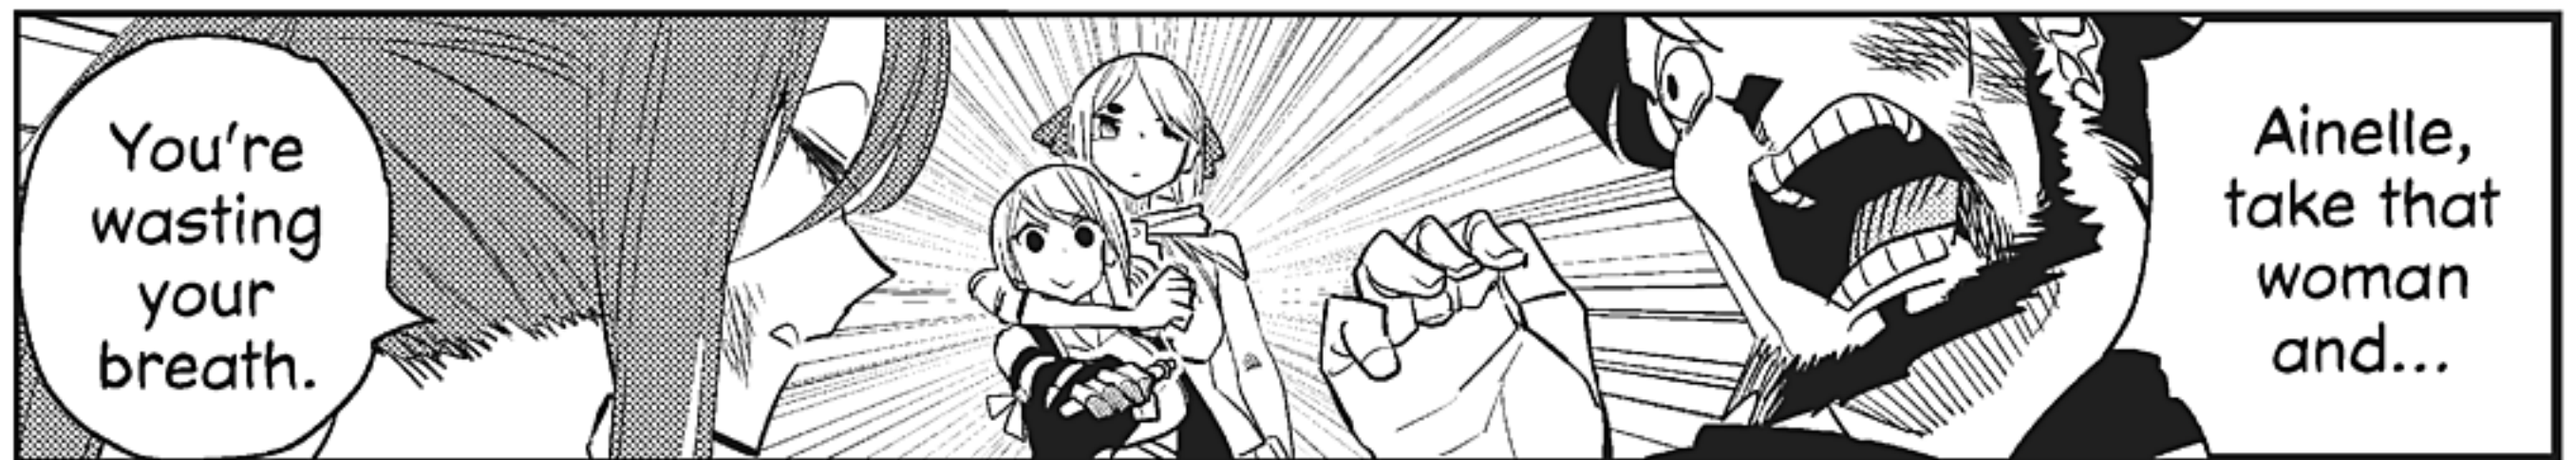

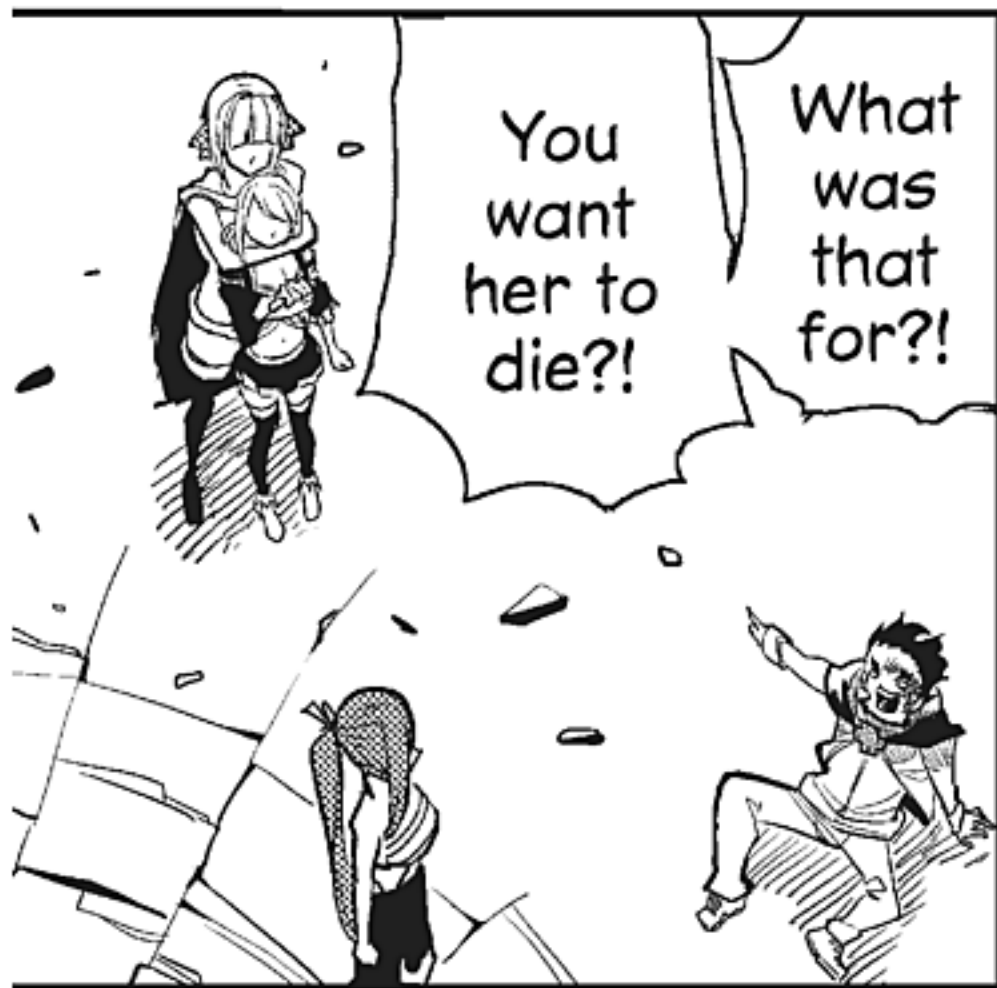

A trap you walked right into.

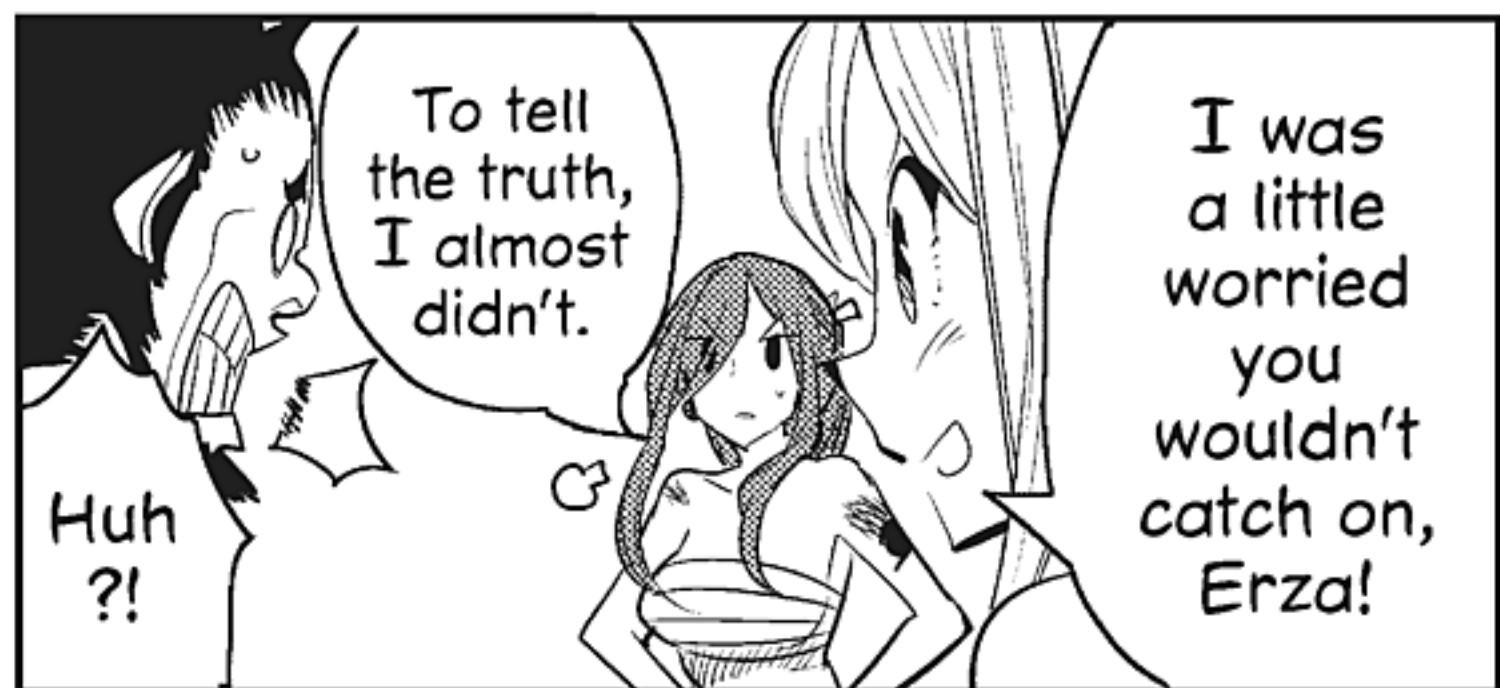

Lucy's celestial spirits, Gemini, that is.

They can copy looks, abilities, and thought patterns.

Oh, them?

Where's Ainelle and the other elite wizards?!

To tell the truth, I almost didn't.

Huh ?!

I was a little worried you wouldn't catch on, Erza!

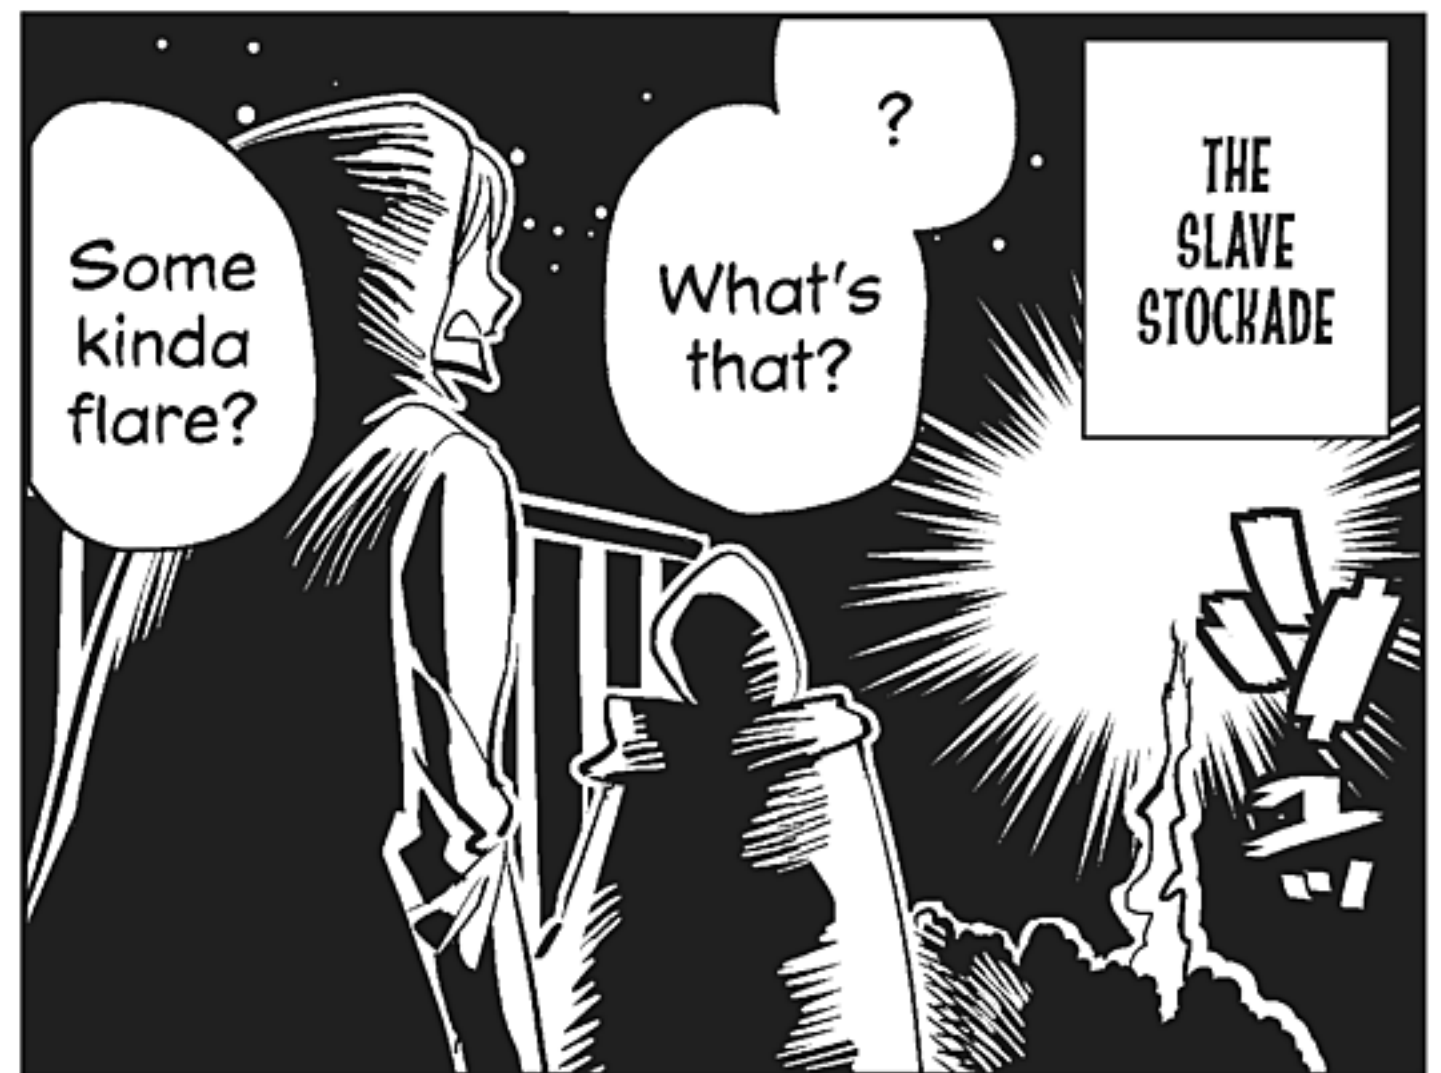

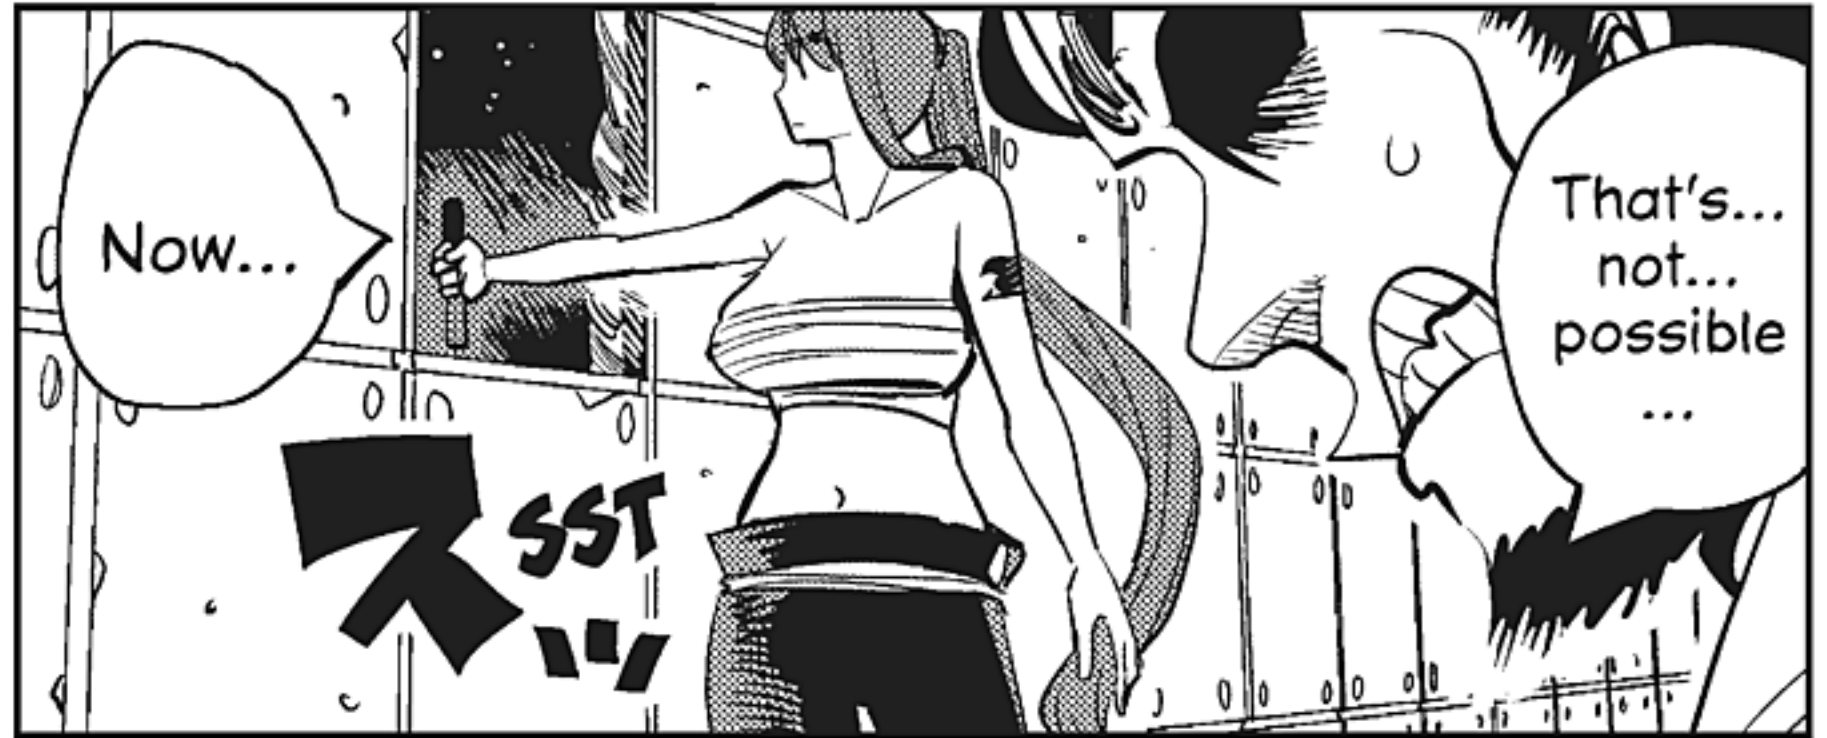

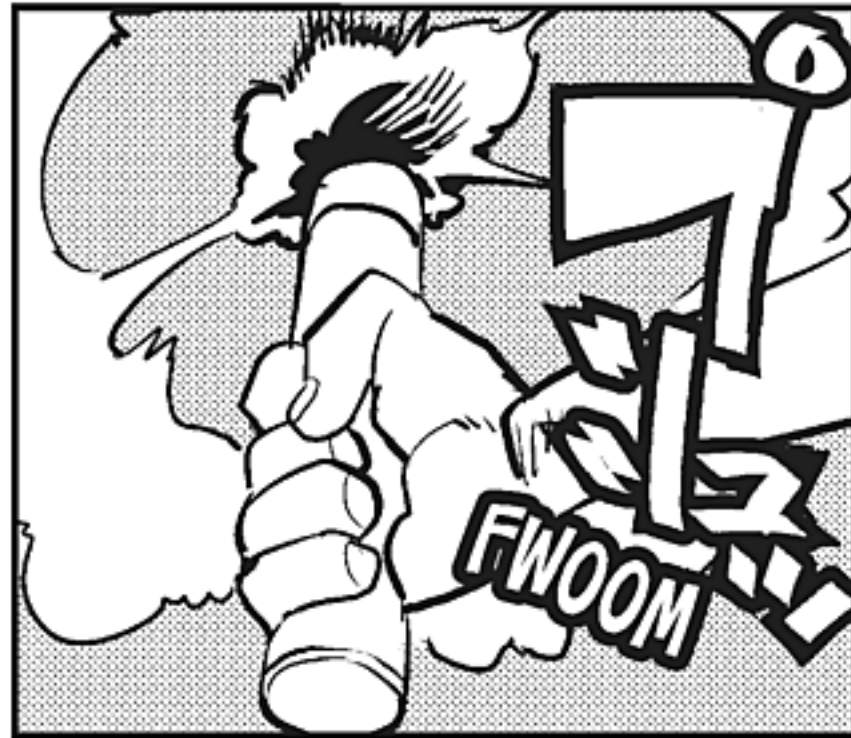

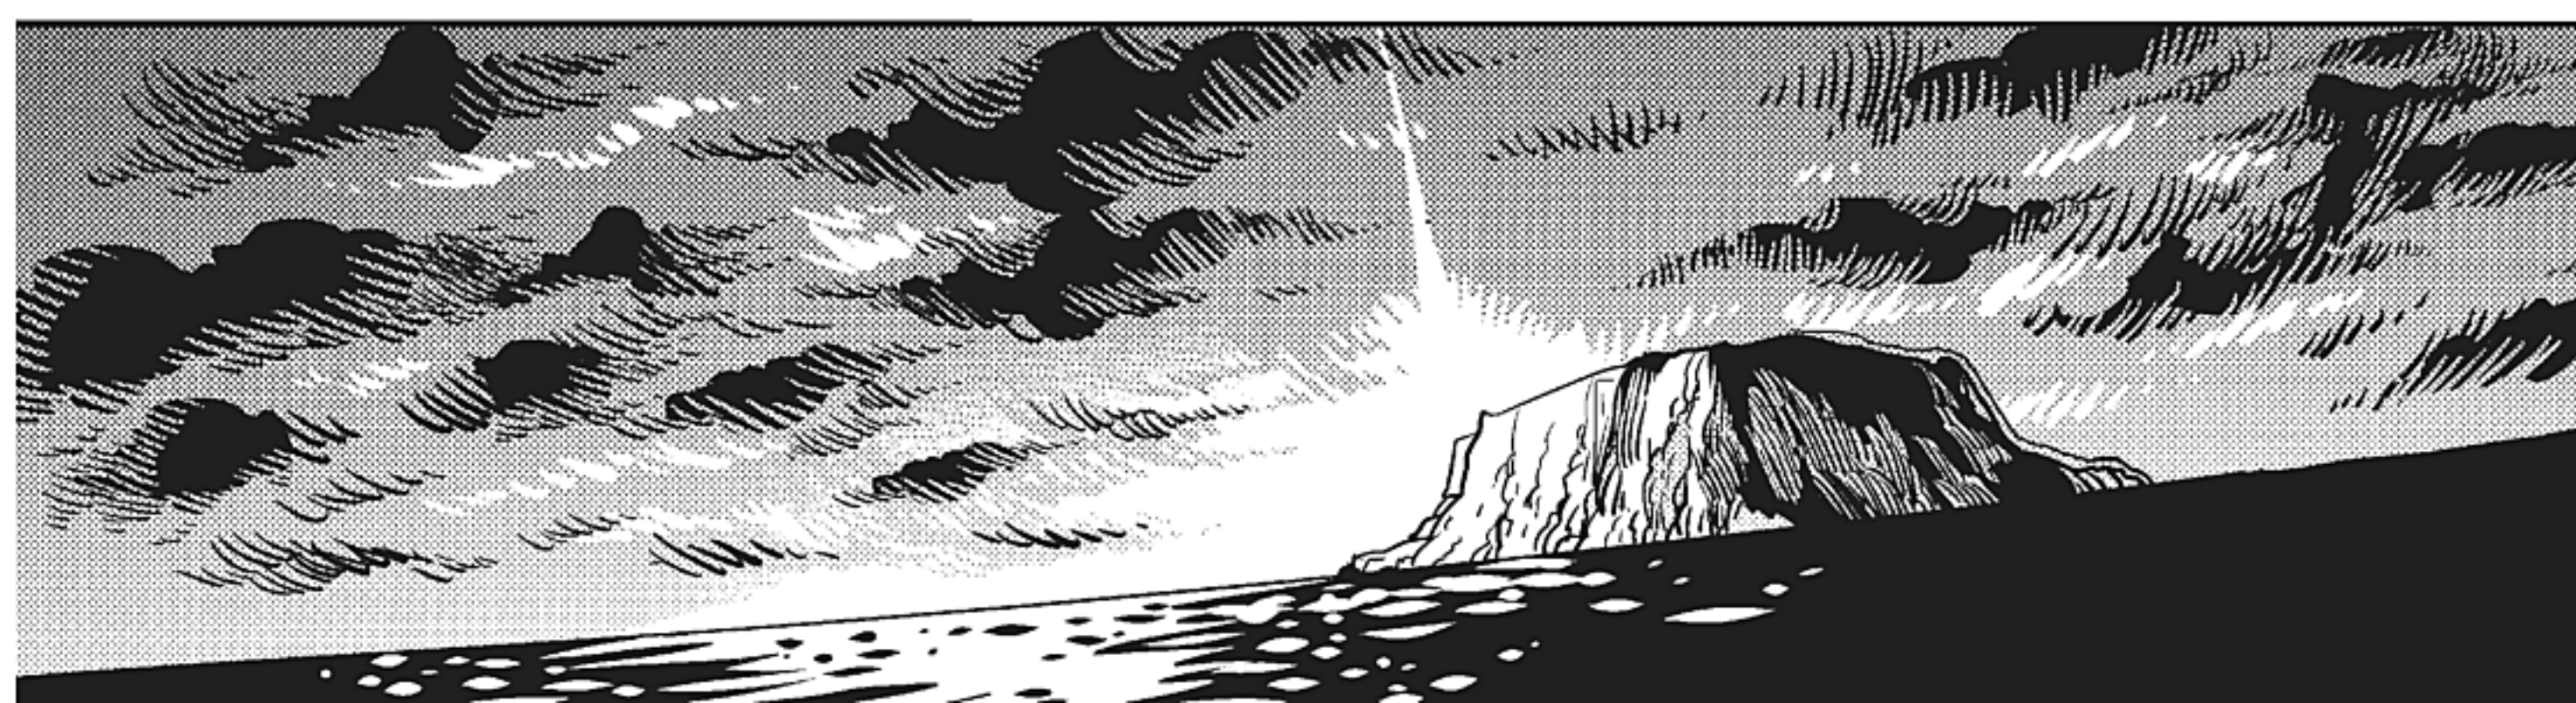

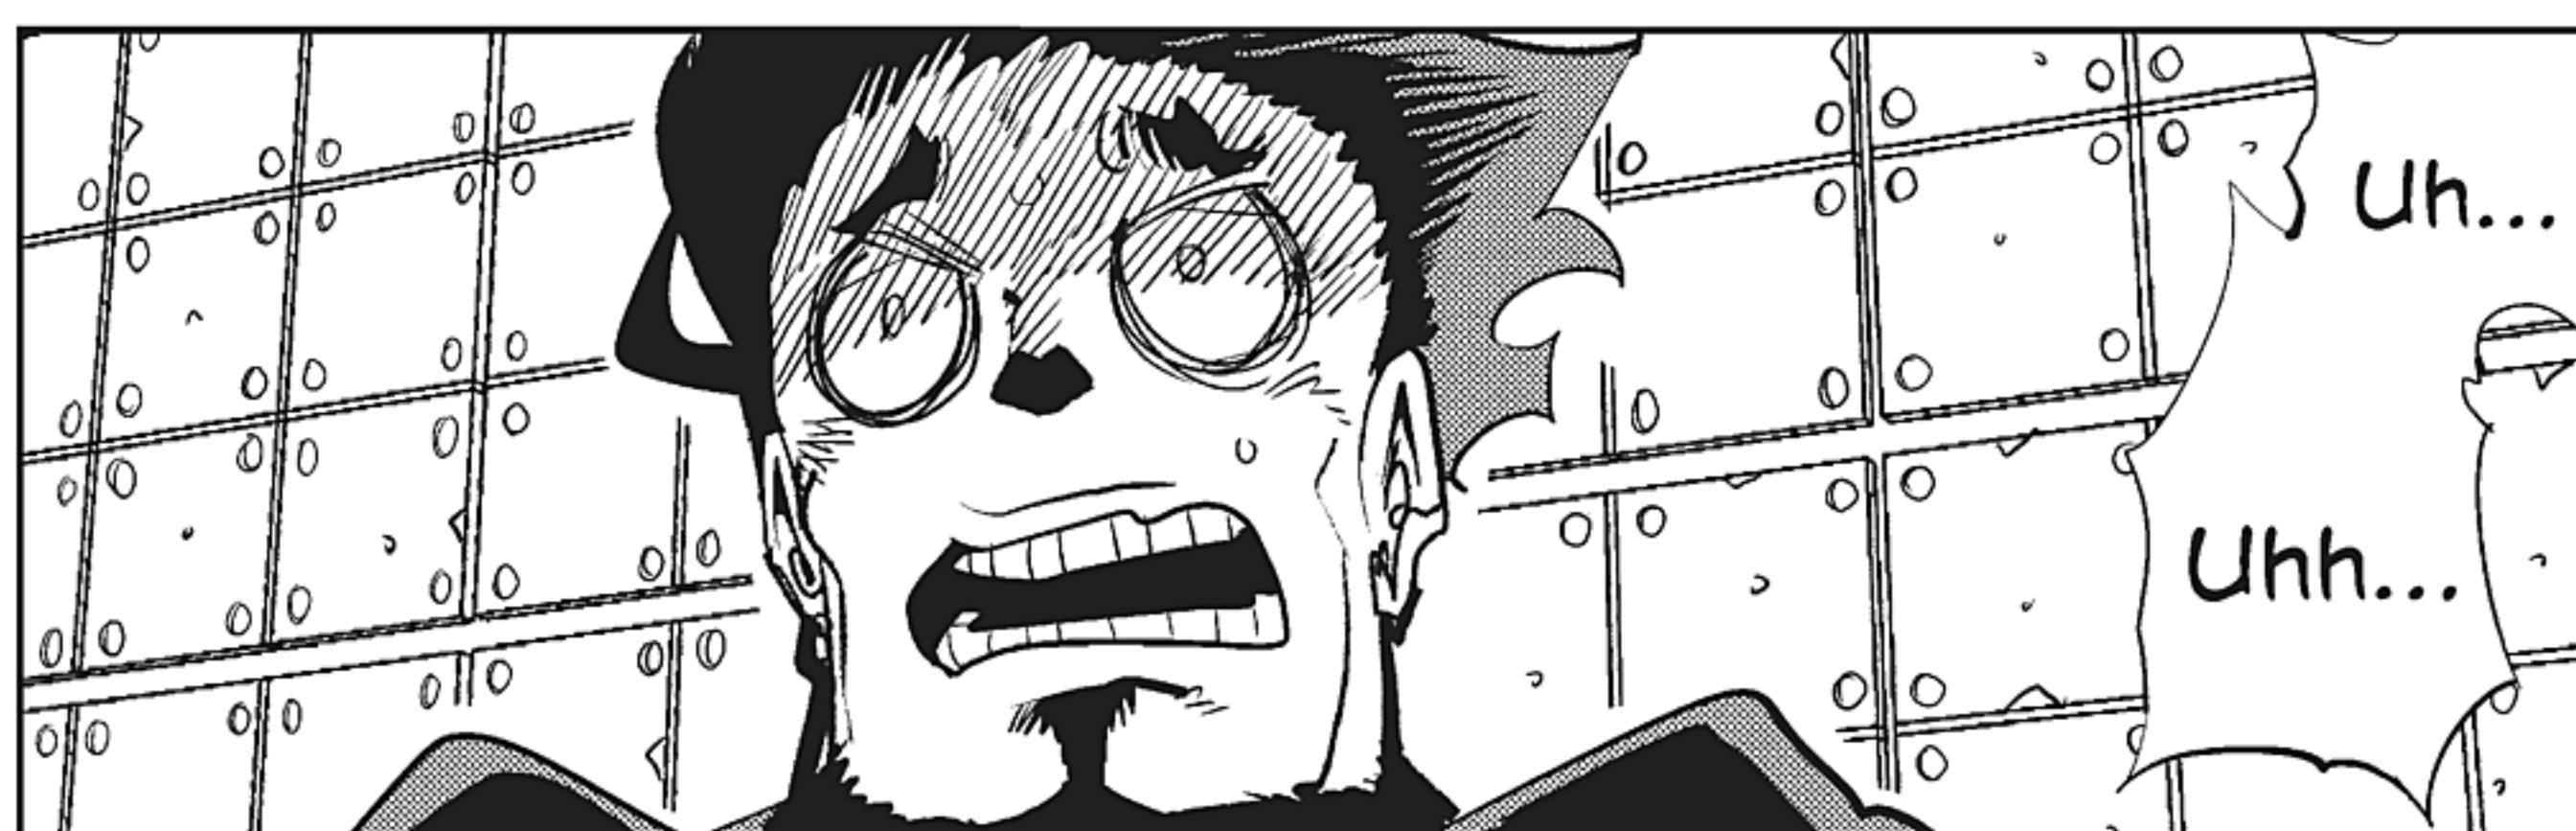

But ...

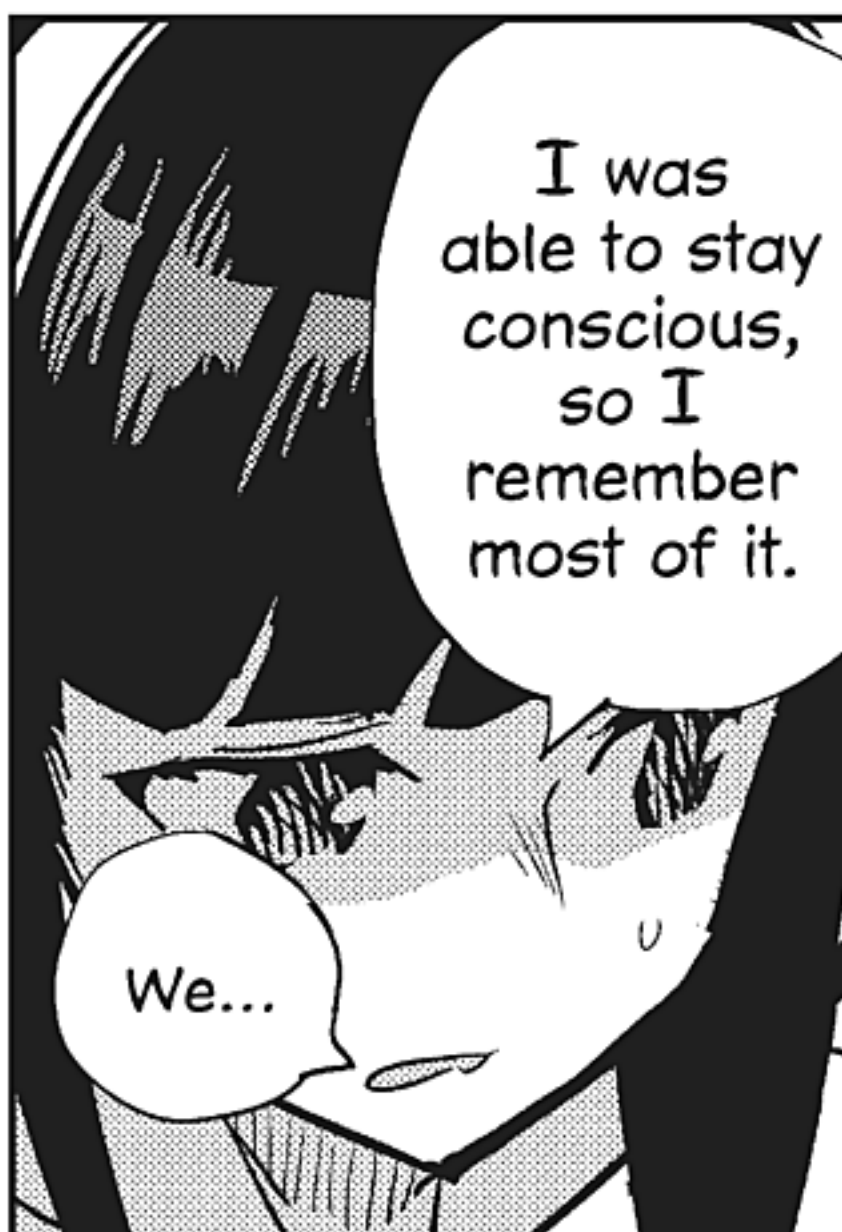

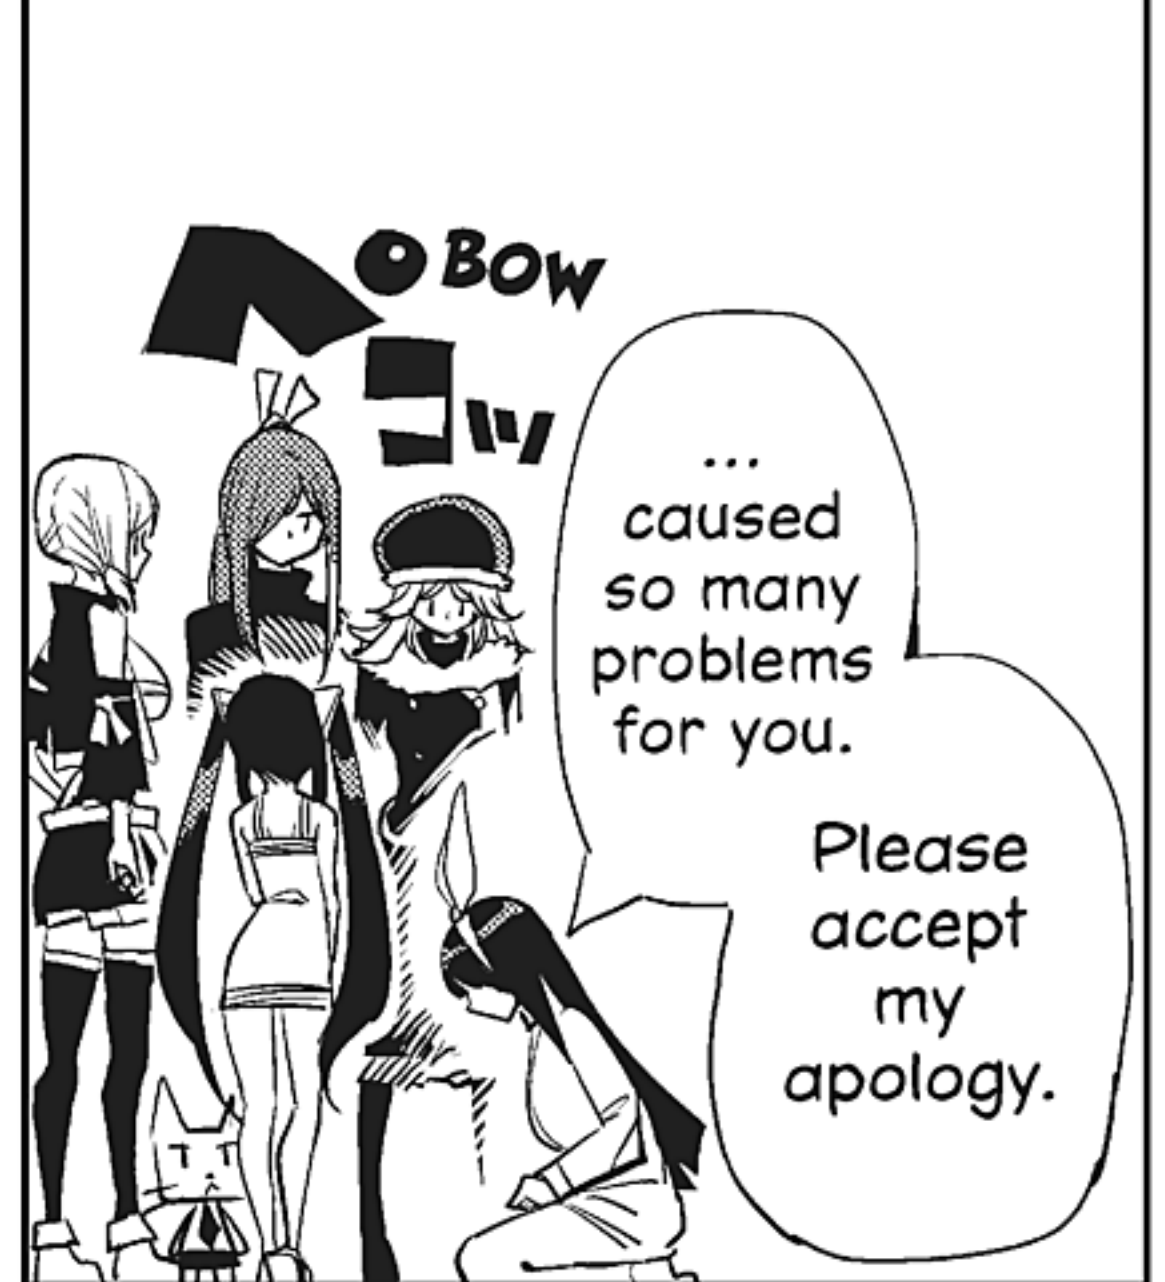

...and keeping me from summoning my spirits was a good plan.

You know, sealing away my keys...

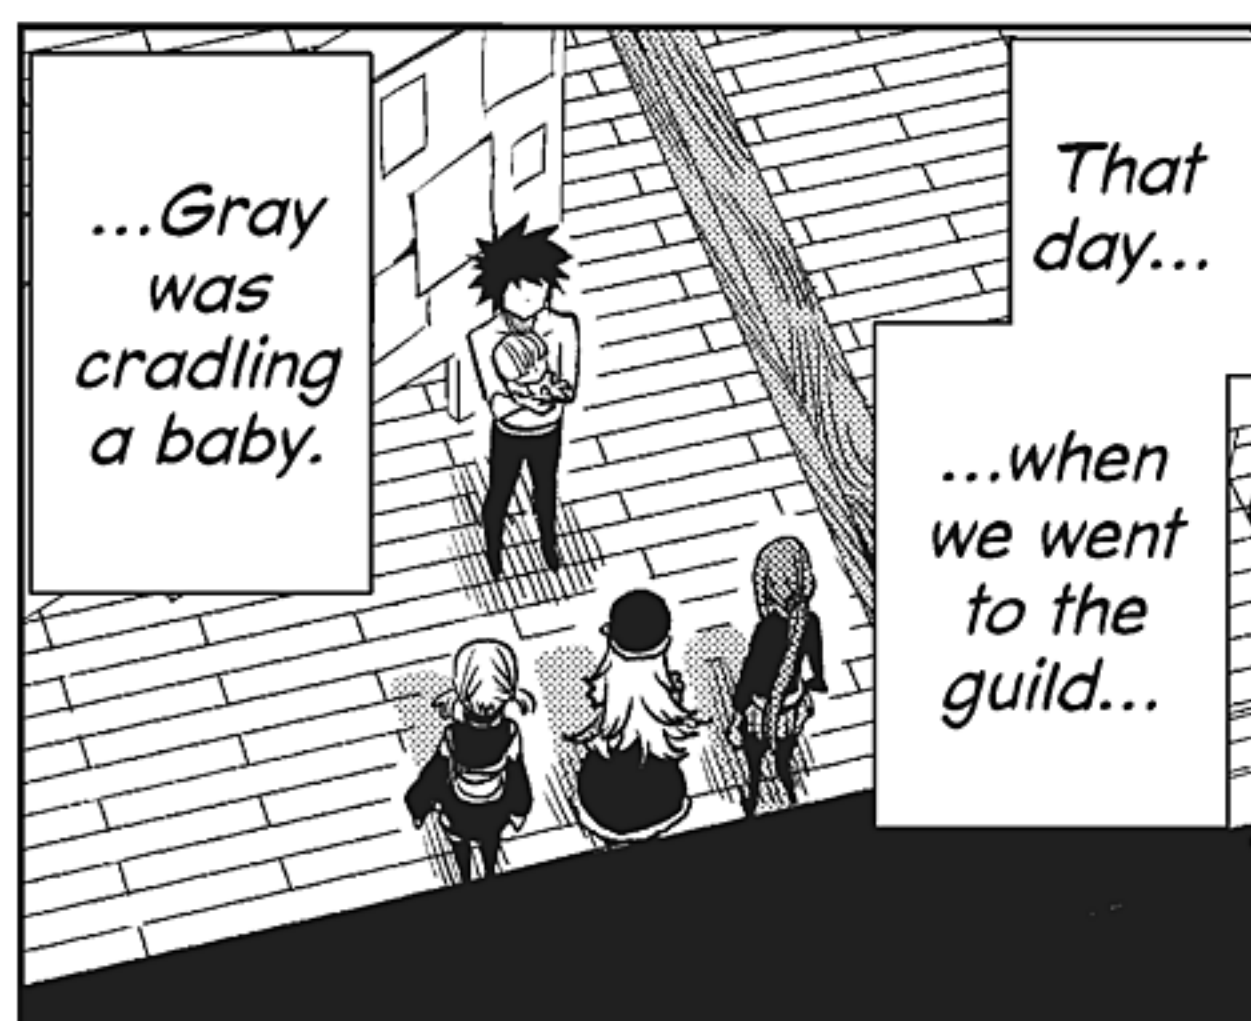

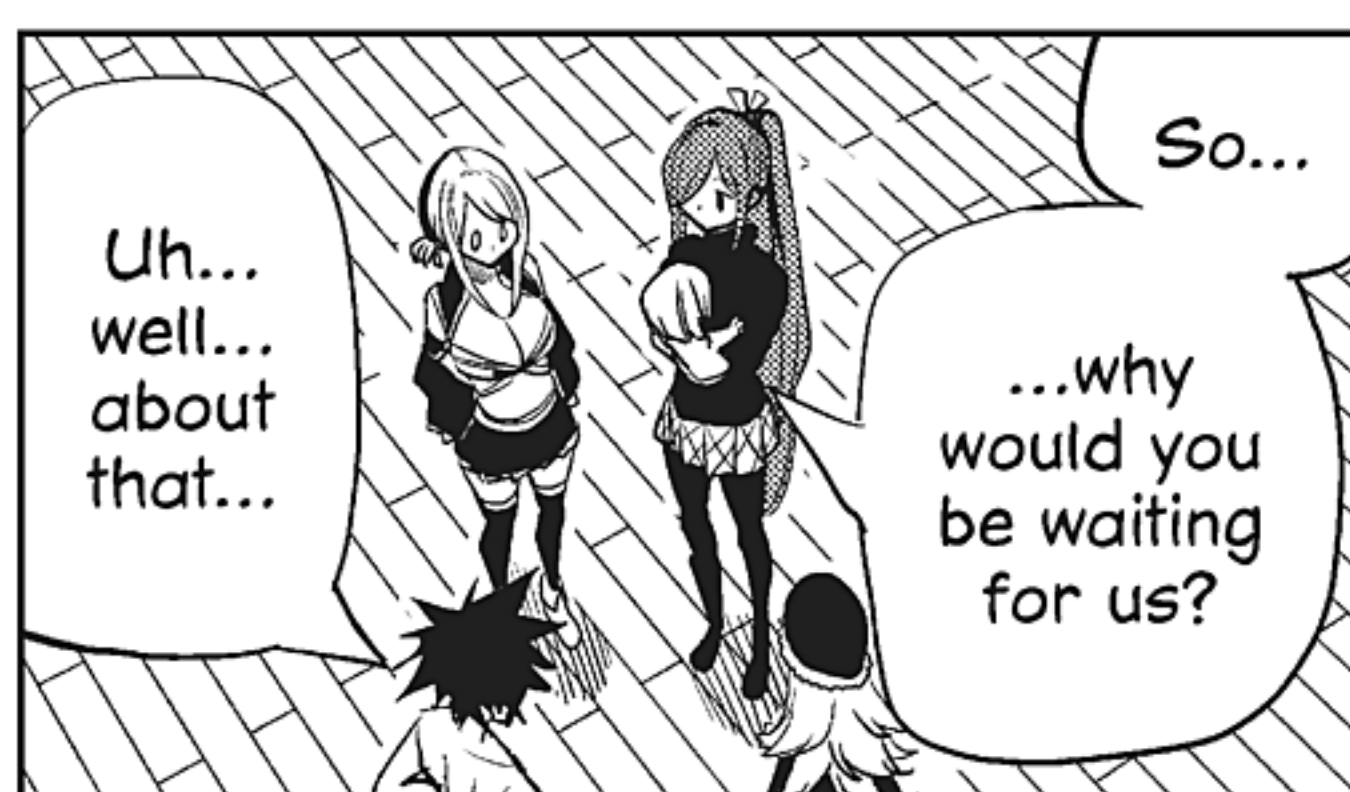

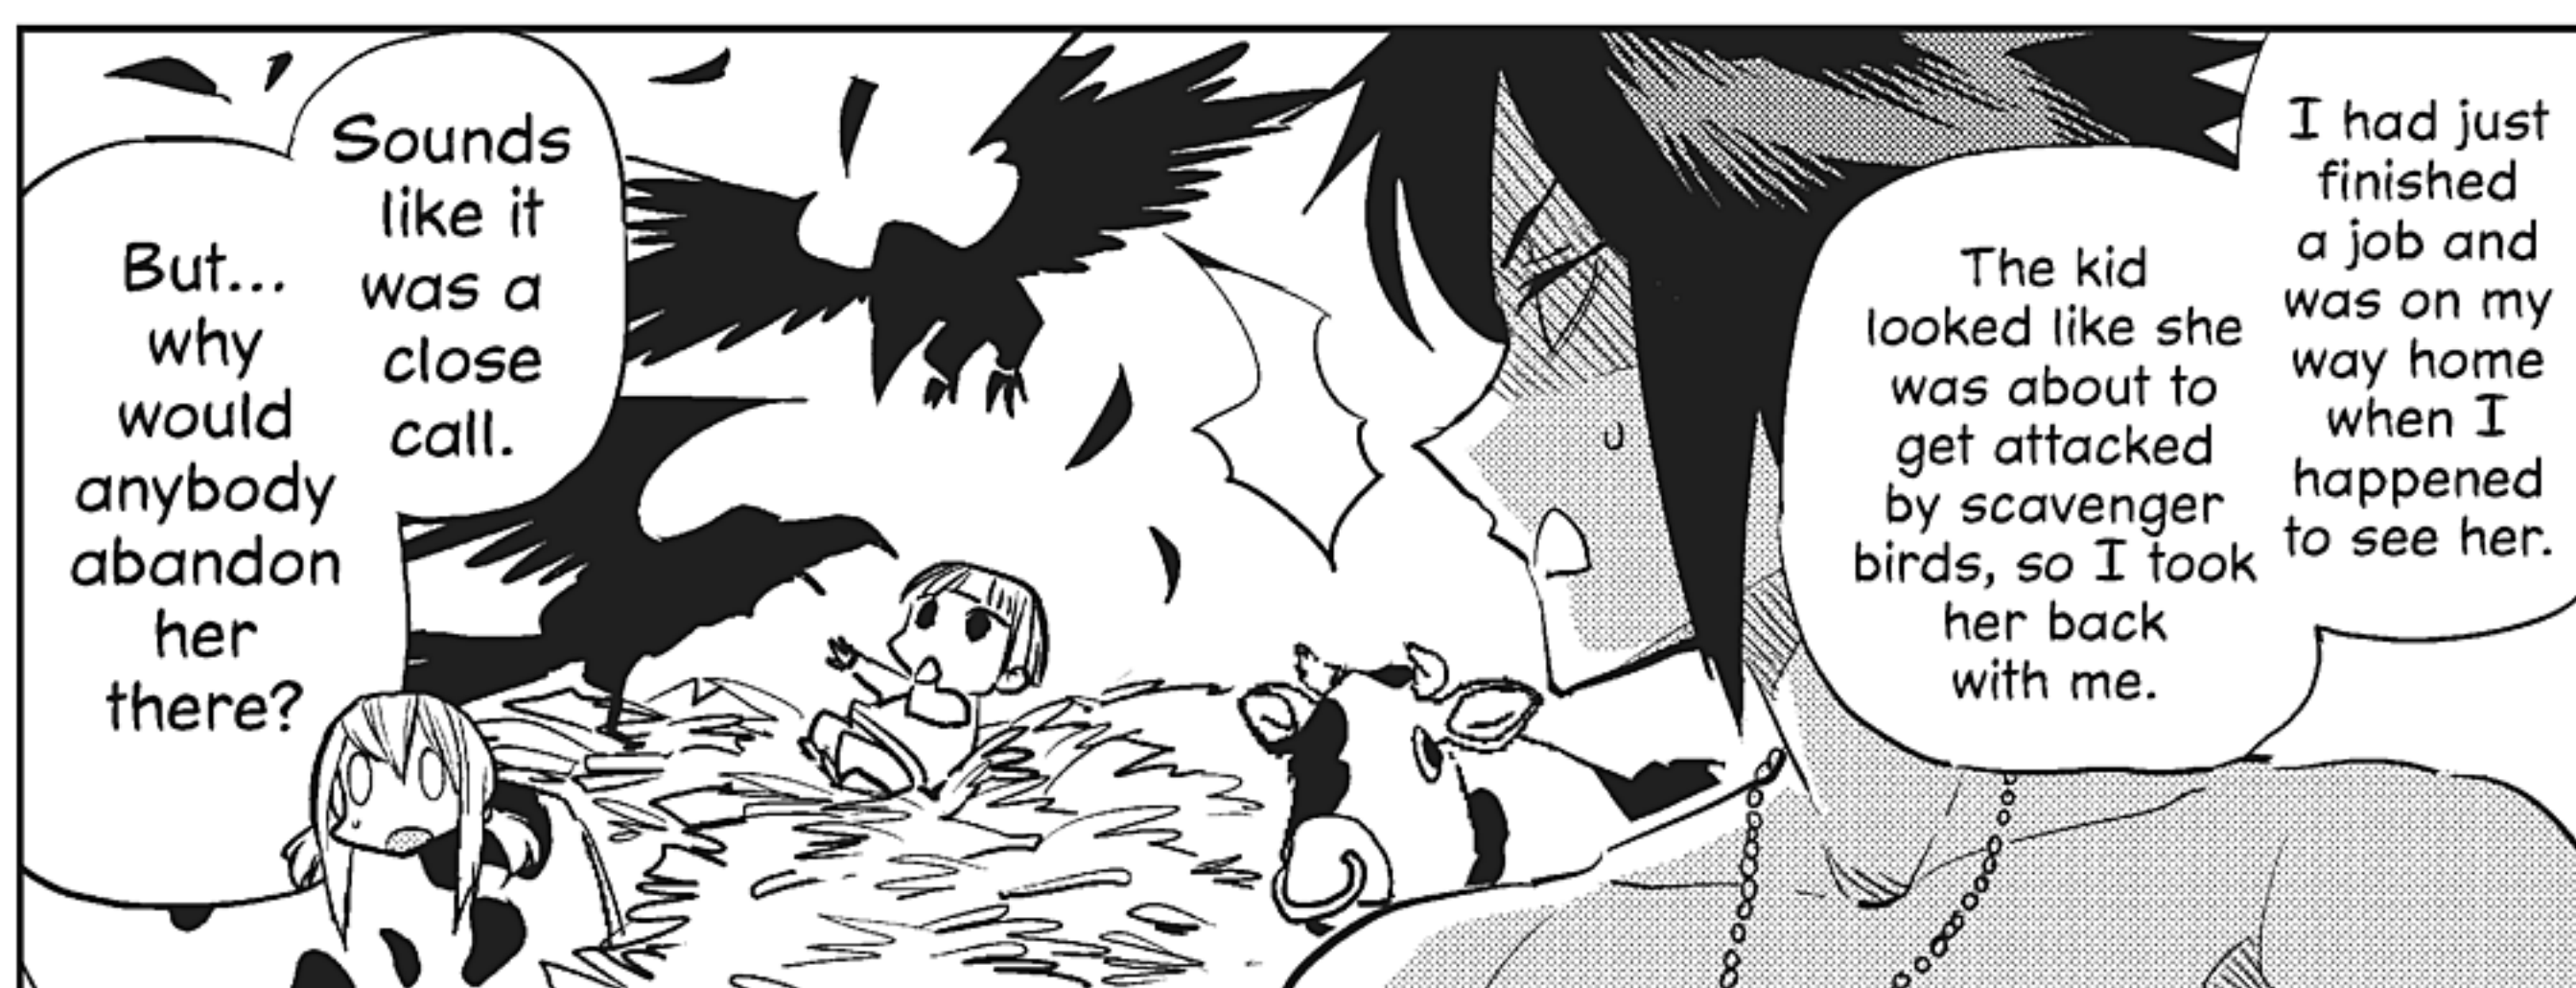

FAIRY GIRLS

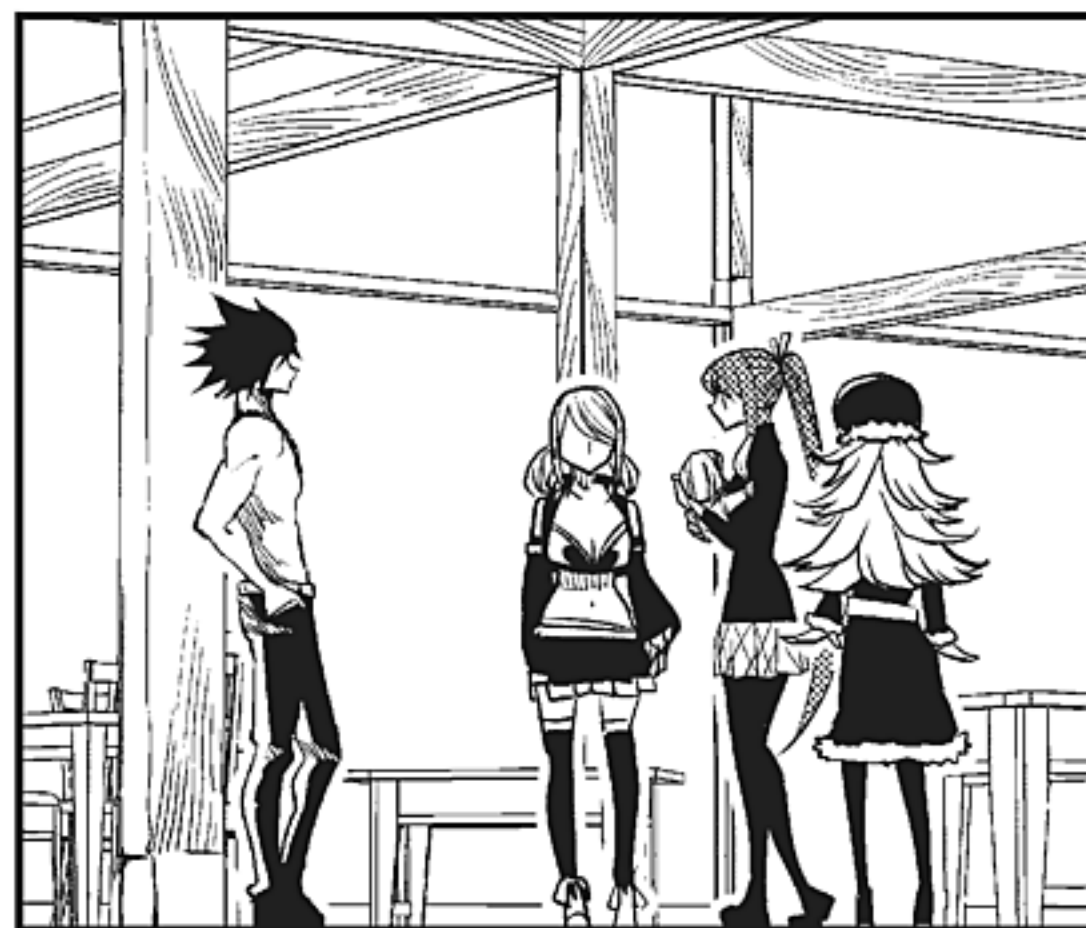

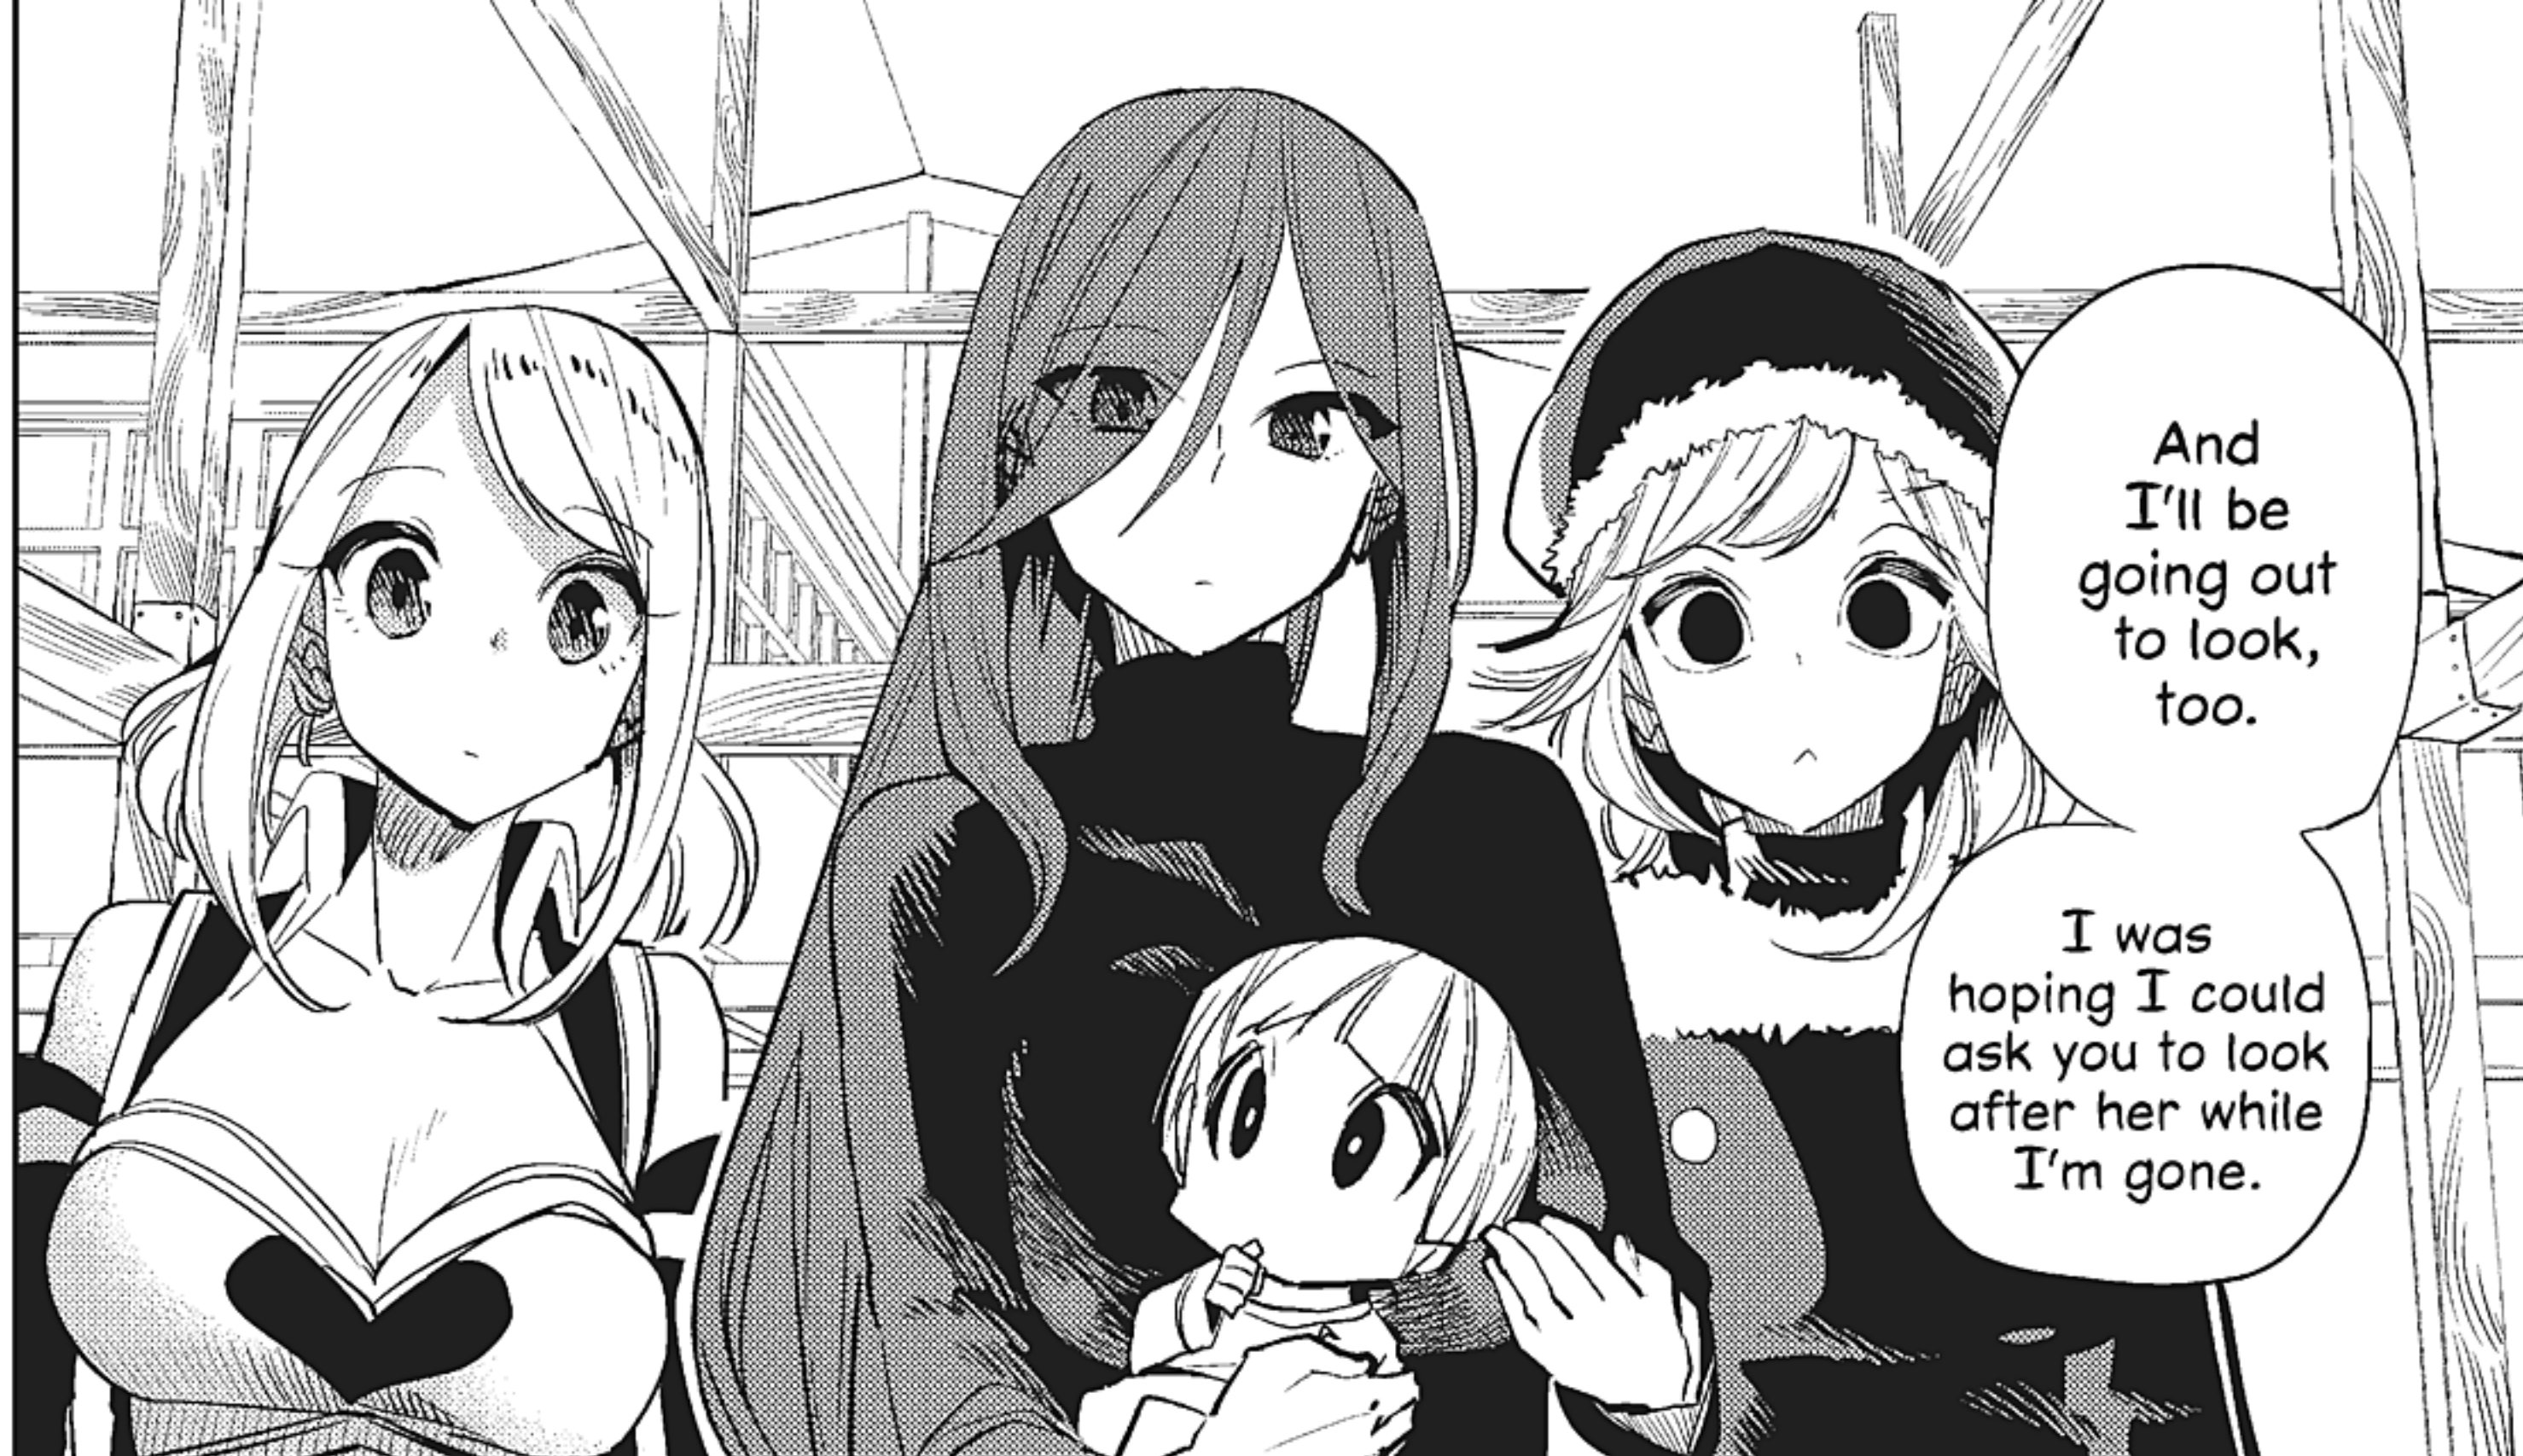

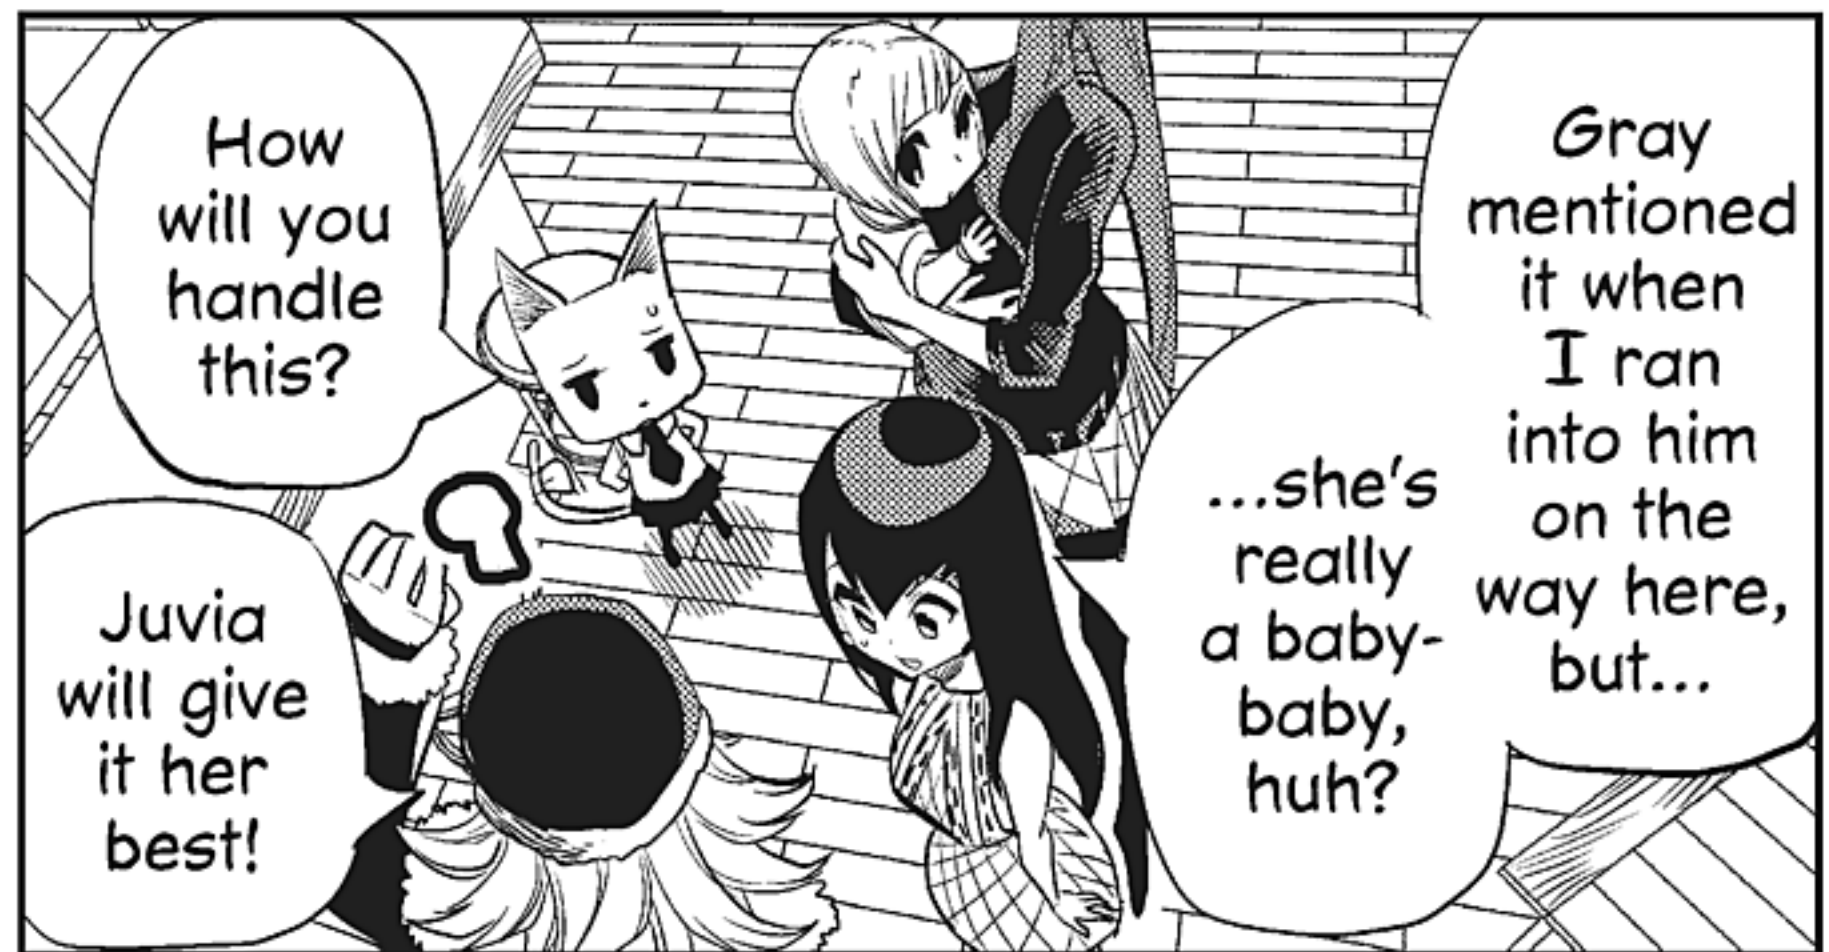

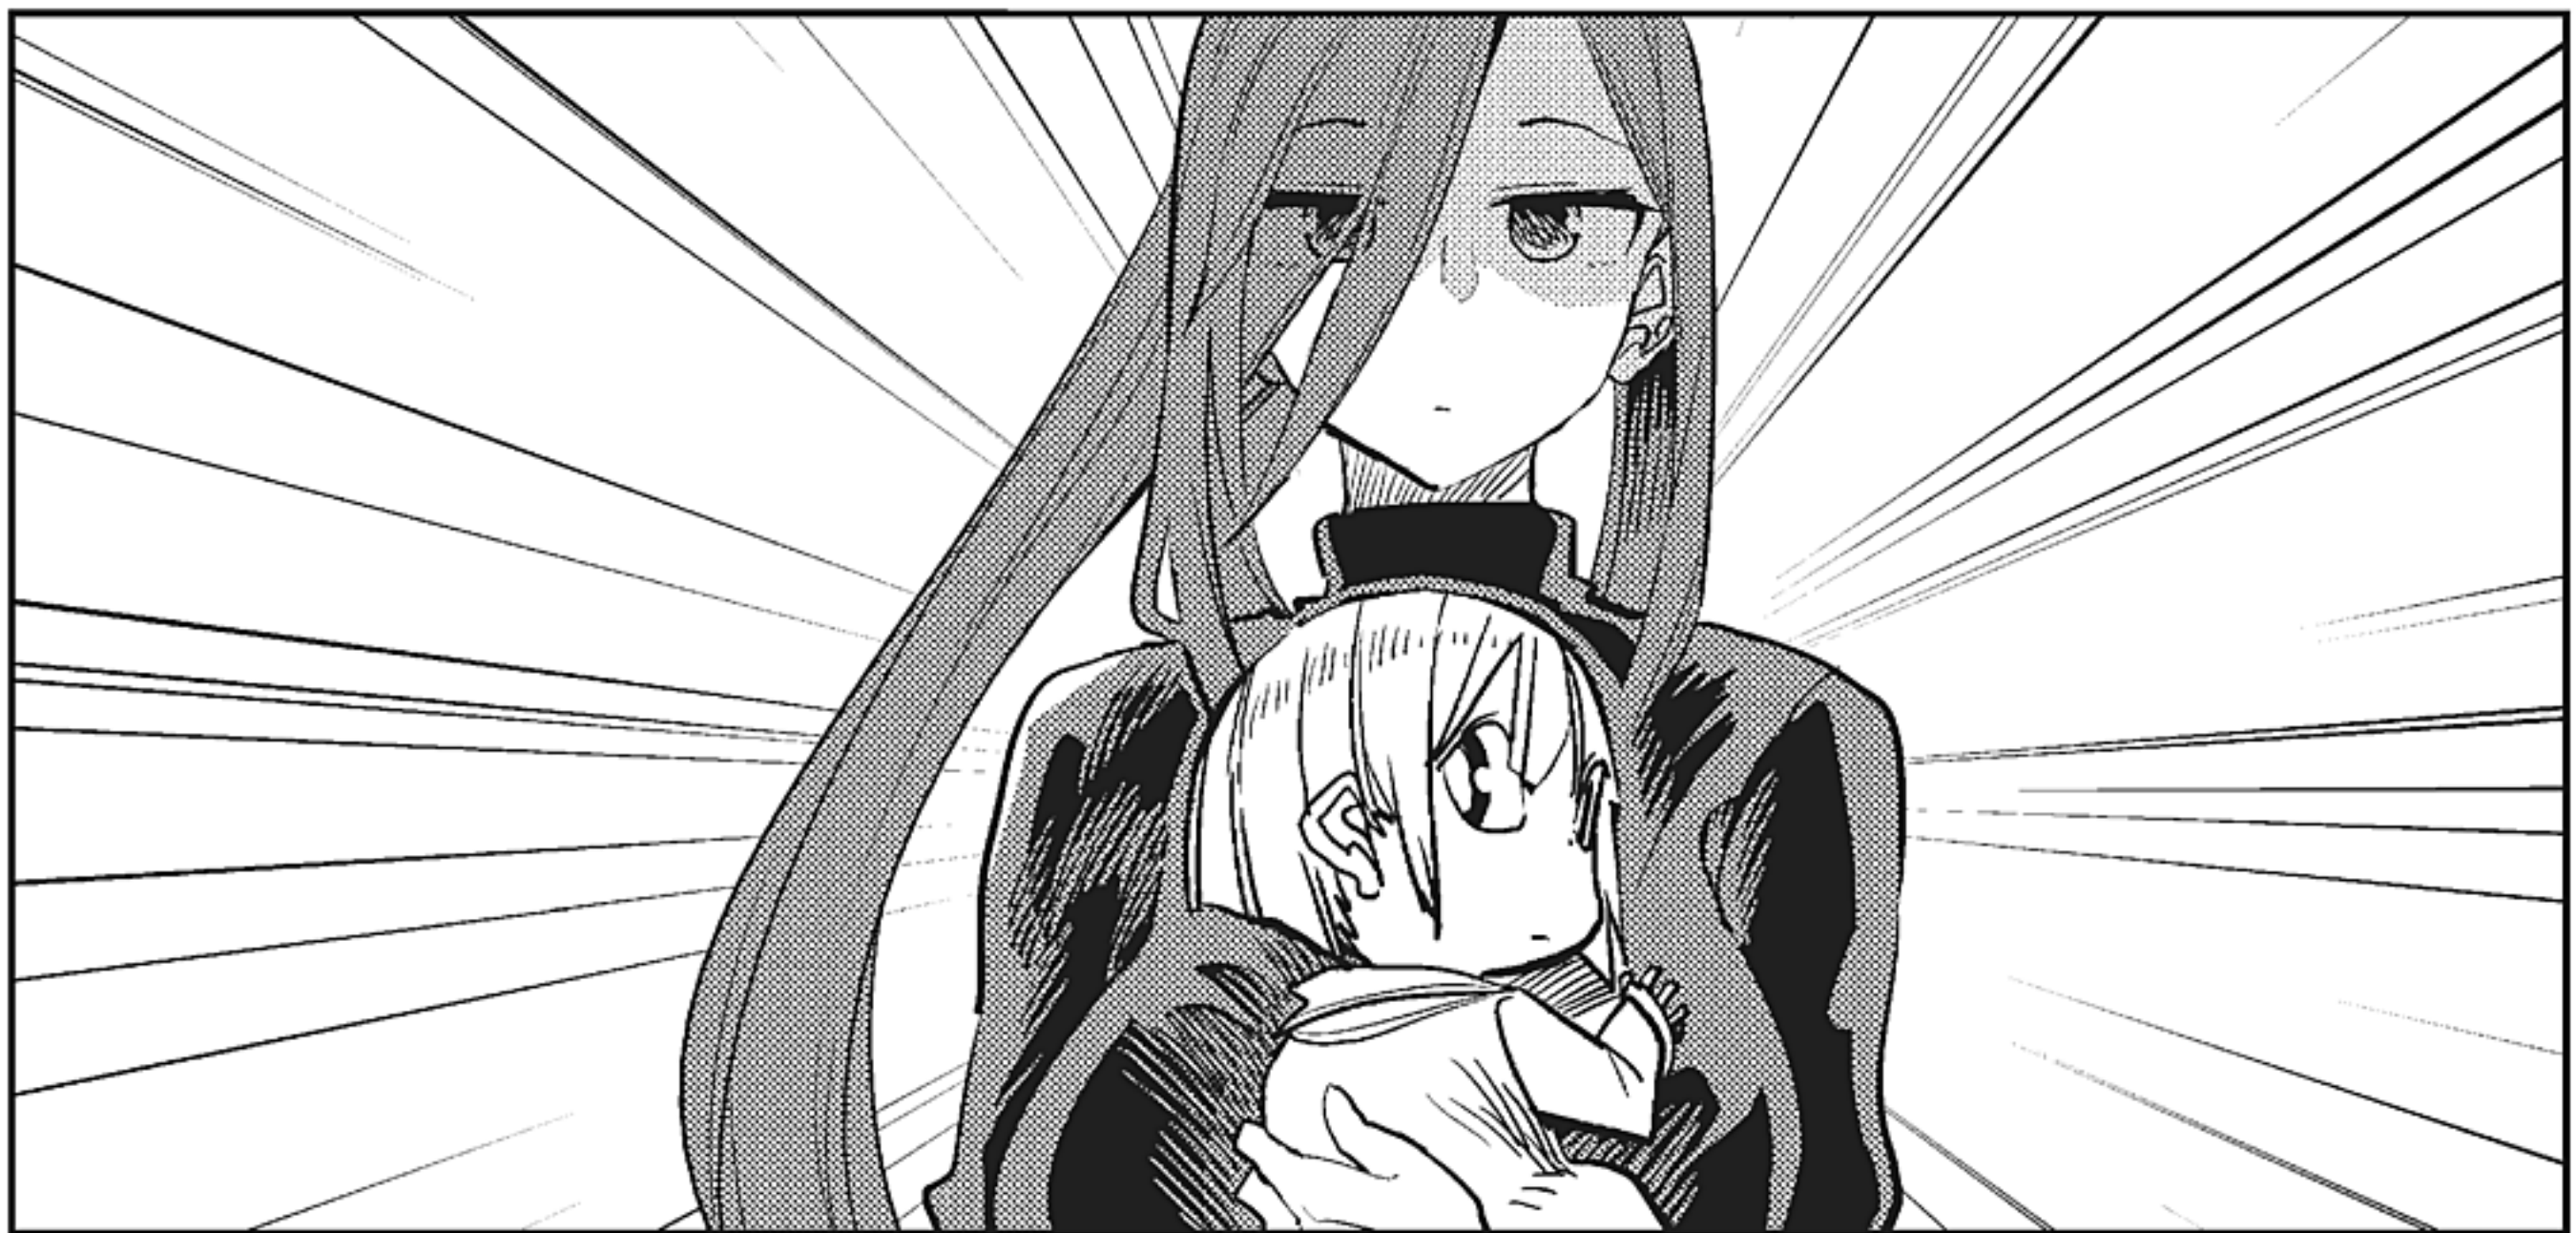

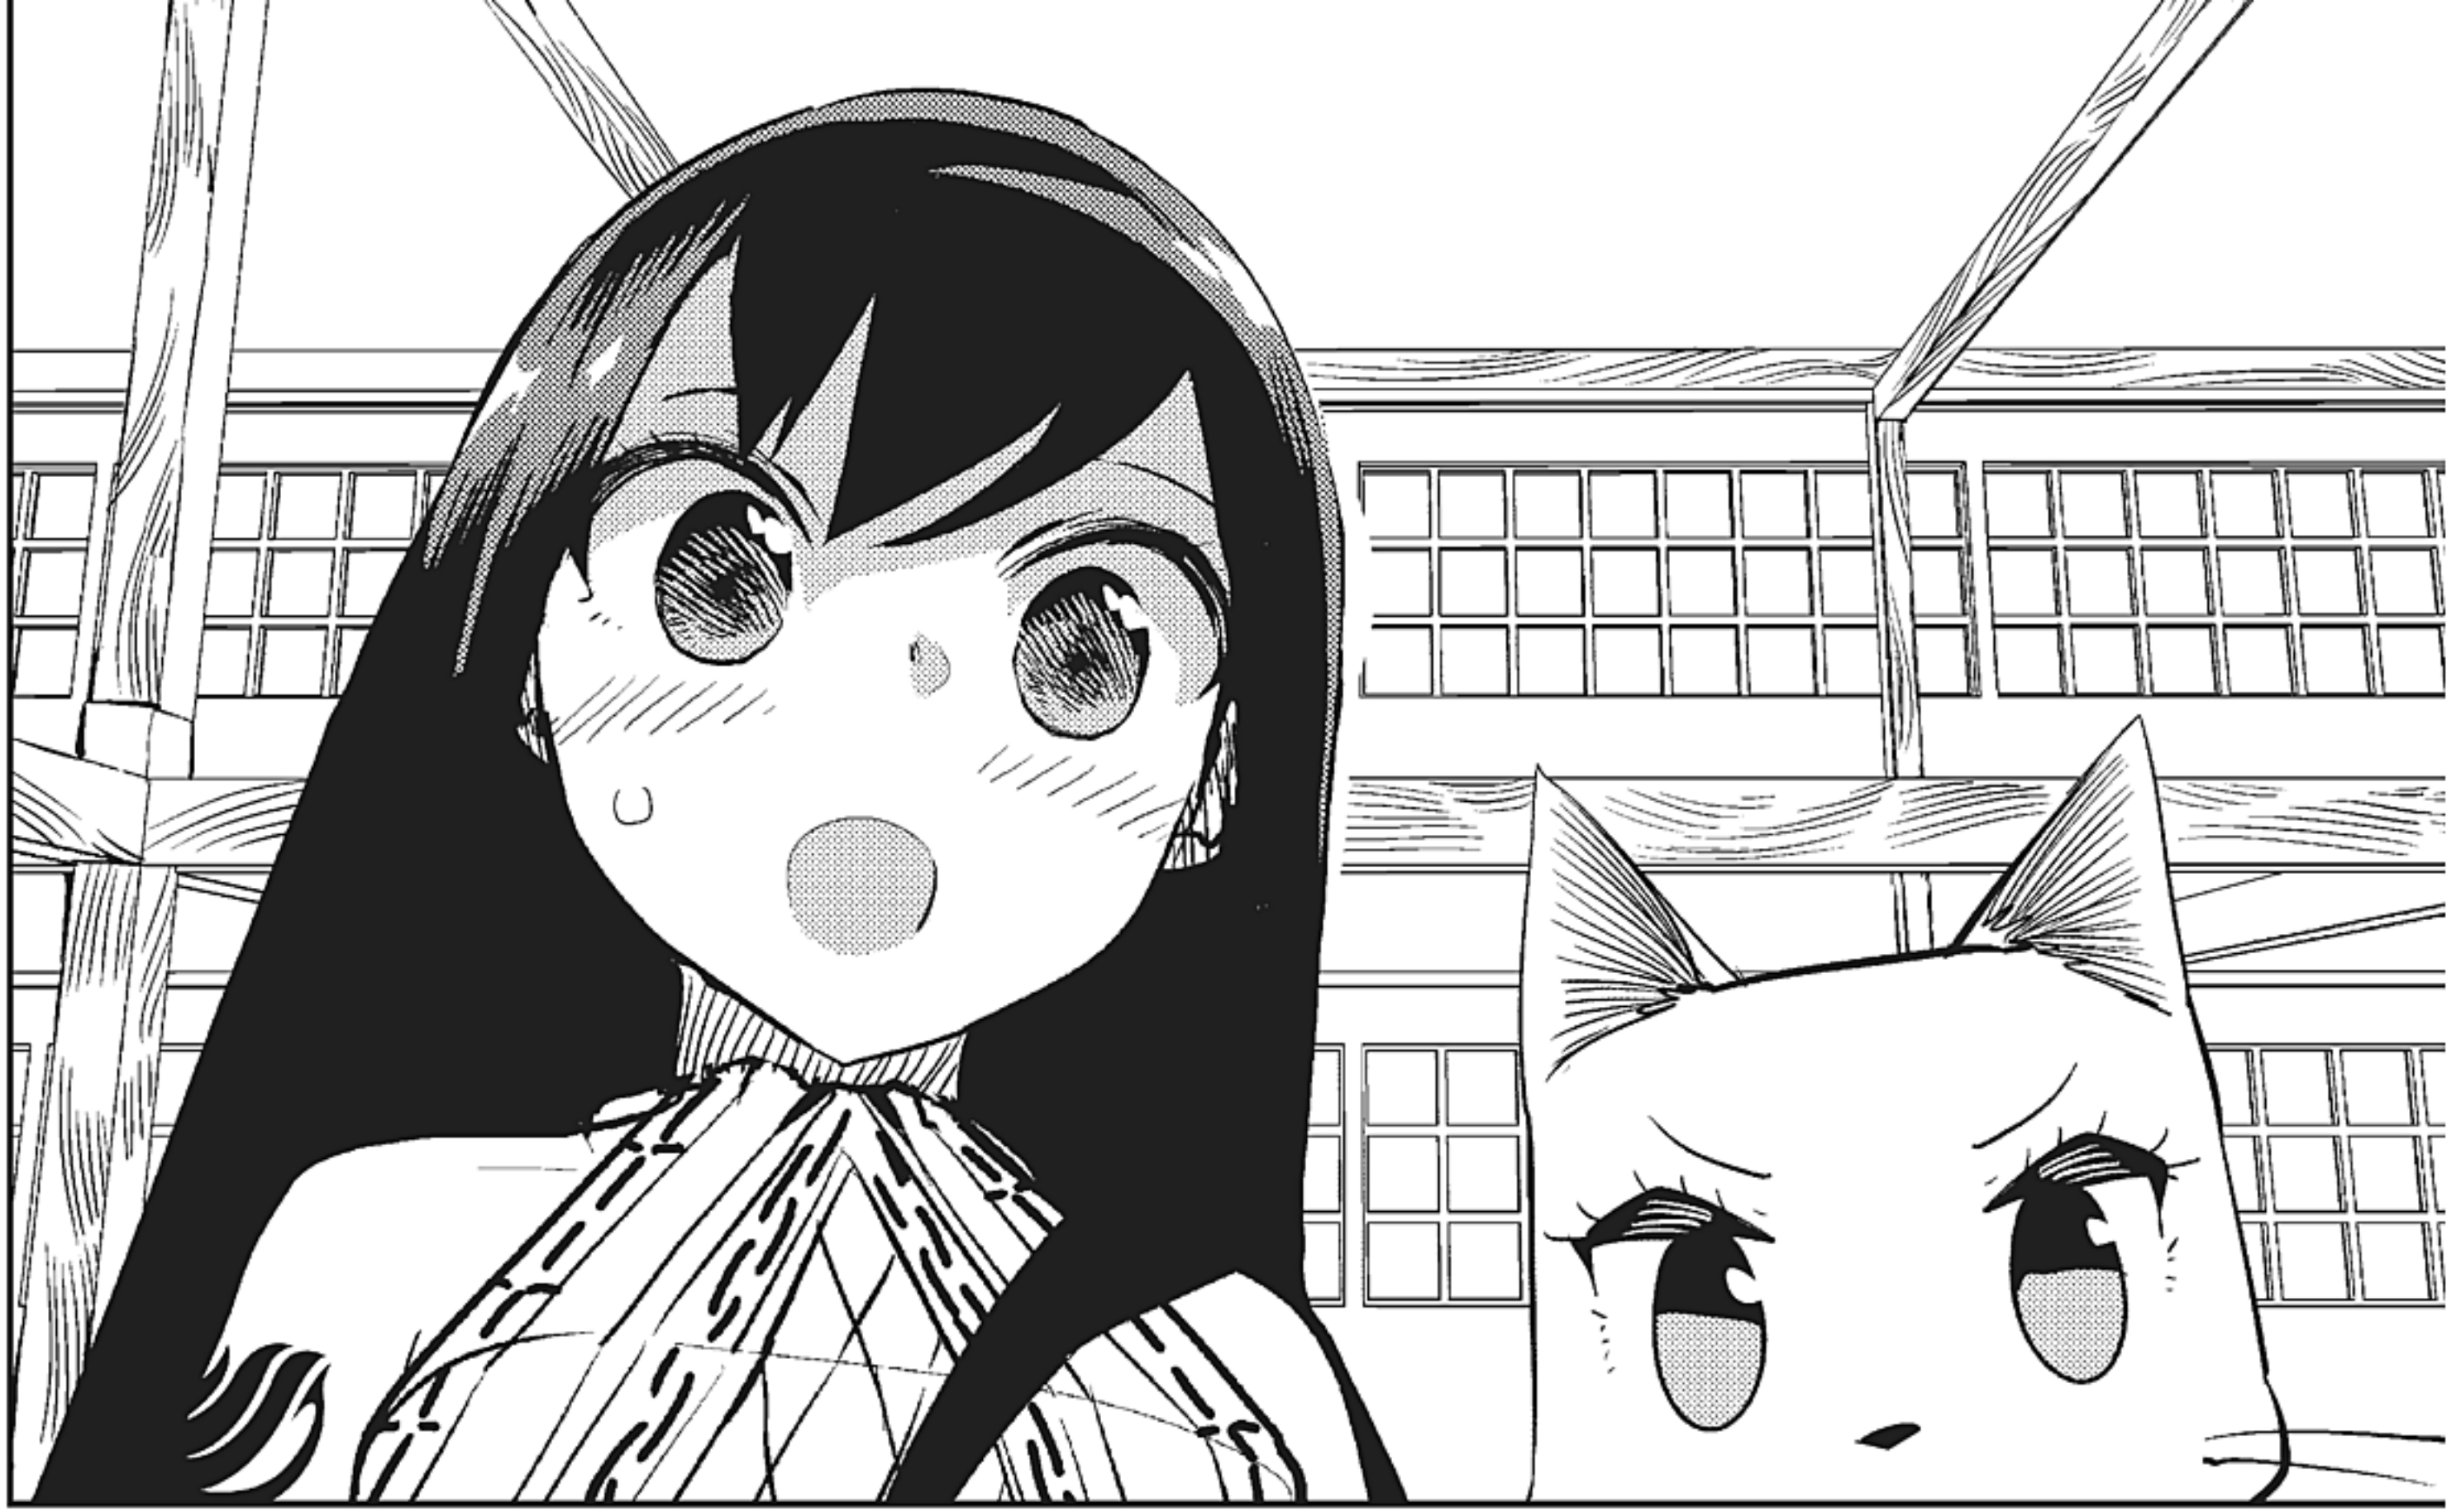

Chapter 15:
Save the Stray Angel!!

Tell her, Erza!!

You can't take this kind of responsibility!!

How *dare* you ruin Juvia's chance to show Gray-sama how good a wife Juvia would be?!

Listen, you...

Juvia, what are you saying...

I see you have things under control here.

She's totally into it!!

Hup! Look how big you are!

WHEEE!

WHEEE!

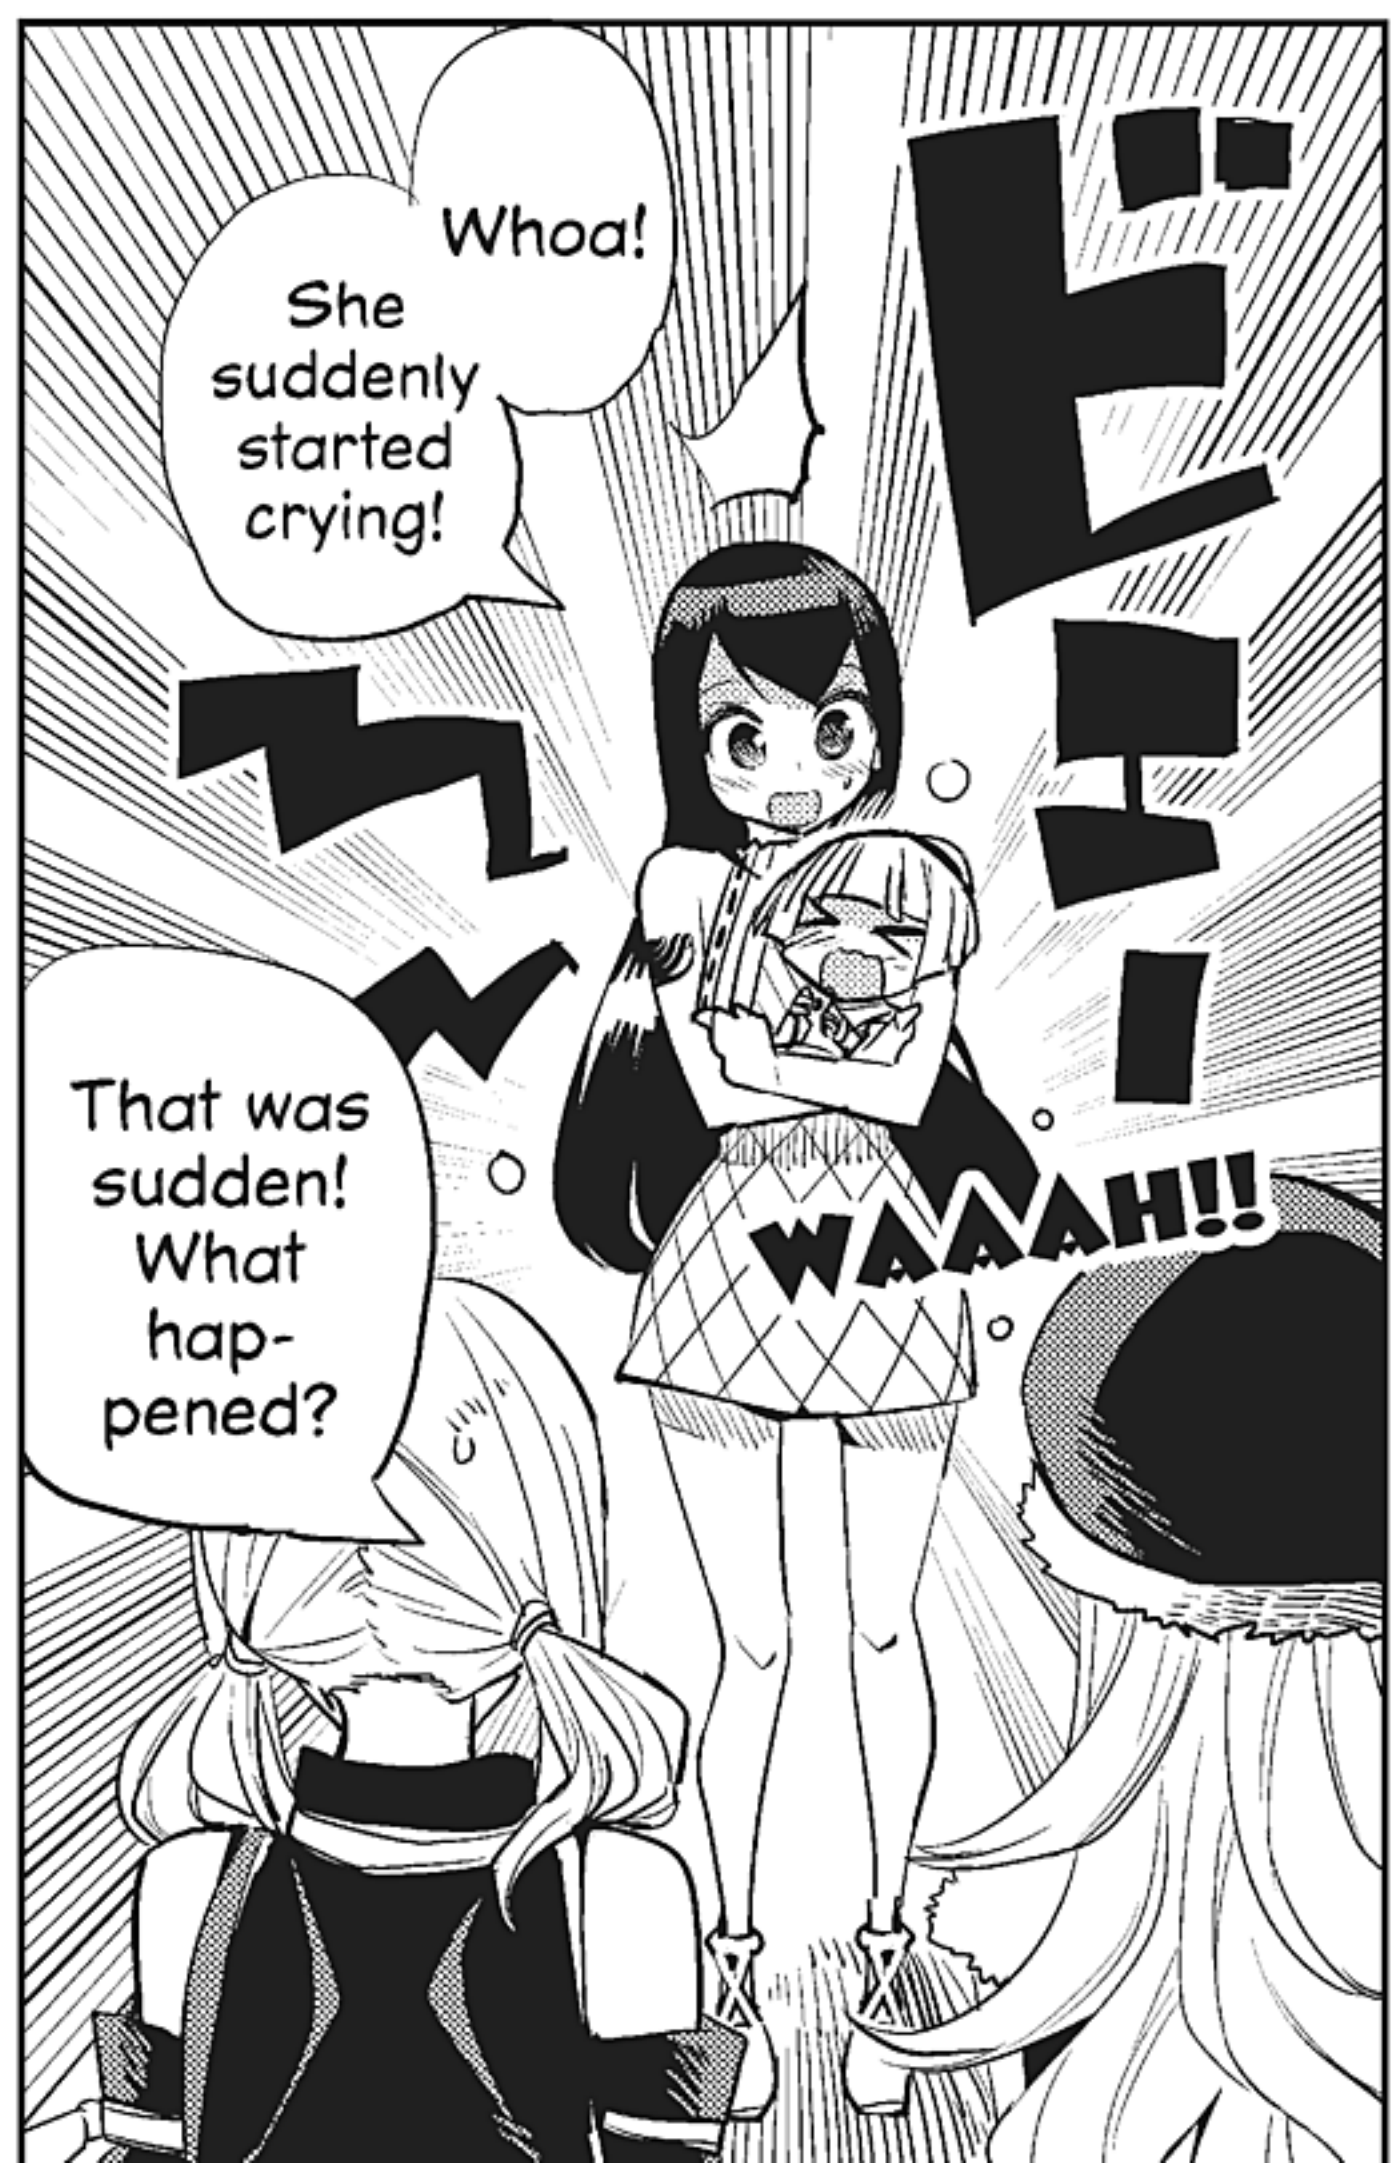

Take care out there!

So handle things while I'm gone!

Ahh!! Wait-

TAK

TAK

What?!
Again?!

L-Let
me try
one more
time.

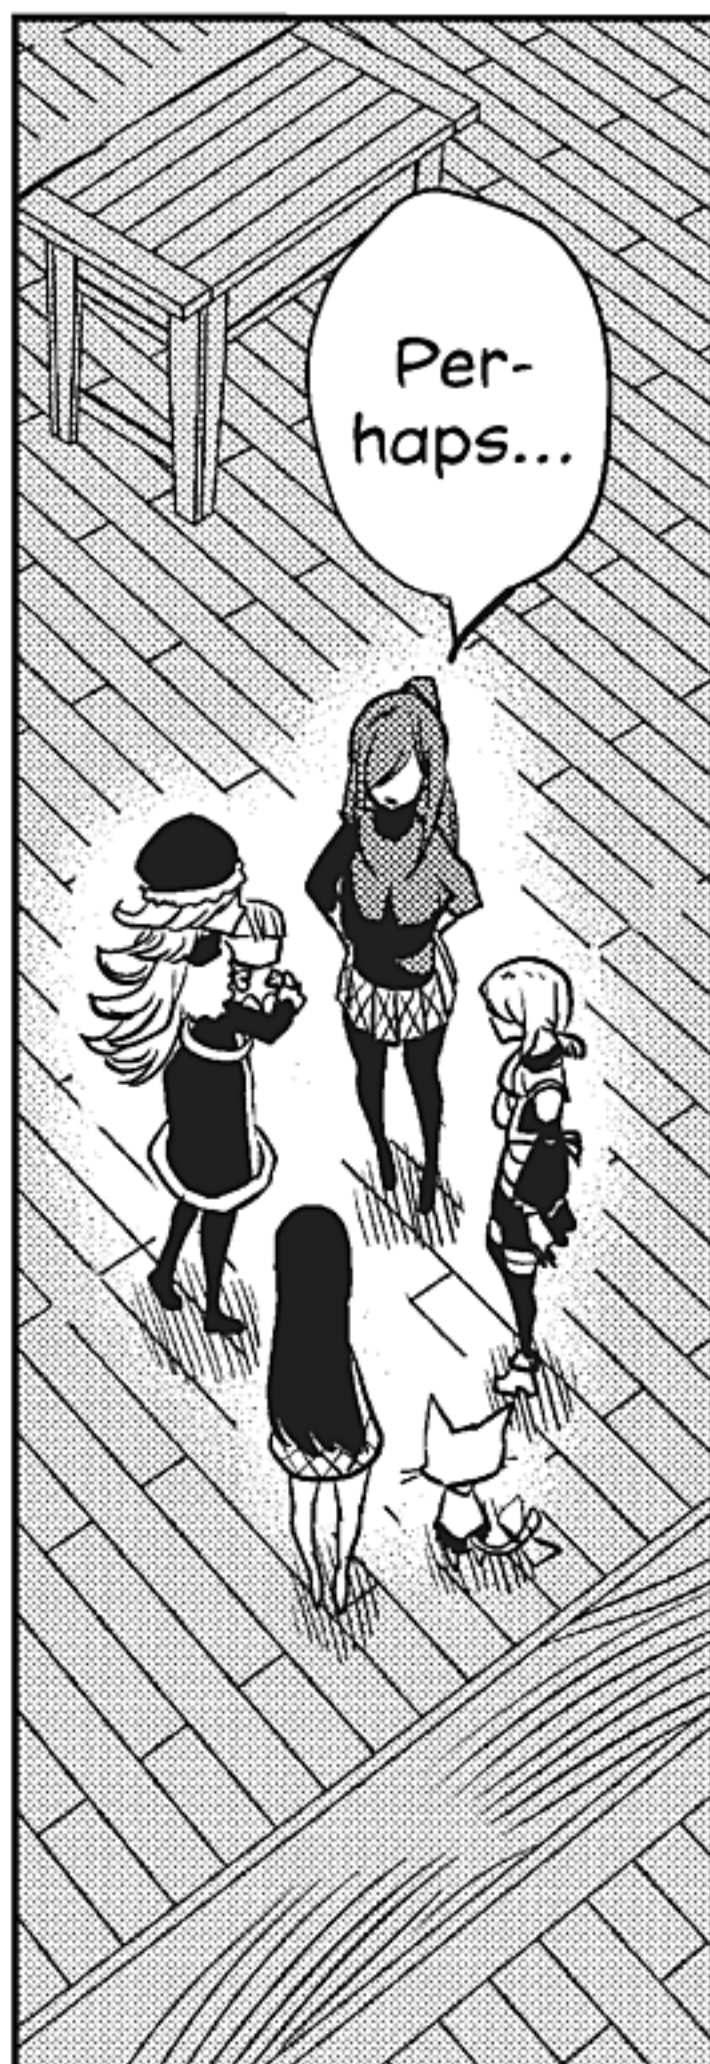

Maybe
it's the way
I'm holding
her?

She
stopped
crying.

Huh?

SST

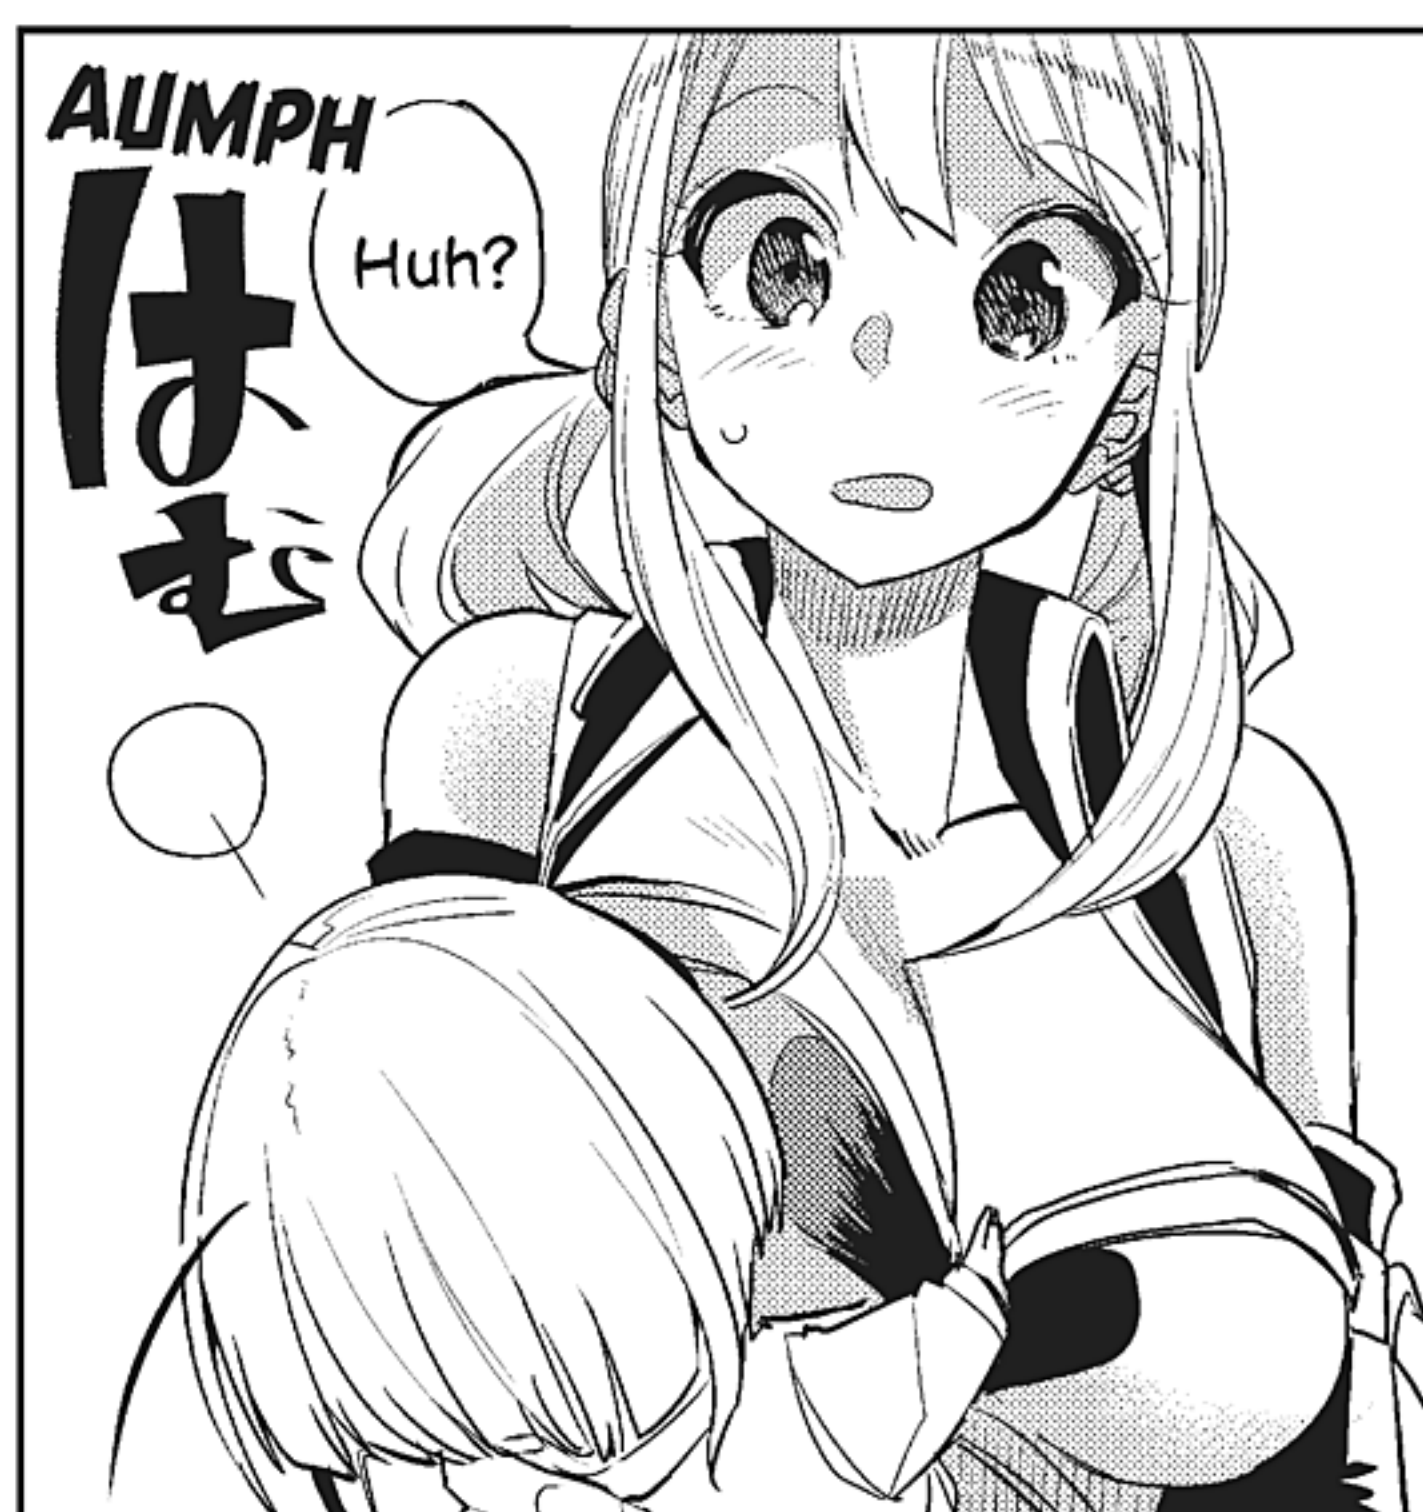

Per-
haps...

Hm? She
stopped
crying
again!!

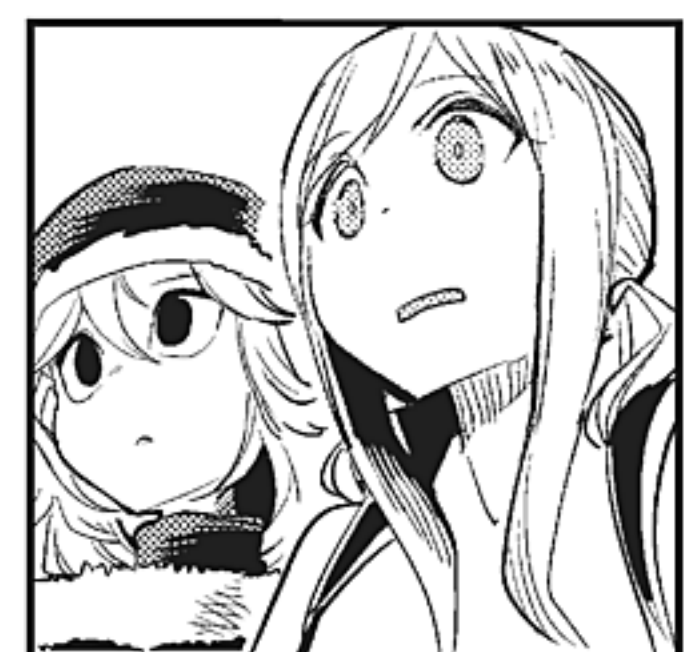

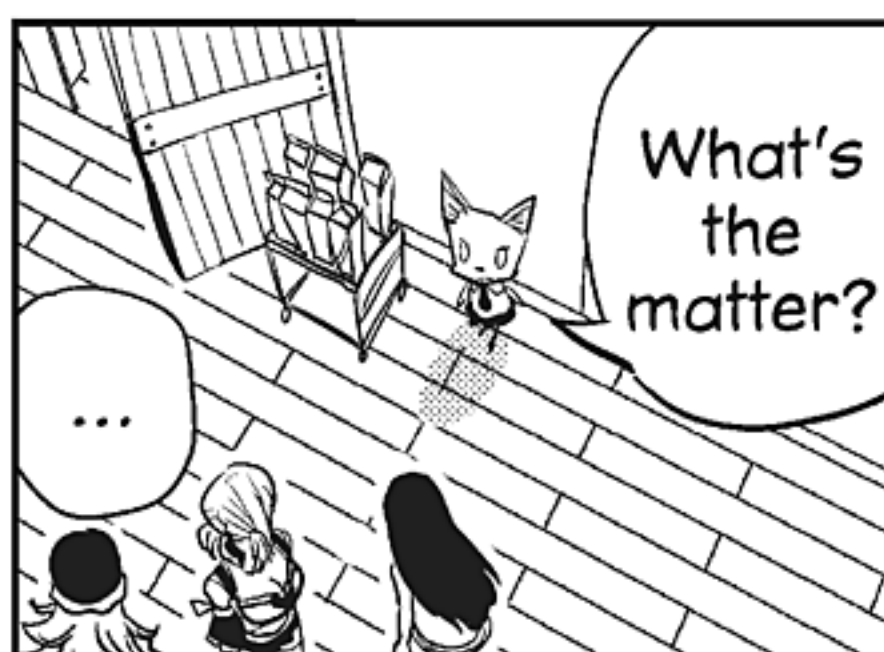

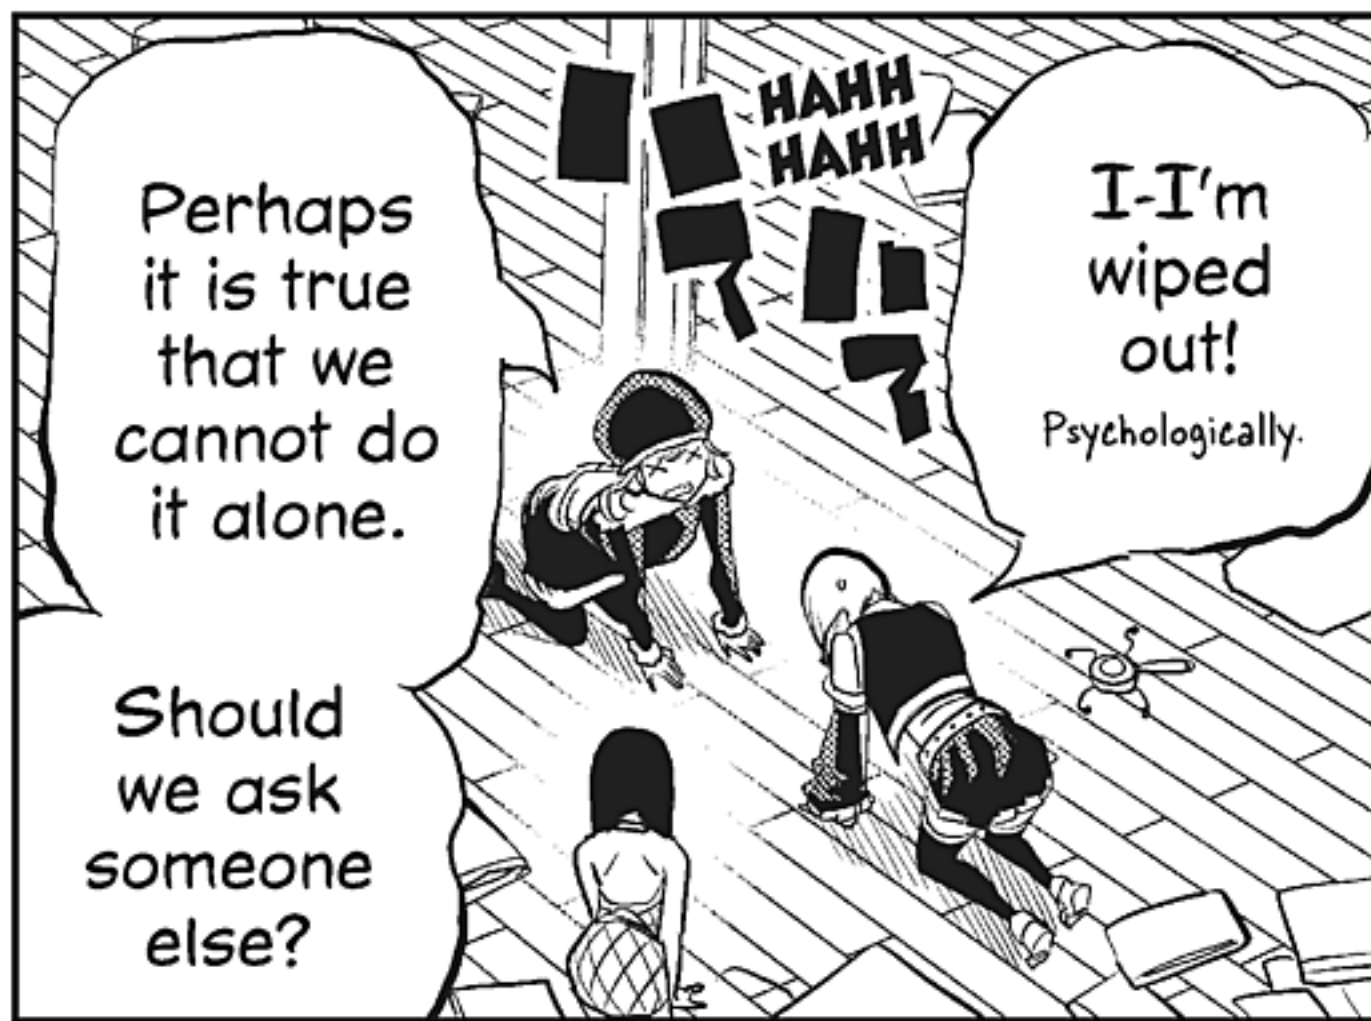

This
time, let
Juvia
try...

WUP

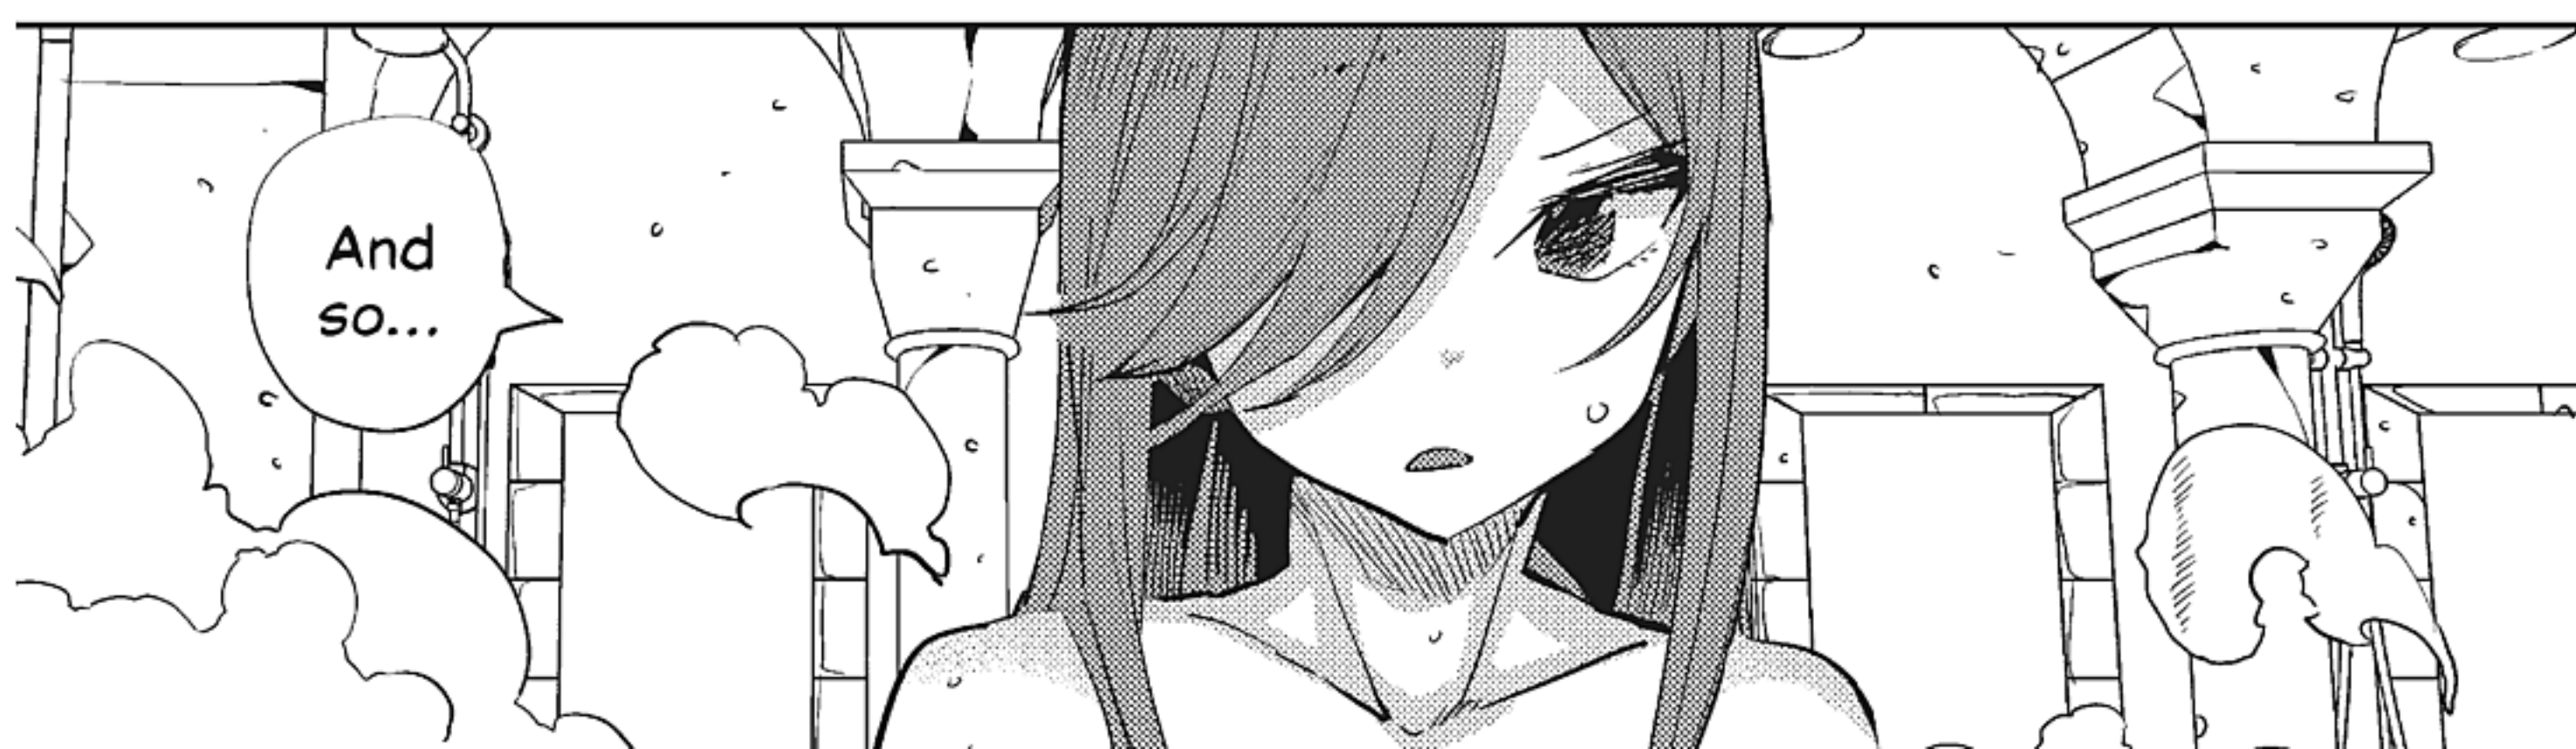

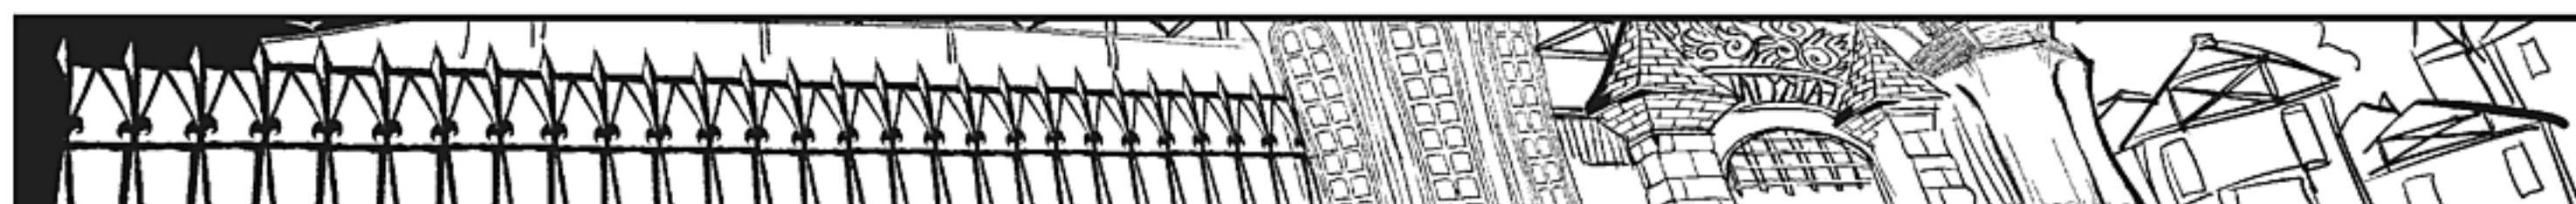

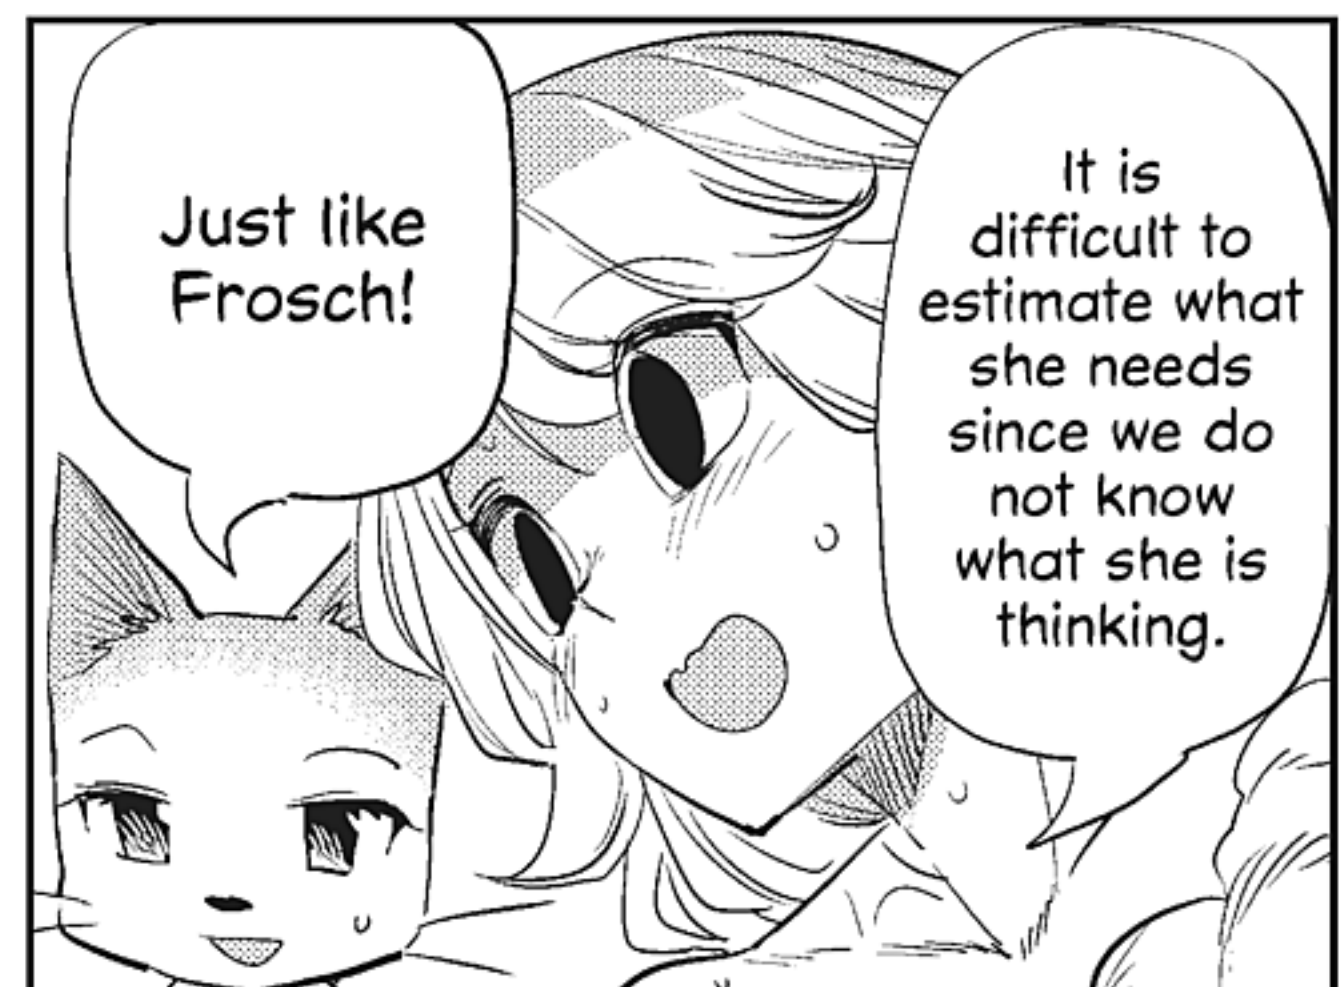

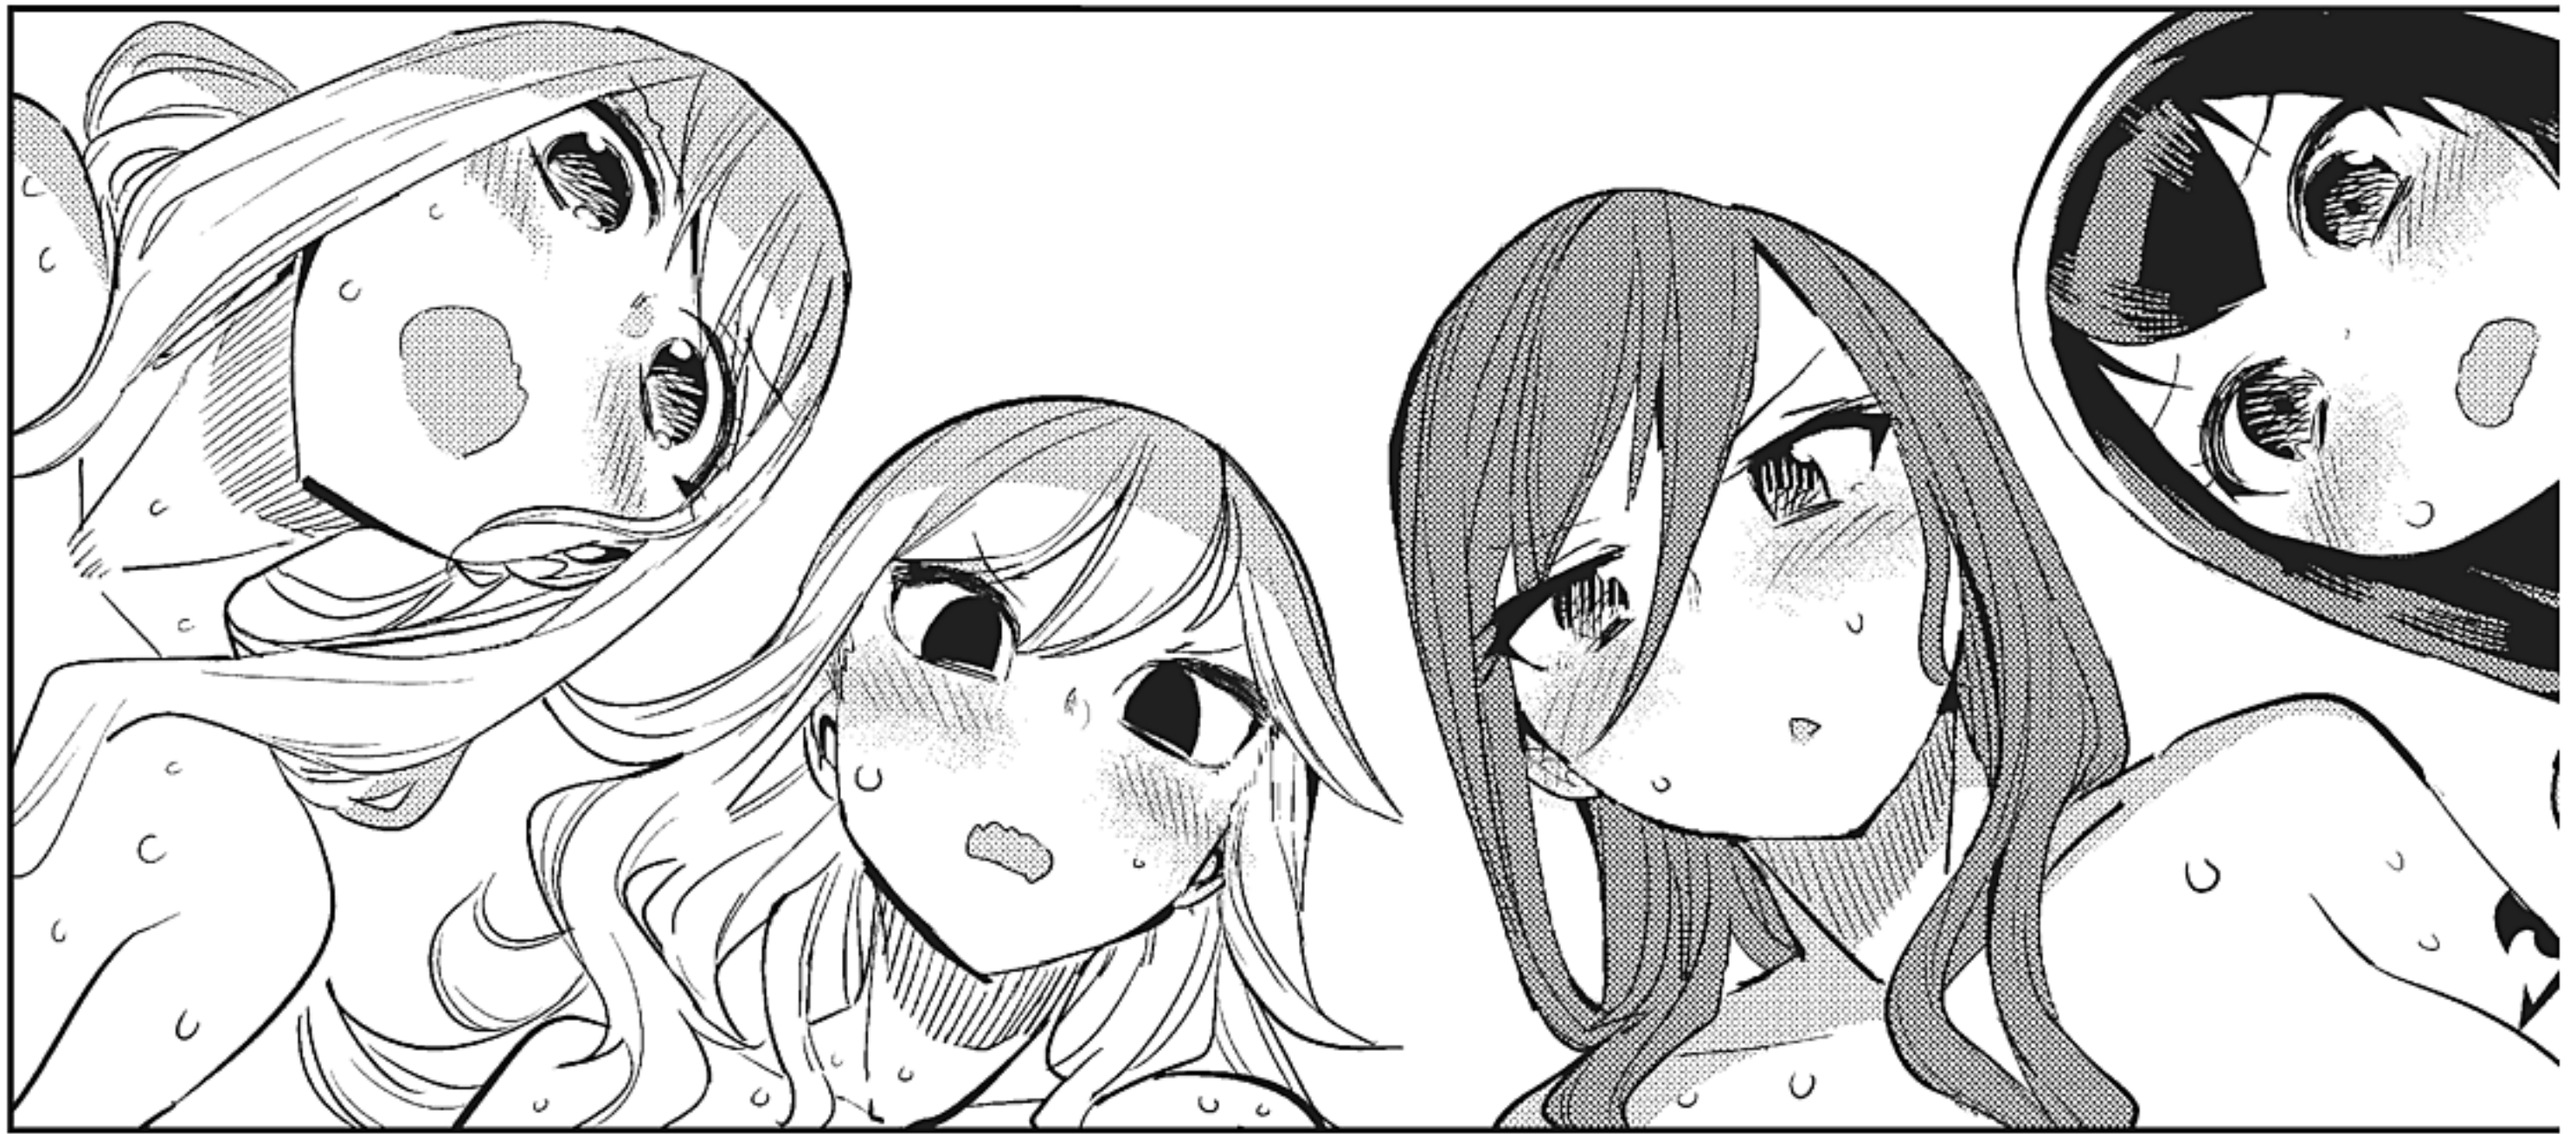

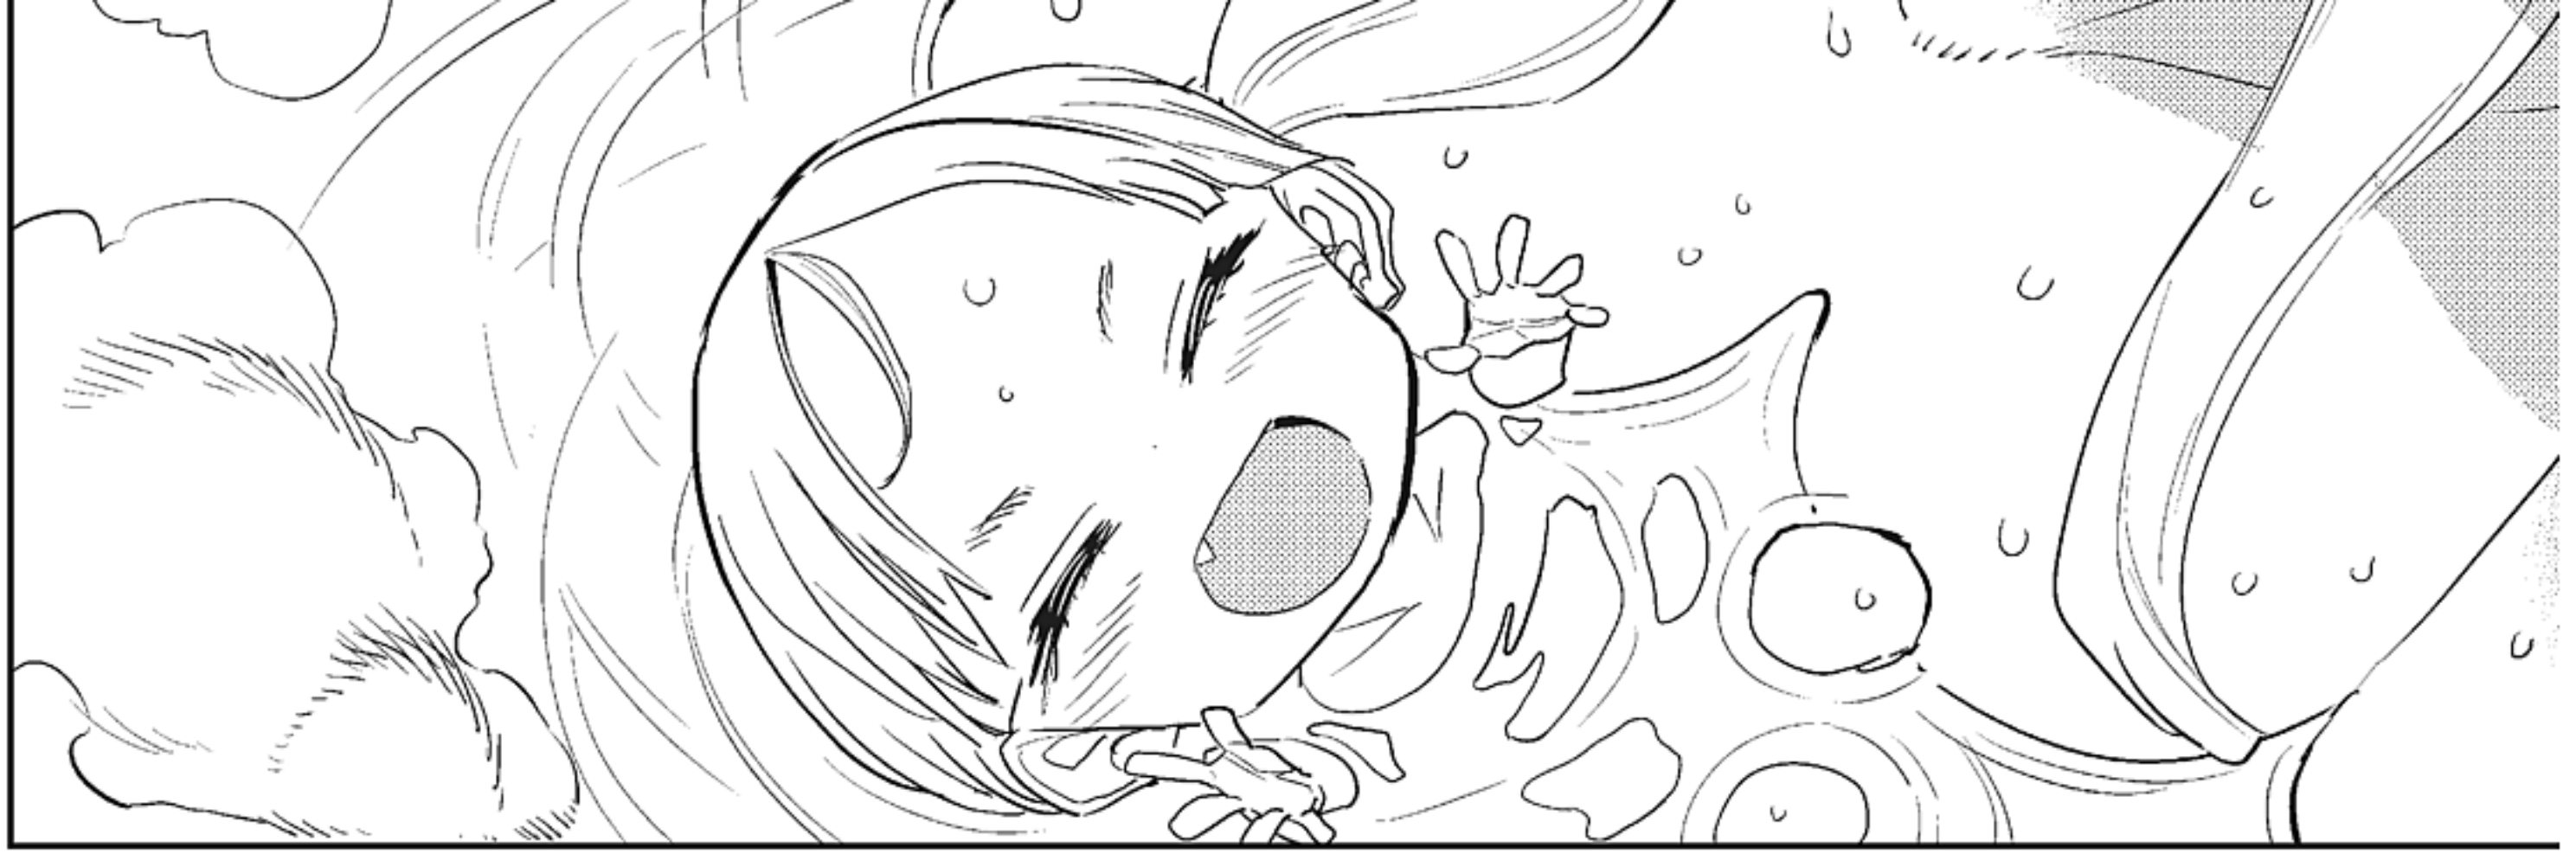

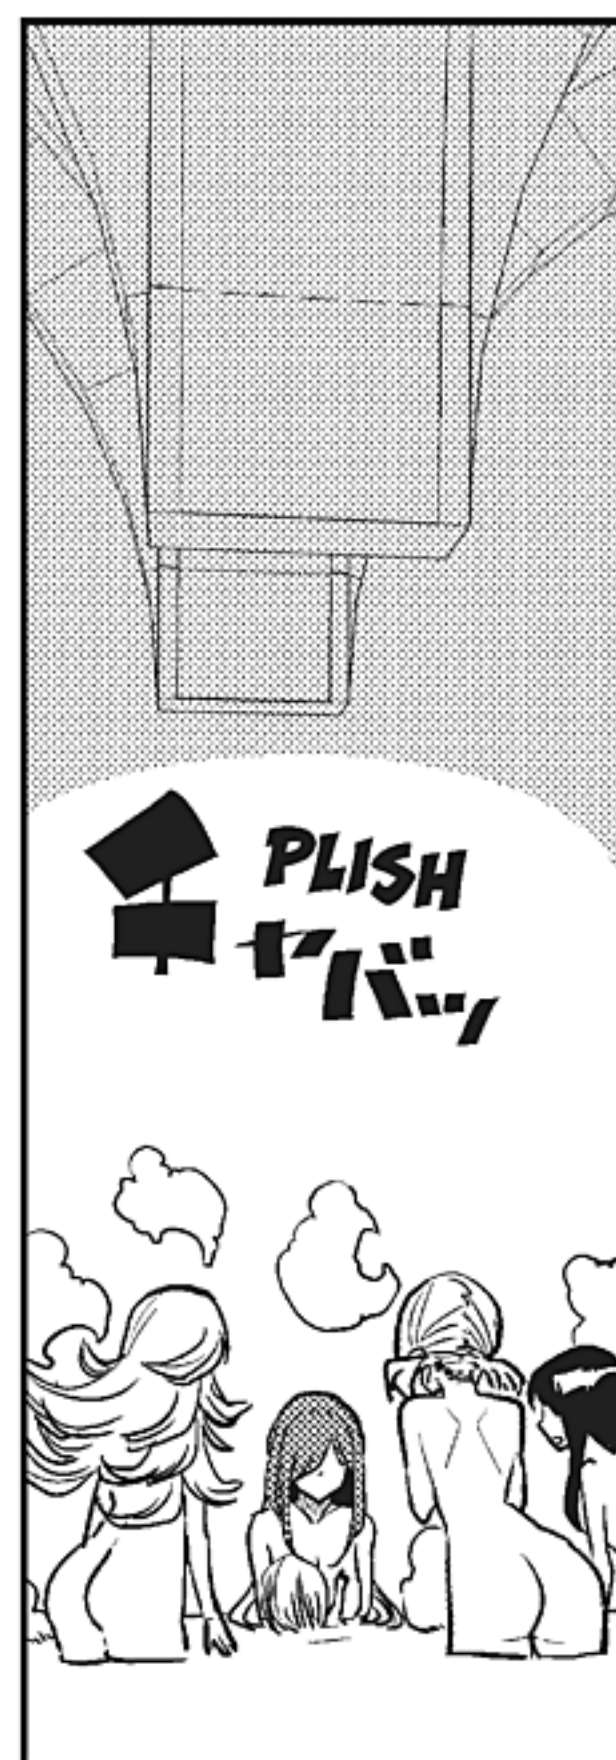

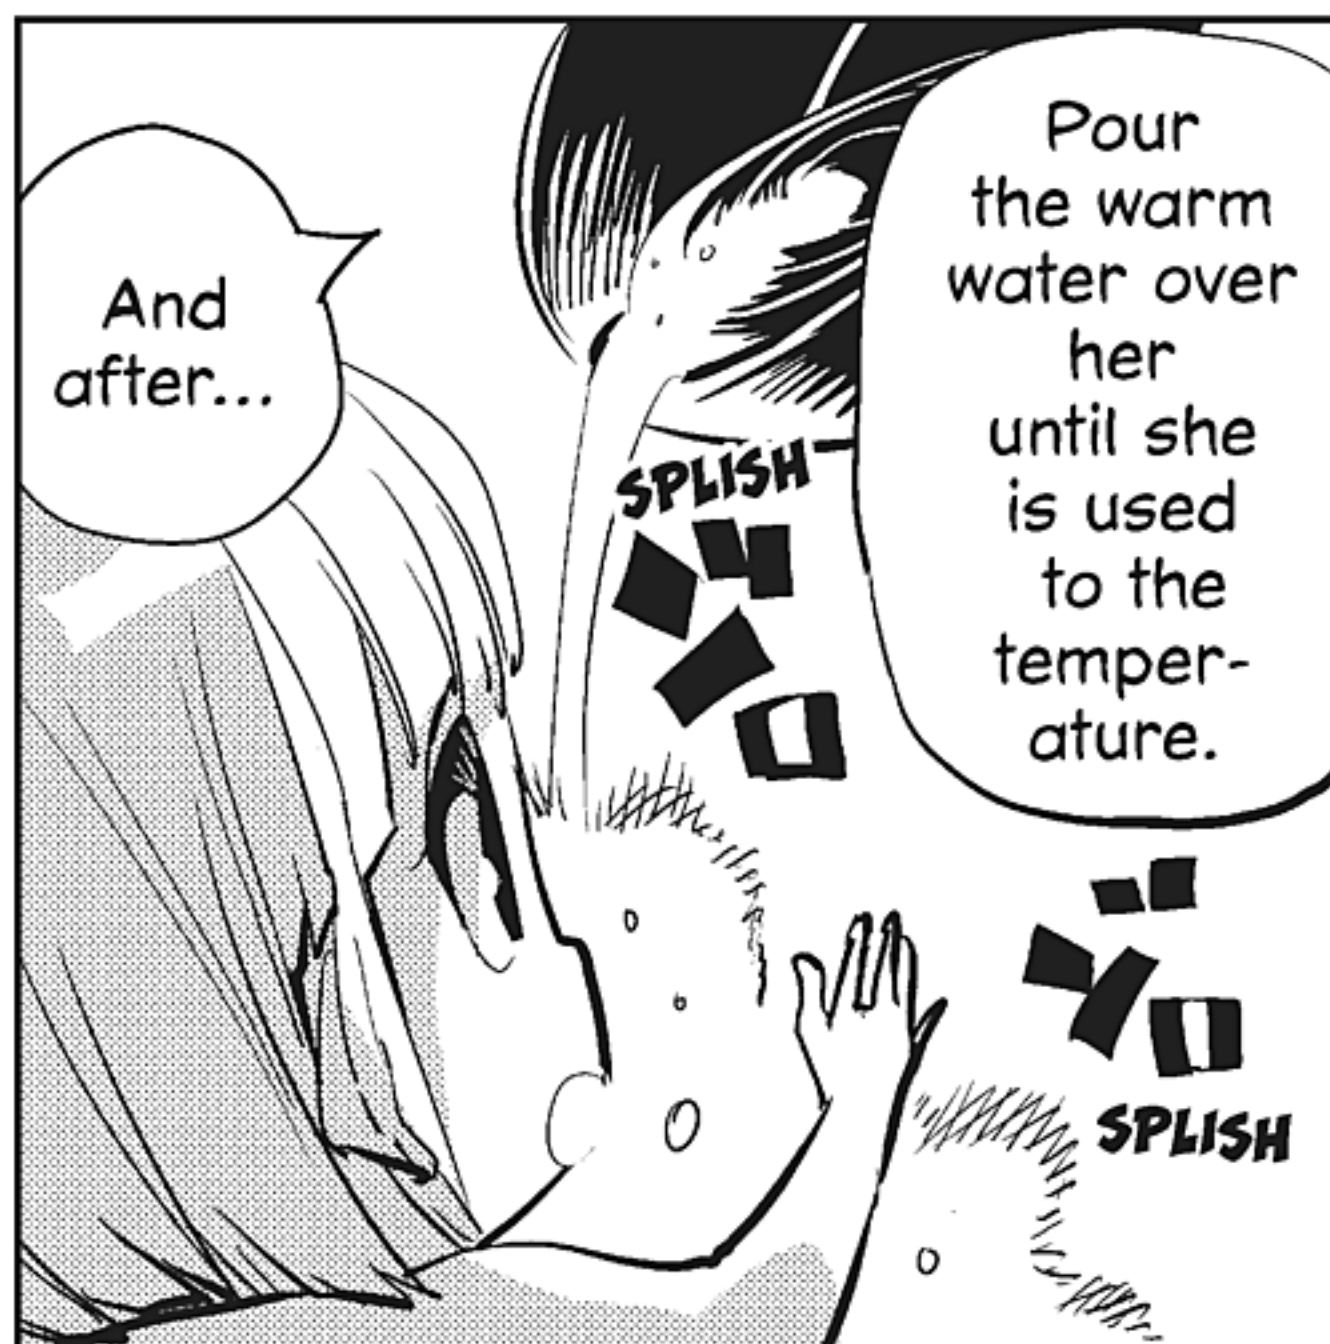

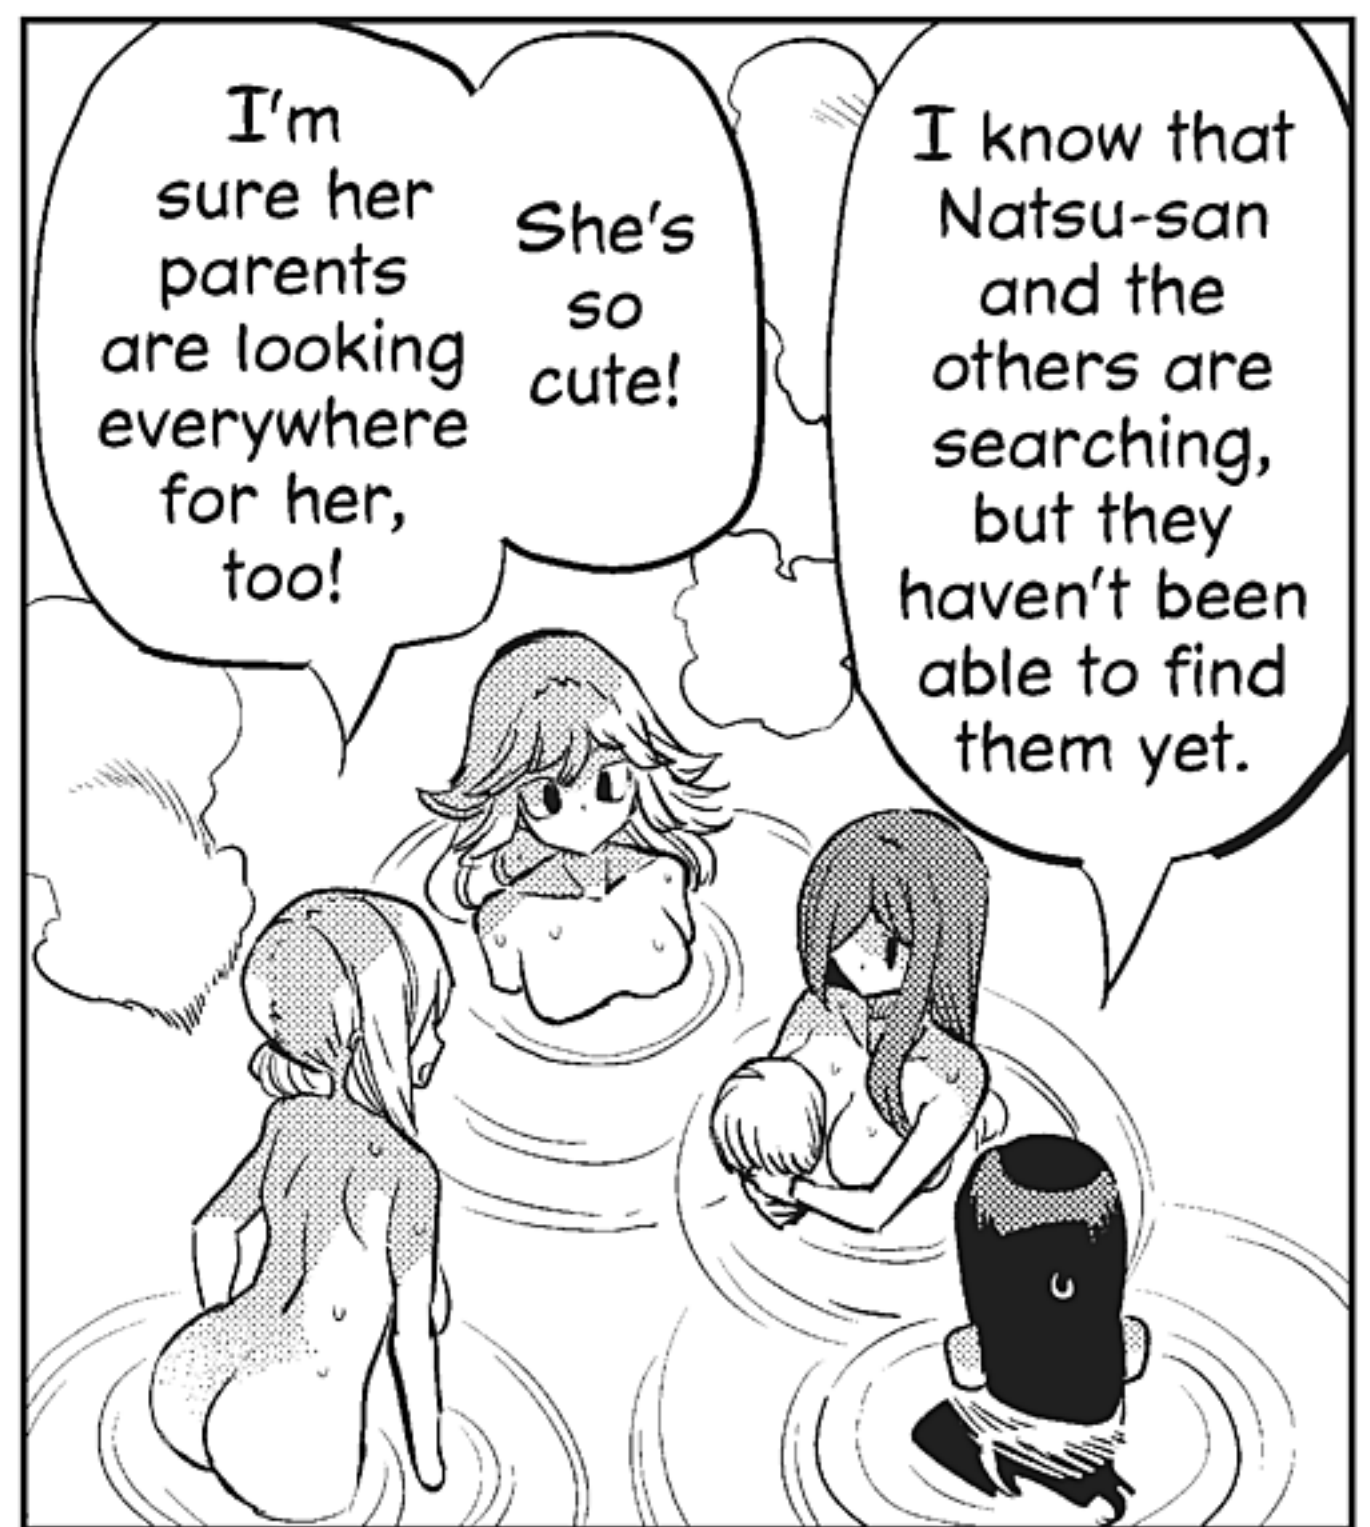

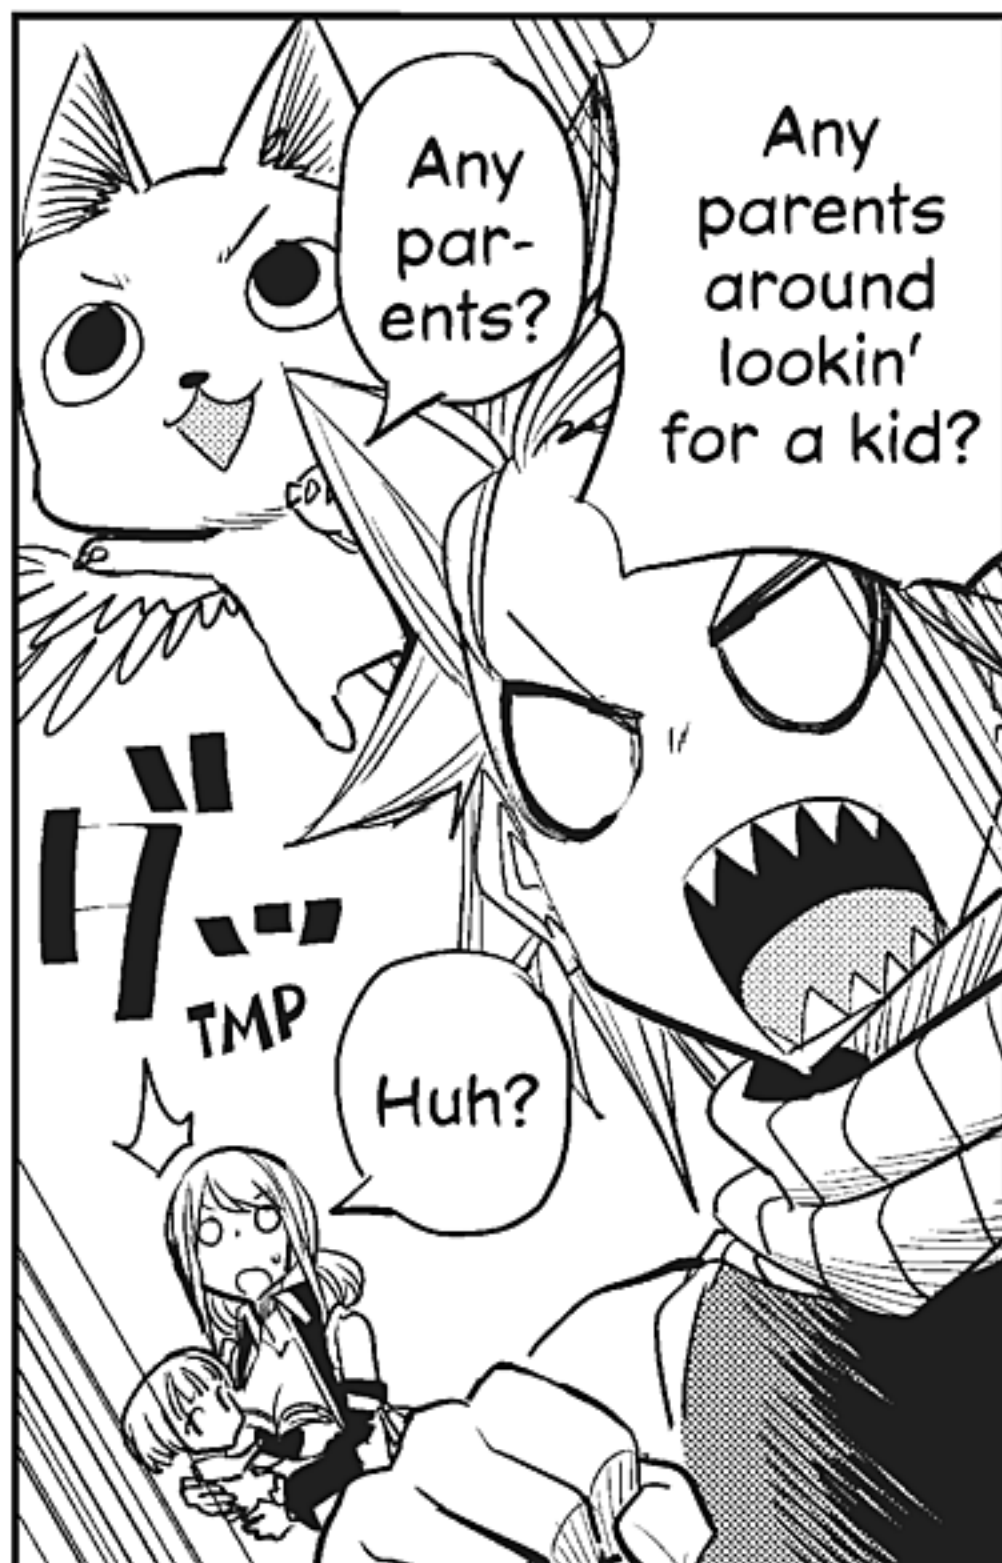

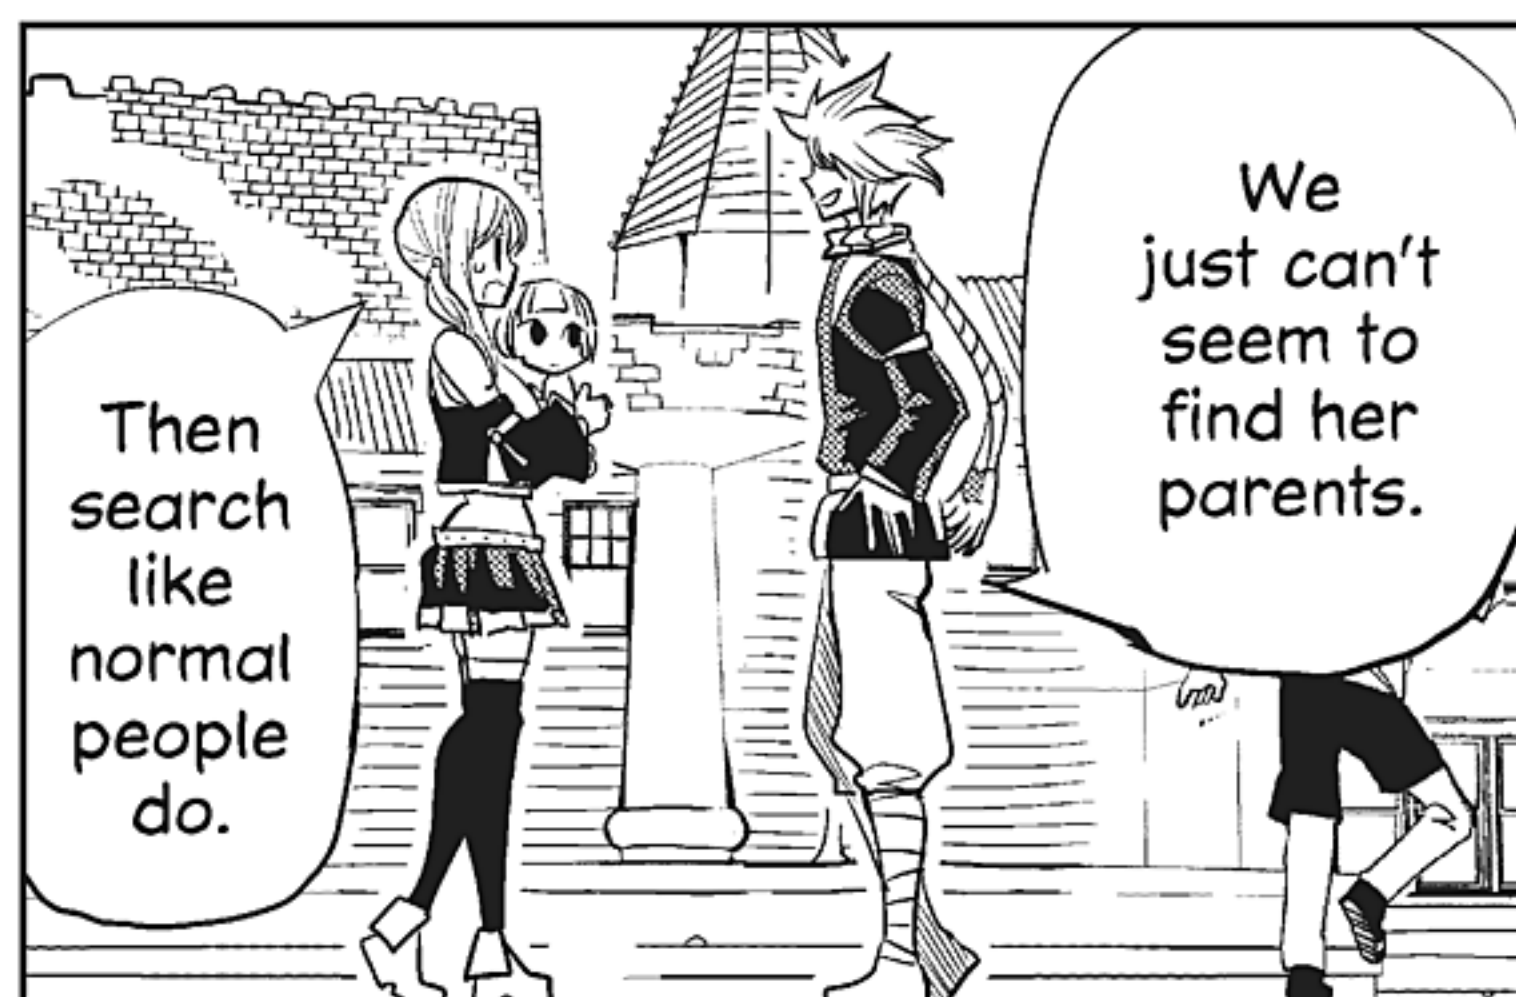

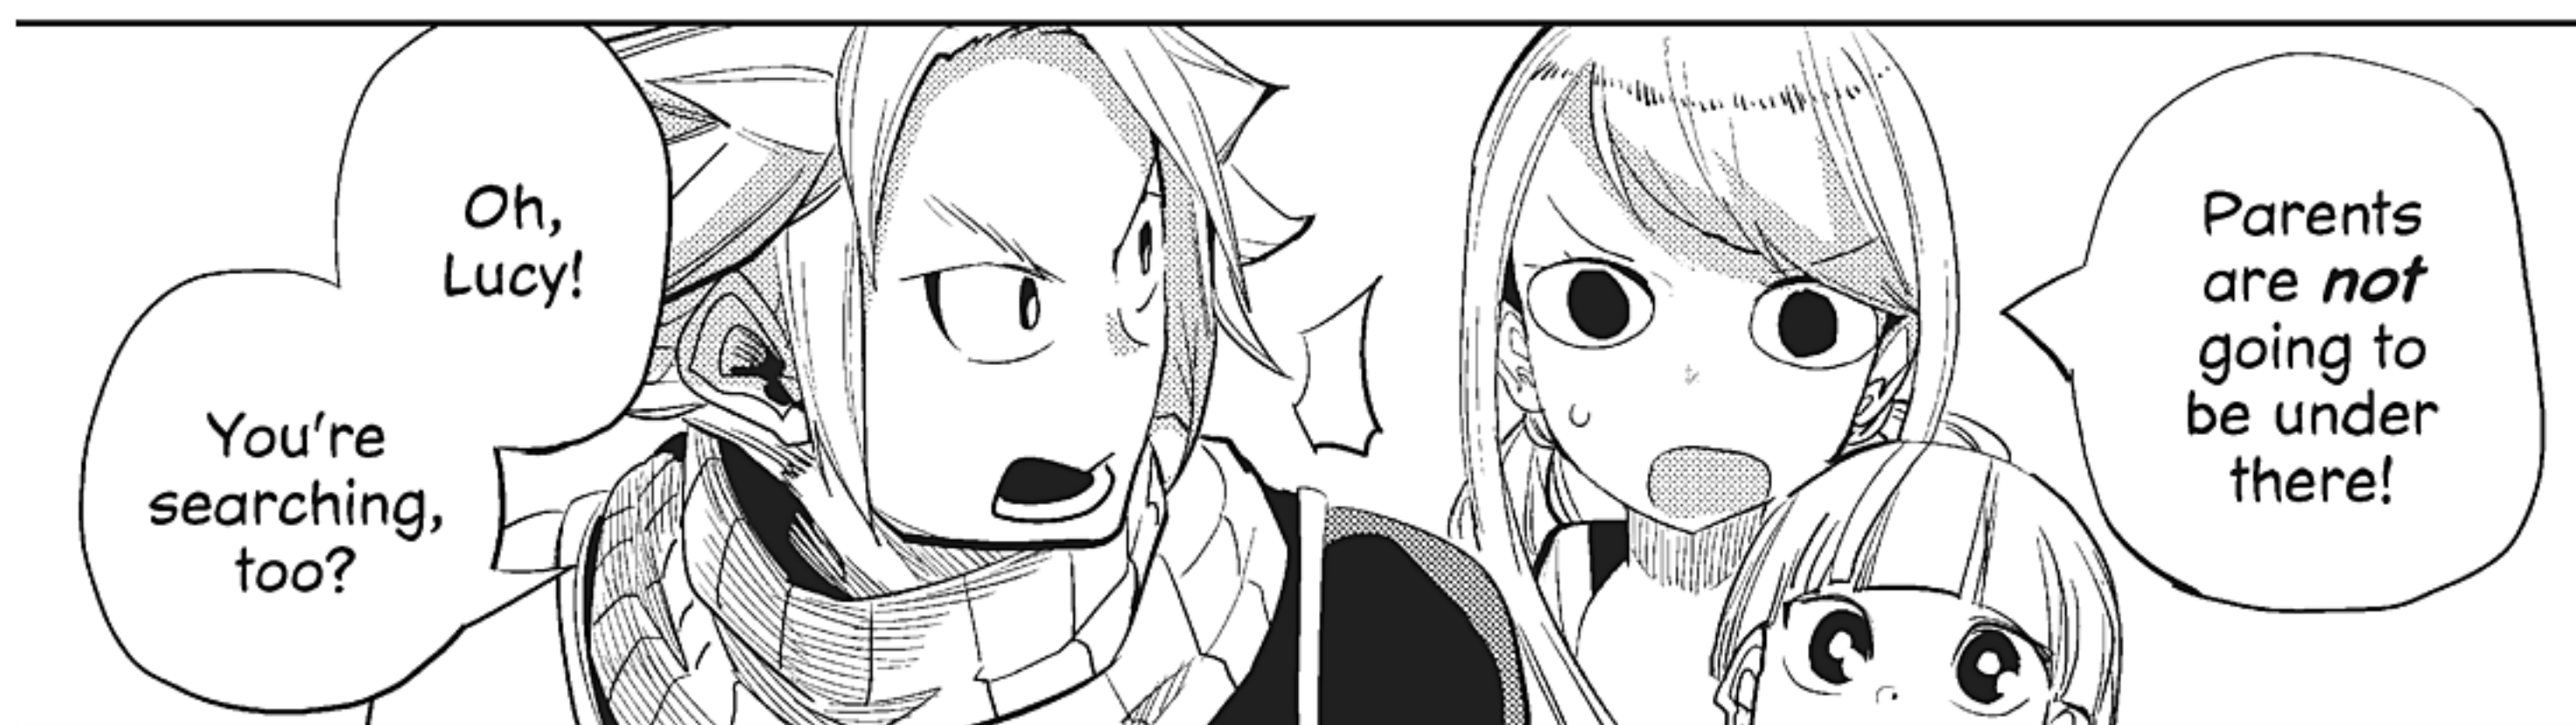

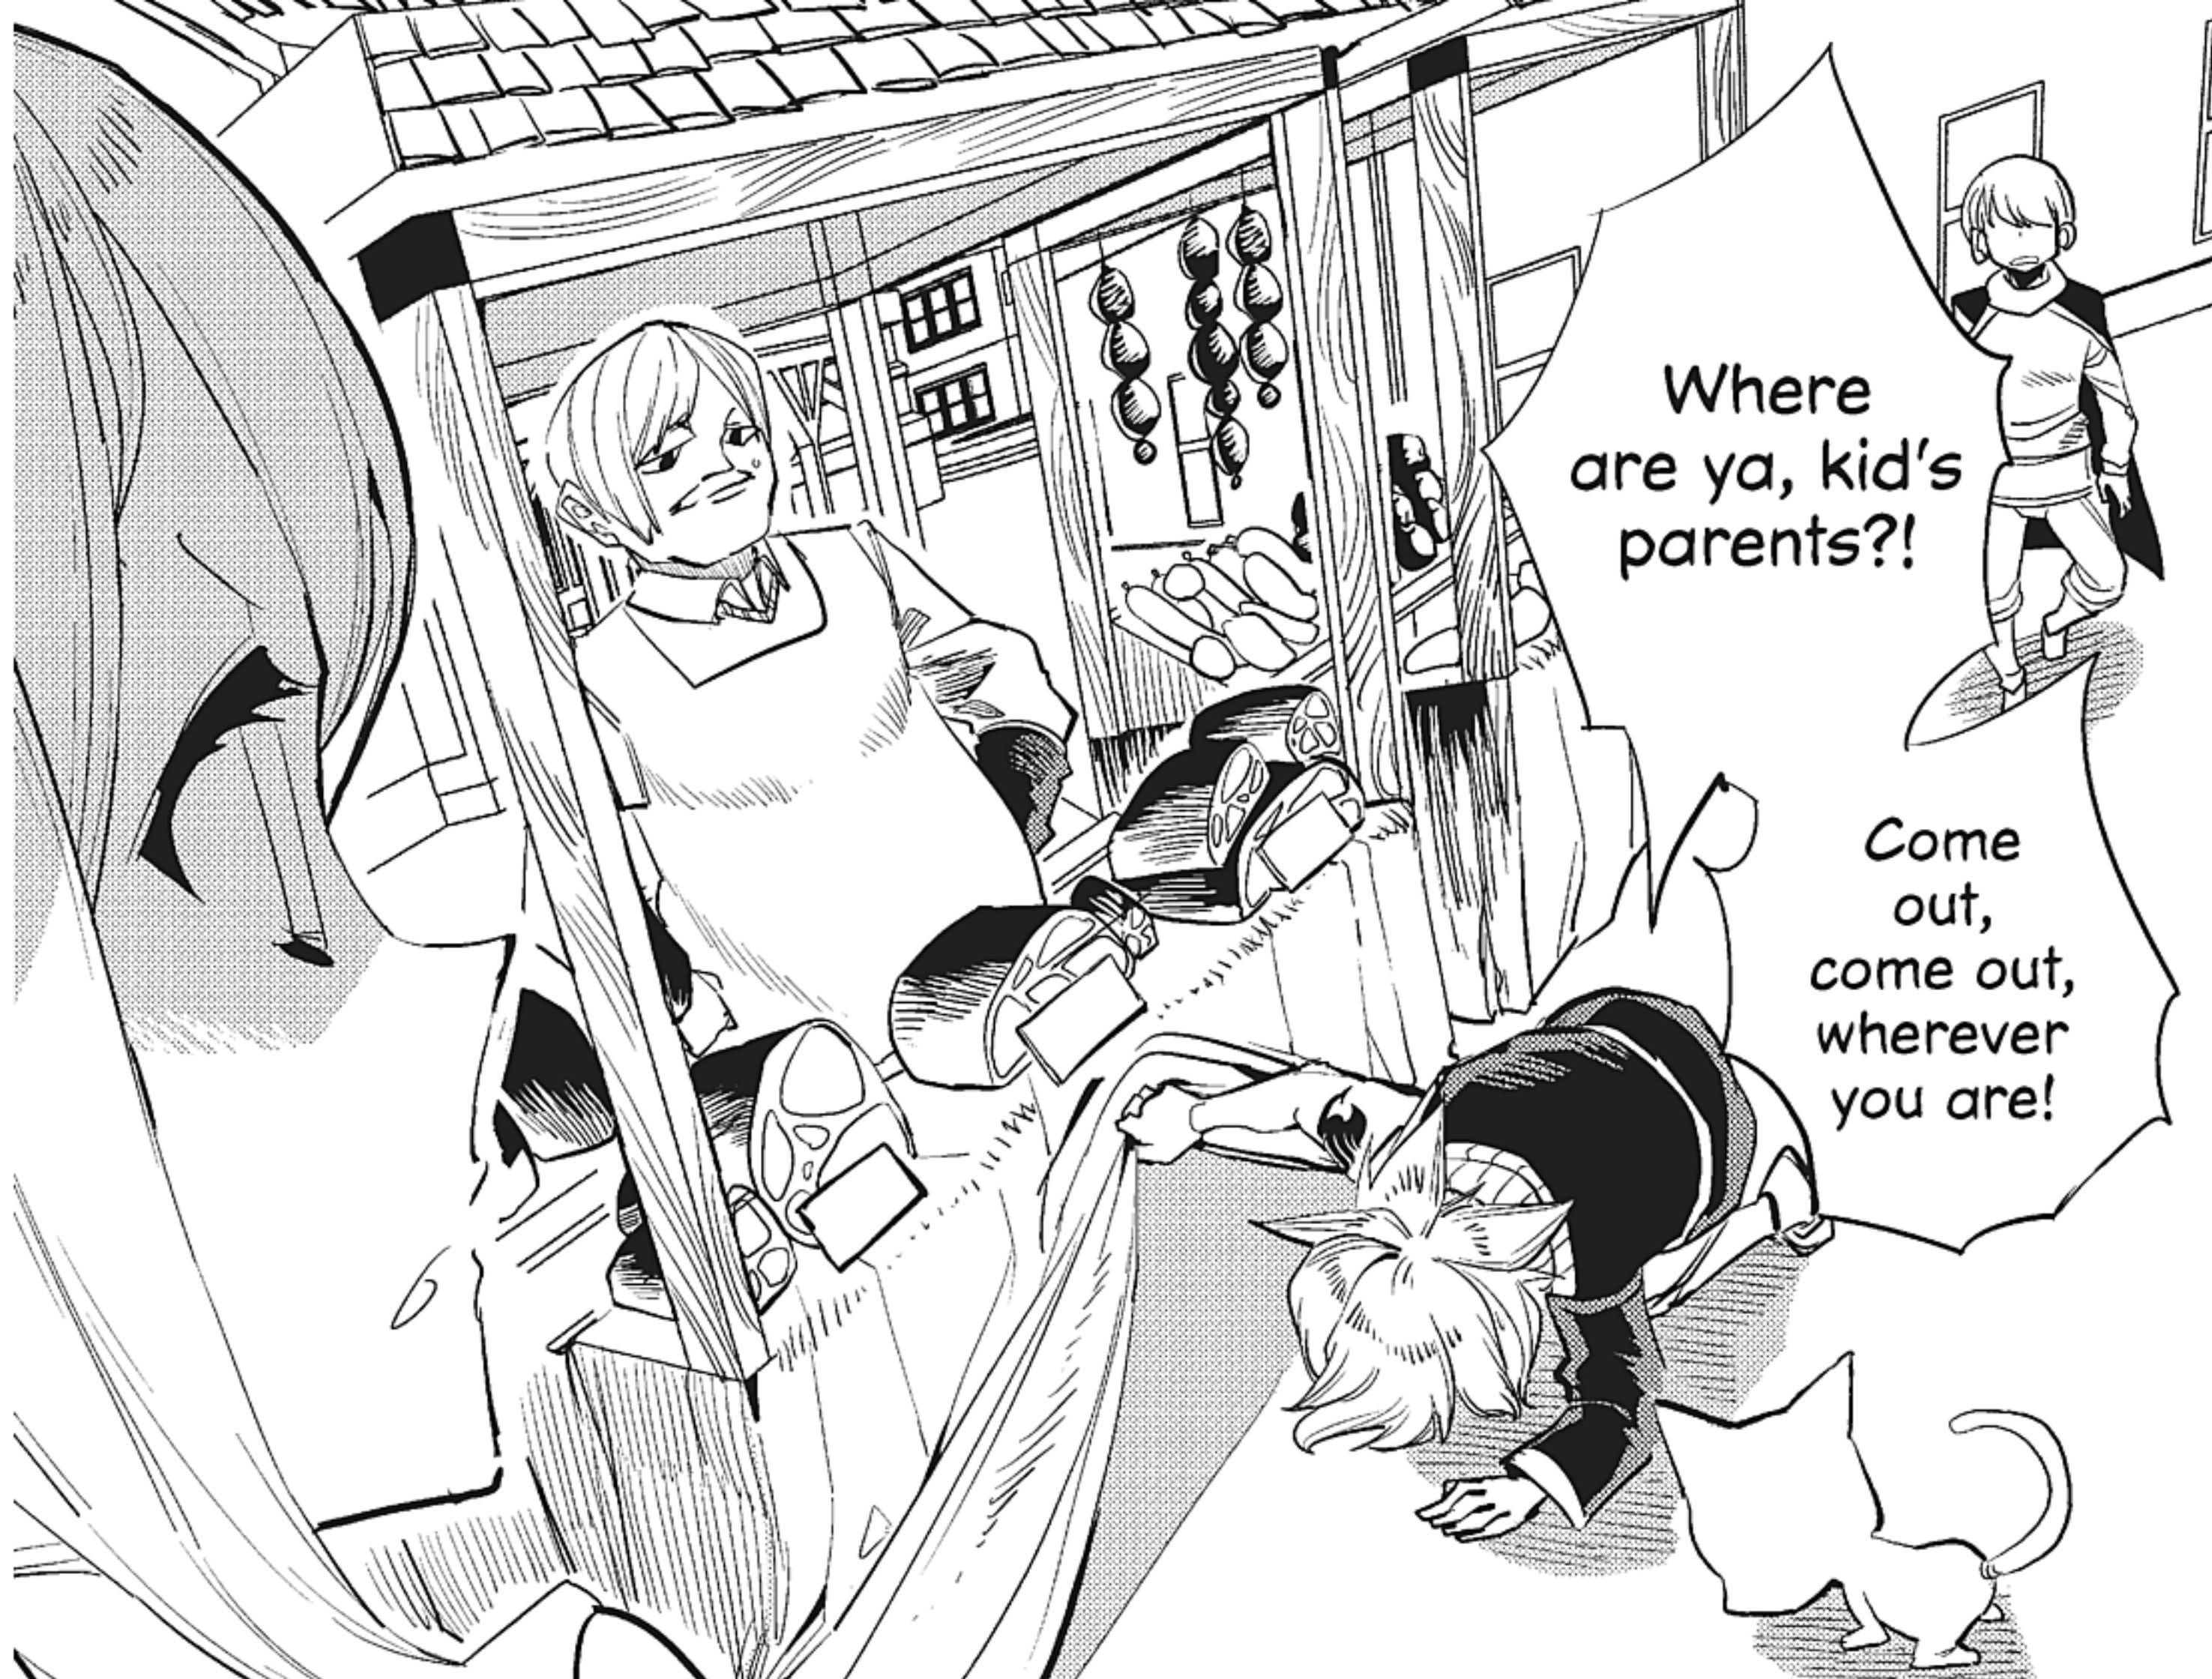

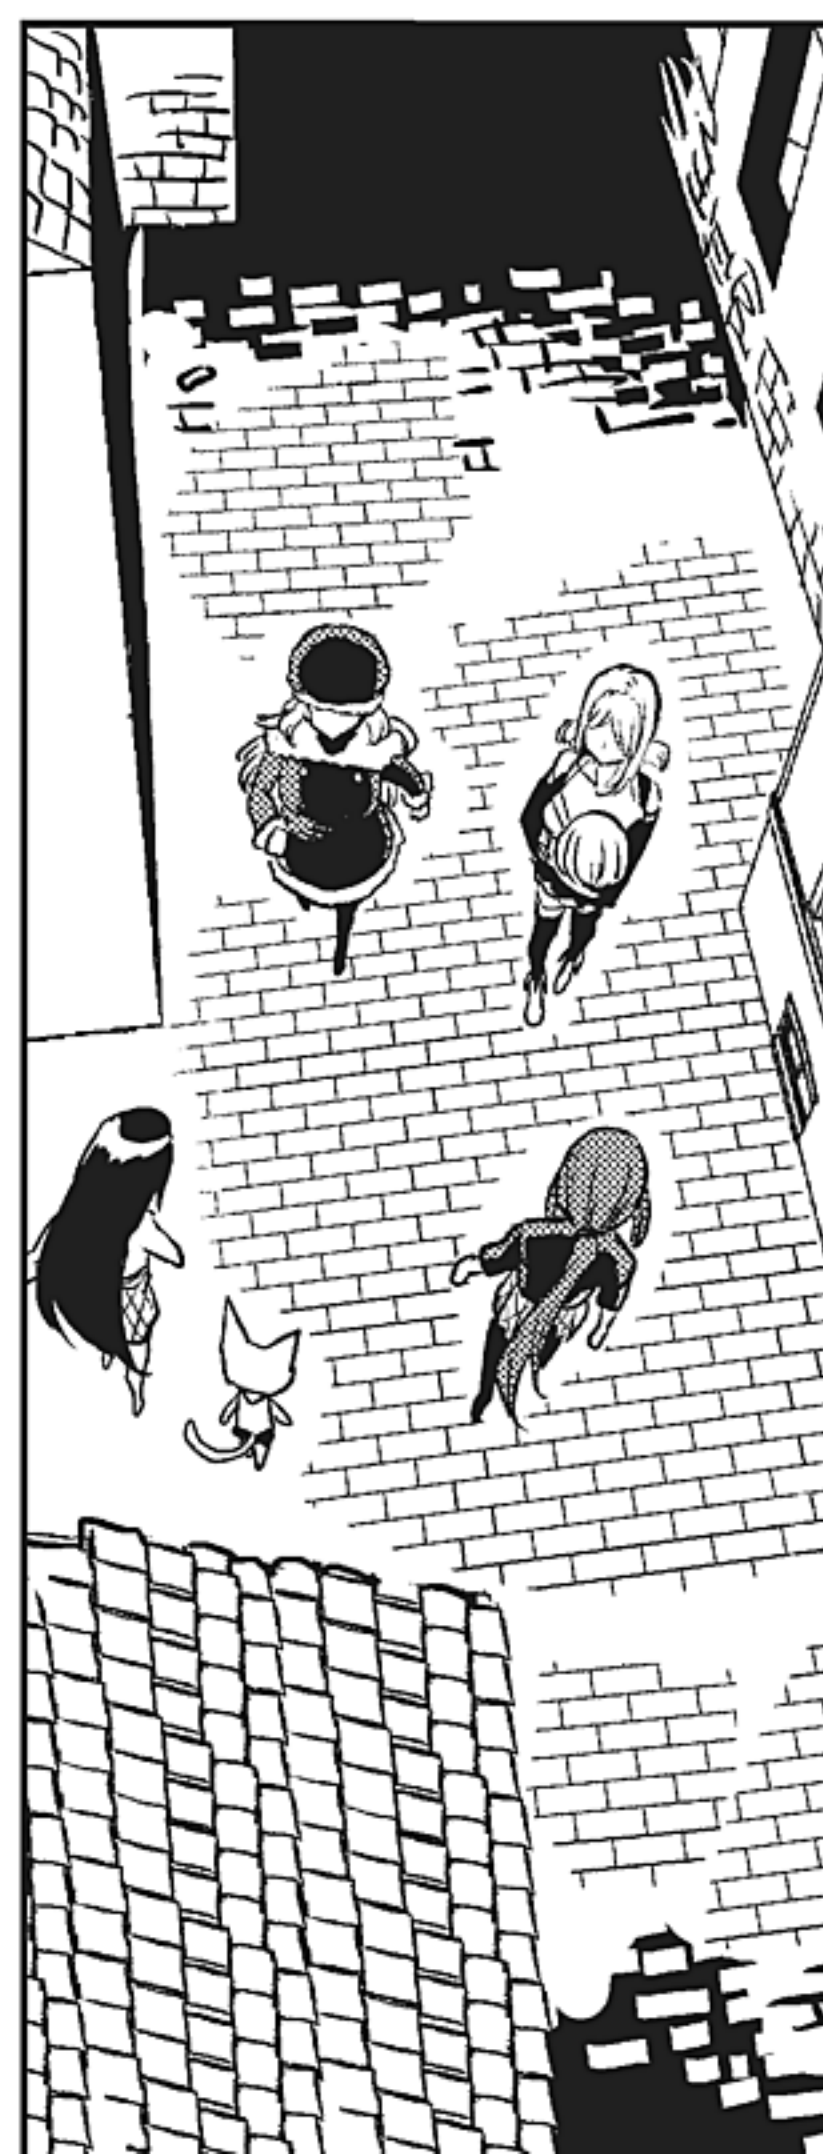

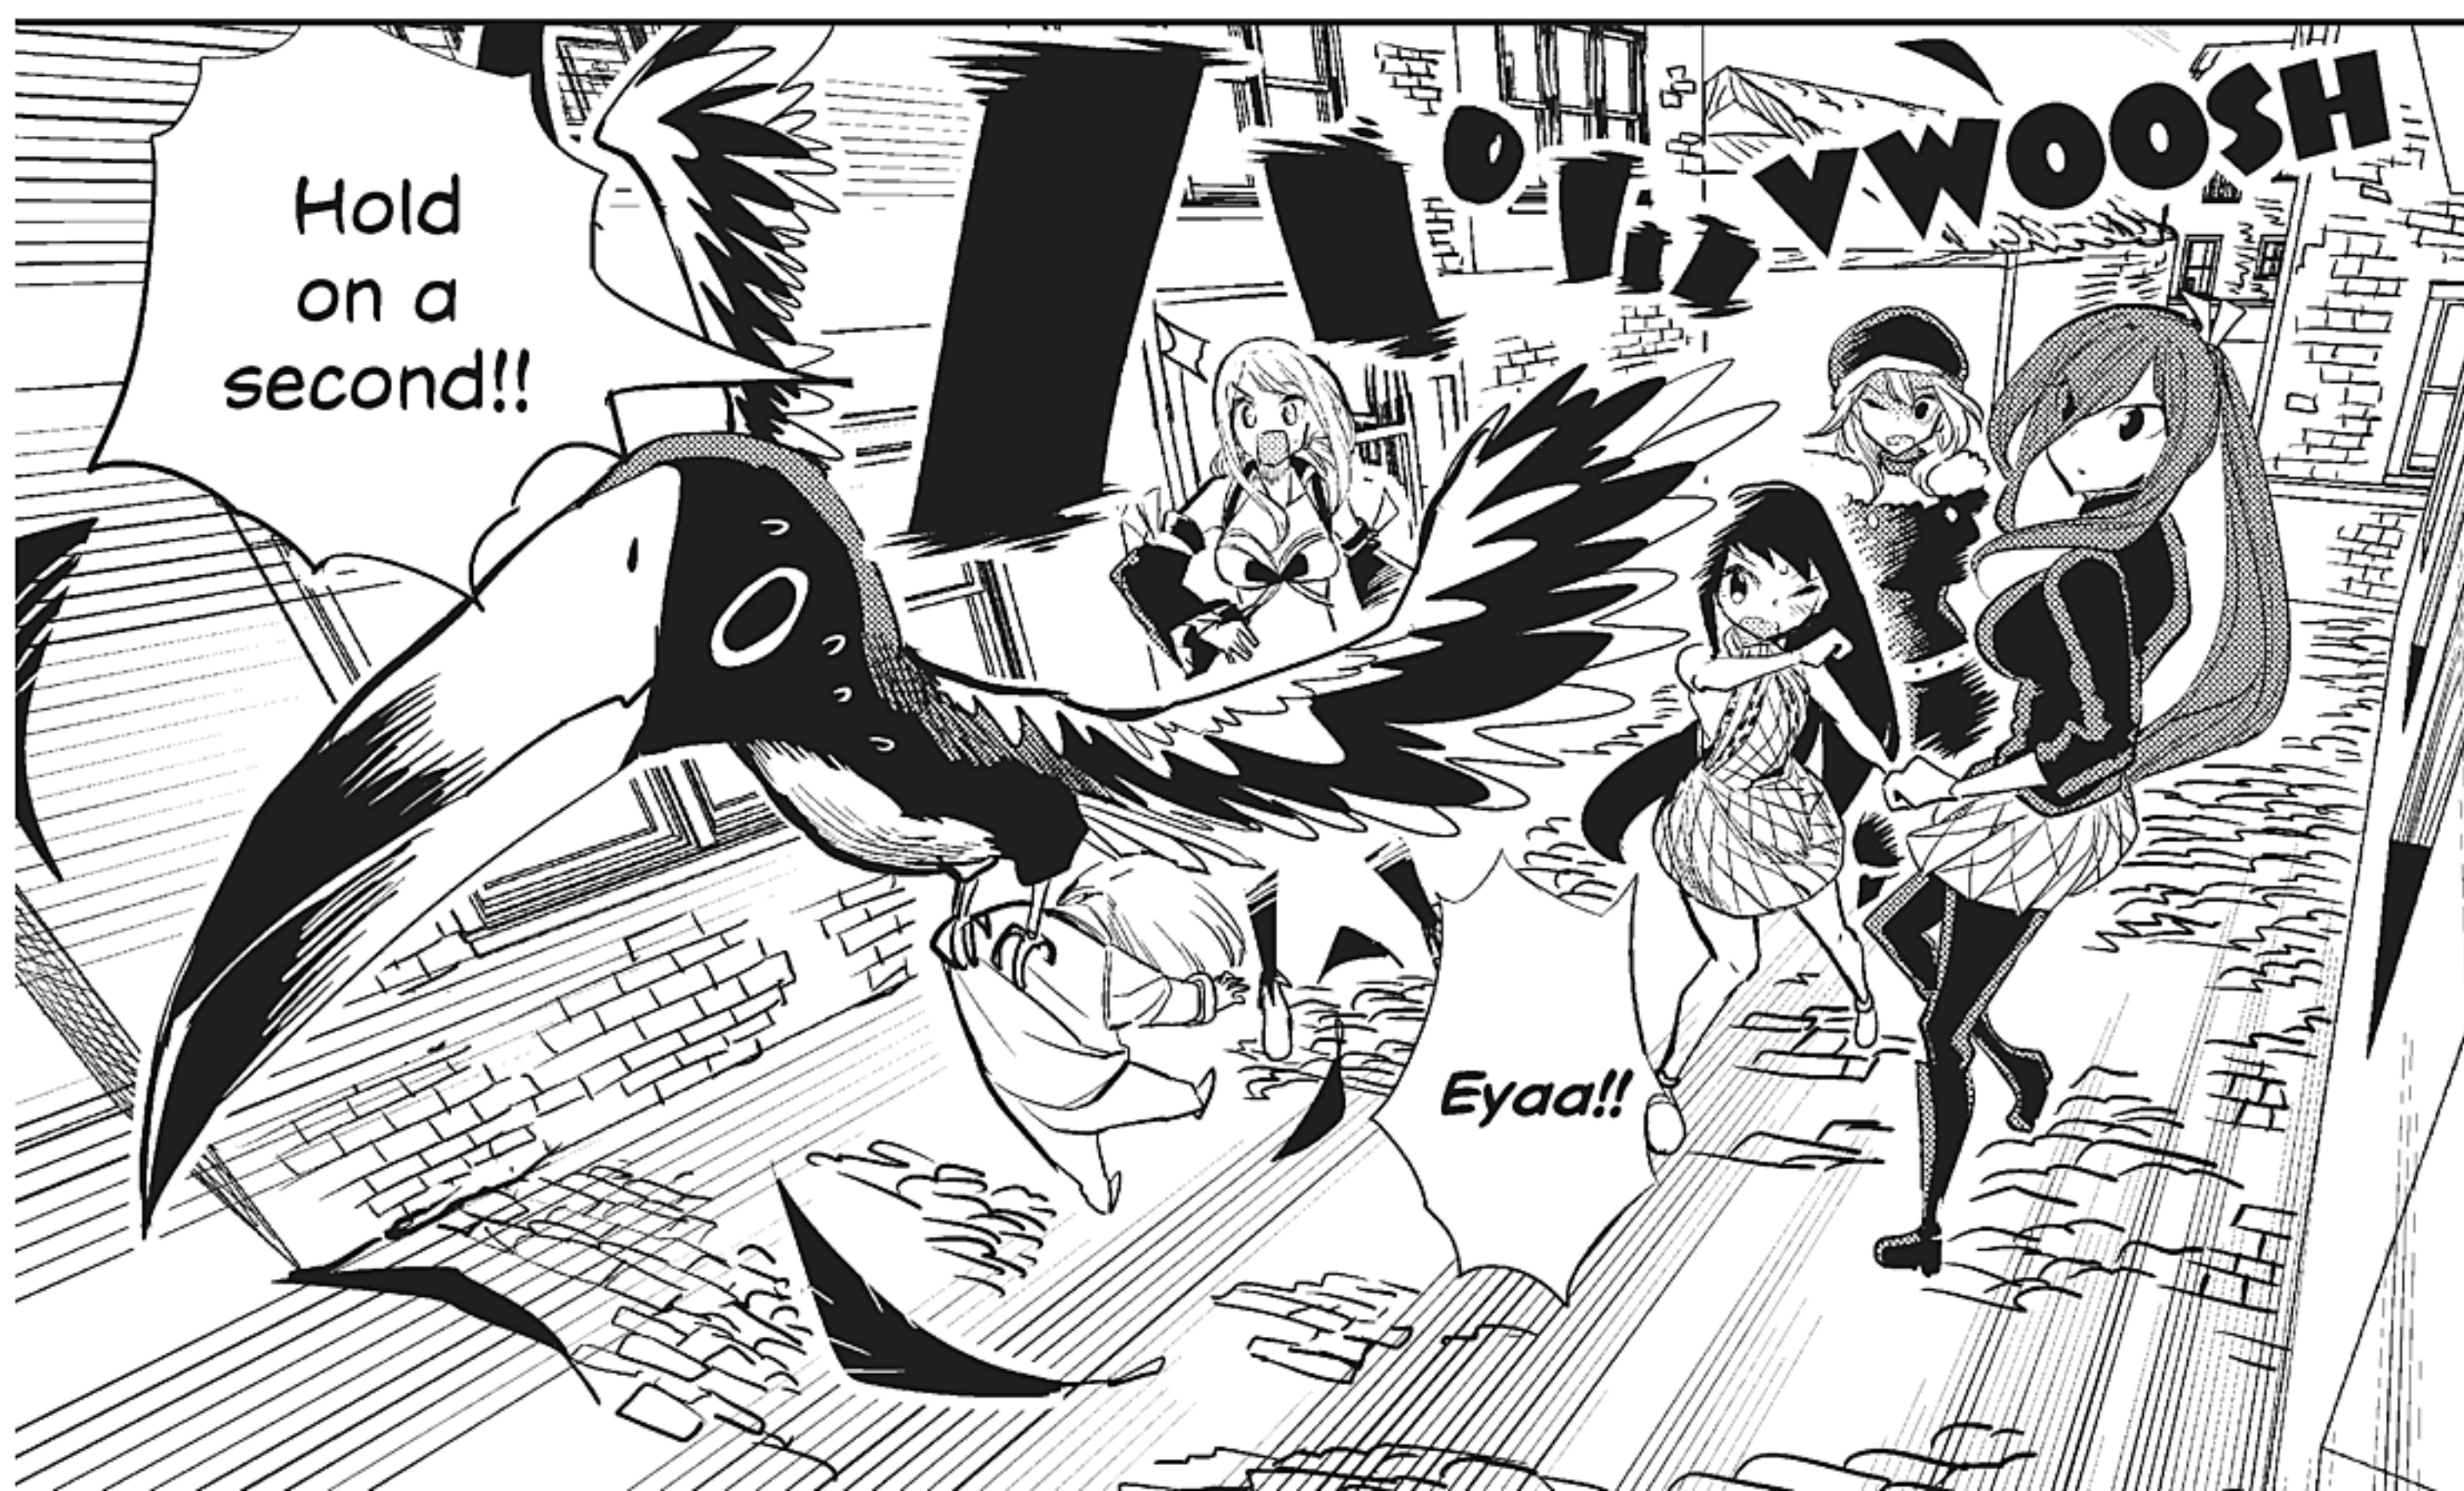

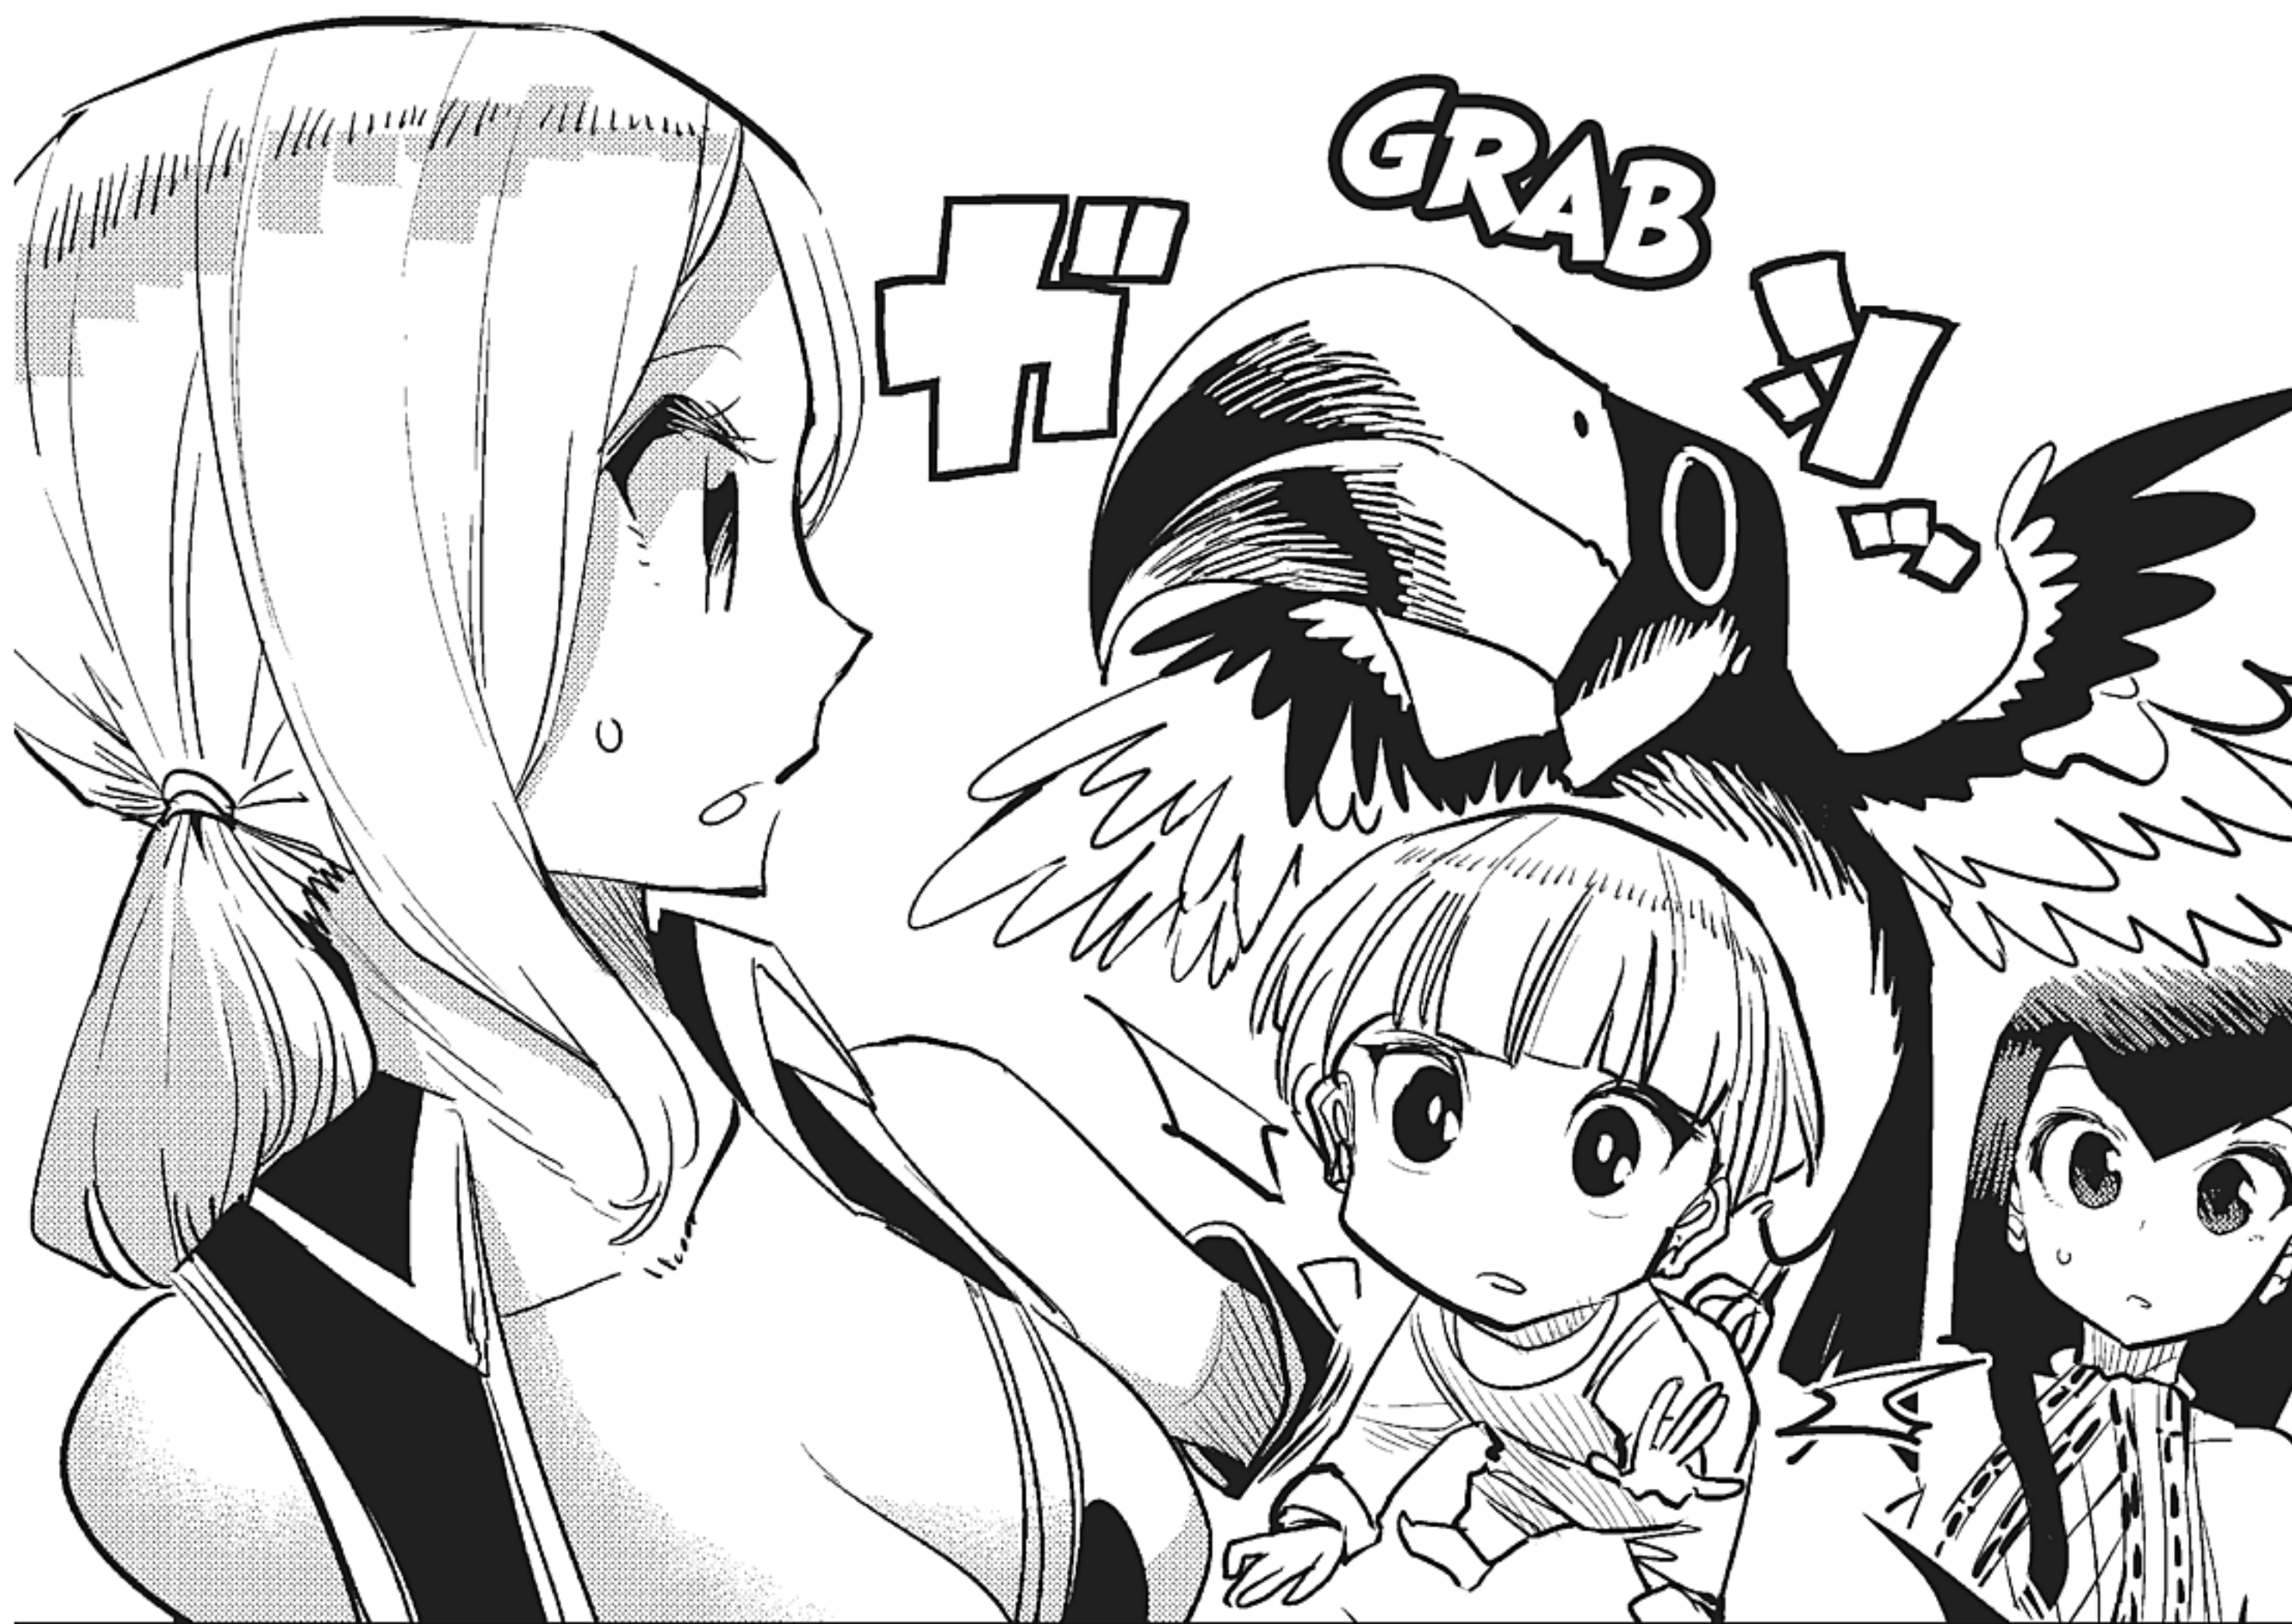

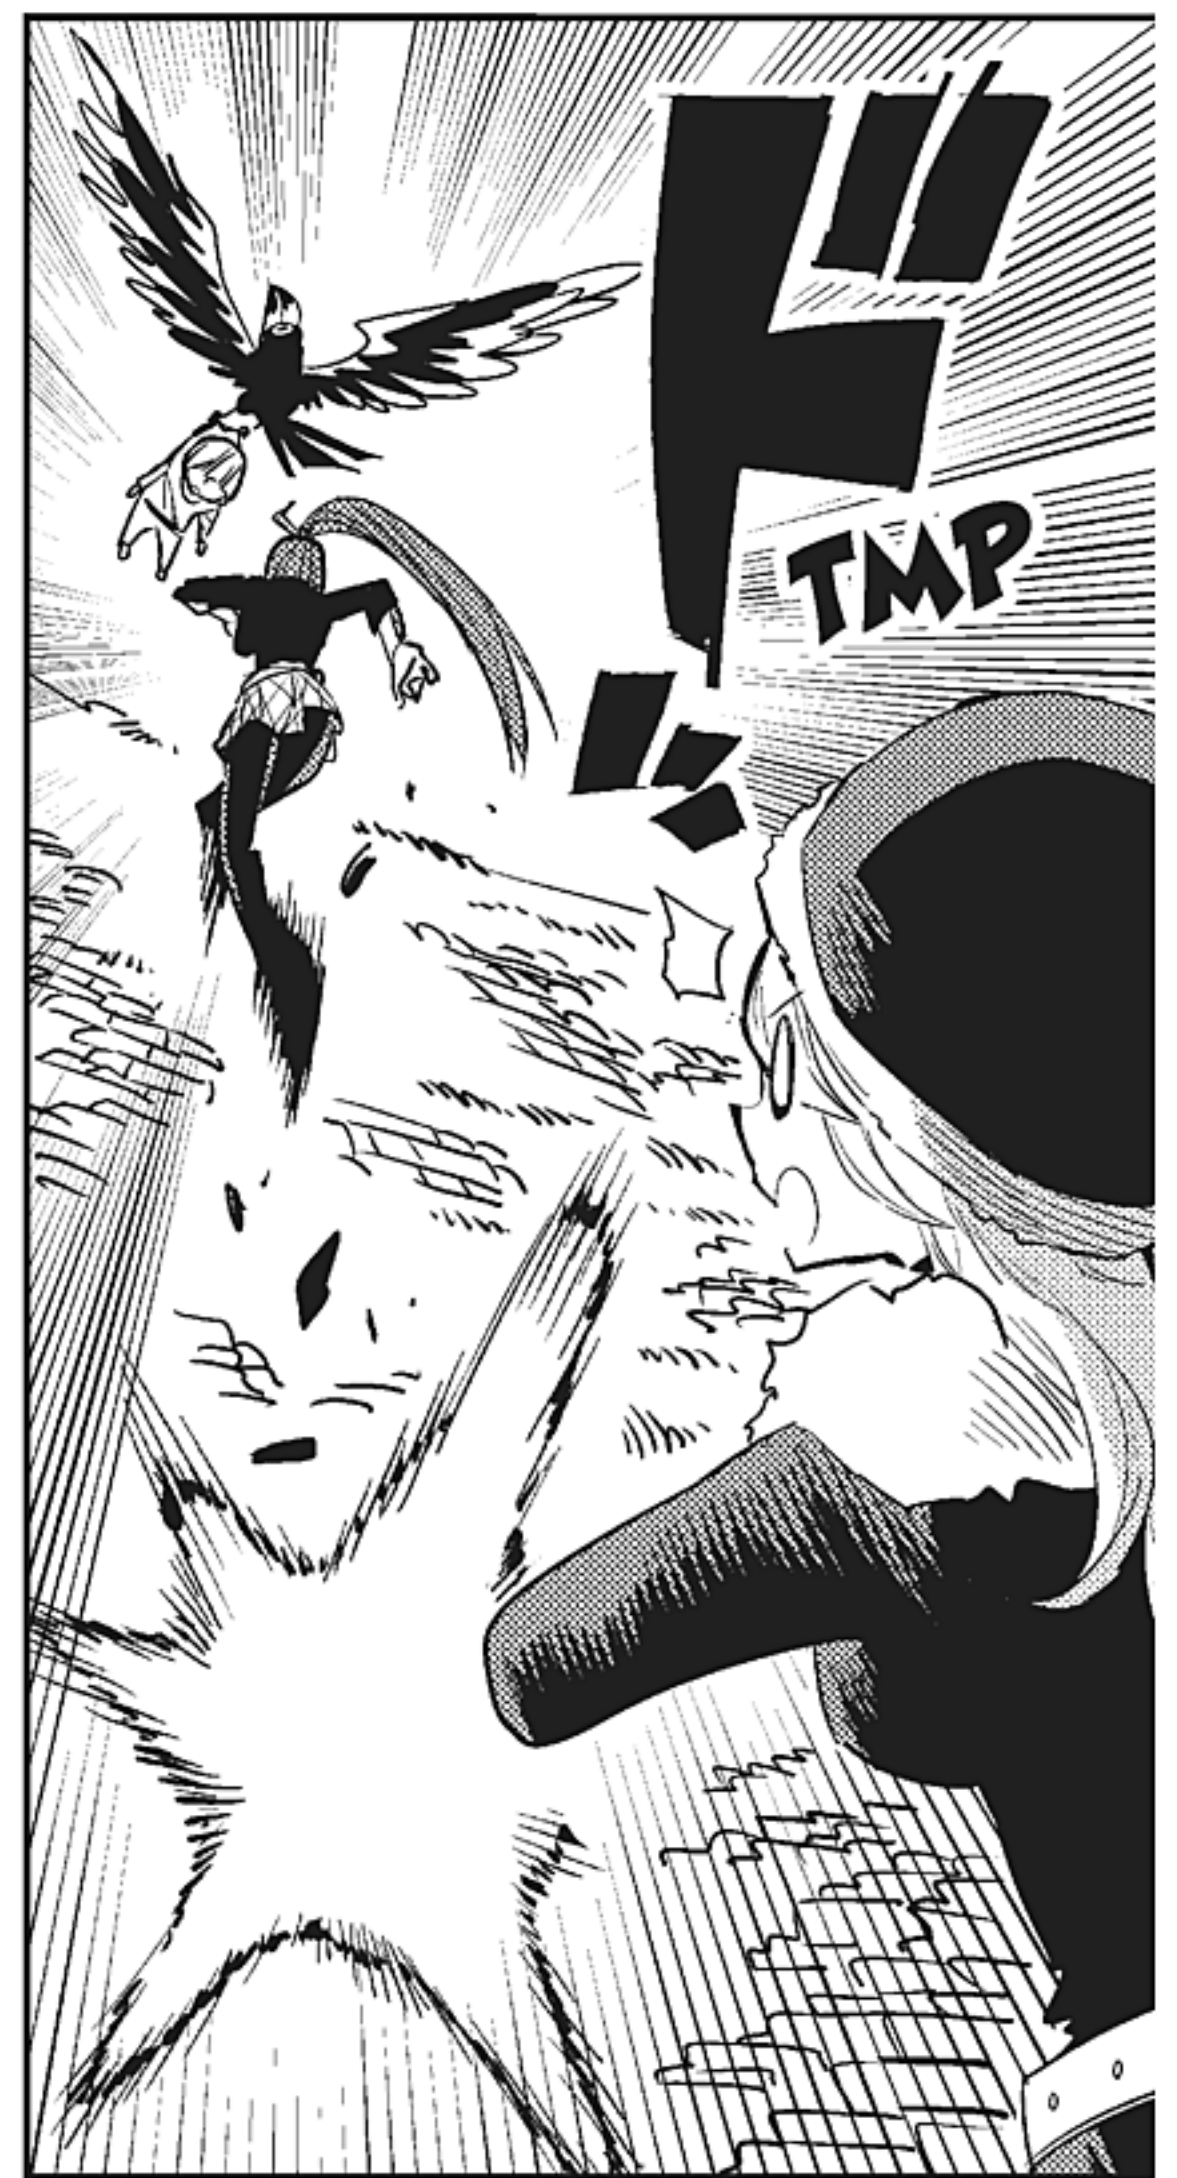

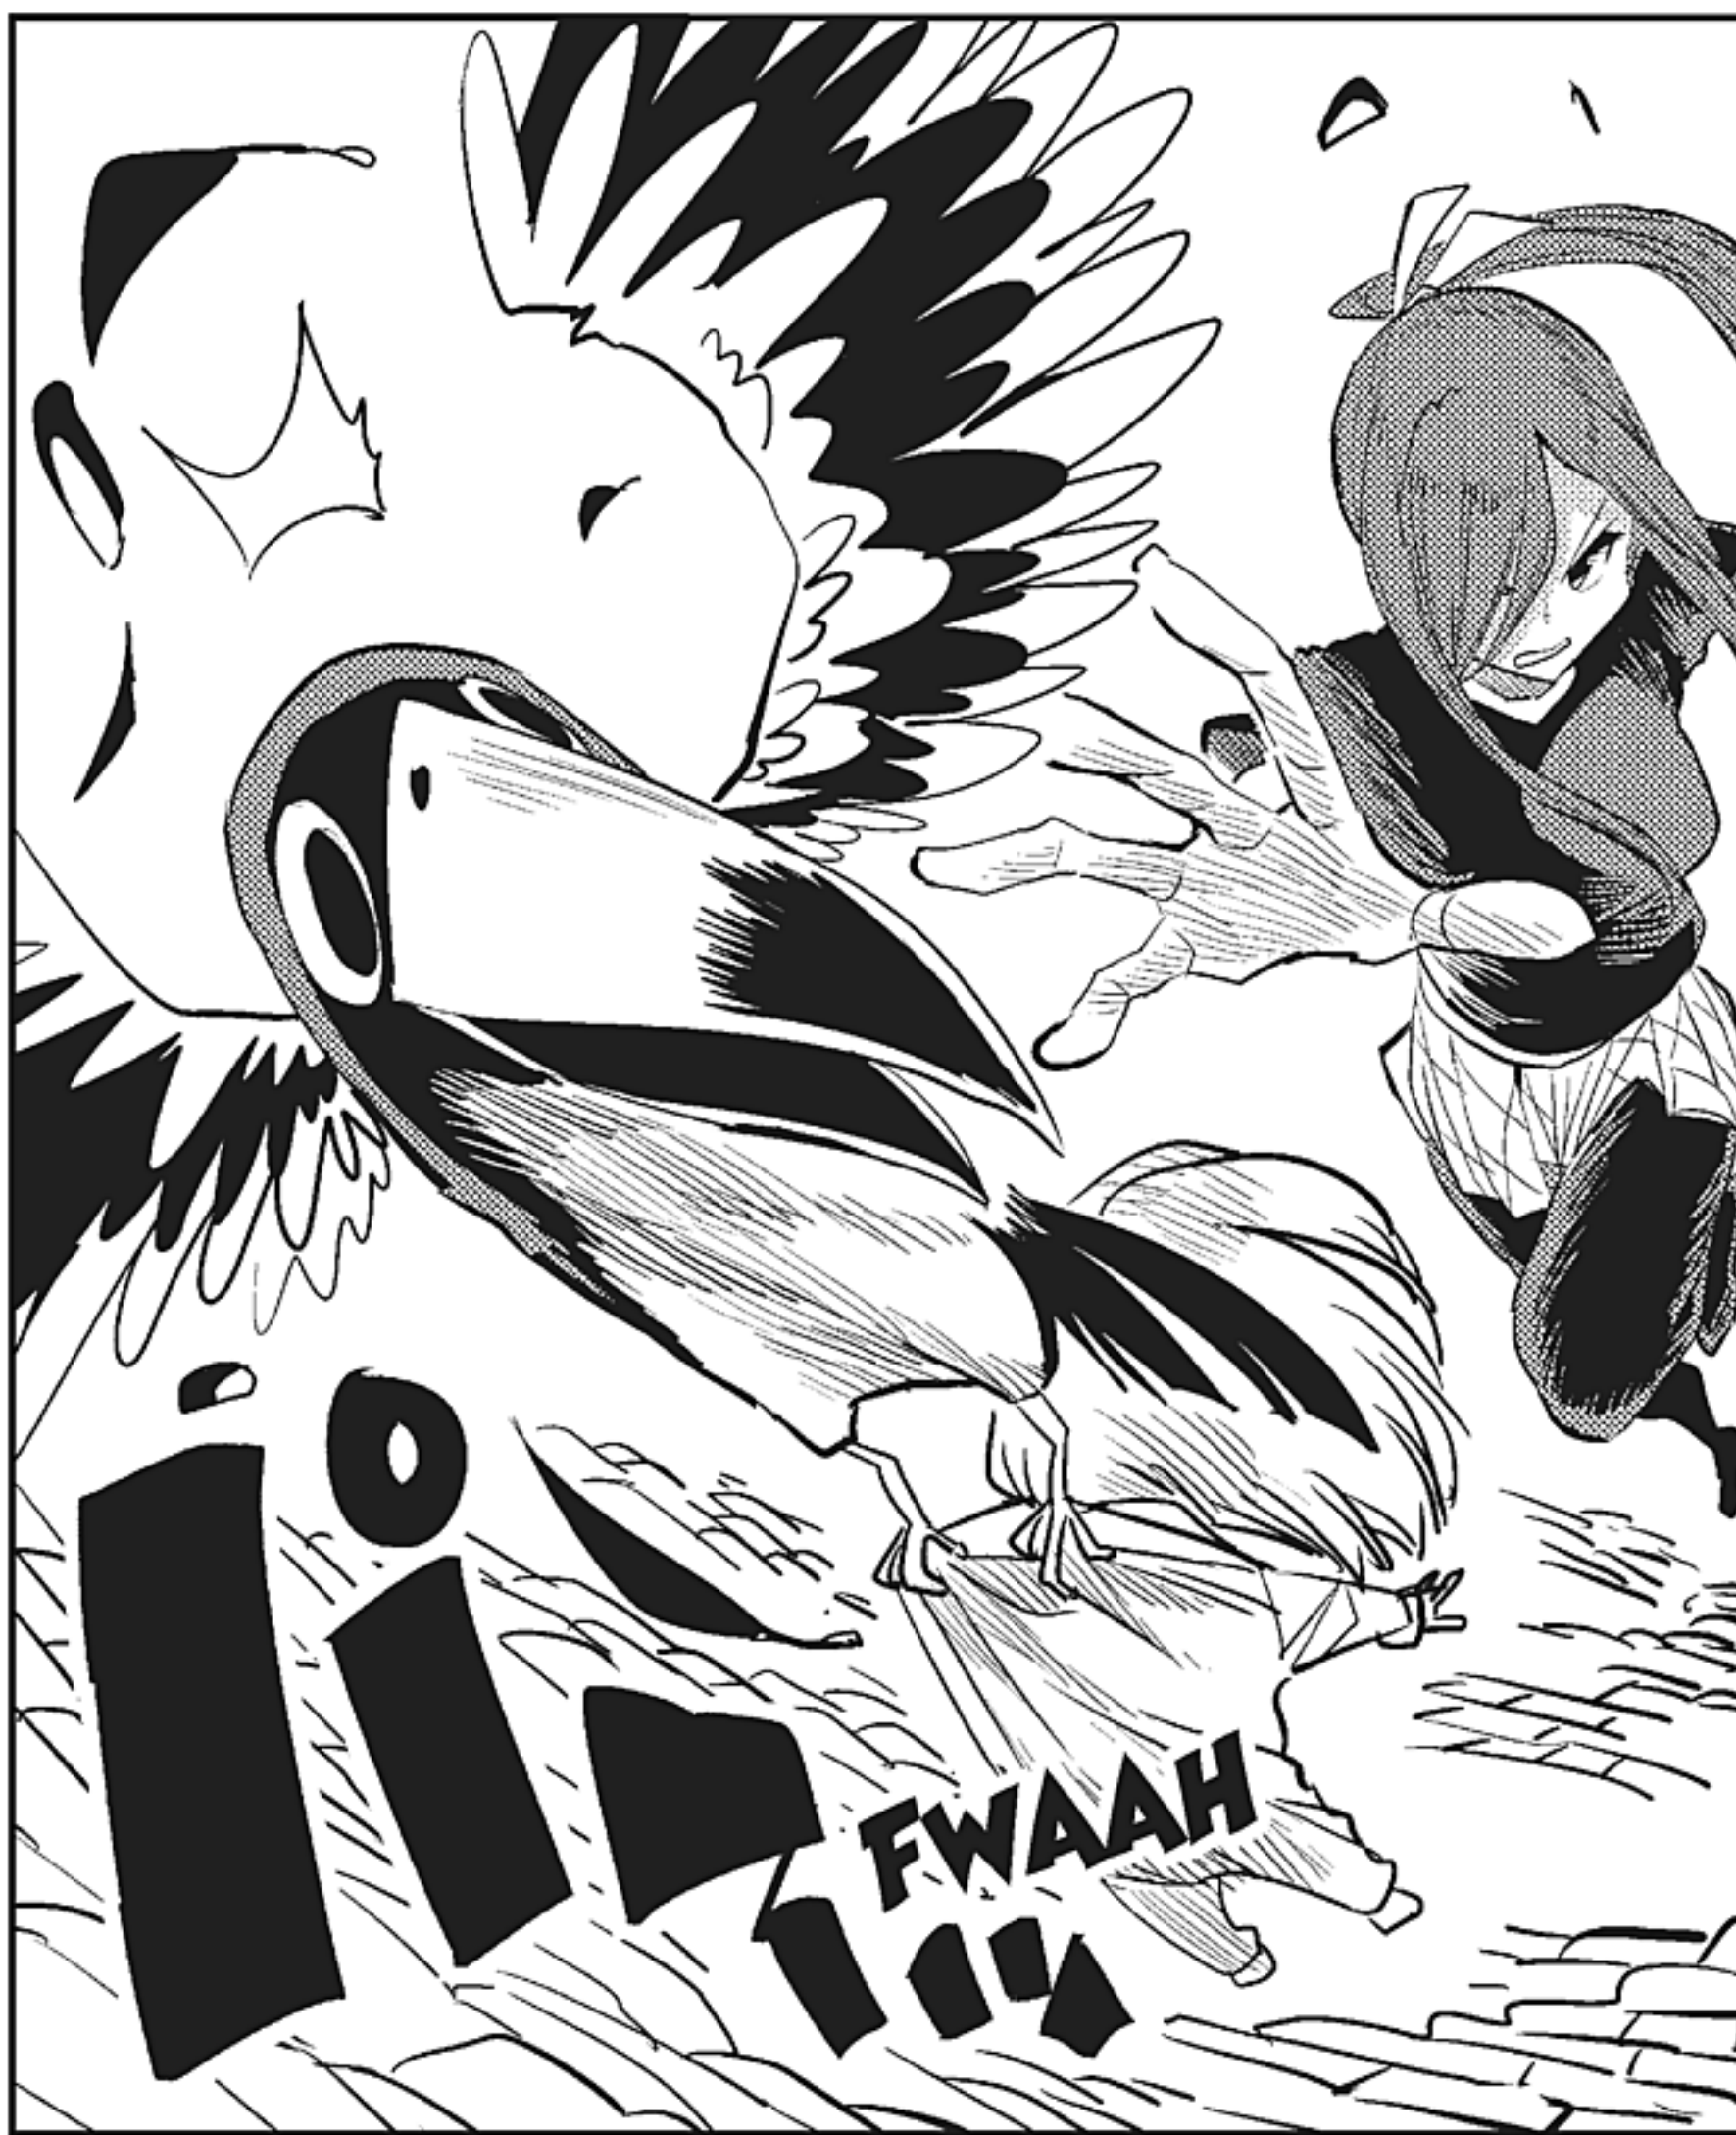

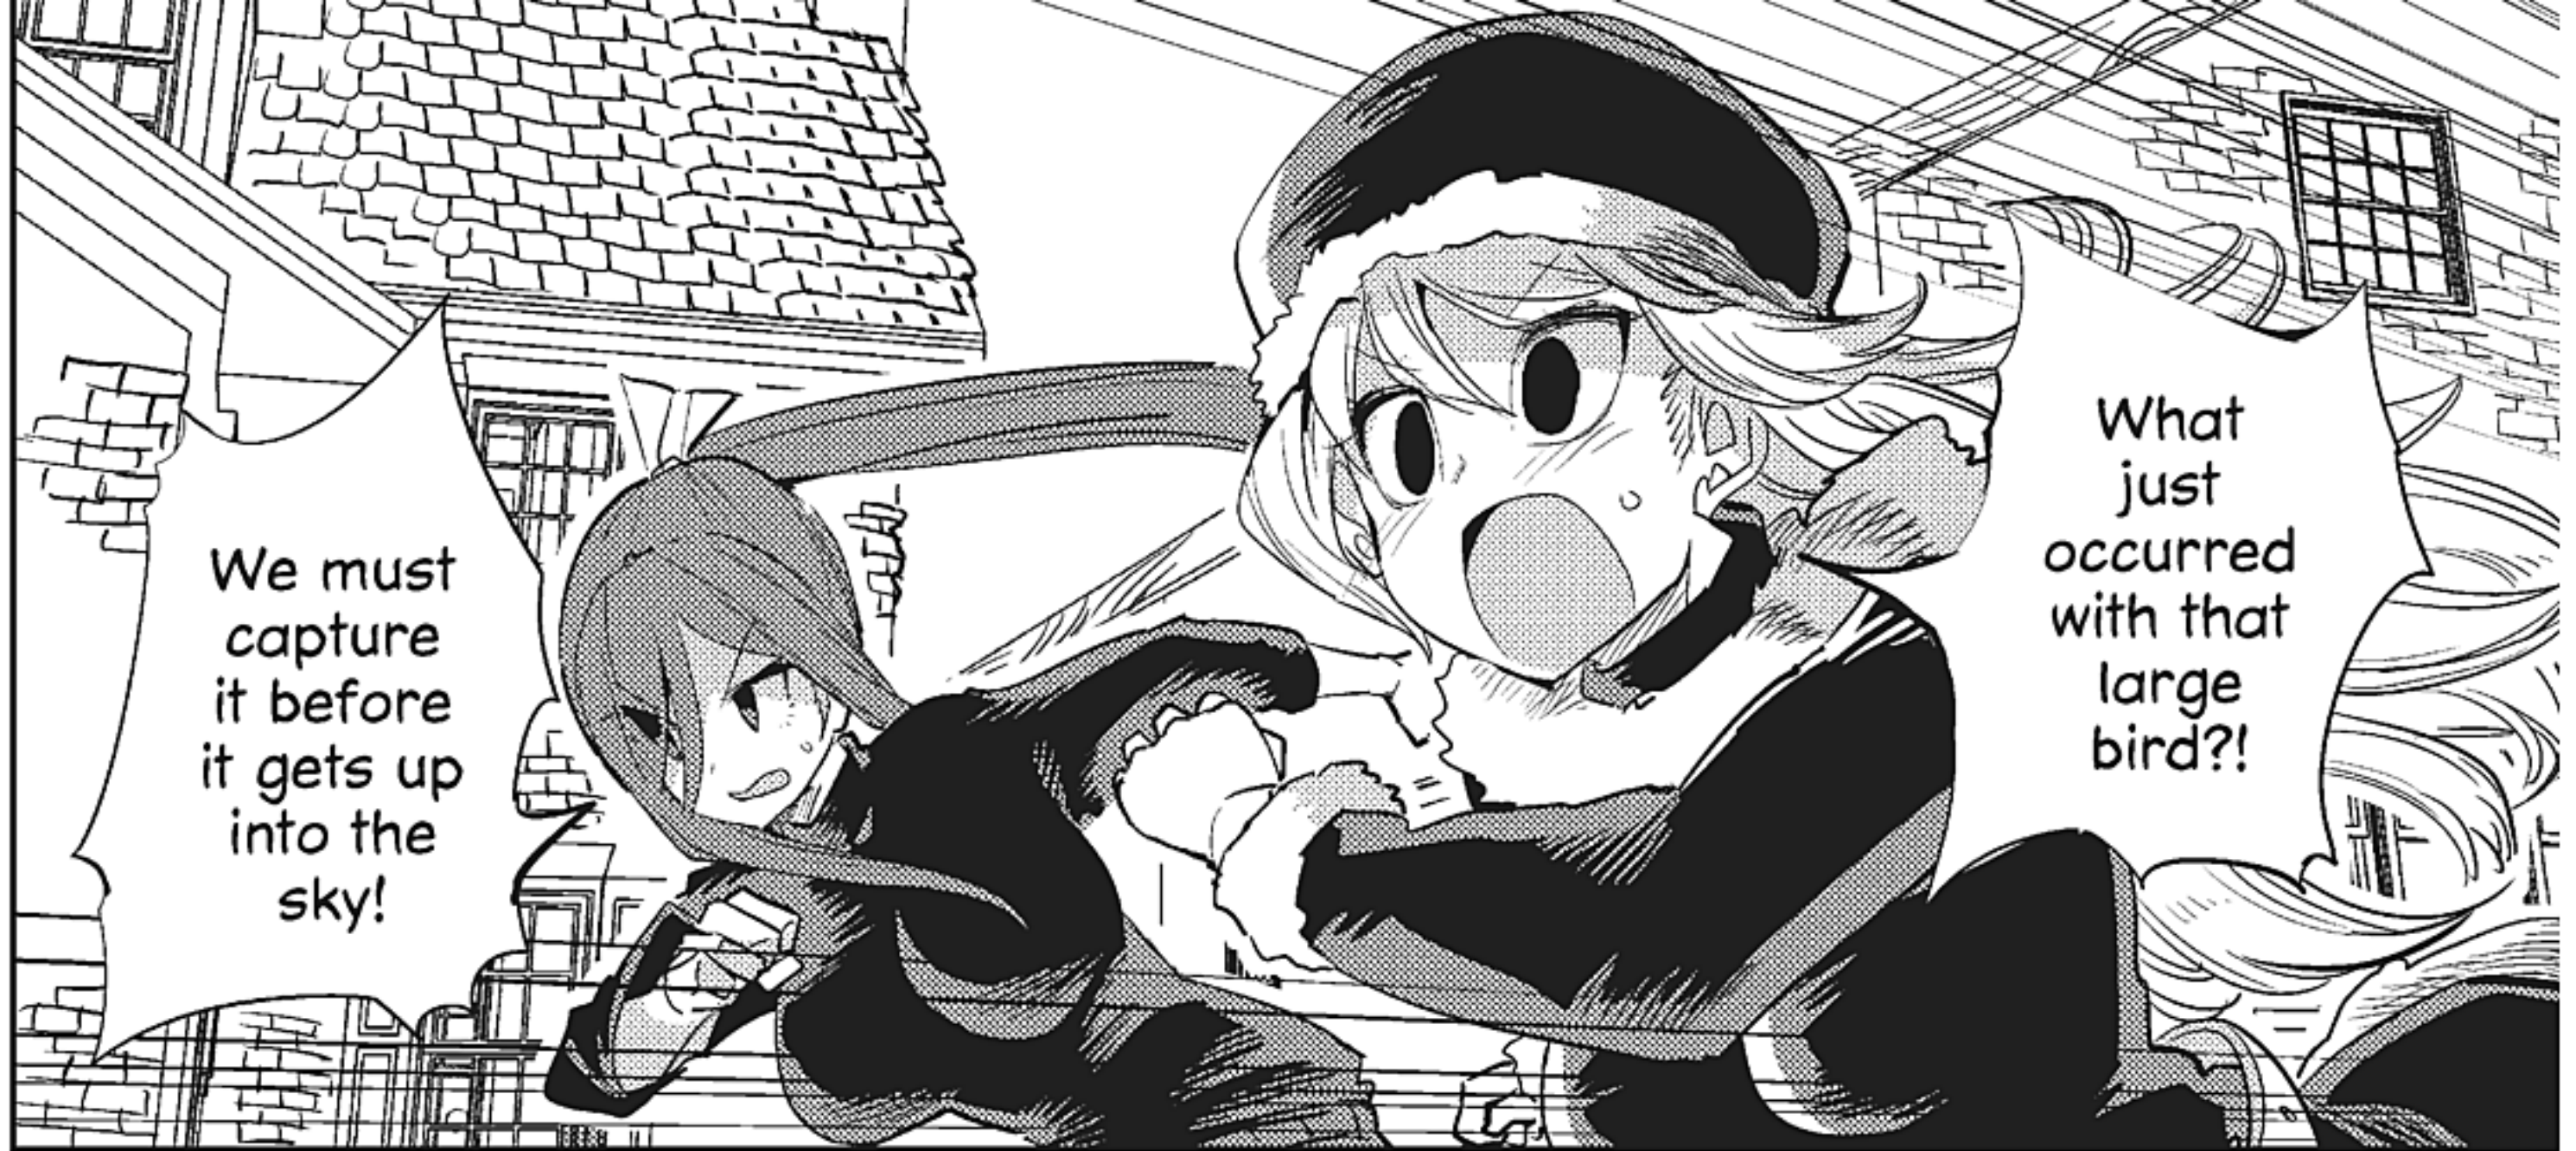

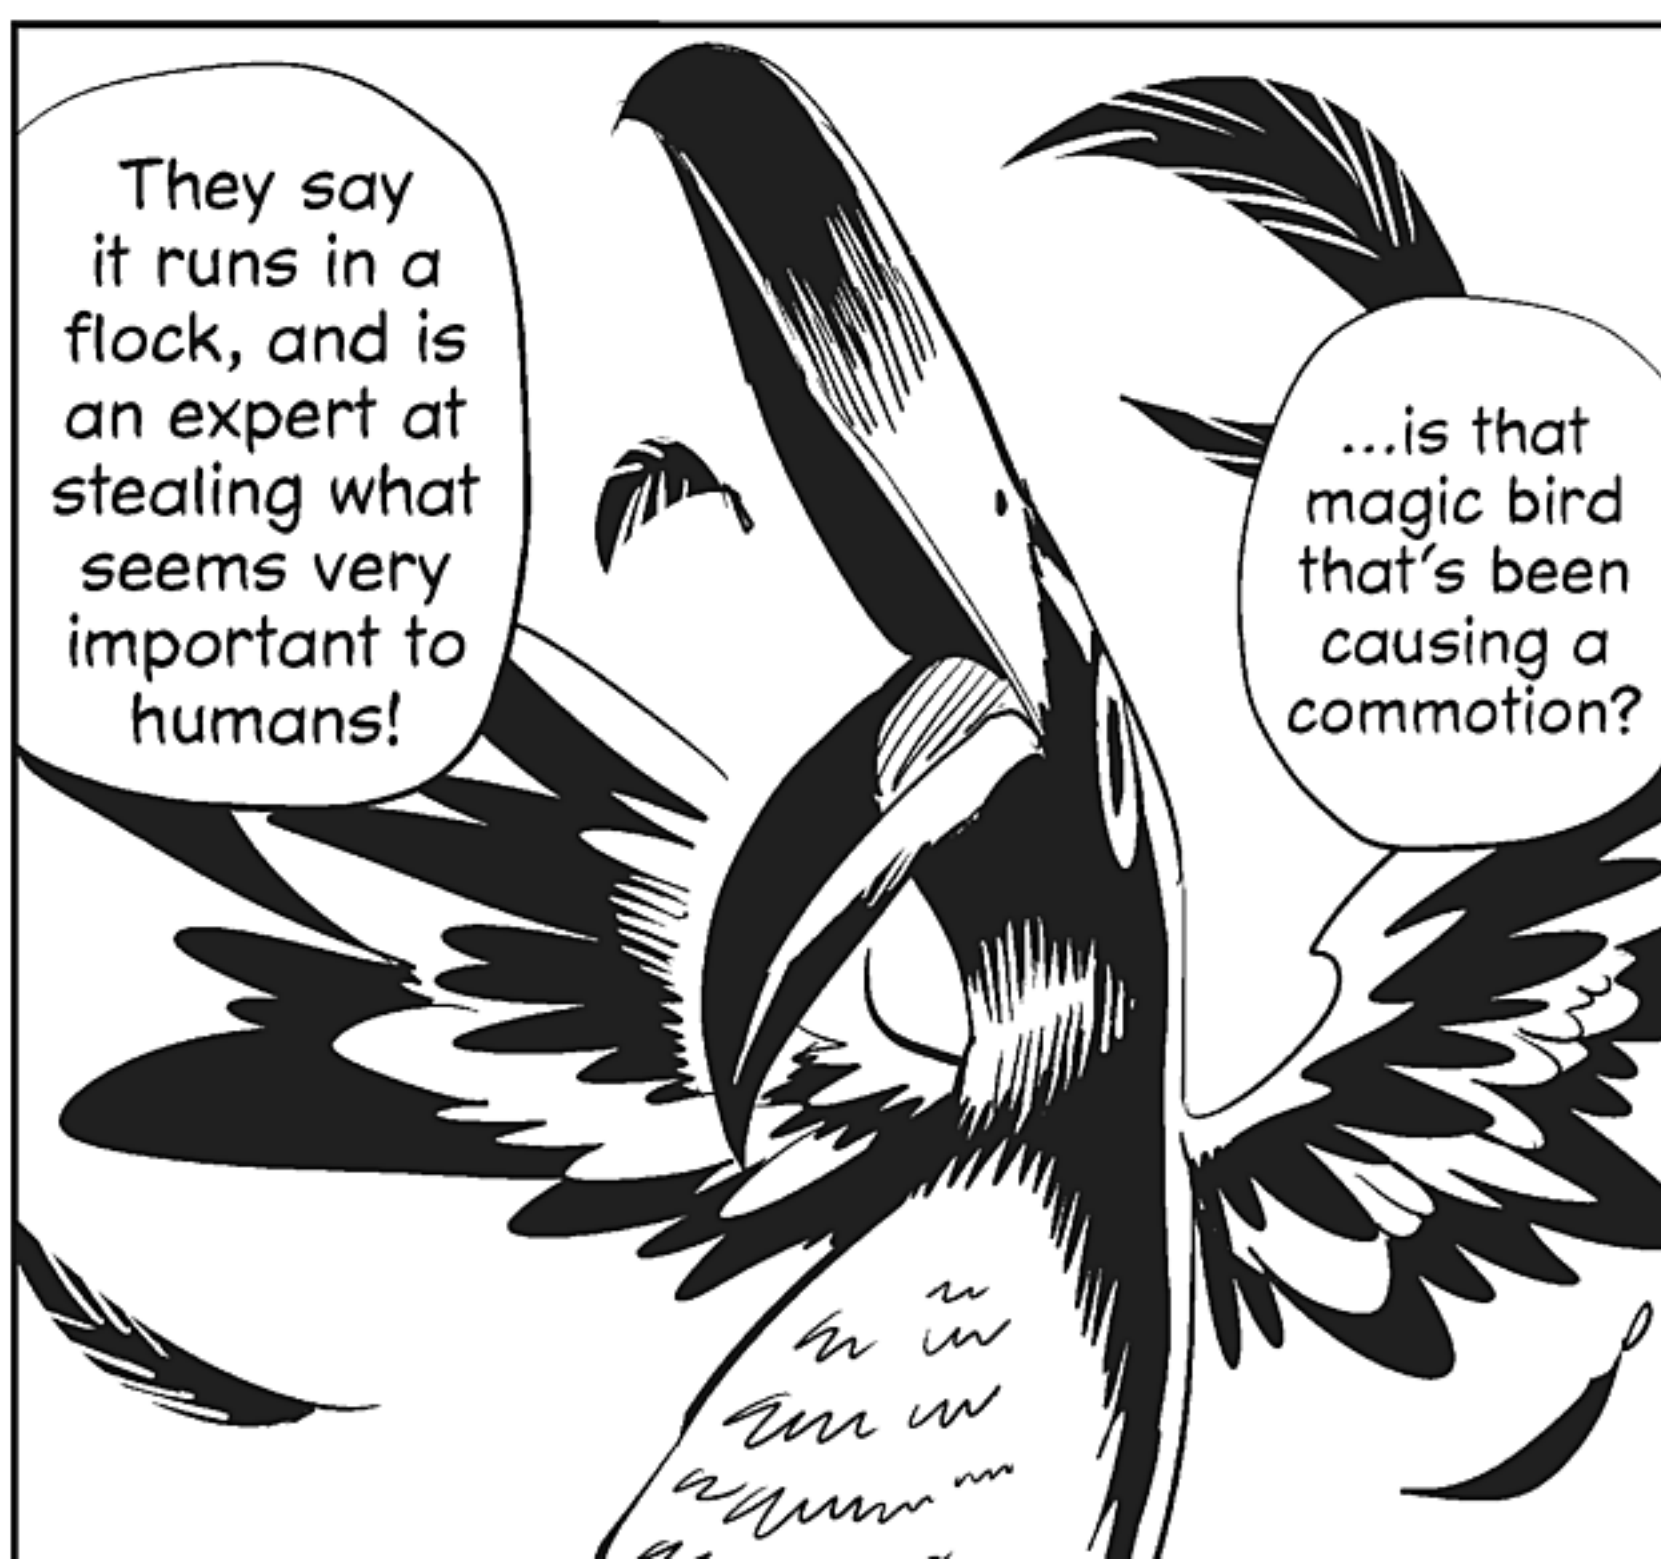

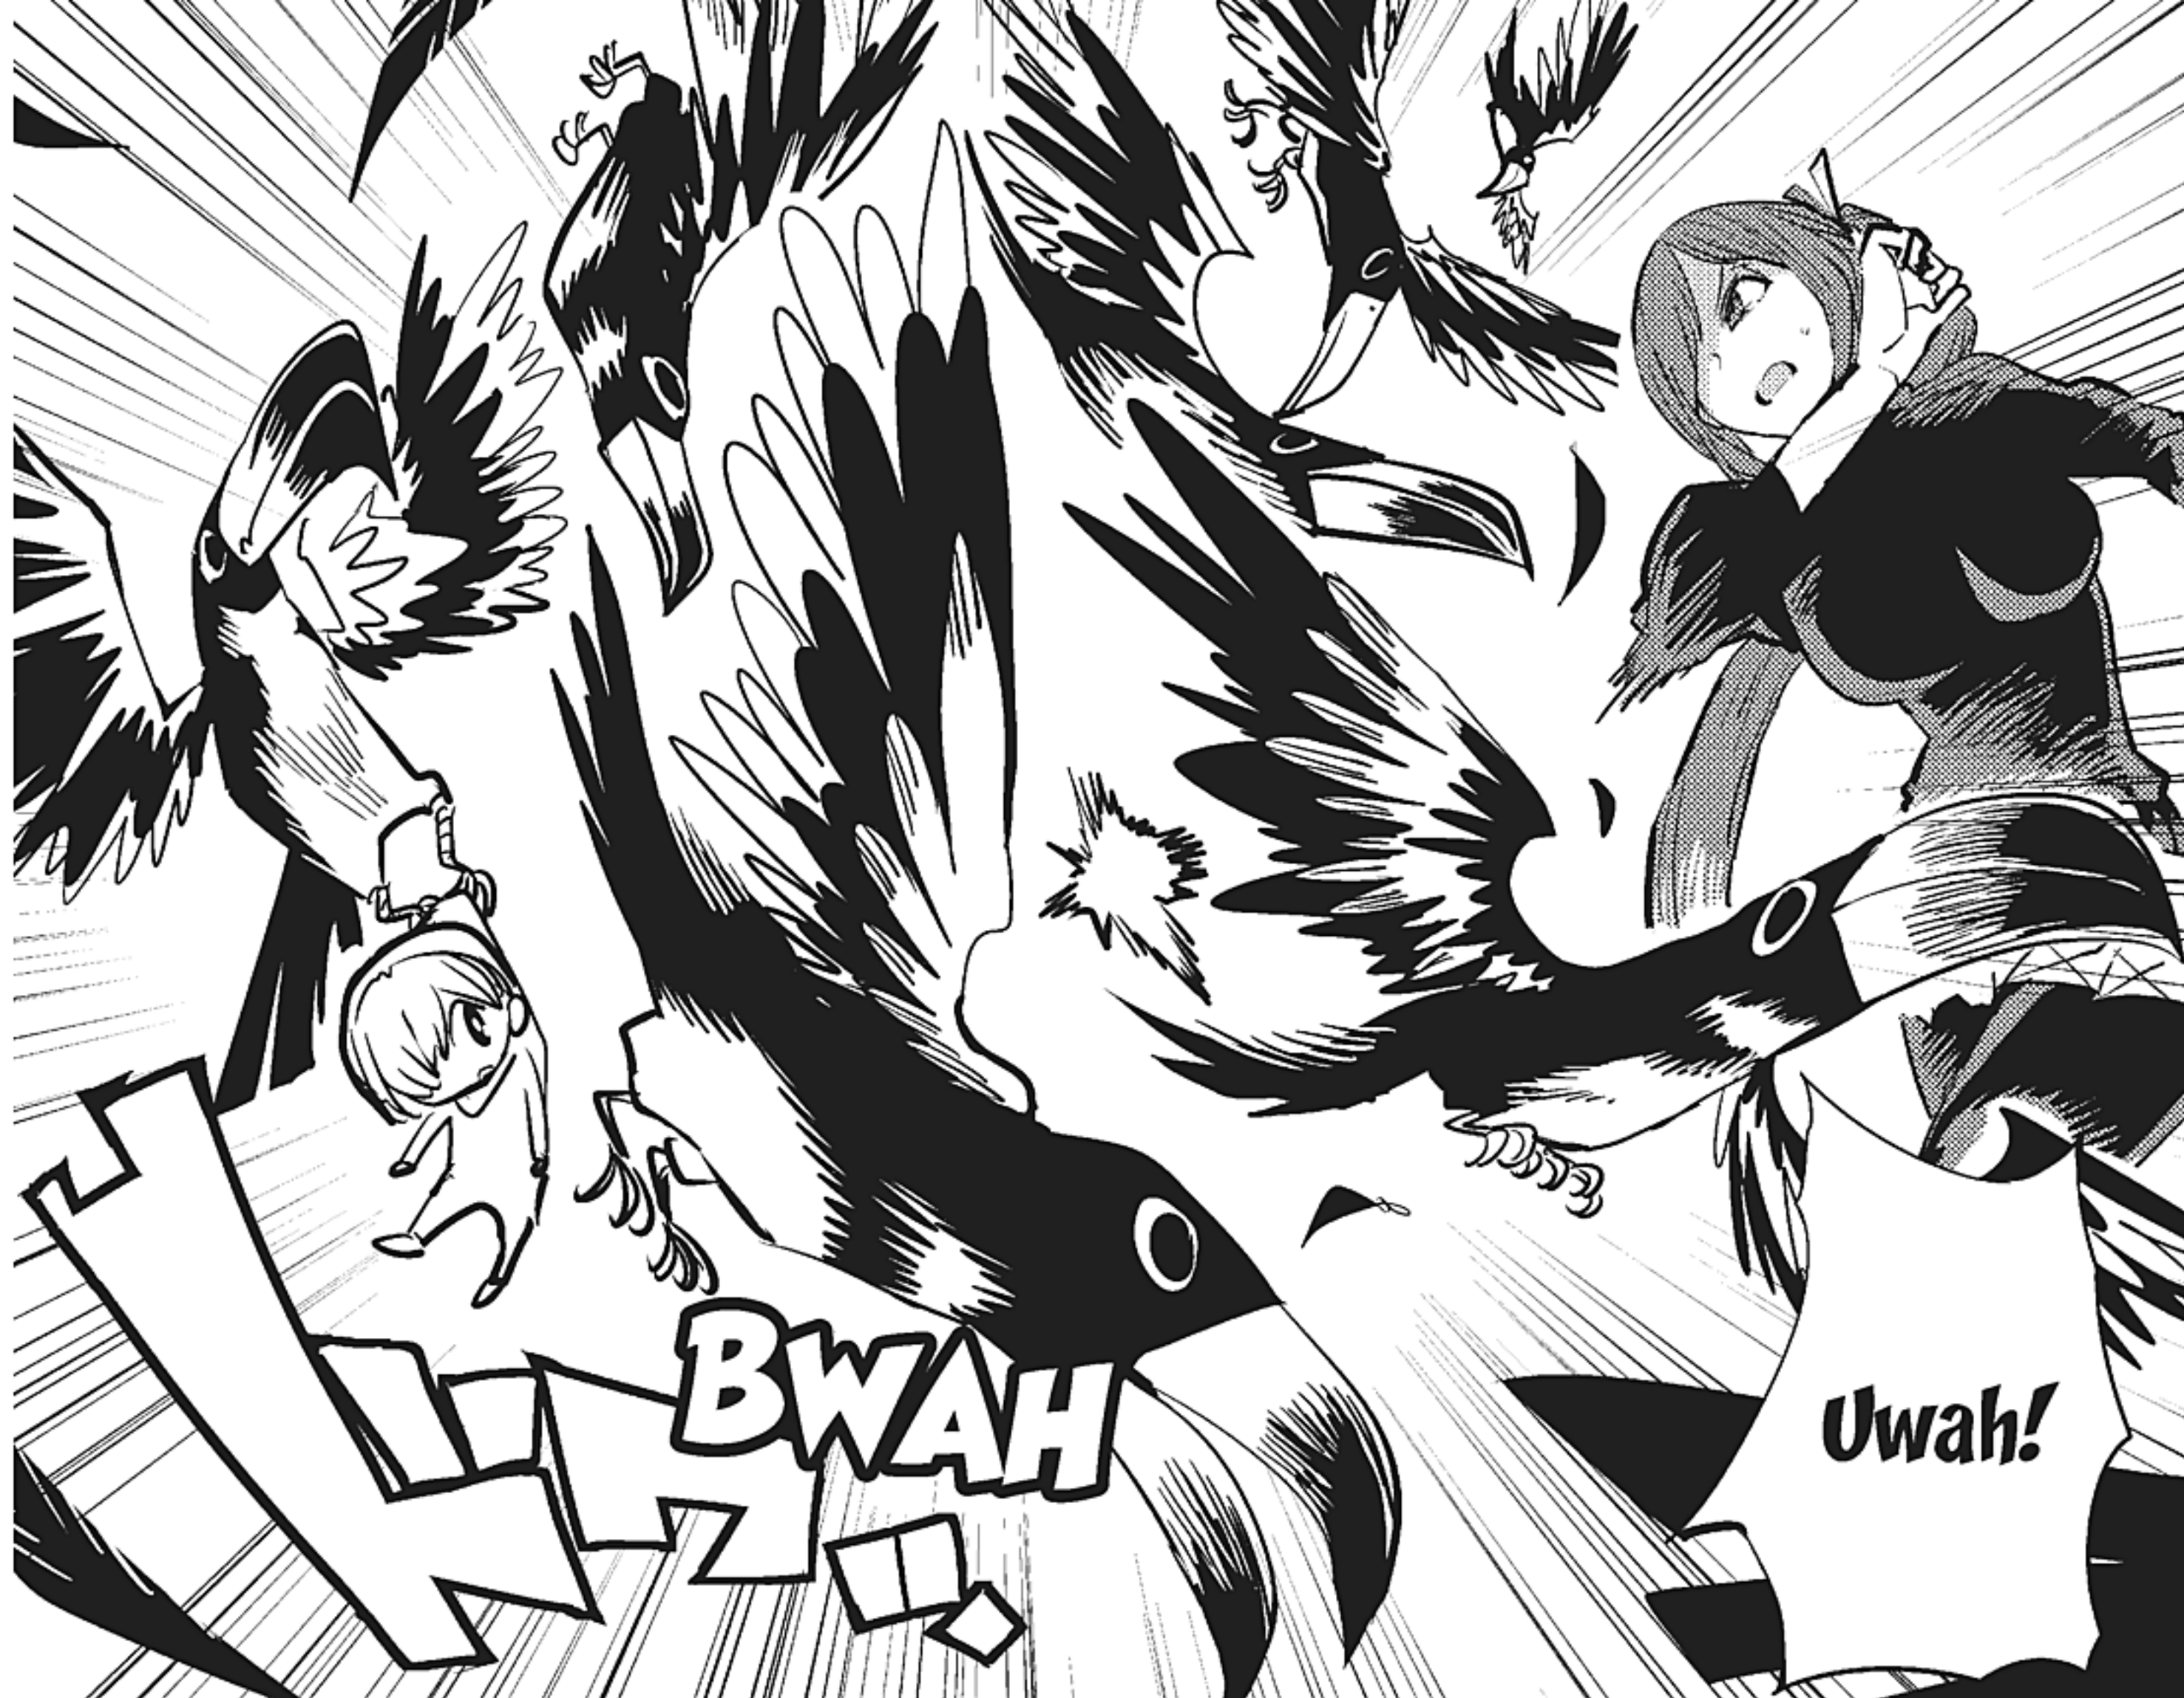

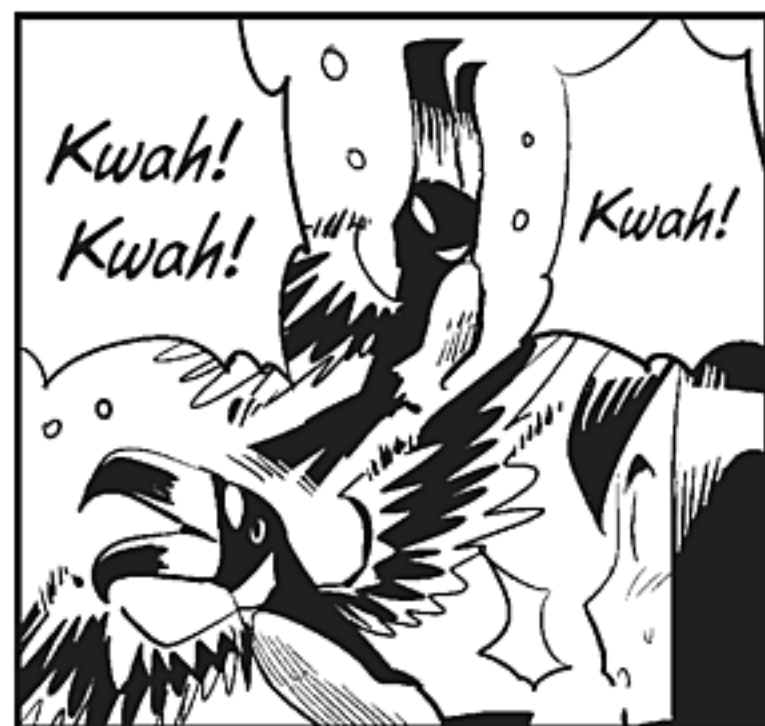

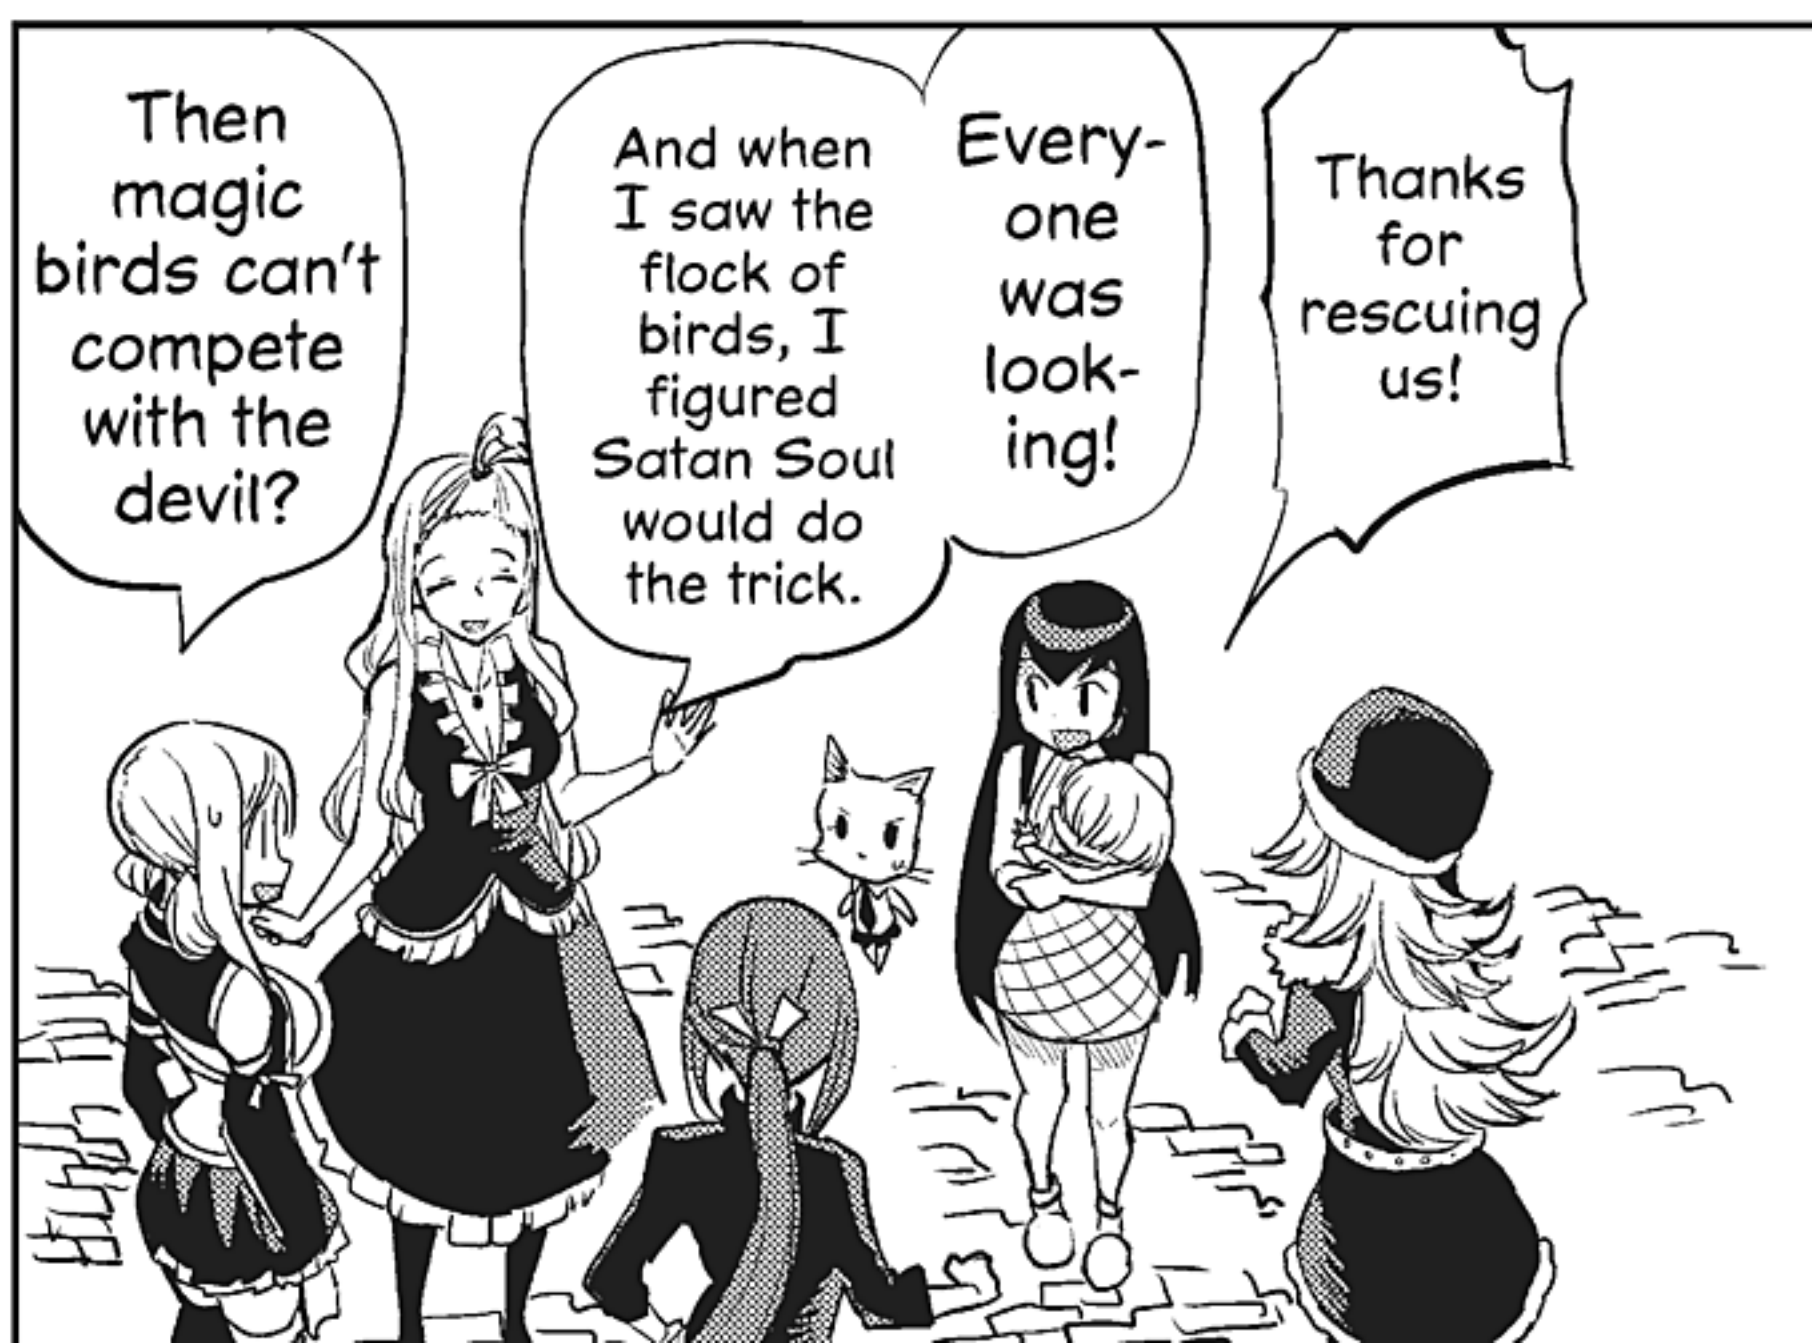

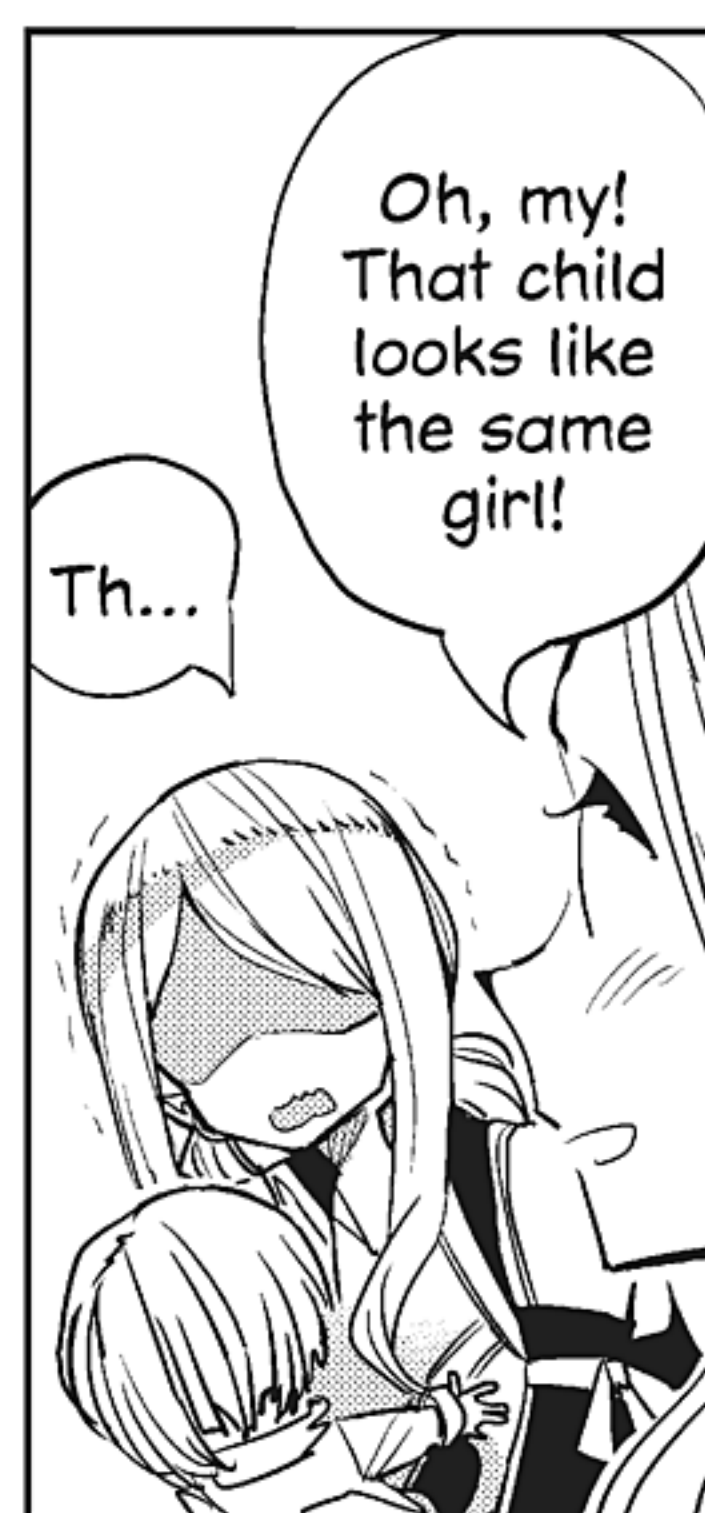

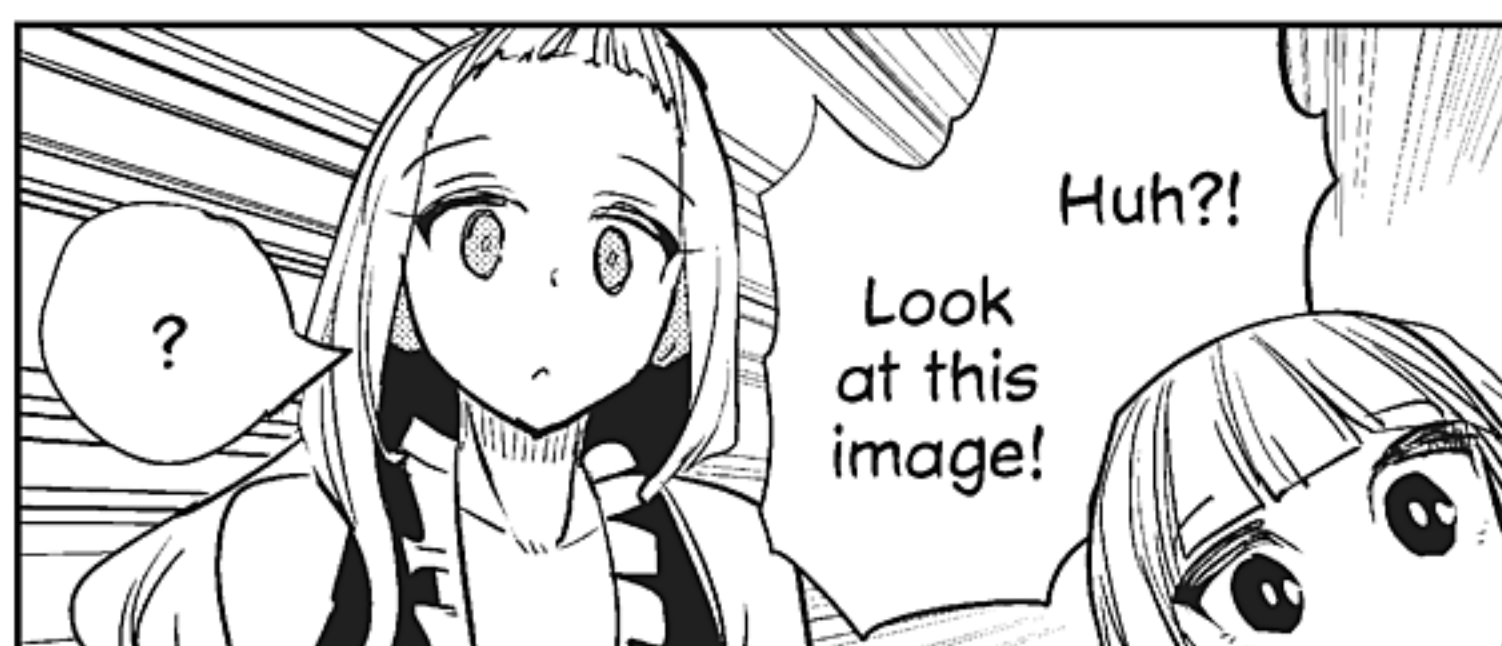

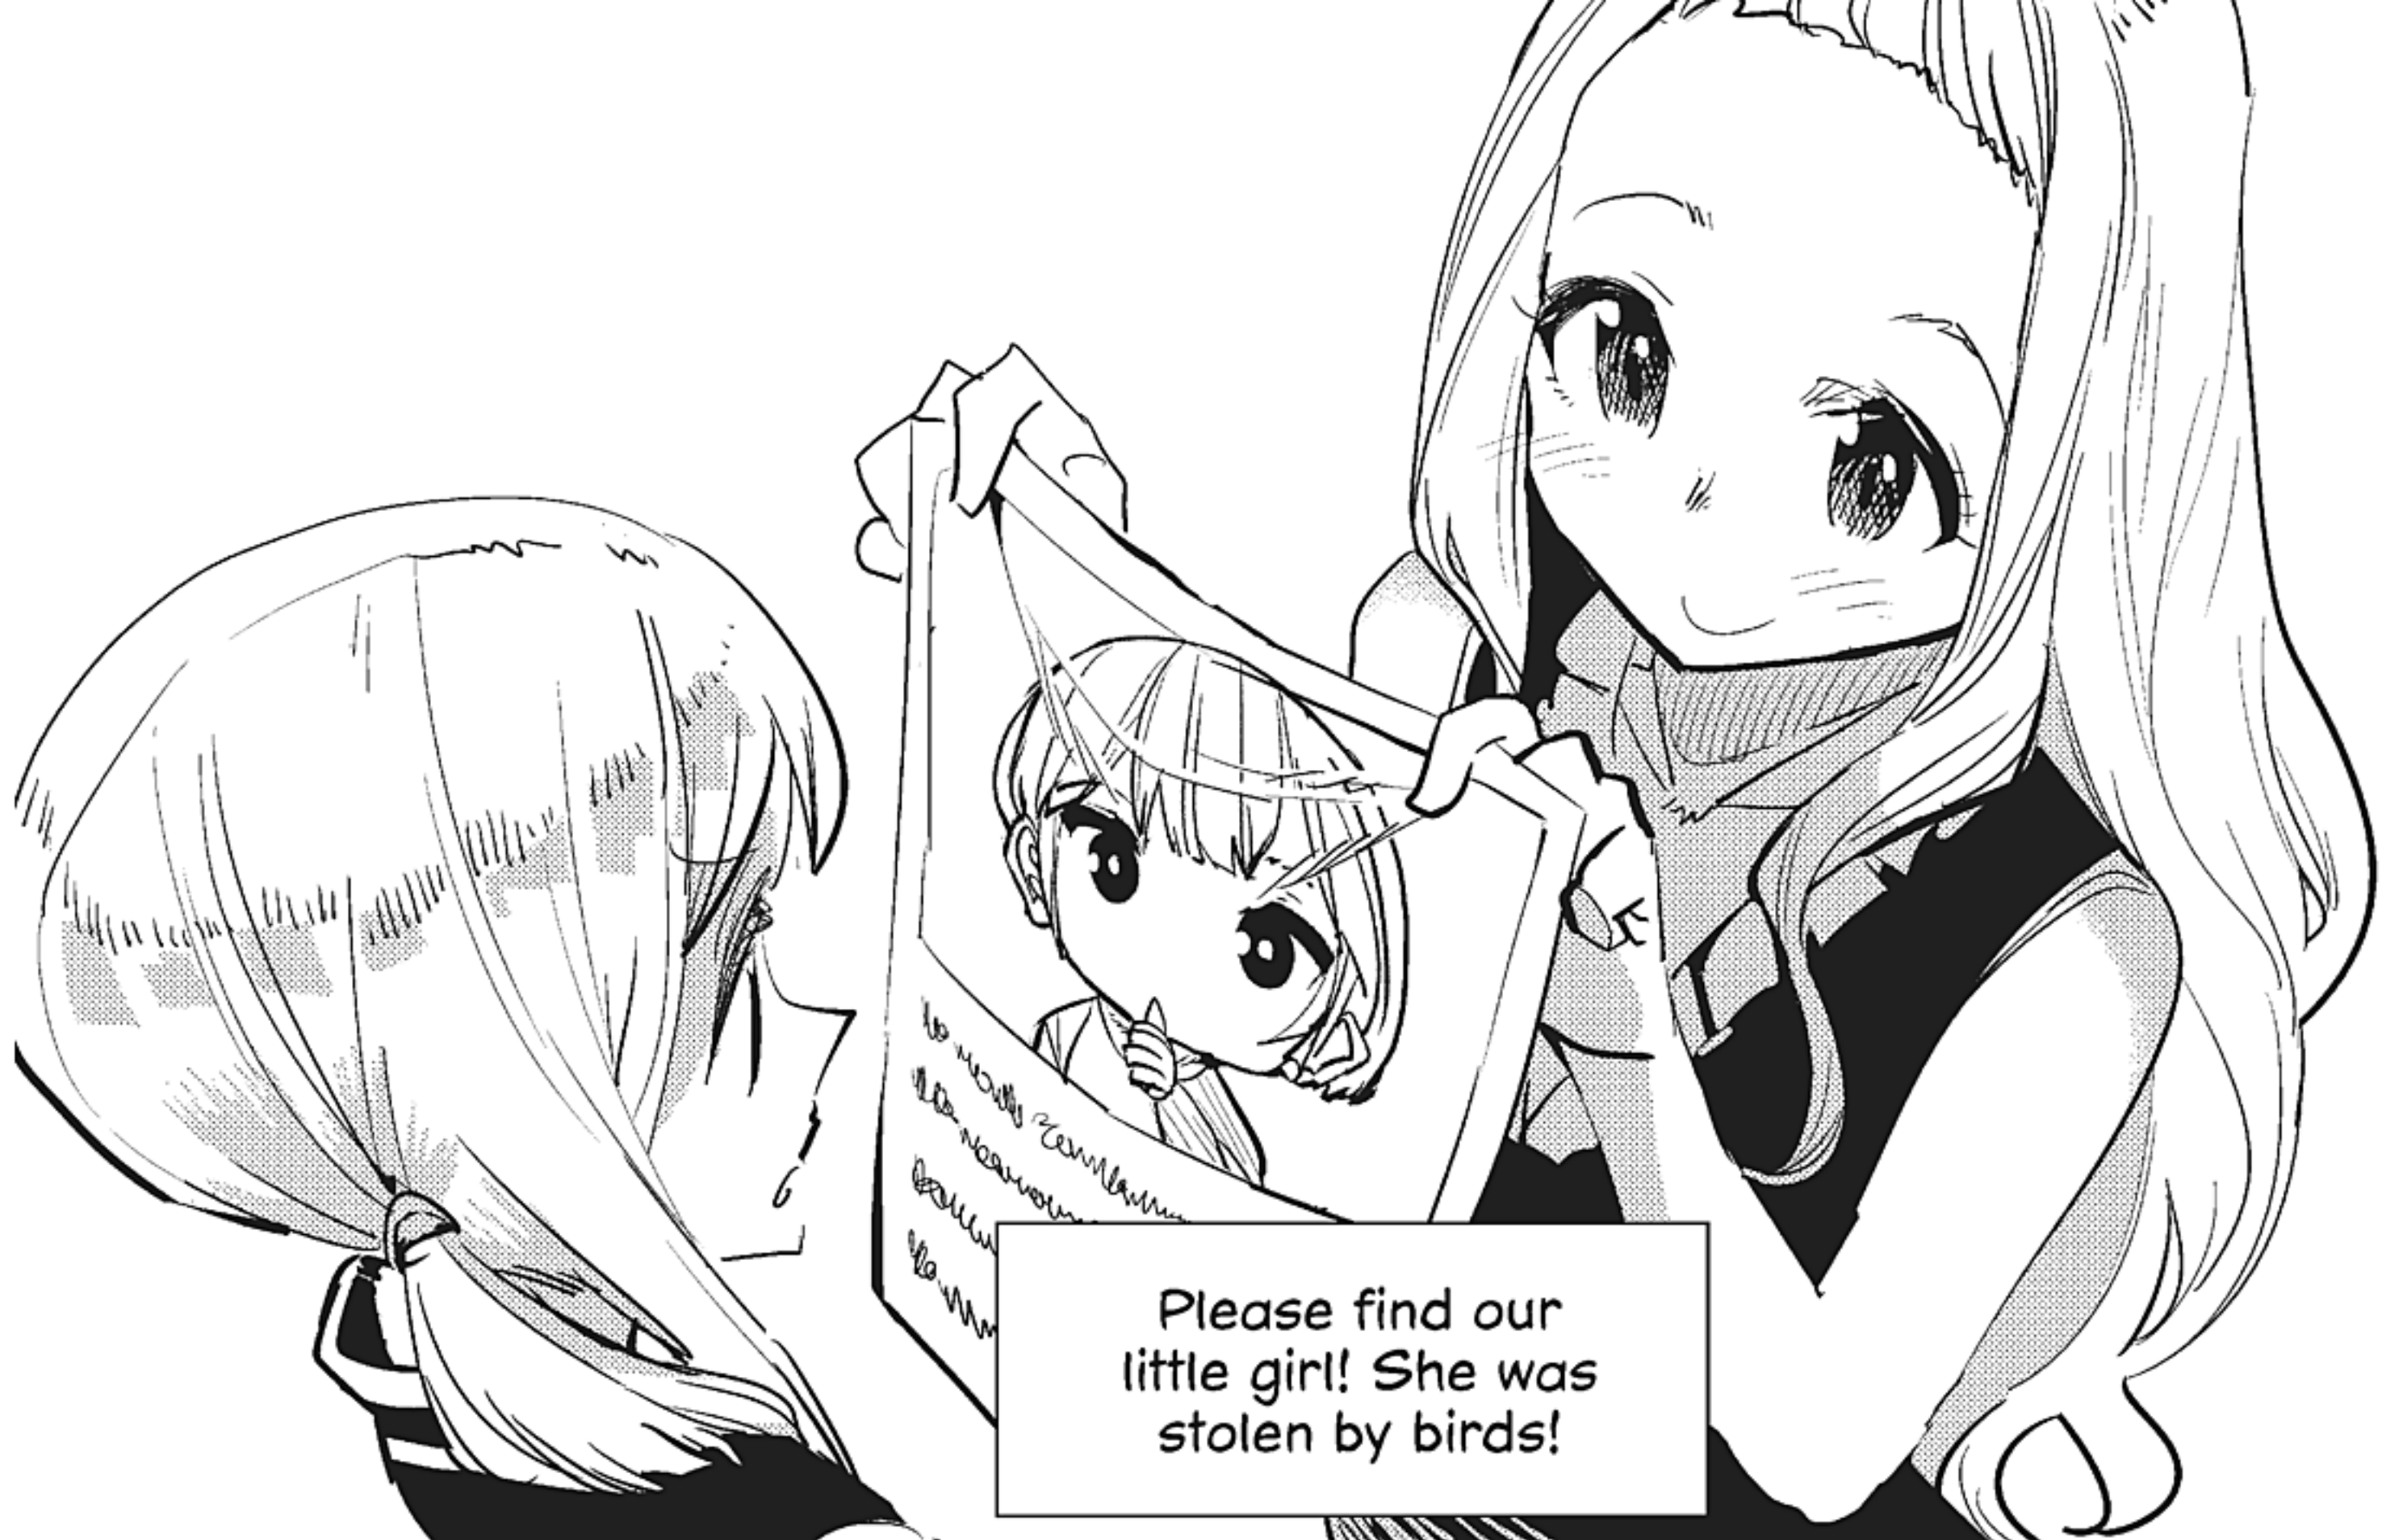

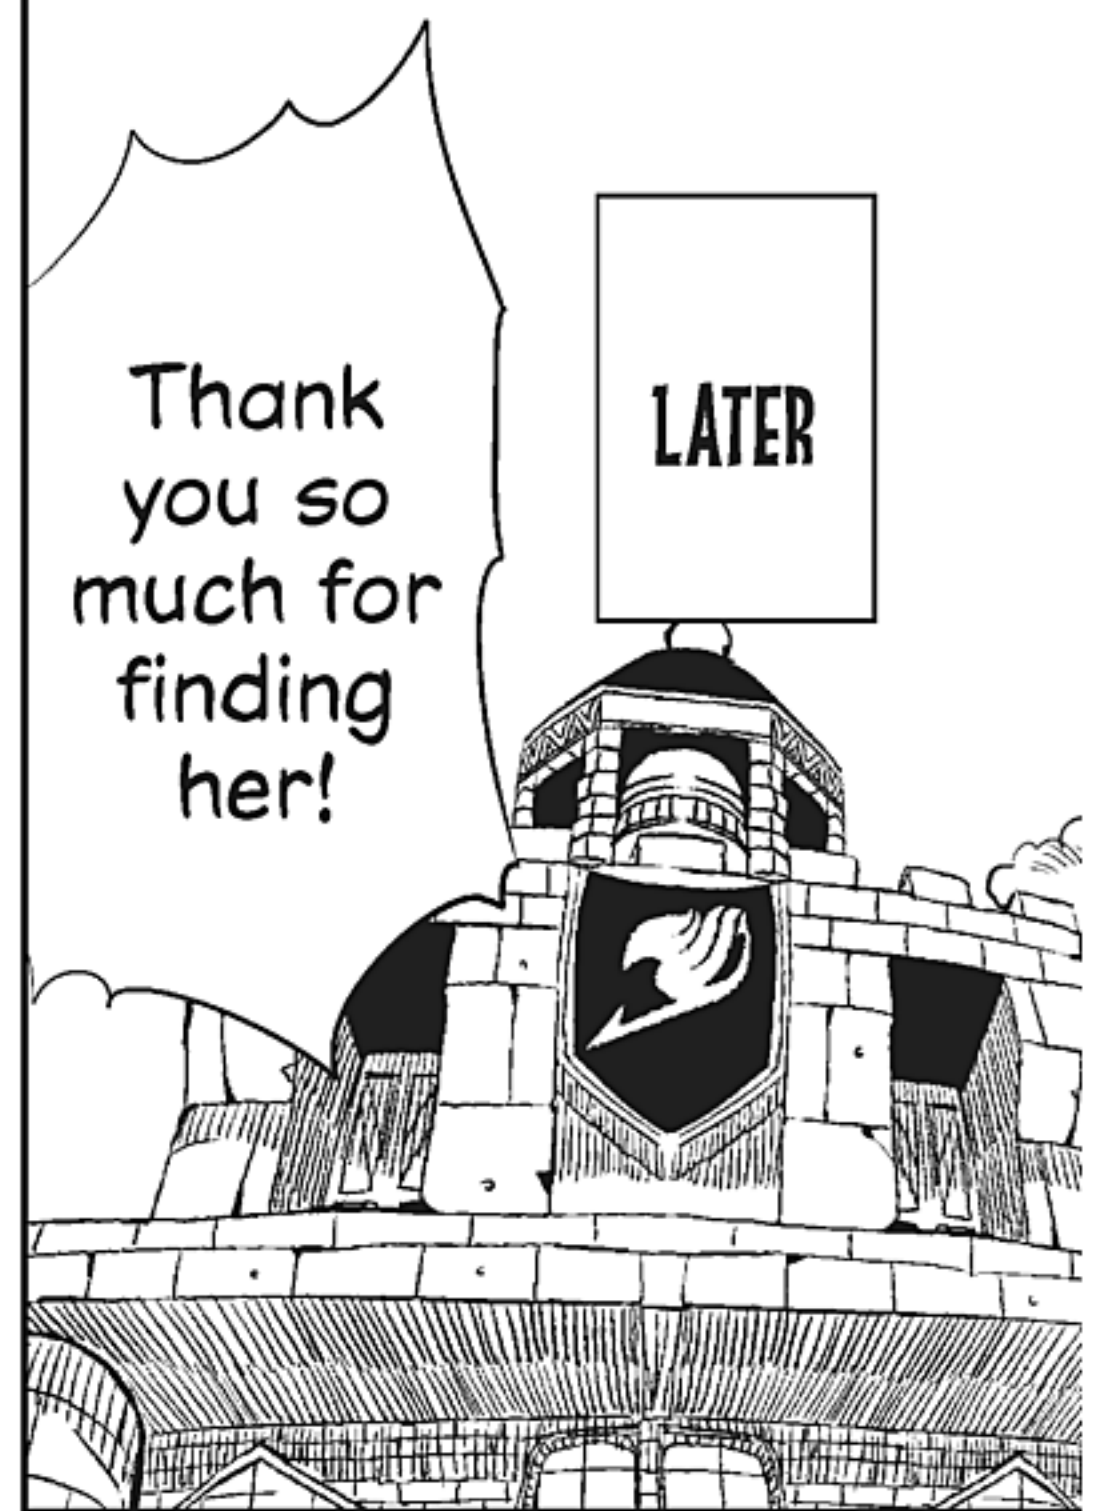

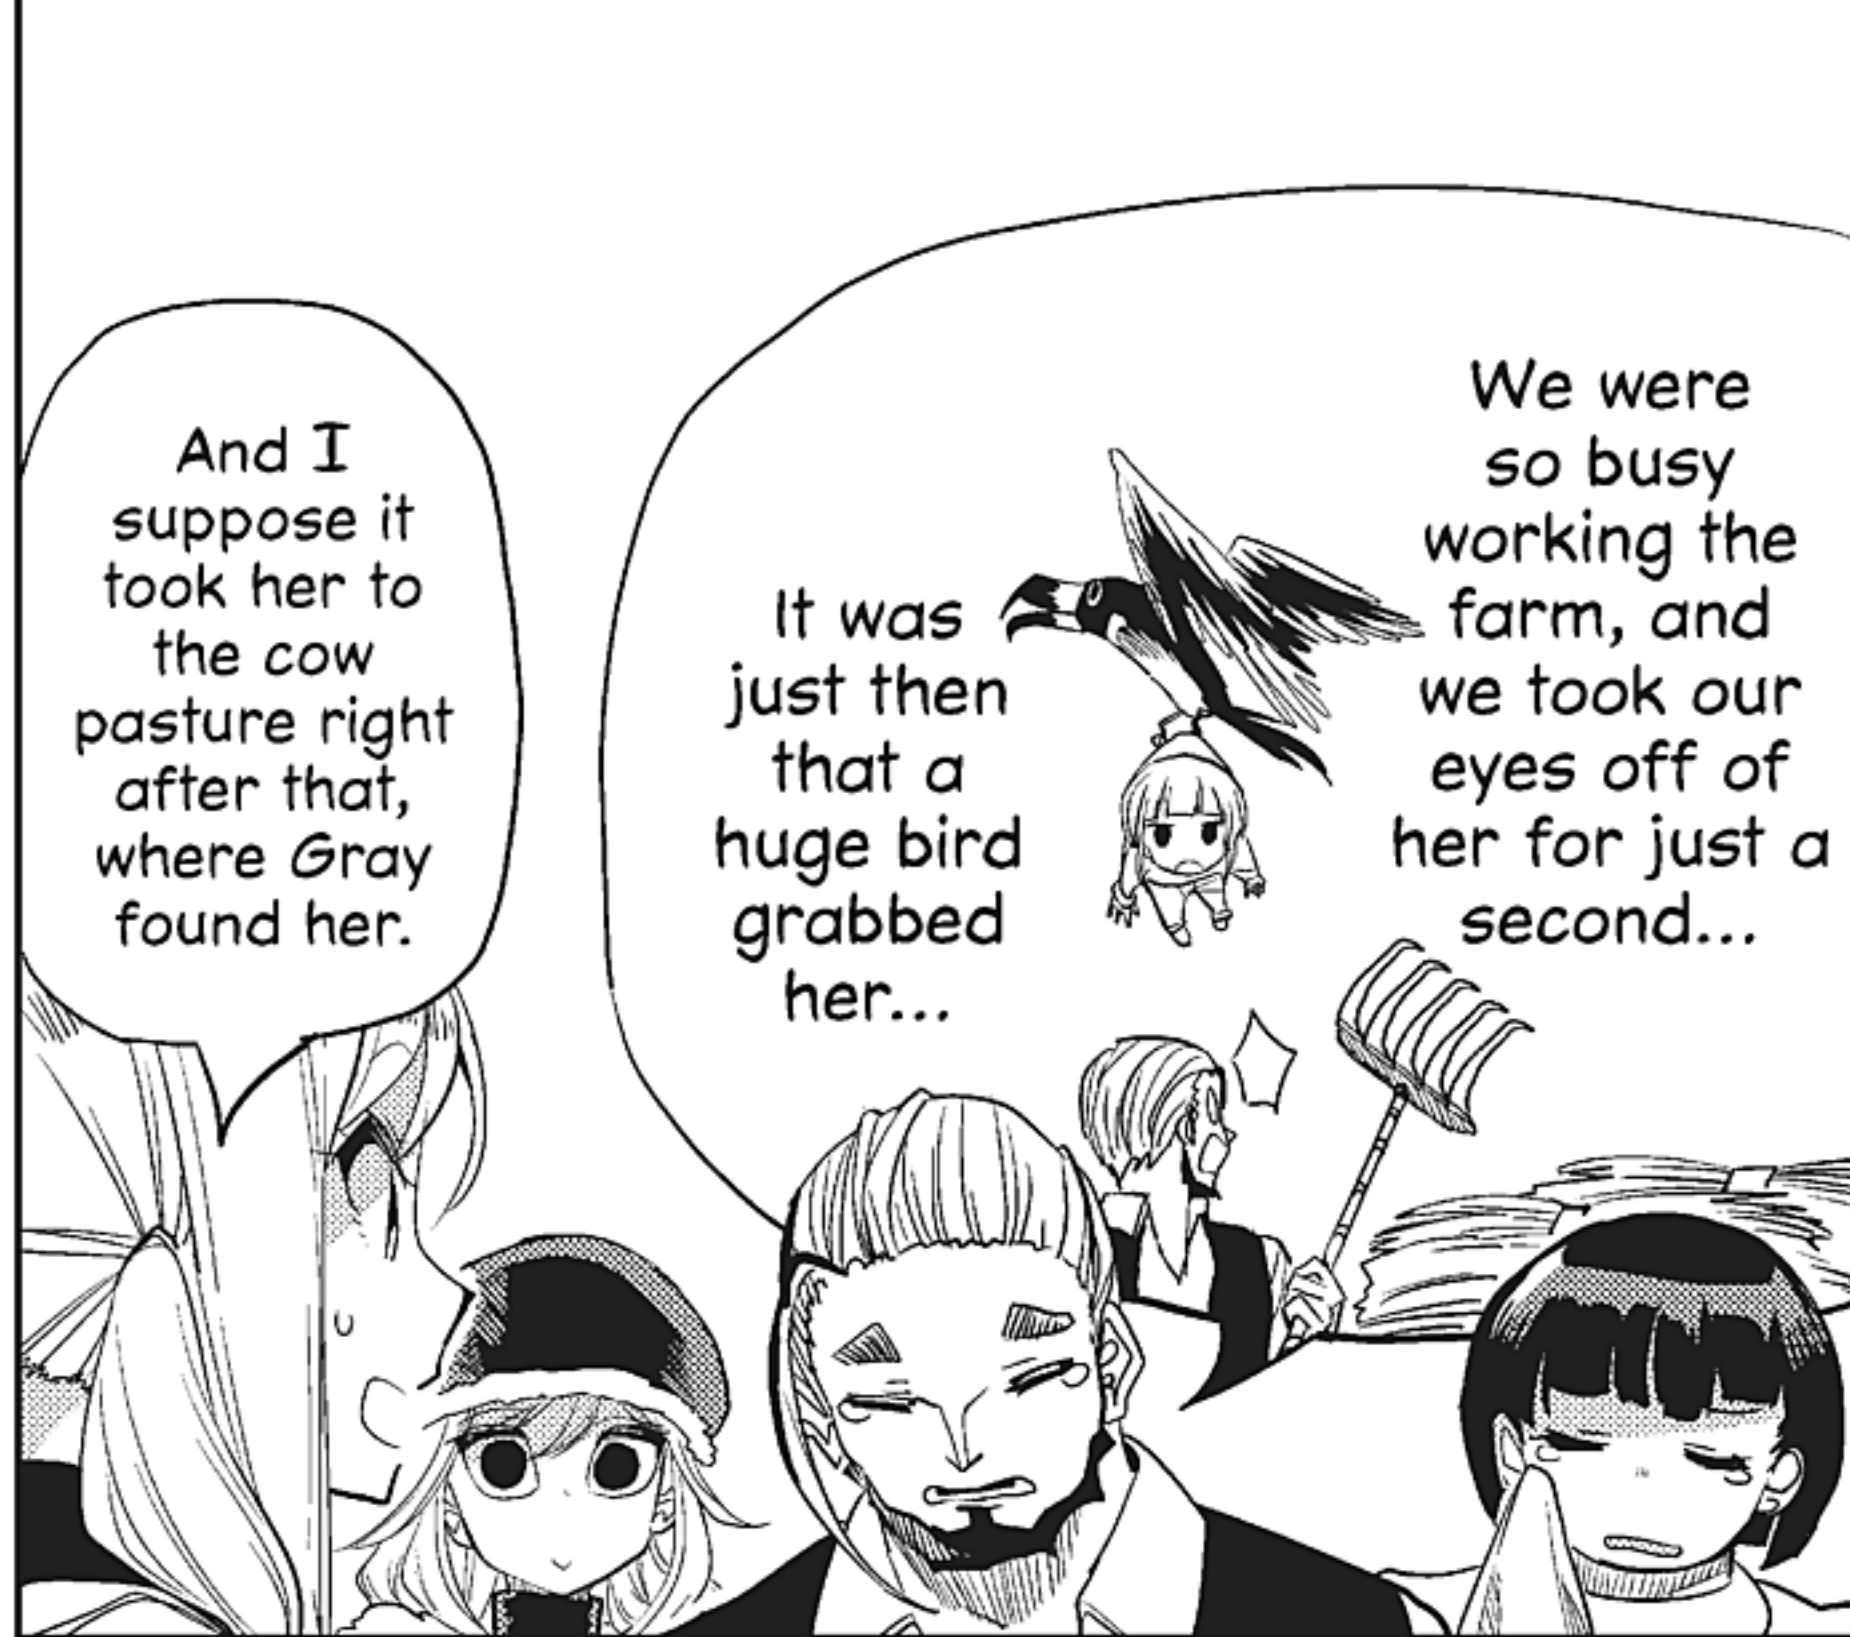

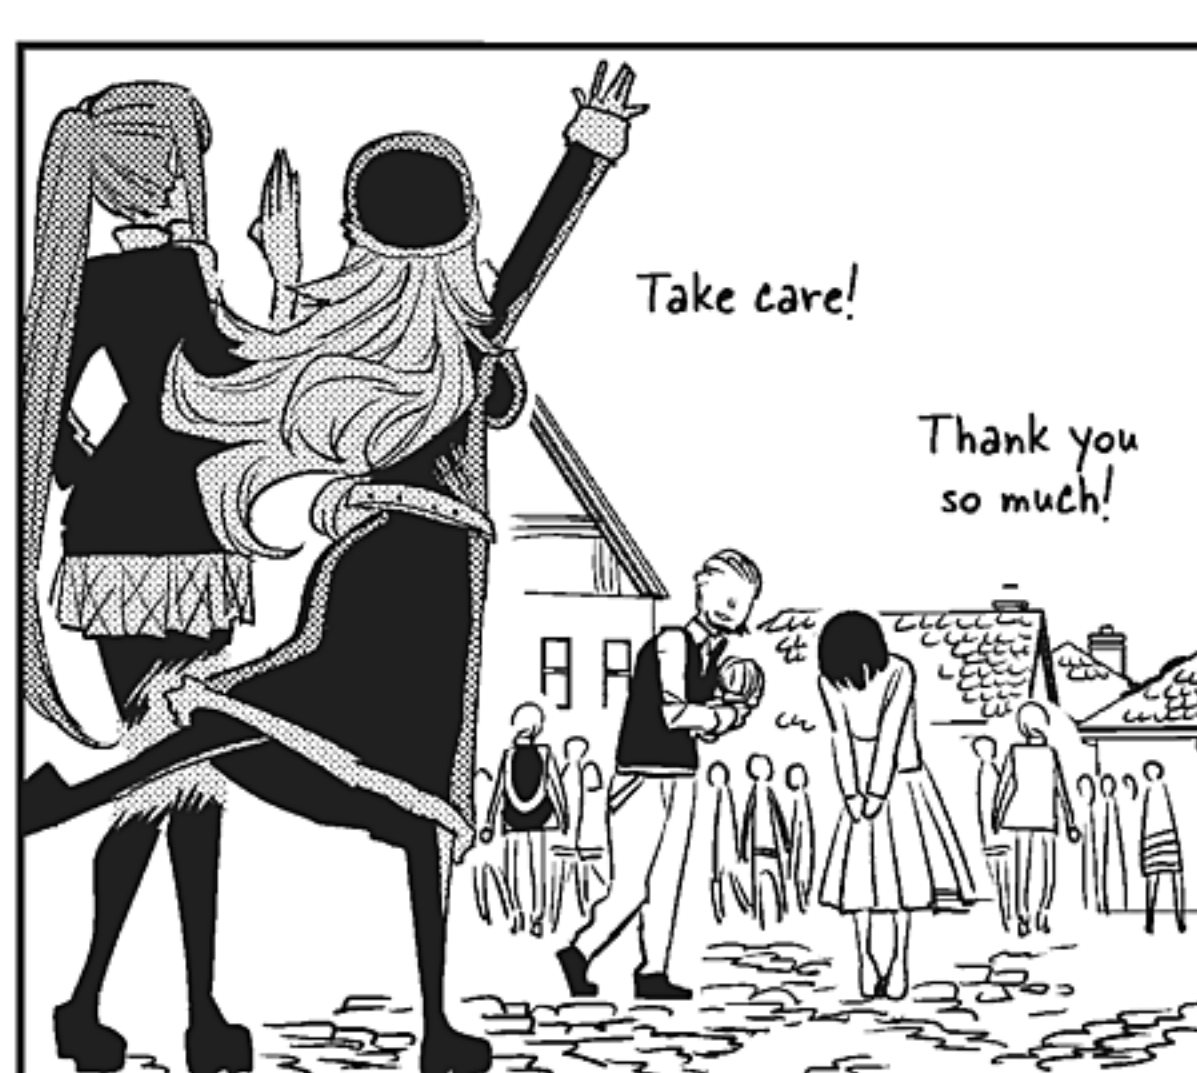

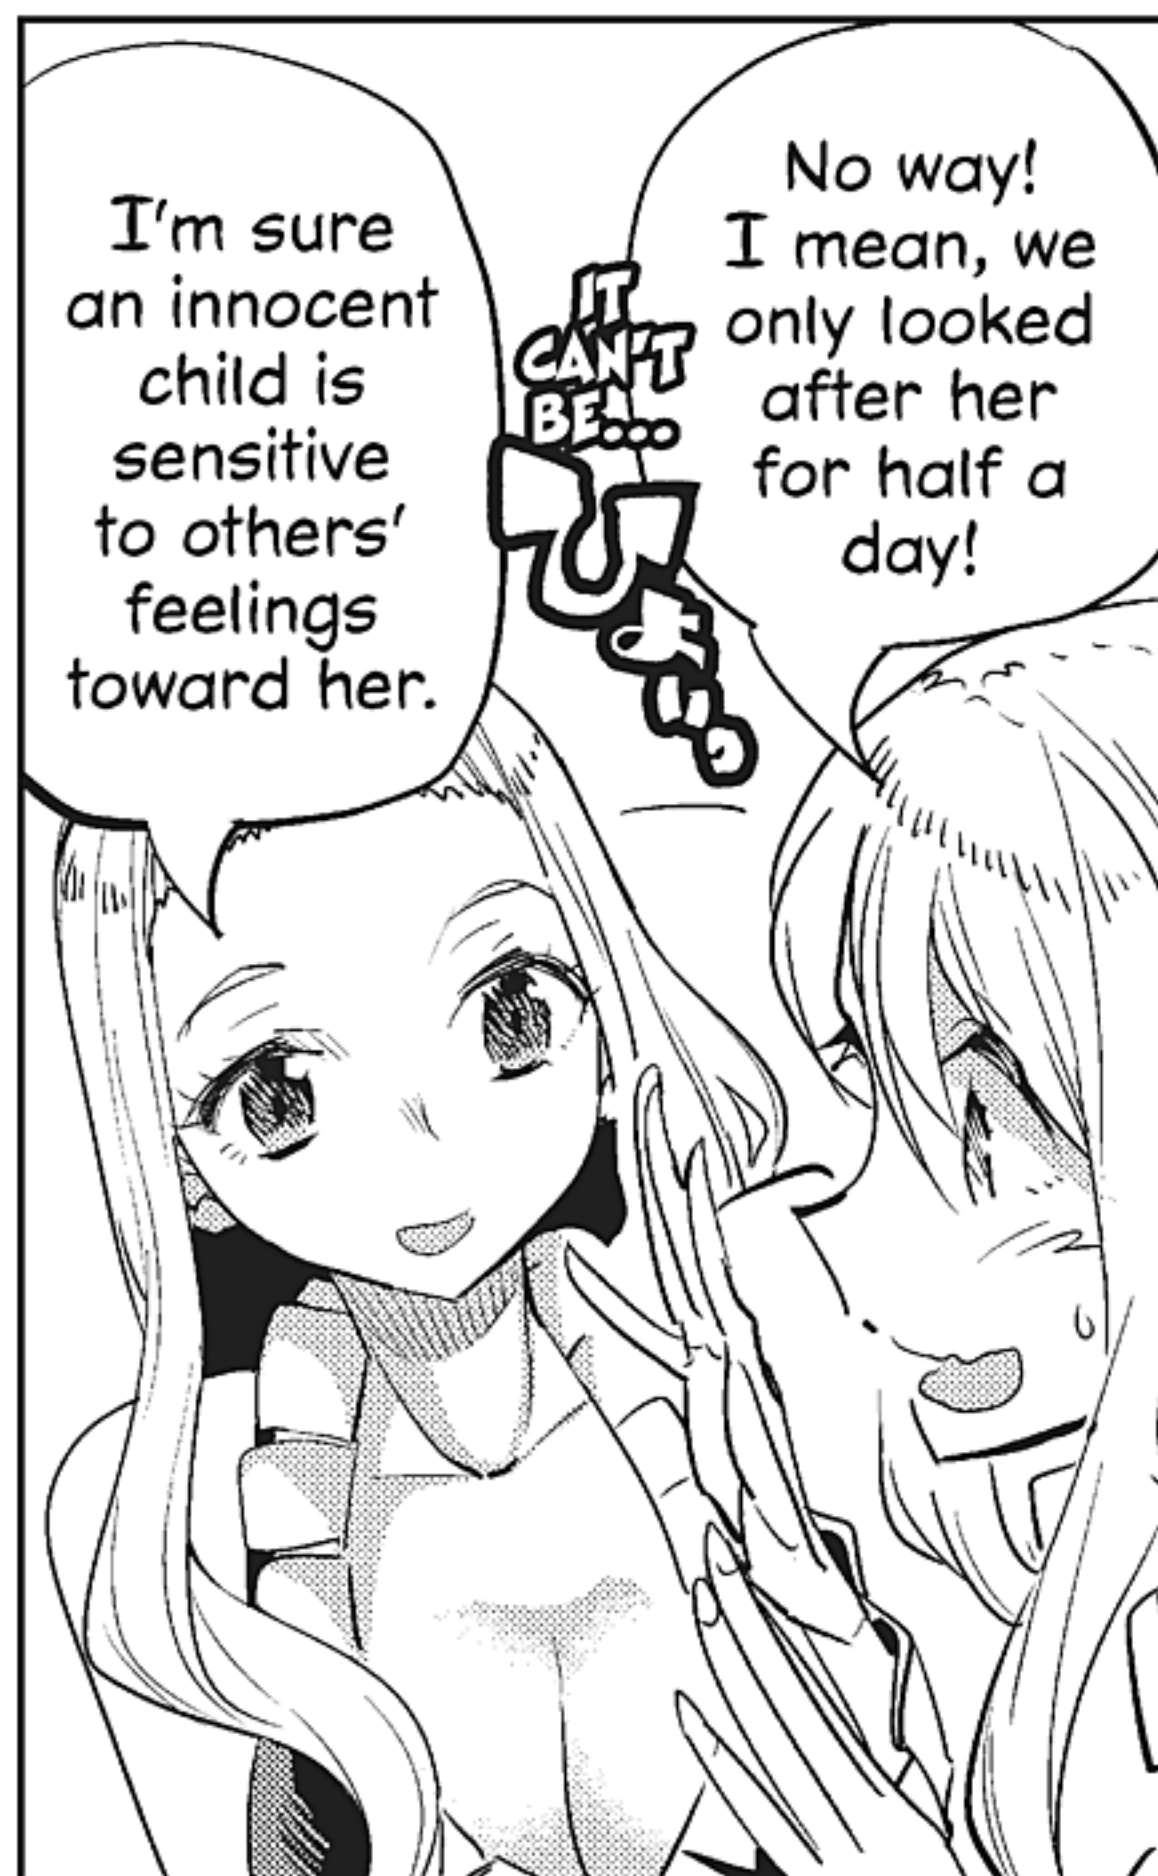

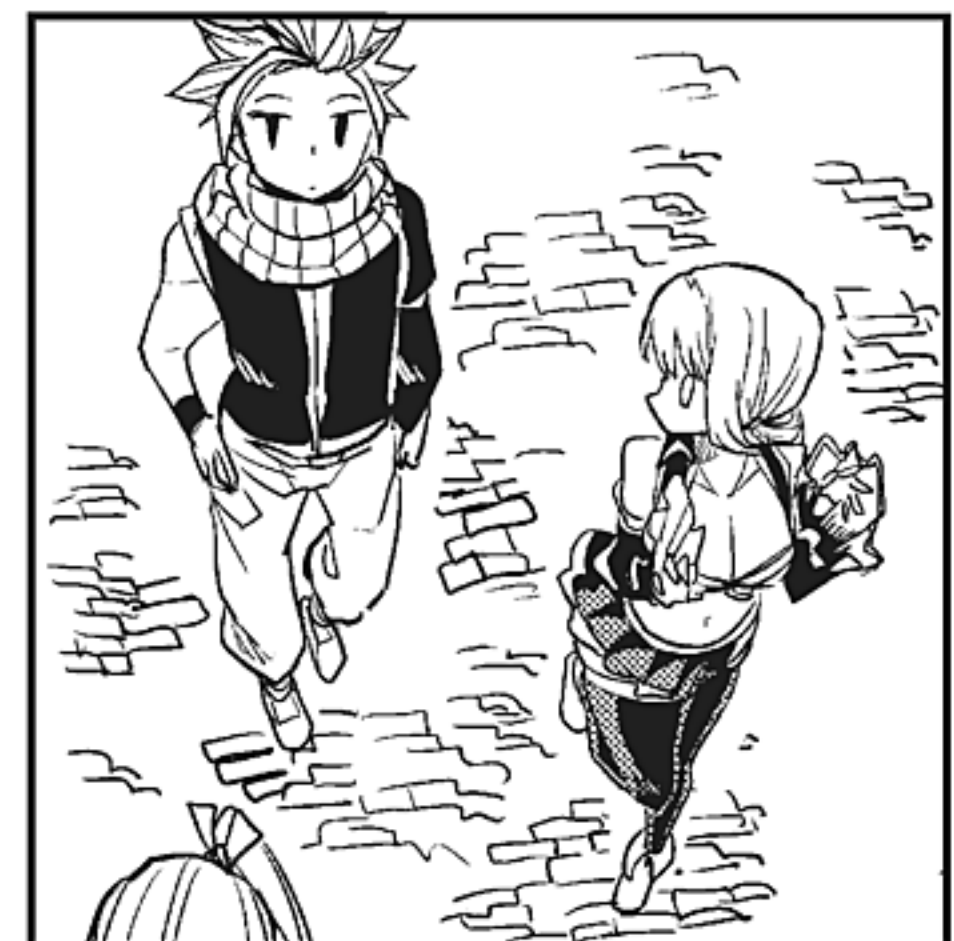

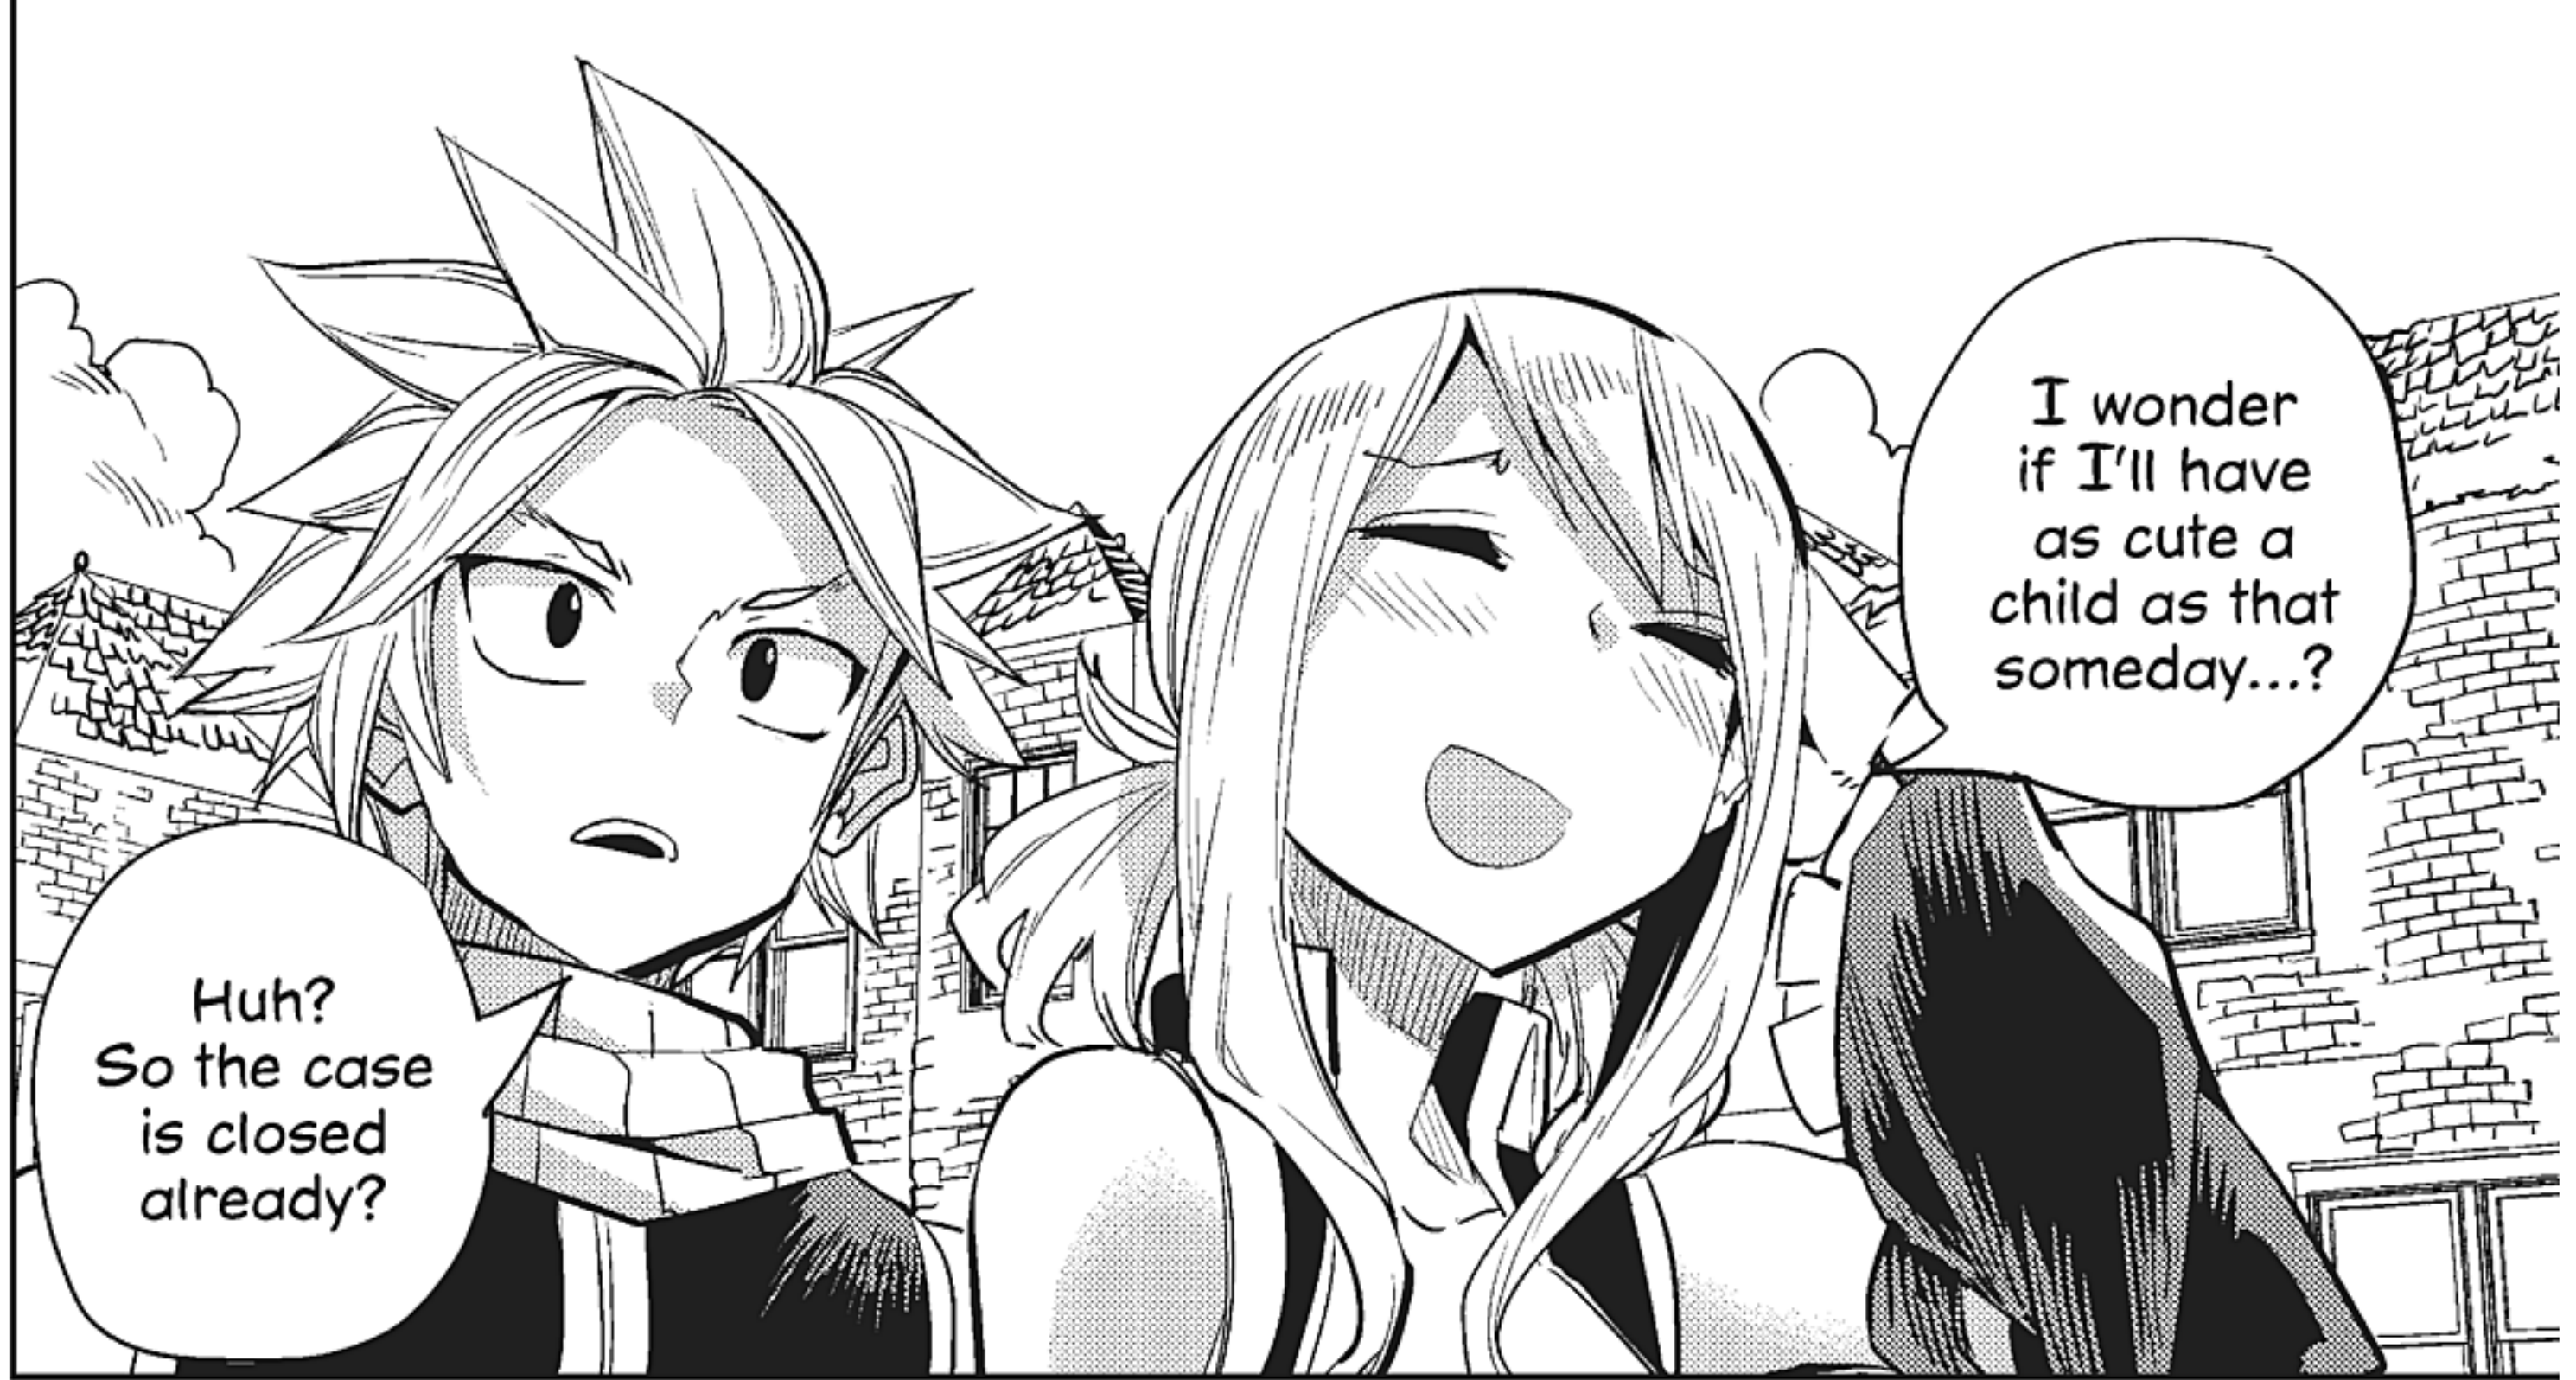

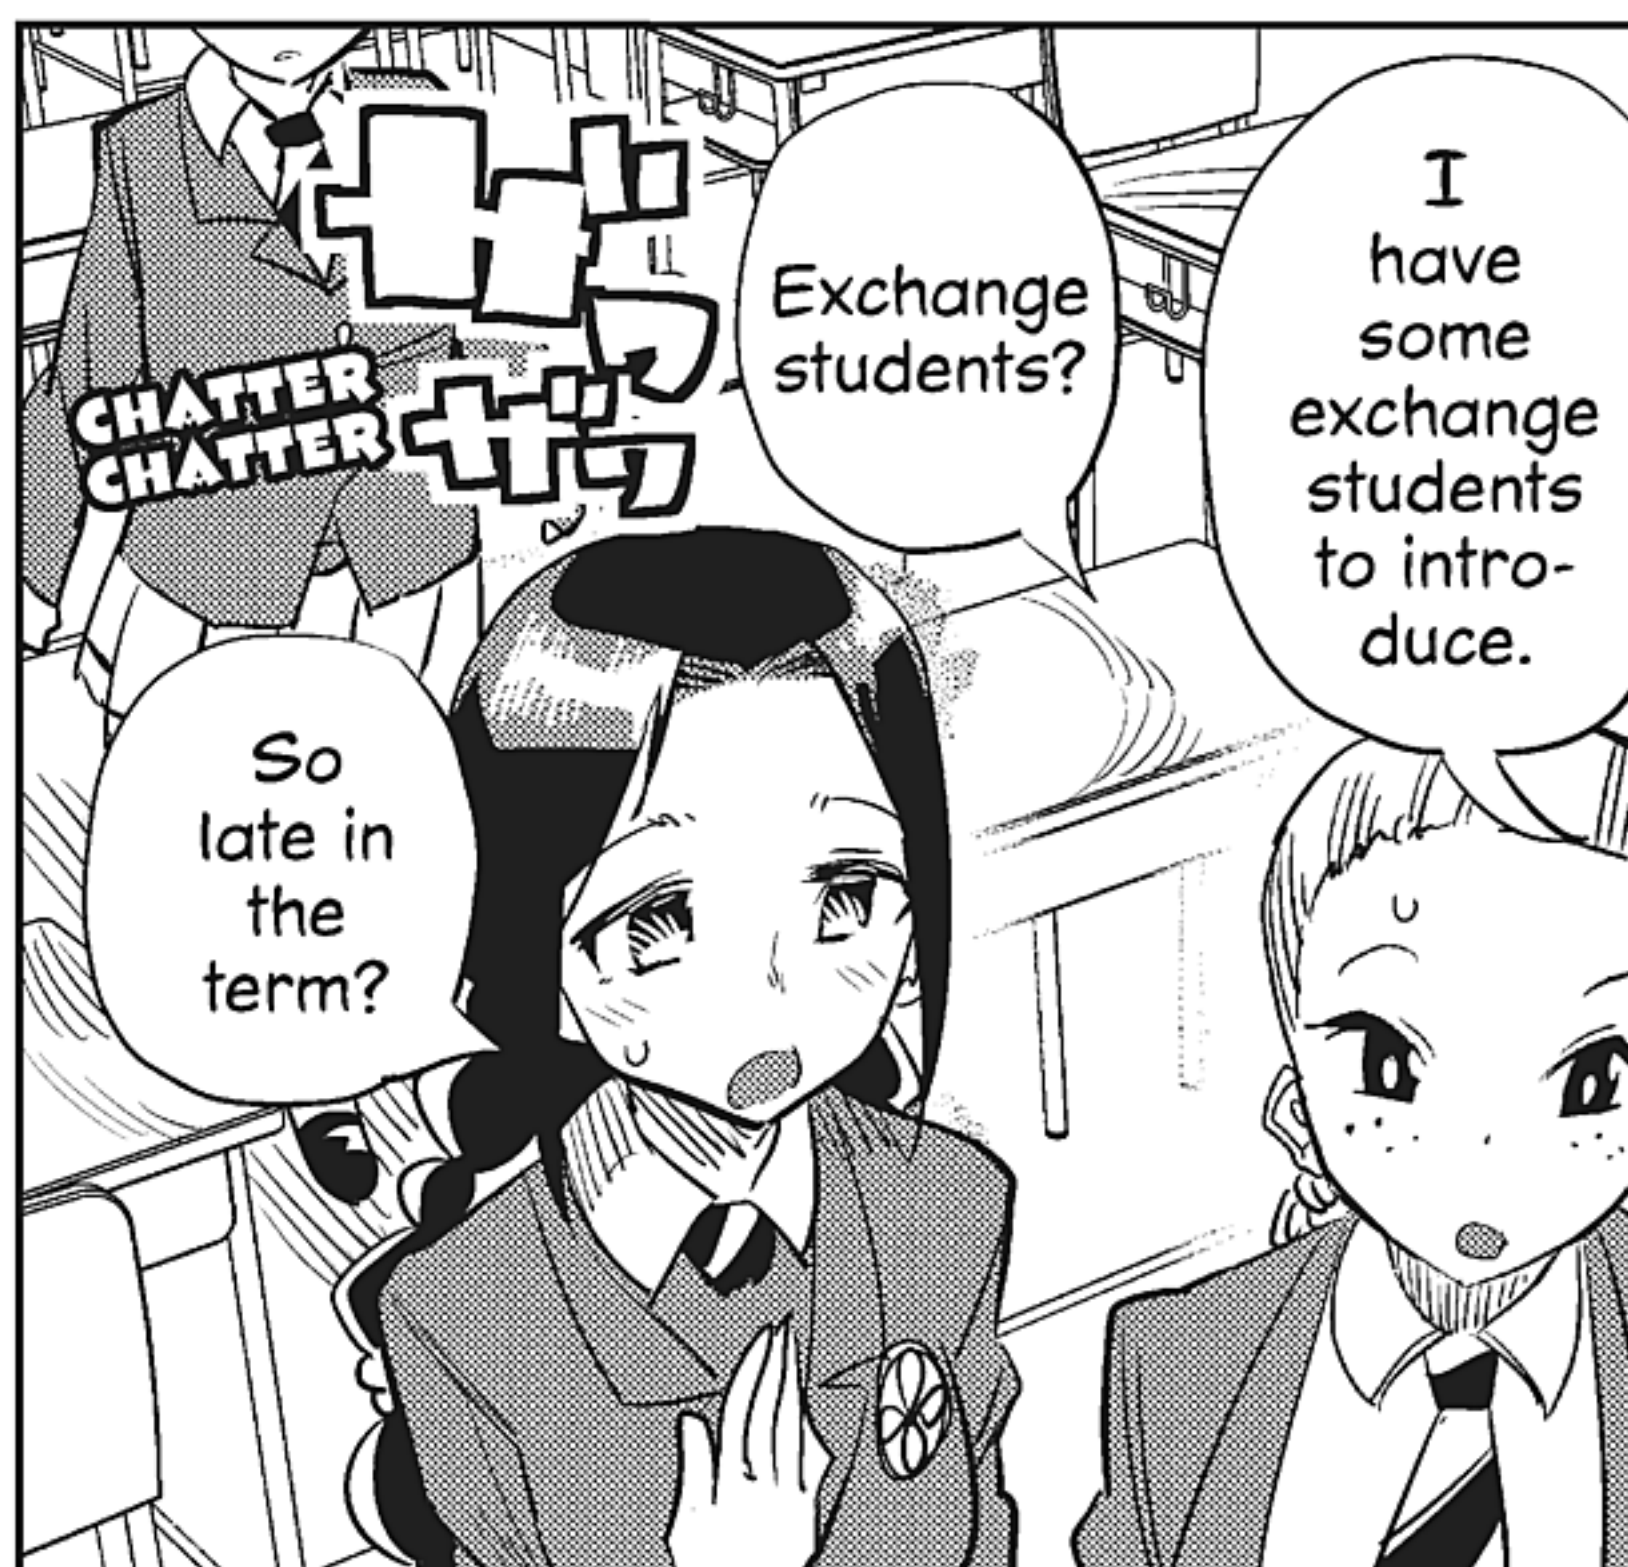

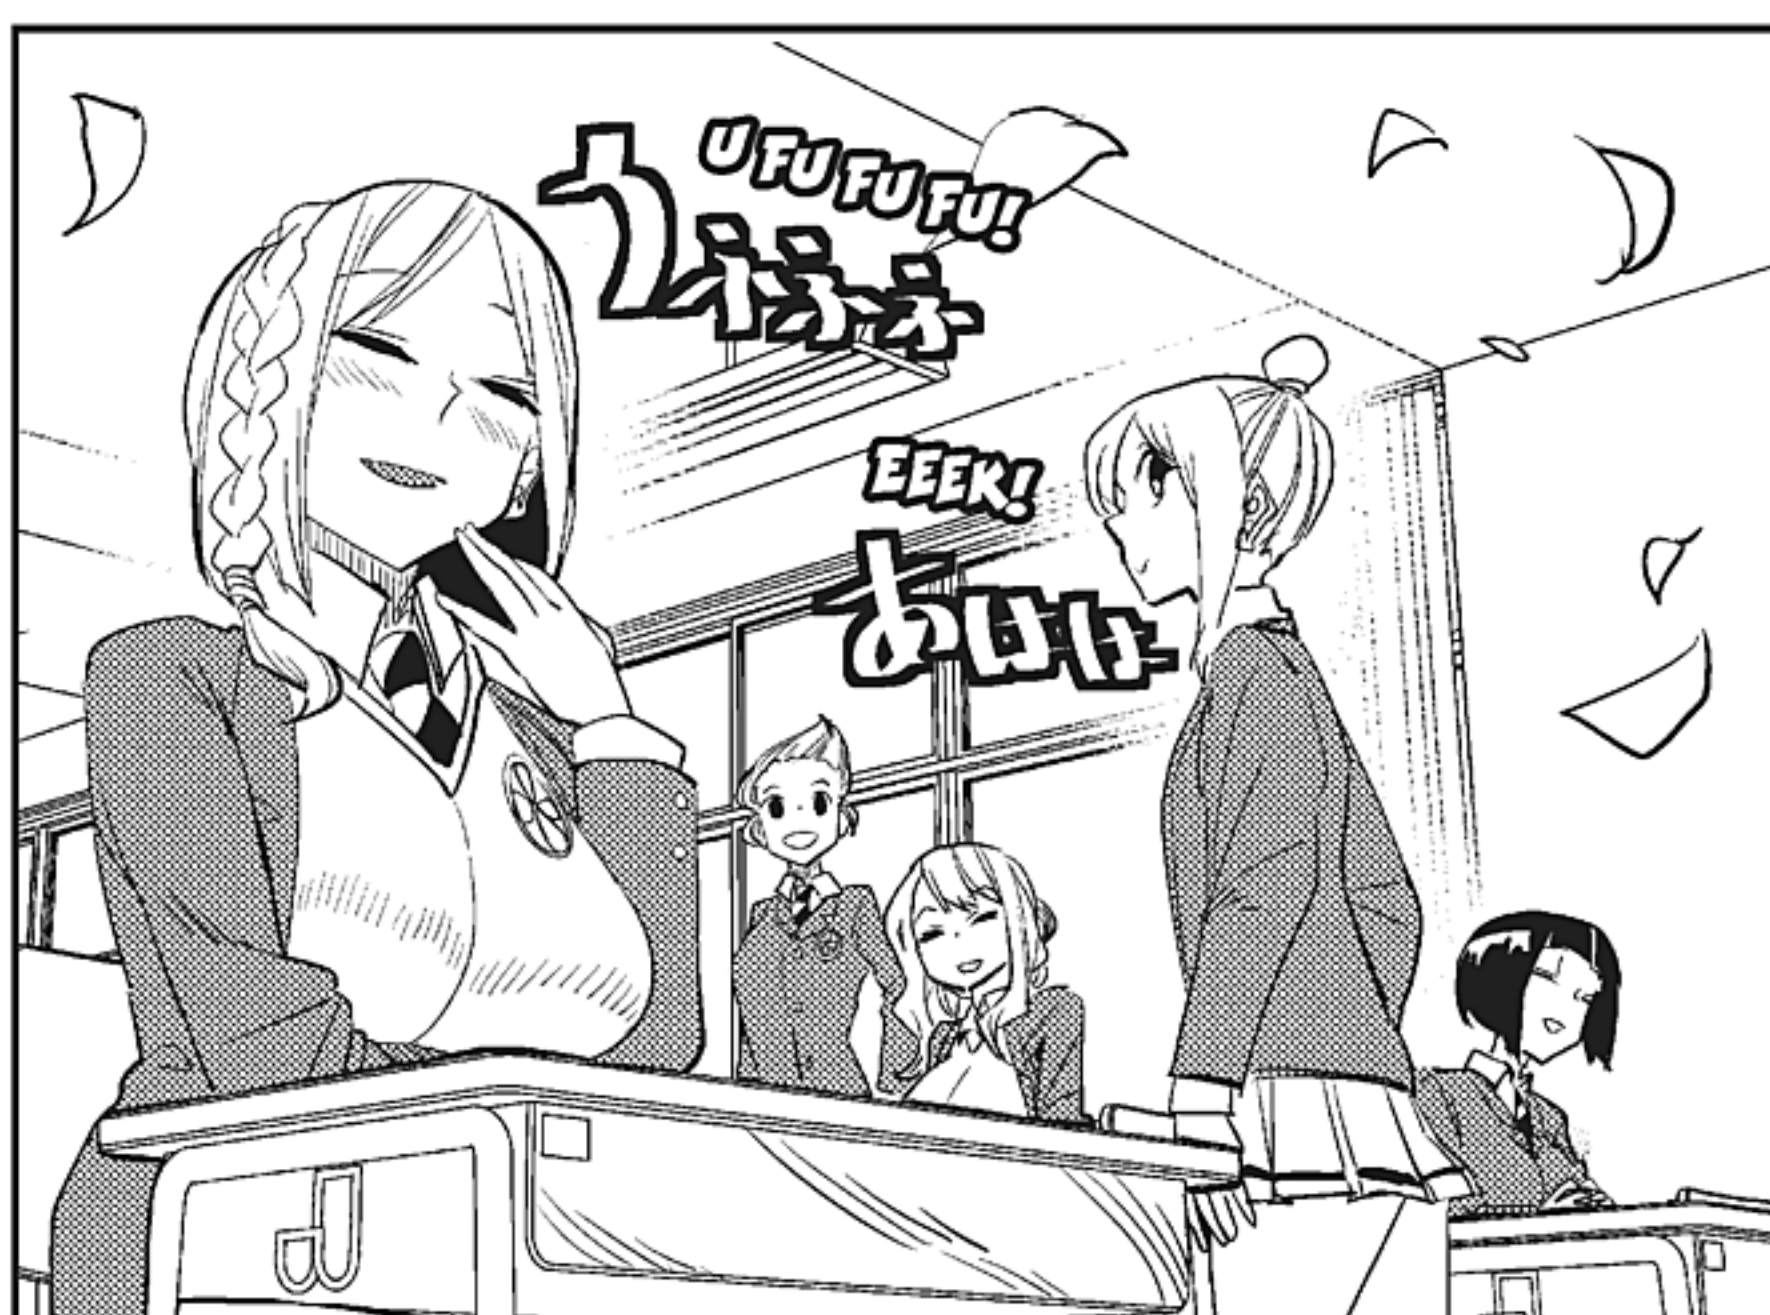

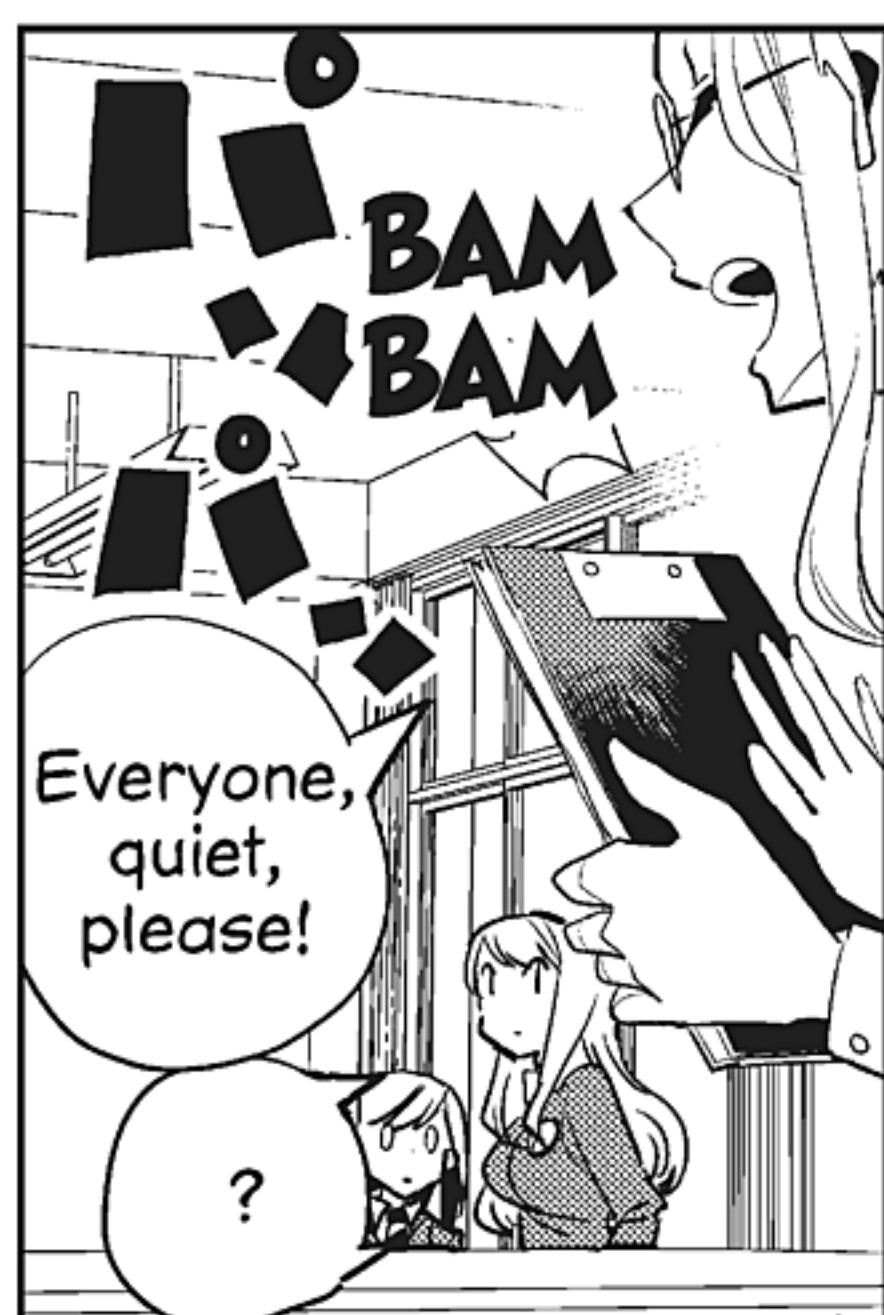

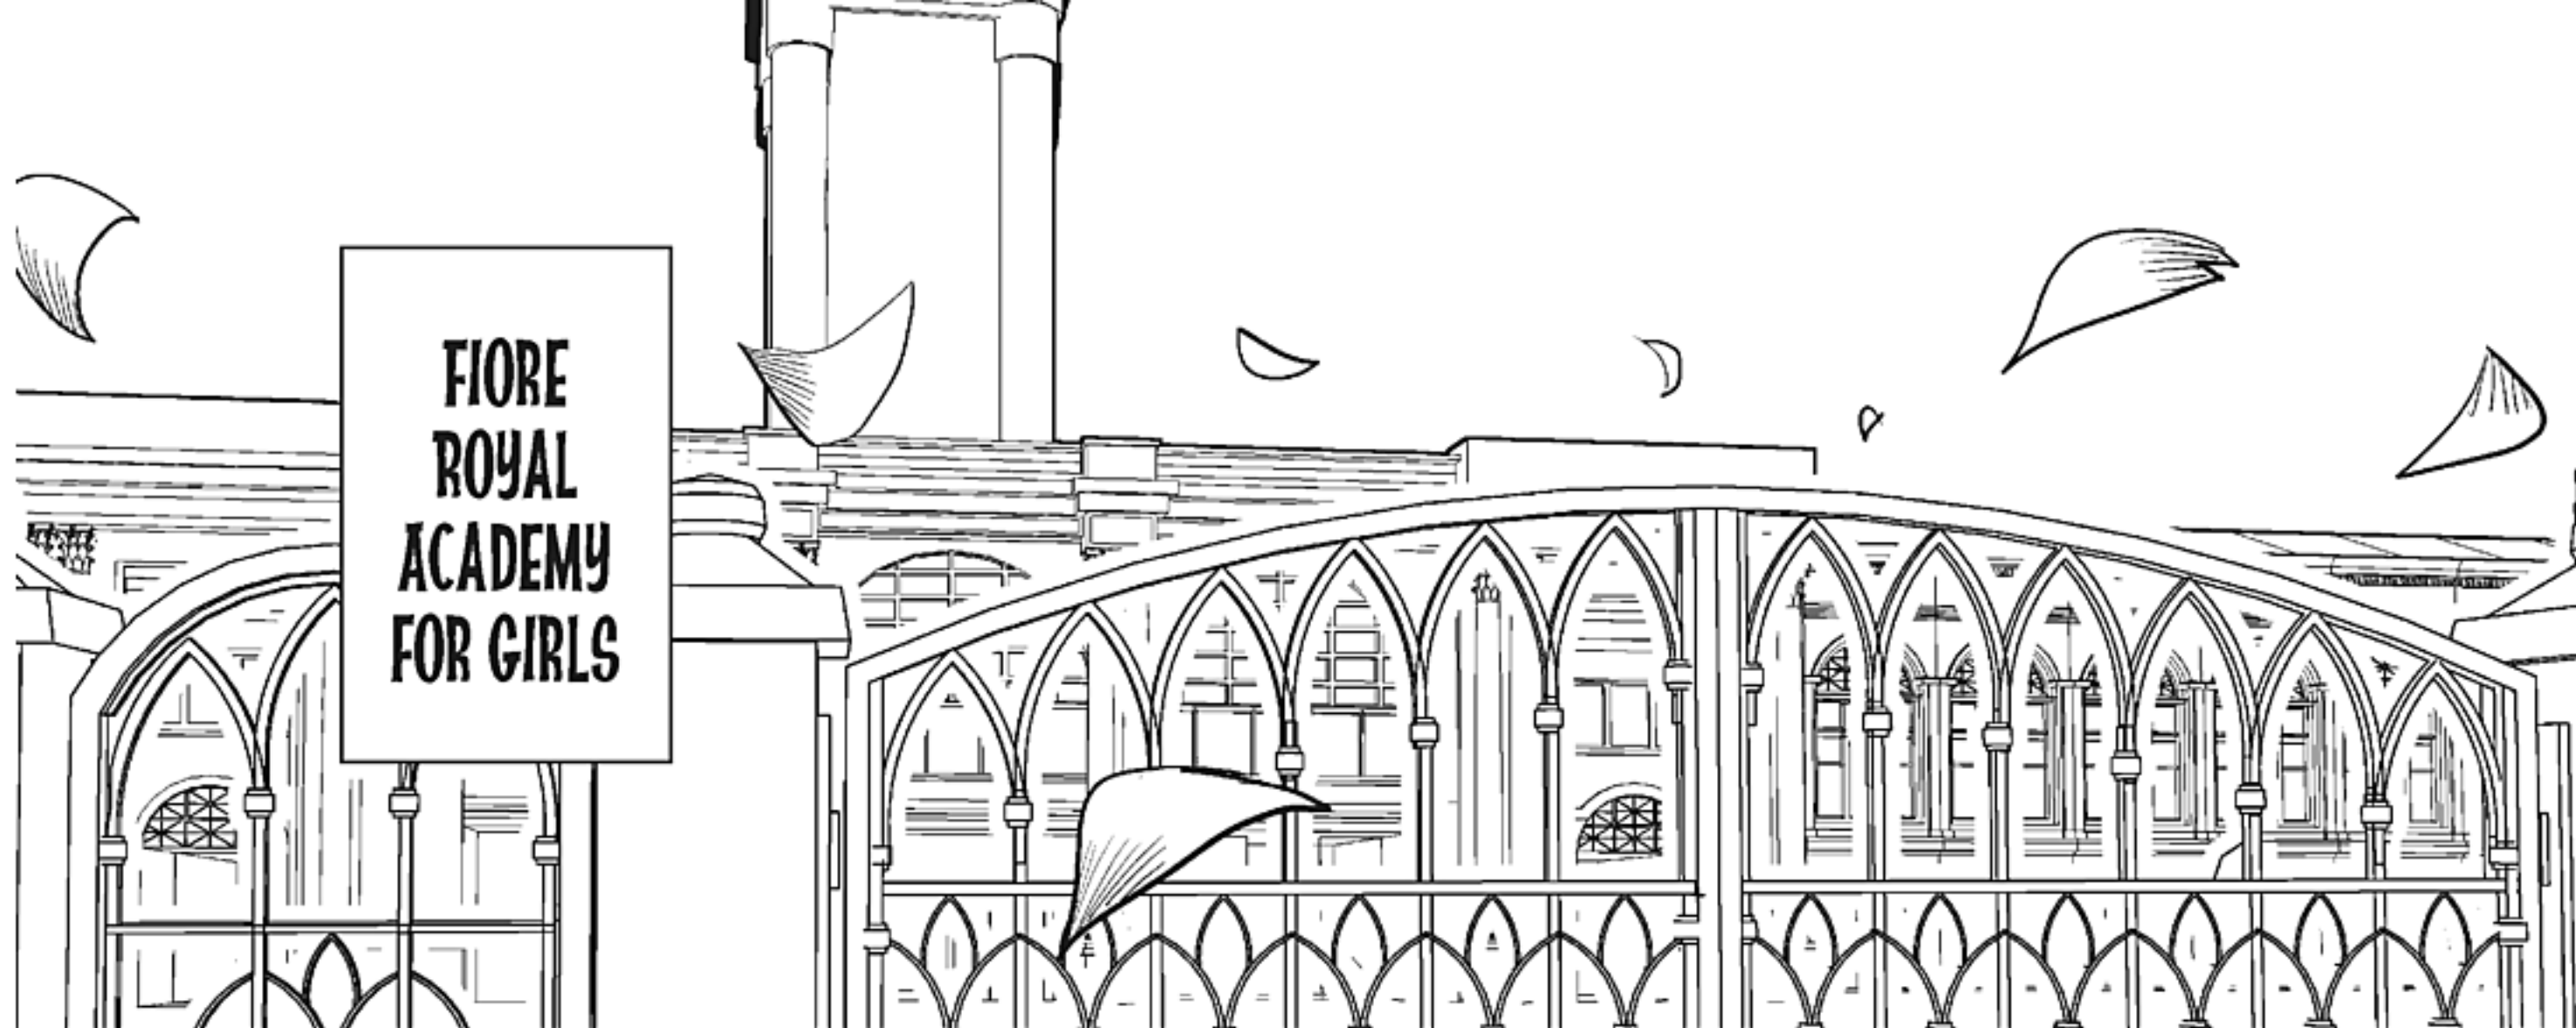

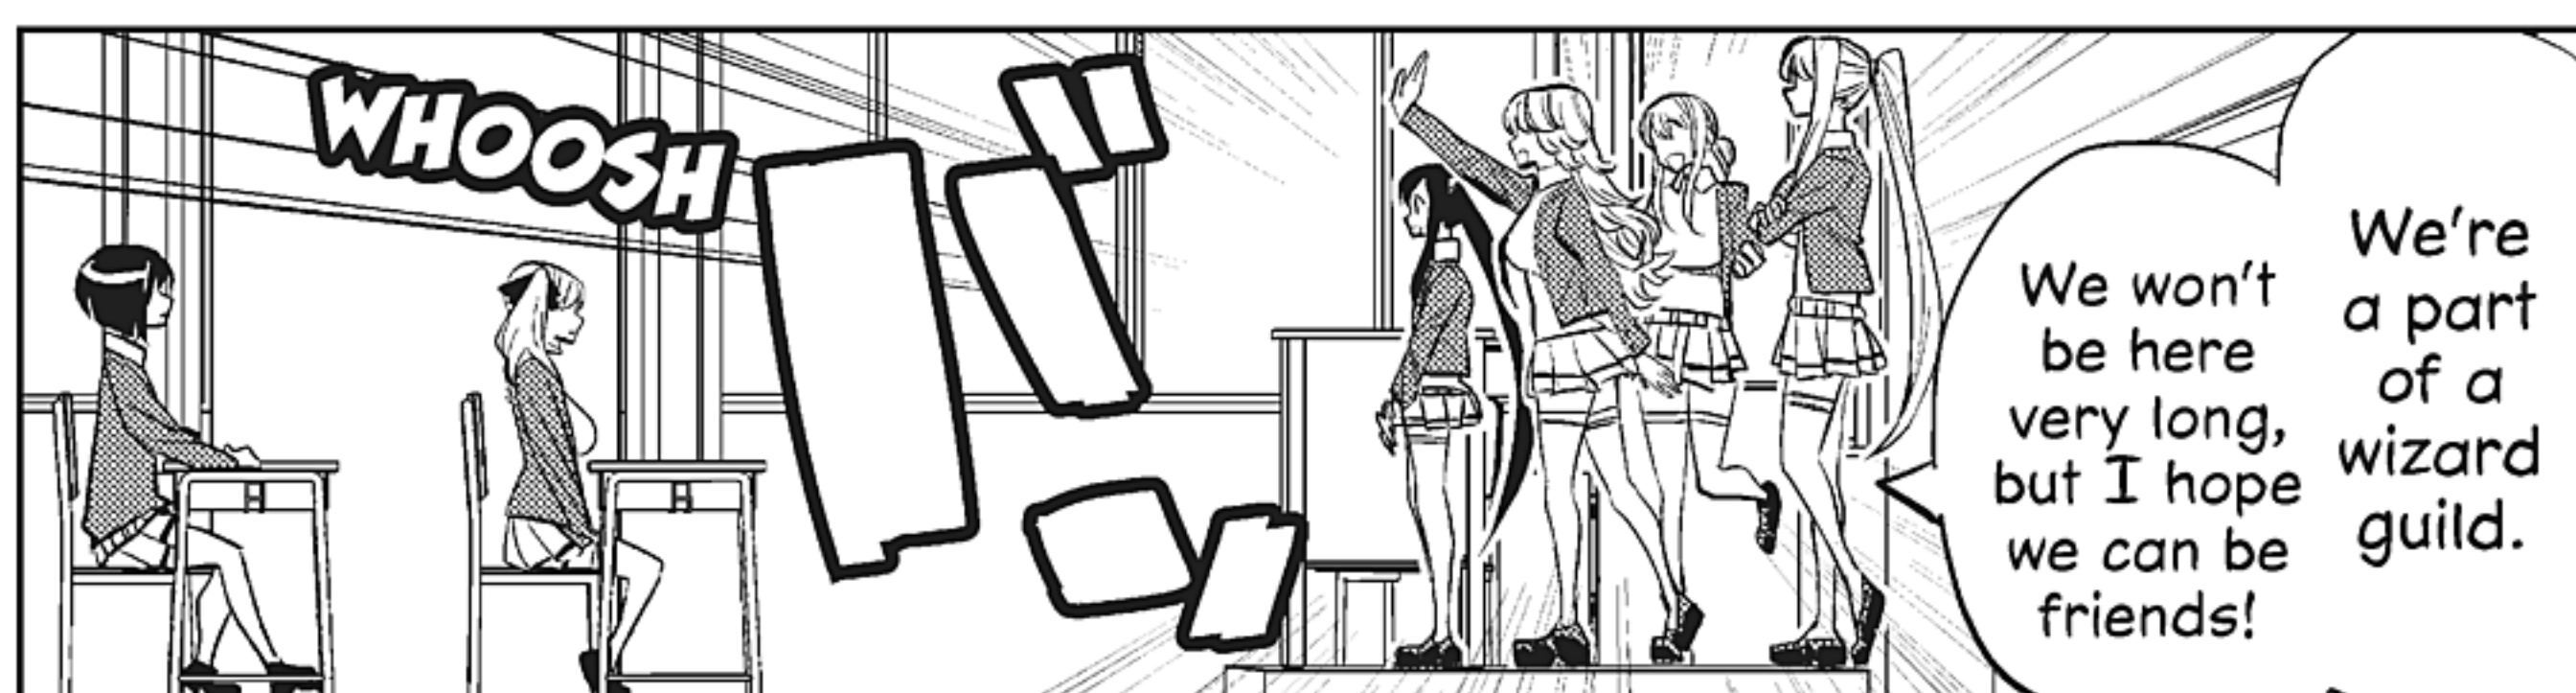

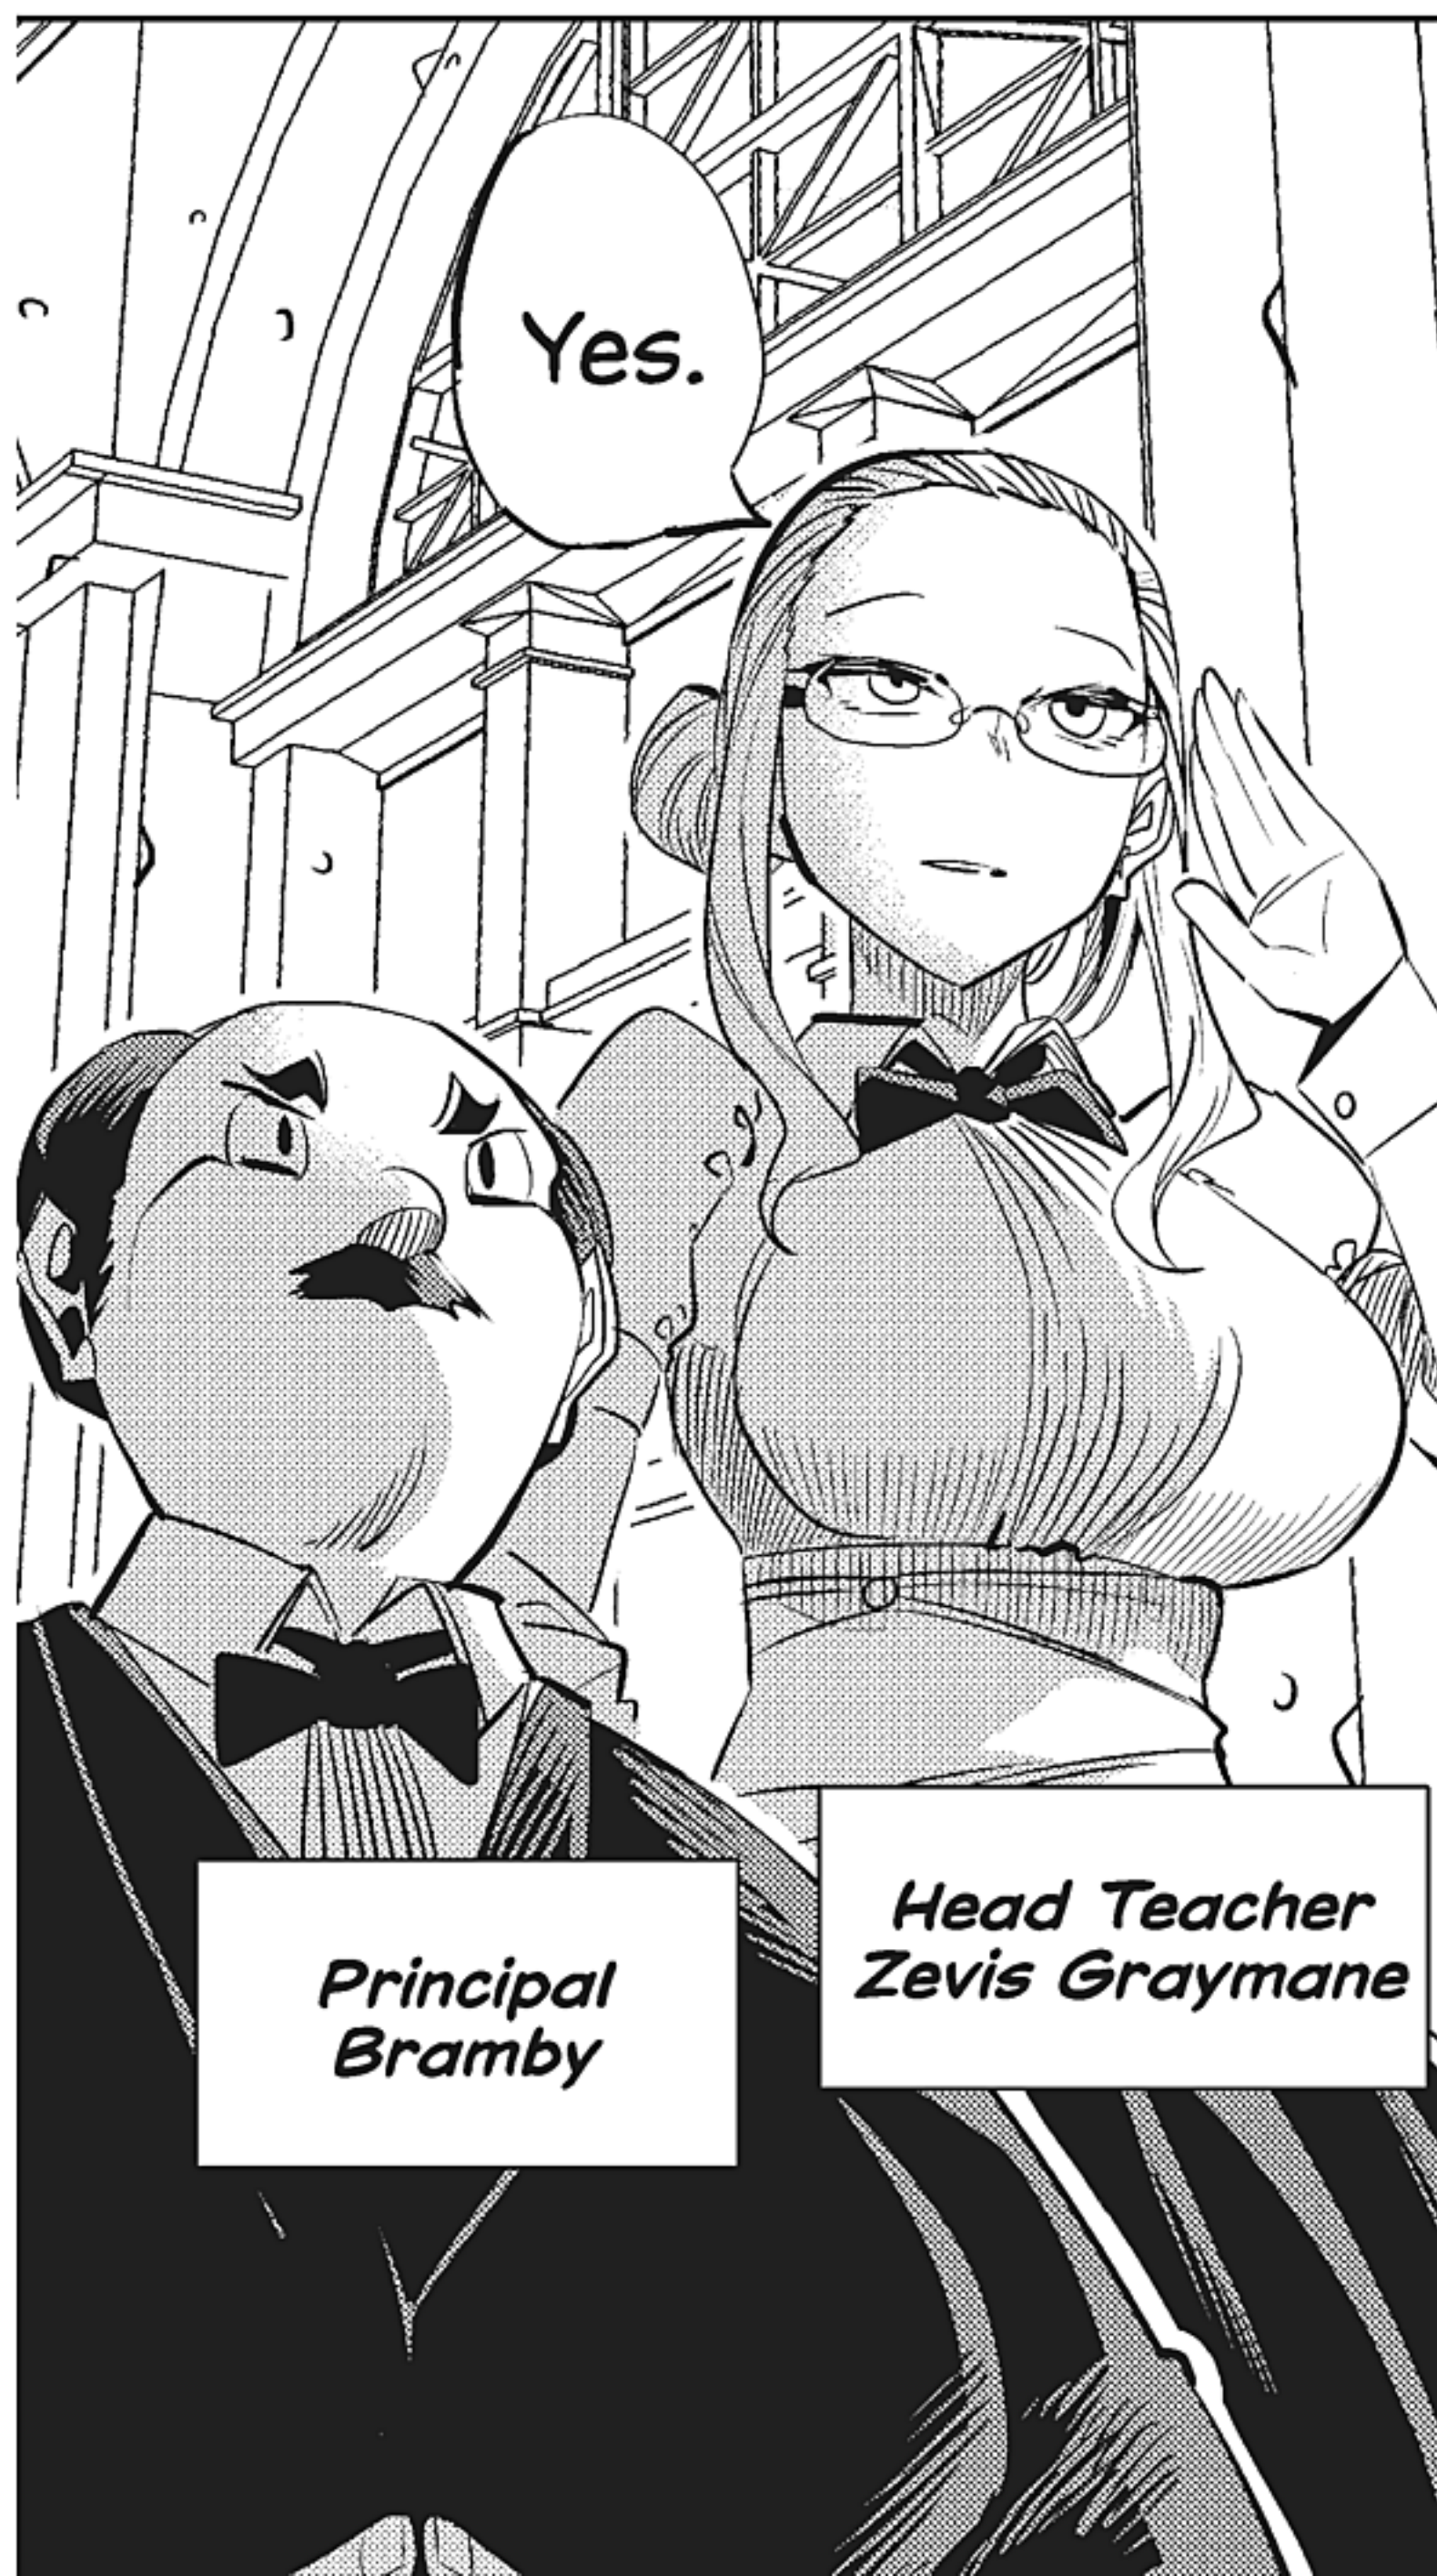

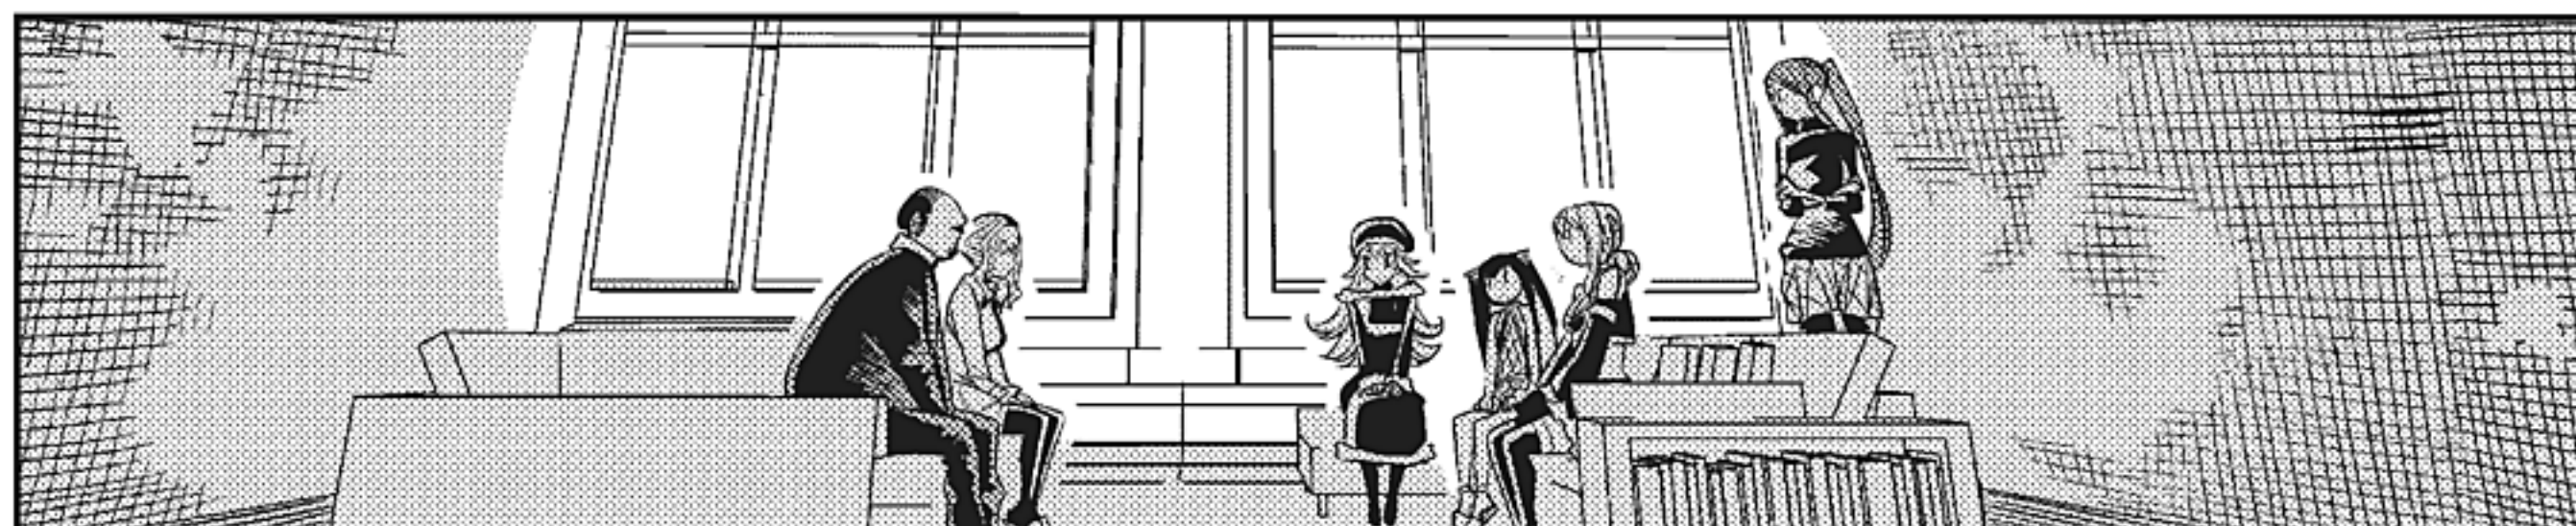

Chapter 16: The Smell of Truth?!

20?!

However, we've surpassed 20 in these past two weeks.

In a normal year, you might have one or two.

My clothes are gone!

Recently the reports of missing items from students have become more frequent.

I can't be sure it's perfect, but...

That being the case...

Well, we *do* have security magic cast on the entire school grounds 24 hours a day.

Might it be someone sneaking in from the outside?

But Principal Bramby, there have been so many thefts...

None of our students would ever do something so crass!

That is enough !!

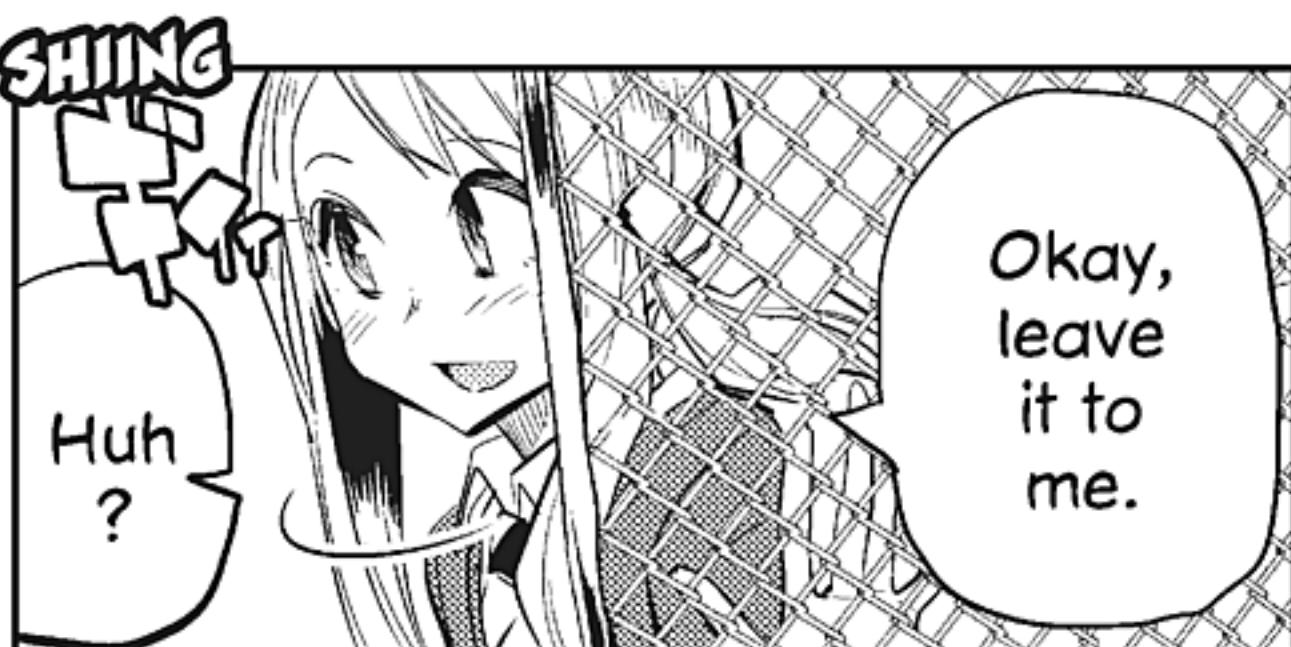

Ms. Gray-mane!!

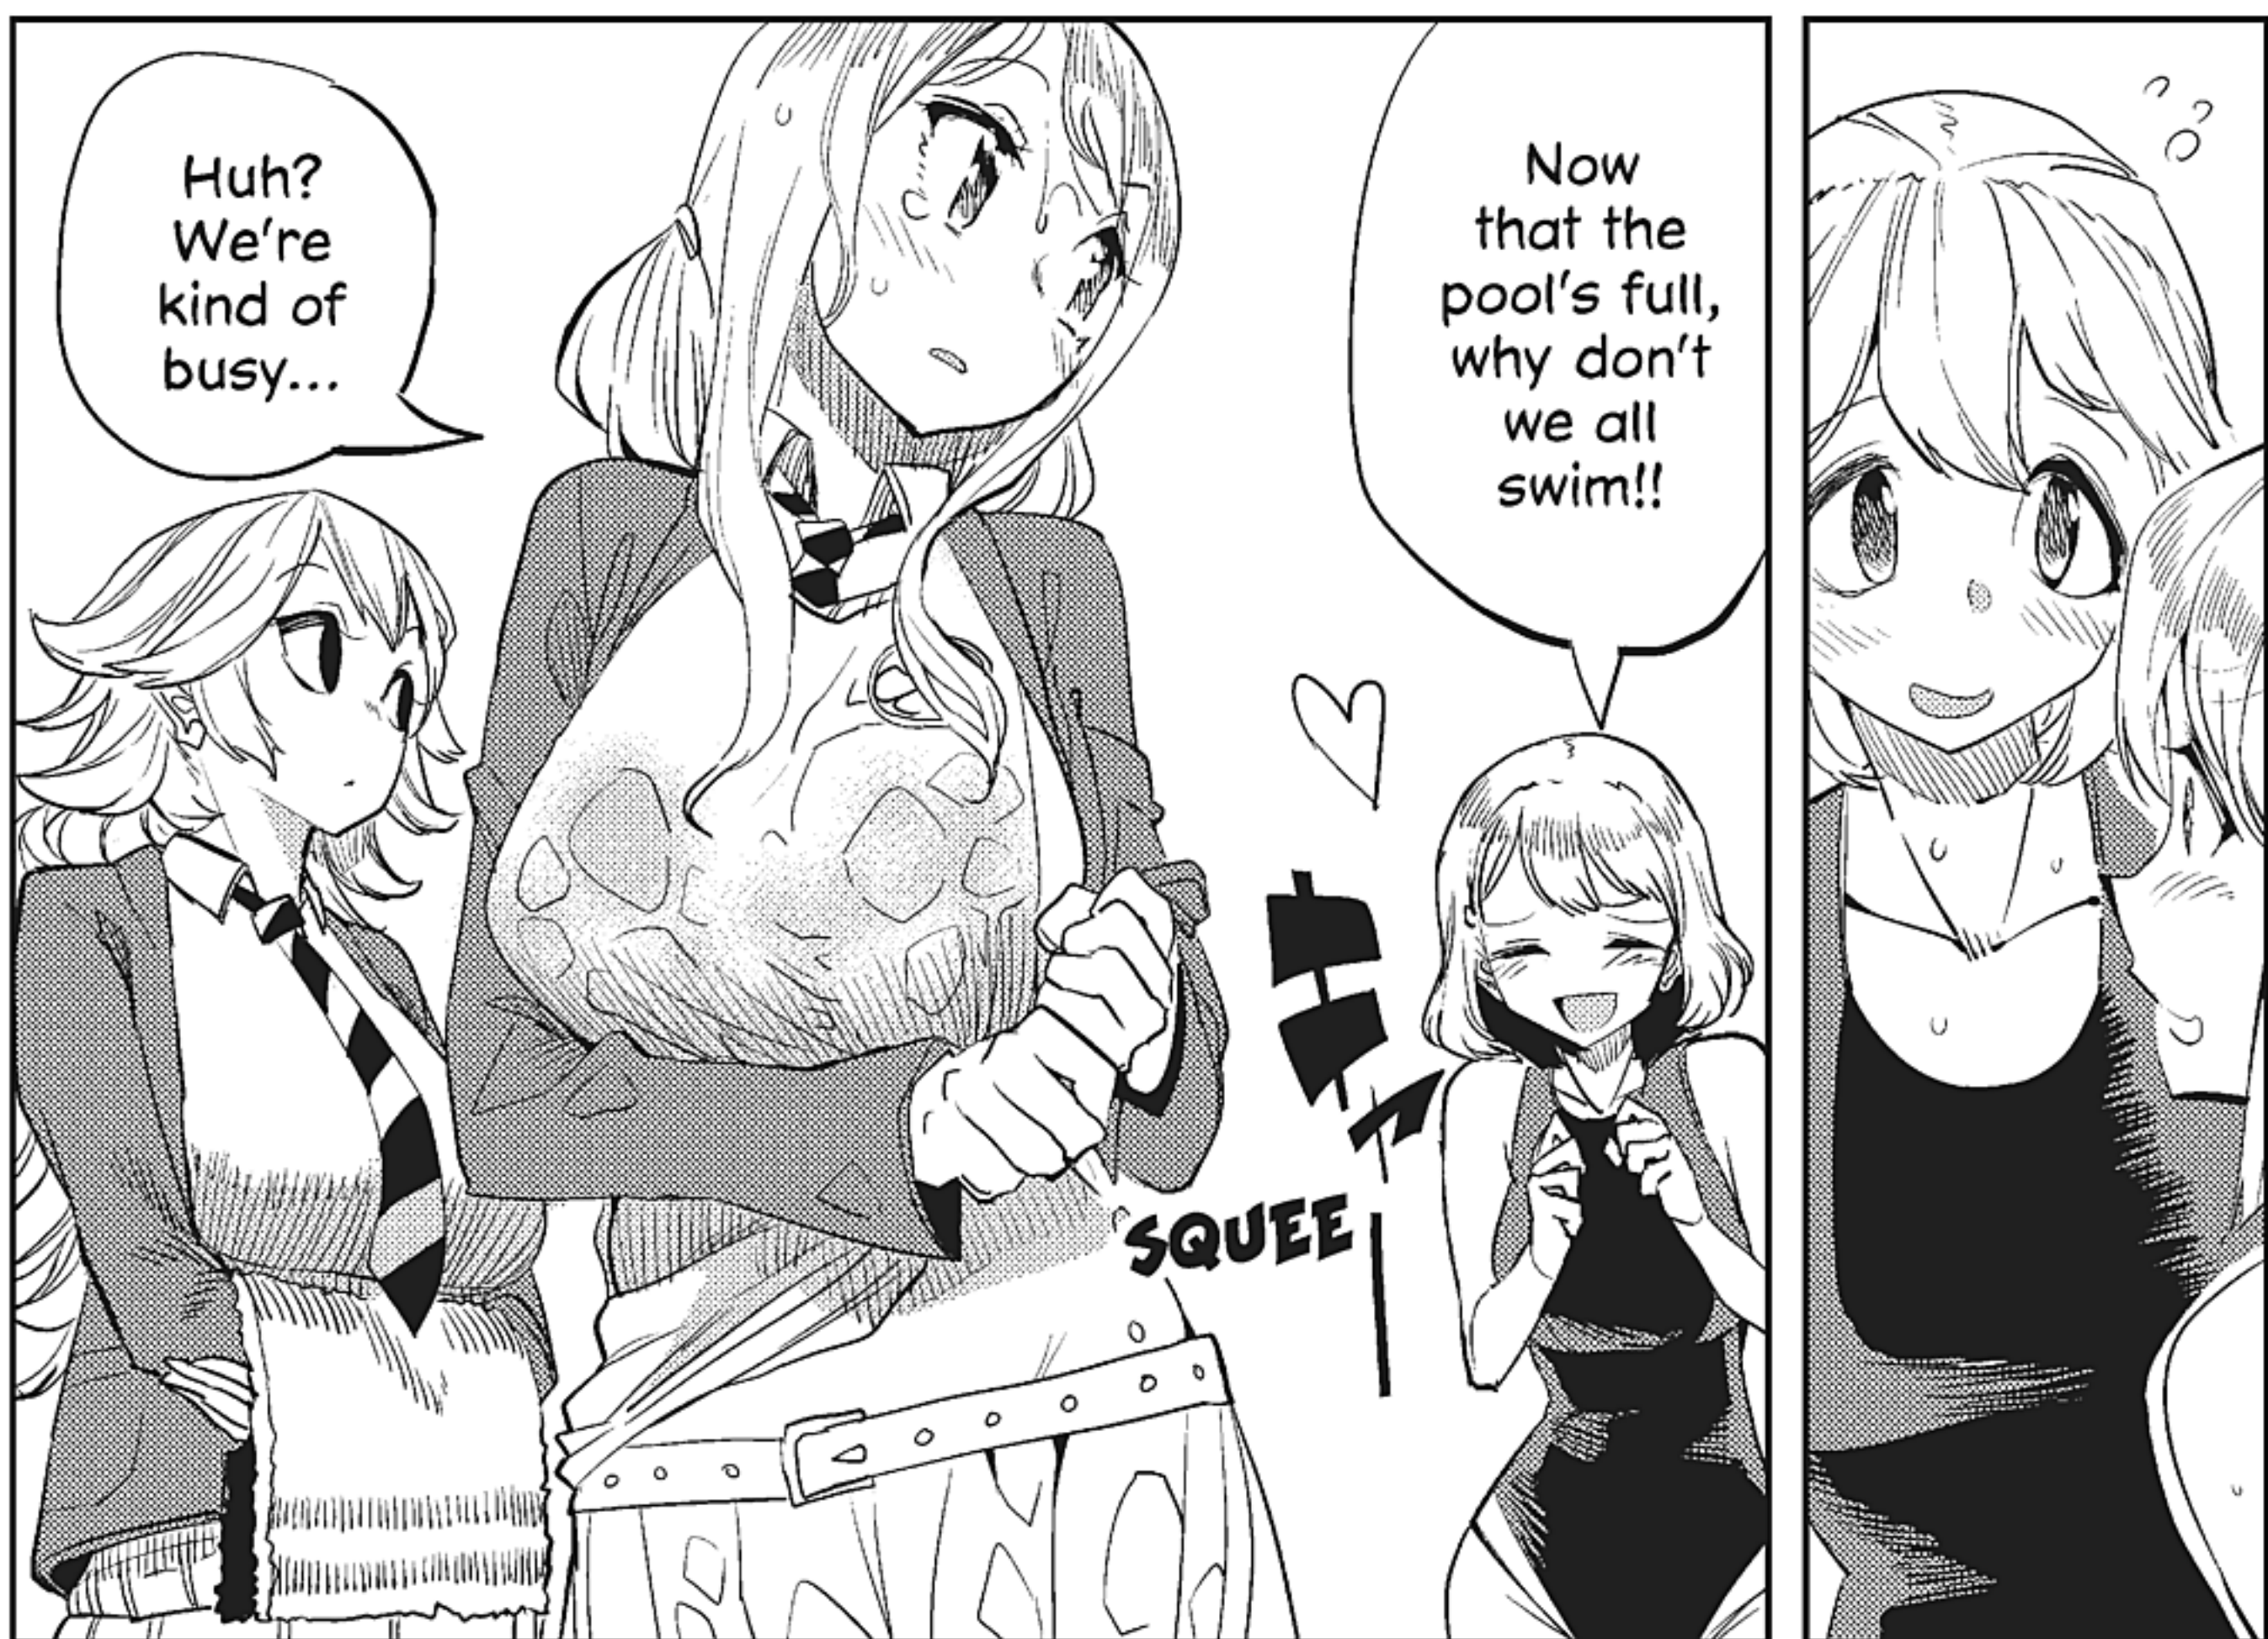

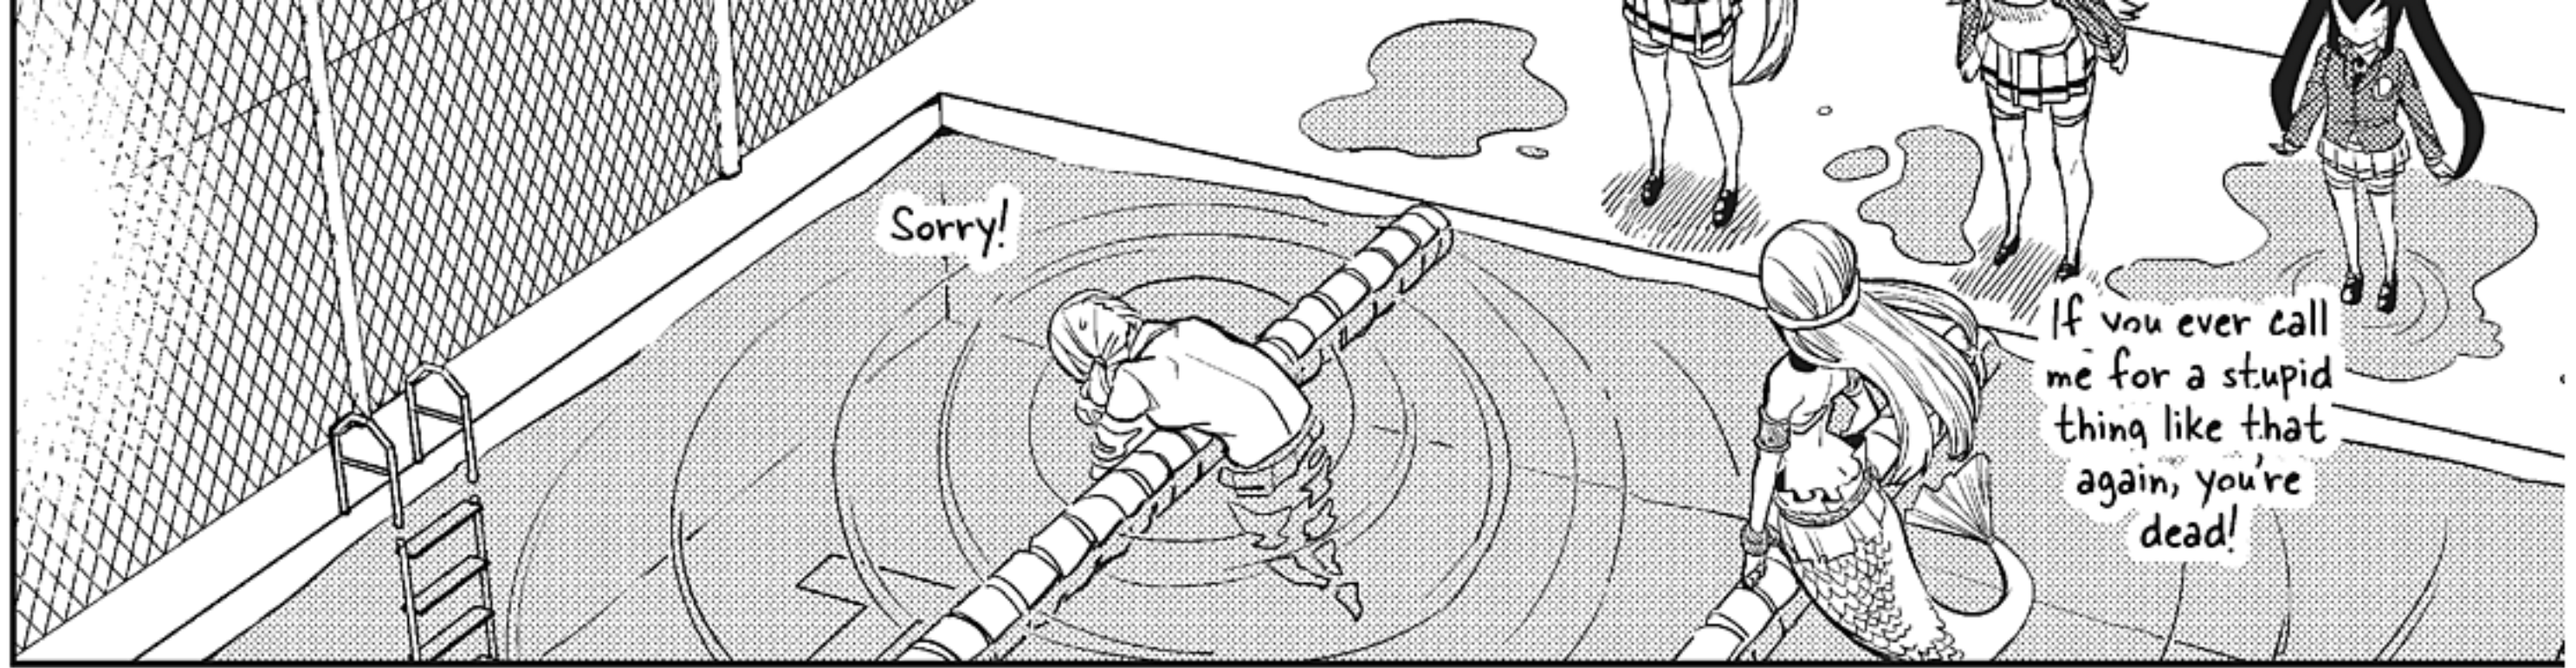

...I have to assume that there is a thief among our students...

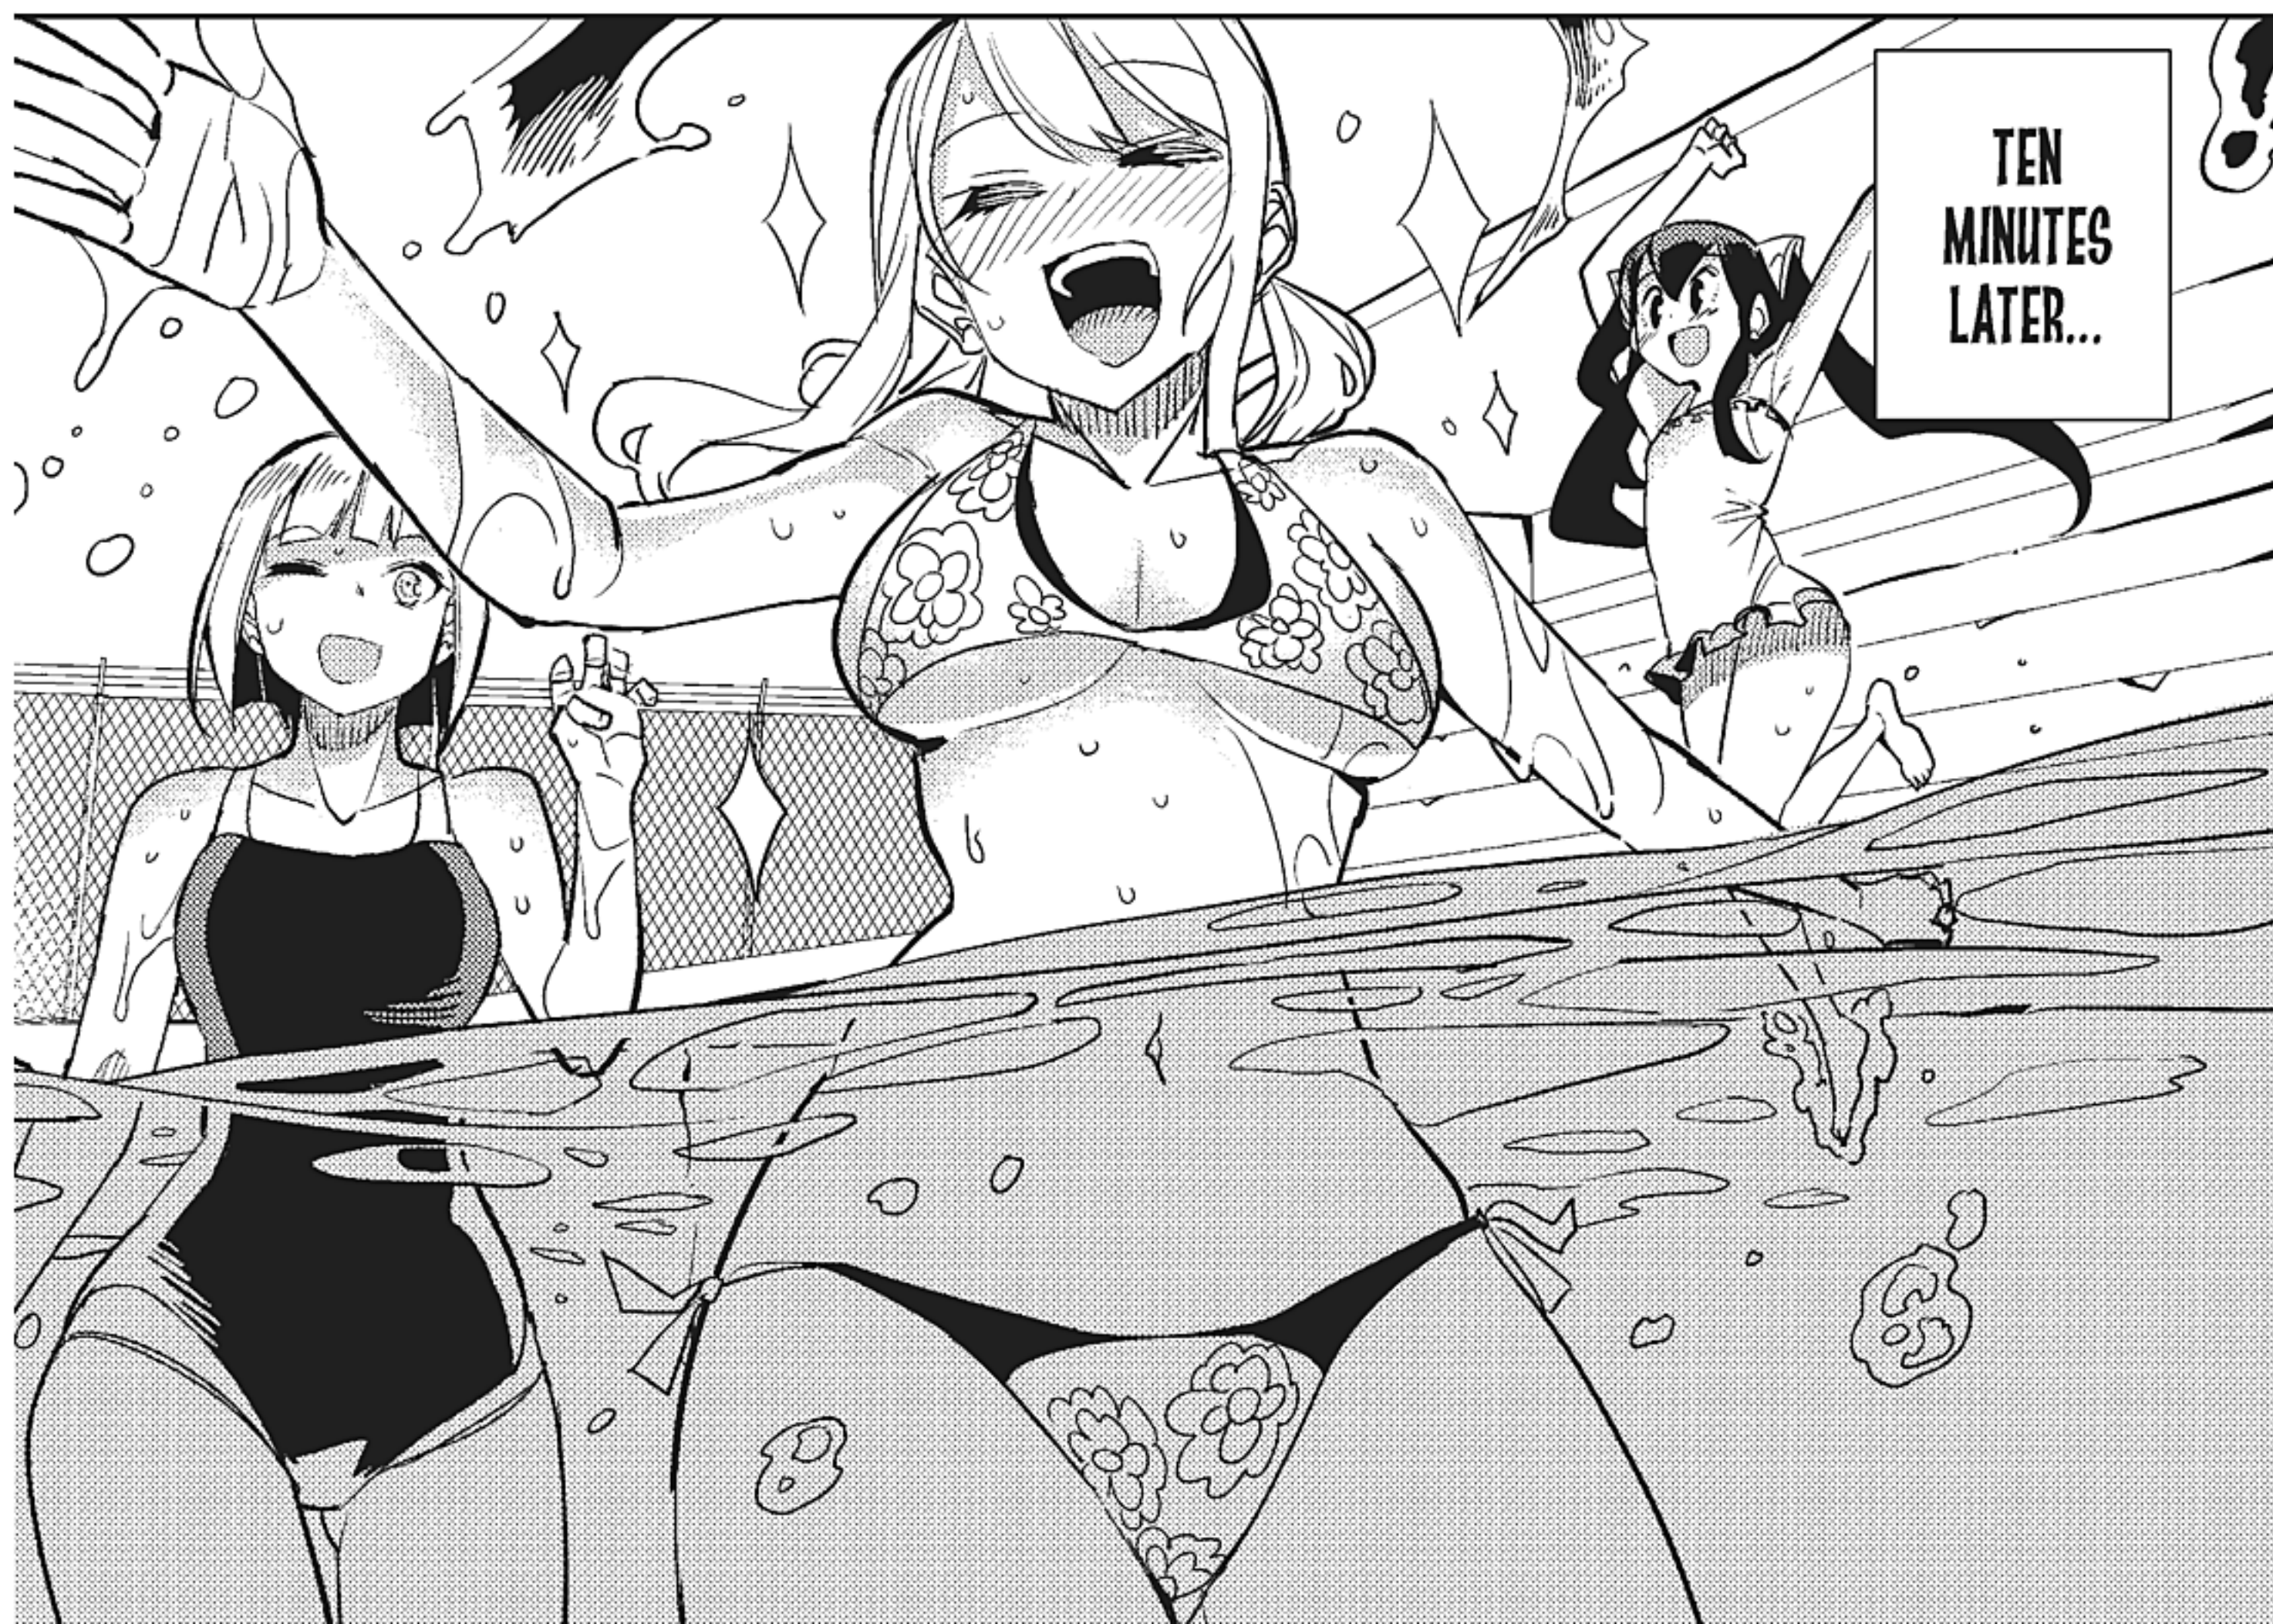

Although it pains me to say this...

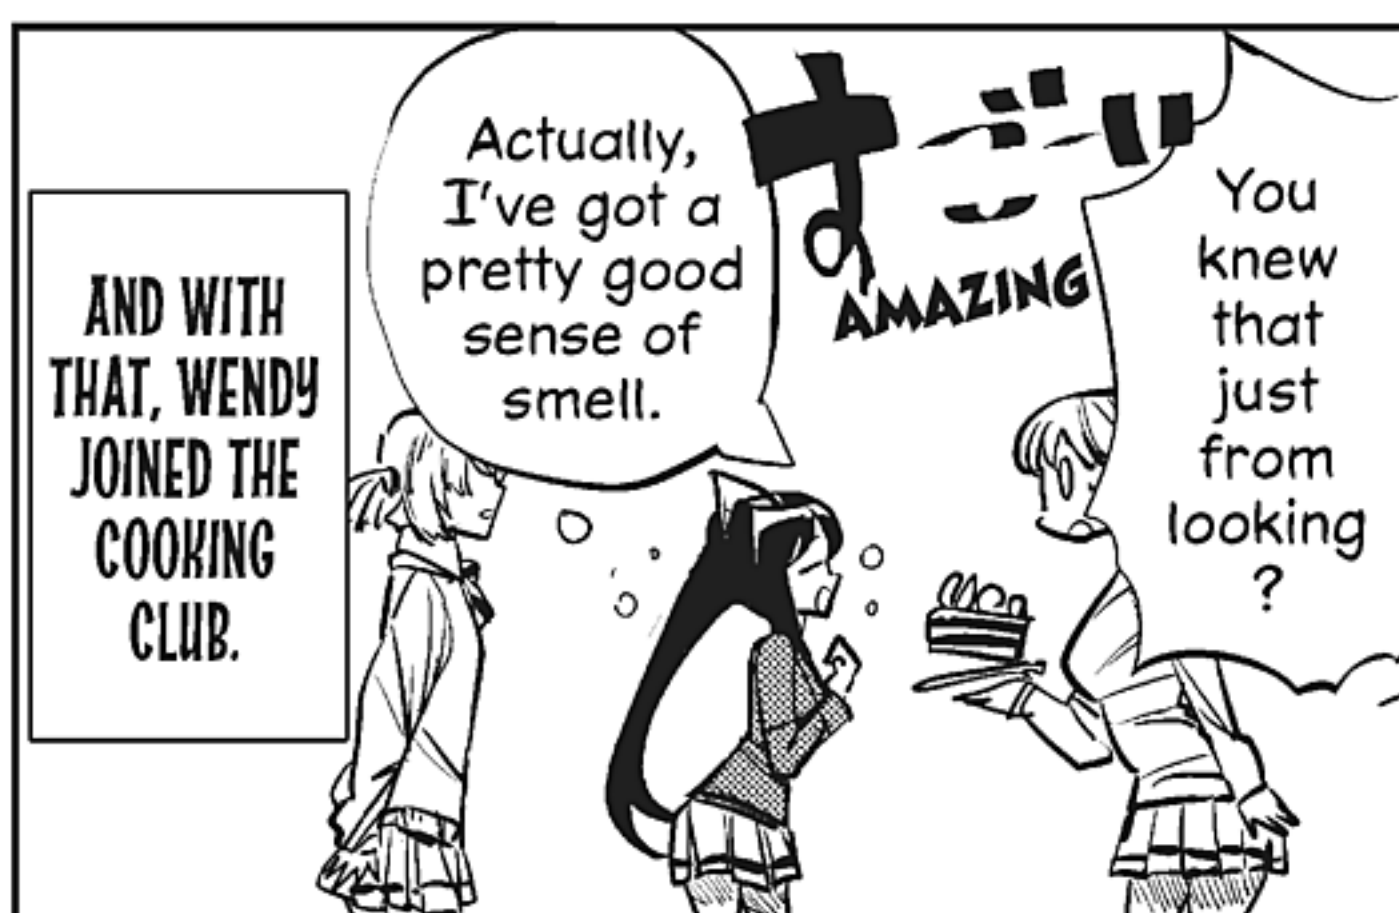

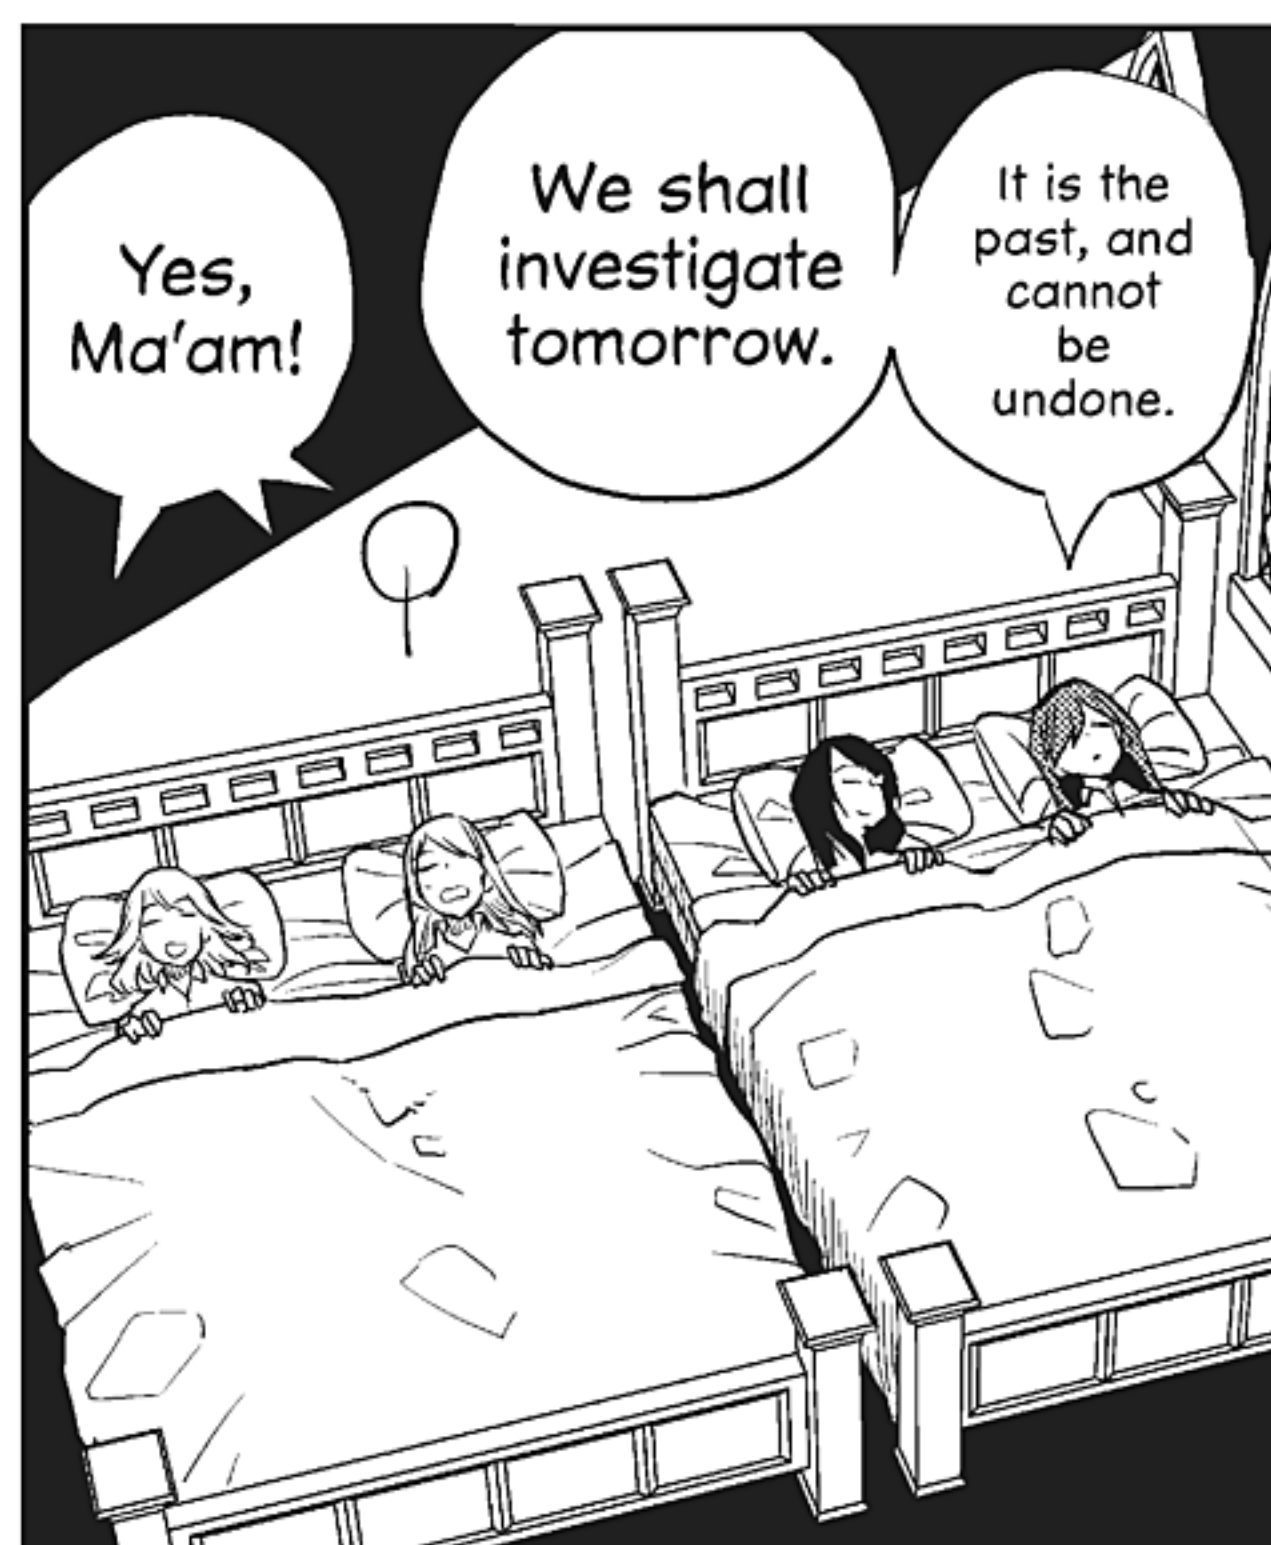

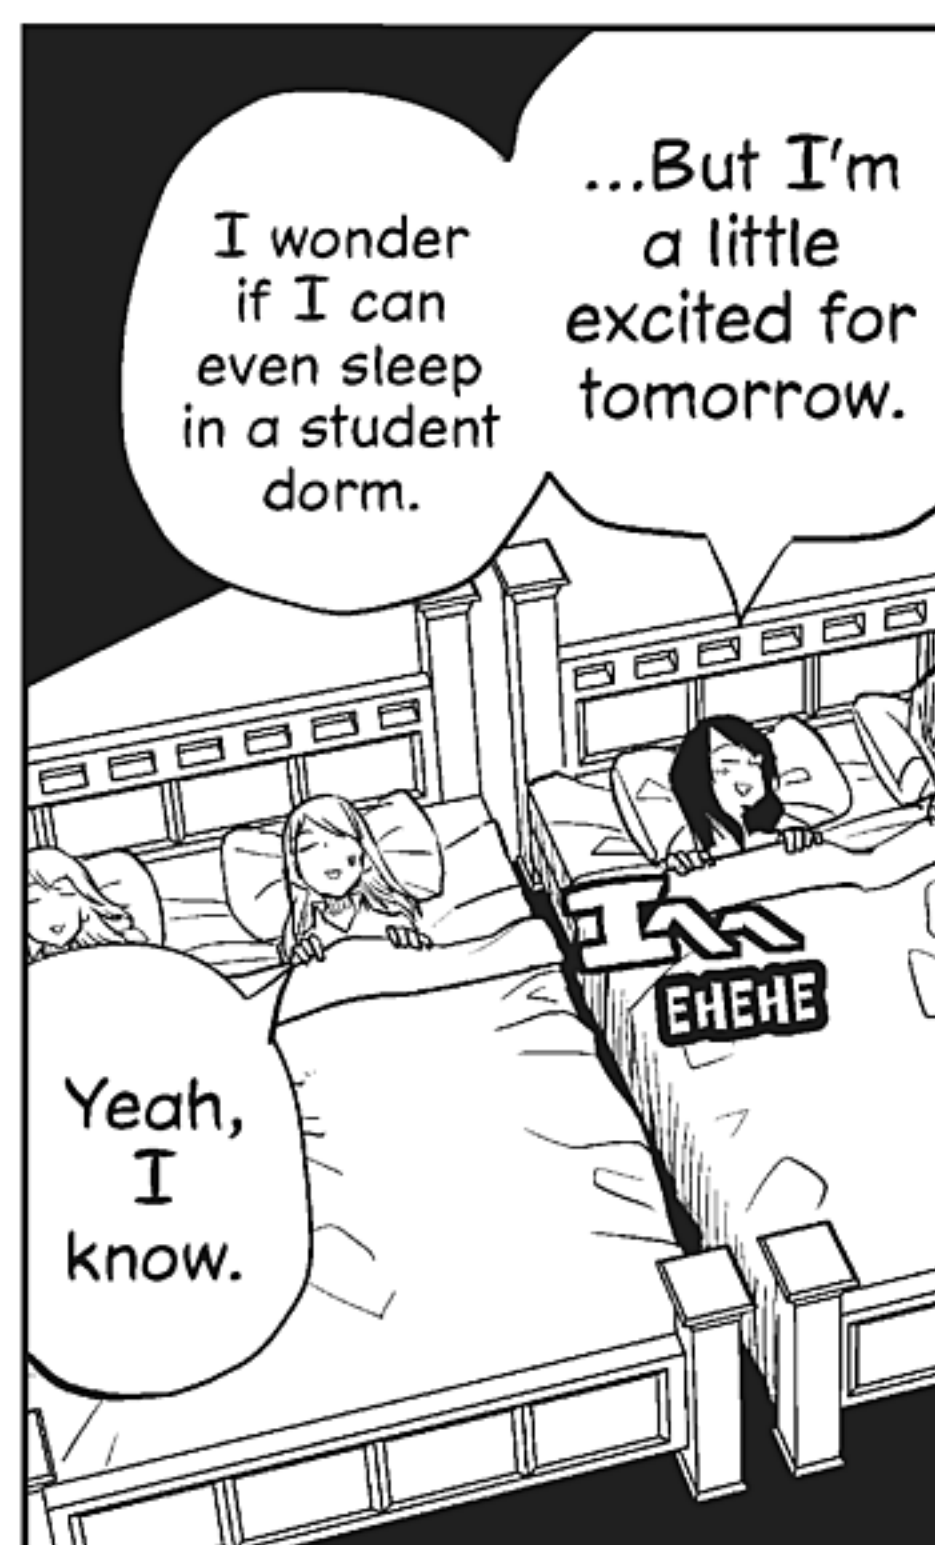

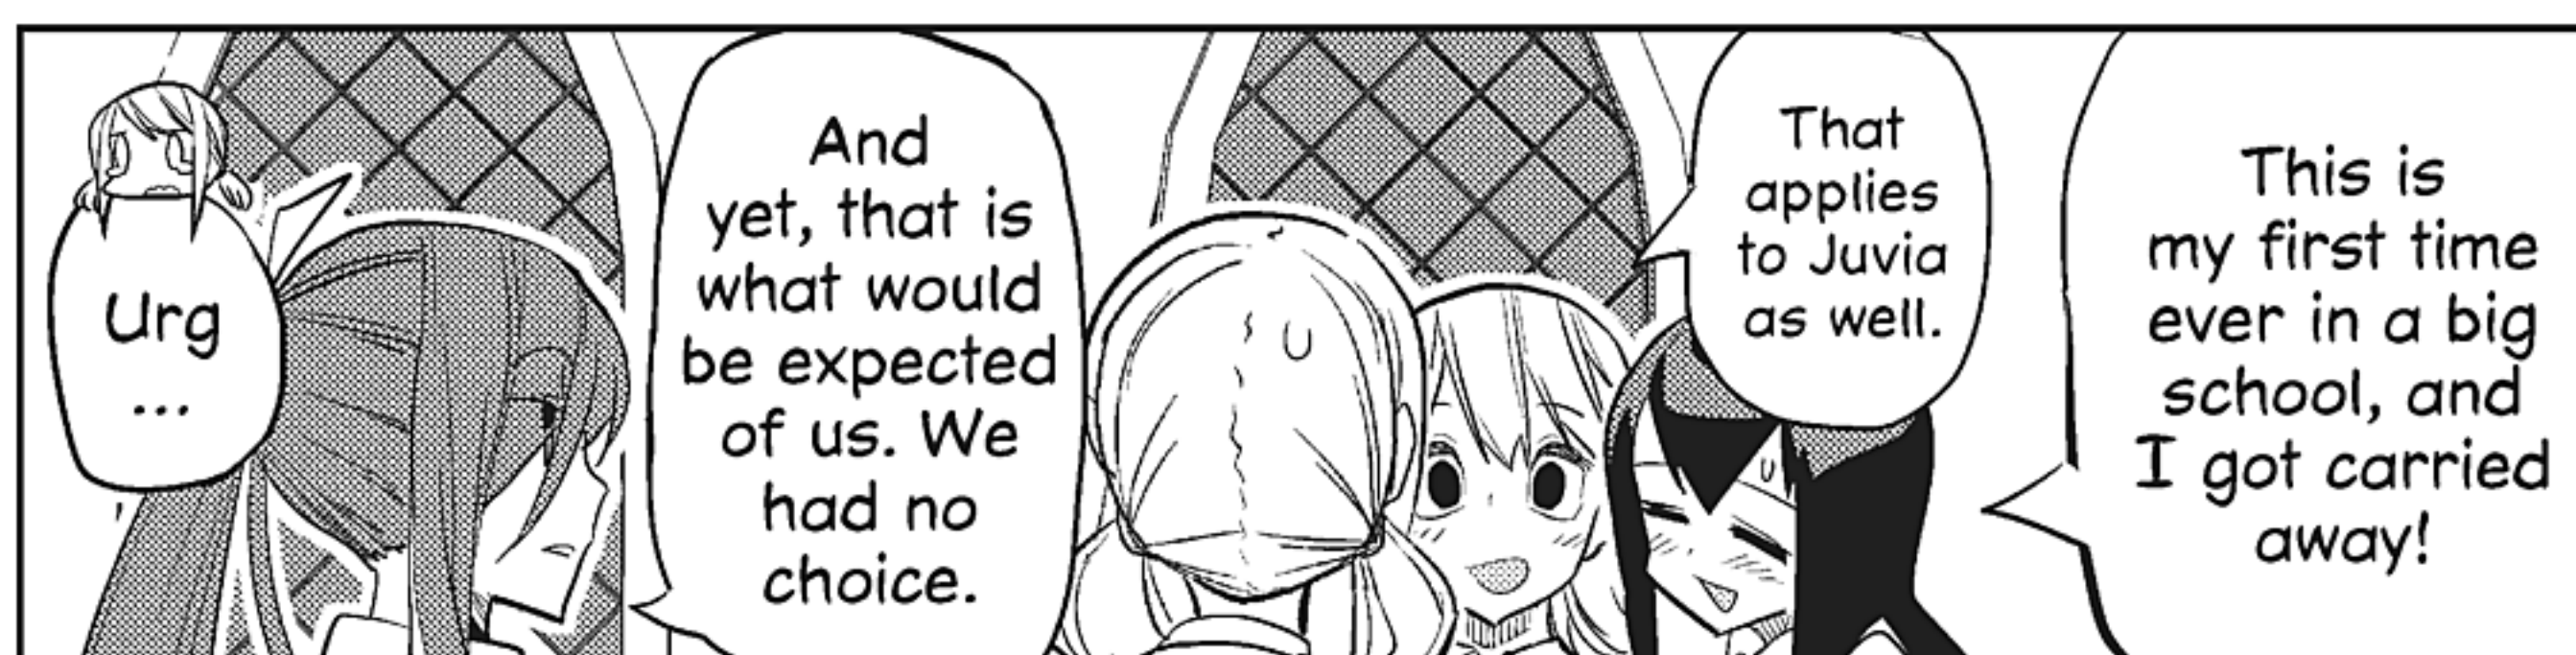

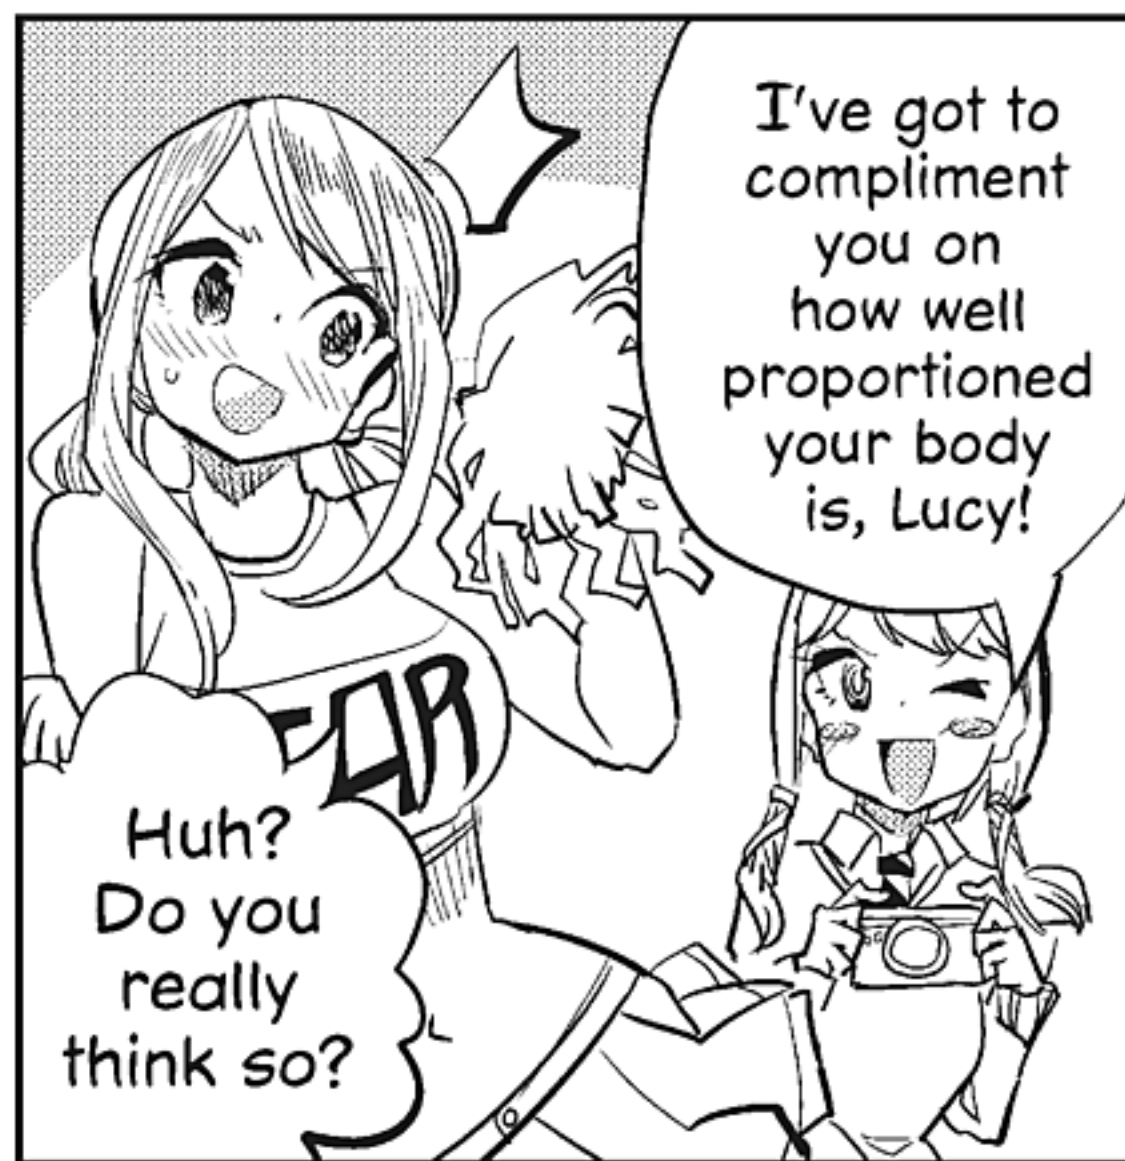

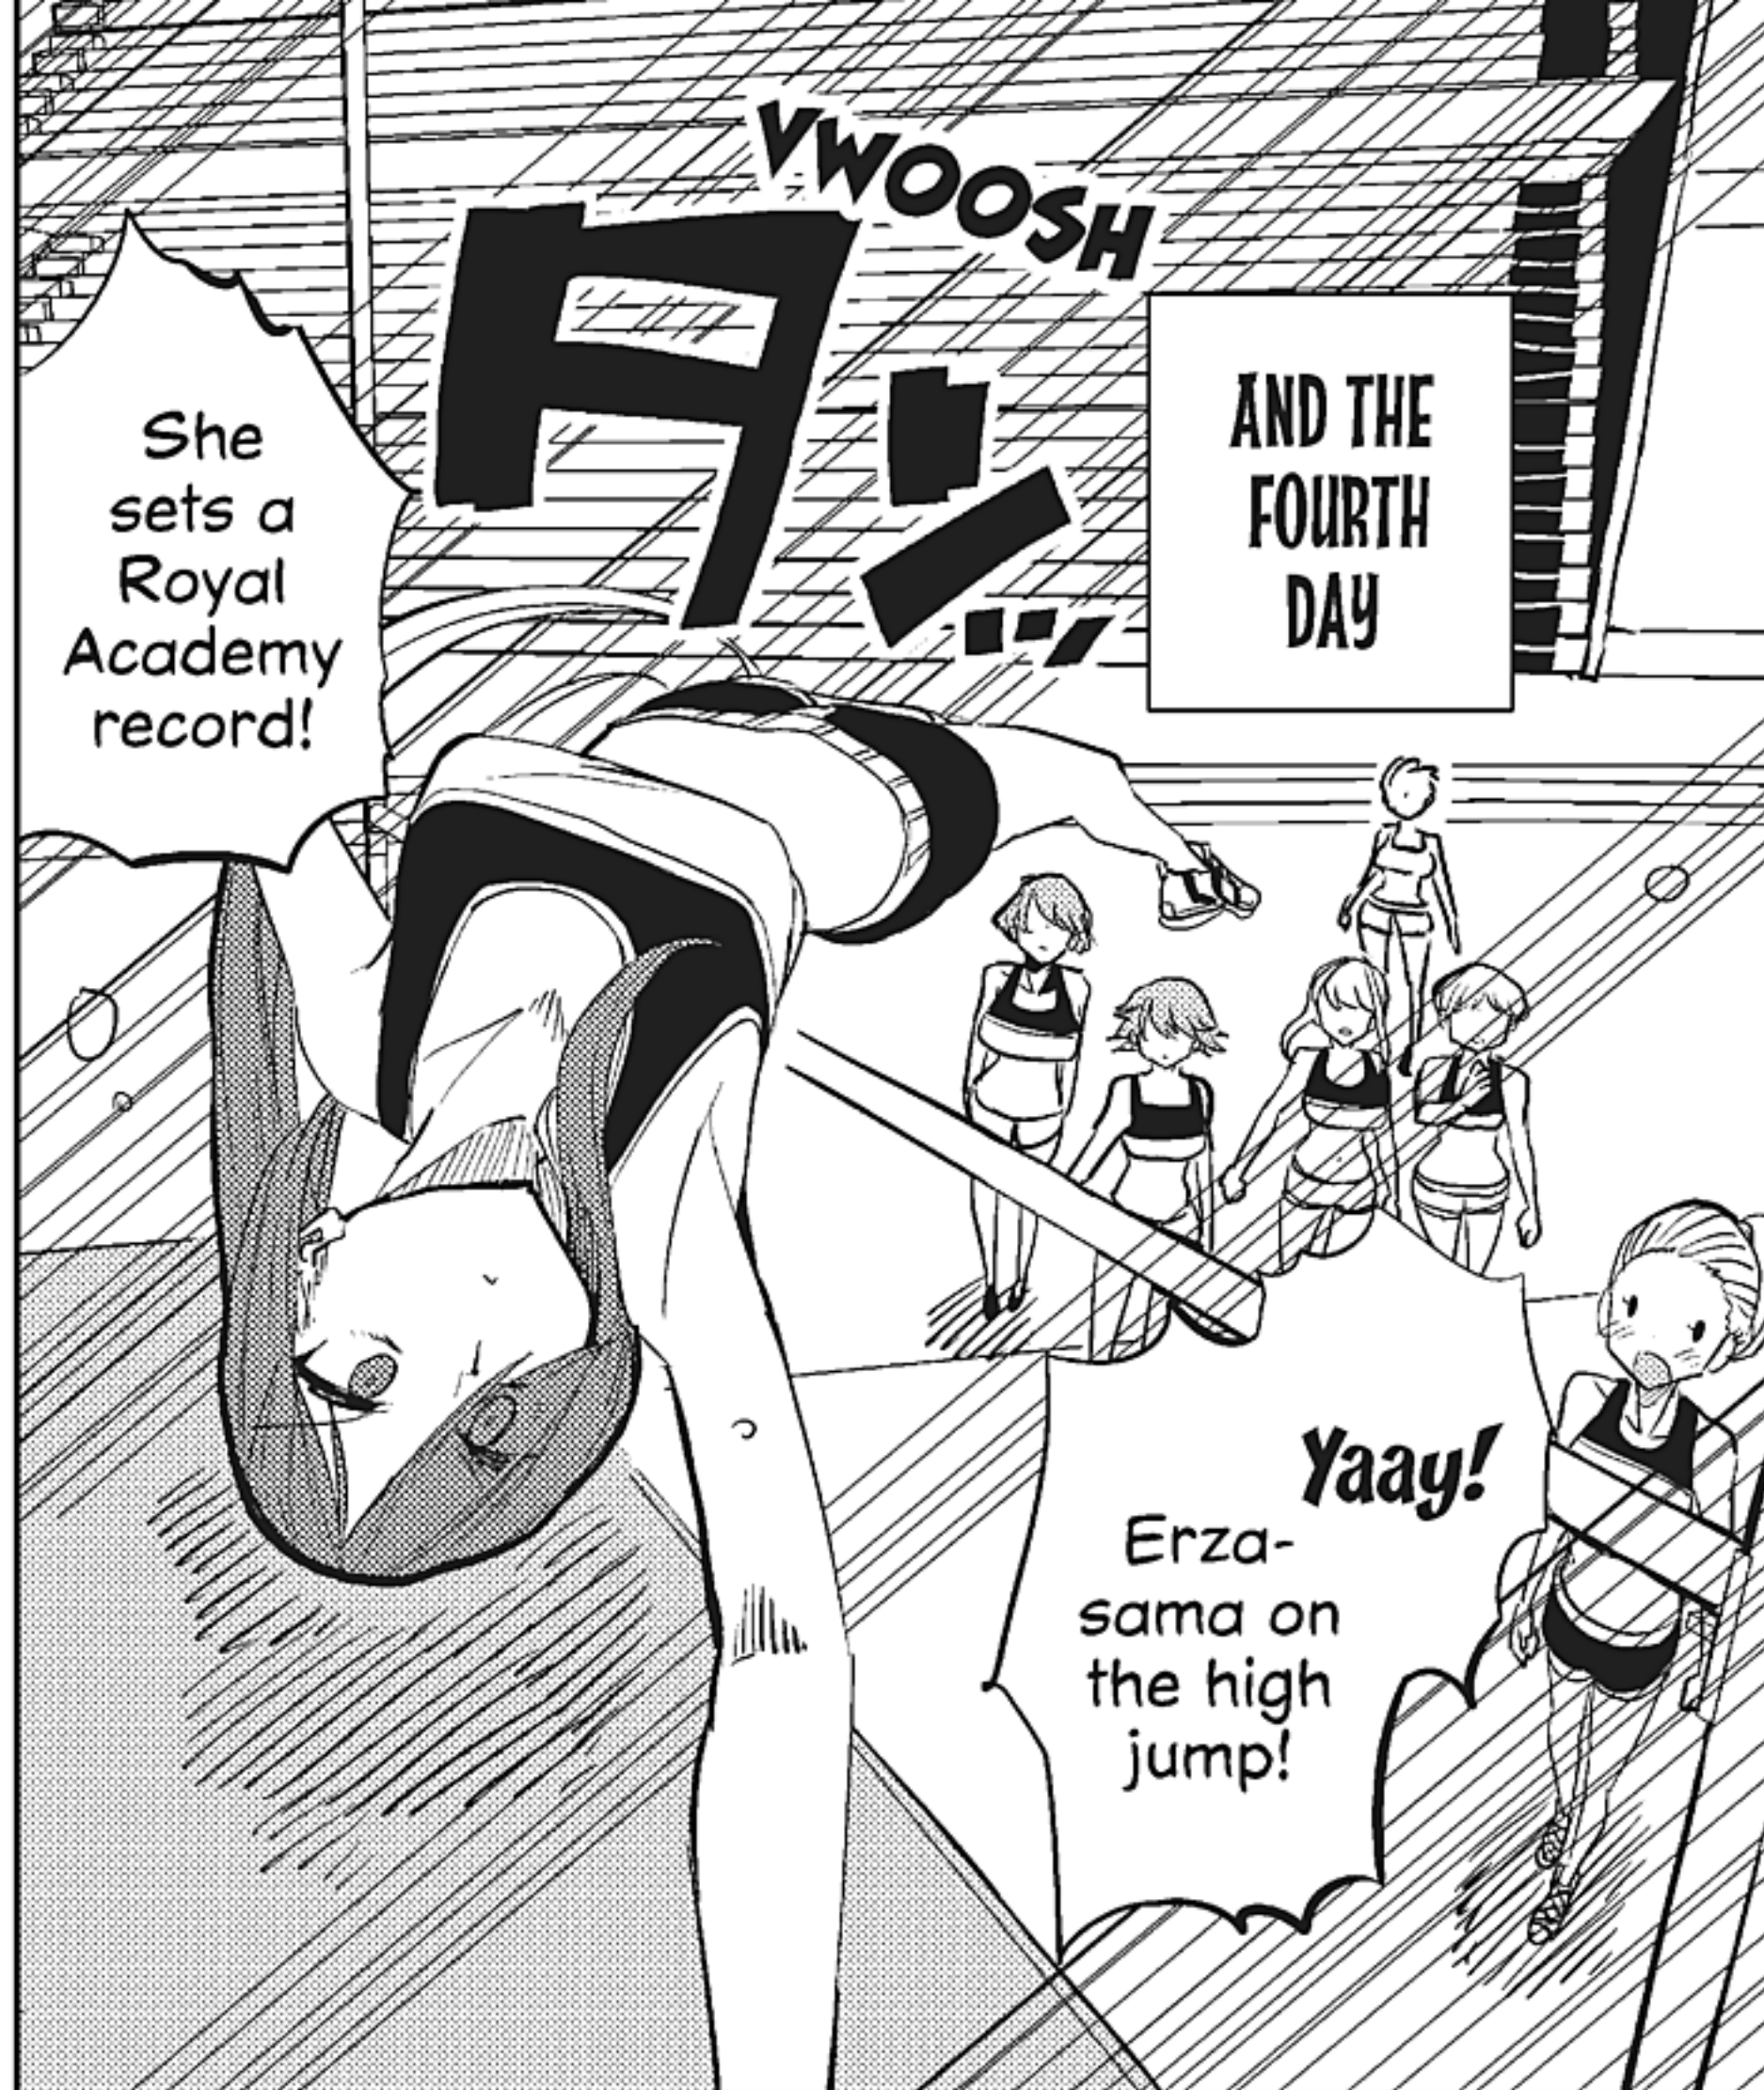

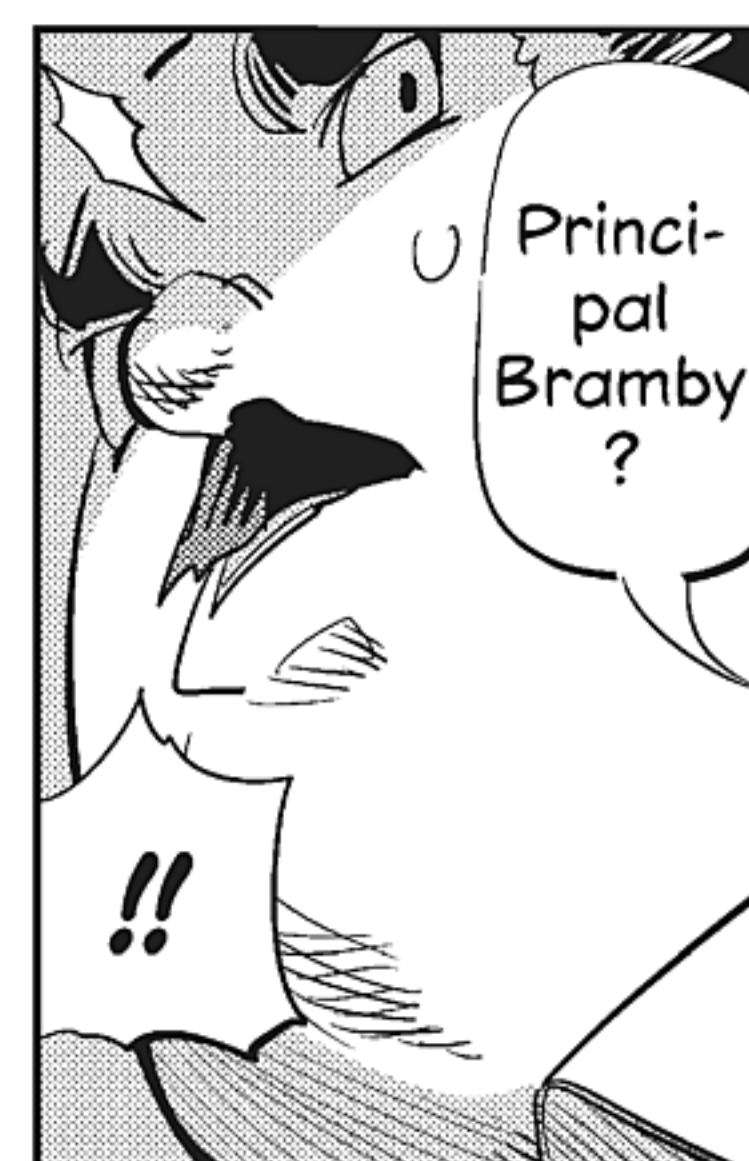

KREEK !!

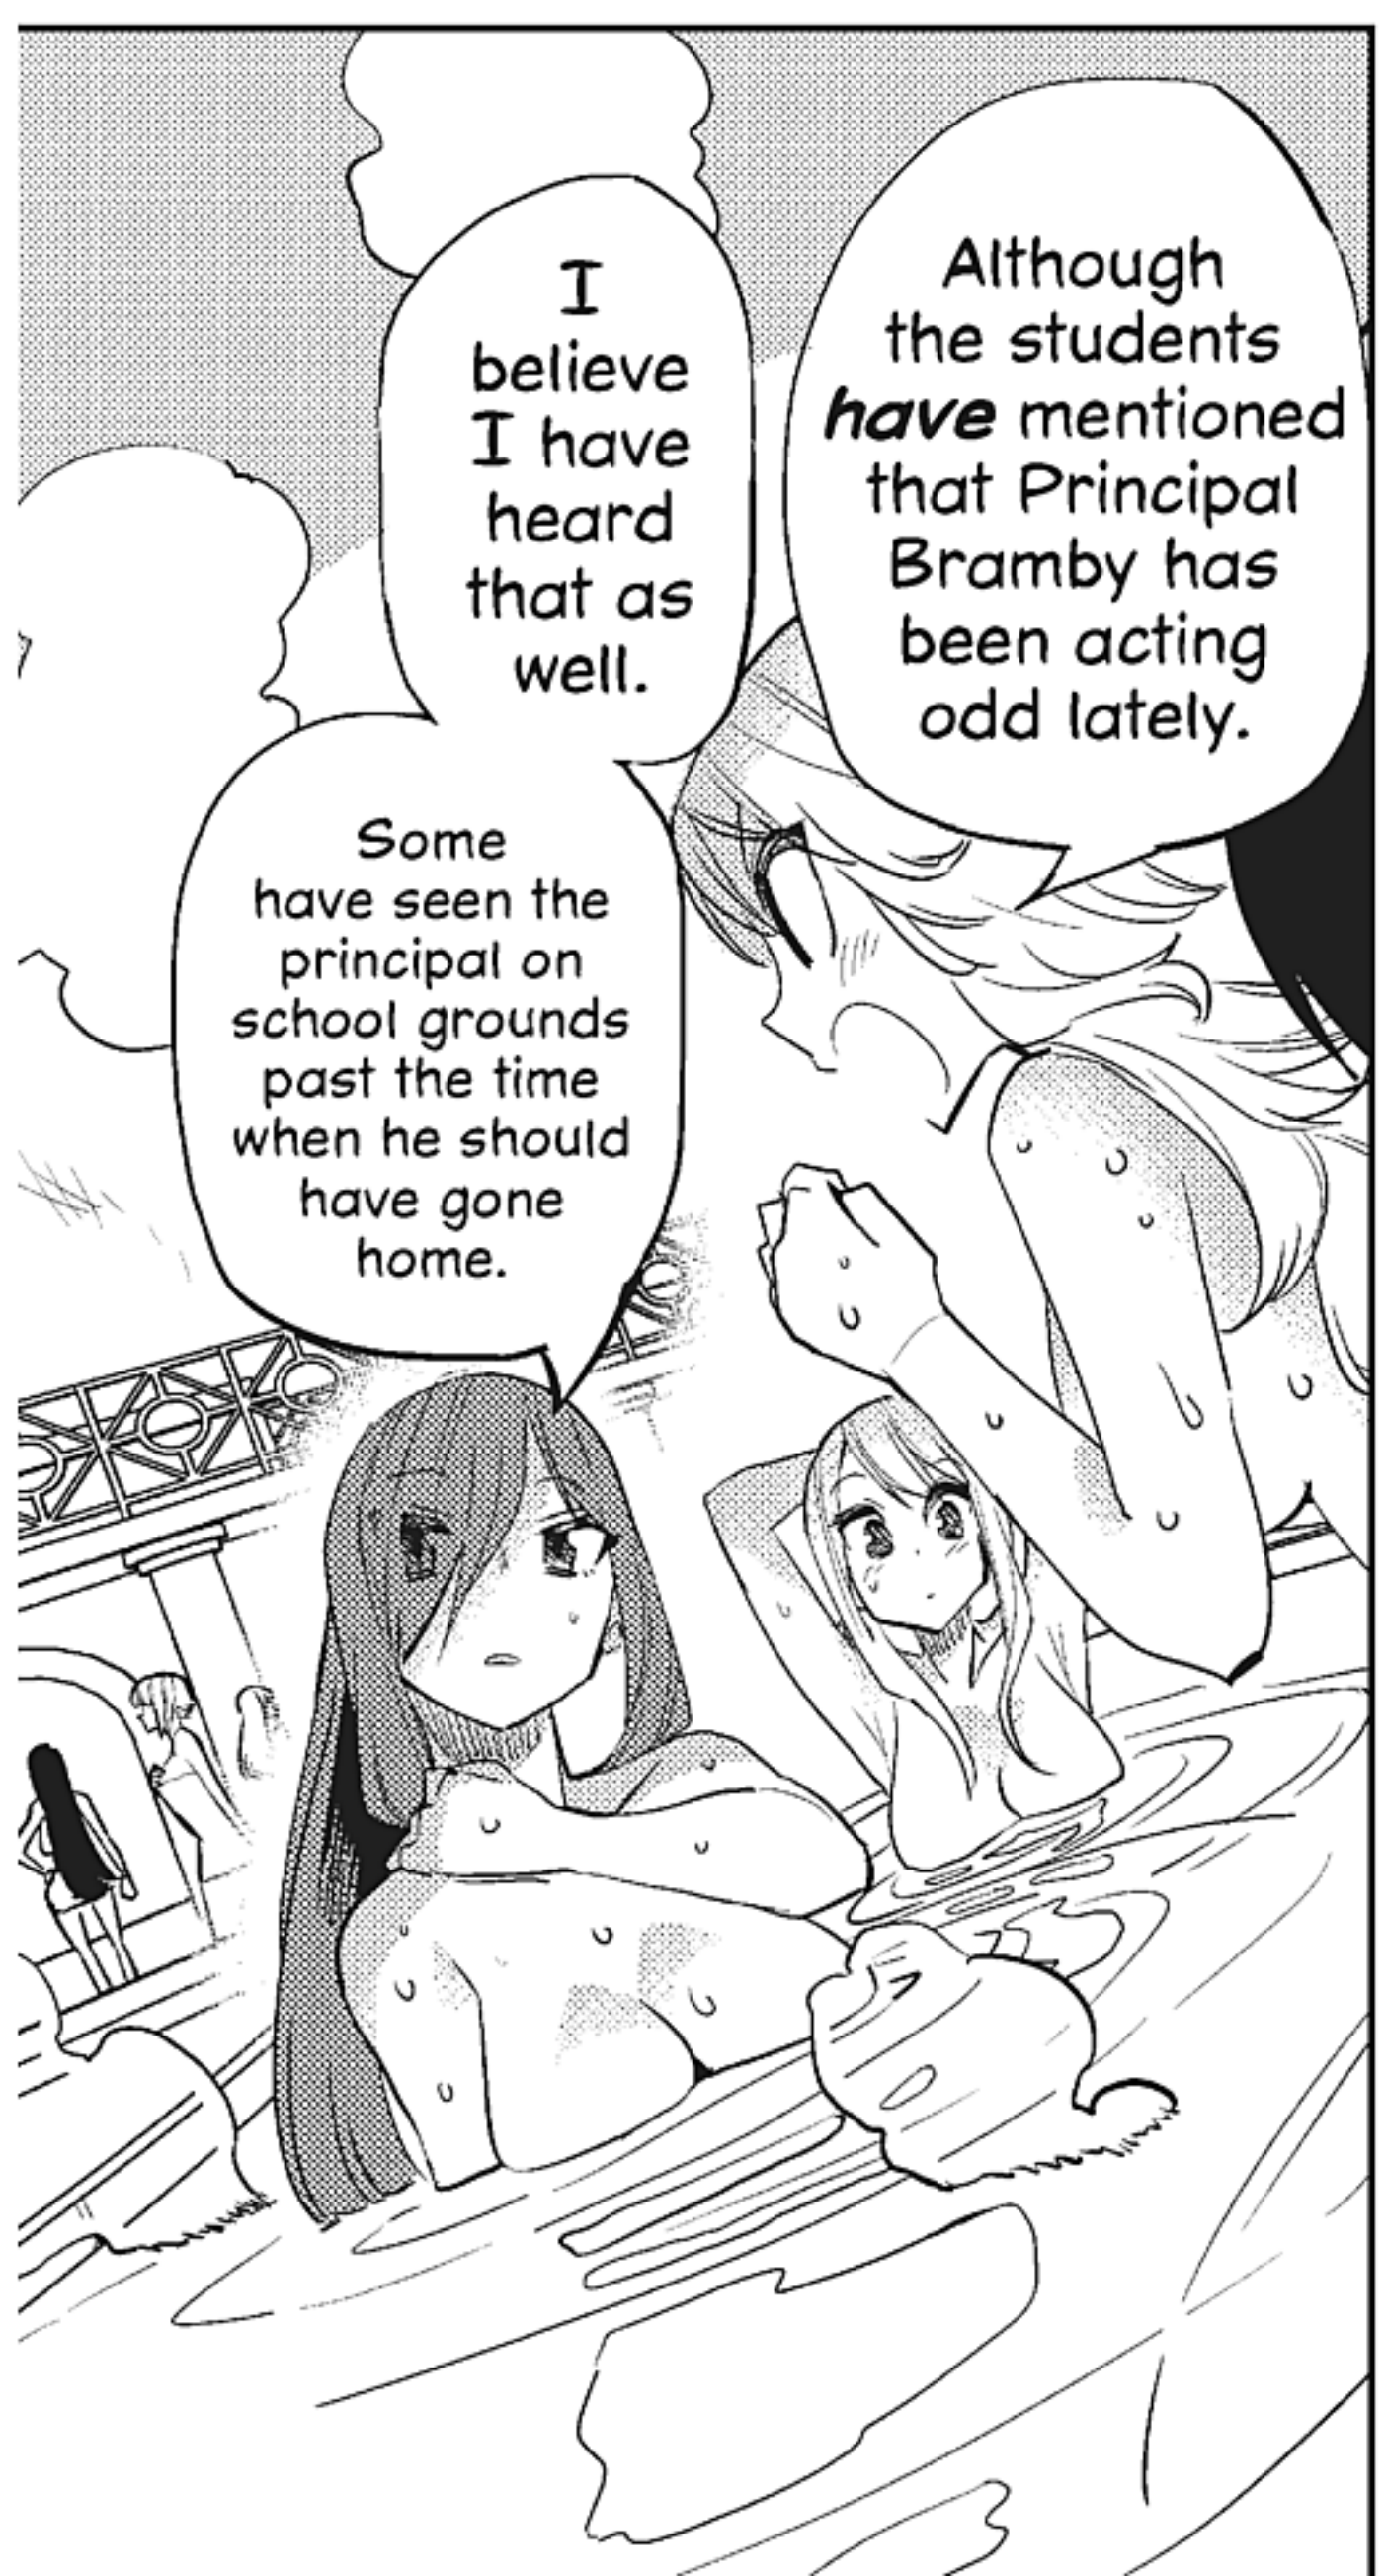

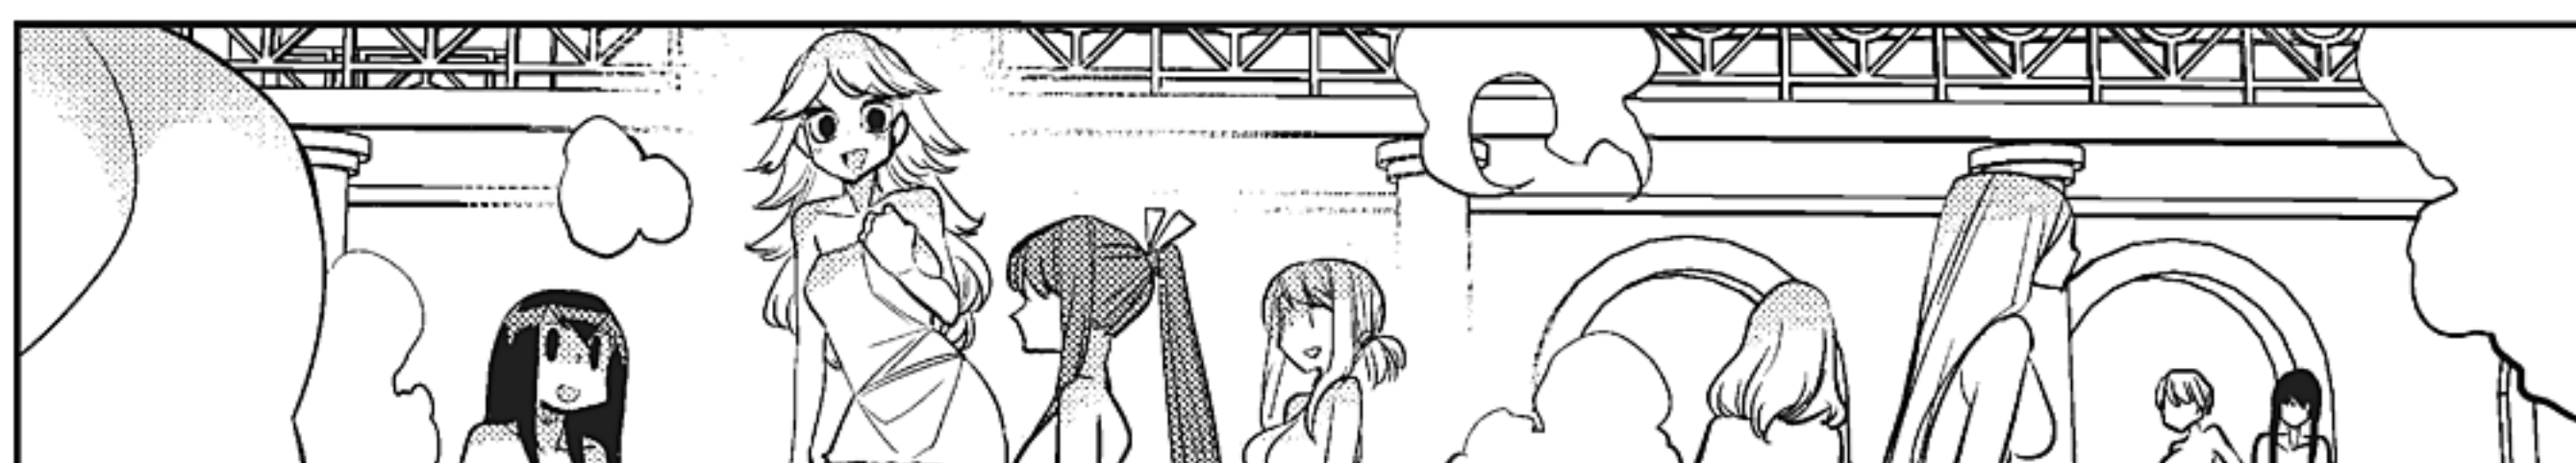

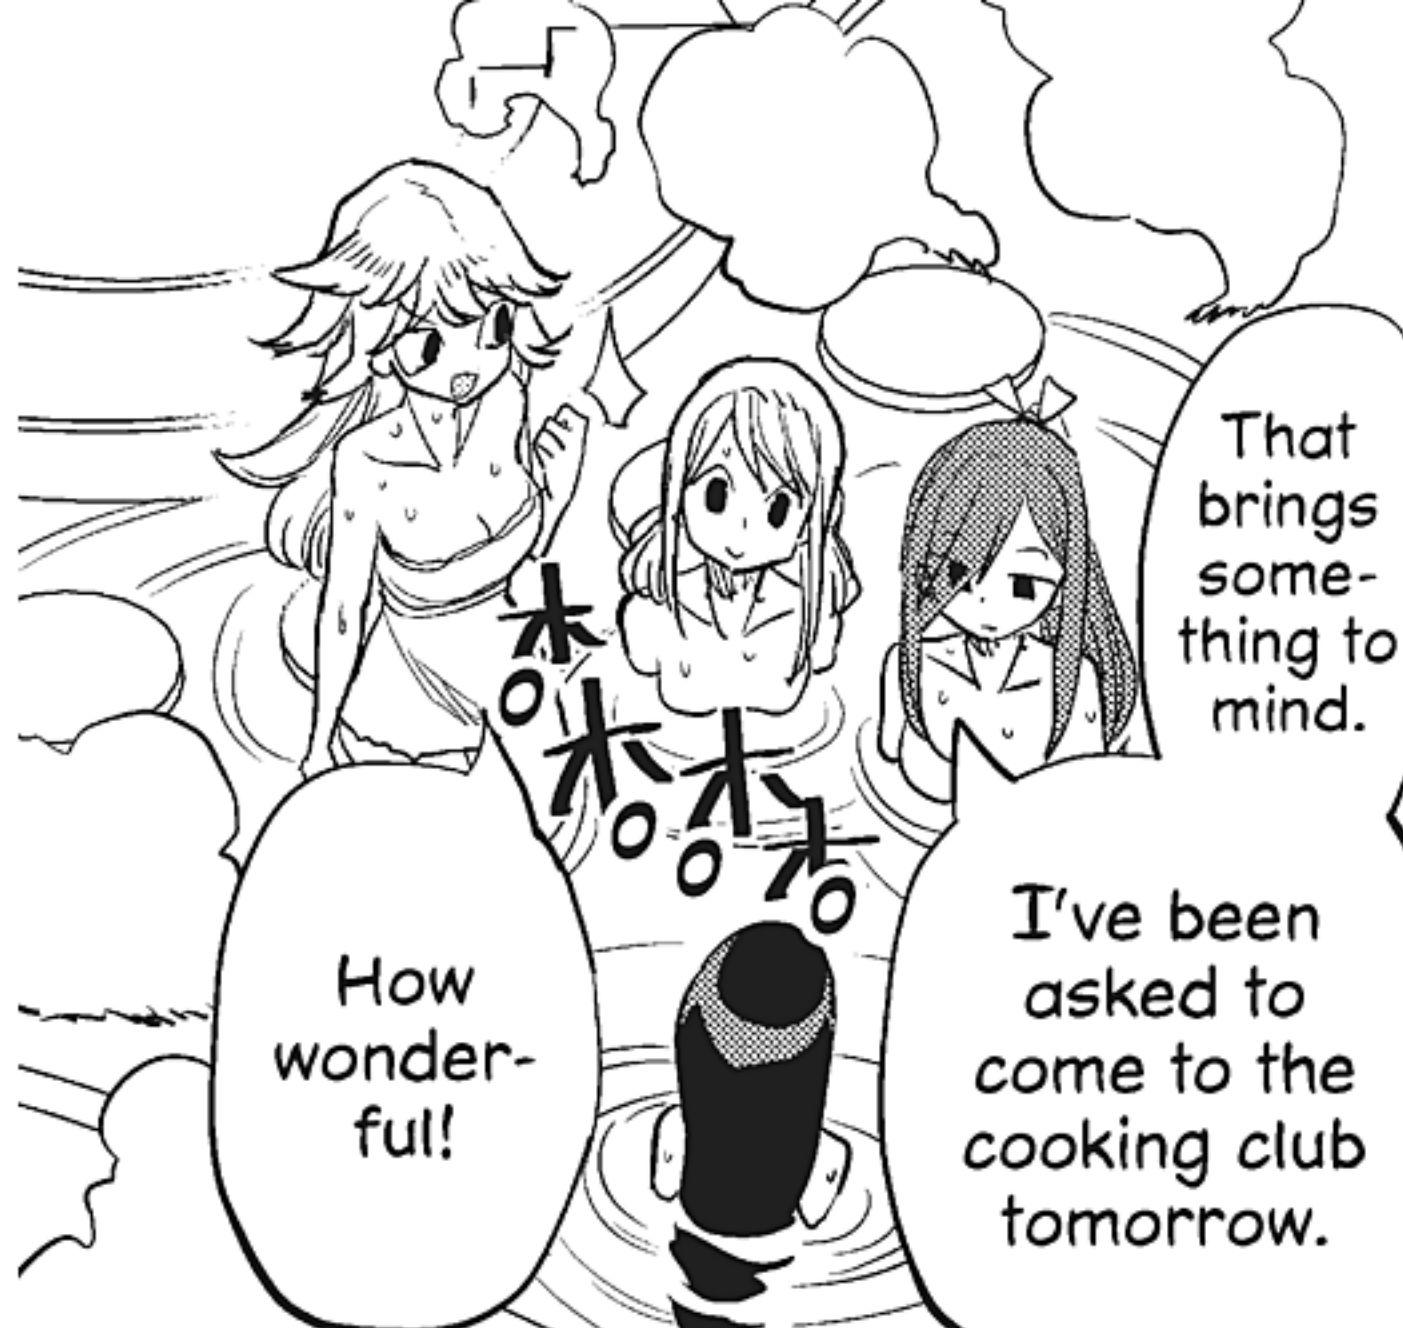

BATHHOUSE

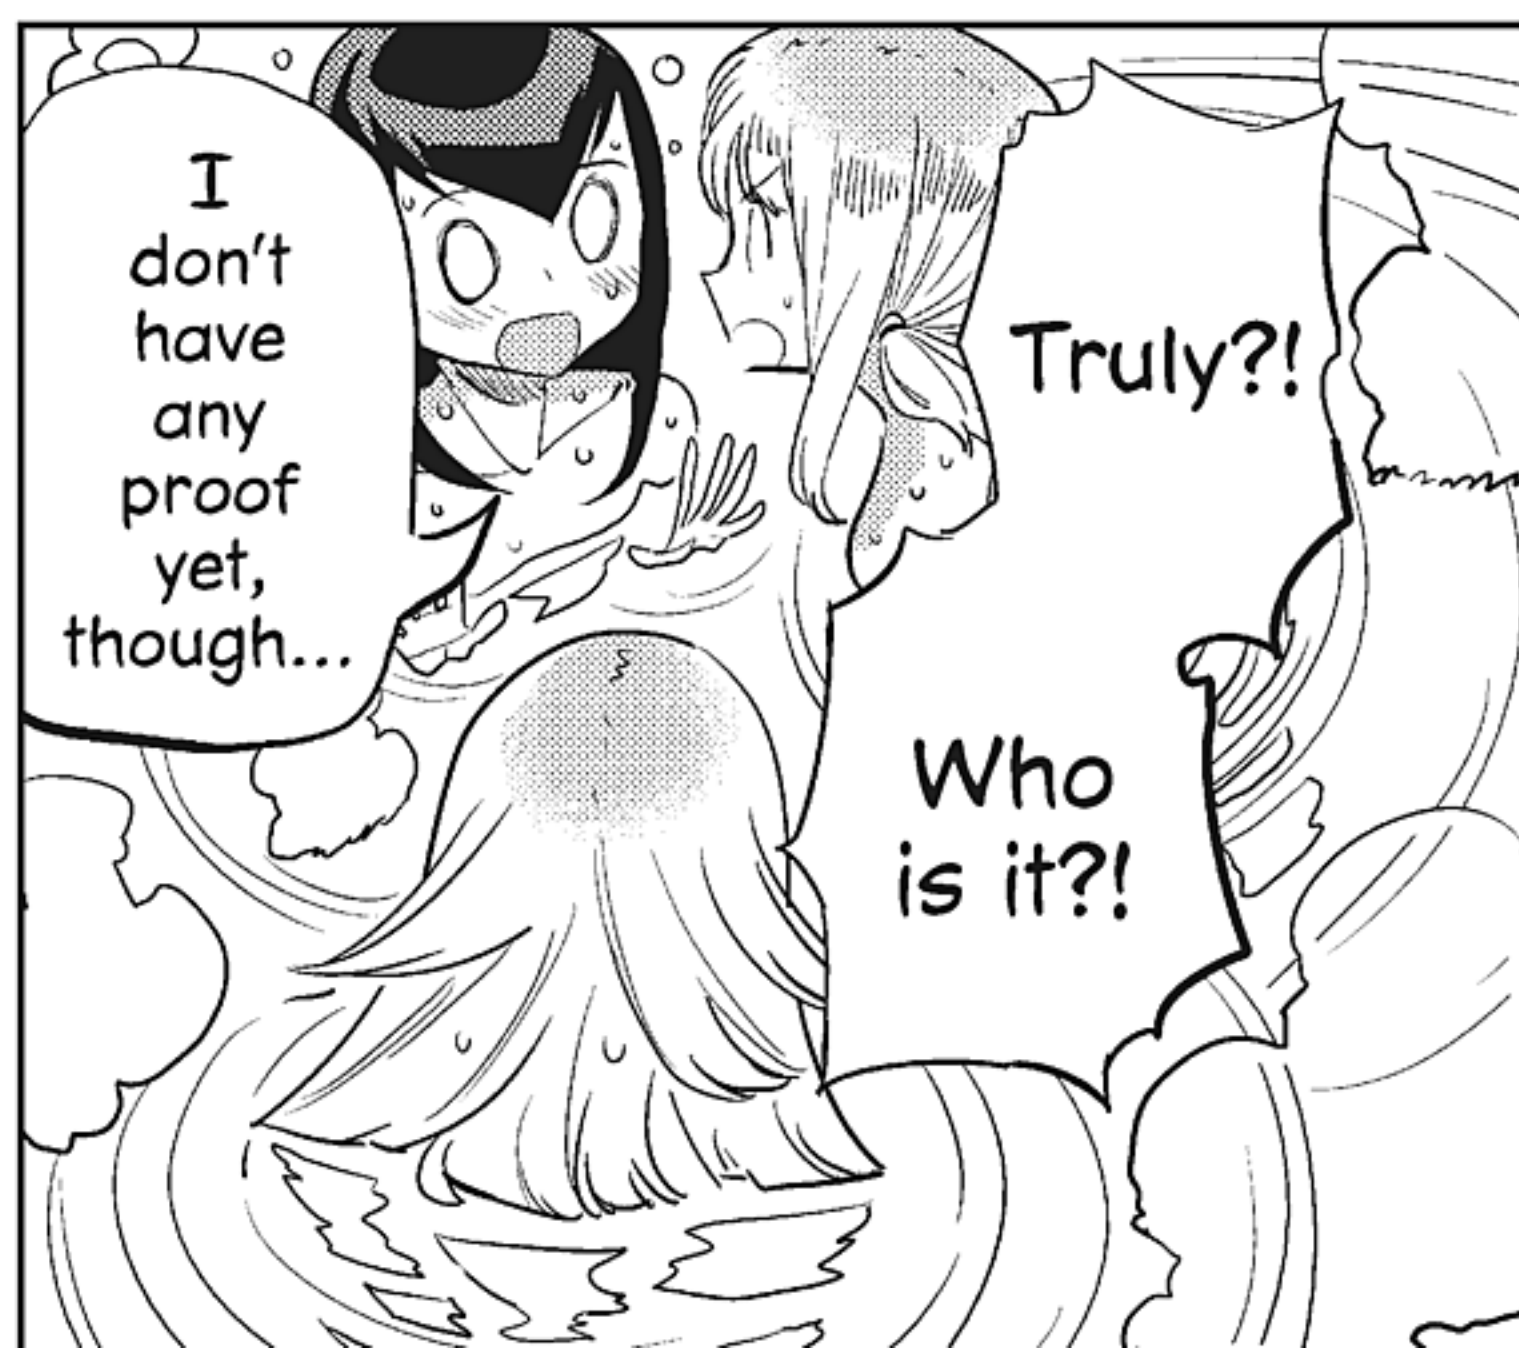

Phew!
This feels
good...

Today
was
rather
fun.

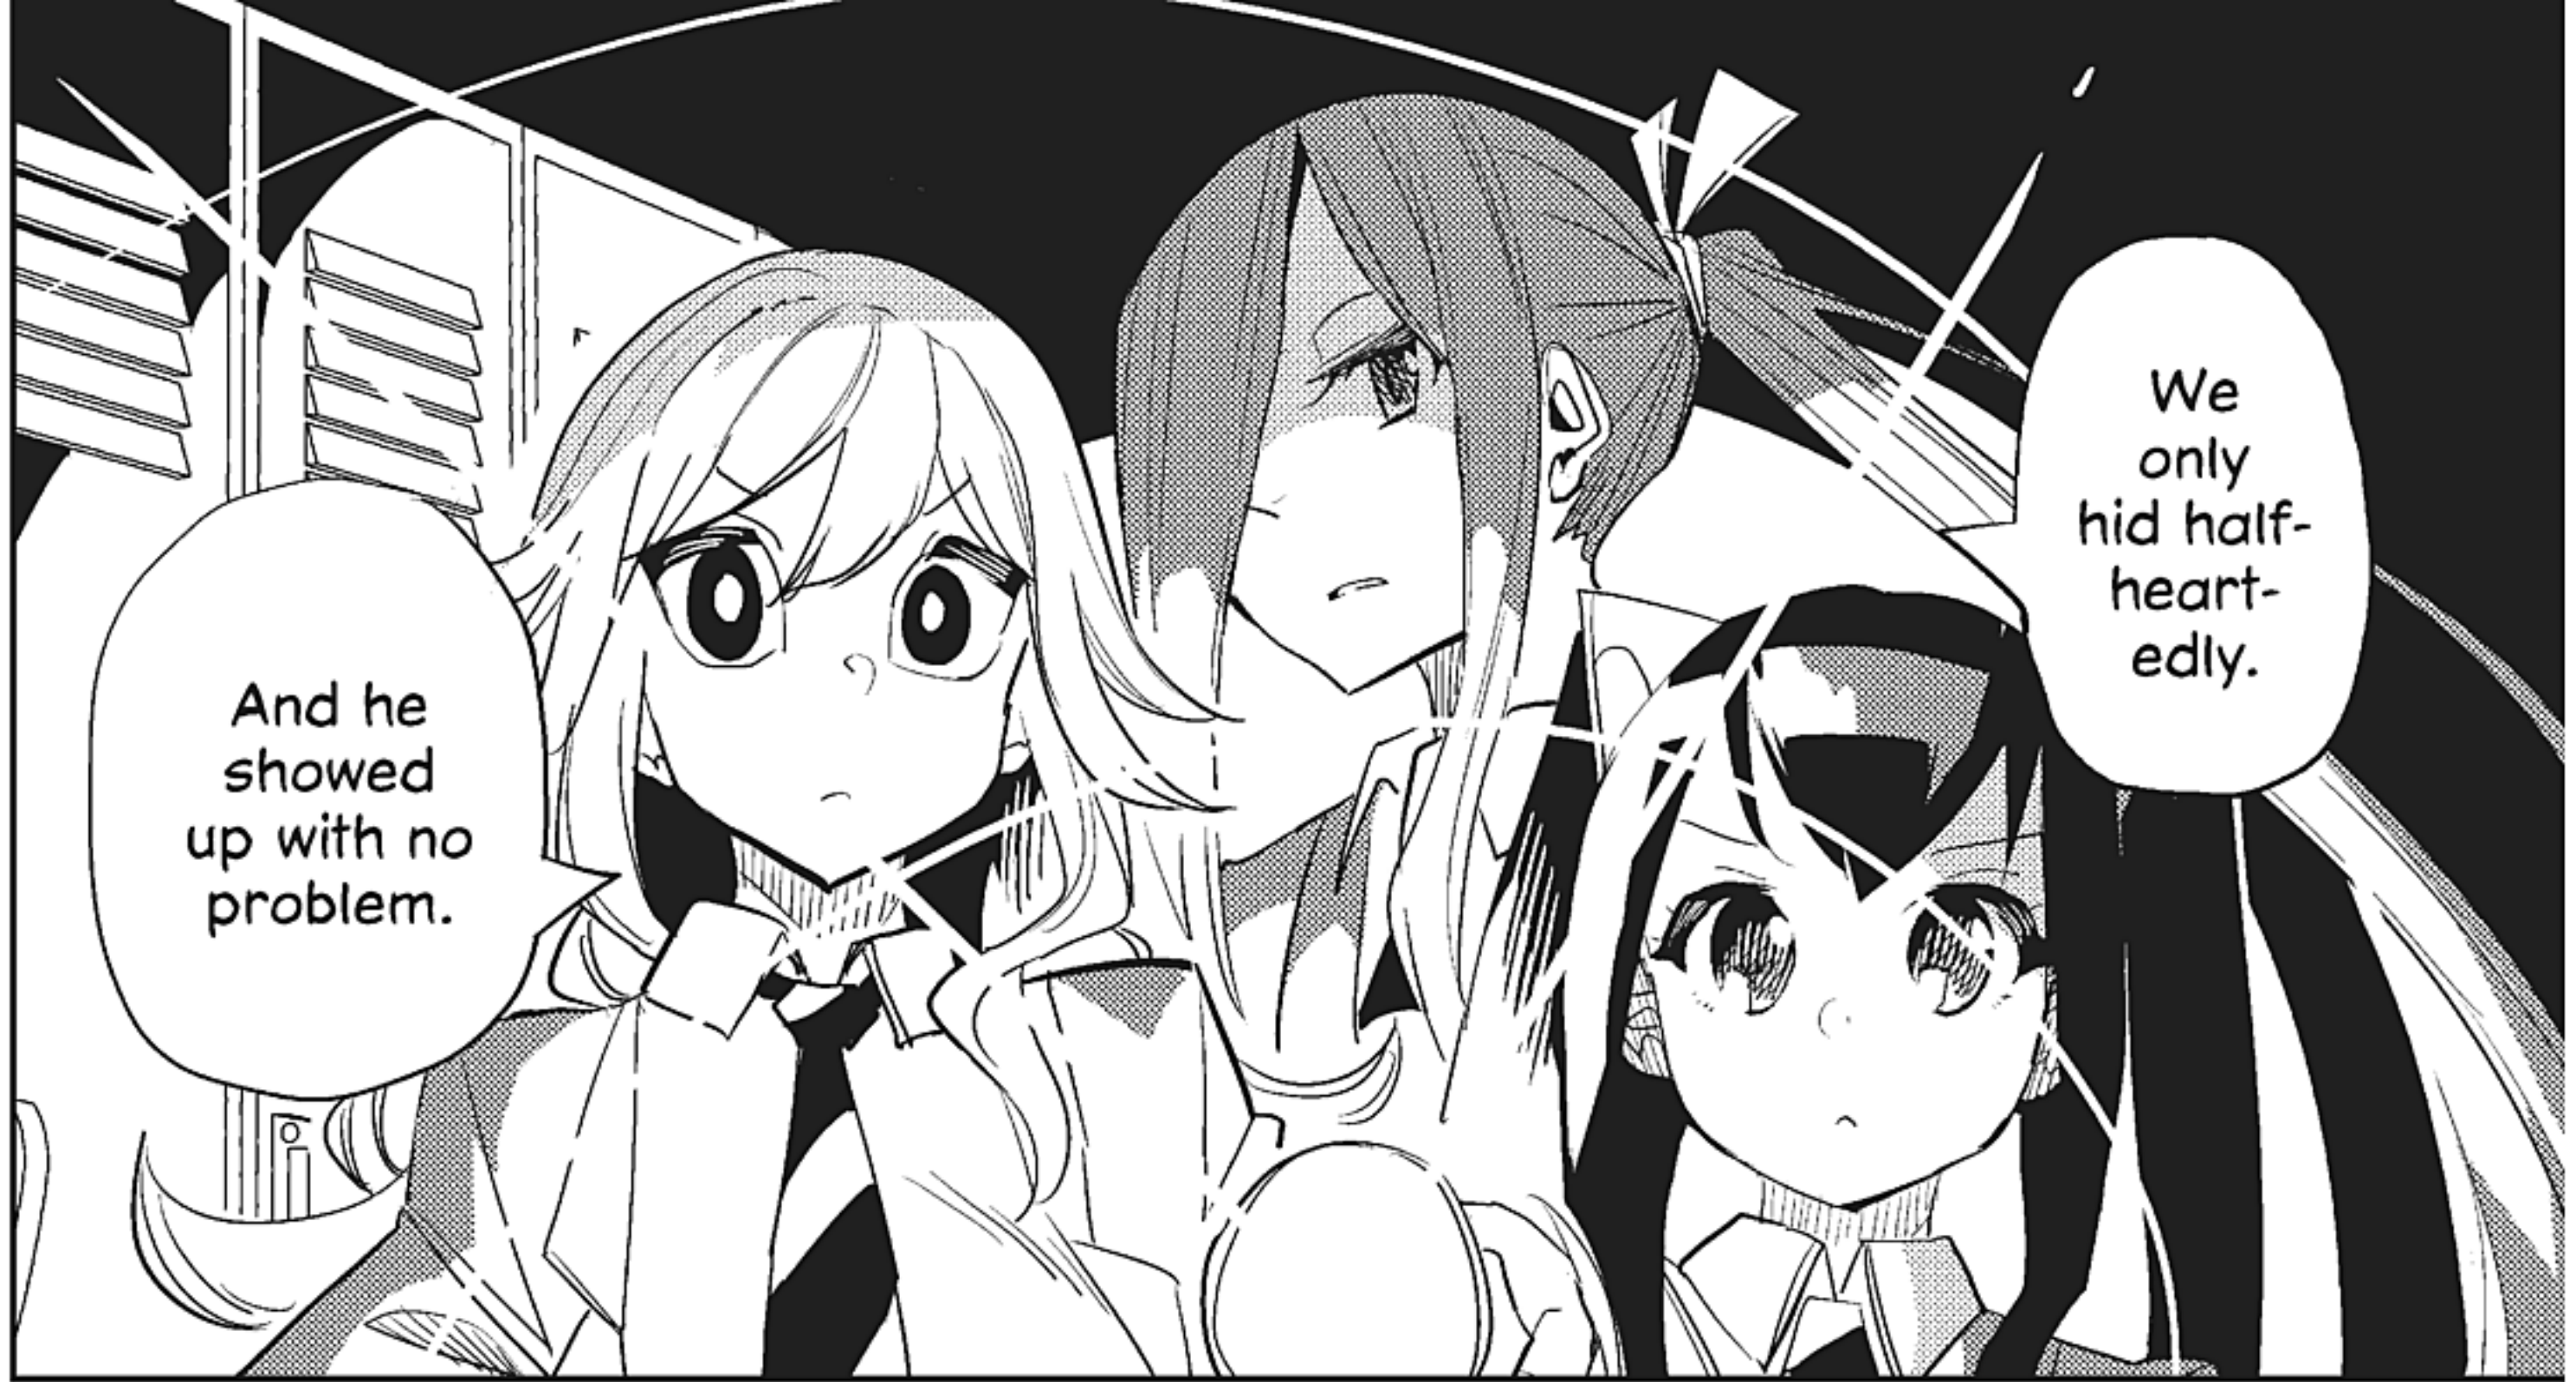

Oh,
you're
back,
Wendy!

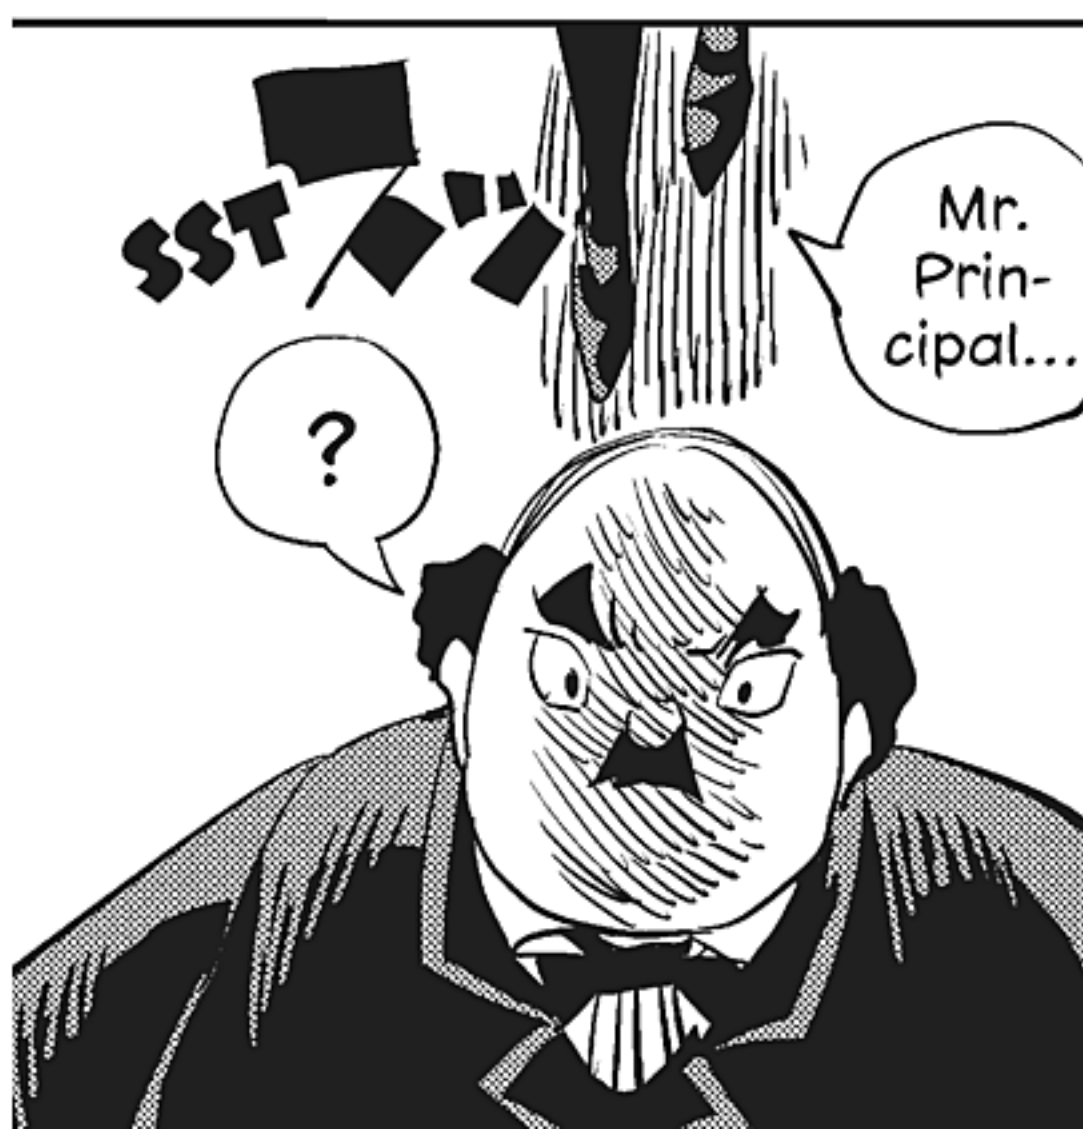

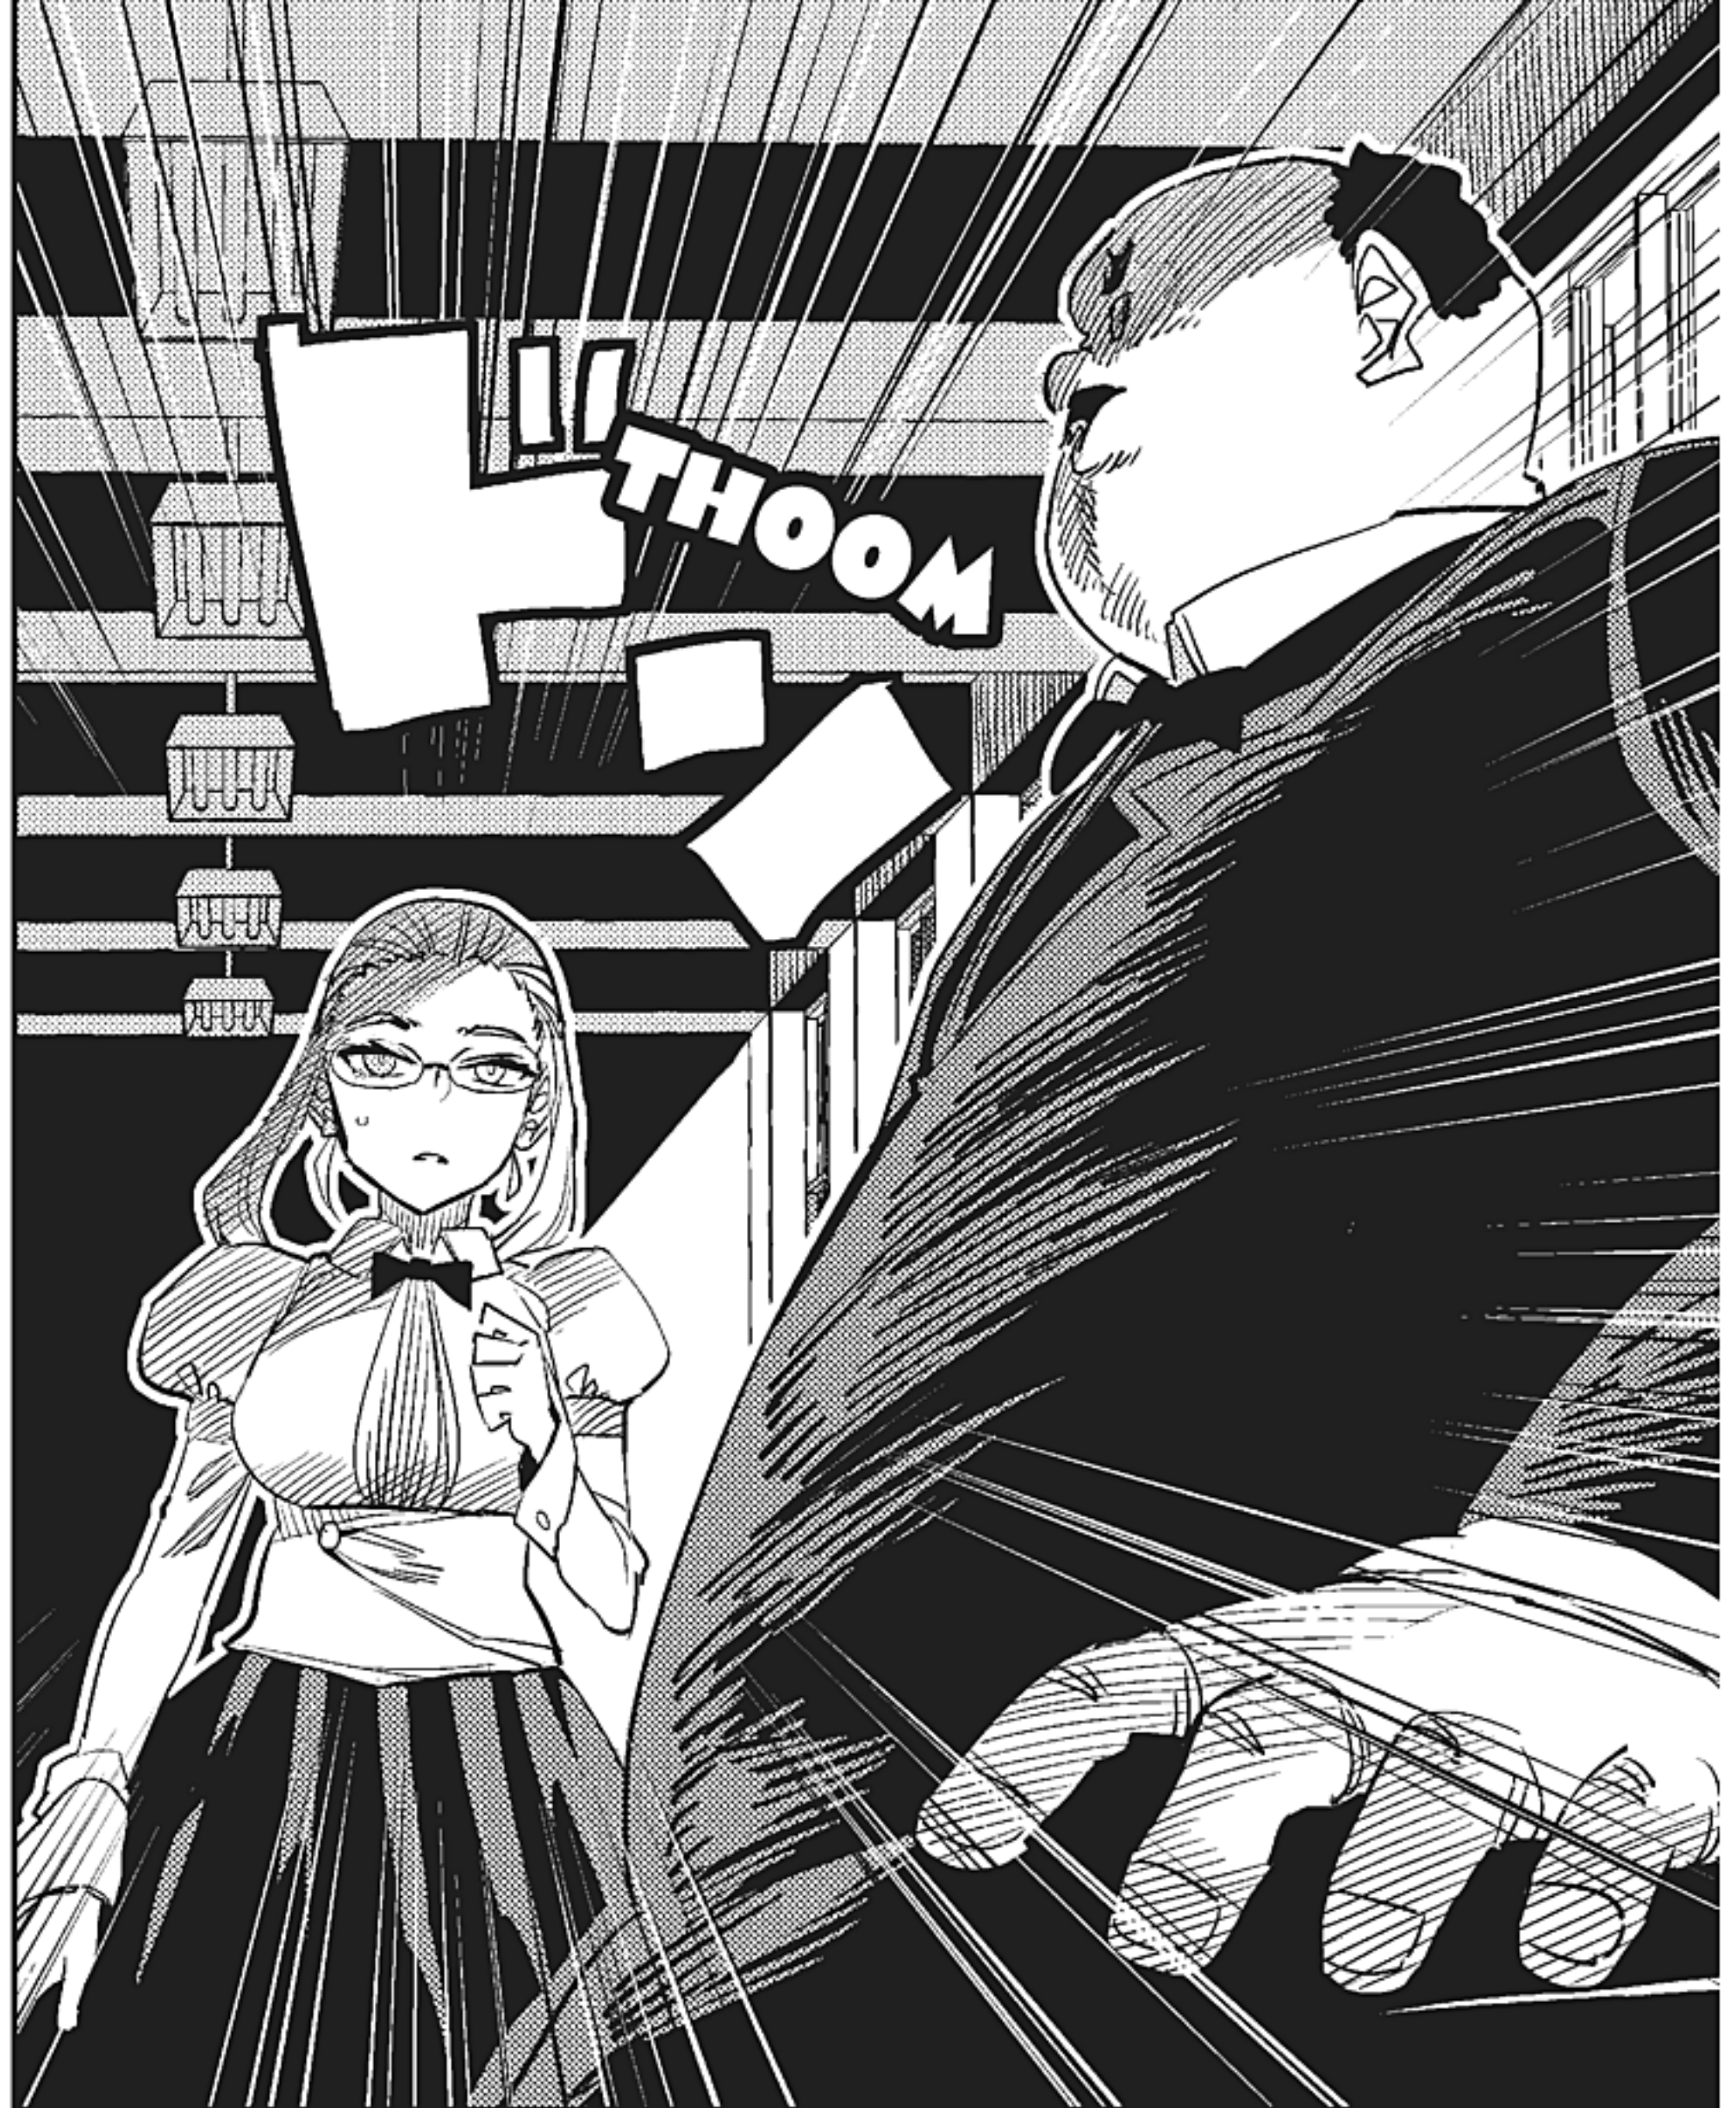

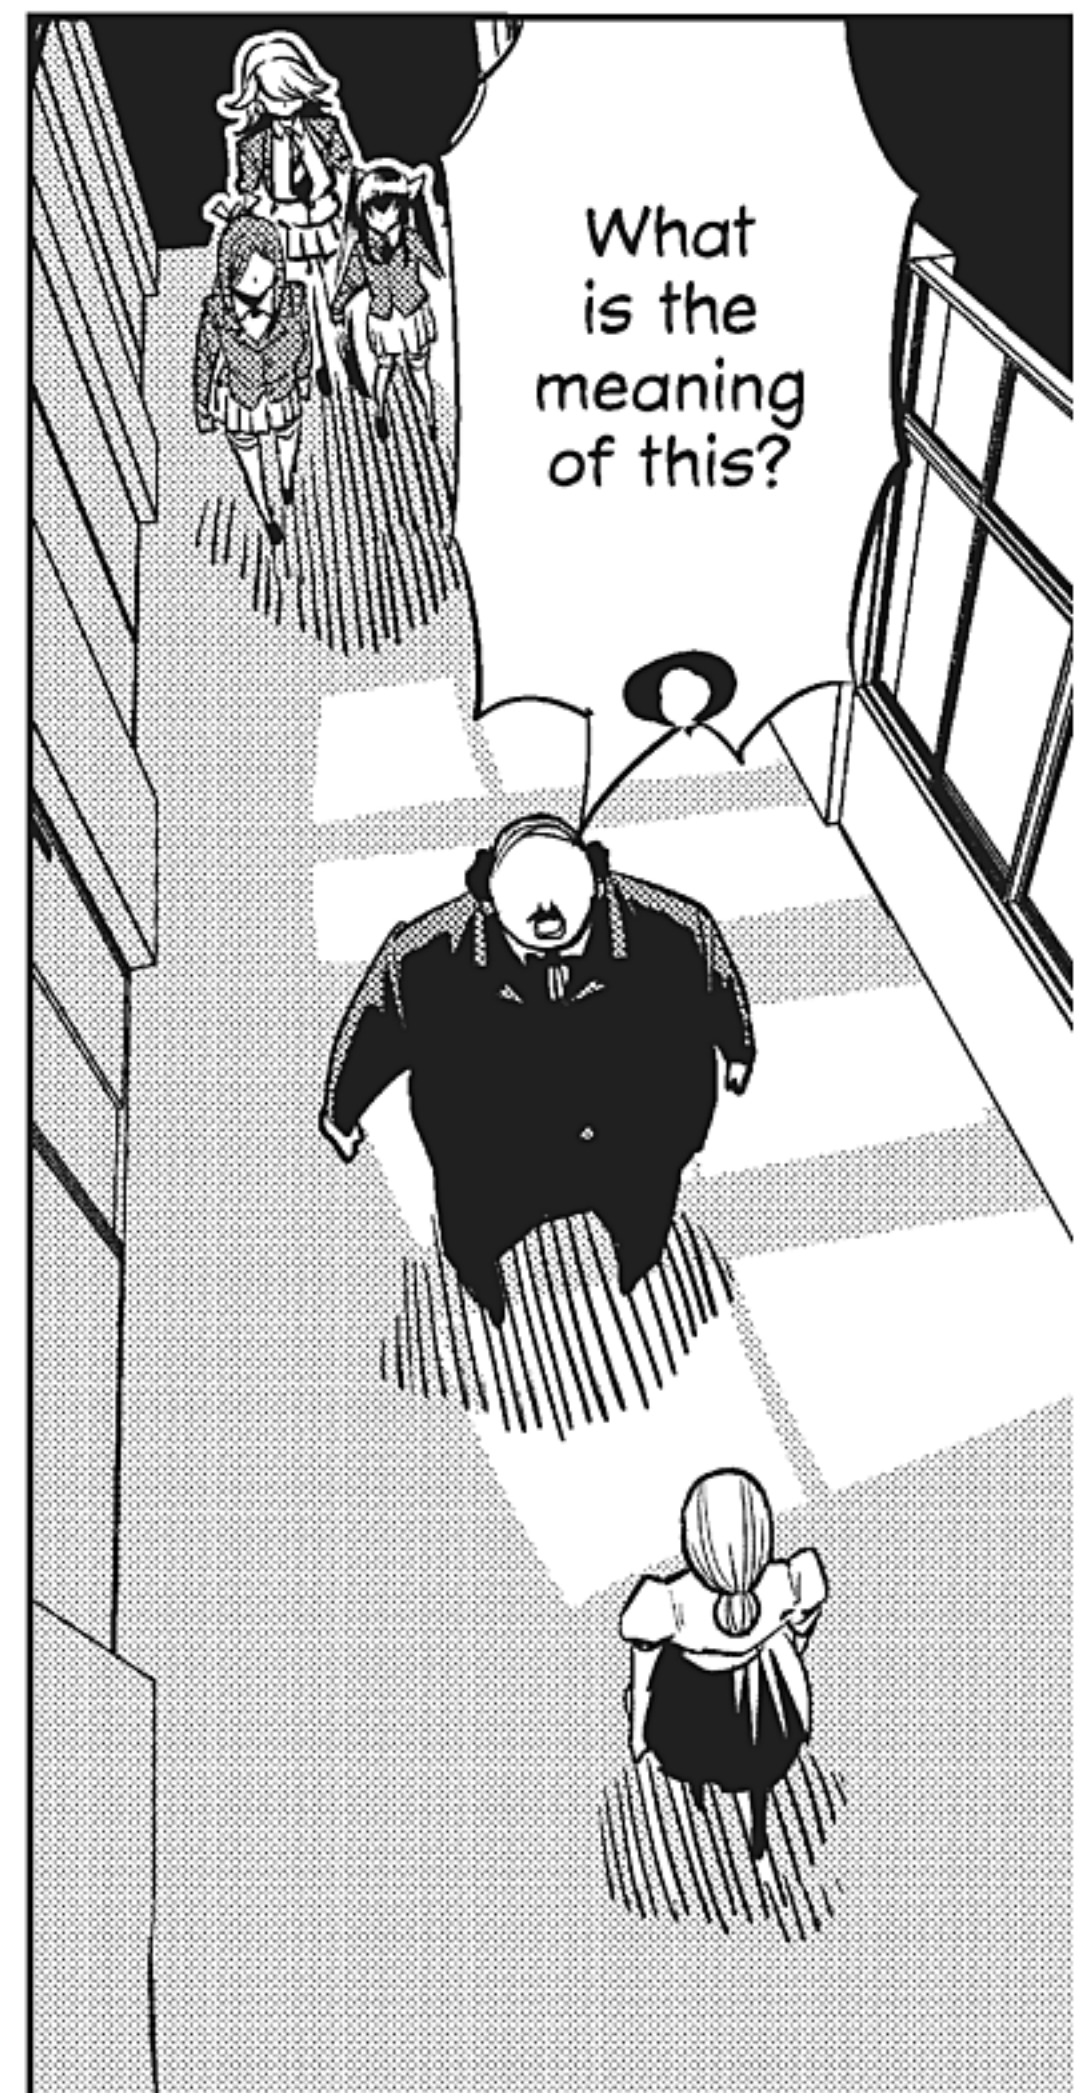

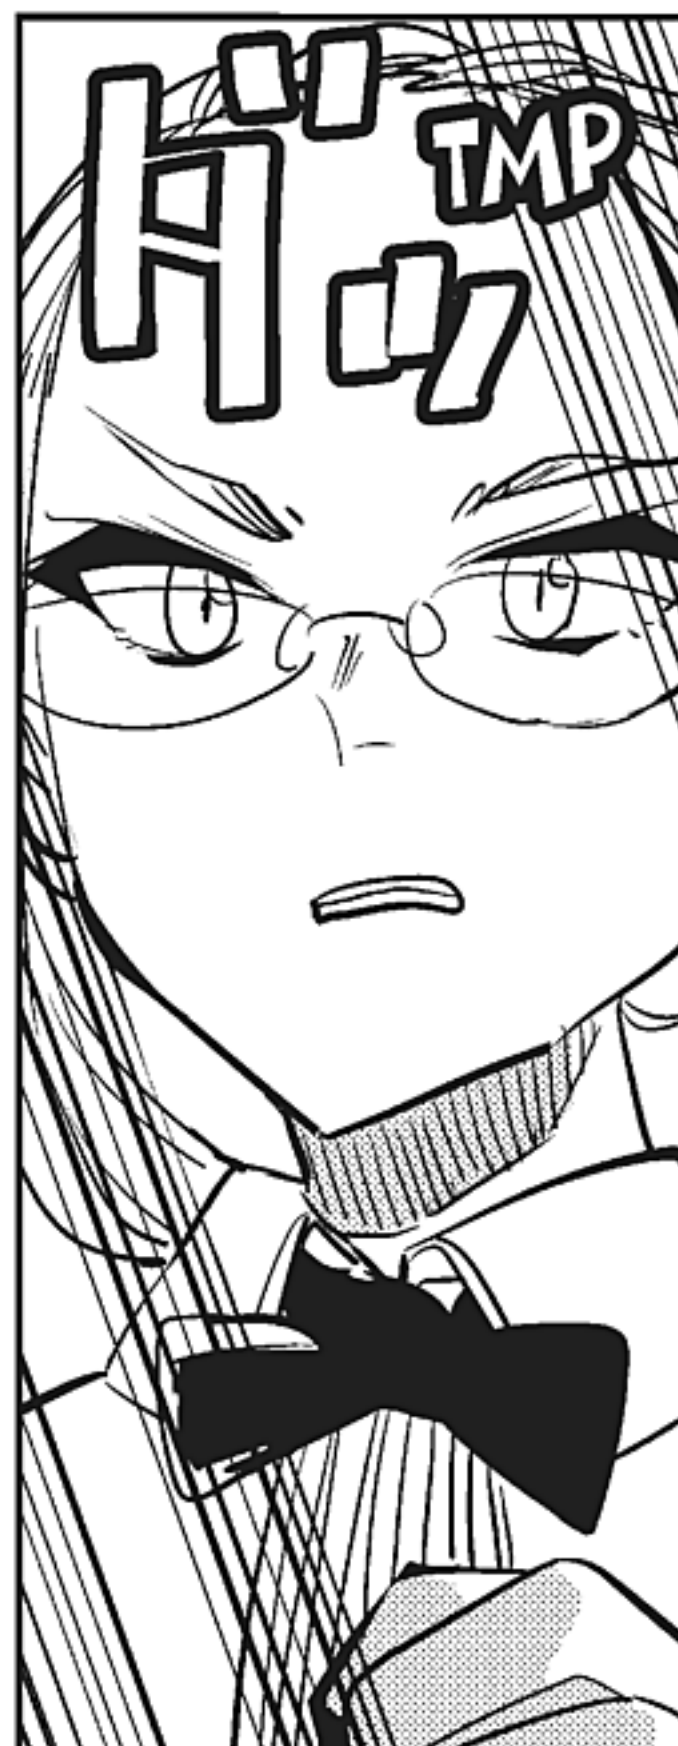

M...

Ms.
Gray-
mane?!

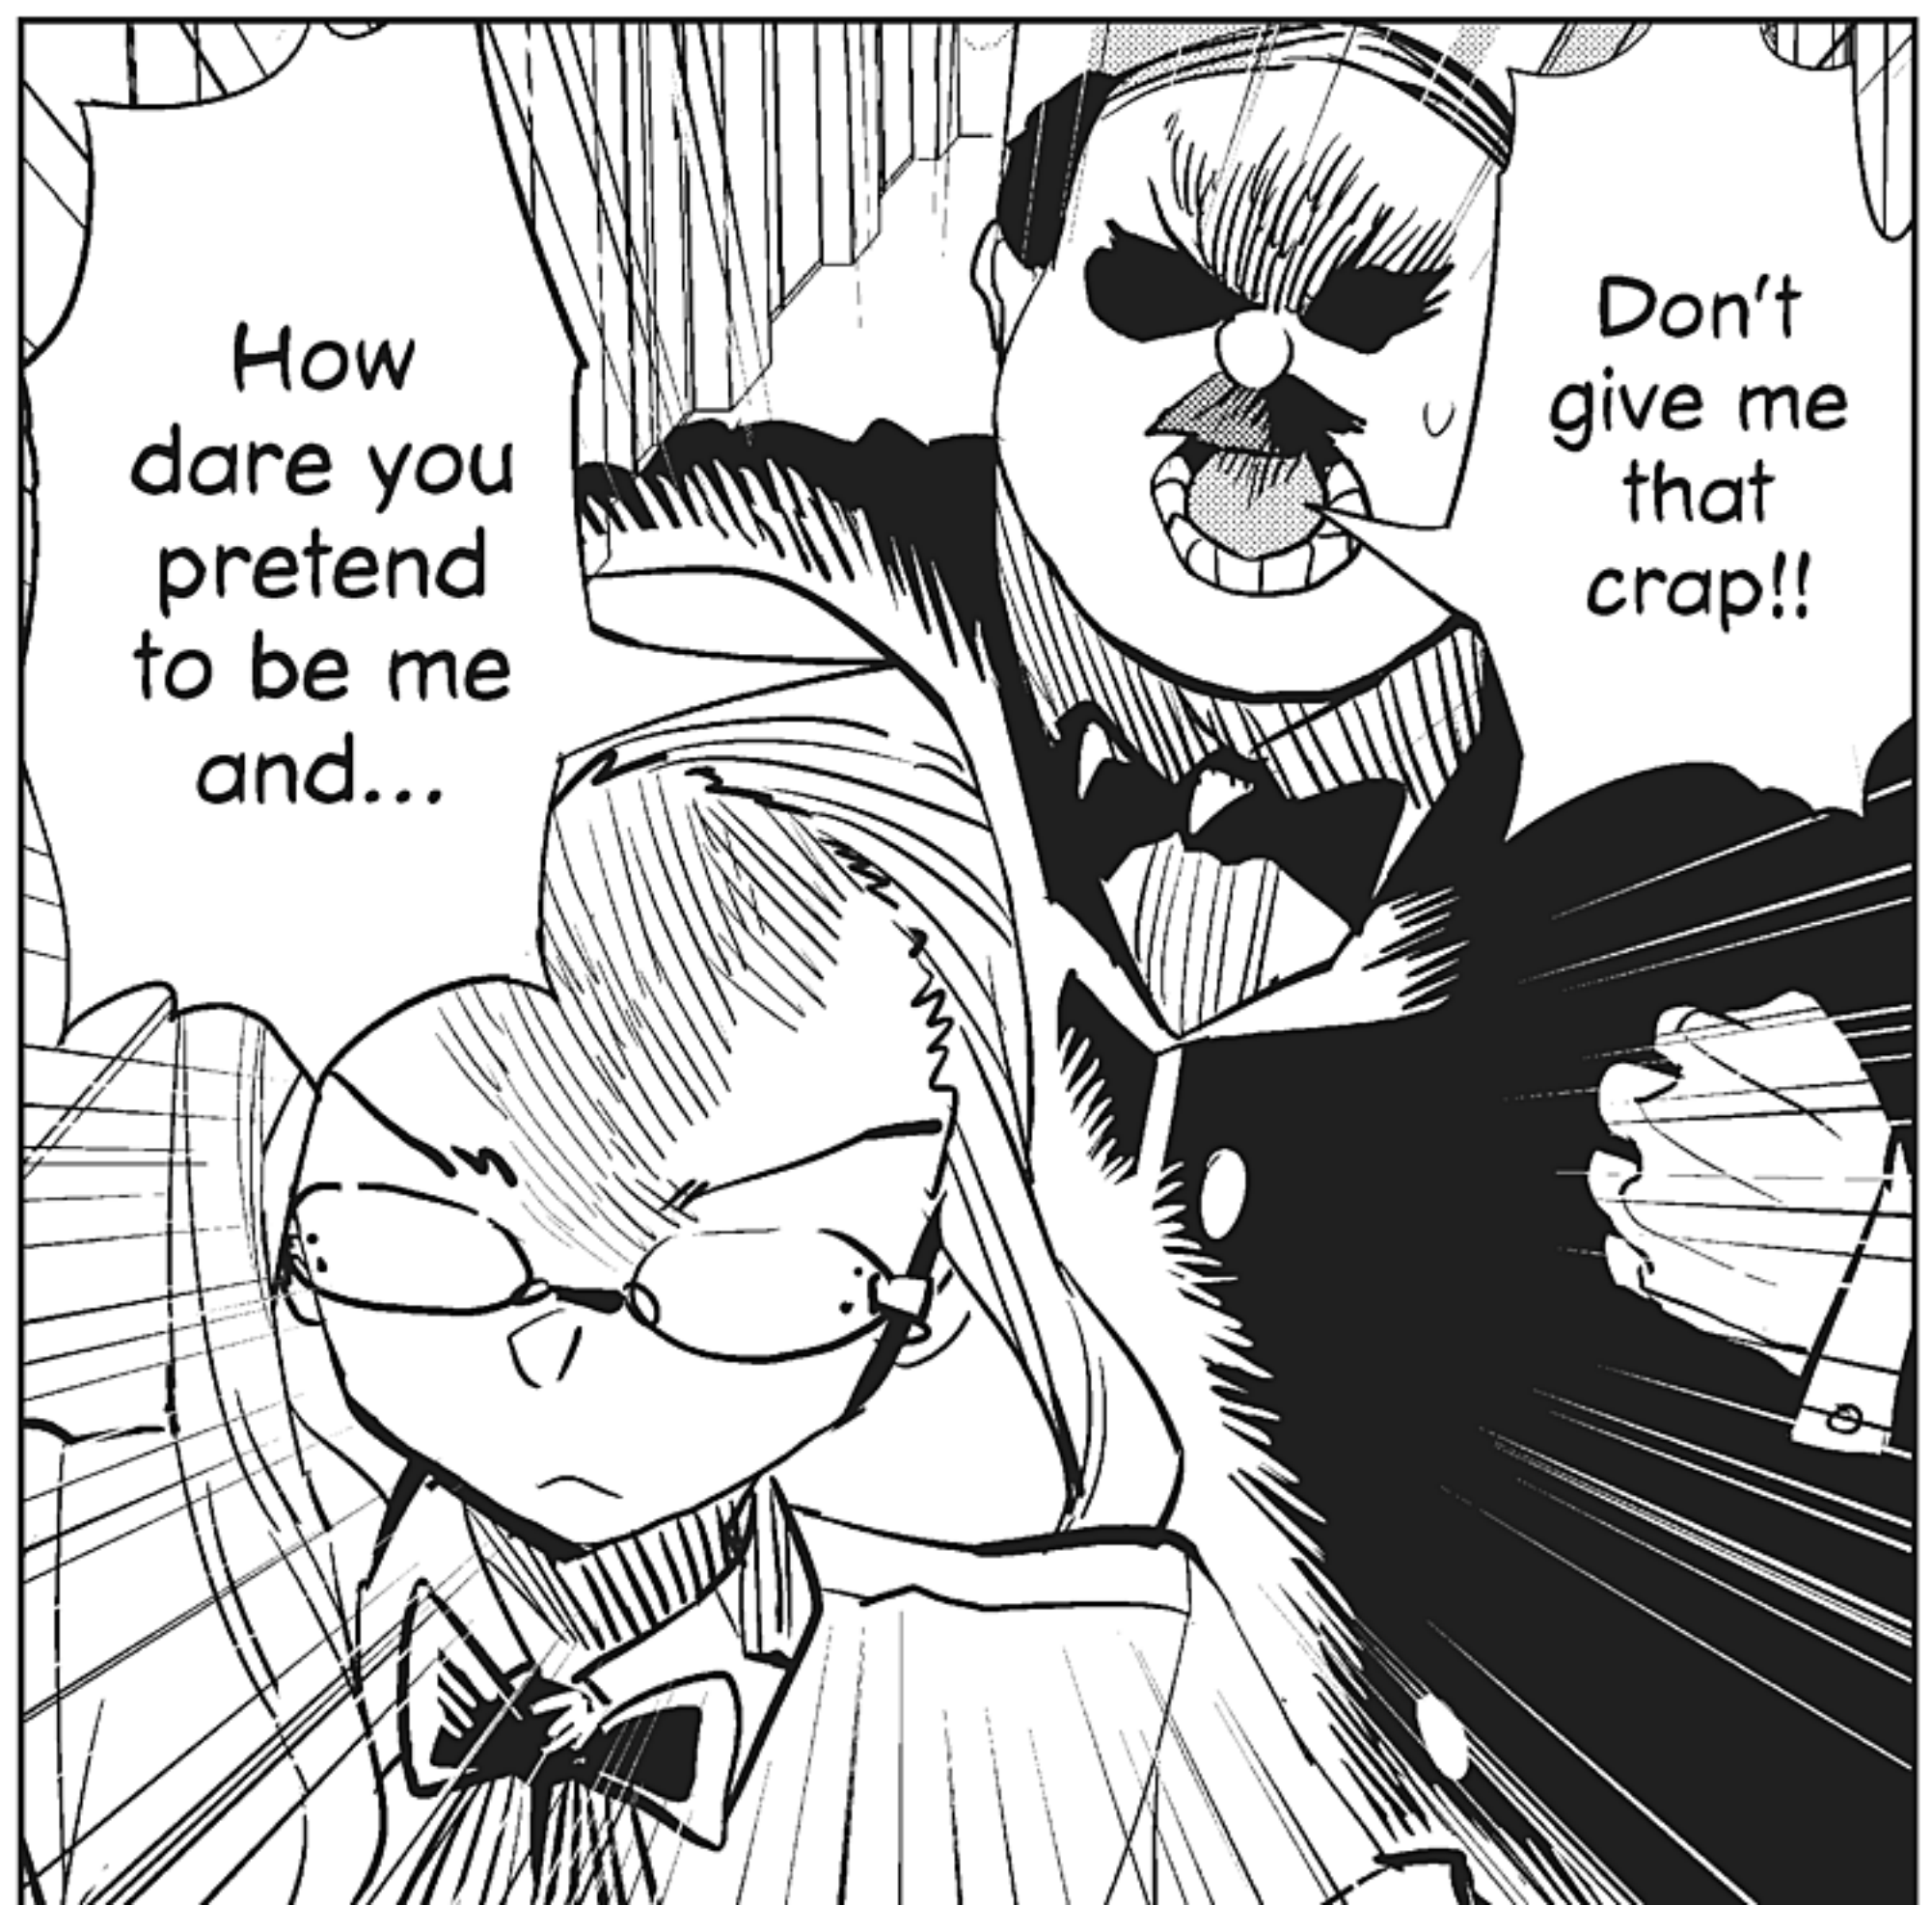

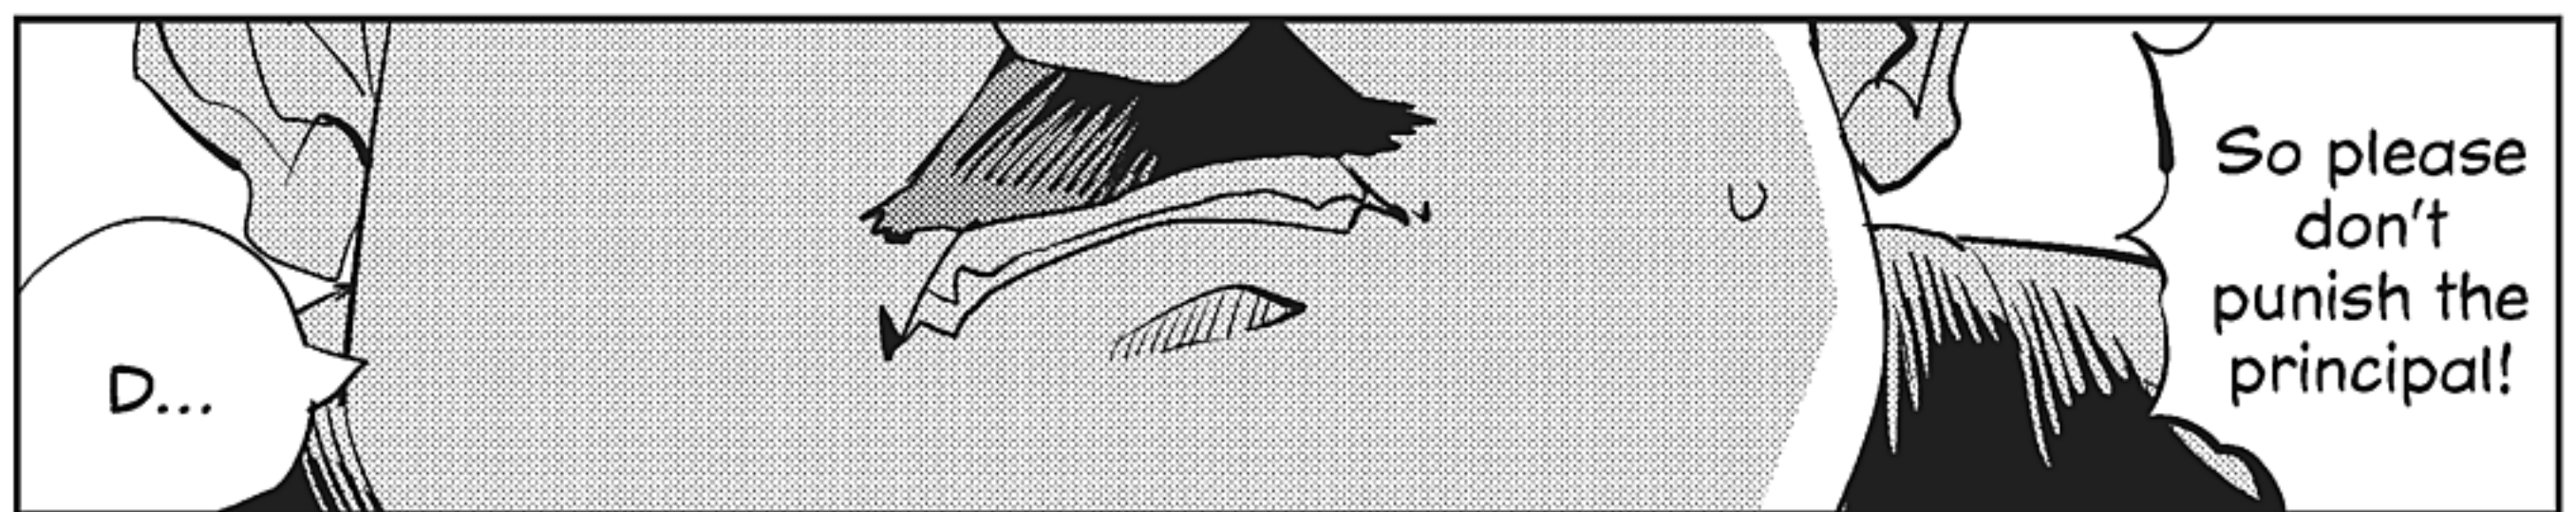

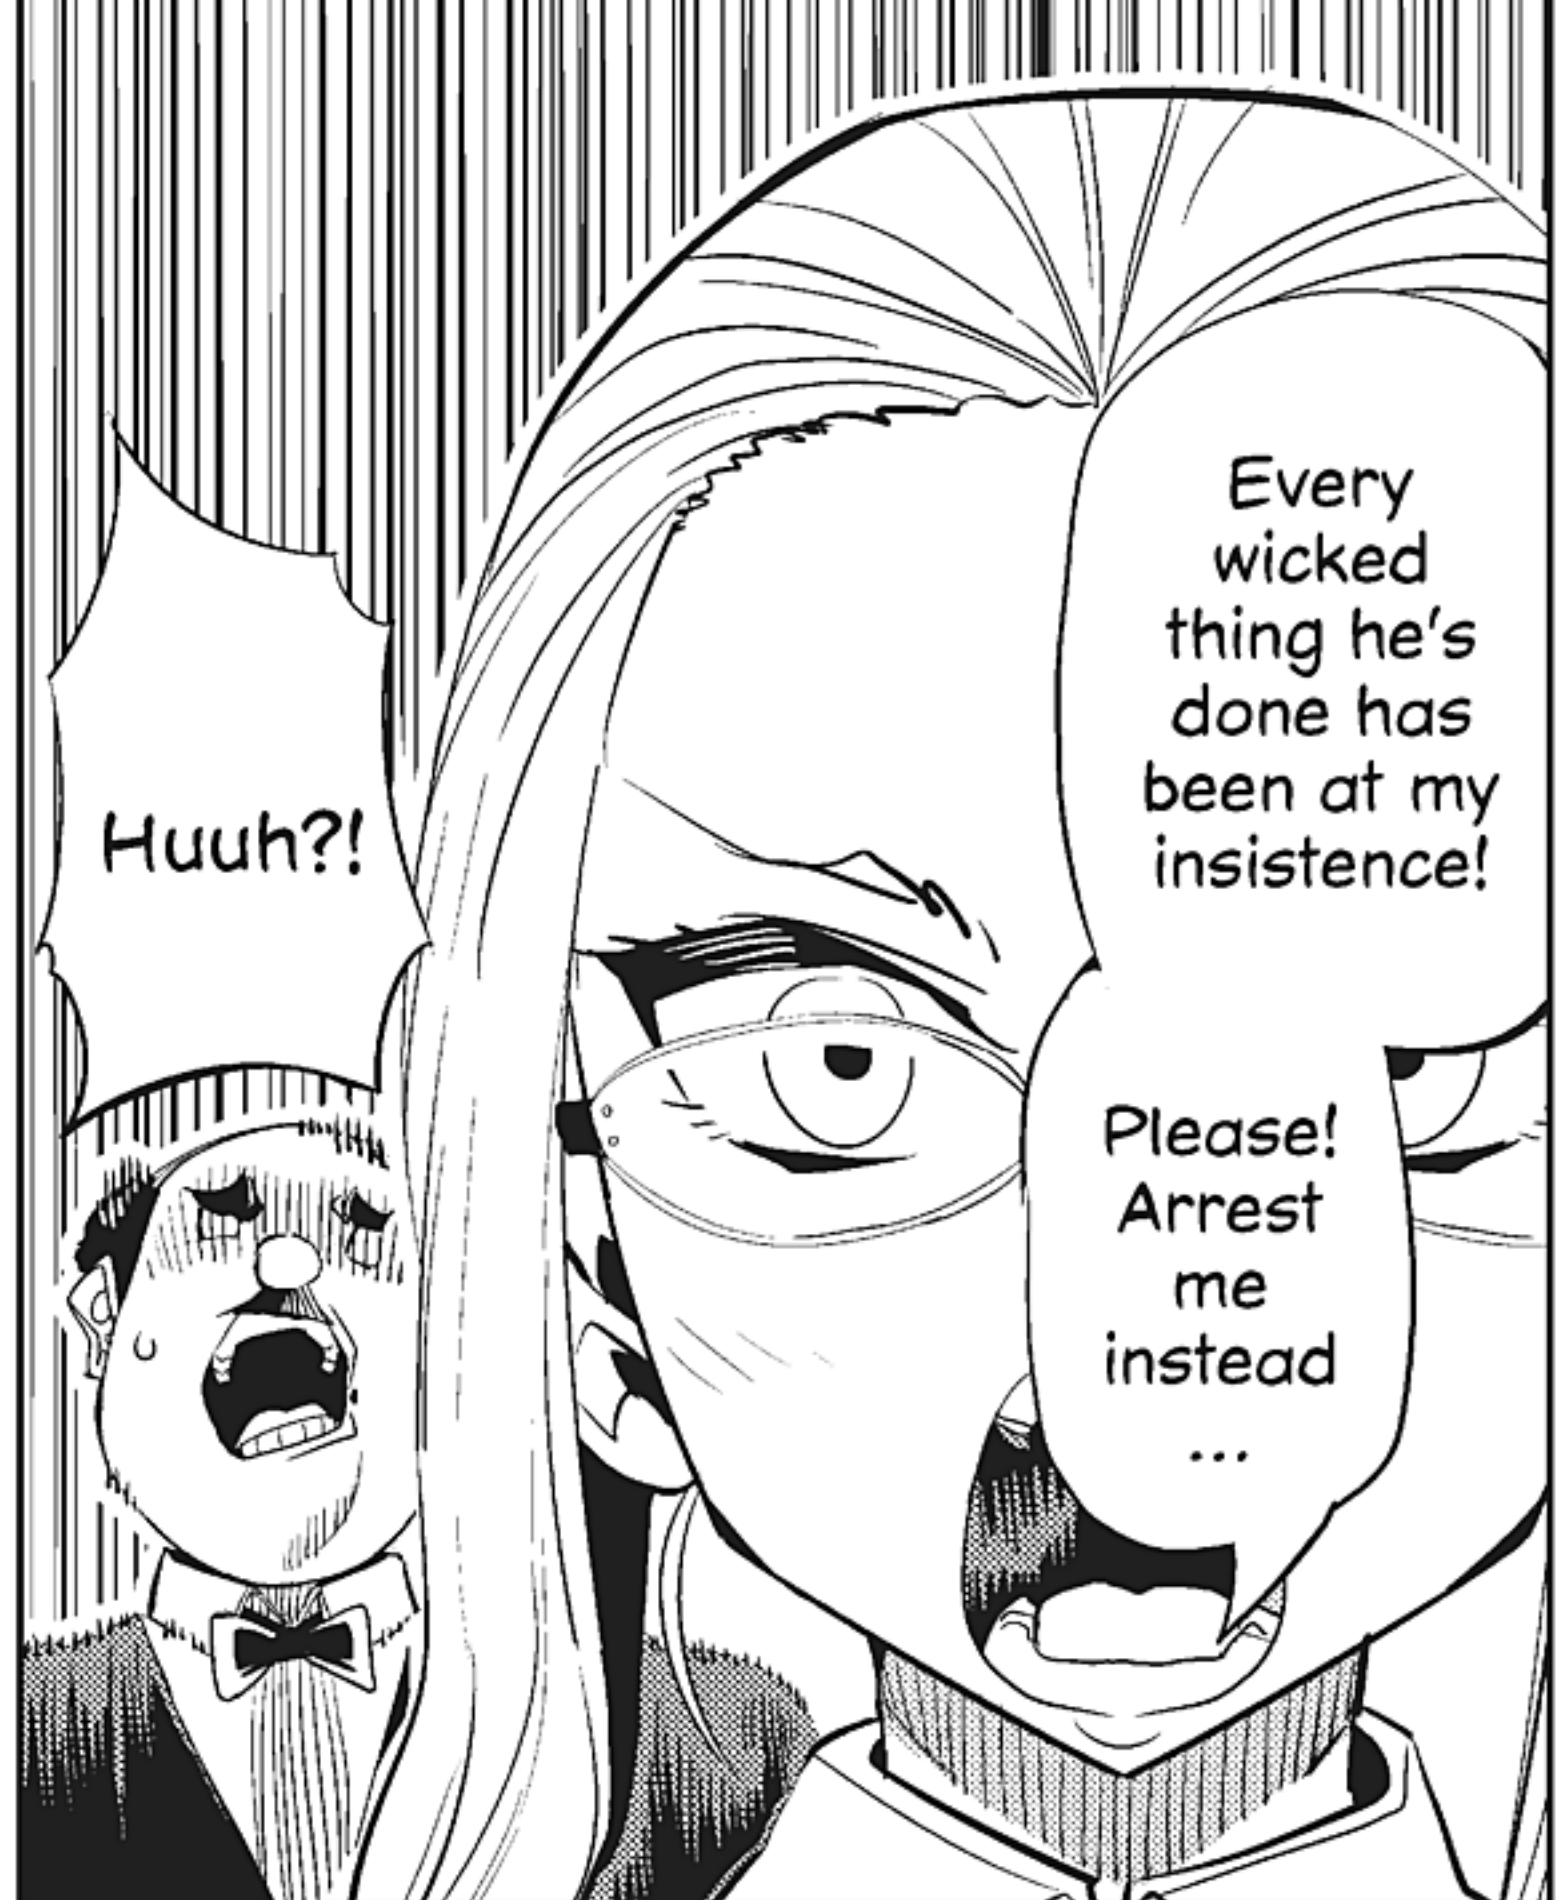

Please
don't do
any harm
to
Principal
Bramby! He isn't
respon-
sible
for his
actions!

Please,
ladies of
Fairy
Tail...

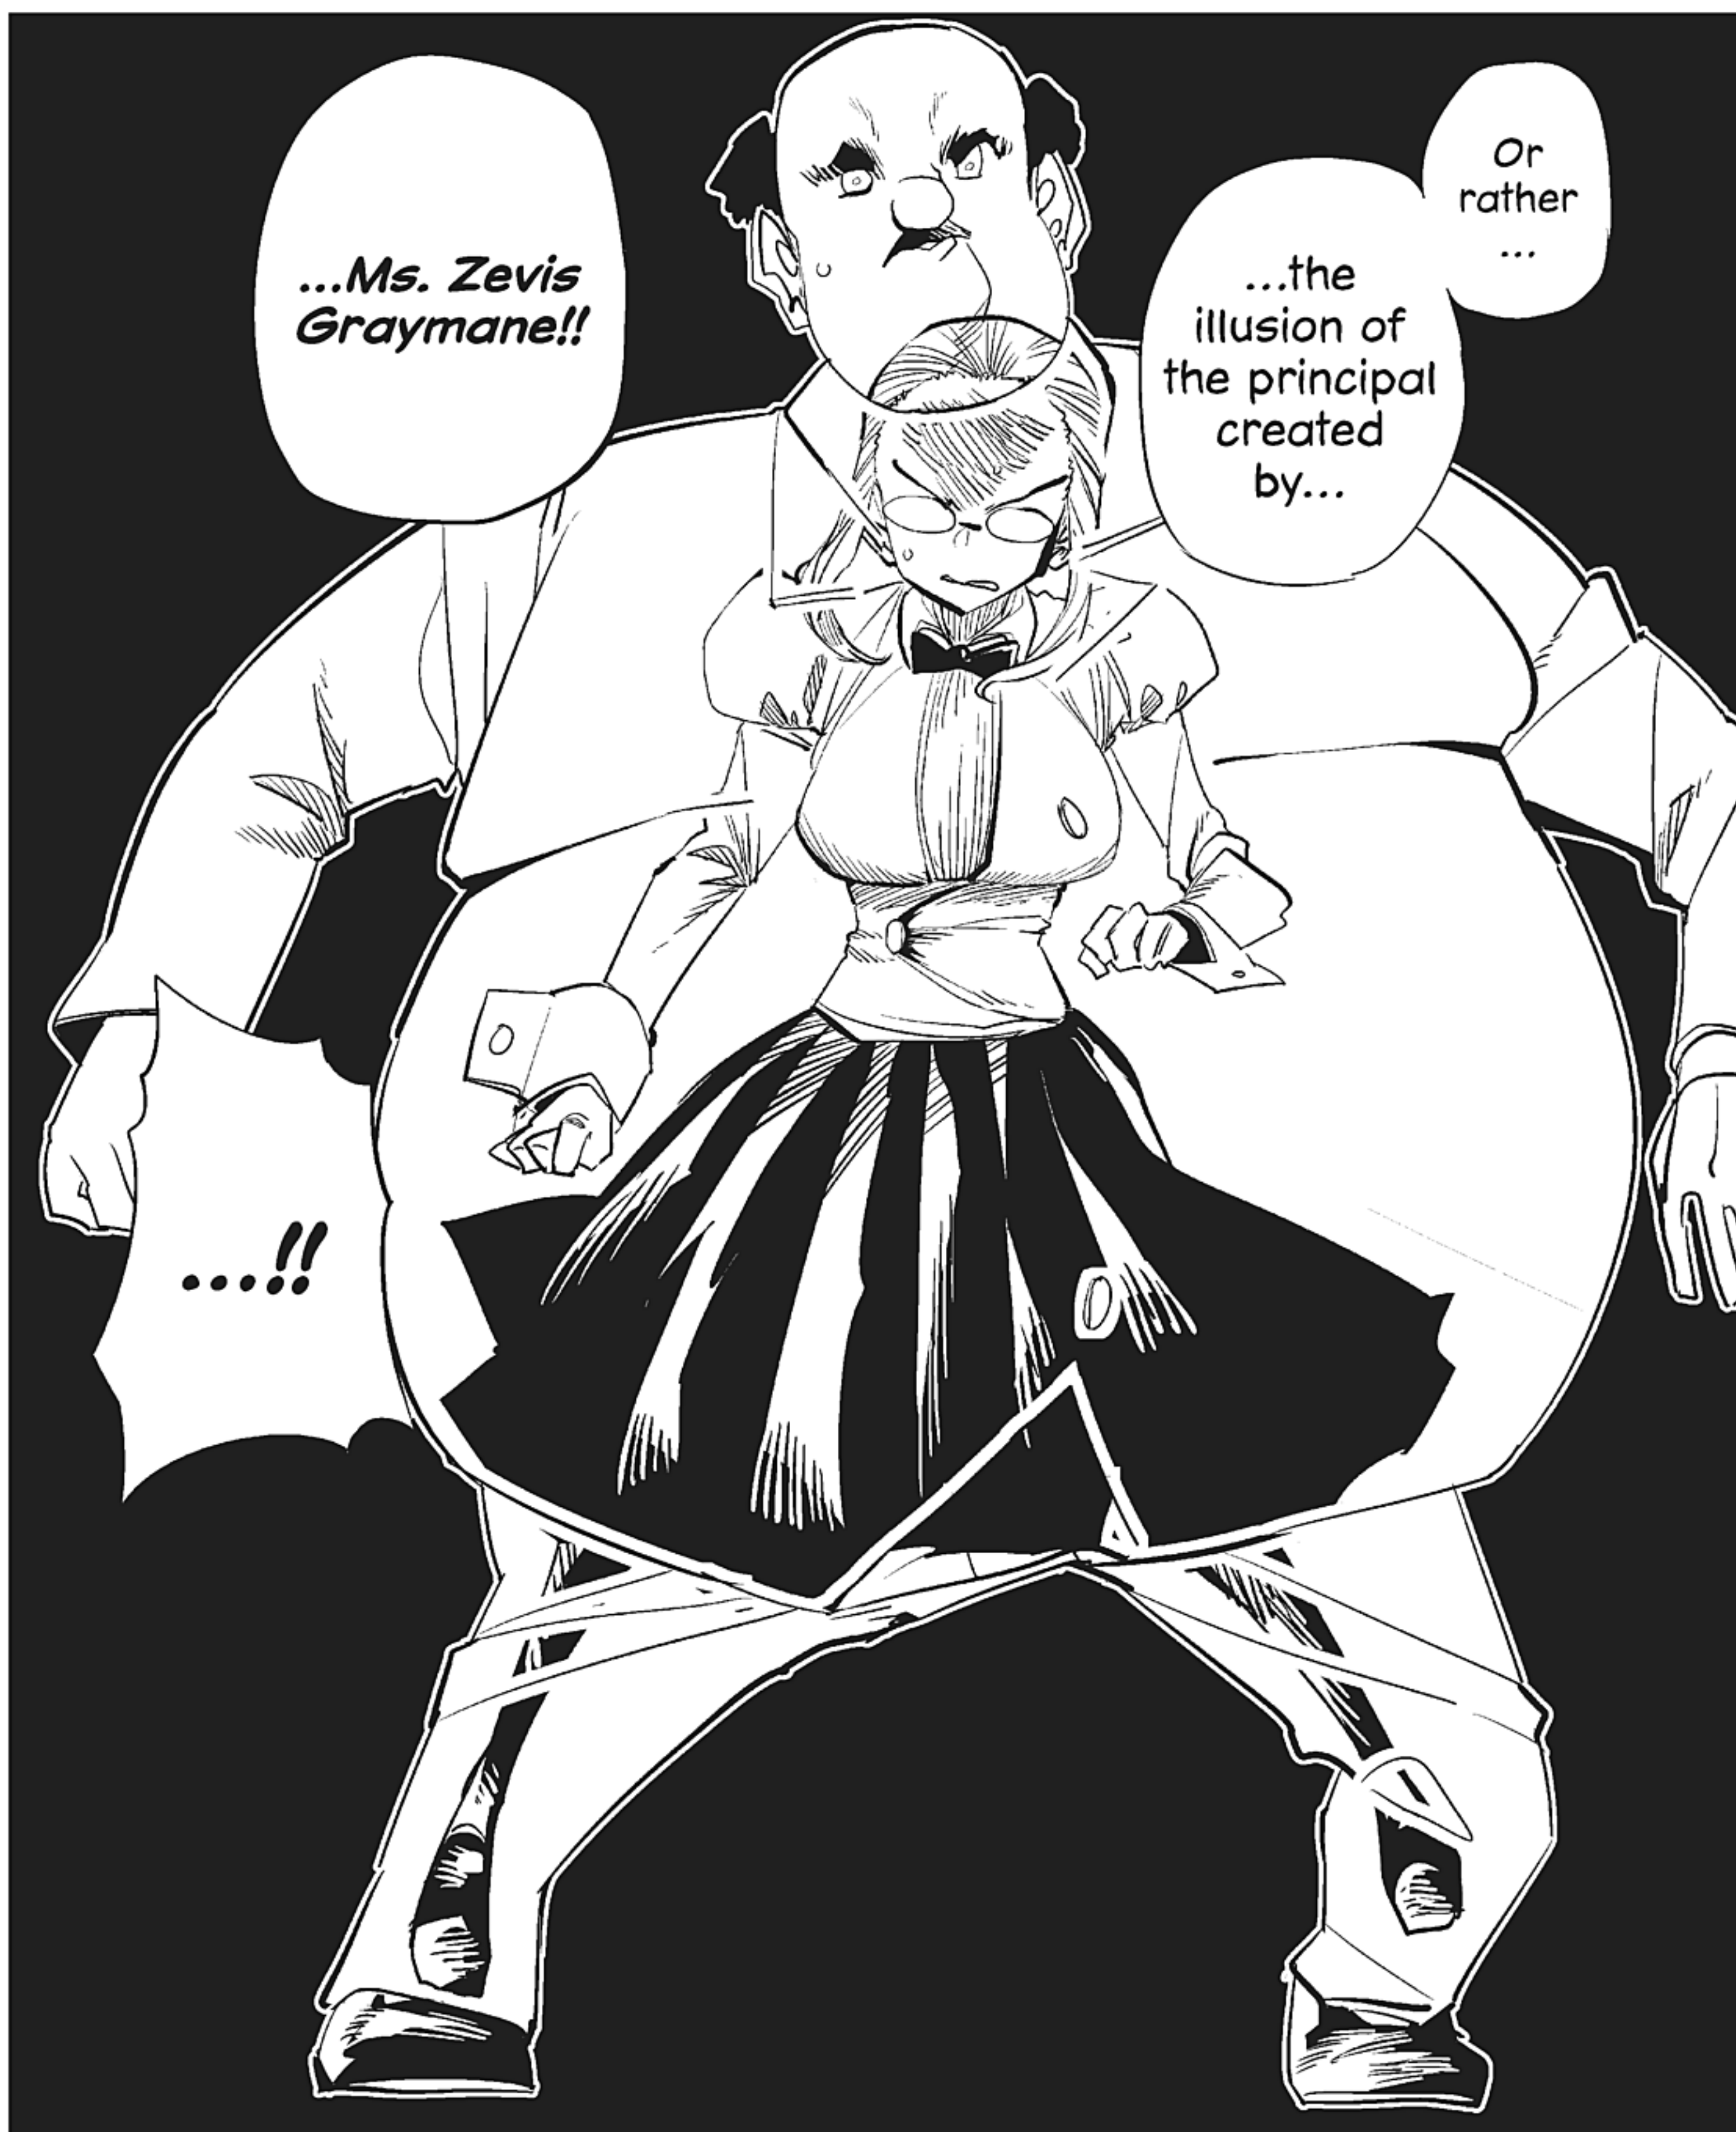

What
is the
meaning
of this?

...Mr.
Principal
...

Yes,
I knew
it was
you...

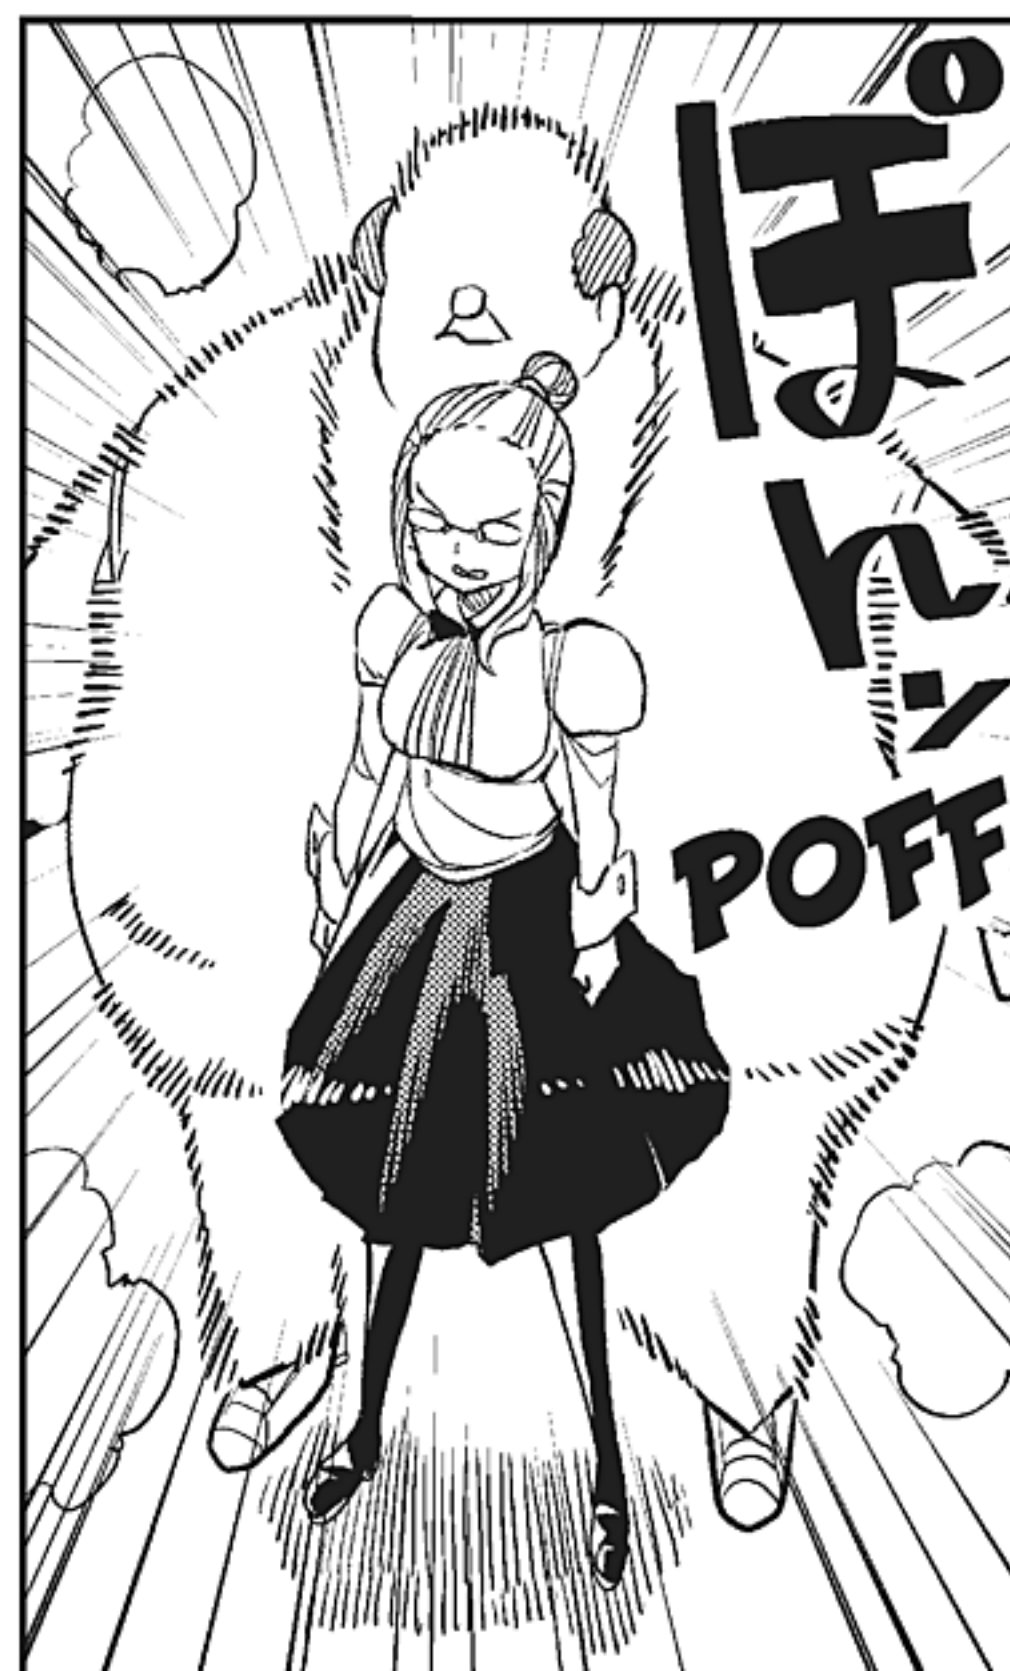

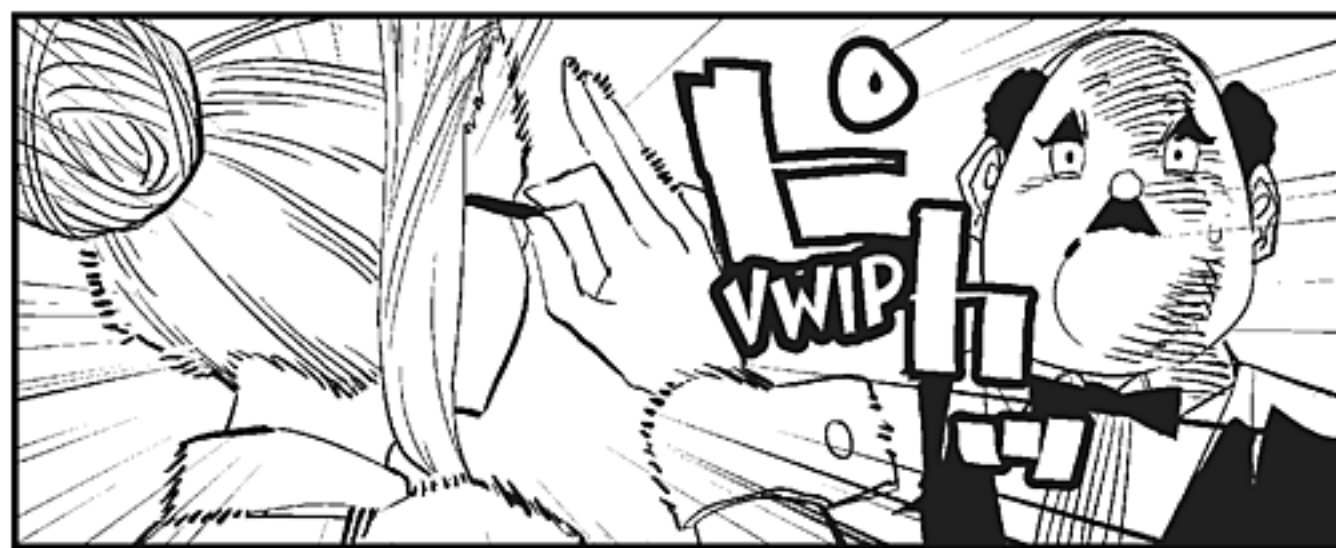

...Ms. Zevis
Graymane!!

...the
illusion of
the principal
created
by...

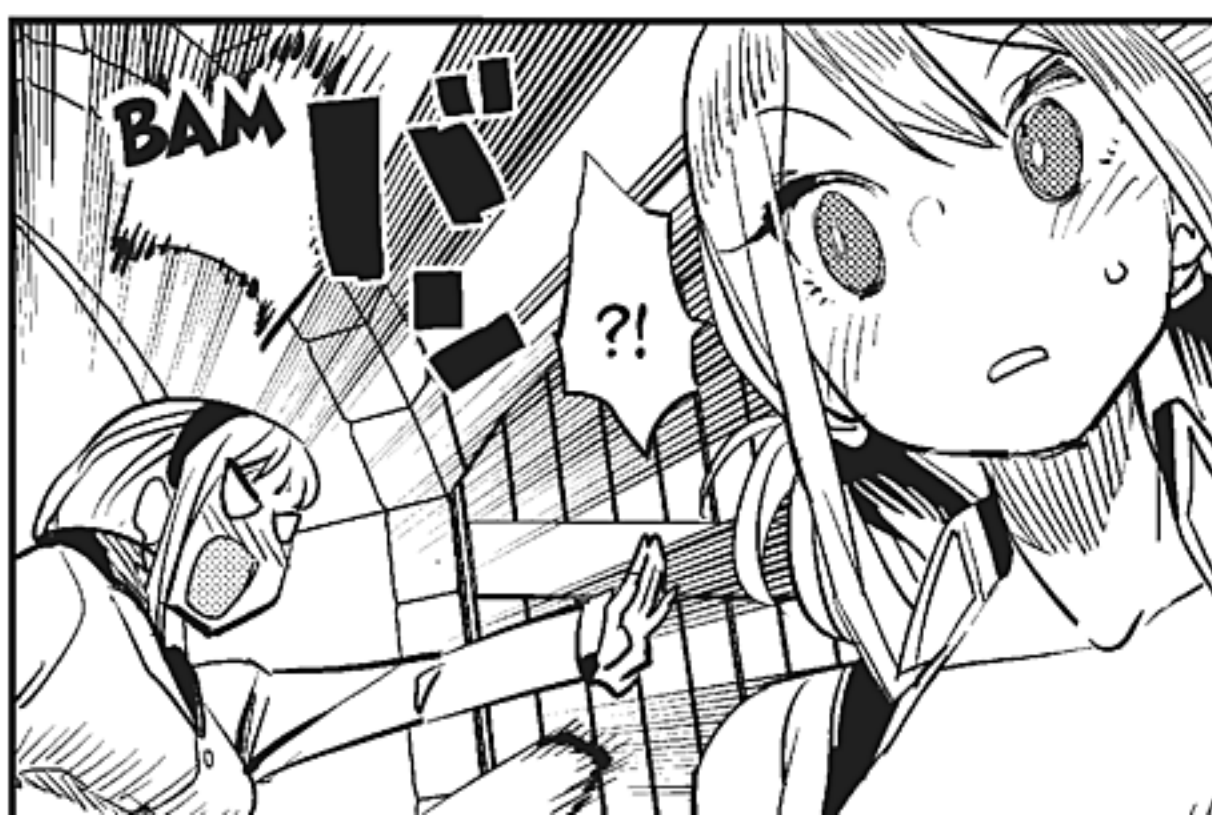

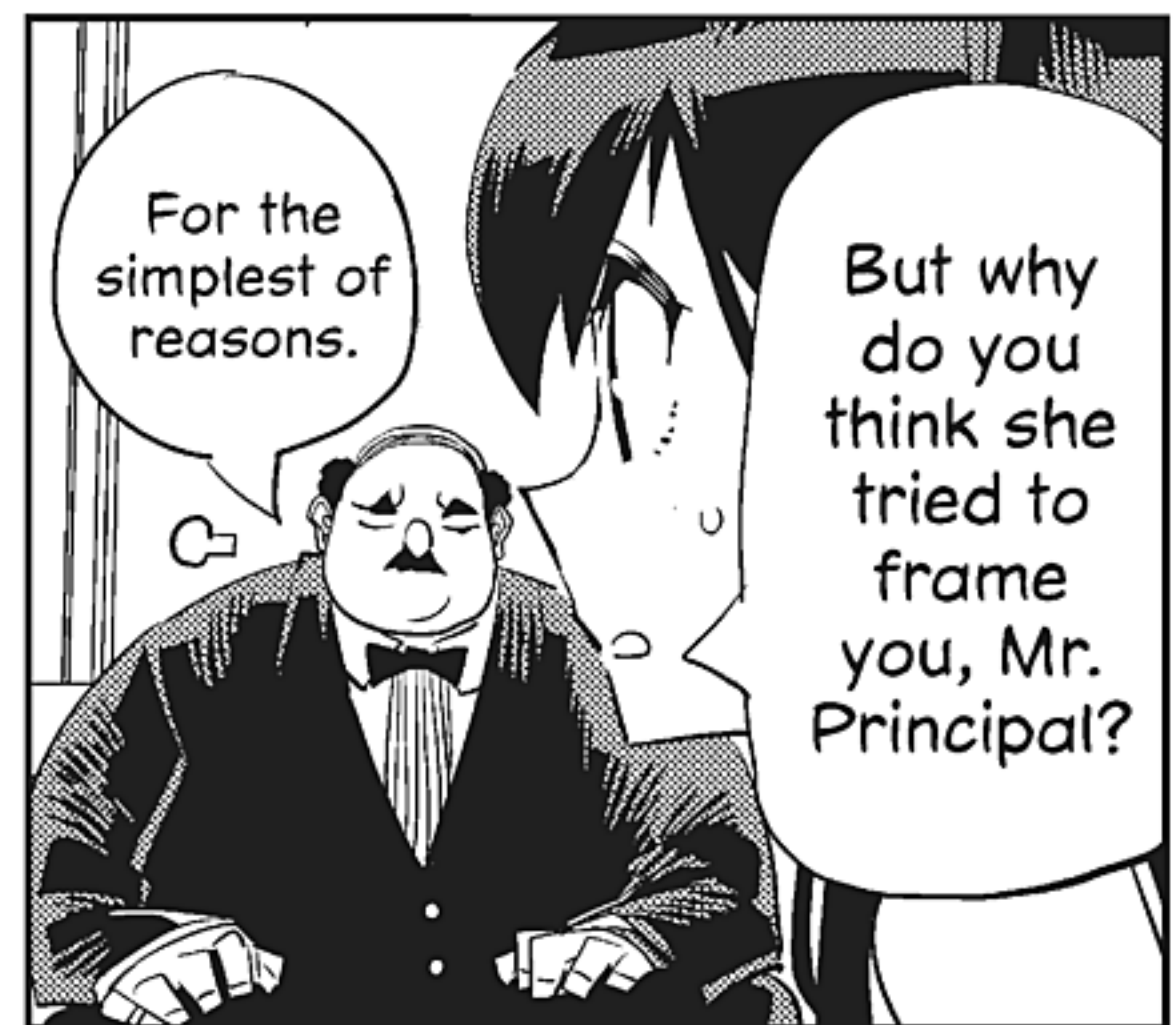

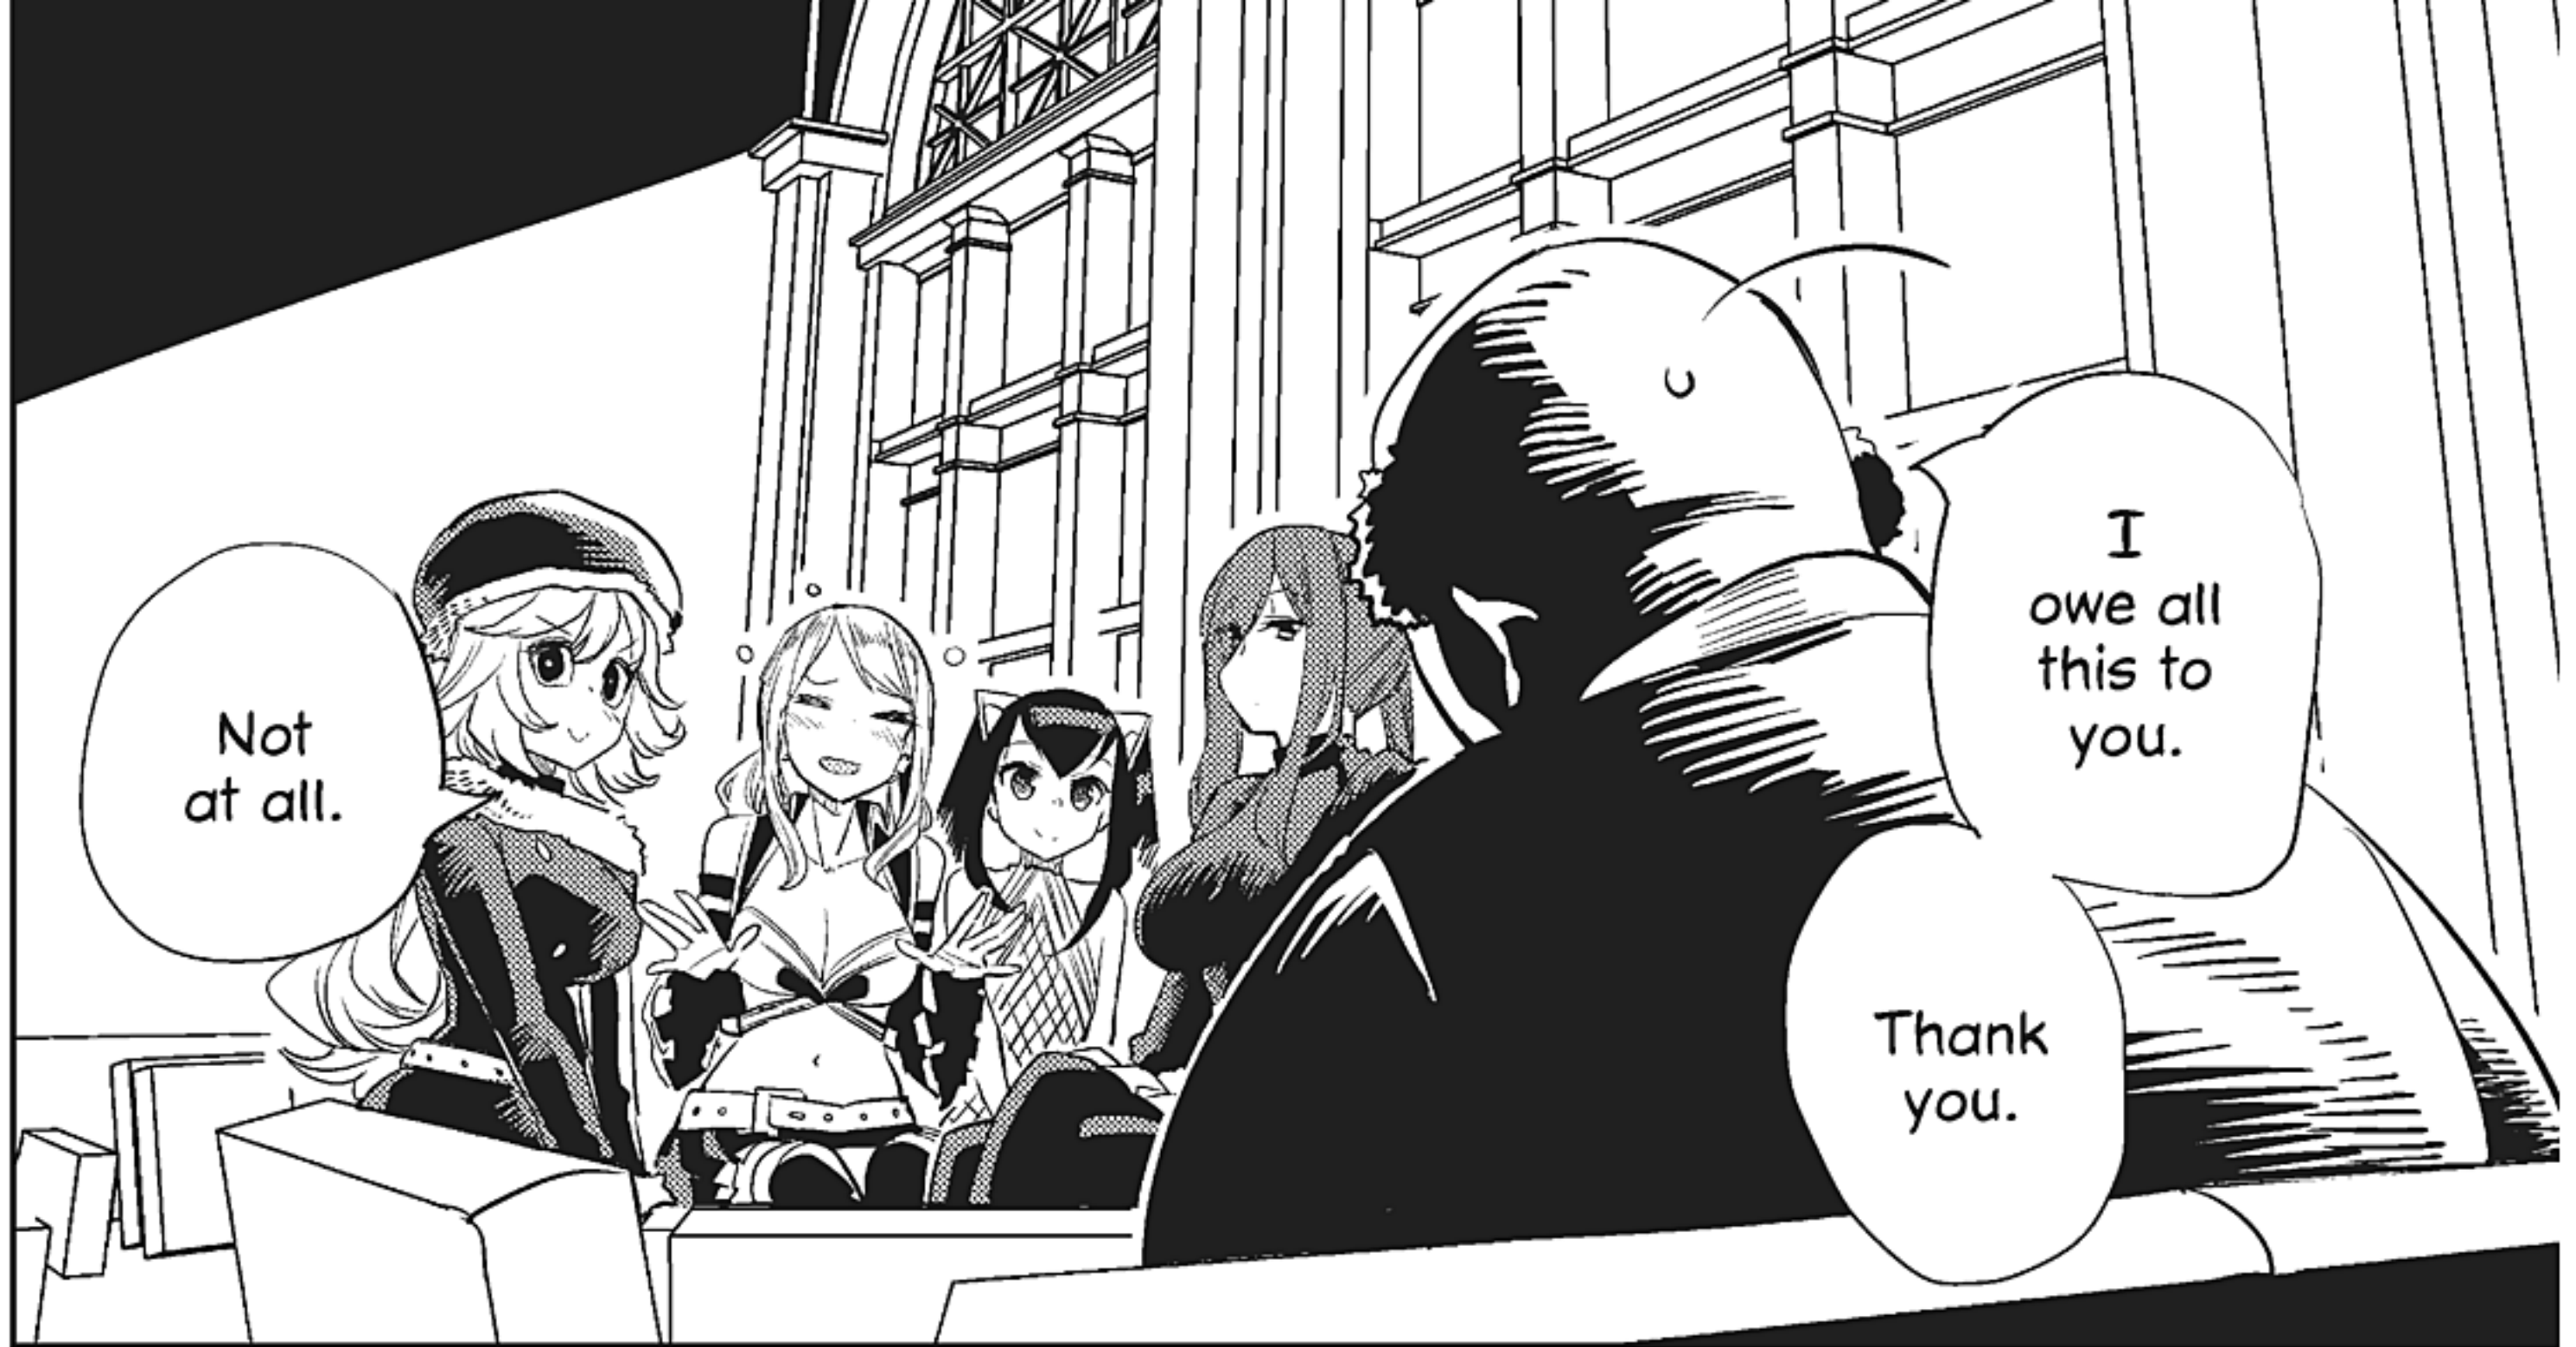

Or
rather
...

....!!

**MY IMAGE OF WHAT MAVIS WOULD
HAVE LOOKED LIKE IF SHE WERE
ALLOWED TO GROW UP.**

Please let me know
what a grown-up Mavis
really would look like!
Please, Mashima-sensei?

Translation Notes:

Page 5, Service

The word translated as “service” here (and in the title of the chapter) is *omotenashi*. *Omotenashi* encompasses more than just hospitality—it’s the idea that you anticipate your guests’ needs even before they have them. This spirit of *omotenashi* is part of why Japanese hospitality and customer service are so well respected throughout the world.

Page 45, Gym Clothes

What Wendy is wearing is the standard gym-class outfit for Japanese school girls. It will not surprise many people that quite a few Japanese people find this symbol of Japanese school girls to be sexy.

Page 74, Rice Omelet

There is a comfort food that nearly all Japanese children remember eating as kids. It’s called *Omuraisu* (Om-rice) and it’s stir-fried rice with veggies, meats and sauce (usually ketchup), formed into a crescent or circle and covered with or wrapped up in an omelet-like egg covering. Often, a picture or message is drawn in ketchup on the egg covering. It can be a message or smiley face or just about anything that the cook wants to convey to the person about to eat it. Usually it isn’t, “Go home,” though.

Page 144, Sneezing

There is a strange urban legend that when you sneeze, someone is talking about you. Usually, someone says something about someone who is not there, then we cut to that person who sneezes, and a companion wonders if that person has caught a cold. This trope pops up over and over in manga, anime, and Japanese dramas and movies.

Page 159, Late in the Term

Another common trope is the transfer student. Japanese parents try very hard to keep their kids in the school of their original enrollment, even if that means one parent staying with their kid if the other gets transferred to a new location for work, at least until the end of the school year so the child can transfer between grades, but possibly for even longer. Because of this, it’s rare for a student to transfer at any other time than the beginning of the school year, and getting a new student in the short term between January and March is even more unusual.
